Greek Week Activities Get Underway Sunday

Greek Week events get underway Sunday with a kickoff speech in honor of SIU sororities and fraternities.

Following the 3 p. m. event will be a flag raising ceremony. Mr. Lee Taylor, national assistant secretary of the Theta Xi Fraternity, is featured speaker with the topic, "Our Heritage, Our Challenge, Our Pride."

THE FLAG raising ceremony will inaugurate a newly chosen flag for Southern Greek organizations. A tea is to be held after the ceremony.

50 High Students To Attend 'Bi-Hi Weekend' Here

Approximately 50 high school students will attend the annual "Bi-Hi Weekend" sponsored by the Baptist Student Union which begins tonight with a lawn party at Johnson Hall at 7:45.

All SIU students as well as BSU members are welcome to attend the weekend's activities according to Betty Mitchell, chairman. The purpose of the weekend is to interest future SIU students in the program of BSU.

Morning watch at 7:40 in the Baptist Foundation chapel will open Saturday's activities. After breakfast the group will reconvene in the chapel for an introduction to the BSU unit organizations and meet the Baptist Foundation faculty.

A tour of campus will precede noon-day chapel. The afternoon will be free until four when a picnic is planned at Crab Orchard Lake. A talent show will be presented Saturday night.

Miss Mitchell's committee included: Bill Parker, Delilah Jones, Ernestine Walter, Jim Hoopaw, and Don Keller.

Photo Men Take Short Course

Six SIU photographers are attending the Seventh Annual Press Photographers Short Course today through Sunday.

Sponsored by the University of Illinois and the National Press Photographers' Association the meeting is being held at Allerton Park, 25 miles west of Champaign.

Representing SIU are C. William Hornell, Robert "Bip" Snodgrass, George Bliss, and Don Phillips of the SIU Photographic Service and photography students Sam Leek and Sam Martin.

The program, designed for press photographers, editors, and publishers, features Robert Dunkel, head of the Milwaukee Journal photo department, Art Witman, of the St. Louis Post-Dispatch, and Andy Pavlin, of the Chicago Tribune.

Among the topics on the program are "Use of Color," "Shooting for the Picture Layout" and a showing of new manufacturers' products.

First Egyptian Pinup Dance Tonight

Journalists Fake Fire In Dance Publicity Stunt

By Harlan Matthews
A blazing fire . . . A girl trapped on the roof . . . A crowd of spectators . . . and a screaming ambulance. All of this happened Wednesday night.

The Journalism House was on fire. At approximately 9:45 Wednesday night, the roar of a siren was heard all over campus, calling all students' attention to the Journalism House to witness a large fire on the roof.

Then a girl, clad in jersey and shorts, appeared on top of the roof. While the flames blazed about her, she screamed and pleaded to the crowd for someone to climb up and save her from the fiery perch.

All anyone had to do to save her was to buy a ticket to the "Miss Egyptian Pinup Dance," which will be held tonight at 8 on the new tennis courts.

Immediately several students started to climb up the side of the house while a public address system on the roof blared out for people to buy tickets to the dance and save the girl on the roof.

After several futile attempts freshman finally reached the roof after a hazardous climb.

Then several students from Barracks Four turned a water hose on the roof, shouting "This will teach you guys to call Barracks Four to a fire when there is no fire." After the side of the house was thoroughly soaked, the boys from the barracks shut the hose off.

Still the show went on. The "mystery girl" walked out to the very edge of the roof, which is over two stories high and pleaded for help. She was rescued by a group of students who helped her down.

But students were wary of the climb up the side of the house, and no one else attempted to "rescue" her. Then the crowd broke up, the fire was extinguished, and the "burning of the Journalism House" was over.

Accclaimed by many in the crowd as the biggest publicity stunt at SIU this year, the event focused the attention of the students on the "Miss Egyptian Pinup Dance," which will be the first outdoor dance of the season.

The dance will feature the 12 pinups whose pictures have been running in the Egyptian, and the music of Allan Robinson and his Accidents.

Install Phi Eta Sigma Tonight

Southern 83rd Chapter of Freshman Honorary

Seventeen Southern students will be initiated into Phi Eta Sigma, national freshman scholastic honorary for men, tonight. The number also includes sophomore and junior men, who qualified in their freshman year for the fraternity.

