DRAWING
Jane Curry, 1956 Homecoming Queen, hands the names of the parents who will be the honored guests at tomorrow's Parents Day celebration to chairman Richard Small after a drawing in the Student Union Wednesday.

SIU Enrollment Jumps Over Old Records, Sets Many New Ones

SIU grows and grows and where it stops
Total residential enrollment, including the Belleville branch, is 6,255.
On campus students number 6,104 this academic year, according to Registrar Dr. Howard McGrath. This is an increase of 689 students over last year. Percentage increase is 12.7.

Of the total number of students 4,196 are men and 1,908 represent the opposite gender.
Most of the students are from Illinois, with only 256 being from out of state.

As would be expected Co. K County has the largest number of students among the limited area with 256. One-hundred-fifty-five of these are from Chicago proper.
According to the statistics SIU has some prestige abroad. Among the enrolled there are 62 foreign students. Korea takes top honors among the foreign countries with 11 representatives.
Broken down according to the various schools and colleges within the University, the enrollment figures look like this:

College of Education	2,042
College of LAS	1,306
School of Agriculture	248
School of Business & Adm.	1,058
School of Communications	135
School of Fine Arts	117
School of Home Economics	59
School of Nursing	20
Small Business Institute	2
Graduate School	460
Unclassified Undergraduates	126

'Pizza Festival' In Student Union After Ball Game

An all-school "Pizza Festival" including a pizza supper and dance afterwards, will be held Saturday after the SIU-Illinois Normal football game in the Student Union.

The first chance this year for SIU students to "dine and dance" on campus is being offered by Delta Chi Fraternity and Delta Sigma Epsilon sorority.

Music at the dance will be furnished by Keith Rowedward Band. Admission will be 35 cents stag, 50 cents with a date.
The pizza supper, Delta Chi third, will start at 4:30 p. m., and run until 8:30. The dance will run from 9 a. m. to midnight.
Tickets for the pizza supper are \$1 and reservations may be obtained for any campus organization or living group.

Gus Dore says—if a little learning is a dangerous thing, just thinking how bad it would be if you knew a whole lot.

Mysterious Noise Causes Mayhem

A squeak, a scream, a 30-minute chase, a deadening blow . . . the end of the mystery of the spooky typewriter.
One two-inch squeak led eight adults a merry chase in the Small Business Institute of the Dean's barracks Tuesday.

Secretary Stark asked four of her dinner partners to solve the mystery of the hero-walked into the office and she cautiously glanced, they saw a shadow and heard . . . a squeak. The five girls—expressing their womanly privileges—rushed for the doors.

"What should we do?"
"Call a man—a policeman!"
Two campus cops came running to the girls' rescue. The bunny mouse must have put up a horrible fight for it took them 35 minutes to catch it.

An unknown VTI instructor—the hero—walked into the office and issued the final and fatal blow.

Today Deadline To Buy Obelisk Space

Today is the deadline for organizations to buy space in the Obelisk. This does not include honorary organizations. Their deadline will be Nov. 30. The deadline for social fraternities and sororities will be Nov. 17.
This year the Obelisk is charging \$15 for half-page pictures, and \$35 for full-page pictures. The color space and photography is included.

CORRECTION

The Parents Day luncheon will be held tomorrow in the University School gym, and not in the University cafeteria, as was erroneously reported in Tuesday's Egyptian.

SIU Proven Fastest Growing University

"Scuteburn" has it that SIU is the fastest growing institution of higher learning in the state.

This often invalid information in this instance can be backed up by facts and figures taken from a statistical document prepared by the Illinois Association of College Registrars and Admission Officers.
The state-wide increase in college enrollment this year over last is 3 per cent. The SIU increase tops this by more than 9 per cent—points with a "whooping" 12.7 per cent increase.

APQ MEETING

Alpha Phi Omega, Boy Scout Service fraternity, will hold a meeting Thursday in Allyn 200. All students that are pledging APO are requested to attend the meeting. Plans for a Christmas dance Dec. 15 will be made.
APO pledges will meet in Allyn 206. The meeting will start at 7 p. m.

Parents' Book Distributed By OSA

Just in time for Parents Day Saturday a 16-page "Handbook For Parents" is being issued by SIU's Office of Student Affairs.
Parents of every student enrolled will receive a copy of the illustrated booklet, which briefly explains services available to students and parents, the grading system, and University policy on student housing, automobiles and financial aid.
After the initial distribution, only parents of new students at Southern will receive the handbook, according to I. Clark Davis, acting director of student affairs.

