WITH NORMAL
HERE TOMORROW

EGYPTIAN

COLLEGE ASSEMBLY
PERIOD THE THIRD
HOUR ON MONDAY

VOLUME NO. 22 CARBONDALE, ILLINOIS, FRIDAY, MAY 16, 1941 NUMBER 29

STATE NORMAL SCHOOL BOARD WILL MEET ON THE SOUTHERN CAMPUS THIS COMING MONDAY

Chairman of the Normal School Board, Mr. Frank Thompson, is a former student at Southern; Other Teachers' College Presidents Also to Be Here

The Normal School Board will meet on the Southern Illinois Normal University campus, Monday, for the first time in five years. President Hanson, Pulliam will introduce the members of the Board and the presidents of the other four teachers' colleges to the student body during college assembly on Monday morning.

The Board, representing the citizens of Illinois in the Administration of the Illinois state teachers colleges, is composed of eleven members appointed by the governor for a term of three years.

Mr. Frank G. Thompson, director of the Department of Registration and Education, serves as executive chairman of the Board. Other members include Mr. Russell Gula, vice-president of the Interstate Printing and Publishing Company of Danville; Mr. Lindell W. Sturges, cashier of the City National bank of Metropolis; Mrs. H. H. H. McArthur, a prominent leader in the business and Professional Women's club in Mendota, and an active worker in the development of educational legislation in Illinois; Mr. Jacob Alschuler, who is associated with the law offices of Alschuler, Erdman, Johnson, and Ruddy in Alton; Mr. Charles McMorris, oldest member of the Board in point of service and proprietor of a hotel in Marshall; Mr. Otto G. Beich of Bloomington.

In addition to serving as president of the Paul F. Bethel Chocolate and Candy company, is a National Candler of the United States Chamber of Commerce and president of the Illinois Manufacturing Conference Association; Mr. John A. Hines, Illinois superintendent of public instruction; Mr. Preston Bradley, minister of the People's church in Chicago; Mr. John D. Hill of Carbonado, district manager of the Metropolitan Life insurance company; Mrs. Helen Roar-Perelew of Mattoon, who serves as a special agent of the Massachusetts Mutual life insurance company and as chairman of the student loan fund of the Pan-Hellenic club; and Mr. Lucian F. Springfield, who is the coordinator of the teachers' colleges and acting superintendent of registration in the Department of Registration and Education.

The other guests of the college on Thursday, May 22, the Dunbar Literary and Social Society will present its annual dramatic productions in the Shroyok Auditorium at 8 P. M. The Society will again present one of Paul Green's plays, "The Quiet Place", directed by Robert Link, and will present Howard Linneman's comedy, "Quiet Place", directed by Mary Ellen Evans. In last year's production of Paul Green's play, "The Man Who Dined at Twelve O'Clock", the audience was so thrilled and pleased that many requested the Society to produce another of Green's plays in this year's productions. To supplement "The Quiet Place", Burman's comedy, a recent stage hit in New York is included. The cast for the two productions is entirely new except for Pat Patterson and Walter O'Neil, who were in the cast of "The Quiet Place".

The tickets can be purchased from James Price or from any member of the Dunbar Society. The admissions are 50c for adults and college students and 10c for high school students.

Monday will be the presidents of the other Illinois teachers' colleges—President Karl Adams of Northern, President R. W. Fairchild of Normal, President R. C. Buzzard of Eastern, and President Walter Morgan of Western.

The remainder of the day will be devoted to discussions of the reports made by the presidents of the colleges to the Board.

THOMAS HART BENTON TOPS LIST OF 1941-42 COLLEGE ENTERTAINERS

"Life With Father," Starring Original Cast, Will Make Special Appearance Here

For the coming year of 1941-42, Dr. Robert D. Foner, head of the college entertainment board, has announced the following program as guest entertainers on this campus:

Heading the list will be Thomas Hart Benton, nationally and internationally famed mural artist, from Kansas City, Missouri; Dean T. W. McClure, who at the present time is dean of the liberal arts college and a member of the department of Philosophy at the University of Illinois; and Mr. T. W. Bennett, chief of the department of Soil Conservation in Washington, D. C.

Besides this group of famous speakers, the college is also presenting the production of "Life With Father" with the original Chicago company which stars Miss Lillian Gish and Mr. Percy Warham. This play which has run for several years in Chicago will be given in its entirety with all props, etc. that were used in the Chicago production. The play, which will be touring to St. Louis for a scheduled opening there, will come to Carbondale especially for this performance.

Miss Alice Marble, famous Davis Cup winner, now turned professional, is a prospective lecturer for the entertainment series, but since her contract has not yet been signed, her presence here on the college platform cannot be guaranteed at the present time.

MARY HEINZMAN IS GRANTED SCHOLARSHIP IN RADIO WORK SHOP

Becomes Third SINU Student to Receive Radio Award in 3 Years

For the third successive year, a Miss M. J. N. T. speech student has been granted a full tuition scholarship for a summer session at the Radio Drama Work Shop of Milwaukee, Wis. This year's recipient is Miss Mary Heinzman, a junior from Christopher.

Miss Heinzman is one of thirty students to be selected from a field of four hundred and thirty-two candidates applying from all parts of the nation. Besides class work in voice, diction, literary composition, and production, and laboratory work in radio drama, the scholarship includes opportunity to compete for auditions at the studios of major broadcasting networks located in Chicago.

Previous winners of the scholarship are Miss Mary Evans and Mrs. Eva Milligan and Carl McIntire, both senior speech students. Miss Milligan is now in charge of speech work in the Benton Township High School, and Mr. McIntire has been the regular announcer on the S. I. WJPF, Herbin, since their inception last fall.

On Wednesday evening, May 7, Nadine Whitesides, a sophomore from Victoria, was awarded the Betty Rhodes Scholarship by the Alpha Delta Chapter of Delta Sigma Epsilon.

DE GAFFERELY URGES INCREASE FOR SOUTHERN

House Committee Chairman Reports to Legislature on Sad Neglect of SINU

Mr. Augustus F. DeGafferely of Danville, chairman of the House Committee to Visit Educational Institutions, urged the House last week after his trip to Carbondale to grant a larger appropriation for Southern than that provided for in the present budget. Mr. DeGafferely's report to the House was presented by the end of their visitation of the state schools, since, as he said, "there are certain emergencies that exist and should receive immediate attention."

"It is very appalling," he continued, "that despite the appropriations that have been made, Southern Illinois Normal University has been very much neglected, and there is a lack of parity with other schools."

