## Students Nominate Eleven For AF ROTC Queen Title

Last week's nominations for ROTC Queen decided the top girls who will compete in the final eliminations. This list of candidates is composed of six freshmen, four sophomores, and one junior. The freshmen candidates are Blondie McKinzie, a business major in the College of Vocations and Professions, from Murphysboro; Marilyn Lieb, Belleville, an elementary education major in the College of Education; Christine Minkler, a Carbondale girl, in the College of Vocations and Professions, and a speech major; Carolyn Walston, West Frankfort, enrolled in preparing in the College of Vocations

and Professions; Ann Traxelwood, Centralia, who is also in the College of Vocations and Professions and majoring in home economics; and Jane Smith, Vienna freshman, majoring in home economics. The girls nominated from the sophomore class are Shirley McConghlay, Salem, with an undecided major in the College of Education; Norma Graves, East St. Louis, in the College of Education and majoring in elementary education; Ida Mae Schellhardt, Valmeyer, an elementary education major, in the College of Education; and Dixie Bryan, Dowell, who is in the College of Education, and is undecided about her major.

The junior class, is from Johnson City. She is in the College of Education. These 11 girls who are competing for Queen will be narrowed down to five Friday, Nov. 14 when they will be reviewed by the Arnold Air Force Society. The Society will choose the top five finalists. During the week preceding the dance the basic students' vote will determine the Queen. The Queen will be crowned the night of Dec. 5 at the second annual Military Ball held in the Armory. This year's Military Ball will have a "fringe music" theme, and will feature the music of Johnny Palmer and his orchestra.

Brentliu Hall, the candidate from

## Jobs Available For Graduates

Graduates of December and March who were unable to come to one of the meetings of the Placement Service, Barnack H. Thompson et., in order to register before their graduation. The Placement Service stresses the fact that this registration is a vital part of the student's record before leaving school.

Students who are not planning to work next year, or those who are going to the service are also urged to register. The Placement Service stipulated that registration for these people is necessary at the time of graduation, because it has been experienced that students trying to get recommendations from instructors who have forgotten them since the time that they were in school had difficulty in doing so. It was also stated that it was more convenient to walk over to the Placement Office when one was in school than it is to have to make a trip to Carbondale later in order to register.

Job vacancies recently announced by the Placement Service are as follows:

Sales representative for the Thresher Paint and Varnish Co., of Dayton, Ohio, Territory in Illinois and Indiana.

Teacher for social science in Jennings, Missouri high school. Salary \$3000-\$3360.

Teacher of chemistry, algebra and geometry in Vandalia, Ill.

Adjunct for the Commercial Credit Corporation, territory in Illinois and Missouri, salary \$2600 and up.

Teacher for Commerce at Sandoval, Ill.

Two of first grade teachers and two fourth grade teachers in the Champaign, Ill. city system. Salary schedule starts at \$3000 for a B.S. and no experience and at \$3200 for a M.S. and no experience.

SIU Students Invited To Parents Day Lunch

All students, whether accompanied by their parents or not, are invited to the Parents' Day luncheon from 11:30 to 1 p. m., Saturday in the men's gym, according to Miss Betty Greenleaf of the Office of Student Affairs. Miss Greenleaf also stated that students' registrations, as well as those of their parents and friends, should be made by students by tomorrow at 4 p. m. in the Office of Student Affairs.

## Saluki Has Distant Cousin Visiting in Carbondale

By BILL YOUNG

King Tut has relations visiting in Carbondale, Buff, an Afghan hound, who is a distant cousin of the Saluki. Several centuries ago, a Saluki was brought to the United States at the present time.

Both dogs are considered good hunting dogs due to their exceptional speed. In addition to hunting the Afghan hound is now used as a sheep dog. They are somewhat similar in appearance except that the Saluki has shorter hair.

These two near-eastern relatives have gotten together as yet, but if they should they might have a hard time understanding each other since King Tut speaks Egyptian and Buff, Afghanistanite (or something like that).

In case any other Afghan hounds are in the vicinity and read this they will be interested to know that Buff is a female and is between 18 months and 2 years old. She stands about 26 inches high but wags out fellows, she's temperamental!

## President Morris To Attend Meeting At Washington

Four People from Illinois are attending the Joint Civilian Orientation Conference at the Pentagon in Washington from Nov. 12 through 15. Delye W. Morris, president of SIU, is one of the four delegates.

President Morris will fly to Washington tomorrow to be present when the reception at the Mayfair Hotel begins.

The Joint Civilian Orientation Conference is convened four times annually by Secretary of Defense Conference members and delegates from geographic cross sections of representatives of American business, finance, labor, religion, education, farm, civic leaders, publicity media, and the professions.

The conference opens at the Pentagon with presentation by civilian and military chiefs, the purpose of which is to provide a comprehensive understanding of the Department of Defense and its integration with other branches of the Government and the community at large.

The Washington phase is followed by trips to field installations of the Army, Navy, Air Force, and Marine Corps in order to acquaint and activities of the several military departments with assigned roles.

"The reason President Morris was chosen to go was because he is a leader in Southern Illinois," said Mrs. Minnie Pitkin, the president's secretary. "He was invited after a routine security investigation."

As of Oct. 11, two Chicago men and a businessman from Rockford were the only other Illinoisians to represent the state at this Conference.

