Summer TermOpens:
Record EnrollmentDue

SIU began its sixth full-length summer term at 7:30 a.m. this morning with enrollement expected to exceed last summer’s record of 9,084. It will be at least 10 days before an official count can be made.

Students may pick up their books at Textbook Service in the west end of the basement of Morris Library. Summer hours are from 7:30 to 11:50 a.m. and 12:30 to 4:20 p.m. during the week and from 7:30 to 11:30 a.m. Saturdays. A student must have a library card, class schedule and fee statement to receive books.

Sectioning Center Will process program changes today on the concourse of the Arena. Program changes and late registration will be processed Wednesday. The Center will move back to the second floor of the University Center on Thursday.

Sectioning Center will be open from 8 to 11:30 a.m. and from 1 to 4:30 p.m. during the summer term. A $5 late fee will be charged to students registering after today, and a $2 fee is charged for program changes.

June 22 is the last day to add a class or change section. June 28 is the deadline to pay referred fees. Students have until June 29 to withdraw from school and receive a refund.

An undergraduate has until July 6 to drop an eight week course without receiving a grade until July 12 to drop any class without a grade. August 10 is the last day to withdraw from school for any reason.

The University Center will be open from 11 a.m. to 11 p.m. Monday-Thursday and 7 a.m. to midnight Friday and Saturday for the summer term.

Summer hours for Morris Library are from 7:15 a.m. to 11 p.m. Monday-Friday, 9 a.m. to 11 p.m. Saturday, and 2 to 11 p.m. Sunday. The Reserve Reading Room will remain open until midnight each night. The room will open at noon.

Rusk Begins Hospital Test

WASHINGTON (AP) - Secretary of State Dean Rusk began undergoing tests at the Army's Walter Reed General Hospital Monday for what a department spokesman has described as a 'malignant infection of the urinary tract.'

Press officer Robert J. McCloskey said the talk with Rusk by phone and the secretary 'sounded fine.' No official papers were sent to him Monday.

Rusk is expected to remain in the hospital for two or three days but plans to leave Saturday for a NATO meeting in Iceland.

Gus Bode

Edwardsville Housing To Highlight Agenda

The SIU board of trustees will hold its June meeting Friday at 9:30 a.m. on the Edwardsville campus.

Agenda for the meeting lists discussion of financing for the family housing project on the Edwardsville campus. Low bids totaling $3,718,717 were received for the project on April 30.

Consideration of contract awards has been delayed pending a satisfactory arrangement for sale of revenue bonds to finance construction.

There is a state imposed limitation of five per cent interest allowable, which excludes the city from the attractive money market.

Other agenda items include the University's capital appropriation requests for the 1969-71 biennium, and faculty-staff personnel changes.

Gus says the chemical they put in the seeds has killed his athletes feet.
Erecting TV Antenna

SIU Student Electrocuted

An SIU student was electrocuted June 6 when he and a Carbondale policeman were attempting to erect a television antenna.

Killed were 22-year-old Samuel L. Pullen, 414 N. Wall St., the student, and patrolman Elijah W. Thomas, 22, of 924 N. Marion St.

A third man who was helping Pullen and Thomas, Ronald Crowston, 929 N. Barnes Ave., escaped injury.

Police said they were installing the antenna and tower at the Thomas home when the antenna touched nearby high voltage wires.

Carbondale police have announced the recovery of stolen items taken in three burglaries in the state. In connection with the burglaries, Champaign, Ill., police arrested one SIU student and were searching Monday for another.

Don A. Steuteman, 21, of St. Anne, was charged with burglary Friday and released on $5,000 bond by Champaign police.

Acting on information from Champaign police, the SIU Security Force found the stolen items in the Carbondale house trailer of the student being sought. His name and address were withheld by authorities.

Two of the three burglaries were in unoccupied fraternity houses and one in the Champaign apartment of University of Illinois football quarterback Dean Volkman.

In a recent burglary and theft case involving three SIU students, the charges were dismissed by County State's Attorney Kenneth J. Hubler.

The students are Floyd A. Tobias, Jerry Chabrian, and James Tjernay.

The charges were filed by Rex Donaldson, Carterville, after a burglary on or before May 7 at Unit Four, Lakewood Park, a half-mile south of Crab Orchard Lake.

Hubler said the three took lie-detector tests "and passed with flying colors."

Fuller Receives Honorary Degree

R. Buckminster Fuller, SIU research professor of design, has been awarded an honorary Doctor of Humane Letters degree at Dartmouth College, Hanover, N.H.

