The Editors' Opinions

Our Future

Southern has once again scored. It has scored on two counts... in encouraging young people to enter the field of science and in contributing to the progress and growth of our nation in this modern "atomic" age.

Southern is not alone in this endeavor, but is added through funds from the government and the National Science Foundation.

Why is it so important to have various scientific workshops and institutes? It is important because they provide

the opportunities for high-schoolers to gather more knowledge of scientific subjects. It is important because we are catching these young people while they have the intellectual powers and enthusiasm necessary for scientific studies.

It is in these students that the future of America will be insured and nurtured. By instilling in the students now the necessity and desire of being scientists, we can hope to overcome the shortage of qualified scientists which now faces the nation.

Fashion For Autumn

While you savor in the summer's heat, fashion designers are busy preparing a new line of fashions for Fall wear. And what a long, wide line they are using... fashions of sheer inspiration and lavish beauty.

The fashion plates of the female species will find a new, sparkling fashion line for Fall. Combined with splashing and soft hues, the color will find the very latest in comfortable materials—ordn t rough h viscose blended with wooleens and worsteds, not to mention natural fibers such as hemp, mohair and rabbit hair.

The fashions this year are as "heady as wine." Every color—from the purple of the grape itself to Vin Rose (bright pink)—looks spectacular as represented in the Fall line. Wine-reds and brick reds are so colorful—they almost provide a wardrobe in themselves.

A high spot in history was the Renaissance estates of France which were the scenes of lavish activity. No less elegant is the group of fabrics called "Renaissance Browns" for this autumn.

Your own wardrobe can be French riches which were the scenes of lavish activity. No less elegant is the group of fabrics called "Renaissance Browns" for this autumn.

Gus Bode Says

Gus sees that higher education has done away entirely with the old-fashioned school marks and masters.

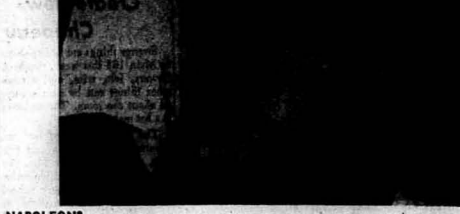

Gus sees some people on campus should develop a more courteous manner of answering telephone calls.

Gus is mad at the EGYPTIAN for not using any more check-out... could it be because the editor is female?

Gus' parents were shocked when they saw all the children at Thompson Point... they were ready to have him give up this modern idea of educational recreation.

"Renaissance Browns" for this autumn. The entire brown family will be important for Fall '59, in dresses, sport-wear, suits and coats. Range goes from wheat straw (a soft off-white) through taupe to truffle (a dark vibrant yellowed brown).

Your own wardrobe can be French riches which were the scenes of lavish activity. No less elegant is the group of fabrics called "Renaissance Browns" for this autumn.

NAPOLEON!

No! No! No! says Harry Wheatcroft... it is just the crazy schedule of summer session and the torrid climate that

makes me act this way. We wonder how that Harry will do when the really high temperatures hit Southern Illinois.

Southern Players Begin "Copperhead" Tonight

"The Copperhead," a Civil War melodrama by Augustus Thomas, opens tonight at the SIU Playhouse at 8 p. m. Graduate student Joe Embser is the director of the production which will run for five nights, tonight thru Sunday.

Members of the cast include Joyce Freed, Cosmo Inerra, Ken Swafford, Jack Fitzgerald, Nancy Jean Beals, and Martin Schluter.

Miss Freed, a two-seasoner with the Players, will appear as Grandma Pearly. A speech education junior, she has appeared in "Harvey," "Dark of the Moon," "Picnic," "The Shoes that were Dashed to Pieces," and "Private Lives."

Cosmo Inerra will appear in the role of Lem Tollard, insecta, a graduate student who appears, completing his master's thesis this summer. He graduated from the State Teacher's College at California, Penn., where he appeared in "Juno and The Paycock," "The Two Blind Mice," "O'U'r Town," and "Pygmalion." During the past season he has had roles in Southern Player's productions of "Harvey," "Major Barbeys Aunt," "Last week he appeared in "The Glass Menagerie."