Davis said the booklet is the first SIU publication directed specifically to parents.
Saturday's Parents Day program will feature a trophy presentation to the couple selected as "parents of the Day," a variety show, a football game, a water show, and a lunch game, SIU vs. Illinois Normal.

NOTICE

Because Monday is a legal holiday, our printers do not work. Therefore, The Egyptian which is scheduled for Tuesday will be published on Wednesday instead—the editors.

In 1955 the state-wide enrollment at the college level was 154,535. This year the figure has climbed to 158,434.
One of the reasons for SIU's top position in the growth in the expansion race can be attributed to the veterans.
A higher number of GI checks, percentage-wise, flow through the Carbondale Post-Office than any other institution in the State.
There are 24,295 veterans attending 70 public and private colleges and universities in Illinois. Of this number 1,546 are attending SIU.

Placement Tells Interview Dates For Week

Job interviews for graduating seniors will be held in the Placement Service during the following days:

- Nov. 12, Edison Bros. Stores
- Nov. 13, U. S. General Accounting
- Nov. 13 Continental Casualty Insurance Company
- Nov. 15 Marsall Field Company
- Nov. 15 Shell Oil Co.
- Nov. 16 State Farm Insurance Company

Seniors should go to the Placement Service for appointment times. Interviews will be conducted from 9 a. m. to 5 p. m.
"Most of these companies are interested in liberal arts majors as well as technically trained students," said Roy E. Brown, director of the Placement Service.

Visiting Professor Inspects Program

Dr. A. Curtis Wilgus, director of the school of international studies of the University of Florida, visited the campus last Tuesday and Wednesday.

He acted as a consultant on SIU's Latin American studies program.
"Dr. Wilgus is an expert in this field, since he has built quite an extensive program in the University at Gainesville," said Dr. J. Cary Davis, professor of foreign languages.

"The program offers wide opportunities," said Davis, "for study in many subjects dealing with Latin America."
"One of the outstanding features of the program at the University of Florida is the annual Cuban Conference held here every week in December. Several members of the SIU faculty plan to attend the conference this year."

'McConnell Story' Next On Movie Hour

Alan Ladd and June Allyson will "star" in "The McConnell Story," the biography of the America's first jet "ace."
The movie will be shown in the University School Auditorium Monday. Single admission will be 35 cents; University and University School students with activity tickets will be charged 20 cents. Come at either 6:30 or 8:30 p. m. The movie is in technicolor.

Advisory Committee Endorses Education Building Plans

An advisory committee of Southern Illinois and civic leaders has endorsed plans for moving the SIU College of Education from crowded barracks into a proposed three-story building.

Serving on the committee are citizens who, for several years, have advocated the expansion of facilities for training teachers at the University, where enrollment this year reached 6,300 students.
Although the College of Education has more students than any SIU college, its facilities were the poorest. Dean J. E. Grinnell pointed out Monday at a meeting of the committee. Administrative offices are located in a former residence and other offices and classrooms are confined to a surplus Army barracks, Grinnell said.

Southern will request a \$2,225,000 appropriation for the building at the next session of the state legislature. President Delyte W. Morris told the committee: "If it could begin last next year, he said.
Sited for erection on the north side of Grand Avenue, the building would be attached to the industrial education wing of University School Department, which is housed in the existing elementary education, secondary education, administration and supervisory education. The graduate program would be expanded and a doctoral program offered.

Plans call for 30 classrooms, an auditorium seating 300 persons, cafeteria to accommodate 250 persons, 50 to 60 offices and con-

Record Crowd Expected For 1956 Parent's Day

United Fund Donations May Still Be Made

"Anyone on campus who has not been contacted or given the opportunity to contribute to the United Fund should get in touch with the Division of Area Services," said Dr. William J. Tudor.
The University has all ready passed the \$8,000 mark, which was the goal set for the University by the United Fund. There is still some follow-up work to be done and additional people have been put to this work to help complete the campaign.

Opera Soprano To Give First Concert Nov. 14

"One of the two greatest dramatic sopranos of our time," "One of the exciting voices of the century," "One of the most magnificent voices of the present time"—these are only a few of the critical tributes to one of America's foremost lyric dramatic sopranos, Eileen Farrell, who will star in the first Community Concert on Nov. 14, at 8 p. m. in Shryock Auditorium.
Miss Farrell made her opera debut last year with the San Francisco Opera Association at London in Verdi's "Il Trovatore." It was called "the most striking performance of her career." Her voice was featured on the sound track of the movie "Interrupted Melody," the biography of the Metropolitan Opera soprano Marjorie Lawrence.