Mr. DeGafferely discussed the inadequacy of the library building and the laboratories and the crowded conditions necessitating the use of classrooms. Such conditions, he explained, need immediate attention.

Other members of the House committee who visited S. I. N. U. are Ora Smith, Lloyd Harris, August C. Grebe, and W. J. McDonald. Senate committee members who were also on the campus included J. Will Howell, Wilbur Cash, and Elmer Droste.

The text of Mr. DeGafferely's report to the House is printed below: To the speaker and members of the 53d General Assembly:

I beg leave to submit the following narrative report of my visit to the Southern Illinois Normal University. There are many things that should be called to your attention. Therefore, I felt it advisable not to wait until the end of our visitation to submit this report, but to bring you this preliminary report at this time. It is very apparent that despite the appropriations that have been made the above mentioned school has been very much neglected, and there is a lack of parity with the other schools in the state.

We found the library there very inadequate, both as to space and to the number of volumes it contains. Physically, it is unquestionably a fire trap, and I do not see how this can be very materially improved without the erection of a new library building.

As to the laboratories, with the exception of one, there is no first class high school building in Illinois that does not have a much better equipped laboratory than does the Southern Illinois Normal University.

We also found that some classes were meeting in the basements that have been excavated by W. P. A. work and due to the foundations of the pillars of such buildings it was impossible to excavate deeply enough to give adequate ceiling height. Consequently, in passing through these basements one has to bow his head to avoid striking it on overhead beams and pipes.

When we consider that this school serves the entire southern section of the state of Illinois, which comprises a large territory and a population of over one million people, it is a conviction of my committee and myself that a larger appropriation should be granted than is provided for in the present budget. This college has shown the greatest increase in enrollment of any normal school since 1925, with a total enrollment for 1940 of 2159 students, compared to 1180 in 1925; Charles 1180; DeKalb 1180; and Macon 1975. The percentage of illiterates since 1925 at Carbondale is 17.5%.

AMERICAN ASSOCIATION OF UNIVERSITY WOMEN ACCREDITS SOUTHERN

Southern Illinois Normal University received accrediting with the American Association of University Women at the national convention of A. A. U. W. held in Cincinnati, Ohio, May 9-9. Southern was one of the five teachers' colleges in the nation to attain this recognition at the convention this year.

In order to receive accrediting with the A. A. U. W. a university must wait two years after asking to receive the rating during which time an inspection and a study of the university field is made. The inspection of S. I. N. U. in March was made possible by President Rhoads Pulliam.

Any woman graduate of S. I. N. U. may now join the A. A. U. W. in Carbondale, Marion, Belleville, or East St. Louis, or any other A. A. U. W. in the nation.

Miss Hilda Stein, Mrs. Mary Louise Barnes, and Miss Esther Potts of the S. I. N. U. faculty attended the convention.

HONORS DAY PROGRAM TO BE NEXT THURSDAY

Next Thursday, May 22, a special Honors Day program will be held in the auditorium during the assembly hour, in which forty graduating seniors with averages of 4.25 or better will be honored.

Dr. C. H. Ganser, of the history department, has been selected as the main speaker of the program.

Juniators, who have averages of 4.25 or better, will receive invitations into the Kappa Delta Phi, the National Educational Fraternity for both men and women. The names of sophomore and juniors who have averages of 4.5 or better will be read. The ranking juniors and seniors, together with the heads of each department, will be seated on the stage during the program.

The honored seniors will be presented with newly designed pins in the shape of a capital "I", inscribed on sterling silver, with white lettering on maroon enamel.

The program has been planned by a special Student Council committee, of which Charles Wagner is chairman.

1941 SCARAB TO BE READY FOR DISTRIBUTION BY FRIDAY, MAY 23

Poetry by Ellen Maynard and Charles McCauley's Short Stories Are Features

The Scarab, annual literary supplement to the Egyptian, will be distributed next Friday, according to a statement by Melvin Applebaum, editor, early this week. This will be the fourth issue of the publication.

Featured in this year's Scarab is the poetry of Ellen Maynard, a contributor to several previous issues. Miss Maynard has this year written a poem in free verse, a medium that she has not used in print previously. Also among the highlights of the publication are two short stories by Charles McCauley, a negro writer, who, says Applebaum, turns out some of the best prose that the SINU campus has seen. This is McCauley's first literary appearance in the Scarab. Another newcomer to the pages of the Scarab is Grace Twitty, president of Sigma Tau Delta.

The supplement, which will appear in magazine form, has a bright orange cover with a small sketch of a scarab. The Egyptian beetle shaped brooch, in the right hand band cover. The cover will be of a heavier stock paper that the rest of the magazine; this is the first year that this has been so. Other innovations in the appearance of the Scarab include the use of a thinner, more distinguished looking type and a new method of setting up the poetry printed in the magazine.

PROSPECTS FOR LIBERAL ARTS COLLEGE AT SINU BRIGHTENED BY LEGISLATIVE COUNCIL REPORT

Senator R. G. Crisenberry Sponsors Action; Four Alternative Plans Presented For Creating Set-up Necessary For S. I. N. U. to Offer Liberal Arts Degree

The first step toward authorizing S. I. N. U. to give a liberal arts education was taken last week by Senator R. G. Crisenberry of Murphysboro. Early in the week he received

SIGMA BETA MU WINS INTER-FRAT SING LAST NIGHT

Carl McIntire of Chi Delta Chi Wins Most Valuable Fraternity Man Award

The Sigma Beta Mu fraternity last night won top honors in the annual inter-fraternity sing which was held on the steps of Shroyok Auditorium. Singing under the direction of Paul Hole, the winners sang "Were You Smoked in Your Eyes" and the Sigma Beta Mu fraternity sang, "We Win Over Six Other Greek Entries which included three other fraternities and three sororities.

The 1941 winners succeed the Sigma Beta Mu fraternity as the Sing winners, the Tri Sigs having won the title on two previous occasions. Had they been able to repeat last night, they would have gained permanent possession of the traveling trophy. The inter-fraternity Sing is each year sponsored by the Chi Delta Chi fraternity.

Honors to McIntire
Carl McIntire of Grand Chain, a senior and a member of Chi Delta Chi fraternity, was chosen last night as the most valuable fraternity man for the current school year. McIntire, who is very well known on the Southern campus as a result of his many and varied activities, is vice president of the senior class. Currently he is a member of the S. I. N. U. debate team and is announced for two radio programs of the college which are on the air over WJPF in Herrin. During his four years at Southern he has been a member of the Little Theatre club and has had the leading role or a major part in every play of that organization since he has been a member. A member of Chi Delta Chi for four years, he has served as an officer in the organization for three years. He succeeds as most valuable fraternity man a brother Chi Delta, Benjamin Baldwin, who won last year's award.