Dr. Randall will be played by Martin Schluter. A graduate student, Schluter is a graduate

member of the Tull University summer stock company, will appear as Mrs. Manning. A graduate of the University of Vermont, Miss Beals is beginning work on a master's degree after completing five years of teaching. Her stage experience includes the direction of "St. Joan," "The Gold Cadillac," and "Charley Aunt," as well as "Private Lives."

SIU Press

Seven Faculty Members Contribute To Largest Publication List At Southern

By Betty Shadin

Seven faculty members and a one full-time wife contribute to the full publication list of the SIU Press. Composed of nine titles, it is the largest list to be published to date, according to Vernon Sternberg, director of the Press.

Instrumental in the formation of SIU's pioneer program of teaching, Health Education, Associate Professor John Richard L. Ferre and Athletic Director Donald N. Boydston will publish their book, "An Annotated Guide to Free and Inexpensive Materials in Health Instruction," in September.

A catalogue of available materials in Health Education, it is an up-to-date guide to teachers from grade levels through high school and university.

Professors of botany John W. Veitch and Robert H. Mollenbrock combine 15 years of work and 30,000 miles of travel to bring out a book entitled "A Flora of Southern Illinois."

Native Scenery

Both are professors at SIU and students of the geography of Illinois. Especially valuable to amateur botanists, the book is an important manual in identifying the plants that make up the native scenery of the southern twelve counties of Illinois.

George Kimball Plochmann, associate professor of philosophy at SIU, discusses the explosive growth of this University from a state teachers college in little more than a decade in his book entitled "The Ordinal of Southern Illinois University."

Plochmann, a member of the faculty during most of the institution's period of significant growth has with rare insight revealed the strength and self-control of an emerging university.

"University Portrait: Nine Paintings by Carolyn Gassan Plochmann" is designed as a companion piece to her husband's book.

band's book "The Ordinal of Southern Illinois University." Mrs. Plochmann has constructed a portfolio of paintings showing the universities as a whole, its area, its buildings, its students, and its faculty, in a clear account of an important phase of our lives—university education. Mrs. Plochmann is a former instructor of art at the University School in Carbondale.

Clarence D. Samford, chairman of the department of secondary education has written a book entitled "Social Studies Bibliography: Curriculum and Methods Study" which not only defines social studies for the upper elementary and secondary grade levels, but discusses classroom use of instructional materials, and gives a comprehensive listing of such subjects as citizenship, soil conservation, audio-visual aid, and driver education.

Lawrence Expert

One of the outstanding Lawrence experts in the world, Harry T. Moore, professor of English at SIU, has compiled from the many essays about Lawrence and unpublished letters and documents a book entitled "A. H. Lawrence: Miscellaneous." Moore has selected thirty pieces which bring to examination the various aspects of the mind and art of one of the most controversial figures in twentieth century literature.

Moore is also the author of "The Life and Works of D. H. Lawrence," and "The Intelligent Heart: The Story of D. H. Lawrence."

In conjunction with Moore's "Miscellaneous," Sir Richard Buxton brings to the literary world a comprehensive work entitled "Brave Men; A Study of D. H. Lawrence and Simon control of an emerging university."

"University Portrait: Nine Paintings by Carolyn Gassan Plochmann" is designed as a companion piece to her husband's book.

Play, Trip And Seminar On Agenda

The Southern Players' production of "Copperhead," the second panel seminar in the Asian Studies series, and a trip to the St. Louis Municipal Opera to see "Gentlemen Prefer Blondes" are some of the highlights of the week's events at Southern.

TODAY
Southern Players' "The Copperhead"; 8 p. m., Southern Playhouse.
Senior Recital by James Finn, Clarinetist, accompanied by John Akin; 8 p. m., Algeid Hall.
Movie Hour: "Brigham Young," starring Tyrone Power, Linda Darnell, and Dean Jagger, 7 p. m., McAndrew Stadium; admission free.

