Southern's What Illinois "Ain't"—

Gratifying is the observation that Southern is becoming recognized as one of the top ranking educational institutions among all the colleges of the state. Granted, of course, its lack of advanced research facilities, but aside from that, S. I. N. U. adequately serves any student. There are distinct advantages offered by Southern's program which are not enjoyed even by students attending the University of Illinois.

Southern advocates a broad educational program which leads one to live a more enlightened, a more intelligent life. Interviews with students attending the University of Illinois indicate that S. I. N. U. advances the student not only in vocational fields, but toward a better balance of knowledge that makes for a wholesome concept of life.

Southern lives for you—you live for Southern! F. H.

Basement Conference Rooms—

Undoubtedly Southern needs a new library and the administration is doing all in its power to obtain it. In the meantime, however, we need to make the best of the facilities we have.

In most libraries, even in elementary and secondary school libraries, there are conference rooms. These rooms may be used by students who are studying a common subject. For example, classes which are assigned reserve books may work together as groups in the conference rooms and thus make a book available to more people. These conference rooms would also help in the matter of lessening the ever increasing amount of noise in the main reading rooms. But, you ask, where can we have conference rooms? The answer lies in the increasing utilization of the basement. There is at present an art class which uses part of the basement for two or three hours a day. There is still space for conference rooms and the art room could easily be converted into such rooms after classes are over.

Another means of increasing the use of available materials is by lengthening the time that the library is open. Between 8:50 and 9:00 p. m., when the library closes, over 250 students every week have been forced to leave their place of study. In sounding out the feeling of the students, it was found that by far the greatest majority would have been glad of the opportunity to continue for another hour. Realizing this would mean extra work for the library staff and would necessitate increased pay or another student for work, we still believe that since the purpose of college is to offer educational advantages to its students, the time increase is not only a worthwhile addition, but a necessary one.

—C. P.

Verbatim—

"The educational program for colleges and universities in the future will call for much greater selectivity in the admission of students and a consequently greatly intensified program of study. Colleges and universities will have to divert their attention gradually from giving less time to more students to giving more time to fewer students, a distinct reversal of the trend that has characterized the past two decades." New York University's Dr. Rufus D. Smith charts the changes that will come with the predicted decline in enrollments.

CHILD GUIDANCE CLINIC TO OPEN HERE MAY 4

Mrs. Augusta Jameson Will Address General Open Session May 4

The quarterly clinic of the S. I. N. U. Bureau of Child Guidance will open on the college campus Wednesday afternoon, May 3, at 4 o'clock with a series of seminars for practice teachers and critics of the training schools.

Throughout the remaining two days of the clinic, members of the college staff in conjunction with representatives of the Institute for Juvenile Research in Chicago will review private case studies of psychologically maladjusted children of the Chicago area.

Dr. Augusta Jameson, senior psychologist from the Institute for Juvenile Research, will address the general open session of the clinic Thursday afternoon at 4 o'clock on the subject of vocational guidance. She will stress the importance of the teacher's role in this type of work, discussing abilities and individual differences, personality factors affecting the choice of a vocation, and the importance of a vocational adviser's non-standing types of jobs available and necessary qualifications.

Since its initiation in the spring of 1936, the S. I. N. U. Bureau of Child Guidance has held one clinic each term. Children admitted for study are between the ages of six and sixteen, of average or superior ability, with such personality maladjustments as nervousness, temper tantrums, truant behavior, delinquency, reading difficulty, inability to get along with other children, school failure, and speech defects.

Before the time of the clinic, a detailed case study of each child is made to be used later by the professional staff in their review of the case. After a careful study at the time of the clinic, the combined staffs make remedial suggestions for the parents and teachers of the child. During the school year of 1937-38, Dr. Chester L. Heylands, psychiatrist from the J. R. R., will present a series of related lectures at the quarterly clinics. Students and faculty members having problems that they would like discussed in connection with these lectures should contact Dr. W. A. Thakman, director of the clinic.

Other members of the clinic's committee are Dr. Marie Hillems, Miss Phoebe Deany, Mrs. Wanda Newman Gann, and Mr. Douglas Lawson.

Merwin and Hall Inspect Highland Schools

Ernest W. Merwin and Hal Hall visited the Highland, Ill. schools Wednesday, April 12. The main purpose of their trip was to inspect the system in relation to the construction of the new training school. P. L. Irving is superintendent of the Highland school system which is one of the most progressive in the state.

At the present time Dorothy Hunte is doing equal teaching in the Highland elementary grades for practice teaching credit. It is expected that cooperation with Mr. Irving and Highland system in the development of our student teachers will be even more extensive in the future. Other schools in the Southern Illinois area also will participate in the rapid teaching plan.

SENIOR GIRLS ARE ELIGIBLE FOR \$150 LOAN

Senior girls who are to do graduate work next year are eligible for the A. A. U. W. loan of one hundred and fifty dollars. This loan was made at the April meeting of the American Association of University Women. The loan is to be granted on scholarship, personal integrity, and promise as a teacher.

Applications must be filed by Monday, May 1. Further information and application blanks may be secured from the members of the Student Loan Committee: Ann Woods, Lt. Kellogg and Ruby Kerley.

176 GIRLS TAKE PART IN PLAY DAY

Twenty-four High Schools Send Representatives

Twenty-four high schools of Illinois were represented by 176 girls to the tenth annual play-day sponsored by the S. I. N. U. women's physical education department on this campus April 22. The play-day project was sponsored by the physical education department and was carried out with the theme of a "Hollywood Playhouse."

The events included soccer kick for distance, fifty-yard dash, basketball three-point accuracy, hand jump, soccer baseball, and volleyball. The following high schools were represented: Anna-Jonesboro, Ashley, Belleville, Cairo, Carbondale Community, Carterville, Centralia, Joplin, Elkhart, Gillespie, Johnson City, Marion, McLeansboro, Mt. Vernon, Mounds, Murphysburg, Nashville, Pinckneyville, Sesser, University High, Vandalia, Vienna, Wood River, and Zionsville.

McDowell Club Sings at Community High

The McDowell Club presented a short concert at the Carbondale Community High school Wednesday, April 19. The fifty members were dressed in their black robes and presented a concert consisting of an invocation, two spiritual songs, and some folk songs. Although applause was large, the club did not sing as encore because of lack of time.

Seven Films Here Last Week

During the week of April 24 the following films were available from the Visual Aids Dept. Room 108, Parkinson building:

Visual Control of Breeding (silent) April 22-25.
Wheat (silent) April 22-25.
Wheat to Bread (silent) April 22-25.
The Fourth Kingdom (silent four weeks) April 25-28.
Water (silent) (Glacier) International Peace Park (silent) April 24-27.
Aluminum: Fabricating Processes (silent) April 25-28.

