\textbf{SIU to Train Peace Corps Unit for Nepal}\textit{\textsuperscript{1}}

Trainees for Peace Corps work in the mountain kingdom of Nepal will report to SIU March 25 for eight weeks of training and instruction. The 45 college graduates from institutions throughout the United States will be housed at Camp 2 of Little Grassy.

After the training at Southern, the volunteers will go to the East-West Center at the University of Hawaii for a final three weeks before starting two years of duty in Nepal.

Announcement of the program, Southern's first of 1965, was made by Robert Jacobs, director of the Peace Corps program at SIU, Mike Lange will be camp director.

Grubbs said 40 of those to SIU will be trained to teach English as a foreign language and five graduates in civil engineering will be rural construction specialists who will supervise bridge building by natives in a program to develop farm-to-market roads.

\textbf{SIU, City Dig Out of Snow No Accidents Are Reported}\textit{\textsuperscript{1}}

The SIU campus and Carbondale had an easy time of it Thursday despite the snow that covered the area.

No accidents were reported.

The Health Service had not even attended any cases and the Carbondale police said all was well in the city.

Joe Widows, supervisor of buildings and grounds, said there were about 18 men working clear the snow at 8 a.m. Thursday. Four were assigned last week was that many of the maintenance men couldn't even get to work, he said.

By 8 a.m., the maintenance crew numbered 25, and the situation was "pretty well under control." The students reported.

Thursday's snow was much different from the one that crippled much of the Midwest last week, he noted.

"The other day, there was ice and snow mixed together, and that made it hard to scrape up." One factor that slowed down snow clearing last week was that many of the maintenance men couldn't even get to work, he said.

For another $9.55, the controller mechanism becomes part of the package. This is in the form of a wrist watch, a flick of the wrist, and the roll of paper (with all the dope) winds past a transparent window on the top of the pocket device.

Let the buyer beware, if the instructor asks for the time. The answers, depending on the nature of the examination, might run like these:

\textbf{SIU to Meet Concordia at 9 Tonight}\textit{\textsuperscript{1}}

This evening's losers will vie for third place at 7 p.m. Saturday.

Tickets for the games may be purchased any time today, or they may be bought at the doors at most games. Tickets for evening only and books, good for both nights of games, will be sold at doors. The two books form a promenade ticket to the entire day's games.

Students will pay 25 each for tickets or $2.25 for four tickets.

These tickets will be good for both nights. Non-student tickets will cost $2.50 each or $3.75 per book for four tickets. Bleacher tickets will be on sale to nonstudents for $2 each or $3 per book.

Plenty of tickets are left for both nights' competition, but the presence of the home team and background material appears on pages 9, 10 and 11 of this issue of the Egyptian.

Book VIII

And a mighty king rose up in the land of Seadale; he was called King Solem. He made his capital at Seadale and throughout the world, such as it was. And the great king was rich in coal for he had many mines; he was rich in universities, for he had many fields; and he was just plain rich, for he had many liquid assets. But he had a large budget from the rulers of the land, who knew from overdue checks and unauthorised chariots.

He was so powerful to pass that one day two feuding women came before the Great One—Mother Seadale and the only one of her sex among the Great Merchants of Seadale—and the Great One said to them, "What is your peace?" And the Great One asked them what it was that troubled them and the replied unto him, saying, "The rivalry between us and Seadale is here. You and I know that it is mine." And the Great One answered the write of Eminent Domain, for in this case, the Great One added with an abomination called the IC. And both women cried upon the land, but neither would be ruined. (Note: This could be interpreted as a version of this document. The interpretation presented above seems the most plausible.) And Solem said, "For your duplicity and your greed, the Red Ones will come for you. And you shall be cursed with the raucous clanging of bells, and the blowing of horns and whistles, not to mention the ringing in of ears. And women went their separate ways.

Book IX

Now Sheba Bird heard of the fame of Solem, and she came to Seadale via Oman Airline from the East. She came with the Student Government, Offized cars bearing stickers, with very much gold and of precious stones (which were placed around the campus), and with federal grants. And the Great One looked upon all the wisdom of Solem, saw his dwellings, the food of his table, his Vice Presidents (her father had only one), his secretary, his cup-bearers, his hurst, and the Saikhi Patrol.