THURSDAY
Southern Players' "The Copperhead"; 8 p. m., Southern Playhouse.
Lecture, "Nature of the Philippine Community" by F. X. Lynch, Jr., Research Assistant, Philippine Studies Program, University of Chicago; 7 p. m., Browne Auditorium.

FRIDAY
Southern Players' "The Copperhead"; 8 p. m., Southern Playhouse.
Bridge Night: 6:30-9:30 p. m., Lentz Hall, Thompson Point.

SATURDAY
St. Louis Municipal Opera Trip, "Gentlemen Prefer Blondes"; Bus leaves Student Union at 4 p. m.
Southern Players' "The Copperhead"; 8 p. m., Southern Playhouse.

SIU's Rehabilitation Institute offers a two-year graduate program.

NEW C.O.
Col. George H. Blase, new commanding officer of Southern's 1,600-man Air Force ROTC wing, will assume command of his post on Aug. 3. Blase replaces Lt. Col. Emmet Cockrum, who has been acting commander of the wing since the retirement of Col. Alexander MacMillan last winter.

BEST ENGINES!
One of 7 Big Bests Chevy gives you over any car in its field

BEST ECONOMY No doubt about that: a pair of Chevy sixes with Powerglide came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size cars, 22.38 miles per gallon.

BEST BRAKES Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR-conducted test of repeated stops from highway speeds. "National Association for Stock Car Advancement and Research."

BEST RIDE A few minutes behind the wheel will leave no doubt about this. MOTOR TRENDS magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

BEST TRADE-IN Check the figures in any N.A.D.A.'s Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two."
"National Automobile Dealers Association"

BEST ROOM Official dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room, for example, is up to 5.9 inches wider than comparable cars.

BEST STYLE It's the only car of the leading low-priced 8 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

CHEVROLET
NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!

Open invitation to excitement, the Impala Convertible... and America's only authentic sports car, the Corvette.

Try the hot one—visit your local authorized Chevrolet dealer!

LITTLE MAN ON CAMPUS

THE VERY SAME STUDENTS FINUNING MY CLASS ARE OUT THERE FOOLING AWAY THEIR TIME ON THE ARCHERY FIELD.

THE EGYPTIAN
Published semi-weekly during the school year, the Egyptian is one of the most widely read and most successful of student publications. It is a quarterly type conditioner which fits in with present plans for a move to a permanent building.

The conditioner was installed by SIU's Physical Plant with a minimum of ductwork and the only non-recoverable costs of the conditioner will be labor and the small amount of ductwork.

The air-conditioner keeps the relative humidity low, less than half as much as previous to the installation, and is set to operate at 15-16 degrees lower than the outside temperature.

SIU's Small Business Institute was established in 1954.

Col. Blase Takes Over ROTC Post

Southern's 1,600-man Air Force ROTC wing will have a new commanding officer when Col. George H. Blase assumes command on Aug. 3.

Col. Blase replaces Lt. Col. Emmet Cockrum, who has been acting commanding officer since the February retirement of Col. Alexander MacMillan. Cockrum has been assigned to Lowry Air Force Base in Denver as Base Group Executive Officer and will report Aug. 15.

Blase, World War II bomber pilot and 19-year air veteran, is a native of St. Louis. The 46-year-old C. O. won the Silver Star, Distinguished Flying Cross, Bronze Star and Air Medal in World War II action.

The father of four young children, Blase has been on duty with the Joint Chiefs of Staff in the Pentagon for the past three years. He formerly was on extended duty in Tokyo, Japan.

Blase is married to the former Fernie Johnson of Harrisburg, a 1939 graduate of SIU and former grade school music teacher in West Frankfort. Blase received bachelors and masters degrees from the University of Missouri.

Asian Studies

Talks Continue In Philippine Community Development

Professor E. D. Hester, associate director of the University of Chicago Philippine Studies Program, was the opening speaker in a panel-seminar series on 'Community Development in the Philippines' last Thursday night in Browne Auditorium.

The series will continue through the month of July, with lectures to be held each Thursday at 7:30 p. m. in Browne Auditorium of Parkinson Hall. The series will feature speakers just returned from community development work in the Philippines.