Fuller, inventor of the geodesic dome, basis for the Expo 67 U.S. Pavilion at Montreal, received the award from Dartmouth President John Sloan Dickey.

Dr. Anthony Werner of the British Museum will discuss the detection of fakes and forgeries in painting on the BBC Science Magazine at 7 p.m. Tuesday on WSIU(FM).

Eggert Resigns For New Position

Donald Eggert, geography instructor since 1965, has resigned, effective at the end of the summer term, to take an appointment at the University of Pikeville, Pikeville, Ky. In addition to teaching, Eggert will be concerned with developing field studies program at the university.

Top Mexican Composer on TV Production

Carlos Chavez, Mexico's leading composer, will be the star of the NET Festival at 9 p.m. Tuesday on WSIU-TV. Other programs include:

5 p.m.
What's New.
5:30 p.m.
Mister Rogers' Neighborhood.
6 p.m.
Big Picture—Prelude to Tape.
6:30 p.m.
Book Beat—Herbert Kohl.
7 p.m.
Spectrum—Israel's Future: Integration.
7:30 p.m.
What's New.
8 p.m.
Portrait 8: Treasure Aztec Gold.
8:30 p.m.
The French Chef—The Mushroom Show.
10 p.m.
The David Suskind Show— Jesús shares the screen with some witty and intelligent guests.

Laboratory of the Home Economics Building, SIU Experimental Recreation Program will sponsor a children's winter roast at 5:15 p.m., SIU gymnastics exhibition at 6:15 p.m. and a teen dance at 8:30 p.m. on the Lincoln School playground.

Caldwell Accepts Advisership Post

Oliver J. Caldwell, University dean, has accepted an advisory position to the SIU Interfaith Council. Caldwell is the first non-clergyman to hold this position. He is also adviser of the Bahá'í Club.

Other topics on the program will include primitive man's use of tools, preventing tooth decay, a new treatment for coronary disease, and a more accurate method of dating historical documents.

Other programs:
8:37 a.m.
2:30 p.m.
This Week at the U.N.
3:10 p.m.
Concert Hall.
5 p.m.
Music Masters.
7 p.m.

Eight Students Expelled in Break-in

Eight SIU students were officially expelled last week in connection with the attempted break-in of President Delvyte W. Morris' office May 8.

All eight students have until Wednesday to appeal the expulsion by writing to the president's office. The Board of Trustees would judge the appeals.

The students also face possible indictment Thursday by the Jackson County grand jury on the break-in charges.

The students received letters of expulsion which were effective May 9, according to administrative officials. Ralph W. Ruffner, SIU vice-president for student and area services, signed the letters with Morris' approval.

A board of SIU faculty and administrative members conducted hearings May 17, 18, 20, and 29 and June 4, 5 and 6. The panel recommended that seven of the students be expelled.

In accordance with the majority report filed by I. W. Adams, chairman, B.D. Hughes, and David P. Kenney, the students were expelled. They were: James J. Urbanks, Joliet; Patrick R. Vonnahmen, Godfrey; and Edward C. Singleton, Richard M. Walker, Theodore R. Dewson, Lorenzo V. Bell, and Craig B. Thursday, all of Chicago.

The eighth student, Charles M. Hughes, Cary, Ind., was also expelled following a hearing with President Morris.

A minority report issued by panelists Jerome S. Handley and Stuart A. Taylor recommended that no action on expulsion be taken until testimony from students had been given in the court cases pending against them.

The students were advised by legal counsel against testifying at the SIU panel hearings.

Another student in involved in the break-in was acquitted on insufficient evidence. He was John L. Foster, Aurora.

Six of the students are Negros: Walker, Singleton, Dawson, Bell, Thurmond and W. Ruffner, who is a vice-president of the school.

A warrant on mob action was issued for Urbanks. He left school and the Carbondale area after the break-in.

The break-in occurred after administration announced that Black Power advocate Stokely Carmichael would not be permitted to speak on the campus.

A group of more than a hundred students, both men and women, black and white, gathered on the campus May 8 to discuss and protest the action.

Some of the students attempted to enter Morris' office late in the evening. A door glass and three windows were broken before Security Police dispersed the demonstrators.

Lantz Lands Exchange Work

For the second consecutive year sociologist Herman Lantz has been selected by the National Academy of Science to be visiting professor abroad in its exchange program with foreign academies.