Frank Mammie, a member of the Kappa Delta Alpha fraternity, was picked for runner-up honors in the most valuable man selection. Hank is also very well known on the Southern campus being president of this year's Student Council and a member of Sigma Xi, activities honorary organization, he was last year's number one ranking member in that organization.

Continued on page 5

a report from the legislative council, research body for the legislature, on the status of liberal arts education in state throughout the country where such an education is offered by more than one state institution.

In twenty-six states where the Bachelor of Arts degree is conferred by more than one state college or university, the schools which are primarily teacher training schools do offer the A. B. degree. Illinois, the report pointed out, is lagging behind more than half of the states in the country where the teachers' colleges give a broader education than that allowed by the Bachelor of Education degree.

Four alternatives were presented for creating the administrative set-up necessary to make S. I. N. U. a liberal arts college:

1. Continuation of the same administrative arrangement as at present (administration under the Normal School Board and a separate board) with statutory authorization for the conferring of liberal arts work in addition to the present teacher training curriculum.

2. Continuation of the same administrative arrangement with authority in the Normal School Board to permit any one institution or more institutions to confer liberal arts degrees in addition to the present education degree.

3. Statutory provision for the transfer of the property and control of the institution to the Board of Trustees of the University of Illinois, and operation as a branch of the state university, to confer such courses of study as are prescribed by the university board.

4. Statutory authorization for the creation of the institution as a "state college" either under the present Normal School Board or under a separate created board for the institution.

These suggested alternatives were derived from studies made of the administrative organization of colleges and universities throughout the country.

In some states, such as Arkansas, Colorado, Indiana, Michigan, Missouri, Nebraska, and West Virginia, the teachers' colleges are administered by a system similar to that in Illinois—that is, a single board of trustees for all of the institutions and a separate board for each, but the teachers' colleges are authorized to confer the A. B. degree.

In California, the state university is operated through two branches, each a complete educational unit, with a single board of trustees and president serving the university as a whole. Six other state institutions fall governed by the state board of education. In other states, such as Ohio, each state university or college has a separate president and its own board of trustees.

Mr. Pulliam discussed the report with members of the Council of Administration and the Faculty Senate (the work and asked them to submit to him their idea of the most satisfactory method for Southern.

SENIORS! IT'S NOT TOO LATE!
Any senior who has not paid his dollar towards the new electric scoreboard for the men's gymnasium in response to a call immediately. Deposits may be made in the business office.
—Project Committee.

DUNBARS WILL PRESENT PLAYS THURSDAY NIGHT

Mary Ellen Evans and Robert Link in Charge of "Quiet Place" and "No 'Count Boy"

Thursday, May 22, the Dunbar Literary and Social Society will present its annual dramatic productions in the Shroyok Auditorium at 8 P. M. The Society will again present one of Paul Green's plays, "The Quiet Place", directed by Robert Link, and will present Howard Linneman's comedy, "Quiet Place", directed by Mary Ellen Evans. In last year's production of Paul Green's play, "The Man Who Dined at Twelve O'Clock", the audience was so thrilled and pleased that many requested the Society to produce another of Green's plays in this year's productions. To supplement "The Quiet Place", Burman's comedy, a recent stage hit in New York is included. The cast for the two productions is entirely new except for Pat Patterson and Walter O'Neil, who were in the cast of "The Quiet Place".

Student Council Election Tuesday

Yell King or Queen to Also Be Elected

Elections for student council members for next year's sophomore, junior, and senior classes will be held this coming Tuesday, May 20. Two young men and two women will be elected from each class.

At the same time the election for next year's Yell King or Yell Queen will be held. Qualifications and personal statements from each candidate are to be found on page two of this issue.

NORMAL TRACKMEN HERE TOMORROW

ILLINOIS STATE NORMAL TO INVADE SOUTHERN'S TERRITORY TOMORROW

SOUTHERN TRACKMEN TURN BACK INDIANA TEACHERS BY A COUNT OF 81 TO 50

Linglem Capture Nine First Awards While Opponents Card Six; Townes Takes High and Low Hurdles

Sweeping all places in the shot put, discus, and high jump, while scoring the majority of points in the other field events, the Maroon varsity turned back Indiana State of Terre Haute here Saturday afternoon, 51-50. Though given only some thirty points in promoting figuring, the Sycamores produced annually talented track events. Discus, mile, and half mile to keep almost an even pace in track events. Cooper and Darius Lead Heisters Eugene Cooper, stocky distance and middle distance runner, and Wallace Darius, colored sophomore ace, headed the Houston squad and wound up in a tie with Bill Townes for individual honors for the afternoon.

Mitchell (1), second; Talbert (S), third. Time—1:10.4. 220 Low Hurdles—Townes (S), first; Taylor (1), second; Durham (S), third. Time—2:5. Shot Put—Daker (S), first; Guiney (S), second; Algee (S), third. Distance—41 feet 10 1/2 inches. Javelin—Hoke (1), first; English (S), second; J. Mitchell (S), third. Distance—161 feet 10 inches. Discus—Harper (S), first; Guiney (S), second; Algee (S), third. Distance—125 feet 7 inches. Pole Vault—Patrick (S) and Byrne (S) tied for first. J. Mitchell (S), third. Height—11 feet. High Jump—Cooper, Bright, Price and Durham, all of Southern, tied for first. Height—5 ft. 9 in. Broad Jump—Carter (S), first; Heiges (S), second; Darius (1), third. Distance—20 feet 2 inches. Mile Relay—Indiana State, Time—2:27.

CARTERS AND INTER-COOPS CLASH FOR I-M LEAGUE LEAD MONDAY

Monday afternoon the intramural spring baseball season will see the inter-cooperatives and Carter's Aces clash for first place in the game. Wayne Dempster, a very capable and outstanding hurler, will lead for the Aces with Dean Roy behind the plate. For the opposers, Pat or Pat will be assigned to stop the Aces with Parkhill doing the receiving. Past week's intramural baseball activities up to Thursday morning, May 15, has seen some fine exhibitions of baseball. Thursday, May 8, the Spirits slipped Carter's Aces, a three to nothing slant, and today this was Carter's first win over the Aces. Pat or Pat, Dempster of the Aces had a pitchers' deal. Pitcher allowed two hits while Dempster gave up four. The Aces committed three errors which helped the Spirits make their three rallies. The same afternoon the Union College Red Vipers of the Sigma Beta Mu state a 11 to 7 defeat.

