To President Morris Ohio Man Named Assistant

Kenneth R. Miller, president of Ohio Mechanics Institute, Cincinnati, has been named administrative assistant to SIU President D. W. Morris.

The OMI is a two-year technical college training engineering technicians for industrial concerns of the Greater Cincinnati area. It has more than 3,000 students in day and evening classes.

Announcement of Miller's appointment here, effective April 1, was made jointly by President Morris and Perrin G. March, board chairman of the OMI.

"Stabat Mater"

The "Stabat Mater", a religious choral work by Giovanni Battista Pergolesi, will be presented for the first time tonight at 8 p.m. by the University Women's Choir in Shroyok Auditorium.

Women Present Choral Work

The "Stabat Mater", a religious choral work by Giovanni Battista Pergolesi, will be presented for the first time tonight at 8 p.m. by the University Women's Choir in Shroyok Auditorium.

Also appearing during the evening performance will be a selected group of singers, the Chamber Chorus.

The Pergolesi work is comprised of 13 short movements for chorus, soprano and also solo, and duets, explained Robert S. Hines, choir director.

"For this performance," said Hines, "the choir will sing two of the duets, and therefore it will make five the number of chorus movements in the sacred work."

"Pergolesi is a great vocal composer," he added, "and his music is outstanding for its simplicity."

"Giovanni died at the age of 26 and he finished the 'Stabat Mater' just five days before his death."

"He possessed an intimate knowledge of what voices could or could not do, and the 'Stabat Mater' is his best known sacred work."

The Chamber Chorus will sing the "Gantate Domino" by Petroni "Ehre sie dir, Christe" by Schuetz and "Vinea Mea" by Poulenc.

"Schuetz," stated the young vocal director, "is the greatest choral composer in the century before Bach."

"Poulenc, a contemporary French composer, is a former student of Nedra Boulanger (who will be at SIU for the Fine Arts Festival), and is now residing here in teaching music at the Sorbonne in Paris."

Appearing in solos and duets will be Carolyn Strohl who will sing the "Cujus animam gemens"; Pat Gagnepain and Nedra Boulanger, who will do "O quam tristis et efficitur"; and Ruth Batts who will do "Quae morosa."

"The 'Vidit suum dolum natum' will be done by Binning; while JoAnn Henson will sing the 'Eja, mater, fons amoris' movement."

Gerry Weber and Mary Dyrus in "Sancta Mater, isued ages"; Jo Ann Henson in "Fac ut portem Christi mortem"; and Ruth Batts and Weber again in "Quandus corpus mortuum" will complete the soloists and duet singers.

Contracts Let For Parkinson Auditorium

Contracts have been awarded to four companies to build an auditorium connected to the west side of Parkinson Laboratory.

The auditorium, to cost some 300 students, will be used for seminars, lectures and general auditorium use. Work is expected to start in the spring and should be finished next winter.

The sum of \$200,303 was appropriated by the last legislative assembly for the addition.

The four companies contracted to do the job are: J. L. Simmonds Construction Inc., Decatur, general construction; Industrial Construction Inc., Evansville, Ind. for plumbing and piping; D. F. Edwards Heating Co., St. Louis, air conditioning and ventilation; and the Anderson Electrical Company Inc., Danville, electrical.

At Cost Of \$2 Million

66 Scientific Projects In Developmental Stage

From the halls of Life Science to the towering heights of Old Main, scientific research is blazing the skyrocketed sum of approximately two million dollars.

There are more than 66 scientific research projects in the developmental stage at SIU at the present time.

The sum of approximately two million dollars is distributed among the scientists for one to five year periods. It is in the form of equipment, assistants, and money for the project.

The Graduate School furnishes the greatest amount of money for the projects while another portion of the money comes from outside grants.

Seventy-one of the scientists at Southern were contacted by mail, and were asked to list any projects that they were working on, and any grant that they had received to aid them in their projects.

V-Day Dance Tonight

A "Fursey Valentine Dance" will be held at the Southern Acres Student Center Friday from 8 to midnight.

To provide the music for the occasion will be the London Branch Jazz Quintet.

The dance is to be semi-formal. There will be refreshments served. Everyone is invited to the dance, stag or ding.

The Southern Acres Student Union Board is sponsoring the dance.

'Disneyland' Chosen As Festival Theme

An overall theme of "Disneyland" has been chosen for the 1958 Spring Festival and the schedule of events released by the Steering Committee.

In conjunction with the general theme, each event will have a theme connected with Disneyland. The Vaudeville Show's theme is "Fantasy Land", while "Frontier Land" will keynote the Midway Friday night and Saturday.

The dance will have "Dream Land" as its theme and the Miss Southern contest will be "Wonderland." The 11 p. m. breakfast May 4 will be "Goodie Land" and the Picnic on Sunday afternoon will be "Adventure."

