**SIU Basks In Routine Of Holiday**

The working world loves a holiday, especially the three-day weekend variety. Though it is hot enough break to warrant a trip to Florida, many students and staff members are leaving to enjoy this Fourth of July weekend at home with friends and relatives.

Activity on campus will adjust itself to the slackening of traffic in and about the various buildings and centers.

At the University Center, today's hours of operation will be extended. The Oasis will be open from 9 a.m. to 8 p.m. and the information desk will be staffed from 9 a.m. to 8 p.m. The bowling alley will be open from noon to 8 p.m. and the Olympic Room from 8 a.m. to 6:30 p.m.

University Center facilities normally closed on Sundays and holidays will be closed Monday, including the bookstore, cafeteria and director's office. Attendance will not be on duty at the checkroom or parking lot.

On Monday the Oasi and Olympic Room will be open at 11 a.m. and closed at 8 p.m., and the information desk from 11 a.m. to 1 p.m.

Morris Library will be open from 7:30 a.m. to 10 p.m. but only the circulation desk will be staffed and entry and exit will be through the south doors only.

The Health Service will be closed today but emergency treatment will be available at the clinic in Physicians Office on West Main Street.

**Ministers' Group Provides Buses**

The Carbondale Ministerial Association is sponsoring a bus service from Carbondale housing to various Carbondale churches for students who desire transportation.

Buses leave Thompson Point, Smirk Group Housing and Woody Hall at 9, 9:30, 10, 10:30, 12 and 12:30, daily, to bring students to the various churches in town.

Rental Library is scheduled at 10:30, 11, 11:30 a.m. and 12 noon.

Further information concerning church services in Carbondale can be obtained by calling the Church Directory 437-1040.

**Boydston Complains to Johnson On Coed Gymnasts' Ineligibility**

**Team Is Barred At AAU Meet**

An SIU official has complained to the White House because Southern's women's gymnastics team was barred from a tournament meet in Cleveland, Ohio.

The team was declared ineligible last November after it performed in a meet sponsored by the U.S. Gymnastics Federation, which is affiliated with National Collegiate Athletic Association.

The AAU lifted the suspension June 19 after a hearing in Chicago, but refused to lift the ban for Judy Wills, SIU team member and winner of the world's trampoline title in London earlier this year.

Thursday the suspension of the entire team was reactivated, but the team had already traveled to Cleveland. Boydston said the AAU's eleventh-hour decision to suspend the team and the earlier exclusion of Miss Wills, who had competed in the same meets as the others, prompted him to send the telegram to the President. He also said that the SIU is considering legal action of the Gymnastics Federation as well as SIU.

A spokesman for the athletic office said there was little chance that the girls could compete in the meet. He expressed sympathy for the team, saying that the girls had worked hard to prepare for the meet and now have to sit as

**Events in Celebration of Fourth of July Scheduled by Four Communities in Area**

The old-fashioned Fourth of July celebration with its political speeches, parades, brass bands and box lunches has all but disappeared.

Taking its place, at least in this area, is a one to three-day civic-sponsored celebration featuring carnivals, beauty contests, concession stands open in the City Park all day Sunday. A fireworks display will be staged at 9:30 p.m. on Saturday.

Johnston City's celebration began Thursday night with the Peck Wec King Show. Friday night the Rhodes Show was the main attraction. Each evening opens with a carnival at the City Park, through Monday at 6. On Sunday it will be open all afternoon.

Saturday night entertainment will be furnished by the Hank Wright Show. There will also be square dancing and the bathing suit portion of the Miss Johnston City contest. A daylight fireworks display will be staged at 4 p.m. Sunday. Later in the evening the final judging of the beauty contest will take place, music will be furnished by various rock and roll bands. Some time after 10 p.m. another display of fireworks will be shown.

The celebration in Murphysboro will last three days. On Saturday concessions and rides will open at Riverside Park and remain open all three days, Saturday night at 7:30 there will be a baseball game at the park.

Sunday's activities include a doubleheader at the park. The games will begin at 1 and 4 p.m. Monday will be the busiest day of the celebration. A band concert is scheduled for 6:30 p.m. Following the concert will be the judging for the Miss Murphysboro contest, which is sponsored by the Junior Women's Club. Scheduled next in a shell show at the park featuring Hank Wright, Joe and Carl Lee, Perry County Ramblers and a team of dancers. At 10 p.m. a fireworks display will be staged.

There is also a doubleheader scheduled for Monday. The games will begin at 1 and 4 p.m. Anna has activities planned for all day Sunday. There will be a horse show at 2 p.m.

Prof. Frogner Receives Grant Of $10,863 for English Study

Ellen Frogner, chairman of English at University School, has received a $10,863 grant to conduct a four-year study of methods favored by teachers and college students preparing to teach English. The grant is from Project English, sponsored by the U.S. Office of Education. During the first year of the research, 10 leading linguists and specialists in the psychology of language will serve as consultants in the development of a language questionnaire to be prepared by Miss Frogner, in which attitudes and concepts would be listed. Miss Frogner said the questionnaire will be sent to teachers of English and students preparing to teach the subject in Illinois. More will be sent to prospective teachers in service, she said. Some persons could receive the questionnaire two or three times during the four-year period and it could be determined if attitudes and concepts have changed or remain approximately the same.

"We want to compare results on specific language situations and specific problems," Miss Frogner said. "Our main interest is in giving the prospective teacher of English the best preparation."

Miss Frogner, who has a Ph.D. in English Education from the University of Minnesota, came to SIU in 1959 from a teaching post at the University of Minnesota at Duluth.