Anyone interested in visual aids work is invited to attend the Visual Aids Club which meets during Chapel every Tuesday in room 109, Parkinson building.

DAIRYING CLASS TO PRESENT "AG" CLUB PROGRAM

Mr. Muckelroy's dairying class presented a panel discussion of the dairying situation at the April meeting of the Ag. club. The following speakers were heard: Joe Higgins, Arthur Weitz, Ernest Moss, Bert Miller, and Albert Schmette.

This is the first of a series of panel discussions which will be sponsored by the program committee. The club meetings are open to every one.

(By Associated Collegiate Press)

A University of Texas mathematician class was recently discussed in the middle of the class hour because of a swarm of ants invaded the lecture hall.

EGYPTIAN WINS FIRST CLASS HONOR RATING

1938-'39 Newspaper Rated by Associated Collegiate Press

THE EGYPTIAN, official student newspaper of Southern Illinois State Normal University, was awarded first class honor-rating in the 1938-'39 annual national college newspaper contests which are sponsored by the Associated Collegiate Press under the direction of the Department of Journalism, University of Missouri. In the 1937-'38 contests, THE EGYPTIAN was awarded second class honor rating. Willard Kerr edited the 1938-'39 entries.

According to the contest judges, THE EGYPTIAN ranked particularly high in news values and sources and in news writing and editing. The lowest score was attributed to printing.

In the class in which THE EGYPTIAN was entered, weekly newspapers published by colleges of 1000-2500 enrollment, fifty-six newspapers were entered. Seven papers won All-American honor rating (superior), twenty-two first class honor rating (excellent), nineteen won second class honor rating (good), and seven won third class honor rating (fair).

Only daily university newspaper in Illinois to win newspaper rating was THE EGYPTIAN. The managing editorship of Bob Estabrook.

Church Sponsors Reproduction of Passion Play

A talking motion picture entirely different from anything ever shown on the screen in this community will be presented at the First Christian church next Sunday afternoon and evening. Two showings in the afternoon at two and at four and two in the evening at six o'clock and eight o'clock. The film, a reproduction of the Passion Play, entitled "Golgotha", requires an hour and forty minutes.

"Golgotha" is considered by many critics to be one of the greatest films of all time. It is an English production and is on special tour of this country. It is the only talking picture ever made of the Passion Play, the Oberammergau production. Special sound equipment is being brought to the city and a special broad screen, theater size, will be used. The cost of the production was over \$50,000 and the mob scenes in it are said by critics to outdo anything Crellie B. DeMille has ever done in such films as the King of Kings.

Tickets are being sold in advance at thirty-five cents each for adults. Tickets may be purchased from members of the church and although they will be sold at the doors, it is advisable to get them in advance. These in charge say, because these holding tickets will be admitted first at each showing, and whatever seating space remains will then be sold.

BALDWIN SPEAKS ON LATIN WEEK AT CLUB MEETING

At the last meeting of Sodalitas Romana, the Latin Club, Miss Baldwin spoke on the subject of Latin Week. Latin Week is being held all over the nation this week to celebrate the ten thousand six hundred and ninety-second anniversary of the founding of Rome.

Plans were made for the election of officers at the next meeting, which is to be held the third week in May.

BOWDEN'S CLASS VISITS WELFARE OFFICE, APRIL 25

Dr. Bowden took his class in Social Security to visit the Jackson county public welfare office at Murphysburg, Tuesday afternoon, April 25.

Pres. Pulliam Goes to Chicago For Meeting

President Rescoe Pulliam is attending the meeting of the Committee on Rural Education of the American Country Life Association in Chicago, this week-end. He is one of nine members of this committee chosen from leading educational and rural life groups throughout the United States.

HONORS DAY IS MAY 17; NEELY IS SPEAKER

About Seventy Students Receive Honor Pins

Honor Day will be on May 17, it was announced yesterday by the Student Council. Mrs. Julia Neely has accepted the Council's invitation to be the speaker on this year's annual Honors Day program.

Gold-plated pins with a scroll and leaf decoration will be awarded at the close of the program to the approximately seventy students who achieved a 4.5 average for the fall and winter terms of the present school year. The order for the pins has already been placed with the Benjamin Allen Co. through the Higgin's Jewelry Company of Carbondale.

Although the Council discussed plans yesterday for the Activity Award program, they have not yet decided upon the date for that event.

STATE LIONS CONVENTION IS HERE MAY 14-16

Housing Committee Prepares For 1200

With 250 reservations already on hand and an estimated crowd of 1200 expected, the housing committee for the State Lions convention to be here in Carbondale May 14-16 have started work making arrangements to house the delegates.

A. D. Brubaker, chairman of the committee, said that many of the State Lions would be placed in neighboring towns, but there would still be a shortage of rooms. A drive to get innkeepers to rent rooms at a dollar a night to the visitors has been opened. It is estimated that 100 rooms will be needed in local hotels to take care of the overflow from the hotels.

Arrangements have been made at the lodge in Giant City park to house several of the men. The cabins around the lodge will be put into use and men will be placed on the balcony. The plans call for placing fifty men at the park if necessary.

The convention will open Sunday, May 14, and will continue through Tuesday. Elaborate plans have been made to entertain the delegates during their stay here. Every morning, afternoon and evening has been arranged to give the visitors plenty of entertainment along with the business meeting.

One of the features of the program will be tours to the many points of interest in Southern Illinois. Tours are scheduled to see the world's largest strip mine, Cairo, Crab Orchard Lake, Shawneetown, Fort Chartres State park, and Fort Gage State park.

Zimmerschied Speaks at Delta Rho

At the last regular meeting of Delta Rho, the honorary mathematics fraternity, Miss Charlotte Zimmerschied of the physics department talked on group theory, a phase of modern algebra. The address had been planned for the Founder's Day meeting of Delta Rho, but had been postponed because of the illness of Miss Zimmerschied.

ROTARIANS TO BE HERE NEXT WEEK, MAY 2-3

Dean Lentz Is Governor of the 40 Clubs

Headline speakers are expected for the pleasure meeting of this year's conference of the Rotary Clubs of the 14th district which consists of forty clubs, and of which Dean E. G. Lentz is governor. Registration of the Rotarians begins at 9 o'clock Tuesday morning, May 2, in the Little Theatre Auditorium, Old Science Building. The conference continues through Tuesday and Wednesday. The 14th district constitutes the

DR. E. G. LENTZ, WHO IS GOVERNOR OF THE ROTARY CLUBS OF THE 14TH DISTRICT, AND WHO WILL BE HOST OF THE CONFERENCE TO BE HELD ON THE S. I. N. U. CAMPUS NEXT WEEK.

lower third of the state.