The initiation of pledges was held. New members of Gamma Delta are: Lester Cramer, Centralia; Beny Burkhardt, Chicago; Elden Duem, Bunker Hill; Alice Helgen, Dickfeld; Henry Jones, East St. Louis; Laura Johnson, Douglas; June Kieha, Strevellville; Vera Krasko, Mascoutah; Leon Landgraf, Columbia; Betty Miller, Northbrook; Dale Mueller, East St. Louis; Vernon Spryke, Nashville; Robert Steiner, Oliveville; and Robert Wolters, Nokomis.

The next meeting will be a social meeting on Nov. 15. Plans are being made to have a group of Gamma Deltans from Washington University, St. Louis, and Harris Teachers College, St. Louis, as guests here Nov. 16. All of the members will attend church on a body Sunday and then have dinner in the church basement.

GERMAN CLUB TO MEET

The German Club will hold a meeting this Thursday at 8 p. m. in the Foreign Language Annex building.

## It Soon Will Happen

Tuesday, Nov. 11—Southern Illinois Home advisers meeting, 1 to 4 p. m. and 6 to 10 p. m., Little Theatre. AAUW meeting, 7:30 p. m., Anthony Hall. Southern Eagles meeting, 7 to 9 p. m., Parkinson 107. Amateurs Day assembly, 11 a. m., McAdams Stadium or auditorium in case of rain.

Wednesday, Nov. 12—Leonard da Vinci Festival, general session, 8 p. m., auditorium. Sing & Swing square dance, 7 to 9:30 p. m., Little Theatre. Psychology Club meeting, 7:30 p. m., Old Main 202.

Thursday, Nov. 13—Leonardo da Vinci Festival, general assembly in the morning, and afternoon and evening sessions. IRO meeting, 7 p. m., Little Theatre. Industrial Education club, 7:30 p. m., Industrial Education annex.

Friday, Nov. 14—Faculty square dance, Little Theatre. Harvest Dances, 8 to 11 p. m., men's gym. Saturday, Nov. 15—Football game with Michigan Normal, 1:30 p. m., home.

Parents' Day. Monday, Nov. 17—Mensia Rehearsal, 7:15 p. m., Little Theatre. P. Lambda meeting, 8 p. m., Student Center. Lecture, 8 p. m., auditorium.

## Delta Rho To Have Guest Speaker Here

Professor H. S. M. Coxeter, University of Toronto, will speak at a special meeting of Delta Rho, honorary mathematics fraternity, at 4 p. m., Friday, Nov. 14, in room 203 of Parkinson laboratory. His topic will be "The Golden Section with Applications to Games and Beauty."

Prof. Coxeter received his B.A. and Ph. D. degrees from Cambridge University, England. He went to Canada in 1936. Since that time he has been visiting professor at the University of Notre Dame and Columbia University. He has written several books in his own special field of geometry. He reviewed "Mathematical Recreations and Essays." The editor-in-chief of the "Canadian Journal of Mathematics."

Prof. Coxeter will be one of the chief speakers for the da Vinci Festival to be held Nov. 12 through 15. He will also be speaking at Purdue university and at the University of Illinois while he is in the United States.

## FTA Club To Initiate New Members Tonight

The Future Teachers of America will have the initiation of new members tonight at 7:30 o'clock in the Little Theatre of the University school.

Wendell Kennedy, assistant director of Professional and Public Relations of the Illinois Education Association, will be the guest speaker. The faculty of the Department of Education will be guests at the initiation.

F.T.A. is the professional education organization for all undergraduate students in the College of Education. All students in the College of Education are cordially invited.

Refreshments will be served after the meeting.

## Da Vinci Festival Begins On SIU Campus Tomorrow

Lectures, demonstrations, and exhibits will highlight the first four days of the Leonardo da Vinci festival which opens here tomorrow. A Didier Graffe, University of Florida, speaker on the Renaissance man skeleton made by Harold M. Kaplan, associate professor of physiology.

The morning session in Shrock auditorium, Thursday, Nov. 13, will consist of Da Vinci and his Times" by John Brimmer, of the Great Books Foundation. Bremer, an Englishman, was a student at Southern last year.

The rest of the schedule is as follows: AFTERNON Sessions (Two Concurrent Sections): Section I, Room 203A Main: V. L. Peacock, presiding. 2 p. m. W. E. Simeone—Da Vinci in English Literature. 2:30 p. m. M. M. Smith—Leonardo and France. 3 p. m. H. M. Kaplan—Anatomy of Work and Influence of da Vinci.

3:30 E. H. Hadley—Leonardo and the Experimental Method. Section II, Room 215 Main: J. C. Davis, presiding. 2 p. m. J. R. Duber—Da Vinci's Contributions to Geology. 2:30 O. B. Young—Da Vinci, Inventor and Physicist. 3 p. m. J. K. Johnson—Leonardo, Engineer-Centralist. EVENING SESSION 8 p. m., University School Auditorium, Music—University Choir, Floyd Wakefield, director.

Students are being shored today for the Armistice Day program which begins with a parade starting at 10:30 a. m. at the corner of Jackson and Poplar streets.

The parade will proceed down Main, Illinois, and Harvard streets to McAdams stadium, where the main speaker will be Lt. Col. Paul C. McCandless, wing chaplain at Scott Air Force Base, whose brief speech will follow a period of silent observance and the sounding of bells. Students are asked to sit on the west stands in the stadium during this program, as the speaker's platform is on the 40 yard line.