She marveled. Ah! she said to herself, "For I have been told by the great merchant, the sole owner of Seadale is here. You and I know that it is mine." And the Great One answered the write of Eminent Domain, for the Great One could not have added with an abomination called the IC. And both women cried upon the land, but neither would be ruined. (Note: This could be interpreted as a version of this document. The interpretation presented above seems the most plausible.) Solem said, "For your duplicity and your greed, the Red Ones will come for you. And you shall be cursed with the raucous clanging of bells, and the blowing of horns and whistles, not to mention the ringing in of ears. And women went their separate ways.

Freedom HuAC Style

The House Un-American Activities Committee has fought valiantly on the Eastern front, the Western front, and so on, in an intense investigation into the University Center. The investigation will probably be motivated by something as inane as theHUAC Style. And the unorthodox PNIX men's dorm with so little noise, a public nuisance, and public supported guards of public affairs. I mean, "What is it?"

Perhaps I'm being too critical of HuAC, for even though I find the committee's actions quite out of the ordinary, I have not found one person unduly affected. Nor have I initiated one piece of sound legislation, they have at least been preserved. I mean "might not be Communists" to suffer from the loss of employment and the expenditure of large sums of money to close their ranks. Also, on one occasion, HUAC members have even invited the great scientist at the University of California to commit suicide by putting his nose to the ground. The con, and the Tums people and Genereal Mills—oh, just any number of sponsors who would just love to bring this masterpiece into millions of homes.

An Anti-Football Poem

by Ev-Reem

O great pig-skin oval, O great gobbler of Lincoln money, O great rat-hole to pound your football, What is it with you? Is it with bringing notoriety to the School? What is a 2-8 record? This is notorious all right. Speak to me, O hall of foot, O all their buffs on non-academic criteria.

MacVicar is Named to NSF Group

Robert W. MacVicar, vice president for academic affairs, has been named a member of the National Science Foundation's Divisional Committee for Undergraduate Education in Science. MacVicar holds a Ph.D. degree in biochemistry, and has a distinguished record as a scientist as well as an educator and administrator. In addition to the NSF, he also has served as consultant to the Atomic Energy Commission and the U.S. Office of Education.

In acknowledging MacVicar's acceptance of the vice president's "considerable sacrifice" of time and effort in continuing his association with the foundation and its program in science education, MacVicar, a native of Princeton, Minn., who was educated in the public schools of Sarasota, Fla., came to SIU in 1964 from Oklahoma State University. He had been on the faculty there for 21 years, the last seven in a position similar to that he holds at Southern.

Theta Sigs to Hear Foreign Journalists

Theta Sigma Phi, national honorary fraternity for women in journalism, will hold its annual professional meeting from 3:30 to 5 p.m. in the Agriculture Seminar Room.

A panel of foreign journalists will compare the communications media in foreign countries.

The topic of discussion will be "The Big World of the World Press." Theta Sigma Phi invites students in journalism and faculty members to attend.

Education Group

To Hear Fishback

A keynote address by Woodson W. Fishback and reports on educational research will highlight the Field Day program of Phi Delta Kappa, women's professional education organization, on campus this Saturday.

Fishback, associate professor in the SIU Department of Educational Administration and Supervision, currently is assigned as director of the Illinois Curriculum program in the Illinois Office of Public Instruction.

Other taking part in the program will be Fred C. McDowell, superintendent of Richwoods High School, Peoria Heights, and Robert J. Donnelly, Herbert Hoover, Raymond P. DeJarnett, and Robert J. Kibler of SIU.

Sessions will be held in the River Rooms of University Center.

Snow Provides Jobs for Some, Though It's Headache to Many

Snow may be a headache for many, but to some everyone who don't have jobs, it provides opportunity to make money.

After snow storms, requests for students to shovel sidewalks and driveways in Carbondale flood the Student Work Office.

The calls for help come only from Carbondale residents, Jerry A. Snider of the Student Work Office said. Evidently the University must not need any additional help digging out, he said.

Students who do this kind of work are listed in the "odd job" file, which means that they work just to pick up some money and do not hold a steady job, Snider explained. The same type of jobs are available all year round.

In the spring, students are needed to rake lawns, sow grass seed and to move trees.

Students of screaming Red Chinese and Vietnamese students stoned and spatted the Little Brown Jug Steak House on the way out as union election for president.

MOSCOW (AP) - Hundreds of screaming Red Chinese and Vietnamese students stoned and spatted the U.S. Embassy Thursday, beat back police, scuffled with soldiers and dispersed only when army reinforcements moved in.