Following her New York success in the operatic "Il Trovatore," the department's 15th concert of the school year.
Kay Sue Ladie will play two organ works by Bach—a pair of chorale preludes and "Prelude and Fugue in A minor." Geraldine White's soprano will sing Handel's "Cara Spota, amate cara," and "Do Not Go, My Love" by Hageman. William McGuire, graduate piano student will play Mozart's "Sonata in F major, K. 333."

The next program on the year's recital and concert schedule will be a Thanksgiving Vespers service with the University Choir under the direction of Floyd Wakeland.

ATTEND CONVENTION

Spanish majors and graduate students in reading clinics. Office facilities will participate in the third annual Southern Illinois convention of Spanish Class at the Du Quoin Township High School Nov. 17.

Slides will be shown by Dr. J. C. Cahoon on the Spanish 360's study-tour of Mexico.
Inez Gonzalez, graduate assistant, will give a speech in Spanish at the meeting.

'SIU Has Varied Grad Program'—Kenney

"SIU now has quite a graduate program going on in its research fields," said Dr. David Kenney, assistant dean of the graduate school, concerning Southern's rapid growth in that area.

The University at present time is devoting \$26,408.16 to a special research program entitled "SIU Debate Study." The program is "approximately one-third of this sum is set-aside for the payment of student help," said Kenney, "and the remainder is to be spent for equipment and travel expenses."
The money is spent to give the ultimate aid to the individual staff in carrying on their various research programs, according to Kenney.

Kenney also stressed the point that none of the money is spent for graduate fellows or anything of that nature.
"The sum total of expenditures of this type is expected to reach \$30,000 before the end of this fiscal year," said Kenney.

Newest Southern Parking Lot Can Handle 80 Cars

A parking lot for 80 cars was opened this week in Shryock Auditorium.
Construction of the lot, which is located behind the College of Education building and north of the library, was completed after two months of work, according to John F. H. Lonergan, landscape architect.

The lot is covered with an 1-1/2 asphalt top, a mixture of rock and asphalt, which is applied while it is hot.

Divided in the middle by a section of enclosed land elevated about six inches, and similar to an "island" in shape, the lot has two-deep parking in places.
"The lot has this shape because of its valley location," said Lonergan.

Two other lots will be completed next spring, according to Lonergan. One of these lots will be located between the library and the Life Science building. This lot will hold 15 cars.

Parking for 20 will be available in the lot which will be located by the Life Science animal house.

Three SIU Students In Resital Sunday

Three SIU music students will be featured in a joint recital Sunday at 4 p. m. in Shryock Auditorium, the department's 15th concert of the school year.
Kay Sue Ladie will play two organ works by Bach—a pair of chorale preludes and "Prelude and Fugue in A minor." Geraldine White's soprano will sing Handel's "Cara Spota, amate cara," and "Do Not Go, My Love" by Hageman. William McGuire, graduate piano student will play Mozart's "Sonata in F major, K. 333."

The next program on the year's recital and concert schedule will be a Thanksgiving Vespers service with the University Choir under the direction of Floyd Wakeland.

Organized Houses Have Election Of Officers

Officers for the Men's Organized Houses were recently elected at a meeting. Elected president was Rod McFarren (Delta Delta), vice-president Darrel Thompson (Sharks), secretary - treasurer Wayne Trott (Embassy), representative to the social senate Dean Haier (Brown Jug), and representative to the Southern Student Council Don McFarren (Delta Delta).

The next meeting will be held Monday at 10 a. m. in the library lounge.

Debate Team Prepares For Season With Exhibition Matches

With the first 1956 debate tournament only a few weeks away, the SIU debate squad has been gaining experience by participating in exhibition debates.

The SIU squad last week held a debate at the University of High School before approximately 30 McLeansboro speech students.

According to Murrah, an audience reaction by a shift-of-opinion ballot showed the affirmative of Rieke and Selement winning over the negative team of Foster and Morris. The question de-

termined was: "Resolved, that the United States should discontinue direct economic aid to foreign countries."
This same question was debated last Saturday also, as a series of non-debate debates against Murray State, Kentucky, was held on their campus.

Students To Make 400-Mile Geography Tour

A 400-mile study-tour of parts of Missouri and Illinois will be taken by Geography 101 students and others on Nov. 16 and 17.
"Pilot Knob is an ideal mountain to climb to the top of Pilot Knob, one of the highest mountains in the Missouri Ozarks at 1,660 feet above sea level, will be one of the high-lights of the trip."

