The Right Direction

One of the most progressive moves Southern has made in a long time occurred this week as the university cafeteria via the meal ticket system reduced its prices.

The administration and the Student Council need to be commended for their part in this long-headed step in prison.

Past complaints about the cafeteria have been centered on its old equipment and its unusually high prices.

This left the main complaint: Higher prices. Now that prices have been lowered, Southern is at last on its way to a cafeteria that is highly respected instead of one at which the students poke fun and biting remarks.

Under the new meal ticket system (\$7.50 for \$5), the cafeteria probably will lose money, but it won't be the first time. University reports show the cafeteria has lost money for the past few years.

Now, for the first time, students will get the advantage of the loss.

Total loss should not be too much larger than in past years, since the fixed costs will remain about the same and the larger number of persons eating there should enable the cafeteria to buy in larger quantities at cheaper prices.

We hope the administration will continue its new cafeteria policy and we hope the cafeteria will continue to serve high quality food as it has in the past.—B. H.

A Lot of Complaints

Some students and faculty members are protesting the new rules governing parking recently approved by Southern's parking committee.

1. The banning of cars parking in the campus circle except for a few visitors' cars.

2. The restricting of parking lots for commuters, disabled persons, and faculty members showing a need for their car in their work.

Despite the protests, we want to defend the parking committee for its action for the following reasons:

1. It kept the students uppermost in its thoughts. The committee could have said, as we understand some universities do, that only faculty members could park in parking lots.

2. It gave the commuters a "break." For the past several terms, commuters have been criticized for their lack of school spirit and their great desire to go home every night.

Many commuters go home every night not because of a lack of school spirit, but because they have families, or part-time jobs at home.

Southern is designed to help the masses—not just a few. For that reason we feel that the commuter should be helped whenever possible and giving them top rating in the parking lots is one way to do this.

3. The committee saw fit to cut out a few parking spaces in the campus circle to provide considerable more safety for students passing between classes.

4. We do think, however, that the parking situation should be labeled from the outset as only temporary and that the administration and physical plant should try to make new parking lots available as soon as possible.—B. H.

Still Not Satisfied

Having an IBM card do the work of six cards was certainly a treat to Southern's students, after the long list of cards that had to be filled out at previous registrations.

There are still several kinks, however, that registration officials should try to remedy.

One of the main faults we think was that only one person at each table was writing out receipts.

Another big delay was in the handing out of the IBM cards in the women's gym. Much valuable time was consumed as an official had to sort out the cards for the various tables.

In addition, we think the number of lines in the women's gym should be increased by two or three.

Yes, we appreciated the new system, but will appreciate another "new system" even better.

Table of staff members for 'The Egyptian' including Bill Hollada, Virginia Miller, Marshall L. Smith, Richard Peterman, Jim Kahmann, Phyllis Alverson, Bob Coover, Dot LaBash, Roy L. Clark, Barbara Ames, Louis Von Behren, Dr. Viola Duffrein, Robert A. Steffen.

They just got my transcript ... the Dean took one look at it and put me on probation.

Southern Exposure

Canteen Coffee Still 10c A Cup

Plans got under way this week for a student career day sometime next spring, under sponsorship of the Student Council.

As was anticipated by this source earlier this year, the allocations under the ECA program for the rehabilitation of Greece have been curtailed.

The Venizelos regime, with the deposition of that clique, this latest move by the State Department is another all-too-needed reminder to the recipients of Marshall Plan offerings that we can't possibly help those countries until first-off they at least make a sufficient effort to help themselves.

In reporting back to the Egyptian for the past four months on the general complexion in that basin to the Mediterranean, we tried to reiterate time and time again the general flexibility of the Greek political barometer.

Accidentally, for all students who might be interested in the current events of our times, your best bet on the campus this year is the International-Relations Club.

Rev. R. Bryant, director of the Placement Service, announced a workshop of the IEA at Normal Sept. 8-10.

Other places in town are still charging a nickel and still seem to be able to keep their doors open.

The Student Council and the cafeteria have worked out a meal ticket scheme that is the biggest bargain in Southern Illinois.

Our hats are off to the members of the IBM and registry's offices who made registration this time as painless as possible.

Speaking of expansion, those who haven't already should notice that the finishing touches are being put on the new training school.

Notable quote: Any man who says he understands women is either a fool or a liar.

Any student who withdraws from Southern should report to the appropriate personnel department to receive the withdrawal form and to discuss future plans.

Students who withdraw unofficially from the university can be undeniably penalized, the dean indicated.