Students to be initiated include: James B. Anderson, Lowell R. Edwards, A. L. Birch, Kenneth A. Carter, Angelo J. Bolero, Fahmi Nicola Dahab, Don Hargus, Charles L. Hirsch, Shohdeh K. Kandah, Richard F. Page, Jack M. Parr, Joe Dale Prediger, John Showey, Harold R. Wind, Fount G. Warren, and Alfred W. Wolfe.

Initiation ceremonies will be held at 8:00 p. m. in the Journalism House.

MOVIE NEXT WEDNESDAY FOR CHILDREN'S BENEFIT

The Kiwanis Club of Carbondale will present a double feature movie program for the benefit of underprivileged children in the University School Auditorium Tuesday evening, May 18th.

The movie, "The Man in the White Suit," starring the great English comedian Alec Guinness, and "Beaver Valley," Walt Disney's academy award winning technicolor nature feature, will be presented at 6:30 and again at 8:30 p. m. on Tuesday.

Admission will be 35 cents for adults and 25 cents for students. All proceeds will go for the care of underprivileged children of the area.

STUDENTS attempt to climb the "burning" Journalism House in an effort to "save" the girl at the upper left. The action took place Wednesday night as part of a publicity stunt for the "Miss Egyptian Pinup Dance," acclaimed by many as the biggest publicity stunt this year, the fire burning on top of the house and a screaming siren drew a large crowd to the scene.

Final Petitions For Council Posts Turned In

All petitions for student positions in the spring elections scheduled for next week have been filed, according to Jay Jednak, chairman of the election committee for the Student Council. However, at present, all the petitions have not been checked and the grade point averages of some of the candidates have not been certified.

At the present time, only the names of the Greek candidates have been listed, but several more students whose petitions have not yet been processed, will run. A group presenting as their platform the issue of possible districting of Student Council voting and therefore giving students a much better representation has announced its intentions to campaign. The group not having any formal name, is affiliated with any party, is composed of both Greek and Independent students.

The elections will be held in front of the Main Westwood with separate polling booths set up for each class. In addition to choosing members of the Student Council and a chairman of Homecoming, sophomores and juniors will vote on retaining the present class ring style or selecting a new one with a design that is distinctive of Southern Illinois.

The students whose petitions have been okayed include Andy Marce, sophomore running for Homecoming chairman, and as Student Council representatives, Juanita Peradotto, Norm Prader, Pete Lowe and Jay Jednak from the senior class; Barbara Gibbs, Pat Priest, Bob Edgell and Willis Cooney from the juniors, and Lois Kalla, Margaret Ritchie, Gary Robinson and Wynn Chappin as sophomore members.

MAIL BOX

Brief letters of general interest to students, faculty or other readers of the Egyptian will be considered for publication in this column. Letters of invective and anonymous letters will not be considered. Writers' names will be withheld at their request.

Dear Editor:
I would like to compliment you on your editorial concerning the Student Council. I agree with you that the present elective system is in dire need of renovation. I think also, that the fault does not completely lie in the Student Council members.

With the system outlined in your editorial, more equal representation will be afforded to all students. As our school grows in size the method. The time for revision of the Council is now.

This would involve a great deal of work on the part of certain individuals. I feel, though, that the dividends would be well worth the effort. I hope that your editorial has aroused enough interest in this cause so that action will be taken. Sincerely Yours,
Bill Phelps

Dear Editor:
The necessity to postpone elections for next year's Student Council makes it obvious that our present political system on campus is not operating successfully. It suggests a method of dividing Carbondale into voting districts is worth considering; we must do something.

The Council should represent all students, not just independents and Greeks who get a little more for their side by winning a popularity election. I would like to be able to vote on a candidate according to his political platform not his social affiliation.

The ISA's stepping out of politics has made the formation of strictly political parties a possibility, but as yet a need remains for strong, aggressive parties which break across social lines to be organized and go to work.

Yours truly,
Sue Alice Martin

Dear Jim:
Your editorial A Slow Death To The Egyptian is the second of an apparent series commenting upon the Student Council. You say that it is inactive and "less heard from each month" that it is "dying a slow death," that perhaps a new method of electing members would keep it from dying altogether.