The Festival will be kicked off Thursday May 1 with the annual assembly in McAndrew Stadium. It will be followed by the Miss Southern contest, a band concert by the SIU band, and an ice cream social all held consecutively on the Woody Hall Patio Friday night. Meanwhile the Midway will be operating along with two Vaudeville shows at 7 and 9 p.m.

Saturday will see the Midway in operation again with a water show scheduled for the afternoon and professional stage show Saturday night in Shroyok. The breakfast will follow the stage show Saturday night and the picnic is tentatively scheduled for Little Gazebo Sunday afternoon.

50 Pictures

Exhibit Shows Century Of Photographic Progress

"Fifty Photographs by Fifty Photographers", an exhibition giving a thumbnail sketch of the whole 100-year history of photography, will be shown at the Allyn Gallery from Feb. 18 to March 1.

The exhibition, from the Museum of Modern Art in New York City, is being shown throughout the country.

Edward Steichen, director of the photography department at the New York museum, selected the photographs which range from extreme realism to the highly abstract.

The photographs illustrate the contrasts and changes due to technical developments over the years, and also reveal some "surprising similarities" between pictures taken in 1865 and today.

The exhibit consists of photographs starting with D. O. Hill

Plays Reflect Attitudes

Critic Discusses Broadway Hits

"Just as those things around you are related to you, Broadway is reaching to you," John Beaufort, New York theater critic of The Christian Science Monitor, told the freshmen class in convocation last Thursday morning.

According to Beaufort, Broadway plays, like literature, also reflect the country's attitudes, mores, philosophies of the time.

"There is also a relationship between a lot of plays on Broadway and an aspect of growing up and finding a cause and yourself," the colorful Beaufort told the large freshman class.

Beaufort told the group, "I don't want to give you the impression that every play on Broadway is a hit. Actually only about one-fifth of the plays on Broadway can be classified as a hit and there is a lot of money lost on the ones that are flops."

Vladimie Golschmann Conducts

St. Louis Symphony To Give Concerts

A packed Shroyok Auditorium is anticipated for the two concerts which will be given by the St. Louis Symphony Orchestra on Wednesday, Feb. 19, and Thursday, Feb. 20.

At 3 p.m. the orchestra will present a special youth concert similar to the highly successful one given by the Minneapolis Symphony Orchestra a year ago.

The afternoon program will include Smetana's "Overture to the Battered Bride"; Benjamin Britten's "Young Person's Guide to the Orchestra"; and Dvorak's "Slavonic Dance No. 1 in C minor."

Also to be played are Schreiner's "The Wound Drummer" and George Gershwin's "An American in Paris."

Students from junior and senior level high schools throughout Southern Illinois have been invited to attend the afternoon performance.

In the evening at 8 p.m., the orchestra will present a five-part program which will feature the works of Beethoven, Brahms, Wagner, Samuel Barber, and Vladimie Golschmann.

President Says University Has Only Inquired

President D. W. Morris discounted reports this week that SIU would acquire the river steamer, "Delta Queen", saying the University had done nothing more than inquire concerning the boat, which has been advertised for sale.

Newly appointed administrative assistant Kenneth R. Miller was quoted Monday as saying he wants to bring the boat with him from Cincinnati when he starts his new job in April.

The owner of the boat said SIU officials had looked the boat over, but had not made an offer.

The boat, which was "retired" in November of 1957, is 285 feet long, 58 feet wide, draws seven feet of water, accommodates 200 passengers and is completely air conditioned.

'World Open Field'

President Morris explained that various staff members had suggested that if such a vessel could be leased on reasonable terms, it might be used to open a whole new field of summer session study opportunities for students in geography, geology, history and related subjects by means of "floating classrooms" on the inland waterways.

A group of faculty members plan to visit Cincinnati again, make a thorough inspection of the Delta Queen and determine if the boat might fit into the educational program at Southern.

"If our surveys indicate that an instructional program can be offered with full college credit and at a cost comparable to usual university courses, we may consider entering into negotiations," Morris said.

'Beat Would Fit In'

"While we are considering the possibilities of short courses and summer sessions about the Delta Queen, any decision would be based on its adaptability to our regular educational offerings."

Dr. Morris added that instruction offered would fit into Southern's Mississippi River Basin Investigations now being spearheaded by geographer Charles C. Colby and with other SIU programs now being carried on in geography, zoology, botany, communications, education, history, government and geology.

Organized House Queen To Be Crowned Tonight

Music by "The Tempos", the crowning of a queen, and a Valentine Dance sum up the activities for Friday night at the Evans in Trishon Hall.

Valentine Day has been chosen as the date for the first off-campus organized house dance to be held at SIU.

The dance will last from 9 p.m. to 12 midnight and the climax will come at 11 p.m. when the first off-campus organized house queen is crowned. Voting will take place at the dance for the queen.

There were thirteen candidates entered by the organized houses, and the queen will be chosen from the remaining five finalists. The finalists are: Honore Barrett, Dawn, East Main, Club 16; Marianna Mischel, Tower Hall; Joyce Arnold, Jewel Box; and Suzie Simms, Johnson Co-op.