On Monday afternoon the inter-cooperatives climbed to one of the top berths of the league by shutting out the Alpha Gamma Mu fraternity, 10 to 0. Pulso and Pigg split time on the mound for the Coops, issuing only two hits to the Alphas. National suffered the loss for the Alpha Gamma Mu men.

Chi Delta Chi handed the Kappa Delta Alpha another setback Monday afternoon by a 13 to 6 score. Batteries for the Chi Deltas were Traland and Dapree while Brewer, Hoke and Malcomer worked for the KDAs. Traland allowed two hits, while Brewer and Malone gave up nine.

Carter's Aces and the Southern Deuces had a slugfest last Tuesday. The 13 to 6 score indicated an easy victory for the Aces, but the Deuces had the better of the contest. The Aces have won the Sigma Beta Mu since 6 o'clock, ending starting dead-end, rolled around before the sixth inning could get underway. In the fifth inning the first man pulled a three run rally that sent the Spirits

James Morton Smith

At a time when recognition is being given to Southern's outstanding athletes, it seems only fitting and proper that the honor be given to a young man that did much in raising the standards of the Egyptian's sports page.

One such individual that did much in raising the quality of this page is James Morton Smith, editor from West Frankfort, Illinois. Smith has been a member of the college paper for four years, one of which was devoted to putting out the sports sheet. J. Morton had considerable experience in editing the sports page before coming to Southern since he filled a similar capacity on the West Frankfort High School's paper, The Red Bird. J. Morton has served as president of one of the national's honorary journalistic fraternities, Mu Tau Psi, and has won most preferences that concerned Southern's campus three weeks ago.

ROY RYLANDER ELECTED TO LEAD SOUTHERN'S 1941-42 GYMNASTS

Coach Joe DiGiovanna Names Lettermen for Past Season

Roy Rylander, one of Southern's outstanding gymnasts, received added laurels among his teammates, last week when they chose him to captain the 1941-42 team. The election was held after the group had put on an exhibition at Strickland High School.

Rylander, a native of New York, has been a member of Coach DiGiovanna's squad for three years. During the past season he has come to the top of the competitive ladder and has won with recognition among champions of the country. Roy has also been one of the leading all-around men of the team. His activities on the gym squad include work on the rings, high bar, side horse, parallel bars, and pommel horse. During the past season he has won many creditable performances for his school and several times emerged from the meets not only as leading scorer for his team but also for the entire list of contestants.

After the election of the captain, Coach DiGiovanna named the lettermen for the past season. The members receiving awards were Lovel Covington, Arthur Washington and Captain Ralph Bishop. Johnson given the coveted "T" wore Wilson Webb and captain elect, Roy Rylander. Sophomores Harry Dahn, Milton Blackwell, and Joe Hancock and Fresh Jerry Heflinger rounded out the number receiving the Southern accolade.

Of 76 to defeat. The spark of the Southern rally was probably "Crusader" Blumhagen's colorful double and John Gray's timely lead that scored the winning run. Rudy Klein went the distance for the first men with Bjorklund receiving. The batteries for the Spirits were Pflug, Fred Campbell and Bob Cheaden.

SPORTS SHORTS

By BILL GAETZ.

DeKalb's Teachers showed their superiority last week when they amassed a total of 63 1/2 points to sweep the ninth annual invitational track and field meet at Elmhurst. Southern's fans cheered the scoring ranks in practically every event. The Huskies nearly doubled the score on the second place team and failed only in the shot put and javelin in placing in every division. Special notice should be taken of some of the excellent throws that were recorded in the track division. The mile run was carried in 4:25.3, 60 yard dash in 60.2, and the century dash in :10. . . Probably the most astonishing failure was attributed to the high flying Red Birds of Illinois Normal. The Bloomington thimblebush finished a second place with only 13 points from the entire meet. . . Tally sheet serves as a track barometer to foretell the possible strength of several of the teams that will compete in the Little Nineteen contest on May 23 and 24. The Huskies appear to be the favorite in the Chicago meet to down in order to put the Southerners on top.

Cape Girardeau's Indiana remained on the warpath last week and scupled all their foes to retain the M. I. A. championship. The Indians collected a total of 95 1/2 points and broke two most records in their victorious conquest. Herb Malkey, Illinois product, cleared the bar in the high jump at the new height of 6 feet 4 1/2 inches. Minkley bettered the old record by more than one inch. Her's teammate, Roy Spurluck, also set a new meet record by vaulting 13 feet 10 1/2 inches. This exceeds the old mark by 1 foot 3 inches. . . Sports followers will remember Spurluck's stroke of bad luck that forced him out of the Cape Southern dual at a height of 11 ft. 6 inches. After the pole vault event was finished, he took the pole and vaulted 13 feet 7 inches.

DeKalb's Track captain, Bill Terwilliger, came into the center limelight last week when he clipped 6 of a second off the 440 yard dash mark of 50.1. Bill himself held the old mark jointly with Charlie Strasz, Maroon track star of the 70 mile by 1 mile distance in 45.5. This was only the beginning of his performance in the invitational track meet, for he later took the 220 yard dash and also anchored the winning mile relay team as well.

Mr. T. L. Bryant, head of the commerce department of SINSU, advised the Commerce Club that they will hold their 25th annual luncheon at St. Louis, Wednesday, May 15. The luncheon will be held at the St. Louis Industrial Sign-Sewing room, was sponsored by the SINSU Chapter of Commerce. . . The students met at the home of Mr. Bryant Wednesday morning at 4:30 and made the trip to St. Louis in two buses. At St. Louis the group arrived at Anson's parking plant in East St. Louis, where they made a one-hour tour of the plant in St. Louis, a police escort met the buses and led the way to the KMOX studios, police headquarters building, and the Federal Reserve bank. At the Federal Reserve bank groups of ten toured the entire building from the self-contained power plant to the massive vault. The intricate details of the forty-five-ton vault door were fully explained by the guide. At noon the students had lunch at the Pines Cafeteria and immediately started on the tour again. The Municipal Auditorium, the Chevrolet and Fisher body plant, Jefferson Memorial the Art Museum, and the General Motors Parade of Progress or Industrial Circuit, etc. It is called, followed in rapid succession.

GRADE STANDARDS FOR CERTIFICATION OR FOR GRADUATION BOOSTED

Students entering S. I. S. U. after June 1, 1941, will be required to have a 20 or C average before being eligible for the limited elementary certificate or for graduation. It was announced by the Council of Administrators this week. . . The rule does not apply to students enrolled at S. I. S. U. at the present time, or to students who have been enrolled in the college in the past. . . Adoption of the rule in the five state teachers' colleges was agreed upon at a meeting of the registrants of the schools last February. The ruling is already in effect in some of the other colleges.

you Will be able to find that graduation gift for her or him. A gift of lasting jewelry, at

HIGGINS JEWELRY CO.