Shouting, "Down with American imperialism," the demonstrators denounced U.S. air strikes in Viet Nam, U.S. Ambassador Foy D. Kohler delivered a stiff protest, declaring police protection had been inadequate.

Then Gromyko handed Kohler a note saying U.S. "acts of planned aggression" in Viet Nam were "an indication that the United States is embarking upon the road of further extending the war in Southeast Asia." The note said "such actions" undermine U.S.-Soviet relations.

The Vietnamese and Chinese students fought savagely with mounted police and forced them to retreat twice under a barrage of rocks, sticks and slingshot slugs.

All windows on the lower floors in the center of the 10-story embassy building were broken before a reserve of about 500 unarmed soldiers in fur hats came at the double and restored order.

At least four policemen and one soldier were seriously injured and one Chinese and one Vietnamese student were taken away bloodied. Police arrested eight or more students, but later released them.

Abel Reportedly the Winner
In Steelworkers' Final Tally

PITTSBURGH (AP) - The steelworkers headed back to the steel contract bargaining table Thursday amid a report that David J. McDonald is on the way out as union president.

Bargainers for the major steel producers and the United Steelworkers Union met for the first time since early January and agreed to resume negotiations Tuesday.

Word of the resumption came a few hours after the Associated Press learned that a complete tally shows McDonald trailing I. W. Abel by 6,228 votes in the union's election for president.

However, this was described as far from official since the union still must investigate between 100 and 140 instances in which locals reported more members voting than were eligible.

Medical Association Increasing Drive to Defeat Medicare Bill

CHICAGO (AP) - The American Medical Association is pumping nearly $1 million into a whirlwind educational campaign aimed at replacing the administration's Medicare proposals with its own Elder-care program.

Racing against time but feeling it has taken the initiative, the AMA and most of its 50 state medical organizations are attempting to present their case to the public before Congress acts on the administration-backed bill.

The goal of the campaign is to get a large segment of the public to write to their congressmen urging passage of the AMA-backed bill now pending in the House.

In just four weeks, AMA headquarters aid, it has filled orders for more than 14 million pamphlets. A speaker said requests for material comparing the rival medical plans have come from individuals, groups, associations, businesses and industries, medical societies, women's clubs, schools and religious groups.

Inspection Team Plans Tour of South Viet Nam

SAIGON, South Viet Nam (AP) - A U.S. delegation led by Gen. Harold K. Johnson is due here Friday for an on-site study of the war, in which combat casualties of government and American forces have just set a record monthly high.

Johnson is the U.S. Army chief of staff. Accompanying him are four generals, an admiral and two civilians - Carl Rowan, head of the U.S. Information Agency, and John T. McNaughton, assistant secretary of defense for international security affairs.

U.S. spokesmen here, in speaking of the visit, described it as a regular inspection trip. They said there was no special significance stemming from the new air strikes against Communist North Viet Nam and unloading of U.S. jets against the Viet Cong.

U.S. military officials reported the Vietnamese armed forces suffered in February their heaviest casualties of any single month to date.

Negros Plan 50-Mile March

SELMA, Ala. (AP) - Negro leaders are mobilizing their forces for a 50-mile march to Alabama's historic state Capitol at Montgomery to dramatize anew their demands for racial equality.

The Rev. Martin Luther King Jr., leaving Selma for another speaking trip after walking four miles in the rain to the burial of a slain Negro laborer, said the long march would start Sunday afternoon.

The question immediately arose whether state troopers would allow the Negroes to walk in mass formation along the highway or would stop them at the outskirts of this west Alabama city.

The report said 870 men were killed, 1,820 wounded and 1,450 missing. The total of 4,140 exceeded by 90 the previous high, set last December.

Forty-five Americans were killed, mostly in Viet Cong attacks on American installations at Pleiku Feb. 7 and the U.S. enlisted men's barracks at Qui Nhon Feb. 10. Those attacks prompted retaliatory air raids across the 17th Parallel.

American combat deaths in the previous 38 months of active U.S. air in the war had totaled 257.

Gas Pipeline Blast Kills Nine in Louisiana

NATCHITOCHES, La. (AP) - Seventeen lives were lost in a great gush of fire when an underground natural gas pipeline exploded Thursday near a row of homes. Some 30 children and six adults were from another.