Hester's address, entitled "Random notes on Community Development", compared the actual American diplomat to the one described in the recent best-seller, "The Ugly American." He listed three causes for American failure abroad: internal dealing with the countries, exaggerated display of wealth, and the linguistic barrier.

Panel Members

Members discussing Hester's lecture were Horace B. Jacobini, C. R. Kaut, and Daniel L. Spencer of the SIU Committee on Asian Studies and Richard C. Franklin and Richard Poston of Southern's Community Development Institute.

Hester has a long background of work in the Philippines. In 1916, he first went there as a civil service worker. He remained there until 1926. In 1930, Hester returned to the Philippines as economic advisor to the Government General.

When the office of Governor General was abolished in 1958, Hester remained as advisor to the High Commissioner. He was one of the last Americans to leave Corregidor before it was surrendered to the Japanese.

F. X. Lynch, research associate in the Philippine Studies Program, University of Chicago, will speak tomorrow night. His subject will be "The Nature of the Philippine Community."

July 23 Lecture

"The Modern Community in a Christian Nation" will be the topic for the July 23 lecture. Melvin Mednick, also from the University of Chicago project, will be guest lecturer.

The final program will be a symposium by members of the sponsoring organizations. This program will be July 30.

This series is the first of a continuing program of courses, study groups, and workshops offered by SIU designed to acquaint teachers and other interested people with the rapidly developing field of Asian studies. The series is sponsored by the Committee on Asian Studies, the Community Development Institute, the Division of University Extension, and the University along with the Philippine Research Program of the University of Chicago.

Audience participation is invited in the series, and certificates will be issued to those attending all four lectures. There is no tuition on fees. Participation is not carry college credit.

Students Work For Stores

Three SIU students have been named to college boards this summer at department stores in St. Louis and Chicago.

For six weeks they will receive internship training in fashion merchandising, according to Dr. Adeline Hoffman, chairman of the SIU clothing and textiles department.

The students and stores where they will be college board members are Nancy Reimer of Waterloo, Famous Barr in St. Louis, Patricia Chester of Marion, Scroggs-Vandervoort-Barney in St. Louis, and Charlene Dycus of Mt. Vernon, Carson-Pirie-Scott in Chicago.

In addition to earning college credit, the students will be employed at the stores throughout the summer, Dr. Hoffman said.

All are enrolled in the SIU School of Home Economics and are members of the School's student advisory council.

degree from Southern in 1957, with a major in marketing. He attended the Greenville (Ill.) College before coming to Southern. He was budget manager for the Goodyear Tire and Rubber Company in St. Louis until August of last year when he joined the SIU office.

Ward's wife, Jan, is a registered nurse at Doctors Hospital.

Vavra Speaks At Meeting For Research

Dr. Joseph P. Vavra, associate professor in SIU's School of Agriculture, plant industries division, will speak at the Agriculture Research Conference meeting in Madison, Wis., July 15. The conference is sponsored by the American Farm Research Association.

Vavra, senior author of a paper, "Yield and Composition of Wheat to Soluble Phosphate Drilled in the Row," which appeared in the June issue of the Agronomy Journal, will talk on "Basic Principles for Top Production Profits concerning fertilizer use in Illinois."

Also attending the conference from SIU will be Dr. Wendell E. Keeper, Dean of the School of Agriculture, Dr. Alex Reed, chairman of animal industries, Dr. Joseph Burnside, swine specialist, Dr. A. B. Oester, chairman of plant industries, and Dr. William Kammlade, livestock specialist.

Robert F. Eberidge, former assistant dean of men at SIU, has been appointed dean of men at Miami University, Oxford, Ohio.

Swimming

Rumpel Finishes Second In AAU Nationals

SIU swimmer Norbert Rumpel finished second in the 200 meter breaststroke at the National AAU Championships in Los Altos, Cal., last Saturday evening.

