FAVREAU LOSES IN STRAIGHT SETS IN TENNIS MEET

BRADLEY TAKES HONORS; MAROONS SCHEDULED FOR TWO NET MATCHES

In the annual Illinois College Conference tennis tournament, held at Peoria May 17 and 18, Ronald Favreau, Southern's straight sets, 6-1, 7-5, by Fred Sibley, an Elmhurst entry. It was a first round match.

Eight doubles teams and eight singles players composed the list of contestants, Bradley Tech of Peoria emerging victorious in both of the third successive year. Ed Davis and Tom Coker were responsible for the doubles championship, while Davis vanquished his singles opponents to chalk up his third successive victory. The runners-up in the doubles and singles, respectively, were Homer Bundy and Don Adams, Old North, combination, and Tom Coker, Bradley's teammate.

Sibley, Favreau's conqueror, placed fourth in the singles competition.

McKendree Plays Here Today

Today the McKendree aggregation will meet S. I. T. C. in a team match on the campus courts, beginning at one o'clock. Six men will compose the visiting squad. The Maroons have defeated the Bearcat aggregation the last two years without the loss of a single set.

This week-end a combination of alumni and faculty members under the management of Lowell Hickey, ex-Maroon net star, will challenge the team in an exhibition match. Dr. C. D. Tenney, varsity tennis coach, and Wendell Margrave and R. M. Nolen will probably be enrolled in the personnel of the faculty-alumni group. Judging from the prowess of the alumni players, the Tenney-coached men will run up against their strongest competition of the year.

Little Nineteen Conference 27 Years Old April 4

On April 4, 1908, the track managers of nine leading colleges and universities of Illinois gathered and gathered at Peoria in a meeting called for the special purpose of holding a joint track meet between the various colleges. This was the first plan for what is now the annual Little Nineteen track and field meet.

The first meet, which was held May 1908, was such a success that the managers voted to make it an annual affair, and the organization was first called the "Big Nine" conference, and known as "The Intercollegiate Athletic Association of Central Illinois." The colleges represented at this time were Wesleyan, Lombard, Illinois College, Monmouth, Bradley, Milliken, Knox, Eureka, and Illinois Normal.

The first meet was held on the Bradley field May 29, '08. This being the first event of its kind between these schools, great rivalry naturally ensued between the contestants, and with ideal weather, the meet turned out to be exceptionally fast. Knox was the first champion, scoring 20 points, with Illinois Wesleyan and Milliken close on their heels with 23 and 22, respectively. State Normal failed to score.

The following records were made in 1908: 100 yard—Davenport (Milliken) 10.1; 120 yd.—H. H. Hinchliff (Knox) 15.3; Mile—Phillips (Monmouth) 4:55; 440 yard—Westervist (Wesleyan) 3:31; 880 yard—Westervist (Wesleyan) 2:08; 820 L. H.—W. Rake (Milliken) 27.3; shot—Borders (Monmouth) 39 ft. 2 in; hammer—Fawcett (Bradley) 115 ft. 3 in.; discus—T. Allison (Wesleyan) 100 ft. 9 in.; pole vault—Burgess (Lombard) 10 ft 3 1/4 in; high jump—Ehough (Bradley) 5 ft 6 3/4 in; broad jump—Viers (Milliken) 20 ft. 11 in.

Since 1908 some of these colleges have withdrawn, while numerous others have been added to the list of members until the number is commonly known as the "Little Nineteen Conference."

Sports Slants

Cochs Leland Lingle looks for a North Central victory in the Little Nineteen outdoor track and field meet at Macomb Friday and Saturday. But Doc doesn't freely predict a walkaway for the Napierville clan. Several colleges will be potential tie threats, including DeKalb, Normal, Carthage, and the Maroons themselves.

Paradoxically enough, a well balanced team is handicapped in the conference carnival. The meet, with so many stars, is an individual show. A well coached team of second and third place winners may win a dual or quadrangular meet, but a few first place winners can take a large meet, where the place and show points are thoroughly scrambled.