Anearing in the parade will be the marching band and several ROTC squadrons. Color guards and bearers for the parade are members of the YFW and the American Legion.

The only vehicle in the parade will be that containing Gen. Robert Davis, President D. W. Morris, Mayor J. H. Wright, and Col. J. Bushing. AF ROTC queen.

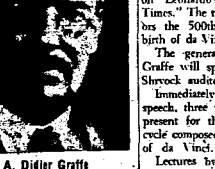

An ALL-SCHOOL assembly has been scheduled for Thursday morning, with an all-around Christmas theme consisting of skits and the singing of Christmas carols. That night following the basketball game, an all-school record dance will be held in the women's gymnasium. This will climax the week of Christmas festivities here at SIU.

No prizes will be given for house decorations this year. The committee chairman for these Christmas festivities are Paul Morris, general chairman; Christa M. Neech,ampus decorations; Jerry Hawkins; assembly program, Wona Smith; publicity, Bob Wagner and Freda Goren; finance, Don Kilian; programs, Jo Ann Hamilton; Christmas party, Wilma Baggle; Caroling, Sally Lewis; doughnut hour and dessert, Mary Meyer; record dance, Charles Caten.

Briggs said, this is an age of rapid progress, a period of change or transition in all phases of human life. A knowledge of history is of great importance.

Continuing, Briggs said that the problems and responsibilities of citizenship are many, and an intelligent knowledge of them is essential if one is going to vote intelligently. Also along this line he gave insight into the recent election, saying that Eisenhower was elected on Democratic votes, and predicting that within two years the Southern Democrats will "come back into the fold."

Briggs said, this is an age of rapid progress, a period of change or transition in all phases of human life. A knowledge of history is of great importance.

A. Didier Graffe

## Social Senate Plans Christmas Week Festivities

The annual Christmas Week, sponsored by the Social Senate, will again be held this year, Dec. 12 through Dec. 18 inclusive. It is to be a week filled with Christmas activities prior to the Christmas vacation according to Paul Morris, president of Social Senate.

The schedule and plans for that week are: Friday, Dec. 12 following the basketball game, there will be a "Deck the Halls" party at the Student Center.

Saturday following the basketball game the Christmas dance will be held in the University school gymnasium. This is to be the featured attraction of the week's activities. On Sunday night the Methodist under the direction of Dr. Morris Kenner will be presented in Shrock auditorium.

MONDAY NIGHT all students are asked to meet at the Student Center and from three proceed through Carbondale on a tour of Christmas caroling. Following this the students are all invited to a dinner at the home of President Morris.

Tuesday morning a doughnut hour will be held in the Student Center from 9:30 to 11 a. m. This is to be sponsored by President and Mrs. Morris, and is their gift to the student body. Tuesday night will be set aside for the Pi Kappa Sigma open house, and other organized houses' Christmas parties.

Wednesday there is to be an old-fashioned Christmas party held at the Student Center.

An ALL-SCHOOL assembly has been scheduled for Thursday morning, with an all-around Christmas theme consisting of skits and the singing of Christmas carols. That night following the basketball game, an all-school record dance will be held in the women's gymnasium. This will climax the week of Christmas festivities here at SIU.

No prizes will be given for house decorations this year. The committee chairman for these Christmas festivities are Paul Morris, general chairman; Christa M. Our Opinions

It Takes All Kinds

"It takes all kinds of people to make a world..." "There's the rubrah character who gives out with the chatter..."

The dreamer who is always campaigning for a bigger, better, and never Student Center when he hasn't even put a foot inside the door of our present Center..."

Not So Dumb

It seems that college students throughout the United States knew what they were talking about when they voted 57 per cent strong for Dwight D. Eisenhower in the Associated College Press National Poll of Student Opinion.

per cent. SIU, like the majority of the other colleges in the nation, also voted in favor of Eisenhower but only by three votes.

Mine fit so they took it back.

Student Pigeonholes Southern's Major Fields

By Dan Faircliff College students here are pigeon-holed psychologically by knowing their majors. Since all students major in one subject, a pertinent question is, "What pattern of thinking and talking is peculiar to all students majoring in the same subject?"

Club Plans Competitive Art Contest

Southern's first annual student competitive art contest will open here Dec. 1. Many valuable prizes will be awarded in the two divisions of both graduate and undergraduate student competition.

THE ABOVE drawing is a sample of some of the work that will be entered in the student competitive art contest, deadline for which is Dec. 2. The SIU Art Club is sponsoring the contest. The above drawing was done by Gib Strawn, graduate art student, and is his idea of the typical Miss Southern candidate.

"OUR TEAMS' fighting spirit will overcome all there are no divided jealousies among the players." Then I came into hearing range of a history major. "Yes, sir. These two teams first met in 1910. Played in downtown Peoria. In fact everything was at 3:30 the next day, and the game continued until the end. Southern won on a field goal scored in the last 43 1/2 second of play."

Reinhardt Wins \$7000 Contest With Mural

Siegfried Reinhardt, St. Louis artist and lecturer in the art department here at Southern, has won a \$7000 competition to design a mural for the reception lobby of Band, McNally and Company's new general office and factory building in St. Louis, Ill.