Rumpel finished second to Ron Clark of Detroit who broke Rumpel's American record of 2:47.8. Clark swam the contest in 2:45.6, with Rumpel coming in at 2:45.7, losing by a tenth of a second.

Clark set the new American record in the preliminaries with a time of 2:44.7.

Also entered in the meet in Los Altos was another Saluki swimmer, Walt Rodgers. Rodgers was eliminated in the qualifying round of the 200 meter individual medley.

Rumpel came to SIU last year as a freshman from Bavaria and set American records in the 100, 200 and 220 meter distances.

Last year Rumpel was the first swimmer to receive the Hinkley Award for the most outstanding Southern athlete. He was also elected to be next year's swimming captain by his teammates.

Rumpel and Rodgers have been touring the country with their swimming meets scattered throughout the U. S., competing

New Program Adopted By SIU

SIU will adopt a new teacher training program this fall, according to Charles Neal, SIU director of teacher training. Due to an increase in student teachers—over 600 are expected next fall—teacher training programs will be executed all over Southern Illinois.

In the future, student teachers will leave campus for three months during their senior year to teach at schools in Southern Illinois. Students planning to teach agriculture, home economics, kindergarten, primary, or elementary education will be affected by the program this fall. It will be included in this program after a three-year transition period, said Neal.

'POP' QUIZ

Even the warm weather does not hinder the giving of exams, as Robert E. Anderson, above, will tell you. Anderson, an accounting junior from Carverville, is busy studying for a quiz in Botany 101 Lab . . . at 7:30 a. m. no less. Several of the botany classes have been observed on campus learning the various tests and plans at SIU.

ROTC Cadets Attend Camps For Summer

Twelve Southern advanced ROTC cadets are now attending AFROTC summer training at various Air Training Command bases throughout the United States. A second group of junior four weeks of summer training and senior cadets will attend beginning August 2, through August 29.

The following cadets are attending summer training: at Craig Air Force Base, Alabama, Emerson D. Young, at Stewart Air Force Base, Tennessee, Jack P. Lundgard; at Greenville AFB, Mississippi, John B. Causey, Don E. Davis, William T. Felix, Gavford V. Hayden, Galen R. Henson, Marvin W. Howell, Alan D. Kelley, James L. Smith, and Roger K. Taylor, at Webb AFB, Texas, Frank J. Renaldi.

19 Attend

Nineteen advanced cadets will attend four weeks of summer training beginning August 2. They are: at Hamilton AFB, California, Wayne E. Trost, at Craig AFB, Alabama, Ralph L. Long; and at Greenville AFB, Mississippi, William H. Berry, John P. Deming, Richard L. Prosser, Robert E. Golden, George W. Grant, Max K. Jones, Wayne D. Kirk, Eugene M. Malone, Jerry H. Natterstad, Thomas E. Norris, Nicholas R. Fred A. Sloan, Gary R. Smith, Donald F. Spahr, Edwin R.

ing for a quiz in Botany 101 Lab . . . at 7:30 a. m. no less. Several of the botany classes have been observed on campus learning the various tests and plans at SIU.

Payne, Robert W. Provart, and Robert C. Wolfe.

Cadets in the advanced corps of ROTC attend four weeks of summer training between their junior and senior year. "In summer training, cadets live under actual military conditions and undergo a strict physical fitness program," said Captain R. C. Reeder, air science instructor.

Promotes Enthusiasm

Summer training is to supplement the institutional phase of cadet training by promoting in cadets increased enthusiasm and desire of careers in the Air Force, with emphasis in flying for those physically qualified, Reeder explained. The objective of summer training is to develop in cadets a better understanding of the USAF mission as exemplified in the operation of an Air Force base and to increase cadet proficiency in essential areas of prior officer-training such as leadership, military discipline, customs and courtesies, and drill and ceremonies, according to Reeder.

The Latin American Institute at SIU was activated in 1958.