An exceptional strong program has been provided for this year's conference. Past International President Bob Hill of California, Mr. Alvin Nix, chairman of the International convention committee and an outstanding business man, is host. In addition to the many points of interest speakers for the two-day Rotary conference. Other features include from him business and forum discussions on club service, vocational service, community service, and international service. The music will be furnished by the Egyptian Choral Club and the Robert Hayes Club and by twenty southern Illinois school bands who will present a concert together in the stadium.

Provision has been made for inspection tours of Crab Orchard Lake project, Giant City park, and industrial projects in and about Carbondale. These tours are to precede the opening session which convenes Tuesday afternoon, May 2, at one o'clock.

A "house of friendship" will be maintained throughout the conference for the promotion of acquaintanceship and for the entertainment of the Rotarians. One of the college buildings has been set apart for this purpose. The committee in charge of the entertainment of the ladies of the Rotarians have spared no effort in making the conference pleasing to every Rotarian. One of the college buildings has been set apart for this purpose. The committee in charge of the entertainment of the ladies of the Rotarians have spared no effort in making the conference pleasing to every Rotarian. One of the college buildings has been set apart for this purpose. The committee in charge of the entertainment of the ladies of the Rotarians have spared no effort in making the conference pleasing to every Rotarian.

A trophy known as the Governor's Award will be given to the club which has the best record of membership promotion since the first of August. An award will also be made to the club which has the best attendance record from July first to May first. In addition to these, the usual prizes are given for bonds and paid dues.

Various conference activities will be filmed and the films made available to any club which desires to use them.

Following the plan of last year's conference, one hundred per cent advance registration of each club may be made at fifty cents per member. Additional expense is incurred by those who defer registration until the opening of the conference.

BAND PRESENTS SPRING CONCERT WEDNESDAY

Mr. Wendell Margrave, college band instructor, presented the S. I. N. U. band in their first appearance this term in the auditorium Wednesday, April 26.

The program was as follows:

- I. Homage Overture, Mozart.
- II. "The Jewels of the Madonna", Wagner.
- III. Invitation to the Waltz, Chopin. Solo, Edwin "The Jewels of the Madonna" winner, 1938.
- IV. Skunkade Overture, Goldmark.
- INTERMISSION.
- V. Woodwind Quintet—selected. Solo: C. Davis, flute. Solo: Billie Ruth Gill, clarinet. Geraldine Gieseler, clarinet.
- VI. Ballet Music from "The Jewels of the Madonna".
- VII. Choccho Prelude, "Percutis My Landings" and the Little G minor Pange, Bach.
- VIII. Mood Slave, Howard.
- IX. Deep Purple, De Rose.

First U. S. college course in quality studies has been instituted by Massachusetts Institute of Technology. It will give special attention to quality control of industrial products.

JOHNSON'S

Delta Sigs Install Officers

The Alpha Delta Chapter of Delta Sigma Epsilon held its formal installation of officers April 17 at 7:30 at the Chapter House. The ceremony was followed by a dinner and active meeting.

The following officers were installed:

President—Eva Jane Milligan.
Vice president—Lila Lohr.
Recording secretary—Mary Beth Robinson.
Treasurer—Mary Leona Heinemann.
Corresponding secretary—Betty Lou.

Sergeant—Margaret Lane Wiley.
Historian—Eugenia Janet Eberhart.

Welsh Must Speak English

"Wide-spread effort is being made in Wales and in parts of England to secure signatures to a petition to the British Parliament to request that which prohibits the use of the Welsh language in courts and to secure its official recognition in administrative proceedings in Wales."

—Christian Science Monitor.

It seems that in many Welsh courts, where often no interpreter is present, there is no assurance that a Welshman who is involved in legal proceedings will understand all that goes on. Several acts, the first of which was passed in the reign of Henry VIII, specify that magistrates of the law shall keep all courts in the English language, that all calls, judgments, judgments, and verdicts shall be given in English, and that no Welshman shall enjoy any office in any of the King's Domiciles unless he can speak the English language.

The situation which is thus brought about is very similar to that which has existed in almost all of the countries of Europe, in England, and even in America, with the difference that Latin was the language in question. Fortunately, we have finally got away from its use to any great extent, except in some of our churches, where it is not intended to be comprehended, anyway.

It is a pity that the hundreds of thousands of loyal British subjects living in Wales whose native language is Welsh may soon be freed of the requirement of the use of a foreign tongue in the fulfillment of their civic obligations.

CHEM. STUDENTS TO BE HERE SAT., MAY 6

**John Kenneth Craver,
Former Student, to
Speak on Plastics**

Southern Illinois Chemistry Teachers' Association will assemble on this campus May 16, for group meetings and an exhibit on chemistry project work by high school students of Southern Illinois. The exhibits may be seen at any time throughout the day.

Among other projects to be demonstrated are the contact method of making sulphuric acid, presented by the students of Mr. Vernon Township High School under the direction of Mr. Brock.

An examination of the fundamentals of chemistry is the chief item on the program. The purpose of the student meeting and exhibit is to stimulate interest in the field of chemistry.

From 2:00 p. m. until 2:30 p. m., Mr. John Kenneth Craver will address the gathering on the use of plastics in the field of commercial chemistry. Mr. Craver graduated from S. I. N. U. in 1937, received his Master of Science degree in chemistry at Syracuse University in 1938, and is now connected with the Monsanto Chemical Works in St. Louis, Mo.

The schedule of the meeting is as follows:

8 a. m.—9 a. m.—Placement of exhibit and demonstration material in Parkland Laboratory.

9 a. m.—9:30 a. m.—Registration in foyer of Sirook Auditorium.

9:30-9:45 a. m.—Movies by C. C. Logan of the department of visual education, S. I. N. U.

9:45 a. m.—9:55 a. m.—General assembly, starting—Sirook Auditorium.

9:55-10:30 a. m.—Examination.

10:30-11:30 a. m.—Trips to museum, laboratory, exhibits on campus.

12:15 p. m.—Lunch hour. No scheduled plans.

1:15-1:45 p. m.—Songs and movies, Sirook Auditorium.

2:00-2:30 p. m.—Address on Plastics, John Kenneth Craver.

2:30-3:30 p. m.—Demonstrations and exhibit hour in Parkland Laboratory.

BEYER AND CRAMER ATTEND MEETING OF HISTORICAL ASSN.

Dr. Richard L. Beyer and Dr. Clarence Cramer of the History department, left Thursday to attend the thirteenth annual meeting of the Mississippi Valley Historical Association which is being held at Memphis, Tenn., with headquarters at the Clarendon Hotel.

On Friday morning, a general session of the members will be held at this time the chief topic of discussion will be "The Changing Face of the Middle West in American Democracy." At noon the business session will be taken care of in connection with the luncheon. During the afternoon, parties will be entertained by various members of the organization. Friday night, the meeting will take up less serious topics featuring William J. Peterson, State Historical Society of Iowa, who will present "The Mississippi Valley," and Ed Windel Park, University of Georgia, who will discuss "Honor in the Old South."