J. T. ENGLISH

In every graduating class there are certain persons who stand out as leaders. Among this year's group of seniors, J. T. English of Jonesboro is a shining example in social, athletic and scholastic affairs. He has been quite prominent here at Southern. "Chick" has received the varsity "T" three times for his services on the football team. He captained the Maroon squad his senior year and was chosen as an end on the Associated Press all-conference team in recognition of his stellar play. However, he hasn't limited himself to football, but he has been in track twice and stands a good chance of repeating this spring. He is a javelin tosser of no small ability when performing for Coach Lange. He played intramural basketball to round out his participation in athletics.

Like all letter-winning athletes, English is a member of the "T" club. He belongs to the Sigma Beta Mu social fraternity and was this year one of the chosen few who each year make up the Sphinx Club.

"Chick" has acquired a major in Commerce and a minor in English. Eventually he hopes to enter the teaching and coaching field, although at present he believes he will probably first serve in the Uncle Sam's military forces.

Commerce Club Goes On Annual St. Louis Field Tour

Mr. T. L. Bryant, head of the commerce department of SINSU, advised the Commerce Club that they will hold their 25th annual luncheon at St. Louis, Wednesday, May 15. The luncheon will be held at the St. Louis Industrial Sign-Sewing room, was sponsored by the SINSU Chapter of Commerce. . . The students met at the home of Mr. Bryant Wednesday morning at 4:30 and made the trip to St. Louis in two buses. At St. Louis the group arrived at Anson's parking plant in East St. Louis, where they made a one-hour tour of the plant in St. Louis, a police escort met the buses and led the way to the KMOX studios, police headquarters building, and the Federal Reserve bank. At the Federal Reserve bank groups of ten toured the entire building from the self-contained power plant to the massive vault. Students entering S. I. S. U. after June 1, 1941, will be required to have a 20 or C average before being eligible for the limited elementary certificate or for graduation. It was announced by the Council of Administrators this week. . . The rule does not apply to students enrolled at S. I. S. U. at the present time, or to students who have been enrolled in the college in the past. . . Adoption of the rule in the five state teachers' colleges was agreed upon at a meeting of the registrants of the schools last February. The ruling is already in effect in some of the other colleges.

RECHTER BROS. DEPARTMENT STORE

EGYPTIAN THINCLADS WILL SEEK TO MAKE RED BIRDS FOURTH VICTIMS OF SEASON

Birdie Mentor, Joe Cogdall, Will Pin His Hopes on Four Veterans to Overcome the Threat of the Linglemens

Track activities on the Maroon track will see their demise for the 1941 season here tomorrow when Southern comes up against the State Normal under sound in the current campaign's third meet with the Illinois Intercollegiate Athletic Conference affair at DeKalb only a week off and with both teams entered, the two team engagement will be a partial preview of the talent to be expected at the upcoming season.

CHURCH, HAEGE SELECTED TO CAPTAIN TENNENYEM DURING 1942 SEASON

Southern's masters took time off last week from widdling their racquet and selected Maurice Haenge and Bruce Church to captain their in their 1942 campaign. Church and Haenge will bear the titles of captain since each received the same number of votes in the election.

Bruce Church has gained considerable recognition while a member of Coach C. B. Townes' team. He had the enviable reputation of winning twenty-three matches before leaving the college to attend the Washington University. He is a member of the Sigma Beta Mu social fraternity and was this year one of the chosen few who each year make up the Sphinx Club.

Maurice Haenge is competing in his second year of tennis at Southern but being ineligible for competition last season Haenge has been going strong this year in the singles division and has been a decided asset to the strength of the Tennenymen.

Coach Townes' vacancies exist on the possibility that either of these two men will be able to return to school next year to fulfill the honor bestowed upon them by their fellowmen. Both Church and Haenge are listed to be called into the draft before next year. . . In addition to these two regulars would be a decided boost to Southern's hopes for another successful tennis team. Had not this draft come along the Maroon regular men would enter the 1942 season with practically the same lineup.

COLLEGE EMPLOYMENT SERVICE BOASTS INCREASES IN NYA JOBS AND PRIVATE EMPLOYMENT AMONG SOUTHERN STUDENTS

During the six years of its existence NYA has helped 1121 students to attend SINU. During this period the status of the work done by NYA students has changed from that of a nuisance to that of a necessity for the proper functioning of the college. Two hundred two students were employed on the NYA program during 1935, the year of its institution. The great majority of these students worked in the janitorial and grounds departments, because the faculty had not yet fully envisioned the possibilities of this new source of help. The previous experience of the members of the faculty had been with students paid from state funds, with ability as the main prerequisite for their employment. In the selection of NYA students, need was given first consideration, then scholarship ability to fill the available positions. Therefore, it was not unreasonable for the faculty to assume that NYA students would not be worth the time needed to supervise them.

NYA Work Valuable

However, in attempting to meet the need of every department for skilled typists and stenographers, the Student Employment Service was able to show the college that NYA students could be valuable assets in any department. From year to year, more and more NYA students have been transferred from manual tasks to more specialized work in offices, museums, and laboratories. This year the proportion in the college departments is roughly two NYA students to one state student.

During the current year, 330 students have been employed on NYA. This figure represents a 25% increase over 1935. This increase was distributed fairly evenly over the six years, and is tangible evidence that the state NYA administration has recognized the employment problem created by the rapidly growing enrollment of SINU.

Although twice as many students are being aided on NYA than on state work, the importance of the latter should not be minimized. Usually those students who have the more responsible—and more remunerative—positions are paid from state funds.

Chi Delta Chi "Stardust Swing" to Be Tonight

The Chi Delta Chis annual "Stardust Swing" will be held tonight in the Old Science gym at 8 o'clock. Music for the occasion will be furnished by a band new to Southern, Eddie Dehaviand and his Rhythm Men, of Paducah, Ky.

The decorations for the dance will be appropriate for the "stardust" theme, and are in charge of Noah Taylor.

Chaperons for the dance will include the fraternity sponsor, Dr. and Mrs. H. G. Butnaro, Dr. and Mrs. Louis Goltzmann, Dr. and Mrs. Orville Alexander, Dr. and Mrs. T. W. Abbott, Mr. and Mrs. Joe DiGiorganni and Dr. and Mrs. Richard Bayer.