"Pilot Knob is an ideal mountain to climb to the top of Pilot Knob, one of the highest mountains in the Missouri Ozarks at 1,660 feet above sea level, will be one of the high-lights of the trip."
"While in the Missouri Ozarks, the group will visit the St. Francis Mountains.

Kaskaskia Island Will Be Visited
Kaskaskia Island which is located in the Mississippi River will be visited. The population of Kaskaskia is 600.
The island belongs to Illinois, but since there is no bridge from there to Chester, their county seat, the residents have to go 20 miles by Missouri to reach Illinois, although it is about a mile across the river into Chester.

"We are interested in the problems people have when they live near a river and the river changes its course," said Dr. Price.
The river changed its course in 1881, leaving Kaskaskia, a former capital of Illinois, to be an island. Cairo will be studied because it is a town at the junction of two rivers.

Group Will See Cotton Farms
Among the other observations the group will make are water resources, forests, and the pattern of settlement in these areas. They will see lands used for cotton farming in Southeastern Missouri.
Anyone who wants to go must make reservations with Dr. Price. The price of the trip is \$8.50 which is for the cost of transportation and a hotel room.

Organized Houses Have Election Of Officers
Officers for the Men's Organized Houses were recently elected at a meeting. Elected president was Rod McFarren (Delta Delta), vice-president Darrel Thompson (Sharks), secretary - treasurer Wayne Trott (Embassy), representative to the social senate Dean Haier (Brown Jug), and representative to the Southern Student Council Don McFarren (Delta Delta).

The next meeting will be held Monday at 10 a. m. in the library lounge.

Debate Team Prepares For Season With Exhibition Matches
With the first 1956 debate tournament only a few weeks away, the SIU debate squad has been gaining experience by participating in exhibition debates.

The SIU squad last week held a debate at the University of High School before approximately 30 McLeansboro speech students.

According to Murrah, an audience reaction by a shift-of-opinion ballot showed the affirmative of Rieke and Selement winning over the negative team of Foster and Morris. The question de-

termined was: "Resolved, that the United States should discontinue direct economic aid to foreign countries."

The next meeting will be held Monday at 10 a. m. in the library lounge.

campus. Seating Committee Chairman Dick Small and Wayne Oldham anticipate a record crowd, which would surpass last year's attendance of 800.

Mr. and Mrs. John Farnbach, Alton, parents of John Farnbach, freshman at Southern Acres, will reign over the day's activity. They succeed Mr. and Mrs. E. M. Lockman, parents of Terry Lockman, an SIU sophomore.

Mr. and Mrs. Farnbach, in addition to being royally treated at the expense of the University, will also have a year's possession of a traveling trophy which has become a new feature connected with the honor this year. They were chosen from parents' names submitted by students at the student-faculty coffee hour Wednesday.

Registration will initiate tomorrow's program. Registration will be held from 9 a. m. until noon in the Student Union. Parents may obtain name tags and tickets for the noon luncheon at the registration desks.

The luncheon will be held in the University School gym, from 11:30 o'clock until 1 p. m. There will be a \$1 charge per person.

Variety Show At 10
A variety show will be presented at 10 o'clock in the Shryock Auditorium. After a welcoming address by SIU President Delyte W. Morris and his introduction of the e winning parents, there will be a six-act program. This includes Woody Hall Open House, a Garrison Newsweek, Pat Cook in a pantomime act; Bobbie Jones, tap dancer; the Triplets, a singing group composed of Mary Kay Sharkey, Joyce Ross and Frank Stobart; and Martha Cawley Huntington in a spoken drama production.

Southern's football Saluki will be on display in the afternoon, playing Illinois Normal at McAndrew Stadium in an Illinois Interstate Athletic Conference game. Parents will be seated in a special section of the west bleachers. Game time is 1:30 and admission is 75 cents.

Coffee hours have been scheduled by various departments and living centers. The Journalism Department will conduct its season picnic at the west bleachers. Game time is 1:30 and admission is 75 cents.

Delta Chi Fraternity plans a picnic at the Student Union at 5 p. m.

Dolphin Show
The Dolphin Club, Southern's aquatic organization, will present one of its major programs tomorrow evening. The show is "Mr. Dolphin Presents." There are two presentations, 7 and 8:45, and the Dolphin queen will be announced and presented at the last performance. Admission is 75 cents.