Special sessions will meet on Saturday and discuss problems of current interest. The meeting will close on Saturday afternoon.

Dr. Beyer and Dr. Cramer were accompanied by their wives on this trip.

David McIntosh Attends Berea College Festival

Dr. David McIntosh, head of the music department, left Thursday morning, April 20, for a visit to Berea College in Eastern Kentucky, where the annual Southern Mountain Folk Festival was to be held. This was the third festival of its kind. Representatives were there from several colleges from all over the middle-west and from as far north as Detroit. Some of the visitors and guests were interested in recreational projects and were at the festival with the idea of getting ideas for new dances.

There were about two hundred guests present, all of whom were entertained by Berea College, which is a self-sufficient school, established before the Civil War.

All at the college is the Southern Mountain Folk Society, which has as its main objective the idea of bringing back the songs and dances of the southern mountains. These dances and songs are very beautiful, the dances being smooth and graceful, much after the style of the dignified minuet. Various teams from different schools presented different dances and songs. Most of the teams consisted of eight members, though some had only four.

Much of the program was informal, the performances being extemporaneous, and the performances having nothing or time to practice. Mr. McIntosh was one of those who were chosen to present something to the group. He sang two numbers from the group of folk songs of Southern Illinois which he has collected.

The program ended Sunday morning with a breakfast.

KAPPA DELTA ALPHA HOLDS INITIATION

The Kappa Delta Alpha fraternity held informal initiation from Thursday, April 20, to Sunday, April 23, for the following persons: Roger Webb, Mr. Vernon, Warren Hess, Gary, Ind.; Paul Clifford, Clinton; Albert Benoit, Mr. Vernon; Clyde Grizzell, Pinckneyville; Harold Perrell, Eldorado; Harold Sargent, Benton. Roger Webb and Warren Hess were formally initiated at 6 o'clock Sunday morning.

Gill Receives Another Offer of Scholarship

Billie Ruth Gill, '38, has received an offer of a scholarship in mathematics for George Peabody College for Teachers for the school year of 1939-40. The scholarship would pay her tuition and part of the remainder of her expenses and enable her to complete work for the master's degree in one year. Her duties in connection with the scholarship would require only a small part of her time. The scholarship is made on the basis of the fine record she has for her four years' work in Carbondale.

Miss Gill had the opportunity for an interview with Prof. E. L. Wren, head of the mathematics department at Peabody, who is now in Nashville with the S. I. N. U. orchestra this spring. Because she has already accepted an appointment at Northwestern for next year, Miss Gill will not be able to accept the offer.

From 2:30 until 4:30, specialized group discussions on various phases of journalism were held. Mr. Baldwin, Mary Bovine and Jeannette Miller led a group in the discussing of general news, and James Chandler, business manager of the Egyptian, led several groups on circulation and advertising.

From 4:30 until 6:00, a tea dance was held in the gymnasium of the Old Seelye building, for which a group of well-known campus couples had been invited.

The banquet was held at 6:30 Friday evening at the Methodist church, Clark Davis, Mr. T. P. Barton from Benton, acted as toastmaster. Miss Eva Jane Milligan read a eulogy from a play, and Dave Aiken, accompanied by Miss Kate Banting, entertained the delegates with a vocal solo.

A student executive committee to serve for the forthcoming year was elected. Those elected were Bill Hootch of West Frankfort, Charles Smith of the Queen, and Nina Lee McAfee of Benton. They supplanted Dorothy Lee Rea of Benton, Warren Hootch of West Frankfort, and Charles Hootch of Centralia, who served for the past year.

The following awards were made to the schools:

Newspapers: Class A, Belleville; Class B, Carbondale Community High School; Class C, Zeigler; Special Honorary, Class C, Carbondale, and Class B, the Queen, Yearning, Class A, Benton, and Class B, Macouh.

J. Cary Davis Is Made Director of Photographic Serv.

Mr. J. Cary Davis has been appointed director of the university photographic service. The photographic service is the youngest of the three visual education divisions under the supervision of the Museum and Visual Education Committee. The other two divisions are the Museum, directed by Mr. Fred Cagle, and the Projection Service, directed by Mr. C. C. Logan.

Photography is a serious hobby with Mr. Davis. He is sponsor of the university "Photo Club." He will be in charge of the photography in connection with the recreational course this summer. This year he has taken moving pictures of S. I. N. U. campus life and has shown them to university and city audiences.

The staff of the photographic service consists of Bill Horrell, a student, who has been with the service for two years and who has had many of his pictures published in national and international newspapers.

Robert Nebert, W. P. A. museum photographer, has been working in the photographic service dark room since the winter term, 1937.

Persons wishing to have pictures made should secure a form application blank from Mr. Davis. The person filling out the form assumes responsibility for the need and use of the picture.

In the quarterly report for the winter term of 1938-39 the following work has been listed:

Individual Departments:

1. Administrative Dept. 6 prints
2. Egypt 7 prints
3. Education department 3 prints
4. Obelisk 117 prints
5. Pictures department 113 prints
6. Little Theatre 5 prints
7. Physics department 2 prints
8. Placement department 16 prints
9. University High 42 prints
10. Museum 153 prints
- Visual aids—295 slides, 2 film strips
- Publicity 151 prints
- published or accepted for publication.
- Research 213 prints
- Records 7 slides
- 212 prints
- 13 slides

ABOUT 200 STUDENTS HERE FOR CONFERENCE

**Pres. Pulliam
and Baldwin
Welcome Students**

Approximately two hundred high school students from southern Illinois attended the sixth annual MU Press Conference which was held on the local campus last Friday afternoon.

In the general session held in the afternoon from 2:30 until 3:00, President Roscoe Pulliam of the college and Benjamin Baldwin, president of the MU Press, welcomed the delegates with short addresses. Oran Klinger of Carlinville gave a vocal solo. The feature address was given by Mr. Thad Snow, Carleton, Mo., who spoke upon "Reporting the News." The speaker is a contributor to the St. Louis Post-Dispatch who has gained national renown because of his recent exposure of the share-cropper's situation in southeastern Missouri.

From 3:30 until 4:30, specialized group discussions on various phases of journalism were held. Mr. Baldwin, Mary Bovine and Jeannette Miller led a group in the discussing of general news, and James Chandler, business manager of the Egyptian, led several groups on circulation and advertising.

From 4:30 until 6:00, a tea dance was held in the gymnasium of the Old Seelye building, for which a group of well-known campus couples had been invited.

The banquet was held at 6:30 Friday evening at the Methodist church, Clark Davis, Mr. T. P. Barton from Benton, acted as toastmaster. Miss Eva Jane Milligan read a eulogy from a play, and Dave Aiken, accompanied by Miss Kate Banting, entertained the delegates with a vocal solo.