Perhaps the Student Council needs some new blood, but we doubt it. We have the year as an All-Greek body, but existing only to elect the by-laws. Year after year, those who have graduated or resigned with independents until the Council as present represents a fair balance.

The only holdover from previous years was one of the faculty sponsors. The Council organized last spring after election, has met at least once a week ever since.

We are not seeking publicity but we could publish a long list of achievements which would show that the Council is an active organization working for the benefit of all the students at SIU.

If you really want to know what the Council is engaged in doing, why don't you come to its president and ask him. From him you would learn about:

1. Sponsorship of Impulse.
2. Sponsorship of two Leadership Conferences.
3. Sponsorship of Pep Club.
4. Development and initiation of weekend recreation programs during the winter quarter.
5. Responsible for opening the library on Sunday afternoons and the last four Sundays of each year.
6. Studied school calendar for 1955.

The last three meetings were devoted to a study of an improved Student Hospitalization Program.

Obviously the amount of space and publicity given to the Student Council is decided by the whims of the Editor. Perhaps the lack of news about the Council's actions is due in part to your administrative request during their meetings. We might also call your attention to the fact that under the leadership of the previous editor, Student Council's actions were reported regularly in the Council Corner of each Friday's edition. We can't explain why the Council Corner no longer appears.

You suggest the Vocational Technical Institute have a representative. You apparently do not know that the VTI students have their own student council and are represented on the Social Senate.

Honestly Jim, do you really believe your own editorial? Or is this YOUR campaign speech? To be this YOUR campaign speech?

You and the University

(Editor's Note: Under this heading, official announcements from administrative offices of the University with regard to registration, probation, and other matters of student interest will be published. SIU officials desire that each student assume responsibility for informing himself on all notices which may appear here.)

Editor's Note: I wish that the Student Council, from which this letter apparently came, would learn how to spell the name of the SIU student newspaper correctly. It is Egyptian, not Egyptian.

I believe that the Student Council interpreted my editorial as a slap in the face to them. It was not intended to be so. There are certainly some very capable students serving on it, however I pointed out that I think that they could do much more.

Probably the biggest issue this year has been the elimination of A, M, classes. As I understand the Student Council made an "investigation" and ran into a brick wall—a brick wall at the president's house. Why was nothing said? Why wasn't there a little tinkering? At least we poor ignorant students would like to know why you failed on this project.

Your list of accomplishments is quite impressive, to be sure. However, I merely suggested that the list could have been longer.

The purpose of my editorial was not political. I sincerely believed what I was writing. It was not my campaign speech. If I'm going to run for an office, I'm going to have some principle to stand on. This is more than the present Student Council members had when they were elected. My editorial stated that purpose. I still think that it is an excellent idea.

I thought the editorial was rather mild, and I cannot see where anyone could have interpreted it in any way to indicate that I had lost his head. My charges were not wild and irresponsible. There are hundreds of students who would agree with me, and have already done so verbally and in writing.

If the Student Council would examine the records, Council Corner was disposed of long before I became editor-in-chief. Do you know why it was no longer used? It was because it was more trouble than it was worth because of lack of cooperation from the Student Council in helping us get the information. Besides, it was boring reading for the most part.

Perhaps the Student Council is a little too sensitive of criticism. The days are gone when the Egyptian praises the Student Council in every story. You no longer have an editor-in-chief who places so much faith in the Student Council. However, you do have an editor who is greatly interested in its activities. That's why he wrote that editorial that so offended you.

Students who plan to complete degree requirements in June should call at the Registrar's Office right away to make application for graduation. No application will be accepted by that office after May 22.

Male students who are registered with local Selective Service Boards and who have had the Registrar's Office submit Form 887 or Form 109 to their local Boards should note the following information carefully:

Any such student whose academic year will end at the end of this current term must come to the Registrar's Office and request that we submit Form 109 to his local Board at the end of this current term if he desires to continue in college. This office cannot submit a Form 109 for a student unless the student has asked us to do so. This request should be made at least two weeks before the end of this current term.

Book Reviews

"Clinical Management of Behavior Disorders in Children" is the title of a new book available in Wheeler Library. The book is written by Harry Bakwin, M. D., professor of Clinical Pediatrics of New York University and Ruth M. Bakwin, M. D., associate professor at the University.