SPOTLESS as snowflakes!

You can keep your appearance at par all through the hot summer months with Peerless quality work and economical prices. Try us!

Phone 637 for Pickup

"PEERLESS CLEANERS"

Another type of employment for students which has been steadily increasing in quantity and variety is work for the business men and householders of Carbondale. During the school year of 1940-41, the Student Employment Service has filled approximately 200 calls for students to do part-time work. In addition, 150 students are working for their room, board, or cash. The above figures, however, do not represent the total amount of private work available, since many jobs are secured by students through their own efforts.

Thus, through the cooperation of the NYA administration, faculty members, business men and householders of Carbondale, the Student Employment Service has been able to assist during this year, slightly over one-third of the study body with full or part-time employment.

PHYLLIS KOHLER-BILL ALLEN ENGAGEMENT ANNOUNCED AT DANCE

Saturday evening, May 3, the engagement of Phyllis Kohler, a sophomore from Du Quoin, to Bill Allen, a sophomore from Mount Vernon, was announced. The occasion was the Delta Sigma Delta Spring formal dance. Congratulations were extended by their friends while the orchestra played a special number in honor of the couple. The announcement climaxed one of the main events of the Delta Sig society year.

FACULTY-SENIOR DANCE PLANNED FOR WEDNESDAY OF COMMENCEMENT WEEK

A faculty-senior dance will be held on Wednesday evening, June 4, as a new feature of the Senior week program. The class of '41 hopes very much that this affair will become an annual and traditional one at Southern. Since it is new this year, the committee, under the leadership of Harry Marberry, is working hard to make it a success.

The Little Theatre has been tentatively decided upon as the place for the dance. An orchestra has not yet been engaged, but some very good prospects are being considered. There is a current rumor around the campus that the faculty may be kind enough to favor us with some form of square dance. There will be games for those who are not dancing. Tickets will go on sale soon at 50¢ per couple. Each senior is allowed to bring one guest. According to class rules the affair will be a formal one, but without coverages.

The following chairmen have selected their own committees: orchestra, Harry Marberry; decorations, Robert Lieb (this committee has the assistance of Mr. William Marberry of the botany department; and games, Ellen Maynard.

Clyde Collins Will Play For Tri-Greek Dance

Saturday, May 17, Clyde Collins and his orchestra will whirl the baritone for the Tri-Greek invitational semi-formal dance in the Little Theatre. This is the first time that the three organizations for S. I. N. U.—colored students, the Sigma Gamma Rho Sorority, the Alpha Kappa Alpha Sorority, and the Alpha Phi Alpha Fraternity, have combined and indicated for the advanced preparation are that the affair will be a tremendous one. This will be the first time that Clyde Collins has had an opportunity to play for one of the college organizations and his music is new to the majority of the students. Invitation cards must be presented at the door.

LITTLE THEATRE INITIATES 14 NEW MEMBERS

Annual Spring Initiation Honors New Members For Past Year's Work

Fourteen members of Little Theatre Apprentice Players were formally initiated into active membership Thursday evening, May 8, at midnight Hills Country club. Once a year during the spring term Little Theatre formally initiates students who have earned active membership and honors them with a banquet at the Country Club.

The initiation ceremony began at dusk on the sun porch located at the north end of the main ballroom. At the conclusion of the ritual the three classes moved to the banquet room, where the table was beautifully decorated with one large floral centerpiece and two smaller ones, each flanked with tall white tapers, the only source of light in the dining room. Each girl being initiated found a colonial bouquet of flowers at her place and each bore a carnation boutonniere. Unique place cards, always a feature of the annual Little Theatre banquet, again delighted the dinner guests and were a source of amusement.

A program of speeches and music followed the dinner. The occasion marked another memorable event in the social history of Little Theatre. The following students were initiated: Norma Jean Marlon, Esther Mary Byers, Isabel Marshell, Barbara Todd, Juliana Kadlak, Jeanne Hamilton, Thomas Monroe, Pauline Craig, Jo Lipe, Raymond Foster, Bill Holder, Arthur Carter, Margaret Reiter, and Wilbur Granfeld.

Charles Hamilton was general chairman of the banquet committee and was assisted by Mary Ellen Evans, Mary Holzmann, and Hub Link.

Marshals and Ushers Chosen For Commencement

Sophomores and Juniors Are Chosen On Basis Of High Scholastic Rank

The ushers and marshals who will serve during Commencement on Friday, June 6, were chosen last week from among the members of the sophomore and junior classes. Chosen on the basis of high scholarship, the ushers have a scholastic average of 4.5 or better, selected from the junior and sophomore classes; the marshals from the junior class.

Ushers: Helen Friend, Mary Lou Hampton, Mary Holzman, Ellen Howard, Marjann Howard, Grace Helen Miller, Norma Jean Morton, Bernice Newton, Kitty Osborne, Edith Lloyd Rice, Zellan Smith, and Wilhelmina Wilson.

Marshals: Eugene Daily, Frank Holloway, Quentin Reed, Eugene Ulrich, and Charles Wagner.

Annual Rural Education Dinner Held Monday

The annual dinner given by the rural education staff, students who have had rural practice this year, and members of the Rural Life Club was held Monday evening in Hank's Cafe. About forty-five persons attended the dinner.

Entertainment was held later in the evening in the Little Theatre.

Renewal of Civilian Pilot Training Program Now Pending in Congress

While the nation shifts its aviation industry into high gear, pending in Congress is the renewal and expansion of the Civilian Pilot Training Program in which American colleges and universities during the last two and a half years have taken an active part.

Without any doubt, Student Opinion Surveys of America disclosed, indicates the nation-over want this training continued. Interviewing a sample of students in all types of institutions, the Surveys found 92 in every 100 want the government to offer the following courses again.

But these have been reports coming from Washington that military officials frown upon "civilian" training. "Some brass hats have from the first resented the training program as an encroachment on their domain," the Chicago Daily News commented recently. The Surveys has taken this issue before the American student body:

"If pilot training is continued in colleges, would you rather it be handled as a civilian course, an army course, or a navy course?"

Civilian, said—69%.
Army, said—27%.
Navy, said—4%.

Although a majority would rather see civil authorities carry on with the program, the respectable size (40 percent) of those who want the army or navy to handle it should not be discounted. Reflecting the influence of our defense activity and the war, the feeling found among many a student was expressed by a St. Edward's (Texas) University junior, who declared, "It's military training from now on—it's no use being hypocritical about it."