A student executive committee to serve for the forthcoming year was elected. Those elected were Bill Hootch of West Frankfort, Charles Smith of the Queen, and Nina Lee McAfee of Benton. They supplanted Dorothy Lee Rea of Benton, Warren Hootch of West Frankfort, and Charles Hootch of Centralia, who served for the past year.

The following awards were made to the schools:

Newspapers: Class A, Belleville; Class B, Carbondale Community High School; Class C, Zeigler; Special Honorary, Class C, Carbondale, and Class B, the Queen, Yearning, Class A, Benton, and Class B, Macouh.

Geography Survey Reveals Content of High School Courses

By W. H. MASON, Editor.

In a questionnaire taken by Dr. T. P. Barton and summarized by Bonnie Allen, the status of geography in the southern division of the Illinois Education Association has been pretty well ascertained. The following are some of the outstanding facts which were discovered and presented to Gamma Theta Upsilon, the geography fraternity, Tuesday evening.

In the fourteen southernmost counties of Illinois, there are 64 four-year high schools and 21 three-year high schools (no data received from 15 of the three-year high schools). From the 64 schools heard from, it was found that 533 teach at least one semester of geography. In the counties of Johnson, Pope, and Union, all the four-year high schools offer geography. In nine of the counties all four-year high schools but one offer it. Mason, Hardin, Jackson, Hamilton, Kentucky. The counties are Fulton, Perry, Williams, Saline, Alexander, both Harrisburg, High school and University High school offer three semesters of geography.

The main courses taught are physical geography and commercial geography. Thirteen courses of commercial geography and twenty-three of physical geography are taught. However, it seems that conservation is gaining recognition; for a number of teachers replied that if they could, and any geography course, their choice would be conservation.

The most popular text for physical geography was Tarr and Van Engelen, New Physical Geography. For commercial geography, one of the books written by Whitebeck, The Working World, High School Geography, or Industrial Geography, was favored. The Working World is new and a very good text but some of the texts are quite old. Not only are some of the texts old, but they are difficult for high school level, for example, Salisbury's Physiography.

DAVE AIKEN GIVES RECITAL AT MURPHYSBORO

Dave Aiken, senior from Zeigler, presented a recital at the Presbyterian church in Murphysboro, Ill., on April 19th, which was exceptionally well received by the audience.

Mr. Aiken is minorizing in music and has one of the outstanding baritone voices in Southern Illinois. He has appeared on many programs on the campus and before several local organizations.

Edgar Smith accompanied Mr. Aiken Wednesday night and played four solos during the evening.

The program which Mr. Aiken presented was:

- I. "Lord's Prayer" Malotte
- "La Resaille" Nevin
- "I'll Wake" Woodside-Finden
- "None But the Lonely Heart" Thalowsky
- "Aria Ombra Mai-Pu" from "Xerxes" Handel
- "A Spirit Flower" Campbell-Tipton
- "Twenty-third Psalm" Malotte
- "Ständchen" Schubert
- "The Blind, Plingham" Clarke
- "Berceuse"
- "Thine Alone" Herbert
- "Rose Marie" Prini

Mr. Aiken will present a recital in Carbondale in the near future.

Barton Speaks Before Ag. Club

In a very interesting talk before the Agriculture Club, Dr. Thomas P. Barton clearly explained the historical geology of Southern Illinois, telling exactly what factors were responsible for some of the drastic conditions which exist in the agricultural regions of "Little Egypt."

His speech, "Reformation in Southern Illinois: The Shawnee National Forest Purchase Unit," was accompanied with a series of slides showing very vividly not only the poor conditions but also several of Southern Illinois scenic views, many of which are the most beautiful which are found in the United States.

According to Dr. Barton, Southern Illinois is the "ideal" place for reforestation.

Little use is made of visual aids in most schools. Moving films are used in only nine of the schools heard from, and most schools do not even have a single projector. Harrisburg takes from six to eight field trips per year.

VINCE GENOVESE TO PLAY HERE FRIDAY, MAY 5

**Student Council
Dance Will Feature
Evening Piece Band**

The Student Council has engaged the popular Vince Genovese and his eleven piece band for their spring school dance to be held in the men's gymnasium from 8:30 until 12:00 on Friday, May 5.

A faculty reception will be held for half an hour before the dancing begins. All members of the faculty and student body are cordially invited to attend.

The dance committee with Elizabeth Buel, Fred Banes, and Anna Margaret Wham in connection with Miss Mary Crawford, chairman of the social committee, is planning games, refreshments, and attractive decorations.

The Student Council hopes to make this dance an annual event on the campus.

CHAPTER OF TRI SIGMAS HAS BANQUET AND DANCE

The Alpha Sigma Chapter of Sigma Sigma Sigma gave its annual Founders' Day banquet at the Roberts Hotel, Saturday evening, April 22, at 7 o'clock. The members were invited to this banquet and to a spring formal dance which was held in the Little Theatre Auditorium after the banquet. Vernon Park furnished the music.

ALPHA NU CHAPTER HOLDS INITIATION FOR SIMPSON

Alpha Nu Chapter of Sigma Sigma Sigma held an informal initiation for Jane Simpson, Metropolis, Ill., Tuesday and Wednesday, April 18 and 19. Formal initiation was held for Jane Simpson and Dorothy Todd, West Frankfort at 6:30 Thursday evening, April 20.

MAROONS MAWL ARKANSAS STATE COLLEGE, 119-6, HERE SATURDAY; HORTON SETS RECORD IN MILE RUN

Aiken and English Top Scorers With Eleven Points Each

Capturing first place in event even and scoring 11 points in all but four instances, Southern's traveling team trounced their visitors the Arkansas State College squad from Jonesboro, Ark., on the local track Saturday afternoon in a 119-6 onslaught. The most thrilling competition of the afternoon, however, took the form of a mile race, during which Horton, the Pittsfield freshman, who has had things quite his own way so far this season, continued his successes, establishing a new school record in the mile run. Taking the lead on the first of the four laps he paced the field over the entire route and finished with a record time of 4:42.2. The old mark of 4:43.4 had stood since 1931, when Byars hung up the time.

Charles Morgan pulled the major upset of the meet, however, in defeating Captain Charlie Stuzs, the seemingly invincible quarter miler, in the second race of the afternoon. Morgan has been developing fast this season, but without a great deal of publicity until his crossing with Stuzs on Saturday. Stuzs had to break his stride on the first lap and almost fell in the mix-up, the sophomore runner deserves considerable credit in beating Southern's captain in the latter's first defeat in dual competition since his freshman year.

Dave Aiken, senior Maroon letterman, piled up 11 points to tie J. T. English for individual scoring honors for the day. The former racked up victories in both hurdle races, while English his seventh and eighth season's wins, and a third in the javelin throw. English contributed to Southern's total with a first in the javelin throw, a tie for first in high jump and a second in the broad jump.