Besides Small and Oldham, other claimants of the events were Gary Ripley, the parents-of-the-day fact; John Finch, football game; Carla Coffey, registration; Margaret Curry, noon luncheon; Bill and Marcia Spacy, publicity; and Jim Crisman, correspondence.

PARENTS DAY PROGRAM MORNING
9—noon—Registration, Student Union.
10—Variety Show, Shryock Auditorium.
11—Journalism Department Coffee Hour, News Lab.
11:30—Luncheon, University School gym.

AFTERNOON
1:30—Football Game, SIU vs. Illinois Normal, McAndrew Stadium.
4—Woody Hall Open House, with department and living centers.

EVENING
5—Delta Chi Pizza Supper, Student Union.
7—8:45—"Mr. Dolphin Presents," Dolphin Club swimming show, University School gym.

It's A Mess

Extensive work is being done on both interiors and exteriors of buildings and on the campus grounds to beautify the SIU campus. But, one of the biggest eyesores on this campus is apparently being ignored by the interior and exterior "beautifiers."

It is seen by almost all visitors to our University at all of our most gala affairs. It invariably leaves a bad impression on all concerned. The object in question is the untended, faded curtains that grace the stage of Shryock Auditorium. A more respectable looking piece of fabric would be hard to find. With all the money that is being spent on beautification of other spots on the campus, could not a portion of these funds be allocated for the purchase of new curtains for the auditorium?

Southern Illinois Conference Begins Drive For Wesley Fund

Eight conference-level leaders, representing every area in the Southern Illinois Conference of the Methodist Church, will direct the enlistment and training of more than 500 persons for a \$260,000 building crusade solicitation organization, Wesley Foundation has announced. The conference - level leaders are: G. W. Gladders, St. Louis, Missouri, general chairman; Vernice Williams, Salem, special gifts chairman; Aud Davis, Cairo, general gifts chairman. J. L. Buford, Mt. Vernon, is congregational appeals chairman; George L. Mooman, Edwardsville, telephone chairman; Algen Meyer, Carbondale, (SIU Information Service) publications chairman; and Mrs. L. N. Davenport, Harrisburg, arrangements chairman.

Egyptian, Obelisk Editors At AGP Meet

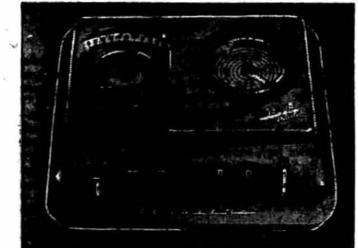

Four SIU editors are attending the Associated Collegiate Press convention at the Hotel Statler in Cleveland. The convention, which started Wednesday, runs through tomorrow.

Don Hargus, editor of the obelisk, his associate editor, Darrell Dudley, along with Editor-in-Chief Gene Coyer and Managing Editor Jack Thacher of the Egyptian, are the representatives.

Sectional meeting for yearbooks and newspapers, and discussions of photography, lay out, picture caption, theme, business, and advertising are on the convention agenda.

Residence Hall Dance
Boys and girls of the Residence Halls had better brush up on their dance steps, because there is going to be a Residence Hall dance tomorrow at Woodly Hall.

Philosophy Faculty To Give Six Lectures On Today's Problems

A series of six lectures entitled "Human Values in the Age of Technology" is being given by members of the department of philosophy.

The lectures attempt to deal with various aspects of the problem effect of scientific age and applied science on what human beings think to be important, according to Dr. Willis Moore, chairman of the department of philosophy. "The reason we chose this topic," Moore said, "is that we feel that the major problems that plague us today, problems such as war, poverty, and religious prejudice are due to reflections in values, or to ignorance of what basic human values are."

"We also feel that this technological society in which we now live actually created new values and has probably induced certain reflections as between these new values and older human values."

It is important, therefore, that someone explore the situation and try to arrive at some clearer idea of the meaning of this new scientific type of social organization.

Moore outlined the reasoning behind the lectures as follows: "Man is beset with problems, one of which is how to survive in a world of instruments which he has created," Moore said. "He is the possible victim of his own technology."

"Perhaps the cause and the solution lies somewhere in the realm of values. And perhaps our technological culture has within it a power or factor which can be used to generate a more favorable world, one in which human values can be achieved."

Philosophers must be the scouts, explorers and bold adventurers in this area; and scientists must follow along to consolidate the field and offer occasional backing."

The first lecture of the series was given Oct. 31, by Dr. Henry Nelson Wieman, visiting professor of philosophy. It was entitled, "The Guide to Greater Good in a Technological Society."

