## A Little Bad Along With The Good

Last week-end, Southern's students cut loose for a week-end of fun, and entertainment and the results were a smashing success of a Spring Festival. We think, as a whole, the Spring Festival was, like the movies are said to be, "better than ever."

Of course, the favorable weather helped a great deal, but it took more than good weather to make the affair go off with such a bang. For the first time in several years, we had a Midway that was worth going to. Then, too, the Wharf Club entertainment added something new and different to the activities.

Perhaps the best parts of the Festival were the decorations at the Wharf Club, the dance, and the Miss Southern contest. Sometimes, it is decorations that either make or break such an activity as the Wharf Club, and in this case the decorations came out on the bright side.

**WE THINK** the Festival chairman and the committees especially the decorations committee, should receive a round of applause for their efforts.

However, along with all good things there comes a little of the bad. Yes, this year's Spring Festival did not escape from having a sore spot. That sore spot, in our opinion, was the Miss Southern contest.

And just why do we think the contest was a sore spot? First, is the matter of judges. We are not saying that the judges were not good ones, (for all we know, they may be professional) but we do think that judges for such an event as the Miss Southern contest should be from out-of-town and should not be connected with the university.

**WHEN ON-CAMPUS** judges are involved there is a tendency for some people to think the judges were partial. We do not think persons are justified in such opinions, but if the judges were from off-campus, there would be no reason for such accusations.

Then, too, the majority of the judges were women. We think, as do several others, that men should at least be equal in number to the women on the judging committee of a beauty contest.

A second thing that could have been improved about the contest was that the five finalists could have been announced at the contest. To the people present for the judging, the affair did not even seem like a contest, for no results were announced whatsoever until that night.

Speaking of the people who attended the contest, they had no provisions for seating. Not only were there no seats, but most of the persons attending could not see what was going on. Perhaps in future years, seating arrangements could be made for the audience.

**LAST BUT NOT LEAST**, we would like to ask why eight girls were named first as finalists and then later the number narrowed down to five. It seems to us this would be very disappointing to the three of the eight who were left out in choosing the finalists. If this delay was caused by the fact that a decision could not be reached, it seems that if the judging were done more objectively that a decision could be reached sooner. Perhaps more objective judging sheets could be prepared by the committee.

Several of the girls that were in the contest were heard making the remarks that they would never enter such a contest again.

If such sore spots as mentioned above could be removed from the Miss Southern contest in future years, there may be more than just 13 girls entering and thus give a better representation of campus beauty in the Miss Southern contest.

## Hold SIU Day Tomorrow At College in Greece

Tomorrow, May 10, will be Southern Illinois University Day at Anatolia college in Thessaloniki, Greece. Southern will be honored for giving "support for a day" to this small Greek college located on the mountain slopes above the city of Thessaloniki.

Last month here on the SIU campus, a collection was taken to provide \$125, the amount necessary to run the college for a day. The Student Council sponsored an auction at which the major part of the \$125 was received. The Student Council later made up the difference and the money was sent to the college.

Dr. W. J. Tudor of Southern's sociology department has been in communication with the administration at the Greek college, and according to reports, many gala festivities are being planned for tomorrow which had been set as a festival day at Anatolia.

The girls will dance in native Greek folk costumes and early native dresses, and several athletic events have been planned. People are expected to attend from some of Greece's largest cities. Noted Greek national figures are to speak at the ceremonies.

According to releases from the college, several Anatolia students are to write reports on the day which are to be forwarded to the Egyptian. There is a chance that several pictures will be sent to SIU, and if so, they will be printed in the Egyptian.

**THE ENROLLMENT** at Anatolia College at present is 610 students. The school has pupils from the seventh grade up to college sophomores. It is, in reality, a two-year college.

Generally speaking, Anatolia is a Liberal Arts and Normal school type of institution, with stress placed on the teaching of the English language and English customs.

Southern's library and bookstore have contributed books which will be sent to the college. Several organizations on campus have con-

tributed magazine subscriptions which will also be sent in an effort to aid the war-stricken school.

### Release Stipulations Of Off-Campus Trips

The academic deans and the Office of Student Affairs have released the following stipulations which apply to off-campus trips for all SIU students.

The stipulations are as follows: (1) Students on probation may not participate in extra-curricular activities (activities not constituting part of credit course work) when such activities require the student to miss credit courses.

(2) Also, the student should know that the duplicated lists from the Office of Student Affairs which give the names of students participating in off-campus trips are to inform the faculty that the whereabouts of the students listed are known. It is not an excuse for absence. Each individual student listed is to arrange with his instructor's concerning his course assignments and is to find out if it will be possible to make up the work missed and in what manner it is to be made up.

J. Paul Sheedy\* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

"YOUR HAIR looks as though it's been in the rein, deer," a campus Caribou told Sheedy. "If you want to horn in on the sororities, it might behoof a man of your ilk to try Wildroot Cream-Oil, America's Favorite Hair Tonic. Contains soothing Lanolin. Non-alcoholic. Grooms hair neatly and naturally all day long. Relieves annoying dryness. Removes moose, ugly dandruff. Helps you pass the Finger-Nail Test!" Paul got Wildroot Cream-Oil and now no girl wonders whether he's man or moose! If you're moose is cooked by unruly hair, collect a little doe and take a taxi-ride to the nearest drug or toilet goods counter for a bottle or tube of Wildroot Cream-Oil. And ask for it on your hair at the barber shop so your deer won't think you've let herd down. (What she'll say will be moose-ic to your ears!)