Coach Leland P. Lingle's freshman crew continued to exhibit some high class work, winning four of Southern's firsts and accumulating 10 points alone.

Summary of the meet:
Mile run—Won by Horton, Southern; runner-up, Southern, second; Ross, Southern, third. Time 4:42.2 (New school record. Old record of 4:43.4 set by Byars in 1931).
440 yard dash—Won by Morgan, Southern; Stuzs, Southern, second; Wilkcock, Southern, third. Time—5:12.
300 yard dash—Won by Chase, Southern; Oliver, Southern, second; Fisher, Arkansas, third. Time—7:05.
120 high hurdles—Won by Aiken, Southern; Townes, Southern, second; Ellis, Southern, third. Time—1:01.
880 yard run—Won by Sutton.

INTRAMURAL INNINGS

By LLOYD MITCHELL

Dr. Kenneth Van Lente, first surfer for the Spirits of '75, is very proud of his new Chrysler (reference needed here). Van Lente is a great admirer of the Detroit second baseman, clouded two home runs with his new war club, in the first inning of the game with the NYA House, when the Spirits' score flew on raps.

The intramural leagues missed Mr. Vincent Di Giovanni, who is away working on his doctorate. He was the sparkplug of the Cubs last year, when he led into third place. He plans to be back strong for the summer season.

Richard Hamann, mascot manager of the Library Athletics, has proven his baseball knowledge in making a winning relay out of what looked like a sure loss. Hamann, a new comer to the league, is a very conscientious player and is working to win.

Last week we placed the Bull Frogs in with the same whippers. The Library came along Monday night to meet them, 9-4. Lefty Frank Lanzburg saved many wild throws for the Bull Frogs with some spectacular catches at first base.

The Bull Frog-Library game featured a very unusual play. With men on second and third for the Library, the man occupying second, state third. Upon his arrival there, he found it taken by "Doc" Kile, and scampered back in second, safely. What about the catcher? Well, he made no throw to either base.

Gym Team's Annual Spring Exhibition Is Set For May 11

LIVING STATUARY IS ONE OF MAIN FEATURES

The gym team's annual spring exhibition will take place Thursday, May 11, at Shryock Auditorium with activities getting underway at 8:00 o'clock.

This group has built up a large following with its previous presentations and is now regarded as one of the highlight athletic activities of the year. Modeling of living statuary will again be the feature of the night's work. This event has gained nation-wide recognition and is the only work of its type in the middle-west. The statuary work has been given national publicity in the Strength and Health Magazine and a regional bulletin in the Chicago Daily News and the Denver Post.

Last Tuesday marked the final for exhibitors before high school students. The traveling promotional squad wound up with performances in Christopher and Harrisburg. The exhibition on May 11 will be the equivalent, with a show before the Liquor convention on May 16 during the weekend.

Maroons have had a fairly successful season and much credit should go to Acting Student Coaches Kenneth McGuire and Harold Black, who are serving in lieu of Coach Vincent Di Giovanni, now completing his graduate work at N. Y. U.

Creditable competitive records were compiled against Turner's College of Indianapolis, the University of Illinois, and the St. Louis Davidson Y. M. C. A.

The spring exhibition will witness an innovation with the work of Kenneth McGuire, Max Davis, and Ralph Bishop in the field of small pyrotechnics. Mass participation in second pyrotechnics will also be featured with the conventional high bar, side horse, diving, and tumbling performances serving in the major supporting capacities.

TENNEY NET STAR DROPPED MURRAY INVADERS 7-1

Crack C. D. Tenney and his tennis prowess proved unshakable last Wednesday afternoon of last week to the invader netsters from Murray (Ky.) Teachers' College, who left only one match out of seven.

Bruce Church, freshman net star from Marietta, had considerable difficulty overcoming a clever net game displayed by his Murray opponent, Peter Wean. After three hard sets, Church came out on the long end, 6-2, 16-8-4.

Southern continued to dominate the court all the way through the entire five singles matches. In the doubles competition, Harry Kile and Max Sekardi, neither of whom participated in the tennis contest, by their efforts to defeat Bill Wilson and Ralph Pickard from Murray, 9-7, 6-2.

Charles Pender and Charles Silwood, a veteran, who just returned to school this week, gave the other "invading" doubles teams considerable trouble. At Pat Wean and Left Nook, the only Murray victory of the afternoon dropped two easy sets, 6-2, 6-2.

In an off the record match, Coach Walter Blackman of Murray supposedly aided his sophomore, who was participating in the tennis contest, in an exhibition game, the final score of which has not been released as yet.

Results of the meet are as follows:

- Singles.**
Chris H. (SNU) defeated Wean (Murray), 6-2, 16-8, 8-6.
Haege (SNU) defeated Wilson (Murray), 6-2, 16-6, 6-1.
Chris (SNU) defeated Lassiter (Murray), 6-2, 6-1.
Sekardi (SNU) defeated Pickard (Murray), 7-5, 6-2.
Lund (SNU) defeated Nook (Murray), 6-1, 6-3.
- Doubles.**
Peterson and Kile (SNU) defeated Wilson and Pickard (Murray), 9-7, 6-2.
Haege and Sekardi (SNU) lost to Wean and Nook (Murray), 6-2, 6-3.

MAROONS MEET DEFEAT 9-3 AT CHARLESTON

Oliver Wins Law Medal Honors With 74

Southern's golf team toured to Charleston Monday for a dual meet with Eastern Teachers' College but was turned back with defeat. The Maroons received the short end of a 9-3 shellacking at the hands of the hosts, incidentally a strong team of opponents.

A "hot" streak by the men in number three and four positions of the Charleston team accounted for most of the score. Oliver, number three man, shot a 74, two over par, for low medal honors of the day. Baker, number four man, was only two strokes under Oliver, with a 76.

Harold Aronovich of Southern, who captured from a hectic first round during which his opponent, Oliver, sank several birdies to shoot a 29 on the second nine and to force Oliver to his utmost.

Dave Aronovich, although not being 50 the last nine, pushed Baker for several holes toward the end of the 18 hole match.

Robert Reid playing number two position for Southern, annexed two of Southern's points by defeating Thompson of Eastern, two and one. Reid took advantage of Thompson's weakness the first round to gain a sustained lead for match play on the eighteen. Reid was second low for Southern with an 80.

The number one match between Tom Eastory of the Maroon team and Jack Peedrop was a seesaw affair with the latter gaining two of the three points. At the end of the first seven holes Eastory was 1 down but only two down at the end of the nine. The second half of the match ended with Southern's number one man up on that nine but one down on the eighteen. Scores:

Joe Pryzbylo and Emmitt Rode, who were the only ones to have allowed only one run, succeeded in three hits in eleven innings. They are responsible for the Wildcats' present tie for first place.