Announces Future Dates
The remainder of the lectures are to be given in the Library Auditorium at 7:30 p. m. on the following dates:

Nov. 28, Dr. William H. Har-

Hunsinger Elected Speech President

Dr. Paul Hunsinger, associate professor of speech at SIU, was elected president of the Illinois Speech Association at an executive meeting of the ISA in Champaign Saturday, Nov. 3.

Hunsinger has been second vice-president of the speech organization for the past year and formerly edited Speech News, the ISA publication.

His new office in the organization will put him in charge of planning the annual speech convention work.

This is the first time the ISA presidency has been held by a member of the SIU faculty since 1949. He received his doctorate from Northwestern University in 1950 and taught previously at North Central College, Northwestern and Morningside College.

He holds, in addition to the bachelor and master of arts degree, a doctor of divinity degree from Evangelical Theological Seminary. Other officers elected at the convention were: Enid Ireland, Quincy Senior High School, first vice-president; Dr. Kenneth Burns, University of Illinois, second vice-president; Marcello Oberle, Northwestern University, secretary; Earl Davis, Thornton Fractional High School, editor of Speech News, association publication; and Dr. Paul Crawford, Northern Illinois State College, business manager of Speech News.

pean tour and is considered one of the great young American pianists.

A new series of recitals by music department seniors and graduate students is also scheduled this year. Approximately 30 seniors and graduate students will be appearing in recitals as partial fulfillment for the requirements for graduation with either the bachelor of music degree or the bachelor of music education degree, Bruinisma said.

High on the list of special programs this year will be the festival of fine arts which runs from March 31 to April 15, with concerts, and exhibitions representing a total of America's finest artists and performers, Bruinisma said.

More Concerts Scheduled For This Quarter

"Larger enrollment in the university, more interest in music on the part of students and musicians and a larger group of music department faculty and students all account for the great increase in concerting on campus this year," according to Dr. Henry Bruinisma, chairman of the department of music.

"With 75 concerts and recitals already scheduled for this year, the department of music is probably faced with the busiest season in its history," Bruinisma said.

Attendance at the regular Sunday afternoon recitals has been increasing each week, Bruinisma said, because attendance at the irregularly given concerts last year somewhat fell to rather small numbers.

Five Hundred Hear Barwick

At last Sunday's recital, given by Prof. Steven Barwick, approximately 500 people from all of Southern Illinois attended. In addition, two states officers from the national Federation of Music Clubs came down from Chicago.

Barwick, professor of music at Southern and noted concert artist, performed selections from Bach, Siloti, Beethoven, and Debussy. He appeared last year in a Euro-

Colorful At Last

Bright Colors On Books Attract Students

Bright books of blue and red and yellow and almost every color in the spectrum dress up the usually dull book stacks in the Instructional Material Center of the Education Library.

"The Instructional Material Center is a collection of text books, reference works, study guides, and other instructional material for the use of student teachers and students in the college of education."

"Since the center is a sample collection, it is primarily for examination and not for circulation," said Mrs. Zella Cundall, education librarian.

"The Instructional Material Center is a good one and a complete one," said Mrs. Cundall and our Curriculum Library has been called the best in the state."

The text books are furnished by publishing companies free of charge to the University.

Dr. Bruinisma Appointed To Music Committee

Dr. Henry Bruinisma, chairman of the music department, has been appointed to the committee on improvement of instruction in music representing the six state-supported colleges and universities in Illinois.

At a meeting held at Illinois Normal University last week, he was designated chairman of the committee to study the improvement of instruction in music education type courses in the state schools.

Bruinisma is also charged with football program will be concluded subject, to be held at the University of Illinois in January.

"This committee is one of several committees appointed by the presidents of the state-supported institutions to study the improvement of instruction in music, art, mathematics, English, home economics and education," Bruinisma said.

The six state schools are: Southern Illinois University, University of Illinois, Eastern Illinois State Teachers College, Western Illinois State Teachers College, Northern Illinois University, and Illinois Normal University.

RECEIVES AWARD

Lou Ann Buetner, Woody Hall, Friday night at the Lions Club District Convention Dinner received a \$500 scholarship for her scholastic average. The dinner was held in the University cafeteria.

Miss Buetner, was presented the District I-C Lions of Illinois Award for teachers of the mentally retarded, by James Stover, International Counsellor of Lions Clubs. The award is open to special education majors.

If there is one thing I like about waps it's that they won't bite you.

supplement the texts which we already have in the collection," said Mrs. Cundall.