# Salukis Face Normal, Try to Increase Lead

Southern will try to tighten its grip on first place in the IAC today when the Salukis take on Illinois Normal in an afternoon-night doubleheader on the Normal diamond.

The Salukis are undefeated in four league games against Central Michigan and Michigan Normal. Normal is sixth with a record of two wins and four losses. Three teams are tied for second with 3-3 marks: Eastern, Northern and Western Illinois. Michigan Normal is fifth with 2-2 and Central Michigan is in the cellar with 1-3.

After today's games the Salukis will have two more conference doubleheaders, both of them scheduled at home. Northern, the defending champion, is here next Friday and Eastern plays here May 20. After that the Salukis end their season with home games May 30-31 against Bradley.

Leftfielder Verlan Zapotocky has the top SIU batting average after four conference games. He has four hits in eight trips for .500. Charles Valier has six, for 13 for .462 and Jim Schmulbach has six for 14 for .428. Jerry West is batting .375, Bob Ems, .333, Larry Burns .250, Jack Chor, .187 and Ed Theis is hitless in five trips.

Last season, the Salukis fell short of a stretch drive when they split with the Redbirds to finish in third place. Southern collapsed in the first game of that series, suffering the humiliation of a 14-1 pasting.

But the Salukis did a complete reversal in the wind-up by drubbing Normal 9-1. Had the Martin-men won both of those games, they would have finished in a first place tie with Northern.

No doubt Wayne Grandcolas and Ron Hagler will again handle the pitching chores for Coach Glenn (Abe) Martin's Salukis. Grandcolas, a left-handed Belleville sophomore, will be going for his sixth successive win. The slight southpaw boasts an earned run av-

erage of 2.48.

Hagler, a Murphysboro freshman, will be chucking for his fifth win against one loss. Ron is leading the Saluki mound corps in the whiff department, striking out 30 batters in 34 innings.

## Netmen Are Busy, Pisoni to NAIB

Southern's home tennis courts were kept pretty busy last week-end with the invasion of three net teams from Western, Evansville, and Washington University. The Salukis dropped Friday's match with Western and Monday's match with Washington but captured the Evansville outing on Saturday. The one win and two losses brought the season's record to four wins and five losses.

Friday, Western State won 4-2. Only Flota and Haile could win for Coach Jim Wilkinson. Two singles matches and both doubles matches were lost as SIU dropped its first IAC match of '52. Pisoni and Fly lost the singles matches for Southern while Pisoni and Lape and Haile and Flota combined to drop the two doubles matches.

Saturday, the Salukis dropped Evansville for the second time this year 5-1. SIU won all four singles matches and one of the doubles matches. Singles winners were Pisoni, Flota, Fly, Haile, while the doubles team victory came through the efforts of Kilian and Prussman.

Washington University once again shut out Southern in a return match last Monday afternoon. Earlier this season the Bears had won 6-0 and Monday stretched it to 9-0. The strong Washington team handled all the individual matches in just two sets except one doubles meeting which extended through three frames. In that contest, Southern's Kilian and Meyers were able to sneak out one set victory 10-8.

The Salukis now have three dual matches remaining before the finale—the conference match at Ypsilanti, Michigan, May 23 and 24. Tomorrow, Southern has its

## Tracksters Hope To Upset Eastern

Southern trackmen will be out looking for another upset tonight when they are entertained on the Eastern Illinois track at Charleston.

The Salukis will be in search of their fifth straight victory after piling up wins against Cape Girardeau twice, Missouri School of Mines and Illinois Normal. The Normal Redbirds, who lost a one-point decision here last Saturday, had earlier beaten Eastern, but the Panthers are rated tough this year. Last year Eastern beat Southern by 10 points.

It will be the second meet for the Salukis against IAC competition. The conference champion will be determined when the seven schools get together May 23 and 24 on the Michigan Normal campus at Ypsilanti. Michigan Normal is generally regarded as the toughest team in the league.

No more home meets are scheduled for Coach Leland (Doc) Lingle's tracksters. After the Eastern meet, they travel to Washington University Saturday, May 17. The conference meet is the following weekend and the week after that, May 30-31, the NAIB district meet for track, tennis and golf will be held at Macomb.

Last home match against Eastern Illinois State. The next week-end, the local lads will invade Peoria for two matches with Bradley on Friday and Saturday. Southern has defeated Eastern earlier this year but has not as yet met Bradley.

Southern's tennis coach Jim (Wilkie) Wilkinson announced that Charlie Pisoni, Herrin freshman, will represent the Salukis in the National Association of Intercollegiate Basketball (NAIB) district meet May 30-31 at Macomb.

Pisoni is the only Southern tennis player who has participated in all nine of Southern's scheduled meets. He has won four singles matches while losing five.

Other singles records (won-lost): Bill Fly, Carbondale (4-3); Gene Haile, Eldorado (4-2); Ernie Flota, Harrisburg (4-4); Bruce Lape, Pana (1-6); Don Kilian, Columbia (1-2); Paul Prussman, Granite City (0-1); Bill Meyers, Murphysboro (0-2).