FIVE TEAMS PACE INTRAMURAL BASEBALL LEAGUE WITH TWO WINS EACH AFTER TUESDAY'S SESSION

Chi Delta Chi Swamps CChem Boys, 18-1, For Season's High Toss Far

Five intramural baseball teams were tied for first position Thursday evening, each having won two games, while dropping none. Bartonians, Chi Delta Chi, Library Athletics, Spirits of '75, and Wildcats were the leaders. Games of Wednesday were postponed because of wet fields.

The Spirits, Library Athletics, Chi Delta Chi, and the Wildcats added victories to their columns on Monday and Tuesday. The Spirits had very little trouble in downing the N. Y. A. boys, 16-5. Eleven runs were helped in the downing of their opponents. The Libarians and the Buffs had somewhat of a free scoring game, with the Athletics winning out, 9-6. The Sigma Beta Mu Wildcats game was a pitched battle between Bob Gray of the team and the Athletics. The Athletics won the game, 4-0, in favor of the Wildcats. The Chi Delta Chi fraternity had no opposition at all from the Chem Boys, as they covered them, 18-1.

The high spot in the Spirits' victory was their 11 runs, outscored in the initial frame. Three pitchers faced off batters before the final out was made. Dr. K. A. Van Lente, Spirits' first baseman, had two home runs in this inning. The only hitting the batters failed to fully in was the third. The third and the sixth innings were the only time the Spirits scored. Batistors for the NYA were Filgor, McCreight and Sanders, and for life losers Davis, Van, No, Nachdi and McGill.

Games of next week will be posted on the bulletin board in the gym.

Southern Freshman Star

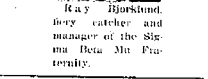

Junior Horton (above) freshman star runner from Pittsfield, who set a new school record for the mile run last week, will try for victories tonight and nine against Cape Pday.

Team Elects Petersen Captain

Peter Petersen, '39, who hails from Carbondale, has been elected captain of the 1939 tennis team by members of the squad, who have completed this year. The election was held just prior to the Arkansas match last Saturday afternoon.

"Pete" has been a member of the S. I. N. U. tennis team since his freshman year and has created quite a noteworthy reputation for himself as a tennis competitor in the S. I. N. U. C. circle.

Ray Bjorndahl, first catcher and manager of the Sigma Beta Mu Fraternity.

Coach Tenney's Squad Wins Six Out of Seven Matches Played

Coach C. D. Tenney's tennis squad continued their winning ways at the expense of Evansville College last Friday afternoon on the local courts by winning six of the seven matches played. Southern swept the doubles matches and split the two doubles matches.

The first tennis of the afternoon was exhibited by Captain Robert Petersen and John Armstrong, evened out of the K. C. team. Pete dropped the first set 6-3, but fought back and took the second set 6-1. In the deciding set, Armstrong tried hard, but Pete showed a bit superior and took the set 6-2.

Harry Kile presented opposition from Everett Cup and won his match in straight sets. Verdie Cox and Bill Dodd also won their matches by winning the loss of a set. However, Bill showed his best tennis, but Robert Schilling before he won his first set, 9-7.

Bruce Church, number three singles man for Southern, did not participate in the singles against Evansville. Incidentally, it is interesting to note that Bruce is the only man on the competing squad who has lost a match this year.

In the doubles, Southern's number one team, Bruce Church and Max Sekardi, were off to an ignominious beginning as they lost the first set to the Evansville boys, 6-3. However, they took things into their own hands as the second set started and lost only one game in it. To further emphasize their superiority they captured the deciding set at 6-2.

Walter "Little Skinned" Holliday and Charles Silwood, playing doubles, made the first two sets, but the only match to K. C. However, they carried their opponents to three sets and the deciding set consisted of 16 games. L. C. finally winning, 9-7.

Coach Tenney has been using most of the men to have variety match in the last few contests. Now S. I. N. U. men have participated in each of the last two matches played here.

Results of the S. I. N. U. C. matches are as follows: (E) men are listed in the order they were ranked, and Southern's men are placed first in each instance.)

Singles.
Bob Petersen defeated John Armstrong, 3-6, 6-4, 6-3.

LINGLE'S TRACK AND FIELD TEAM TO FIGHT CAPE GIRARDEAU TODAY

Braves Out to Average 67-64 Beating Dealt Then By Southern

Coach Leland P. Lingle's track and field team will attempt to chalk up a second victory against the Cape Girardeau Indians, M. I. A. A. champions, this afternoon when the Missouri aggregation comes to Carbondale to average the 67-64 loss they suffered at the hands of the Southern team this earlier in the season at Hunk Field.

Every indication points toward an interesting contest between two evenly matched teams. The winner was not decided at Cape Girardeau, the last event had been run off. Stuzs ran an exceptionally fine race as anchor man in the mile relay to assure Southern's first victory over the Indians at Hunk Field since 1935.

Although Southern overpowered Cape in the track events, Cape proved just as superior in the field events according to the records of the last meet.

If Captain Charlie Stuzs, hurdler, Aiken, and Junior Horton, who will be in their competition, they will account for thirty points among them since they each have the success habit in at least two events. Stuzs is usually good for a first in the 400 and 220 yard sprints. However, Allison of Cape proved to be a strong contender by leading him most of the way in the 440 during the previous meet. A last minute square pushed Stuzs through the tape ahead of Allison.

Horton, fresh endurance man, can usually be depended on to grab first honors in the mile and two mile races, as he did at Cape. Aiken is fairly certain of both hurdle events, though Bill Norman and Herb Mulkey, added considerable weight to the Indians' attack.

In the field events, Cape is favored in the shot put, while Elmo Hinkley fails to equal the record leaves he has been tossing all spring. The Cape Braves are also expected to place well up in other positions in the shot put and will probably crowd in a good share of points in the discus throw, the high jump, and the running broad jump, which they dominated earlier this season.

On the other hand, Cape failed to show against Southern in both the 880 yard run and the two mile run in a good contest with only a third place in both the mile feature and the javelin throw.

"Doc" Lingle had his hopes dashed Monday afternoon of this week when Horton turned up with two bad spikes wound on his leg. The injury has responded well to treatment, however, and it is hoped the Pittsfield freshman will be able to run this afternoon.

MAROON NETSTERS WILL BATTLE CAPE INDIANS HERE TOMORROW

Petersen, Kile, Church, Haege, Cox, Sekardi and Dodd to Play

Out to average a 5-4 defeat received at the hands of a fighting Cape squad the first defeat in two years, the Maroon netsters will try to turn the tables tomorrow when they entertain the Indians on the local courts. Tomorrow and a Friday can. Duquenois will be the nucleus of the Cape delegation. It is interesting to note that Duquenois was a top ranking player in the National City Parks Championship Tournament last year.