World News in Brief

Condensed from AP Wire Service By Bill Young POLITICAL This was the election picture at 11 a. m. Friday, with nearly all returns tabulated. Eisenhower elected president by an electoral vote of 442 to 89 for Stevenson. Eisenhower carried 39 states; Stevenson 9. Gen. Ike got the most popular votes of any other man in history, a smashing 32,995,608 with 4,188 voting units in report. Stevenson received 26,349,961. The total vote of 59,545,569 also a record.

Division soldier in the leg. The shell bounced up and belted him in the mid-section, but did not explode. The soldier went to the hospital with a stomach ache. SPORTS Sophomore Wes Bair of Illinois Normal is the leading forward passer in the small-college list. The Redbird quarterback has 105 completions. Don Gustaf of Sam Houston, who had led the pack all season is second with 108.

INTERNATIONAL After battered South Korean infantry pulled off of shell-pocked Triangle Hill Wednesday the Allied high command gave the artillery practically carte blanche to use the guns in an ammunition assessment. The Allied guns laid down 42,800 rounds, the heaviest barrage since the Allies forced Hungen Fortress in the final World War II battles against the German Army. The jubilant artillerymen were claiming that they were winning the battle of the hills. As the big guns roared the first snowfall of the season began to pelt the infantrymen huddling in fox holes watching the artillery blast the Chinese Reds. Only scattered parcel dusters were reported on the 155-mile front.

INTERNATIONAL Another earth quake shook the Bakersfield, Calif., area. The quake, a mild one, was felt in the Los Angeles area, about 120 miles north. There were no reports of damages or injuries. A touring police car reported no visible signs of damage.

MAIL BOX

(Editors note: The following is an impression of America entirely a letter to SIU students from Ted Beardsley, SIU graduate who is in-charge of Southern's own faculty Chautauque, Paris, 150 miles from Carbondale, on a teaching-study assignment.)

TO SIU STUDENTS: One's first impression of France is that it's like something out of Cinderella—the villages between Cherbourg and Paris are all very small, the streets are of cobblestone, narrow and winding. The houses are mostly of gray stone and red tile roofs and have the aspect of being miniature.

# Introducing Our President's Home

EXTERIOR—FRONT

LIVING ROOM

EXTERIOR—REAR

FIREPLACE—LIVING ROOM

# Morris Family Initiates New Home This Quarter

By JAN EVANS

Southern has a new place to entertain — the president's home. Construction which began in Oct. 1951 has finally been completed and the home has been in use since September.

"Remodelling was done primarily to provide space for social functions and entertainment of school personnel, whether they are students, faculty, or visitors," said Charles Pulley, SIU architect in charge of the redecoration.

"No other building on campus has facilities for entertaining several groups at once," according to Pulley.

"During the past ten days approximately 1,050 people have entertained in the president's home. Among the social functions held were a formal reception for faculty members and their guests, luncheon for members of the SIU archery, tennis service and consulting architects, a Homecoming reception for the alumni, and a tea for the wives of District 1-7 Lions Club members.

Twenty-five invitations were sent to the foreign students to attend a dinner held last Saturday evening. Today, the Smith-Hughes Home, Economist from Washington, D.C. and Springfield will be entertained by President and Mrs. Morris.

Since the beginning of school, approximately 2,300 people have been entertained in the home of the President and Mrs. Morris. Over 4,000 large social functions have been held. Visitors from many cities and states have visited in the home.

Another outstanding aspect of the President's home is the fact that all remodeling was done by personnel of Southern. The work included the drawing of plans and designs for decorations, plumbing, carpentry, heating, and wiring for electricity. Even the kitchen cabinets were made by someone at Southern.

MEMBERS OF THE physical plant under the direction of W. A. Howe did the work. Charles Pulley, director of the architectural service, did the architectural design and planned the furnishings.

Work done by the physical plant even though preliminary sketches were drawn in May, 1951. The L-shaped living room, which is 27 feet by 15 feet in one section and 32 feet by 15 feet in the other, is furnished in order to provide three conversation groups. The modern furnishings which are manufactured by Herman Miller

Southern, lives in Evergreen Park III, a suburb of Chicago. He attended Calumet high school in Chicago where he majored in mechanical engineering. He has worked in school activities, being a member of the track and wrestling teams and the Calumet year book staff. Here at Southern he is majoring in art, and is a pledge to Sigma Tau Gamma fraternity. He is also making his miniature car. Al also likes to tinker with real ones. His prize possession is a 1936 Dodge which he inherited from his grandfather.

Mr. Tilton has been exhibited several times in and around Chicago, and they have been entered in two hobby shows. They took first prize in the Walter League Hobby show in Evergreen Park last year, and they will take part in the Parent Teachers Association hobby show in Evergreen Park.

Someday Al hopes to be a designer for a company where his own design can actually be made into something. As a student he has no reason why he shouldn't be able to realize his ambition within a very few months.

Clinton Clay Tilton, in 1944, gave the University his entire library including furnishings as well as books, plaques, pictures, and busts. Tilton was a well known collector of Lincolniana and Americana.

Opportunities in Optometry. Optometry is a profession offering special opportunities to students of Southern. It is a field in which a student can obtain a degree in optometry and then enter the profession. The Doctor of Optometry graduates the University of Southern Illinois. The degree is awarded after a student has completed a course of study in optometry. The course of study is a four-year program. The student must complete a course of study in optometry. The student must complete a course of study in optometry. The student must complete a course of study in optometry.