For that reason DeKalb looks like a potentiality in the meet Saturday. The Maroon's second place in the recent Teachers meet came largely from first places by Cowan, Peters, Hein, and Baker. For the same reason, the Maroons don't seem so strong, even though they won the Teachers meet.

In the Teachers meet, DeKalb chalked up six firsts, and Old North five. Southern, with only three first places, won the meet. Which is direct tribute to the coach and to the gameness of the competing S. I. T. C. athletes.

It is possible that the Maroons may crash through to a win Saturday. Brakes and an upset or two could show Southern into a championship. There are several teams in the same boat. At least, Lingle's men will be in the thick of the fight.

S. I. T. C. will suffer a great loss from last year in the javelin event. Hippo Brown won the conference spear throw each year for the past three seasons.

Along the Baselines.

Louie Bertoni's terrific circuit clout in the Raider-K. D. A. game was by all odds the longest drive of the season. It sailed over the fence in deep center.

Gerald Shaver, hard hitting second sacker of the Fly Swatter nine, took a long hike last Wednesday.

Monkeys to Battle Faculty Nine Today In Decisive Contest

Wednesday: Old Field, Faculty vs. Monkeys; New Field, Raiders vs. Ramblers. Thursday: Old Field, U. High vs. Medlers; New Field, Swatters vs. Chi Delta Chi.

One of the most decisive games of this week will be between the Monkeys and the Faculty. The only other game among the league leaders will be the Fly Swatters versus Chi Del, which should be a win for the Swatters. The Raiders and Ramblers, two evenly matched mediocre aggregations, and University High and the Medlers from among the cellar teams will also try to better their averages.

The Monkeys appear to have the edge in pitching over the Faculty, with Arbeiter opposed to either Cramer, Van Lente, or Davison. The Monkeys also have a more dangerous batting attack than the Faculty, with Young and the leading hitters. The Faculty nine is paced by Cramer, who is among the league leaders.

The Swatters should have little trouble defeating the Chi Dels, with Bartimus or Rains turning in good pitching. The Swatters also have terrific hitting and have smothered all competition thus far. The other two games, although between teams far interesting in the league, should be uninteresting because of the equal strength of the teams.

nesday as his team played the Medlers. He drew four passes.

In the same game, Bill Tweedy relieved Hayes on the mound for the Medlers with the bases full. Laveare Best spoiled Bill's debut by smacking the first Tweedy pitch for a home run.

Tweedy's revenge came in the fact that he spoiled a no-hitter for the Swatter hurler, Byford Rains. Bill led off the game with a triple, which, incidentally, might have been a round-tripper if Bill hadn't tumbled while rounding first.

There was one bit of sadness for the Hunky Dory players in their thrilling 2-0 win over the Monkeys, Thursday. The loss dropped the Monkey nine from first place and left the Dories' greatest rivals, the K. D. A. fraternity, on the top rung.

The week was one of good pitching performances. Gene Hall and Troy Edwards turned in one-hit performances, John Buckner of the Ramblers allowed the Tigers only two singles, and Harold Arbeiter, in losing to the Hunky Dories, gave only three hits.

The important first division battle between the Monkeys and the Hunky Dories Thursday attracted one of the largest crowds of the year, despite the inclement weather.

Arbeiter of the Monkeys continued to lead the league with forty-four strikeouts. Trovillion of the Y. M. C. A. is second with twenty-six.

The Hunky Dories, with four errors in four games, and the Monkeys, with five errors in five games, have the best fielding averages. The Flashes have thirty-two errors for the worst record.

Vaughn, Flash pitcher, is the most "dangerous" pitcher to face as he has hit four batsmen. Bob Moore of Kappa Delta has been hit four times and leads in this department.

Hinkley of the Medlers has walked twenty-one men for the "Bill Hallahan" title. Trovillion of the Y. M. C. A. has provided seventeen free trips to first.