At least nine persons were injured, some were reported in serious condition at the hospital here.

The blast erupted 150 yards behind a row of frame houses, just across a highway from a country club. It tore a crater 15 feet deep, 75 feet long, 30 feet wide.

The roar was from a flare of fire that towered 400 feet high until Tennessee Gas Transmission Co. workers shut off the high force flow of gas, spewing from the 32-inch pipeline under 750 pounds of pressure.

Seven houses were in the blast area, They were leveled and burned.

State police estimated damage from the blast at over a million dollars.
Wards Seeks Management Candidates

Candidates are being sought for positions as retail management trainees with Montgomery Ward Co., in Murphysboro and Centralia. Interested students should contact the Student Work Office.

Trainees will be working under a Cooperative Work Study Program, which will be initiated in spring quarter. Arrangements between Montgomery Ward and the Student Work Office were recently completed.

Young men of junior, senior or graduate status who have a definite interest in retail management and are in good standing are eligible for the positions. The trainees will work approximately a 40-hour week and will receive a weekly salary during the work part of the program.

Purpose of the program is to give students an opportunity to combine study and work experience in retail management.

Teams Arrive For Regional

Jackson State was the first of three visiting teams to arrive for the regional basketball tournament. The Tigers came in by bus early Wednesday evening in the midst of the area's second biggest snowstorm.

Coach Harrison Wilson reported his team was still feeling the effects of the long trip. Thursday morning, Jackson State was enjoying the hospitality of Carbondale and the snow—something they seldom see in Mississippi.

He planned to run his team through a good workout Thursday afternoon in anticipation of its 7 p.m. game with Central Michigan tonight.

"We're looking for a tough game," the former Jackson State athlete said, adding that his team would be ready for tonight's game.

"We're still a little disappointed about our loss to Grambling in the last four seconds Monday night," Wilson said.

Questioned about his team's favorite role in tonight's opener, the veteran mentor replied, "I never underestimate the opponent."

Although he had Central Michigan scouted Monday night, Wilson still hadn't seen the report by Thursday morning, because "we were on the road all day yesterday."

"They've got a pretty good ball club," Wilson said, judging from all the indications he has seen, although he said he'd know more after seeing the scouting report.

The other two visiting tournament entries were to arrive in Carbondale Thursday afternoon. Central Michigan planned to leave Mount Pleasant late Wednesday and stop off at Bloomington, Ill., and work out Thursday before making the final hop here.

Concordia Meets SIU

Thomas Faszholz, who two years ago was the last rookie cut from the professional basketball Hawks, isn't expecting any miracles when his Concordia College basketball team challenges tournament favorite SIU tonight at the Arena.

Faszholz, now coach of small Concordia (enrollment 1,153), said with a chuckle, "I'd imagine," when asked if he considers his team the underdog in tonight's contest.

"They always give us all the powers," he laughed. In Concordia's last tournament appearance it meant another tournament team, Evansville, in the final game.

That was in the 1962-63 season when the Cougars lost to the Aces by 10 but came back to win the consolation game to even their tournament record at 2-2.

"We've heard Southern is good on the boards, likes to run, and has a real fine defense," said Faszholz who apparently entertains only slim hopes of an upset. "We haven't played anyone of Southern's caliber, but we'll be out to do our best."

The team's third tournament bid in four years came as a mild surprise to the little Lutheran College. "We knew we had an outside chance," said Faszholz. "We had one of the best records of the teams under consideration."

Faszholz describes his team as one that takes the fast break "if we get it," switches between a zone and man-for-man on defense, and has a balanced team offensively with no one big scorer.

Meanwhile, Faszholz's opponent, SIU, apparently isn't taking anything for granted. "I've talked to people who've played them and they say they are very capable," SIU Coach Jack Hartman said.

"They're a veteran club with good outside shooters," Hartman said. Their schedule hasn't been as strong as ours but that doesn't take away from their potential."

Hartman indicated his team will be ready, though after a good week's work. "Our boys were disappointed over the loss to Evansville but we know we've got to bounce back," the three-year Saluki head coach said.

Students Schedule Prison Services

A group of students from the Student Christian Foundation will conduct three services at Menard Penitentiary this weekend. The bus will leave at 7:30 a.m. Sunday.

After the services, the group will have lunch at the prison and talk with selected inmates.