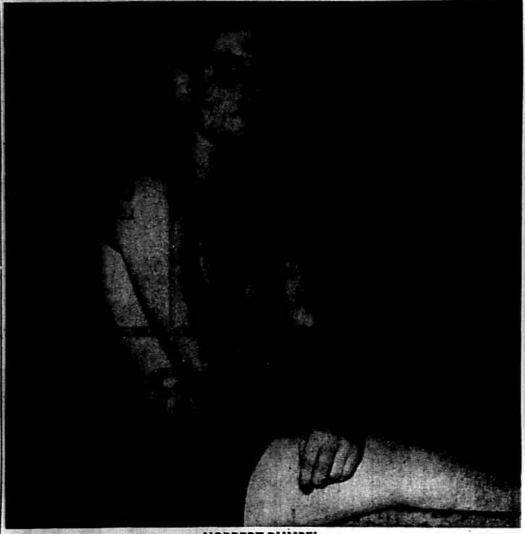

The Small Business Institute at Southern was established in 1954.

SIU is a member of the National Collegiate Athletic Association.

Dr. Donald N. Boydston becomes athletic director at SIU in 1957. He is a former standout athlete at Oklahoma State.

Gallatin Snares Cagemen For Saluki Squad

Basketball is out of season, but SIU coach Harry Gallatin has been busily recruiting some outstanding young cagemen in an effort to strengthen next year's Saluki squad.

Having lacked a big man last year, Gallatin has obtained Frank Linster, six-foot eight-inch center from Thornton High School of Harvey.

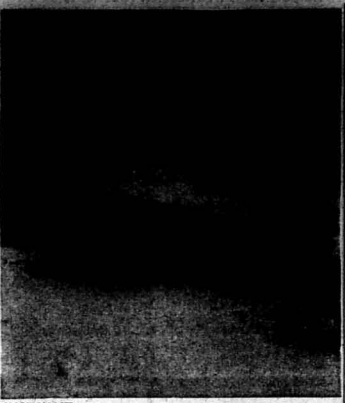

Harold Hood, basketball standout from near-by West Frankfort, will also be wearing the Saluki uniform next season. Also added to the SIU roster for the coming year are Larry Newton of Hurst-Bush and Don Shawlette of Stranton.

Coch Gallatin, beginning his second year as head basketball coach for Southern, has extended his recruiting campaign beyond the Illinois prep scene and has landed two impressive cagers from the East.

They are Harold Rabaut of Manhattan, N. Y., and Fred Conkling from Cliffside Park, N. J.

Another new man Saluki fans should keep their eye on is transfer student Jim Rosser, who averaged 25 points a game last year for Oklahoma State University.

Returning from last season are four of Southern's first five. The only regular who will not be back next year is Captain Seymour Bryon who was lost through graduation. The four returning starters are Jim Gualdoni, Dick Ruggles, Don Hep-

Two Teams Top League Play After Week

Occupying the top spot in the Intramural Softball League after the first week of play are the Chautauqua Vets and the Green Thumbs with identical records of two wins and no defeats.

The Green Thumbs are sharing the league lead as a result of victories over Sig Tau and Feltz First Floor. Their wins were by 4 to 1 and 14 to 0 scores. The Chautauqua Vets defeated the Overseers 16 to 1, then best Feltz First Floor 19 to 10.

In other games last week, the Joepsains split a pair by losing their opener to Sig Tau 7 to 4, then defeating the Overseers 16 to 1. Both the Joepsains and the Sig Taus have won one game while the Overseers and Feltz First Floor have dropped two and won none.

Sandlings:

Green Thumbs	2	0
Chautauqua Vets	2	0
Joepsains	1	1
Sig Tau	1	1
Overseers	0	2
Feltz 1st	0	2

Today, Green Thumbs vs. Overseers, Field One; Feltz First Floor vs. Sigma Tau, Field Two.

Thursday, Chautauqua Vets vs. Joepsains, Field One; Feltz First Floor vs. Grads, Field Two.

Monday, Green Thumbs vs. Joepsains, Field One; Overseers vs. Grads, Field Two.

Tuesday, Chautauqua Vets vs. Sigma Tau, Field One; Green Thumbs vs. Grads, Field Two.

Wednesday, July 22, Joepsains vs. Grads, Field One; Overseers vs. Feltz First Floor, Field Two.