S. I. T. C. Entered In Women's State Tennis Tourney

Friday and Saturday from thirteen to sixteen colleges will send representatives to Decatur to the annual women's collegiate state tennis tournament. Tennis is the one sport in which women of Illinois compete on an intercollegiate basis. S. I. T. C. has attended this tournament for the past three years and has high hopes for victories this year. Sue Crain will represent S. I. T. C. in the singles, with Mary Frances Moore and Lorraine Cox in the doubles. These girls will leave for Decatur on Thursday.

In the last three years S. I. T. C. has done very well in the tournaments, playing in the finals of the doubles each year. Last year Lorraine Cox and Lora Roberts lost the doubles final. In 1933, Katie Conte and Thelma Matters-head won the doubles. The year before that Katie Conte and Joan Partill carried off the honors. The record for the singles has not been quite so good. Katie Conte played in the semi-finals in 1932 but lost.

FLY SWATTERS, K. D. A. NOW LEAD COLLEGE LEAGUE

HUNKY DORIES ELIMINATE MONKEYS AS GREEKS AND SWATTERS WIN

Games last week in the College Baseball league firmly established the Kappa Delta Alpha and Fly Swatter nines as the league leaders, while the hitherto undefeated Monkeys fell before the inspired Hunky Dories, 1934 champions.

The Hunky Dories were forced to the limit to beat the Monkeys and won only as a result of Edwards' homer with one on base in the sixth inning. The two runs were the only scores of the game, as the Dories won, 2-0. Arbitrator of the Monkeys struck out ten men and allowed only three hits.

The Kappa Dels knocked over the Purple Raiders, 8-2, to maintain their spotless record. Hall-winning pitcher, allowed the Raiders only one hit and was aided greatly by sparkling infield plays by Louie Bertoni and Bob Moore. Bertoni also crashed out a homer and a single to lead the sluggers for the game.

The Fly Swatters buried the Medlers under a 25-2 score as Rains allowed only one hit. Swatters collected fifteen safeties off the pitching of Hinkley, Hayes, and Tweedy. Best, Gaddy, Bartimus, Norman Massie, Laverne Massie, and Rains had two hits each. Y. M. C. A. hung up a win over University High by banging out ten hits for a 9-4 victory. Trovillion allowed only two hits, but nine walks sent him in constant trouble. Carton tripled and singled to pace the winners.

The Ramblers smashed out twelve hits to score ten runs and defeat the Eberton Tigers, 10-1. Buckner, Rambler hurler, allowed only two hits. Newton, led the winners' attack with a triple and two singles in four times up.

The W. C. Y. Flashes climbed out of the league cellar by defeating the I Tappa Kegs, 12-9, in an eight inning battle. Vaughn of the Flashes was touched for thirteen hits but struck out twelve men.

Faculty Will Play Seniors May 5, 6

The annual Faculty-Senior baseball series will be played Wednesday and Thursday of commencement week. This year's games will constitute the third series since the inaugural in 1933. In the first series the Faculty emerged victorious in three games out of four. Last year's series ended in a tie as the Faculty won the first game and the Seniors the second.

The Faculty will probably place a strong lineup on the diamond, including such stars as Dr. Cramer, Dr. Van Lente, and Captain McAndrew. The Seniors will have available such players as Bob Calfee, Jim O'Malley, and Louie Bertoni.

to keep out of danger. Hinkley of the Flashes collected four singles to lead the winners, while Webb singled three times and doubled to capture slugging honors for the losers.

Three Teams Play In Annual W. A. A. Baseball Tourney

The annual W. A. A. baseball tournament is now in full swing, with three teams in the race, including an upclass team and two freshman teams. Because of the weather conditions, many of the practice and tournament games have been played in the girls' gym. The tournament started on Monday, May 13, with the upclass team meeting the group I Freshmen. The Freshmen won by a score of 10 to 6.

Other games resulted in victories for the upclass team over the Freshman 2 team, 14-13, and by the Freshman 2 team over the Freshman 1 team.