One of Coach L. Tenney took his men to Charleston Monday for a dual meet with Eastern so the squad should be in fairly strong condition for the tilt tomorrow. Coach Tenney will rely on Peter Petersen, Harry Kile, Chris H. Moore, Haege, Verdie Cox, Max Sekardi, and Bill Dodd to handle the Indians at Saturday's clash. Southern's netster will have the chance to put his best men against Duquenois and Duquenois, and as the matches will be played on the local courts, the Maroons should have a slight advantage.

Petersen, Kile, Church, Haege, Cox and Sekardi will try to take the singles, while Haege and Cox, Church and Sekardi, and Petersen and Dodd will attempt to take the doubles.

The Chi Delta Chi Fraternity is playing a lot of hopes in its brother, the Bulldogs. Young Walter Kinnard piloted the wrestling championship George Henry. True, and tell if the Greeks have the right idea.

Bruce Church and Maurice Rogers, freshmen, won the other singles matches, the latter taking two "love" sets.

Southern ruled the doubles matches when Church and Max Sekardi and Haege and Verdie Cox registered victories for the "maroon club."

Results:
Petersen defeated Griffin, 7-5, 16-10.
Kile lost to Rogers, 6-2, 14-5.
Church defeated Powell, 6-4, 6-3.
Haege defeated Varnhagen, 6-0, 6-0.

Doubles.
Church-Sekardi defeated Rogers-Powell, 6-1, 7-5.
Haege-Cox defeated Griffin-Varnhagen, 6-3, 6-1.

Gym Team Has Merry Time on Trips

By RALPH BISHOP.

It is very possible that you have heard rumors concerning the wild and woolly nature of the football crew while on a trip. Take it from one who knows, the gym team is composed of a group of lads who can think of more mischief in ten seconds than the football team could accomplish in a year.

Safely unencased in a two by four truck, which usually contains a faint reminder of pork chops on the hoof, they are ready to take off on one of their notorious sabbaths to some one-horse town in order to peddle the wares of their dear alma mater. In addition to the twenty-five mischief-makers, the truck carries the following equipment:

- 3 large mats 2 1/2' diameter (rolled).
- 5 small mats 1 1/2' diameter (rolled).
- 1 set parallel bars.
- 1 side horse.
- 1 set rings.
- 1 suitcase.
- 1 large box of living statuary equipment.
- 1 large spot light five feet all.
- 8 flood lights.
- 1 platform (living-statuary) 8' x 5' x 1'.
- 1 dozen or so hand bags of personal equipment.
- 1 springboard.

Of course, due to the chilly nature of the ride, all of the boys have tried to put on all the clothes that they own. When all but three or four of the lads have climbed into the truck, the remaining buskies pry the end-gates into place and chain them down, and then proceed to climb over the top and laboriously wedge themselves into the wriggling, squirming, mass of humanity. Faces of "Ouch, get off my face," "Move over you 'big'!", "Quit pinching my leg," "Somebody hold this—d light," are heard as the truck painfully lumbers down the highway.

As a result of the cover on the truck, it is impossible to see who your neighbor happens to be. Presently a hand descends with no little force on someone's head. Not being able to discern the identity of its owner, the recipient of the blow immediately strikes back in the general direction from which he thought it came. Naturally an innocent fellow is the victim of the little by-play, and a battle royal is started with no further ado. When the participants reach the point of exhaustion, a temporary truce is called until damage may be mended and clothing shed. This continues with variations until the destination is reached. After the equipment is all unloaded, the necessary task of peddling is completed, and the equipment reloaded, the story is repeated with a few novelties thrown in for good measure.

Naturally, the freshmen are liable

Mr. Louis C. Peterson, head of the industrial arts department, addressed the Home Crafters' club on April 13. He discussed the topic, "Metal and Its Reduction, Refinement, and Fabrication." In this speech he told how iron ore is finally manufactured into steel. He also emphasized the importance of steel in the modern world.

Maroon Golf Team Meets Cape This Afternoon

The newly organized Maroon golf team is scheduled to meet the Cape Girardeau forenoon this afternoon in a return engagement. The match will be played on the course at the Midland Hills Country club and is slated to begin at 1 o'clock.

Three weeks ago Southern's representatives traveled into Missouri for the opening match on their schedule. Inclement weather that postponed numerous practice sessions and a strong team of veterans as opponents figured together to defeat the local squad. Considerable work has been done since the debut, however, and a much closer battle is prophesied.

To date Tom Eastley, Carbondale freshman and champion of Midland Hills Country Club, has been playing in Number 1 position. Robert Field, a freshman member from Pinckneyville, has been posted in Number 2 ranking, while Dave Harrison, Carbondale, and Harry Annick, Rockford, both upper classmen, have been competing as Number 3 and Number 4 men, respectively.

William Watson, University of Michigan track star, spent the first half of the school year as secretary to Pitsfighler Joe Louis.

Nevada and Wyoming have only one institution of higher learning each.

University of Kansas students are voting for a new type of queen—they'll elect an intelligence queen.

Correll University has sent an expedition to the mountains of eastern Mexico to learn about the strange bird, the pinnos.

Dr. and Mrs. J. W. Neckers entertained the chemistry majors at their home last Wednesday with a ten.

CHANSION TO A REAL (?) STUDENT

Close your sleepy eyes
My studious roommate, you
While the light of the eastern sky
Is shining down on you
Don't you know it's time for bed
Another day is through
So go to sleep
My studious roommate, you
Don't you realize
My traveling roommate, you
It is just another test, and then
You're not all through
And remember, you'll feel worse if
You should think it, too
So go to sleep
My worried roommate,
Soon you'll be none cream for testing
Like the screwballs do—
Now it's time that you were cramming
In a snore or two
So sit the hay
My studious roommate, you
(Annoni)

Verse to a Gal before a formal . . .
Roses are red,
Gardens are white,
But don't think you'll
Get any tonight.

The Dracula song—"Jeepers Creepers."
"The Potato song—"I Have Eyes."
Gossip song—"Thy Say."
"The Exam song—You're a Sweet Little Headache."
"Does the hair restorer work?"
asked the man of the barber.
"Why, man, see this mustache of mine." Well, I got it because I pulled the cork out of the bottle with my teeth. . . . Tanks, C G.

APOLOGIES TO WEBSTER:
A monopolist is one who puts his elbows on both arms of his throne's chair.

HAVE YOU HEARD WHAT STAKESPLARY SAID ABOUT PUSST? Well, they're good with coffee . . . (Greenie, 1939)

HOW ABOUT THIS ONE?
She looked around to see if we
Had looked around to see if she
Had looked around to see if we
Were looking back at her!!

Famous last line: "Well I had to use that money for the Junior-Senior Prom, Pop."