THE STUDY is designed as a practical guide not only for the physician, but for professional workers in the field of child psychology. It presents the clinical management of behavior disorders of children and also gives consideration to psychological development and normal variability and to psychological.

The volume is written in language readily comprehensible to non-psychiatrists and also gives consideration to a form convenient for use in the everyday care of patients.

Dr. Ellis A. Cohen has recently published a study of "Human Behavior in the Concentration Camp." Dr. Cohen spent three years as a prisoner in the Nazi concentration camp in Auschwitz during the Second World War.

WITH OBJECTIVITY, Dr. Cohen reports conditions of mentality of the prisoners in the camp and of the Nazi masters. The London times says of the book, "It is a human document that is one of the most moving and at the same time scientifically most distinguished books to have come out of the post-war period."

In the well-written book, K.R. Cohen gives a complete, detailed picture of life in the concentration camps. He writes of the stages of adaptation, the defense of "Depersonalization," and the survival value of spiritual beliefs. He has recounted some of the medical aspects of camp life—medical perils and drugs.

His prime object in the book is to give the psychological answer to the question: what enabled the SS-men to perpetrate these inhuman acts?

Egyptian... May 4, 1964... Experimentation is being conducted in zoology classes in the Life Science Building. Facilities for the latest type of research are available in the department. The latest laboratory equipment is in the Life Science Building for biology, physiology, microbiology, and various other scientific studies.

Students are enjoying the air-conditioned characteristics of the library on Chauvaus Street. Southern students frequently comment on the comfortable surroundings for study that the building has. Various reading areas are equipped with soft upholstered furniture.

The open stack system is a successful and rapid method of obtaining books to study. The students get their own books from the shelves. A great deal of time is saved since it is not necessary to wait for a librarian to check out a book when students leave the building.

Male students are getting accustomed to the extremely modern facilities of the men's dormitory. It is a building quite modern in design.

Agricultural students are engaged in farm research using the facilities of the new agriculture building. The department recently moved to the new modern quarters.

JOHNSON HALL GIRLS HONOR HOUSEMOTHER

Mrs. O. J. Carlock, housemother at Johnson Hall, was honored last Thursday night. Mrs. Carlock spoke at house devotions on motherhood. Afterwards the girls surprised her with a present and a party in honor of both her birthday and Mother's Day.

Rev. Gus Carleton, evangelist at Walnut Street Church revival services, and Rev. Charles Ray, song leader, were dinner guests Monday night. Rev. Carleton spoke at Monday house devotions with Doyle Dorn last week.

Area Architects To Meet Here Tuesday Night

The Southern Illinois chapter of the American Institute of Architects will have a 6 p. m. dinner meeting at the SIU Cafeteria May 18 according to Charles Pulley, SIU architect and program chairman for the meeting.

The evening program will include a panel discussion on "The Educational Content and the Architect." Pulley says the architects of Southern Illinois want to have better understanding of the problems and viewpoints of administrators in relation to the architect and a school building problems.

Douglas E. Lawson, dean of the SIU College of Education, will be panel moderator. Panel members will include Charles D. Neal, Jacob O. Bach, Woodson W. Fishback, and Victor Randolph of the SIU College of Education faculty. Kenneth R. Rogers, Carverville, Raymond C. Johnson, Granite City, and David C. Wilson, Mt. Vernon, representing the area chapter of the American Institute of Architects. Rogers is chapter president.

Invited to the meeting are school administrators, school board members, and others interested in school building programs.

WORKSHOP FOR TEACHERS PLANNED DURING SUMMER

Public school teachers will convene at Southern June 21-26 for a four-week workshop to learn how to integrate foreign languages into teaching programs and how to supervise foreign languages at the elementary school level.

These classes have been undertaken to show teachers that every school subject can be made more meaningful by using other languages in addition to English.

SEMINAR TOUR IN

SIU STUDENTS MAY STUDY AT THE UNIVERSITY OF VIENNA, AUSTRIA, FOR THE 1954-55 ACADEMIC YEAR, ACCORDING TO NORBERT MAYER OF THE FOREIGN LANGUAGE DEPARTMENT.

English taught courses, transferable credit, and travel in England, Holland, Belgium, France, Germany, Italy, Spain, and North Africa are features of the program. Application deadline is June 1. Above, Mayer points out his home city of Salzburg to two Southern students.