The schedule for today pits the upclass team against the Freshman 2 again, while tomorrow a second game between Freshmen 1 and Freshmen 2 ends the tournament.

MILITARY TRAINING ONCE REQUIRED IN U. S. CURRICULAR ACTIVITIES

(Continued From Page 1)

They said it meant—'Damn Cowardly Quakes!' but actually it was the Douglas Corps of Cadets named after Stephen A. Douglas. There had a battalion, that is, three companies. One of these was always uniformed. We wore the old blue uniform used in the Civil War. They cost eighteen dollars apiece, lasted a long time and were fit to wear to school. If you wanted a company you had to buy a uniform.

Military Field Day An Annual Affair

"Every spring, just before commencement, the military department held a field day and company A usually carried off the honors. On that day the stores closed and all of the townspeople came out to watch the maneuvers. We had two mounted field pieces that had been used in the Civil War. The big feature of field day was a sham-battle. Each side had a cannon and frequently, the excitement and confusion was so great that in trying to capture the cannon some would receive severe powder burns. Prizes were also awarded to the best drilled company, the most efficient commissioned officer, the best non-commissioned officer, and the best private.

"We also had an excursion nearly every spring. The entire corps would go and drill, and have target practice. The Grand Tower Bluffs was a favorite place.

"Well, finally military training was made optional. Even then most of the boys took it because they had to take it or physical training and we didn't have any tennis, football or basketball then. We had the Swedish system of Indian Clubs, siting up exercises, etc. After Bell left we still had the equipment, and Professor George V. Buchanan, of the mathematics department, carried on the department for about a year, but it took a real army officer. Finally, it was dropped altogether and the government took over the equipment. The spokes had rotted out of the wheels of one gun and since it was of no use they let us keep it. That's it you see mounted out in front now."

Dr. Swartz Speaks At Club Banquet

The Modern Problems club held its annual banquet, which marked the closing of this year's activities, at the Anna hotel on Tuesday, May 14. Dr. W. G. Swartz, who was the chief speaker of the evening, talked on modern trends in government, describing the chief features of communism, fascism, the NRA, and ended with several suggested reforms which must be made if we are to retain the present capitalistic system. Dean G. D. Wham, W. O. Brown and Troy Stearns also made short talks.

STEARNS GIVES ADDRESS ON HISTOLOGY PROJECTS TO SCIENCE CLUB MEETING

Dr. Mary M. Stearns gave an instructive talk to the Science club last Wednesday. It included microscopic slides illustrating various problems which her histology classes have worked out the last two years. The slides revealed structures of the hydra, parasites, types of biting and sucking lice, special preparations of brain material, and the radula of the snail as a basis for the classification of snails.

There will be one more meeting of the club before the end of the term, but the date and program are unannounced.

One's Own Picture Is Most Popular Obelisk Feature

Now is the time when all good students seek their pictures in the Obelisk. Little squeaks of expectation, little gasps of surprise—both of pleasure and of disappointment—will accompany each initial glance into its pages.

Some gay young lady asks, "Won't you sign your name in my Obelisk?" and a blushing (but happy) young man nervously obliges with his un decipherable scrawl.

Hurriedly we thumb through its pages in our frantic search for our photo, forgetting that the Obelisk contains an index, and almost try with relief to discover that our names are spelled correctly (if they are.)

Then we rush excitedly around and surreptitiously boast to our friends about the number of times our name and picture appears.

BUT, whatever you do, don't forget to see the feature of this Obelisk on pages 220 and 221, before you secret the Obelisk in some dark corner of your closet at home!!!

Among the celebrities to be imitated are Master of Ceremonies, Dick Powell, Walter Winchell, Kate Smith, Bing Crosby, Voice of Experience, Jeanette McDonald, Robinson, Burns and Allen, Maple City, Alexander Woolcott, and Little Jack Little. "The Quiet Family," a one-act play directed by Musette Cary, was presented last week. Other numbers were a talk by Bernadine Christner and negro poems read by Alice Anderson.