IT'S FOR REAL! by Chester Field

THOUGHTS FOR TODAY \$1.98
I met a man with a rather large head
Who looked at me and finally said:
"If ever you're caught
Without any thought
And you think that you ought
To be thinking a thought.
Buy one from me before it's too late.
Thoughts for today, only
one-ninety-eight."

"A reasonable price," I said and bought
The following brainy, thoughtful thought:
FAINT PLEASURE AIN'T PLEASURE!
Take your pleasure big! Smoke the cigarette that gives you more of what you're smoking for... more real enjoyment, more real flavor... more smoking satisfaction. Smoke a Chesterfield and enjoy it to the hilt!
Smokes for real... smoke Chesterfield!

Salukis Meet Illinois Normal Here In Last Home Game

Illinois Normal and Southern, mutual pledges of allegiance to Central Michigan this year, get together on the McAndrew Stadium playground tomorrow afternoon to play football with the Salukis pointing for a second place tie in the IAC.

Central Michigan is atop the IAC standings, and the Chippewas won't be like Rome and fall, because they are unstoppable. In five league encounters, with only one to go. Last season they lost a game, so SIU and had to share the championship with Michigan Normal.

All of which means nothing to Normal and SIU, except that they both have been conquered by the champs. The Salukis have split even in four loop decisions, while Normal has dropped three of five sets.

Could Better Record

Coach Al Kawa's Southern team had elegant success in the IAC last year, placing third behind Michigan's monopoly of Normal and Central, who tied for the crown. SIU had a 4-1-1 record, but this year they are just one of the boys. Overall, the Salukis are 3-4, and a victory tomorrow before the Parents Day assembly and another triumph in the Illinois next week would give them a better record than 1955's 4-4-1.

Opposing backfield participants in tomorrow's 1:30 o'clock contest offer ground-gaining facts to be considered. Normal's Darrell Spang and Southern's Steve Shannon have been in the IAC statistical limelight. Since SIU's Homecoming defeat, however, Shannon hasn't been in much of anything, including last week's 26-0 trouncing at the hands of Washington. In St. Louis, Spang suffered a slight shoulder separation in the 21-7 Homecoming defeat to Western Illinois, and his inactivity since the mishap has challenged the authenticity of the world "slight." The sophomore halfback didn't even get on dress at the Washington game, his playing status for tomorrow is "doubtful."

Shannon, Spang, Tops

Normal has no regret in its heart, for Shannon has written Conference headlines with his "Redbirds" and "Halfback Spang. They are among the top three in the IAC's leading rushing backs. Central Michigan's free-wheeling halfback, Jim Podolety, Spang will be a challenge for Southern's defense, because his shoulders are very much intact, and he is expected to be busy all afternoon. A six-foot, 180-pounder, Spang is not new to the game of football. He has played and lettered all three of his previous years at Normal.

John Thomas, considered a pre-season Redbird success by Coach Ed Strack, is the Normal quarterback of the offensive, and this year will be the third varsity letter for the junior athlete. Wally Keller and either Guy Neubuhr or Bob Jones will round out the Cardinal backfield foursome.

Fearn May Start

If Shannon's shoulder hasn't pulled itself together, Cal Fearn will probably get the nod at the right halfback position. Fearn started last week against Washington, and his negligible value as a yard-gainer was blamed on his fault. He gained 20 yards in three carries, but because of the game's trend wasn't given additional opportunity.

Paul Restivo was given the most opportunity against the Bears, and he responded with 37 yards in five tries. He won't play, though, because a broken nose involuntarily ended his season. The rest of the Southern backfield also is in doubt. Bill Norwood or Dave Wheeler will be at quarterback, either Ranette Lewis or Cecil Hart will be at left half.

By Bill Christine
Playoffs to determine the school champion of Southern's intramural directing a symposium on this next week. Four teams — Theta Xi, U. D. Plaza, Gallaways Galloos and a fourth club. Decided Thursday will participate in the single-elimination finals.

Leaders Setting Torrid Paces In Greek Bowling

Theta Xi fraternity and Tri Sigma sorority still are setting torrid paces in the championship bids in the mixed doubles Hellenic Bowling League. This week's results saw Sig Tau down Phi Kappa Tau, 12 to 0, and Phi Kappa Tau down Delta Chi on first downs.

The Tri Sigs suffered their first loop setback at the hands of the Delta Sigs last Wednesday, but the leaders have a commanding 8-1-3 game lead in the four-team sorority division. Loos Nephews shot a 438 series to boost Tri Sig's won-lost mark to 11-1.