Lantz will spend a month this fall in Roumania as a guest of the Roumanian Academy of Science. Purpose of the visit is to study trends and developments in social research there and to lecture to Roumanian audiences on U.S. programs. He also will attempt to arrange visits to the U.S. by foreign sociologists.

Algae, Like Humans, Runs Down

Algae on the campus ponds may act like some humans at SIU—it slows down in activity towards evening.

This report comes in a paper by Mohibuddin Munawar, a post-doctoral student in the Department of Botany, to be read at the meeting of the American Society of Limnology.

Pre-Registration Period Scheduled

An eight weeks pre-registration period for new fall term enrolling students will begin July 1.

The prospective new student—first-time freshmen and transfers—will be given advisement and registration appointments on Mondays, Wednesdays, and Fridays between July 1 and August 21. After that time, registration will be suspended until New Student Week, starting Sept. 21. The fall quarter classes begin with classes on Sept. 24.

American Legion Awards

American Legion Military Excellence Awards went to two Air Force ROTC cadets at SIU, John P. Onken of Carlyle and Gary E. Fancher of Flora. With them are Mr. Hazel Trail, department chairman, Auxiliary Veterans Craft Exchange, and Mrs. Juanita Brooks, Veterans Craft Exchange district chairman, who made the presentations. From left are Mr. Trail, Onken, Fancher, and Mrs. Brooks.

Two Outstanding Graduates Feted at Alumni Banquet

Two SIU distinguished graduates were honored at the annual Alumni Day banquet June 15 when the 1968 Alumni Achievement Awards were presented.

Recipient was Miss Mildred Stine of Carbondale, class of 1925, and Fred W. Banes of Weartfield, N.J., class of 1940. They are the 46th and 47th persons so honored since the Achievement Award was first given 11 years ago.

Miss Stine, a native of Belleville, was recognized for her outstanding service to the University and the SIU Alumni Association. A faculty member from 1930 to 1963 when she retired, Miss Stine organized the first SIU sorority, Alpha Gamma Delta. She is past president of the American Association of University Women.

Fred W. Banes, who was born in Raleigh, Ill., was honored for professional achievement. As a member of the corporate planning staff of the Eastman Chemical Co., New York City, he has been responsible for developing and coordinating a long-range planning program encompassing the U.S., Canadian, and British businesses for winning the Standard Oil of New Jersey.

Recreation Program Begins

The SIU Experimental Recreation Program will open at Lincoln School Playground in Carbondale with a wiener roast for youngsters at 5:15 p.m. today. Mayor David Keene will open the ground for the sumnnmer in a ceremony at 6:15 after which there will be special events. SIU gymnasts will stage an exhibition and there will be music by the Melchonboro Foxes. Winding up the evening will be a Teen Dance starting at 8:30 p.m. Playground centers of activity will include a hot lot, music-drama-dance center, and teen center. The program is sponsored by the SIU Recreation Department and Outdoor Education.

Femme Fatale!

This month's Femme Fatale, Rita Schoenhoft, is a perfect beginning to a hectic and hot Summer quarter. Rita, a Freshman majoring in Advertising, came to SIU from Highland Park. She is interested in skiing, writing short stories, and is a fan of Buckminster Fuller. After completing her studies at SIU, our June Femme Fatale plans to pursue a dual career in advertising and modeling. She comes well qualified for the latter with a 36-23-35 figure.

Research Goes Underground

When SIU was hurting for space not so many years ago, it wasn't unusual to find science laboratories crammed into closets, basements, garages and attics.

Now comes a zoologist who's moving his research office into a 16-foot-deep farm cistern and it's all his idea.

Ronald Brandon thinks his big, abandoned cistern west of the main campus is the finest facility for his purposes that could be imagined. Need of the real thing. That would be a natural cave but there aren't any close enough that harbors what Brandon wants to study firsthand and close up—the rare cave-dwelling salamander.

The cistern, 10 feet across and unusually well built, is being transformed into a subterranean, split-level cavern that will harbor both the research subjects and the researcher.

At the cool, damp bottom, Brandon is building vat-like aquaria for a colony of grotto salamanders that he'll transplant from caves in the Missouri Ozarks. Above that,

Ferguson Dies Unexpectedly

Prominent Negro biologist Edward Ferguson, Jr., who was to have been a visiting professor at SIU this summer, died unexpectedly at his Jad入选 City, Mo. home June 12 following a coronary attack.

DuWayne Engleit, acting chairman of the Department of Zoology, said news of Ferguson's death "came as a very bad shock. We were looking forward to having him because of his excellent teaching reputation and his radiant personality. He would have made a wonderful addition to our staff."