Guindoline Neely Named Watermelon Queen by Ag Club

The Agriculture Club started its 1950 activities with a watermelon feed last Monday night at the University farm. Most of the guests rode from the house to the picnic area on a wagon, but a "faculty special" was also run.

The contestants were chosen from the group by a committee consisting of Dr. W. E. Keeper, Alex Reed, and John Hosner. The girls were given a slice of melon and the first one to finish was named "queen" with the honor of the crown.

MARILYN MARTELLI, (left), president of Delta Sigma Epsilon, gives Mimi Foley, a new pledge, a friendship slice. The scene above is typical of the numerous Greek rush activities held earlier this month.

Announce Procedure For Clubs Having Dances, Activities

Any group on campus planning to sponsor a dance or any activity of similar nature, will have to go through the following procedure, according to a report from the Dean of Women's office:

KDA's, Seven Gables To New Locations

Delta Sigma Epsilon has made several changes in their officers since some of the officers elected last spring did not return to school: Marilyn Marshall, president; Deslores Hamp, vice president; Chlo-dia Miketa, treasurer; Helen Nance, sergeant; Mary Frances LaSalle, historian; Pat Hicks, sorority study; and Jane Morrison, house manager—John Foley and Frances LaSalle were elected by the Delta Sigs as captains for late rush, which consisted of a spaghetti supper held at the chapter house Tuesday night. . . The following girls have been received as full term pledges: Doris Jean Carrington, Joan Collette, Gloria Dallas, Mini Jane Ross, Margie Toler, Pat Treese, Ada Mae Morrison, and Teresa White. . . Here's something that should interest all of us—Delta Sigs have set Tuesday, Sept. 26 as the time for their annual open house which will be held from 7:30 to 10. The committee, in charge of open house is Jane Mountain, chairman; Doris Jean Carrington, Maude Kessler, and Glenna Gustafson.

The House of Seven Gables is no longer the house of Seven Gables. At 817 S. University there was room for 17 students, now the girls have moved to 512 S. University where there are only four students. So it looks like there'll be some changes made. . . Actually there were only six girls attached to the house at 817 S. University but someone with a bit of ingenuity added a gable to the sign.

Sigma Sigma Sigma sorority now has permanent possession of the scholarship plaque which they won for the third time last spring. . . The following girls have pledged Tri Sig: Pat Randolph, Valmeyer, Jane Roush, Frances Crain, Carlyle; Kathryn Goodwin, Chicago; Joan Schrodt and Mary O'Hara, Benton; Virginia Stringer, Collinsville; Elva Lee Clemens, Newburgh; Connie Cassman, Betty Brown, Alison Anderson, and Virginia Smart, Carbondale. . . Mrs. Mary Coffey will be the sorority's housemother during the coming year. Mrs. Coffey comes from the First Methodist church. She received her housemother's training from Purdue university. . . During the summer months Betty McKee became Mrs. Mel Whittenburg, president of the Interfraternity council, replacing Jerry Ankenbrandt. . . This week is probation week for Bill Adams and Doug Shepard; formal initiation will be held this Sunday. . . The following men were pledged Monday night: George Stonecipher, Irvington; Don Tolson, Carbondale; Elden Evans, Charles Parker, and

The Kappa Epsilon elected Gordon Cox and Randall Ashley to fill the offices of Pyloros and Hypocrites respectively. Cox and Ashley will replace Ki Tripan and John Lipps who did not return to school this term. . . Louis Von Behren was elected as freshman sophomore representative to the Interfraternity council, replacing Jerry Ankenbrandt. . . This week is probation week for Bill Adams and Doug Shepard; formal initiation will be held this Sunday. . . The following men were pledged Monday night: George Stonecipher, Irvington; Don Tolson, Carbondale; Elden Evans, Charles Parker, and

STUDENTS MUST OBTAIN PERMITS FOR TRIPS

All students who do not have trip permits issued through the offices of the Dean of Men or Dean of Women, are urged to obtain them as soon as possible. The permits, which must be signed by a student's parent or guardian, are kept on file in the personnel deans' offices, and no student will be allowed to make an off-campus trip, academic or otherwise, without the permit.

house committee composed of Wally Smith, Dick Brown, and Gene Johns. . . The KDA's have moved from their house on 502 S. University to 606 S. Illinois.