What kind of people do the Daily Egyptians read?

Students who like to know - about clothes - as well what's going on around campus and the world. They spend their $2 in students' PARL and want their dollars spent on clothes. Nearly a half million dollars are spent on new goods, almost twice 380 and dollars on sport costs and more than 211 thousand dollars on dress shoes. And the average SIU card holder spends more than 348 dollars per year in books and replacements.

Mostly, however, the book plods aimlessly and pointlessly on.

U.S. Planes Hit Dien Bien Phu; Red's Stage New Mortar Attacks

SAIGON, South Viet Nam (AP)--Thirty U.S. Air Force planes worked over military targets Friday at Dien Bien Phu, symbol of France's defense in the Indochina war by Communist-led guerrillas who are idols of the Viet Cong. It was a fresh thrust north of the "Hanoi Line"--a wave warning for California hit by a 6.6 magnitude earthquake that was the strongest on record in the San Francisco Bay area.

Johnson Announces "Teachers Corps" Plan

NEW YORK (AP)--Educators from across the nation cheered President Johnson Friday as he announced plans for a national teachers corps to work in city slums and areas of rural poverty.

Addressing some 11,000 delegates to the annual convention of the National Education Association in Madison Square Garden, Johnson said his administration will not cease its efforts to improve education "until every child in the land has all the education, of the highest quality, which his ambition demands and his mind can absorb." "We must make sure that a large force of Viet Cong guerrillas, which might strip our enemy of his strength," Johnson said. ANCHORAGE, Alaska (AP) -- An earthquake described as "very severe" hit Unnaak Island in the Aleutians Friday.

Mrs. Arthur Harris, wife of a former tidal waves, said her husband telephoned that the quake was timed at 10:59 a.m., Aleutian time (12:59 p.m., Pacific Standard Time). The shock broke many dishes in their sheep ranch home, Harris reported.

Books were "tossed all over the room.

HONOLULU (AP) -- A tidal wave has been generated by Friday's earthquake in Alaska and the Hawaiian Islands have been put under alert status. There are no indications how large a wave has been generated but in any case several hours will elapse before the first of a series of ocean waves hits Hawaii, if they affect the islands at all.

SACRAMENTO, Calif. (AP) -- The California Disaster Office said Friday night a tidal wave warning for California had been received from the U.S. Coast and Geodetic Survey in Honolulu.

The office said there was a possibility of tidal waves which had been reported at 8:30 p.m., PDT (10:30 p.m., PST), Crescent City at 6:45 p.m., and San Francisco at 8 p.m.

Pope Considers Visiting U.N.

VATICAN CITY (AP)--Pope Paul VI, history's most traveled pontiff, has been invited to visit the United Nations. Vatican sources said Friday he may go, probably after the first of the year.

The Vatican broke weeks of official silence on published speculation about such an unprecedented papal visit to America in a press office communique which said Pope Paul had expressed his appreciation to U.N. Secretary-General U Thant for the invitation.

Palmer and Sanders Practicing For Next Week’s British Open

SOUTHPOR, England (AP)—Arnold Palmer and Doug Sanders led the American challenge Friday in practicing for next week’s British Open Golf Championship.

Afterwards Sanders said, “There’s no room here on this course. There are just fairways and jungles.”

Sanders, of Ojai, Calif., was referring to the thick rough from which many players in practice found it difficult to get out with their first shots on the .307 yard Royal Birkdale course.

Palmer, twice winner of the British championship, said he had taken part in only seven tournaments this year in accordance with his decision to cut down on hit-time golf.

“Last year I was too much,” said the Latrobe, Pa., star.

A Look at Campus Helps ‘Sell’ Athletes

Generous scholarships help in recruiting top high school football players. Coach Don Saroyer has another helper. The helper? Southern's large and expanding campus.

"We like to bring prospective recruits in for a look at the campus," said Saroyer, "because it sure can help in convincing an athlete that this is the place to come."

Two recruits, Larry Rogers of Evansville, Ind., and Tom Wirth of Mount Carmel, confirmed Shroyer’s statement.

Both were impressed with the size and appearance of the campus and both had kind words for their new coaches. Rogers, a 6-foot-1, 220-pound fullback from Benjamin Bosse High School in Evansville, first saw the campus last Easter. He was here Friday to enroll for the fall term.

Though Rogers played three years as a high school varsity fullback, Shroyer is thinking of training him as a guard.

Rogers had received scholarship offers from Indiana University, Indiana State University, Evansville College and Southern.

A third Shroyer recruit, Tom Wirth of Mount Carmel, also was impressed with the school and campus.

Wirth, a 6-foot-1/2 inch high school all-America, will work with Gill Laser, graduate student in the Department of Theater, in oral interpretation. They will present a program of oral interpretation on July 28.

Students in the communications workshop will also vote time to extra-curricular activities – parties, dances, a trip to the Muncy Opera in St. Louis, and a final luncheon, where hard work will be rewarded with honors for the best student in each division.

Big League Chiefs May Vote On New Baseball Commissioner

DETOIT (AP) — Executives of the 20 major league baseball clubs may vote on a new commissioner when they meet in suburban Dearborn July 21.

When Commissioner Ford Frick, scheduled to retire next December, announced the meeting he said only that it would deal with a couple of amendments proposed by owners last winter.

But a reliable source said the principal business would be the discussion of a new commissioner.

Although no decision is expected to be reached, there is an outside chance a vote will be taken. Fourteen votes, at least seven from each league, are needed for election.

If there is no vote, it is almost certain that the executives will at least reduce the nomination list to a minimum. Candidates at one time were said to number more than 100.