On the other hand, Theta Xi blanked its opponent for the third straight week. The TKE's were the latest victims of the pace-setters, who boast a 15-1 record. Ed Langen was the big gun once again for Theta Xi. He put together games of 187, 171 and 175 for a handsome 533 series. Eckert's 148 was the best the TKE's had to offer.

Sig Pi, the second-place tenant in the frat division, was idle with a bye and its record remained intact at 10-2.

Other results saw Sig Tau sweep three games from Phi Tau, while Delta Chi won the one game from the Pi Kaps. Acacia gained a 2-1 nod over Delta Zeta. D. Frieman fashioned a 514 series for Sig Tau; Ray Tabachuk had 485 for Phi Tau; Ray Gimmey had 460 for Delta Chi; and Betty King had 343 for the Pi Kaps.

with Rich White, the only stable able, at full.

The Salukis have other players who have spent the week convalescing. They are Dave Miles and Tom Kilpatrick, who are suffering from ankle injuries. They probably will be restricted to limited service.

Since Normal and Southern have met on the gridiron, the Redbirds have the edge in games won, 15 to 8. There were two ties.

If the divisions ring along this week, the two bands tomorrow, the fans will be in for a half-time treat, as Southern's 100-piece marching ensemble also will be on display.

Brown Jug Sets Record In Indee League

Brown Jug topped both high series and high games in the SIU Independent students bowling league this week. After starting the evening with a new high game of 933, the league leaders zoomed to the season's best series of 2530. Doug Taborn racked up 548 to spark the attack and was aided by Charles Groennert's 492 and Dean Haier's 470. Ed Langen of the victims set a season high record with a 568 set, but his Newman Club teammates were of little help in stemming the tide.

In another high scoring match, Harlan Highsmith and George Wells of Doyle Dorm combined for a booming 2413 to nip Opium Pit 3 to 1. James Lofgren rapped out a 483 set which enabled Opium Pit to salvage one game.

The Five Aces came out of hibernation for a whitewash conquest of Chautauqua Co-op mainly on the efforts of Leroy Henning's robust 544 series. In the remaining fifth, Botany Club also applied the whitewash in brush in their conquest of Stearns Residence. Bob Gaubatz of the victims was the big gun on the pair of alleys with a 470 set.

The Glens won the Illinois division of the Men's Residence Hall loop with a 3-0 record. Carboard Jungle was the best in the Missouri bracket with a 2-0 slate, Flatbroke Hotel won the Iowa division and Thompson Point No. 4 Floor 2 grabbed the title in the Ohio section.

To determine the representative in the all-school finals, the Residence Halls had an elimination series of its own Wednesday. Carboard Jungle ousted the Glens, 7 to 6, and Flatbroke won from Thompson Point on first downs, 5 to 2. The winners were to meet for the Residence title Thursday.

Also scheduled to meet Thursday were U. D. and Gallaway's. Theta Xi battles the Residence Hall winner Monday, and those winners qualify for the championship match on Tuesday.

Anyone For Tennis?

Will Organize Southern Tennis Assn. Here

Tennis enthusiasts representing the southern Illinois area will hold a special meeting Saturday Nov. 10 for what is termed "the re-awakening of interest in tennis in southern Illinois," by SIU Tennis-coach Dr. John R. LeFevre said.

The meeting will be held at the Conference House near the main gate of the football stadium at 7 p. m. Prior to the meeting the late Davis Cup films will be shown at the University Library Auditorium at 5 p. m.

One of the purposes is to "promote the development of tennis in Southern Illinois and to conduct tournaments for juniors boys and girls as well as adults," LeFevre said.

The other purpose of the session is to organize a Southern Illinois Tennis Association, in affiliation with the U. S. Lawn Tennis Association.

The southern Illinois area is among the few areas not directly associated with the national organization.

An area organization could not only promote Southern Illinois Tennis Association tournaments and clinics, but would make it easier for the better players to enter national meets," LeFevre pointed out.

Kramer Tour Was Hit

The exhibition was given before a standing room only audience. It was the Kramer Tour Professional Tennis Tour.

The SIU facilities alone aren't adequate for the amount of interest and participation which exists on campus.

There are only three serviceable courts on campus.

There is a possibility that an expansion of tennis courts at SIU will eventually come about due to the high interest of the students to play tennis.

The Southern Illinois Tennis Association will become a part of the Western Tennis Association, which is one of the fifteen districts in the U. S.

Everyone is invited to attend the session.