The following officers for the coming year were elected by members of **Delta Omicron** on Tuesday: Bill Hollada, president; Bob Coover, vice-president; Jim Kell, secretary; and Lyle Sledge, treasurer. The dorm has formed a "Blue Grass Rev." Fan club with Fred Ingram and Bob Stevens acting as co-presidents of the club. . . La Casa Manana plans for 1950-51 as La Casa Manana got underway Monday night with the election of the following officers: President, Frances Andrew; vice-president, Betty Rengetorf; secretary, Marilyn Kiese; reporter, Faye Oelheim; I. S. A. representative, Jean Hamm; I. G. H. C. representative, Charline Hall. Miss Lenna Hamilton is the housemother. . . The president welcomed the four new members who are: Violet Hartman, senior from Waterloo; Faye Oelheim, senior from Equality; Jeanne Tolliver, freshman from Christopher; and Elva Lee Clemens, freshman from Nashville. . . La Casa Manana has 19 members this term—10 seniors, one junior, five sophomores and three freshmen. . . Plans are being formulated for a winter road at Giant City Park for October 1. . . A former member, Miss Alice Lewis of Harrisburg, became the bride of Tom Wiedeman also of Harrisburg Saturday, Sept. 9 at the First Methodist church in that city. Mr. and Mrs. Wiedeman are continuing their studies at Southern.

Kappa Delta Alpha has lost several of its members to Uncle Sam. Bill Tate, last year's graduate, is in the Air Corps Cadets at Waco, Texas. . . Bob Mosher is in Japan with the Marine Corps. Joe Sartin is awaiting his call from the Marine. Jack Maswiley has enlisted in the Air Corps and Bill Zacharias has enlisted in the Naval Air Corps. . . Al Trintan has been elected house manager. He leads a

Employment Office Has Record Number Of Job Applicants

Although pickings for job-hunting students have been rather slim so far, Mrs. Alice Rector is having some success in placing the record number who have crowded her office lately in search of employment.

A total of nearly 500 applicants have registered so far this term. Most of them are freshmen. If these people remain on their list for at least one term Mrs. Rector hopes she'll be able to find jobs for them.

Right now, the greatest demand is for students with short-hand experience. Last year the demand exceeded the supply of this sort of talent. It's likely to be that way this year.

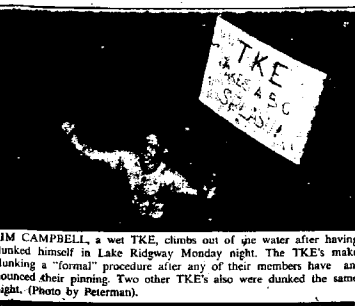

People with a special ability are easier placed Mrs. Rector said. For instance, she has an opening for someone with experience in photo developing. A young boy with experience in an undertaking parlor had no trouble finding work.

To be had in increasing numbers now are jobs for girls who will work for board and room. . . Any one who knows of job openings suitable for students or who wants a job should contact Mrs. Rector at the Dean of Men's office.

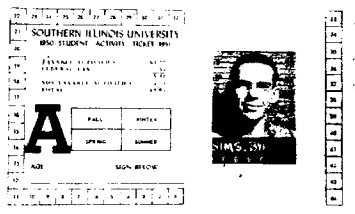

AAUW To Hold Fall Tea Here Sunday Afternoon

The Carbondale branch of the American Association of University Women will begin its 1950-51 season with an annual fall membership tea for members, their guests and prospective members, Sunday afternoon, Sept. 24, from 3 to 5 at St. Anthony Hall. . . The membership committee in charge of the tea has sent special invitations to new faculty women and faculty wives of SIU, according to Mrs. Mary Swindell, committee chairman. The Recent Graduates committee, with Miss Lorraine Waters, chairman, invites all recent graduate women on the campus and in the community to attend the tea and apply for membership.

In Illinois there are around 6000 members in 53 branches of A.A.U.W. The Carbondale branch has around 95 members and hopes to reach a membership of more than 100 this year. The current officer are: president, Mrs. Charles L. Footie; vice-president, Mrs. Frank L. Klingberg; secretary, Mrs. Evelyn Kiese; treasurer, Miss Viola Du Frain and counselor, Mrs. W. A. Pitkin.

WHILE HIS PRATERITY members sing for them, Jim Campbell, Cobden and Betty Cina, West Frankfort, stand on the Anthony Hall porch while the Anthony Hall residents listen in. Leading the singing is Fred Pemberton, Mt. Vernon. (Photo by Peterman).

SAMPLE OF THE new student activity ticket is pictured above. Everyone will have his picture on the ticket. The numbers around the ticket are for various activities, such as sports events, voting, etc. The larger letter on extreme left is to allow for divided seating arrangement.

DR. MORRISON TO TALK TO COMMERCE CLUB
The Commerce club will hold its first meeting of the year Tuesday, Sept. 26 at Barracks I-A beginning at 7 p.m. Professor Vernon G. Morrison will survey the topic, "Government Control of Business" at the meeting.
The Commerce club is open to all persons majoring or minoring in business or economics.