Ferguson, 61, was head of the biology department at Lincoln University of Missouri, where he had been since 1961.

Summer Music Theater Plans 4 Productions

Although the production staff of the 1968 Summer Music Theater Company is largely composed of students, the members are all professionally experienced, according to William K. Taylor, assistant professor of music and general director of the company.

A professional Broadway dancer, Harold Miechka of New York City, will be choreographer for the last three of the productions and will perform as well, with Linda Sublett, a student from Homewood, who will choreograph the first show, "A Funny Thing Happened on the Way to the Forum." She will also perform.

Taylor will serve as music director, assisted by Gerald Podraza of Norridge, Jack Ridley of Carterville, teacher at Marion Grade School, will be production pianist, with student Martha Harpstrite of Trenton as rehearsal pianist. John Latta of Mt. Vernon will be assistant chorus master. Each of the four musicals will have its own director, all selected from directing students in SIU's theater department. They include:

- Peter Goetz of Little Valley, N.Y., graduate student and a 1967-68 McKnight Fellow at the University of Minnesota, "Sweet Charity," July 19-21, 26-28 and Aug. 22-23, starring Linda Sublett.

Director-performers for the SIU Summer Music Theater get together for a planning session prior to the opening production of the first of four shows. Back row, from left, are Zephine (Buddy) Hymel, William Taylor and Linda Sublett. In front row are Joe Robinette and Dennis Immel.

McDonald's feeds a family of five for two dollars and fifty-five cents.

Start off with lean, beefy hamburgers. Add a bag of crisp, golden brown french fries. Then top it all off with a triple-thick shake or an icy cold soft drink. What's it cost? Just $2.55. Economical reasons why.

McDonald's is your kind of place.

SIU's Top Tennis Players in NCAA

Four of SIU's top tennis players are participating in six-day NCAA championship competition at Trinity University.

In the tournament which began Friday, Fritz Glidersmeier, Jack Castle, Sprenglemeier, and Macky Dominguez were part of a field of 157 players from 38 schools across the nation.

This combination along with Johnny Yang, the team's fifth man; Jay Maggie, and Paul Kelso gained the Salukis to a 16-3 regular season slate, a 9-1 won-lost record of 18-0, and not to allow to participate in the championship since only a team's top four players are eligible.

A former member of Chile's Davis Cup team, Glidersmeier played the number one position for the Salukis near the end of the season. He had a 7-10 record.

Villarette, the second rated player in the field, was not allowed to participate in the championship since only a team's top four players are eligible.

A native of Canada, McKenzie's best time this year was a 6.4 in the 440. McKenzie also performed in better times this year, but McKenzie's stamina is on his better assets," Hartzog concluded.

Woodstock Star

Signs Basketball Letter of Intent

Steve Bliss, a three sport standout at Woodstock High School, recently became the first Salukis basketball recruit to sign with SIU for the 1964-65 cage season.

Bliss, a member of the North Suburban Conference, took four years to earn two letters in football, three in basketball and two in track.

He received notice of his acceptance recommendation two weeks ago, was selected a member of the Chicagoland Thanksgiving tournament, and he received an offer to play on two all state teams.

Trackmen Compete

In NCAA Classic

Three members of the SIU track team participated in the NCAA Championships, June 13-15 at the University of California in Berkeley.

Three-year quarter miler Ross McKenzie, triple jumper John Vernon and high jumper Mitch Livingston—all fell to place in the finals.

"The boys are very well, but not good enough to place," Coach Lew Hartzog said. "There was very stiff competition."

Of the 30 high jumpers, all cleared 6'. Twenty-six cleared 6'6". In the finals, Livingston eliminated while trying to clear 6'10". Livingston's best attempt in this event was a 6'9-3/4" jump. Vernon qualified for the finals with a season's best 6'6" jump in the trials, in the semi-finals, he was tied with state 49'2" leap. Vernon, from Aspley, England, placed third in the finals.

Hartzog's best jump this season was a 5'11" at the 5000 yard race.

"McKenzie was up against some real tough runners in this event," Hartzog said. McKenzie's best performance of the season was 59.4 in the triple jump.

A native of Canada, McKenzie's best time this year was a 6-4 in the 440.

"(Other) athletes have turned in better times this year, but McKenzie's stamina is one of his better assets," Hartzog concluded.