SIU Is Top-Seed ed Tourney Team
On Strength of Its Tough Schedule

Southern finds itself as the top-seeded team in the regional tourney and will open its defense of this billing in the Concordia contest here at 9 o’clock tonight.

The Salukis earned their top ranking by playing far-and-away the toughest schedule of the four teams. Southern has rolled up a 16-5 record this year and has won five of seven games against major college opponents.

Southern also has two other advantages going for them. The Salukis will be playing on their home court in the opening rounds of the Great Lakes tourneys and have won only once in 15 contests. Southern is also more experienced in post-season tournament play, having been in the tourney five of the last six years.

Balance has been the key to the teams success this year, with starters George McNeil, Walt Fraziel and Joe Ramsey holding scoring averages of 17.1, 16.9 and 15.4 points respectively. Dave Lee, the defensive wizard, and Boyd O’Neal, the top rebounder, round out the starting five.

Southern also has the most experienced reserve unit in the tournament with a bench that has seen plenty of action this season.

SIU's chances of meeting Evansville for a third time appear good, as the Salukis find the opening rounds of the Great Lakes regionals here tonight.

The Salukis appear to be the top team in the local tournament, based on this year's statistics, and if they emerge victorious could go on to the small college finals in Evansville March 10-12.

If the two teams meet for the championship, it will be their third game this year. In the previous two, the Aces squeaked by to win.

But before the meeting can come about, both teams have to win in their regionals this weekend, and it's not going to be an easy task, with each team playing the best of its bracket.

Concordia Brings 18-4 Record To Challenge SIU Five Tonight

Concordia brings the best record of any entry into the Arena at 9 o'clock tonight against the Salukis. Even though boasting the tournament's best record of 18-4, the Cougars have been given the role of dark-horse since they have played a lighter schedule. Their record is amazing considering that the Cougars won only three of 25 games last year. The play of guard, Dick Wegehaupt, has been the big factor in the Cougars' improvement. Wegehaupt has averaged 10.8 points a game through the regular season and is the second leading scorer with a 15.5 average, and is the court General for the Cougars.

Rau has averaged 10.3 points a game through the regular season and is the second leading scorer with a 15.5 average, and is the court general for the Cougars. Rau has averaged 10.8 points a game through the regular season and is the second leading scorer with a 15.5 average, and is the court general for the Cougars.

Schrader, a 6-3 forward, is the team's leading scorer with a 21.3 average and is third in rebounds with 140. Rounding out the starting five for Concordia are Tom Ruppert and Don Chaplin. Ruppert is the big man for the Cougars at 6-6 and is averaging 12.4 points from his center post where he also leads in rebounds with 391. Chaplin is averaging 10.7 points from his guard position.

'Transfers' Snare Intramural Crown

The Transfers became intramural basketball champions Wednesday night as they handed the Basketweavers a 72-61 drubbing. The Transfers were paced in scoring by Dale Roberson who was the high point man in the game with 35 points. Dan Maga backed up Roberson's scoring with 13 points. The Basketweavers had their usual balance scoring attack with Jim Hart's 17 points and Bob Ingstad's 13 highs. The game was close throughout the first half, and neither team could build up much of a lead. At the half the score was tied at 31. Roberson, the Transfers' high-jumping forward, took charge and his uncanny shooting and rebounding were too much for the Basketweavers in the second half, SIU Flying Club

To Meet Monday

The regular meeting of the Saluki Flying Club will be held at 7:30 p.m., Monday in the Ag Seminar Room. Refreshments will be served and an instructor from the Southern Illinois Air Institute will be present to answer questions.
Jackson State Tigers Bring Tallest Team; They Waited Full Year to End Humiliation

Jackson State’s Tigers bring the tallest team into the regional tournament here. Their roster is dotted with student-athletes who can tell you one thing at center and captain James Bingham, 6-7, or Charles Bing­ham, 5-10, at the guards. They’ve only been outre­bounded once this season.

The team that comes to this tournament has so many tall players, but I think we’ll be ready," Wilson named the same starting lineup that he used all year for tonight’s contest. That includes hot-shooting Jerry Yarbrough, 6-4, and rugged rebounder Lyne­onne Leflore, 6-6 as the forwards; aggressive Ed Manning, 6-7, at center and captain James Bingham, 5-10 and Austin Du­mas, 6-3, or Charles Bing­ham, 5-10, at the guards. That combination has netted the tall Tigers 20 victories in 26 games this season.