The dance is organized by the social chairman of each organized house, and the chairman of the group is Jerry Rhodes.

The dance is a newly-organized 13-page band of SIU students, and will furnish the music for the dance.

An activity ticket is being sold by the social chairman for 25 cents as admission for the dance.

Cagers Upset Beloit As Bryson Shines; Meet Normal, Western in IAC Showdown

Seymour Leads With 31 Points

Southern's cagers, led by Seymour Bryson's 31 points, upset Beloit last Monday night, 74-66. The triumph was a surprising one in view of Beloit's 88-77 victory last Thursday at Northern, where Southern on Saturday dropped a 96-83 decision.

The game was played without the services of freshman Tom McGreal who did not play because of an ankle injury and Gene Sams, left at home with a throat infection.

Hit
The Salukis made 28 of 61 shots for a 45.9 shooting average. SIU hit 20 of 28 in the second half for a blazing .714 average.

Beloit opened fast for leads of 18-6 and 22-11 before the Salukis scored 11 straight points for a 22-22 tie. The score was tied at half 27-27.

Seymour Bryson came up with a new season high when he dumped in 31 points. He made 9 of 11 shots in the second half.

"We played our best defensive game of the year," said Coach Lynn Holder jubilantly.

Normal Friday

Southern is host to Illinois Normal here Friday night as they return to IAC action. The Salukis have a five game winning streak on the board when they take the floor at 8:15.

Saturday night is the game all of Southern's sports fans have been waiting for as the Salukis take on the Western Illinois University. The Leathernecks are 18-0 for the season and are currently rated number two in the nation in the small college ranks.

Western is after its fourth straight IAC title but seem to have difficulty winning on the Saluki's home floor.

SIU fans that have been around for a while, remember that two years ago Western had won 25 straight games and needed only one more win for a perfect season when the Leathernecks visited Carbondale and went home with a 69-66 loss.

Last Year

It was a similar story last year as Southern tripped Western, 88-83, in two overtime in one of the best-played and most exciting games in SIU's history.

Last weekend, Western maulled Eastern Michigan 107-67, a team Southern box by only 6 points two weeks ago. Needless to say, Southern will be the under dog in the 8:15 ball game.

AGAINST BELOIT

SIU	FGA	FG	FT	TP
Talley	7	3	1	7
Bryson	19	11	9	31
Roberts	6	4	2	10
Newsum	15	4	2	10
Lazny	11	6	1	13
Ruggles	3	0	3	3

Michigan members of the league have been unable to come up in the conference standings although each has pushed other IAC foes to the wire before losing.

Wheaton Tourney

Wrestlers Defend Title

Southern's wrestler will compete in an 11 team meet at Wheaton this Friday and Saturday.

The wrestlers have a terrific 6-0 record so far this season, and go into the Wheaton Tournament with a sweet victory over Ritzenour YMCA under their belts.

Some of the top wrestling teams will compete in the tournament at Wheaton. They are Western, Northern, Wheaton, Illinois Normal, Notre Dame, and Southern's undefeated Salukis.

The matmen have been winners the last two years at the tournament, and will be trying to keep their record clean this year.

The tournament will be nothing new to SIU wrestling captain, Lee Grubbs, who has been two-time champion at the meet. Grubbs has been undefeated so far

DEFENDS CROWN
Lee Grubbs, SIU Wrestling captain, will be defending the title he won at the Wheaton Tournament last year, tomorrow. Grubbs, undefeated this season, won the 147 pound class title last season.

Swimmers Meet Illinois Normal

The Saluki swimming team travels to Illinois Normal this weekend for a dual meet with the Redbirds.

The Saluki tankmen will be trying to get back on their winning ways at Normal after suffering their first home loss in two years last Saturday afternoon to Beloit, 54-32. Beloit was the last team to defeat Southern at home. They turned the trick during the 1956 season.

In Saturday's meet, Beloit set a new pool record for the 400 yd medley relay with a blazing time of 4:18.6. The disheartening thing

about the event was that Southern just lost it by about one foot.

After losing this event, the swimmers were down and could never seem to get back into the meet. At only one time were they relatively close. After the 440yd free-style, Southern pulled within eight points of Beloit, but this was the closest they could get as Beloit took the last two events.

Southern is now 3-2 in dual meet competition. They have already lost twice as many meets this season as they lost all last season—two.

Gymnasts Seek Revenge Against Western Saturday

Southern's gymnastic squad will travel to Eastern Illinois University this Saturday for a "double-doo" meet with Eastern and Western.

Western defeated the Salukis about three weeks ago by a whopping score of 70-42, so this meet will be Southern's chance to get even.

According to Bill Meade, Saluki coach, Southern shouldn't have too much trouble with Eastern. Eastern was the only team the Salukis defeated last year.

In Southern's last meet last weekend against Ball State, the Salukis looked real good. They took every first in the meet and over-whelmed what was supposed to be a fairly strong Ball State squad, 77-35.