Thursday, July 23, Chautauqua Vets vs. Grads, Field One.

LAMPMAN ATTENDING HOUSTON INSTITUTE

Duncan L. Lampman, SIU machine drafting and design instructor, is attending the National Science Foundation Summer Institute at the University of Houston.

Lampman enrolled for two math courses and attends weekly seminars offered by the Institute. In addition, the VTI instructor will take two courses for credit toward his doctorate in applied science.

Student Union Tour Set For August 1

Bald KnKob, Pine Bluff, Union County Forest and other points of interest in Southern Illinois' Shawnee National Forest will be visited by a Student Union tour August 1.

The trip, which will go as far west as Devil's Backbone on the Mississippi River, will be conducted by Robert Finkerton, a graduate geography student. Interesting sights on the tour will be approached from a geological and geographic standpoint as to how some of nature's phenomena came about.

The tour will be made by bus, and will take approximately three to four hours. Passengers' comfort is assured by the use of the new SIU bus.

Newton Speaks At Meeting Of Journalists

Sigma Delta Chi's national vice president in charge of Professional affairs will speak at a dinner meeting of area chapters of the professional journalism fraternity in Carbondale July 23. He is V. M. Newton, Jr., managing editor of the Tampa (Fla.) Tribune.

Newton will speak at a meeting of the Southern Illinois, St. Louis and SIU chapters of Sigma Delta Chi, held in conjunction with the fifth annual National Conference of Weekly Newspaper Editors to be held at Giant City State Park July 19-24.

The conference is sponsored by the SIU journalism department.

Newton, chairman of the Sigma Delta Chi Committee on Freedom of the Press, will speak on "Keeping America's Press Free".

DOG'S LIFE

This dog seems to be one of the most contented of all at the Student Union Dance Friday night. Students danced on the drive-way in front of Anthony Hall, and seemed to enjoy the cool out-door recreation. As can be seen in the picture, the dance was informal and a variety of dress was to be found among the participants. No one really thought the

dance was going to the dogs, though. (Egyptian staff photo)

FORD ARTICLE IN ANNIVERSARY ISSUE

An article reviewing the history of journalism education in the United States by Dr. James L. C. Ford, SIU professor of journalism, appears in the 75th anniversary edition of Editor and Publisher, weekly magazine for newspapermen.

JUST WAIT

This little watermelon has been getting a lot of attention from students passing by in front of the Student Union. Only a few inches long now, the little melon should some day be a huge, delicious feast. Who planted the mysterious vine in the flower bed in

front of the Union is still an unanswered question? Another question, that worries some students: will this and other young melons on the vine get a chance to ripen, or will someone try to enjoy them too soon? (Egyptian staff photo)

McHenry Gets Third In Debate Meet

Donald McHenry who has just received his M.A. in speech at Southern finished third among U. S. debaters at Chicago in the spring.

As a result, McHenry will be an alternate on the International Team which will represent the United States in Britain this winter.

McHenry, who is from East St. Louis, is described by Dr. Ralph Micken, Chairman of the Speech Department, as one of the best debaters in the Mid-west.

The department of special education prepares teachers for educational programs for exceptional children sponsored by public schools in southern Illinois.

ler, and last year's IIAC Conference scoring leader, Charley Vaughn.

Southern shared the second spot in the conference standings with Western Illinois with a 9 and 3 mark. Top spot in the IIAC went to Illinois Normal.

Costs Less... Does More

New Verifax Bantam Copier \$99⁵⁰

Kodak breaks through the price barrier with a Verifax Copier for less than \$100! Now you can afford to have as many Bantam Copiers as you need... put one in every department—even the "one-man" office can save its cost the first month.

The Bantam makes 5 dry, accurate copies of any original—written, printed, or drawn—in 1 minute for only 2 1/2¢ a copy. Pen, pencil, crayon writing, even those purplish spirit duplicator copies are reproduced as easily as typed data.

Stop in for a free demonstration. Only takes a minute or two to see the Bantam Copier in action.