Relaxed Salukis Nearly Win Tourney

By Dave Palermo

SIU Baseball Coach Joe Lutz sat in his office chair and reminisced about his team's second place finish in the College World Series last week. "I haven't been second guessing," he explained. "I never second guess."

Nobody would have blamed the veteran coach for looking back on the season with a heavy heart. He lead the Salukis on a valiant comeback surge, after losing the opener, only to drop the final game to Southern California, 4-3, on a two-out triple in the bottom of the ninth.

Southern dropped the opening game to North Carolina St., 7-6, also in the ninth inning. The Salukis then defeated Harvard (2-0), Oklahoma State (7-1) and St. John's (15-0) before bowing out in the championship game.

"The boys were tight in the first game, obviously because they were playing in their first NCAA tournament," explained Lutz. "But they loosened up after the first game and played good baseball."

"We had a meeting every day during the tournament," said Lutz. "I told them after they lost the first game that they have everything to gain and nothing to lose."

The then-relaxed Salukis rebounded to beat Harvard in the second game, 2-1, on an 11th inning homer by sophomore center fielder Jerry Bond.

The Ivy Leaguers saw a 1-0 ninth inning lead vanish when, with two outs and two runners on base for Southern, their second baseman Dick Manchester dropped Bob Blakely's pop up which allowed a run to score.

In the next two games Southern opened up a hitting barrage and outscored the next two opponents, Oklahoma State and St. John's, 7-1 and 15-0 respectively.

"We matured hitting-wise towards the end of the season," said Lutz. "Our tournament hitting was pretty good."

Senior Don Kirkland was the leading hitter in the tournament with seven hits in 18 trips to the plate for a .389 average. Mike Rogodzinski, Jerry Smith and Terry Brumfield all hit .333 while Bond hit the ball at a .320 clip. Bond's eight hits were high for the tournament.

Bond, Rogodzinski and third baseman Barry O'Sullivan all made the all-tournament team. O'Sullivan hit .289 during the tournament and stroked a homer in the first game.

Southern went into post-season play with a .254 team batting average and saw its score to .264 after the NCAA tournament.

"I definitely think the thing that helped us was good defense, timely hitting and consistent pitching," explained Lutz. "We were both excelling and good. Bond, Rogodzinski and Kirkland, to name a few, are all exciting players to watch and the white cape and shoes made us appealing to the people. We were without a doubt the most colorful team in the tournament."

"I felt that the deciding factor in the tournament was the pitching department. "Some of the teams had just one or two good pitchers on their staffs," said Lutz. "You must have six or seven in a tournament like this."

While all the teams had good balance, Lutz was hesitant to credit Lady luck as the deciding factor in winning or losing. "I'm a firm believer in making your own breaks," he said. "Southern California was behind in every game and they didn't lose one. They made their own breaks."

Salukis Go Ahead

Underdog Salukis Just Tried Hard

SIU's baseball team went into the College World Series championship game with the University of Southern California ranked as the number two team in the nation, two votes behind USC. This meant the Salukis would have to try harder.

For eight and two third innings the strategy worked. SIU led the Trojans throughout the game and came to within one pitch of winning the contest as SIU led USC into a second and final game to decide the winner. SIU lost 4-3.

With two outs, runners on first and third for USC and Southern leading in the game, 3-2, Pat Kuehner hit Skip Prickett's pitch for a long triple to drive in both runners for USC.

Because of USC's dominance of collegiate baseball over the years, 1,759 of the 9,412 fans attending the game cheered the underdog Salukis.

SIU treated the fans to a run in the first inning when center fielder Jerry Bond doubled and was sent home when Southern infielder George Boudreau singled. Senior shortstop Don Kirkland drove a long homer over the fence in the third and Southern found itself on top, 2-0.

Southern Cal tied the game in the fourth when Bill Homik singled and scored when the tournament's most valuable player Bill Seinsoth homered. Southern went ahead in the eighth when Bond beat out an infield hit, went to second on a wild toss, moved to third on a fielder's choice, and scored on Terry Brumfield's single.

The heartbreaking loss to USC was similar to the first round defeat at the hands of the University of Southern California, 7-6. Southern went into the ninth inning with a 5-4 lead, but four straight hits and errors by Sandy Coker and Don Kirkland resulted in three runs and the game.

In the second game the Salukis got a reprieve when an error on the Harvard second baseman enabled them to tie the game in the ninth and eventually win, 2-1 on Bond's homer in the 11th.

In the next two games SIU went on a scoring spree and out-tailed their opponents, Oklahoma State and St. John's, 7-1 and 15-0 respectively.