## Contest Opens To Undergraduates

A chance to win \$500 in prizes is offered to undergraduate students throughout the country by the Association of Petroleum Engineers, Washington, D. C. Contestants are invited to submit papers on the subject, "The Advantages of Re-Refined Oil," Veterans of Foreign Wars, Post 100, Association, announced last week.

Purpose of the contest, according to Worthington, is to further research on the recycling of a vital natural resource in the interests of oil conservation. He explained that the subject is of such importance that it should be of interest to all students of petroleum engineering.

First prize will be \$250, second prize, \$100 with three other prizes, at \$50 each. Students desiring to enter the contest may secure a list of companies engaging in refining of oil and a summary of available data by writing to: The Association of Petroleum Engineers, 1917 Eye Street, N. W., Washington, D. C.

Manuscripts must be no shorter than 1000 words and no longer than 2000 words in length and be submitted to the Association's Contest Committee postmarked no later than Dec. 31, 1952.

## SIU Freshman Builds Miniature Automobiles

By Thelma Walker

One of the most interesting and unusual hobbies that has turned up in a long time is the one of Al Erickson, freshman student here at Southern. Since the age of 14 he has been making miniature automobiles. Besides being a fascinating spare time job, it could lead to excellent employment opportunities for the future.

It was hard for Al to get started in this line of work, in fact he more or less gave up with it. At the age of six he began building model airplanes, much the same as any youngster might have done. When he was twelve, he gave up airplanes and concentrated on train building as a hobby. For the last four years he has been devoting his spare time to the design and construction of these miniature cars.

IT IS HARD to believe that the cars are made entirely by hand. The entire car is almost as detailed as a five-inch long. Although only five inches long, the cars have such detailed instruments as steering wheels, dash, and control knobs on the dash that move in and out, and flexible front and rear wheel springs that hold the body level. The only materials used in making the cars are balsa wood, straight pin, hair pin, tin foil, glue, and airplane paint.

In starting a car Al first makes the frame. He carves the one-piece frame from a block of balsa wood, taking care at all times to get the measurements exact. If one mistake is made, the entire frame is ruined and must be done again. The wheels, which are put on at this time, are made from rubber garden hose sliced and put on a rim. They are mounted on an axle cut from wood, and springs made from ladies' hair pins give the car Resiliability and bounce.

THE NEXT STEP is making the body, which is also carved from a single block of balsa. Since the body is a single piece of wood, it is much stronger and more durable than any glued body could be. After the body is made, the car is painted.

AL, WHO is in his first year at Southern, lives in Evergreen Park III, a suburb of Chicago. He attended Calumet high school in Chicago where he majored in mechanical engineering. He has worked in school activities, being a member of the track and wrestling teams and the Calumet year book staff. Here at Southern he is majoring in art, and is a pledge to Sigma Tau Gamma fraternity. He is also making his miniature car. Al also likes to tinker with real ones. His prize possession is a 1936 Dodge which he inherited from his grandfather.

Mr. Tilton has been exhibited several times in and around Chicago, and they have been entered in two hobby shows. They took first prize in the Walter League Hobby show in Evergreen Park last year, and they will take part in the Parent Teachers Association hobby show in Evergreen Park.

Someday Al hopes to be a designer for a company where his own design can actually be made into something. As a student he has no reason why he shouldn't be able to realize his ambition within a very few months.

# Western Grid Crew Trounces SIU 38--7

By DON DUFFY

Western Illinois moved into undisputed possession of second place in the IAC with a 38-7 victory over Southern's Salukis in Friday night's contest here in McAndrew stadium.

Holding a 12-0 half-time lead, the Leathernecks clinched the game with thirteen point performances in the second and third quarters. The Westerners capitalized on a 61 yard punt return and a 58 yard interception return for two of their second-half tallies.

Although the Saluki offense put on one of their best performances of the season, racking up 13 first downs to Western's 11, the Leatherneck running and passing attack overpowered the Saluki defense when the chips were down.

The Salukis made a valiant effort to penetrate into Leatherneck territory until the final minutes of the second quarter.

Western started its third scoring drive soon after the start of the third quarter. Spratt's punt carried out of bounds on the Leatherneck 47. The touchdown came on a 17 yard pass from Duane Sandler to Morris Ross. Jack Liljeborg's kick was good to put the Westerners out in front 19-0.

Southern couldn't get anything started after taking the kick-off on the half. Jack Liljeborg took Bill Spratt's punt on the Western 33, dodged four would-be tacklers,

and ran 67 yards for the fourth Leathernack touchdown. His try for the point was wide, to give the teamates a 25-0 lead.

Southern had possession of the ball on its own 44 near the end of the period. Troy Huske passed, Johnny Vanderplum's twenty yard run, and short punts by Frank Morgan carried the ball to the Western 3 when the gun ended the third quarter.

On the first play of the final period, Jack Schneider ran wide a right end to cross the south line standing up for the first and only Saluki touchdown. Bill Spratt booted the point, and the Salukis trailed by 16 points, 25-7.

The half ended with Western leading 25-7.

The final Western touchdown came with about six minutes remaining in play. Merrill McMillan intercepted a pass from Bill Flie on the Western 40. McMillan went all the way down the west side of the field to climax the scoring.