Results of this poll furnish further proof of the one-mindedness of today's collection. When the program was started in January of 1939, the Surveys asked, "Do you approve of President Roosevelt's plan to train an air reserve corps of 29,000 men now in college?" A majority of 62 per cent answered yes.

Last April another national study conducted by the Surveys indicated that nearly half of the men now in college would prefer the air service over the army or navy if they had to enter the armed forces. These were

the results: Air service, 48 per cent; army, 27 per cent; navy, 25 per cent.

AGRICULTURE MAJORS ATTEND TENNESSEE STRAWBERRY FESTIVAL

Dr. R. C. Cassell of the Department of Agriculture and twelve students majoring in agriculture attended the Strawberry Festival at Humboldt, Tenn., last Thursday and Friday.

The Western Tennessee Strawberry Festival is an annual affair which is important in increasing competition, improving crops, and influencing the legislature to give the farmers a better chance for profits in the market through such measures as allowing the farmers to trademark the boxes so they can demand higher prices. This is important, since Western Tennessee is one of the greatest strawberry producing regions in the country.

Opportunity was given the boys to learn new methods of producing and marketing truck produce, too, since this area of Tennessee is noted for the growing of tomatoes, cabbage, and sweet potatoes. The county agent at Humboldt cooperated with the boys by taking them out on one berry fields all over western Tennessee.

The students who went on the trip are Hugh Mills, Hugo Hascheider, Raymond Hascheider, Silas Hedger, Bill Rosso, Oral Telford, John Brush, Don Reichart, Charles Holmes, James Andrew, Robert Campbell, and Cal Scott. Mr. Irvin Peilman, manager of the State Fair, and his family accompanied the boys and extended their trip into southern and western Tennessee.

SINU Practice Schools Hold Commencement Program Wednesday

Diplomas were presented to the twenty-five graduates of the six rural practice schools of S.I.N.U. in the commencement exercises in Shryock Auditorium last Wednesday evening. School closed last Thursday for the rural practice schools.

Thomas Hart Benton ... ARTIST OR SHOW OFF?

By DORIS LIVESAY.
One of the celebrities to appear at the college this coming school year is Thomas Hart Benton, a contemporary American artist who has caused a great stir in the league of critics. Since his most recent appearance and exhibition in New York he has been quite hotly discussed by all art enthusiasts as the artist who prefers his paintings hung in saloons rather than museums. Benton's canvases depict the Missouri earth, and the men who work upon it. Nationalistic rhythms, color, and style, he records this region and the life keyed closely to it. Critics agree that Benton's style is his own. That style is best summed up by Edward Jewell of the New York Times, who says, "Every picture in Benton's grotesque and individualism show is a confession of faith... faith in the joy of sheer cunning creation itself. Here is an artist propelled and governed by aesthetic emotions."

Critics likewise admit that Benton is getting better. Emily Genauer of the World-Tribune has concluded that though Benton's art is not of museum standard "they're improvements over his past performances... yet he has never indicated in a single picture that he is capable of any soaring spiritual flights. That he is gifted with really poetic imagination or that he has anything but mosaic sensibilities and a common place mind." Royal Cortissoz of the Herald Tribune concluded that Benton's pictures "have character stamped with sincerity and he paints them better than he has before. His imagination or that he has anything but mosaic sensibilities and a common place mind."

But why is Benton disliked by museum directors and art critics in general? Benton craves publicity. He craves while in the spot light. He craves when left alone. When he came to New York this time it was to be different. No controversy, no fireworks. Just art. His advance publicity said "at the time he has been in New York four days he has spread all over the city. The same old Benton—boy, spattering, his fine nose for controversy still keen. He led the first bomb shell loose on New York when he aired his opinion of what is wrong with American art. It's the third sex and the museum. The typical man-

ATHLETICS WITHOUT ELIGIBILITY ..

Such a radical proposal was made by Superintendent Stoddard of the Philadelphia school system speaking before the recreation division at the national convention in Atlantic City, N. J., last week-end. Stoddard is president of the NEA.

"I propose that we do away with eligibility rules in athletics," he said. "After all, athletics are a part of education. We don't require a boy to run the 100 yard dash in 10 seconds before he can get into our Latin class, so why require him to pass scholastic tests to get the benefits of athletics?"

Stoddard's idea is very unusual, to say the least. It will not work unless there is a change in the aspect with which athletics are regarded by the public and by the school students themselves.

The president of the NEA was a "coach's friend," reported local men who heard his speech. He made a strong plea for athletic education. Not everyone will agree with his idea of waiving eligibility rules, however. It is our understanding that there are certain standards in other departments of many schools—that a student must maintain a scholastic standard to compete in band, speech, drama, and related contests. But Stoddard says, "Athletics should stand on their own educational value. No phase of the school program is more important than athletics. Athletics should not be denied any student."

CHI DELTA CHI FATHER AND SON BANQUET SUN.

President Pulliam To Be Guest Speaker At Annual Affair

The active members and pledges of Chi Delta Chi fraternity will honor their fathers on Sunday with the fraternity's annual Father and Son Banquet. President Eugene Pulliam will be guest speaker at the banquet which will be held at Hank's at one o'clock. At the same time the mothers will hold their special club meeting at the chapter house. Plans for the two affairs are in charge of Everett Good, vice president and social chairman of Chi Delta Chi.

Benton succeeded in netting the critics by averting that newspapers picked out their least competent girl and sent her out on the job bearing the title "critic."

DeGafferly Letter (Continued from page 1) Informative but also effective in bringing to the attention of the House the urgent needs of this school which is serving its territory so excellently under the fine leadership of its president and faculty. Respectfully submitted, AUGUSTUS P. DEGAFFERLY, Chairman of House Committee.

Poll of College Students Avows to Success of College NYA Aid

By Student Opinion Surveys. Today the far-flung social policies of the New Deal administration to relieve unemployment and create a brighter future are the battlefield for many a long and bitter discussion. Often debated is the question whether government project workers earn their compensation. The National Youth Administration, including the plan to aid college students, has received its share of the criticism.

A majority of the college men and women, recently quizzed by Student Opinion Surveys of America in a national poll, believe that NYA work is the best college aid plan yet advanced. Smaller percentages believe that as an alternative the govern-

ment should grant loans to students instead of paying money for what some have termed "clock winding" jobs. Still less would like to see government scholarships instead of jobs.

The complete poll which includes only a proportionate number of the 126,000 students who hold NYA positions, was taken in scores of colleges and universities by means of the Student Opinion Surveys sampling method operated in cooperation with campus newspapers.