Their winning formula has been a combination of hot­shooting, strong rebounding and speed to burn. The Tigers play in a conference where they run or be run over. Four teams in their Southwest Con­ference are among the top 10 in total offense in the na­tion according to NBA sta­tistics. Jackson State ranks 12th themselves in the NCAA with a 95.6 points per game av­erage. Wilson’s cagers like to grab the ball off the boards and run. More times than not they’ve had the opportunity as they’ve only been outre­bounded once this season.

TALL TIGERS – Members of the towering Jackson State Tigers shown here are row one: Charles Bing­ham (G, 6-2), Elwood Plummer (G, 6-11), James Bingham (G, 5-10), Rowan Simpson, Rolly Joe Bradley, and Arthur Sutton (G, 6-7), row two; Jerry Yarbrough (F, 6-4), Abe McKenzie (G, 6-4), George Steib­ling, Marquell Ford (G, 6-4), Austin Dumas (G, 6-3), Leon Thomas (F, 6-6), row three: Aaron Sel­len (F, 6-4), Lyone­onne Leflore (F, 6-6), James Williams (F, 6-6), Ed Manning (F, 6-7), Jimmy Mann (C, 6-8), Frank Hester (C, 6-9), Leon Brown, James Bless (6-7), Howard Richardson.

Ready for Regional

Student Tickets
Still Available for NCAA Regionals

Students can still buy tickets to the NCAA small college regionals at the SIU Arena this week.

Many students may purchase a booklet for both nights for $2.25 from 1 to 4 p.m. every day this week. Students buying tickets for only one of the nights may purchase them from 9 a.m. to noon and 1 to 4 p.m. today and 3:30 a.m. to noon Saturday for $1.30 each.

Booklets for the general public will be on sale this week at the same hours for students, 1-4 p.m. every day, and the cost will be $3 for the bleacher seats and $3.75 for the chairs.

The general public single ticket sales will also be at the same hours as the student sales from 9 a.m. to 1 and 4 p.m. today and 3:30 a.m. to noon Saturday. The single tickets for bleacher seats cost $2 and the chair seat $2.50.

Central Michigan, Minus Key Performer,
To Meet Jackson State in Arena Tonight

Central Michigan makes its first appearance in NCAA tournament action tonight when it meets Jackson State at 7 o'clock in the regional opener.

The Chips racked up an 18-6 record this year and finished third in the Interstate Intercollegiate Athletic Conference with a 5-3 record.

DiVito Scores Lone Victory
As Saluki Wrestlers Lose 27-3

The SIU matmen ended their regular season on a sour note Thursday, as they took a 27-3 drubbing from the number-two wrestling team in the country, Iowa State University.

Dan DiVito scored the only victory for the Salukis as he came on strong to defeat State's Veryl Long 6-2 in the 147-pound class.

The final team score is somewhat misleading, as a number of Saluki wrestlers lost by close decisions in the action packed meet.

Don Devine started the evening off by losing a hard-fought 4-3 decision to State's Ernie Gillum, Devine led most of the way against the unbeaten Gillum, but a last minute take-down by Gillum kept his record unblemished.

Larry Baron, who wrestled at 137 this meet, took an early lead over Ron Jones, but ended up on the short end of a 4-2 score.

Antone Kusmanoff, at 157 pounds, nearly pulled off one of the biggest upsets of the year before he was finally pinned by All-American Gordon Hamsan.

Kusmanoff battled back from an 8-1 deficit and nearly had Hamsan pinned, but the All-American recovered and made Kusmanoff his sixth pin of the season.

George McCready, at 167, was involved in the wildest match of the evening as he lost an 8-7 decision to Vic Marcucci.

Bob Herkert, at 177, was pinned at 1:28 of the first period by Tom Peckham, Alf Haeren, a heavyweight, lost a 5-0 decision to Steve Shapoo.

Their 18 victories were the second highest total in the school's history coming on the heels of last year's 19 victories.

Coach Ted Kjolheide is expected to give the starting nod to Bob Bruder and Dave Marcucci.

The Chips will be playing without their third leading scorer, Tom Pelkey, a 6-2 guard, who is out with a knee injury.

Although Peters at 6-4 is the tallest starter, the Michigan club has averaged over 60 rebounds a game. The Chips play a deliberate style of game, and their 68.4 defensive average is second best among tournament entries behind South­ern's 65.8.