Southern outgained the Leathernecks on the ground, 177 yards to 136. But the visitors tallied 150 yards on passes, while the Salukis made only 78 yards on eleven completions.

John Vanderplum led the Salukis with 64 yards in twelve carries. Frank Morgan, starting in place of ex-fallback Bob Ems, was second in the parade with 48 yards in 12 carries. Morgan gained at least one yard each time he carried. Although he lacks the power that Ems possessed, the Missouri freshman seems to have the edge in speed.

Running quarterback Bill Baltzell led the Leathernecks rushers with 96 yards in twelve carries.

Salku's quarterback Joe Huske turned in one of his best passing performances of the season, completing 11 passes of 22 attempted. However, Huske's longest pass covered only thirteen yards.

Baltzell, who did most of the Western passing, completed 8 out of 16 for one touchdown and 131 yards.

Southern led with 13 first downs in ten running plays, six through the air, and one on a penalty. Western scored 11 first downs, four on passes, and seven through rush.

Western lost 85 yards on nine penalties, while the Salukis were penalized three times for a total loss of 21 yards.

Western's victory gives the Alton team a conference record of 4-1, and an overall record of 6-2. Southern now has won two and lost five, two of these losses to non-conference foes.

Coach Bill O'Brien's Salukis close the season next Saturday when they play host to the Michigan Normal Indians at McAndrew stadium. Game time is 1:30 p.m.

## SALUKIS SCORE

On the first play of the final period, Jack Schneider ran wide a right end to cross the south line standing up for the first and only Saluki touchdown. Bill Spratt booted the point, and the Salukis trailed by 16 points, 25-7.

## SECOND HALF

Western started its third scoring drive soon after the start of the third quarter. Spratt's punt carried out of bounds on the Leatherneck 47. The touchdown came on a 17 yard pass from Duane Sandler to Morris Ross. Jack Liljeborg's kick was good to put the Westerners out in front 19-0.

## SCORELESS QUARTER

Four-point fourth quarter punts by Duane Sandler kept the Salukis back deep in their own territory in the first quarter, as neither team threatened during the period.

Western took the ball on the Leatherneck 45 in the closing minutes of the quarter. When time ran out in the initial period, the visitors

JACK SCHNEIDER, freshman Saluki halfback from Glen Carbon, lowers his head as he prepares to blast his way past a Leatherneck defensive man.

Schneider later scored the only Saluki touchdown on a seven yard run around right end in last Friday night's 38-7 loss to Western Illinois State College of Me-

comb. The Salukis wind up the 1952 season with a home game against Michigan Normal next Saturday afternoon.

## ISA, Greeks Both See Action in Bowling Leagues

Greek League 715

Sigma Tau Gamma and Chi Delta Chi fraternities remained in the lead in the men's division of the SIU Hellenic bowling league when each team took two games in their respective three game series. Bowling activity was resumed last Thursday after a two-week lay-off due to Homecoming activities.

Sigma Pi fraternity fell back from the pace setting team in their three games against the TKE's. The Sig Pi's averted a complete white-wash when they sneaked past in the middle game by three pins. Bill Hunt paced them with a 547 series, including a 215 game. Cliff Karch was high for the TKE's with a sound 515 series.

Sigma Tau Gamma retained their first place tie by thumping the Delta Sigma Epsilon sorority twice in their three games. Red Fisher, anchorman for the Sig Tau's, was high with a 491 series, including a 200 game. Libbie Mars set the pace for the losers with a 423 series, high respecting effort for the women bowlers.

Jerry Wes's 545 series paced Chi Delta Chi to a two-game victory in their series with the Theta Xi. The Chi Deltis retained their first place tie in their three games of the match, while Theta Xi salvaged the middle game by a 42 pin margin. Bob Miller's 449 effort was high for the losers.

Although Pi Kappa Sigma sorority took two of their three games in Sigma Sigma Sorority, the Pi Kaps still retained their lead in the women's division. The Tri Sig's took the first game by a 25 pin margin and the third by almost 50 pins to post their double victory. Pi Kappa Sigma trounced the Tri Sig's by almost 100 pins to avert a shut-out in the second game. Lane Peradotto and Mary Ann Klingenberg paced the Pi Kaps with identical 412 series.

Lane Bire led the victorious Tri Sig's with a 374 series.

STANDINGS: W. I. Sigma Tau Gamma 9 3; Chi Delta Chi 9 3; Sigma Pi 8 4; Pi Kappa Sigma 6 6; Tau Kappa Epsilon 6 6; Sigma Sigma Sigma 4 8; Delta Sigma Epsilon 3 9; Theta Xi 3 9.

## ISA LEAGUE

Four teams of the newly organized Independent Student's Association bowling league saw action last Tuesday at the Carbondale Bowling Lanes as the league officially got under way. Two men's teams and two women's teams now comprise the mixed handicap league, with two more teams ready to enter into competition this afternoon.

Each team managed to win at least one game last Tuesday. The Five Aces, a men's team, took two games from Tower Hall, women's organized home team. Ed Streuber paced the Five Aces with a 477 series, backed up by Marie Price's 474. Joyce Prince paced the Tower Hall girls with a 344 series, including the team high game of 127.

In the other match, the girls came out on top when team No. 5 took two games from men's team No. 6. Agnes Schwen topped the winners with a 390 series, backed by Wena Smith's 365 and Joan Schlepfer's 349. Bert Bramlet offered the best showing for the men with his 490 series.