Here are the results, by percentages:

"Which college aid plan do you think would be best—

"Continuing NYA jobs in colleges (62%);

"Awarding government scholarships to worthy students. (18%);

"Making government loans to needy students. (20%);

"There is only a very slight difference of opinion between men and women as these cross-tabulations show:

Men Women
Continue NYA jobs.....61% 64%
Award scholarships.....18% 19%
Make government loans.....21% 17%

Shryock to Speak at Kappa Pi Installation at Macomb

Mr. Burnett Shryock of the college art department left today for Macomb, where he will make the principal address at the installation of Kappa Pi, professional art fraternity, on the Western Illinois State Teachers' College campus. After speaking to the new chapter of Kappa Pi in Macomb tonight, Mr. Shryock will go to Chicago to consult with directors of the Illinois Art Project on plans for projects to be carried on in conjunction with the college here.

Announcing Opening of Methodist Manor

Methodist Student Center Carl Vinyard, Mgr. 605 South Normal Avenue

OPENING ON JUNE 9, 1941

Combining Epworth Hall and Waldorf Hall in one Methodist Hall for boys.
Twenty-Five boys will live at Methodist Manor.
One hundred boys and girls may eat in the large attractive dining hall.

Six openings for Methodist boys to live here. See Carlton Busenhart for applications at once. Phone 861.
Morning Watch at 6:45 each morning under direction of Roy McGrath, House Chaplain and Ruby Lee Tomlinson, Chorister, and Norman Clarke, Pianist.
Supervised Recreation for boys and girls each evening from 7 to 10.

SPECIAL NOTE:

EPWORTH HALL, 807 S. Washington St., will be open the Summer Term Only.
This hall is the white house just east of the gymnasium.

Rooms at \$2 per week are available for TWELVE GIRLS FOR THE SUMMER TERM.
Reserve now by calling Mr. Busenhart at 861.

Methodist Manor and Epworth Hall are Sponsored by First Methodist Church

METHODIST STUDENT CENTER COMMITTEE

Dr. Bruce Merwin, Chrm., Thomas W. Martin, C. E. Feirich, J. D. Dill, Joe F. Van Natta, and L. J. Hills.

Campus Bulletins

Kappa Delta Pi will hold the initiation of new members on Tuesday, May 20, at 4:30 p. m. in the Y. M. C. A. room of the Old Science building.

NOTICE!

All Juniors and Seniors who are to receive honors on Honors Day next Thursday, May 22, are expected to meet in the Old Gymnasium in the Old Science building at 8:30 in order that instructions for their participation in the program may be given.

There will be a special college assembly on Monday morning, the third hour. The Teachers' College Board will be here Monday and at the assembly the board chairman, Mr. Frank Thompson, and State Superintendent of Public Instruction John A. Wieland will speak.

ANNOUNCEMENT

There will be an important meeting of the senior class next Thursday, May 22, immediately following Honors Day program in Shryock Auditorium.

The Adult Education piano classes, sponsored by the Illinois State WPA, will meet at the following times: Monday, 3:45 to 6:45 p. m.—Allyn Auditorium.

FRESHMAN BULLETIN Freshmen are asked to watch the bulletin boards in the new gymnasium. Names of students who appear to be unable to qualify as sophomores will be excused by your instructor.

A student must have forty-five hours to become a sophomore. If the advisers' cards filed in the English office show correct programs for this term, the 413 students whose names are listed on the bulletin boards cannot qualify and must register as freshmen for the next term.

Students desiring to work as graders and typists for the Freshman Testing program beginning August 29 should see Genevieve Emery in the English office.

Barton Lectures At Two Chicago Junior Colleges Dr. Thomas Barton lectured at the Wright Junior College and the Nelson Junior College in Chicago Tuesday and Wednesday on the subject "Conservation and Soil Erosion."

CAZEL TO TEACH AT CAPE GIRARDEAU DURING COMING SUMMER SESSION

Mr. Earl E. Cazell of the University High school faculty has been accepted a summer position in the Southwestern Missouri State Teachers' college at Cape Girardeau. Mr. Cazell, who is the agriculture practice teaching critic here at Southern, will take the place of Mr. G. Carl Schwegelert, head of the department of Agriculture at Southeast Missouri State Teachers' College, while Mr. Schwegelert completes his work for the doctor of philosophy degree at the University of Missouri this summer.

DOUG GREENE WILL HEAD NEXT YEAR'S INTER-FRAT COUNCIL

Doug Greene, of Kappa Delta Alpha, was elected last week to serve as president of the Inter-Fraternity Council for the coming year. Gene Travelstead, Chi Delta Chi, secretary; Tommy Williams, Delta Delta Chi, treasurer; and Paul Helms, Alpha Gamma Mu, social secretary, complete the list of new officers.

Retiring from office on the council are: Mel Paul, president; Jack Baer, secretary; and Carl McIntire, treasurer. The office of social secretary was created at the last meeting of the council.

SIGMA TAU DELTA MEETS AT HOME OF FRANCES BARBOUR

The local chapter of Sigma Tau Delta met last Tuesday evening at the apartment of Miss Frances Barbour at 7:30 p. m. May 7.

LITTLE THEATRE TO ELECT OUTSTANDING ACTORS FOR PAST YEAR

The active members of Little Theatre met last Tuesday evening to nominate officers for next year and their outstanding actors of the year.

Seniors Guests At Reception At President's Home

On Tuesday evening, May 14, approximately three hundred faculty members and members of S. I. N. U. were the guests of President and Mrs. Callahan at a reception given at their home for the class of 41.

The Pullman home was decorated with seasonal flowers and the guests were entertained with various musical numbers during the course of the evening. The entertaining performance included the Faculty Song, Quartet composed of Mrs. Edith S. Knapton, Mr. Ralph Coleman, Mrs. Emerson Van Cleave, and Mr. Wendell Marzette.

Miss Mary Crawford was in charge of the serving. Refreshments were served in the dining room and out, across the terrace. Those who partook included Mrs. Robert English, Miss Betty Jane Morrey, Miss Betty Jean Morrey, Miss Helen Matthes, and Miss Evelyn Daily, vocalist.

ENGLISH PROFESSOR TO SPEAK TO STUDENTS AT SINU ON "HUMANITIES"

The humanities division has secured Dr. Ernest C. Hassold, head of the English department at the University of Louisville, as the speaker for the annual lecture next Wednesday for majors and minors of the humanities department. The meeting will take place at 7:30 p. m. at Anthony Hall. Dr. Hassold, who is writing a book on the "Humanities Today," will talk on "Cultural Perspective for the Twentieth Century." It is hoped that all students majoring and minoring in art, music, English and foreign languages will attend the meeting.