Standings for the newly formed league are not complete as yet, since two teams have not seen action as yet.

## Hurons Win Harrier Crown, Salukis Sixth

Fifteenth place was the best any Southern harrier could do last Saturday as the Salukis finished No. 6 in the IAC cross country meet at Macomb.

Michigan Normal of Ypsilanti grabbed the title as expected. Eastern Illinois came in second, upsetting Northern Illinois and Illinois Normal who had been tabbed as the most strongest teams behind the Hurons.

Roland of Michigan Normal skippered over the three and three-fourths of a mile course in 19 minutes, 58.2 seconds. His teammate, Dick Aylmer, the defending champion, ran sixth.

DICK GREGORY of Southern was No. 45.

The Hurons, who also won last year's meet, scored 51 points by placing first, fifth, sixth, 15th and 26th. Places for the other schools were as follows:

Eastern fourth, 10th, 11th, 12th, 19th, 56 points.

Northern: Eighth, ninth, 14th, 21st, 24th, 76 points.

Illinois Normal: third, seventh, 20th, 27th, 29th, 65 points.

Western: second, 16th, 17th, 25th, 28th, 88 points.

Southern: 15th, 18th, 22nd, 35th, 37th, 127 points.

Central Illinois: 31st, 33rd, 36th, 38th, 40th, 178 points.

THE SALUKIS certainly had done better in previous competitions this season. Western's Floyd Wohrley ran second in the IAC meet although both Gregory and Ernest Kelly had beaten him in a dual meet here.

Jack Sims of Eastern was fourth, although Gregory had beaten him in a dual meet at Eastern. Gregory, Kelly and Jacques Theriot all had run ahead of Sims in a dual meet at Southern.

Here's the war the top runners finished Saturday:

## State Group Elects Dr. Neal Vice-President

Dr. Charles Neal, director of teacher training here at Southern, has been elected vice president of the Illinois branch of the Association for Student Teaching.

This State branch was formed last year through the interest of directors of student teaching in Illinois and is open to all persons involved in the education of teachers, according to Dr. Neal.

As vice-president of the Illinois branch, Dr. Neal will center his activities on drawing more members into the new organization.

Dr. Neal holds undergraduate and graduate degrees from Indiana University and has served as a supervisor and administrator of public schools in Illinois.

## Kahmann Korner

By Jim Kahmann

### The Only Way to Win

Paragraph one in the memoir book under a Nov. 7 dating would have to include the thought that we sure didn't think Southern would get better than last Friday night. We thought we had the answer after adding up comparative scores, determination involved, and all-around improvement on the part of the Salukis.

It doesn't help matters any to say that the team sure missed Bob Ems, and it goes without saying that the Salukis were much, much better with him than without. Now that the boys realize what it is to play without him, maybe we can expect better next week.

LEAVING THE LOCAL scene for a local let us consider another game of last weekend, the upset victory of Notre Dame over Oklahoma. We mention this game because it helps prove a point, we think. We followed this game with interest because it was the big college game of last week. Viewed by TV fans throughout the nation, everyone who was interested got the chance to see what that determination can do for a team.

Oklahoma was rattled over the Fighting Irish by two touchdowns over the most conservative of prognosticators. Many sports writers limbed that the Sooners would take Frank Leahy's boys even worse than that. To everyone it seemed that the best the Irish could do was come within 12 or 14 points.

But as many of you know, Notre Dame won the game, 27-21, scoring 20 of their points in the second half. How did they do it? Well, not being on the inside, and having no knowledge of the strategy of either team, we are forced to relate our opinions only on the basis of what we SAW.

Notre Dame was outscored and outplayed the first half, granted. But the second half was a different matter. Mr. Leahy might have really

Here's the war the top runners finished Saturday:

1. Roland, Michigan Normal.

2. Wohrley, Western.

3. Campion, Illinois Normal.

4. Sims, Eastern.

5. DeCommander, Michigan Normal.

6. Aylmer, Michigan Normal.

7. Kahliker, Illinois Normal.

8. Belle, Northern.

9. Murphy, Northern.

10. Gore, Eastern.

reached a long way for that half-time talk, but whatever the incentive stemmed from, the Irish were a different ball club the second half. They played a terrific first half, and had to give a superman effort from every angle to come up with the second half that they did.

NOTRE DAME'S LINE outplayed Oklahoma's so outstandingly the second half it wasn't even funny. That proverbial Mack Truck could have been driven with ease through the holes in the forward wall of the Irish made for that backs. Latner, Heep, Worden, and Cary make up a good backfield, but they still can't be rated as strong as Alabama's foursome of Reynolds, Crowder, McPhail, and Layne.

It was a fierce bit of blocking, tackling, and running that gave the Irish the victory. Both sides displayed outstanding determination, but when the going got tough, Notre Dame came through with the most expensive goods.

This Saturday, Southern plays Michigan Normal, a team that Illinois Normal (whom we defeated, 27-20) tied last week, 14-14. They may be as strong as Western, or even a little stronger.

But, if somewhere, somehow, Oklahoma just comes up with that same spirit that simply will not die, Michigan Normal can fall.

It's not asking too much. To us, Bill O'Brien is at such an inspiration to a SIU team as that Golden Dome of Notre Dame is to the Irish. If it stems from such a source, Southern's spirit won't let them lose.

State Group Elects Dr. Neal Vice-President

Dr. Charles Neal, director of teacher training here at Southern, has been elected vice president of the Illinois branch of the Association for Student Teaching.

This State branch was formed last year through the interest of directors of student teaching in Illinois and is open to all persons involved in the education of teachers, according to Dr. Neal.

As vice-president of the Illinois branch, Dr. Neal will center his activities on drawing more members into the new organization.

Dr. Neal holds undergraduate and graduate degrees from Indiana University and has served as a supervisor and administrator of public schools in Illinois.

## Salute Salukis

By Jim Kahmann

The notion that sports were invented for the big man has been proven untrue time and time again, but never more decisively locally than in the case of Jack Ed Johnson.

Southern's diminutive right halfback, Ed doesn't look so small when you see him on the street, but on a football field, where 200 pounds are considered average weight, his 5'7", 165 pound frame looks minute, in a solidly-packed sort of way.

One of the few football players at Southern who doesn't live in Illinois, Ed comes from a long way. Pottawatomie, Pennsylvania is his home town. He and Bill Kelly played for Coach Bill O'Brien when they were in the Marine Corps, stationed at Camp Lejuene, N. C.

It's quite possible that Ed's given something else of play is due to other environmental factors, other than being in the Marine, that is. But wherever it comes from, few could argue the fact that Ed Johnson's will-to-win is unparalleled.

His speed and football savvy, coupled with guts and drive, make Ed Johnson a valuable man to have around. He was the starting halfback both on offense and defense when the season started. A few games ago, Jack Schneider began seeing action on offense, and Ed hasn't been playing quite as much offensive ball. But you can't get him out of there for a minute on defense.

Small for a pass defender, Ed makes up in rock 'em style tackling what he lacks in height. His speed helps him out on pass defense as well. He can usually keep up with even the swiftest of ends and halfbacks. When a pass is completed in his territory, it HAS to be over his head.

On offense, Ed has the drive and plunger of a power-packed full-weight class.

back, and he usually gets two after he's hit. A quick starter, he can hit a hole, if it's there, at the right time.

But the thing you notice most about the little guy is his ability to be at the right place at the right time, an important quality to be prized with in football. When the big backs or the big block is needed, little Ed is the man to count on. That's one reason you'll be seeing his name in a lot of headlines before he leaves Southern.

The Marines' loss and our gain. Ed Johnson will soon be able to hang his hat at Southern, where Pottawatomie is his home of choice.

## Deadline Tomorrow for SIU Wrestling Tourney

Deadline for registering for Southern's intramural wrestling tournament is tomorrow, according to Intramural Director Jim Wilkinson. All men who do not have a university letter in wrestling are eligible to participate in the tournament, sponsored by the physical education department.

Contests will be divided into seven classes, according to weight groupings. The weight classifications are 125 pounds and under, 135 and under, 145 and under, 155 and under, 165 and under, 175 and under, and over 175 (heavy-weight).

BOUYS WILL BE held after 2 p. m. in the afternoons, at times agreeable to the participants, in the wrestling room of the men's gym.

Varsity wrestlers will act as referees and time-keepers for the matches. The tournament will be run as a single elimination, with matches these minutes in length. Trophies or medals will be awarded to the champions in the respective weight classes.

Each team will be divided into two on running plays, six through the air, and one on a penalty. Western scored 11 first downs, four on passes, and seven through rush.

Western lost 85 yards on nine penalties, while the Salukis were penalized three times for a total loss of 21 yards.

Western's victory gives the Alton team a conference record of 4-1, and an overall record of 6-2. Southern now has won two and lost five, two of these losses to non-conference foes.

Coach Bill O'Brien's Salukis close the season next Saturday when they play host to the Michigan Normal Indians at McAndrew stadium. Game time is 1:30 p.m.

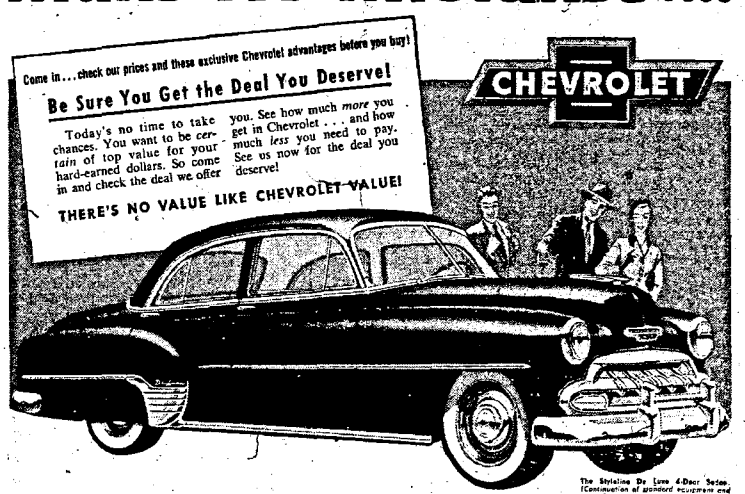

JOE HUSKE, Saluki quarterback, decided to run when he couldn't find an eligible receiver open, and is hit by two Western

tacklers. The Saluki captain picked up six yards on the play, just short of the yardage needed for a first down. Huske had one

of his best days this season, completing 11 out of 22 passes attempted.