Radio-TV Roundup

By Art Trippel

Air-wave Airings... CBS NET STAR, Jack "I'm 39" Benny is on tap to do a stage show starting Monday, June 14th in Dallas. His "Hill parade" songstress, Giselle MacKenzie and Sammie Davis, Jr., not yet a TV regular, will join Benny's usual radio bridge as the latter's first summer video show, June 14th.

A Hollywood movie studio is considering CBS-TV star, Jackie Gleason for the role of all-time great W. C. Fields in the filming of the late W. C. Fields.

ROUNDUP REMINDER

Say, just this down on your channel calendars, collegians... Every one week from this Sunday (May 23rd) Wally Cox, who appears as "Mr. Peepers" will be married to Nancy Remington, played by Pat Benoit on NBC-TV's popular "Mr. Peepers" show. All you have to do come Sunday, the 23rd, is tune in KSD-TV, Channel 5, 11th in St. Louis, about about 5:30 p. m., and witness the wedding of "Mr. Peepers" and his video bride-to-be, Nancy Remington.

We understand that numerous TV shows are planning re-runs of past performances for this summer's vacation lull. "I Love Lucy" is one. Hope some of you don't get so tired over them that you decide to do away with your set. You MIGHT be in such a stew, before the new TV pigs are available next September... some say that the U. S. Supreme Court's decision approving TV give-away prizes will kick-off a huge revival of movie theater "bank nights." Could very well be.

ABC-TV network will televise 12 NCAA football games next fall and winter. Starting Saturday, September 18th the video coverage of the grid-iron games will continue thru Sat., December 4th, including Thanksgiving telecasts.

AG MAJORS TO ELECT OFFICERS THURSDAY

The election of officers and a career's conference will highlight the agriculture meeting in the south wing of the University Cafeteria Thursday night at 7. All agriculture majors and minors are urged to attend.

APOs Take 50-Mile Jaunt Across State

A group of middle-weary Southern students, all members of Alpha Phi Omega (Boy Scout service fraternity), returned to classes this week after completing a three-day 50-mile horseback trip along part of a proposed Southern Illinois hiking trail. SIU President D. W. Morris joined the group for the third day's ride.

Traversing some of the region's most scenic areas, the "explorers" followed rural and country roads from Carbondale, 23 miles south of Marion, to Pounds Hollow in southern Callatin county. Overnight camps were established in the open at Bell Smith Springs and near Hards in the vicinity of Williams Hill, highest peak in Southern Illinois.

Chow for the traveling group and feed for the horses was trucked to overnight stopping places. During the day the group carried only light lunches. Big meals were cooked over open camp fires morning and evening.

Hurons Favored in IIAC Conference Track Meet

Seven Records Expected To Fall

Seven league records may tumble at the 35th annual IIAC track and field meet May 21-22 at SIU. Michigan Normal's high jumping Hurons are top-heavy favorites to win their second consecutive track titles. Coach George Marshall's crew have scored the best times so far this year in all of the running events except the 220-yard dash where they have established the second best time. The Hurons also are in the top 10 places of the field events.

Three records have been bettered and one tie, unofficially, this year. Bob Rowland, Michigan Normal, and Don Whitcomb, Central Michigan, cracked the two mile mark of 9:46.7, established last year by Simms of Eastern Illinois. Rowland has covered the distance in 9:38 and Whitcomb in 9:45.3.

BIG JIM PODELEY, four event winner for Central Michigan in the 1953 finals, has broad jumped 23 feet 10 1/2 inches to better the mark of 23 feet 2 inches held by Hazleton of Northern Illinois.

Marland Blum, Michigan Normal, has topped by one-half inch the pole vault record of 13 feet 3 3/4 inches set by Neighbors of Southern. Duane Rod of Michigan Normal has equaled the 120 yard high hurdle time of 14.5 set by Northern Illinois' Hein in 1950.

Tim Reves, Michigan Normal, possibly could shatter the 22-year-old 100-yard dash record of 19.6 owned by Johnson of Illinois Normal. Reves has been clocked at 19.8 in the dash.

Other records in danger of falling are the 6 foot 4 inch high jump mark set by Hartley of Southern in 1948 and the 220-yard dash time of 12:1.1 set by Western Illinois' Jackson in 1951. Marshall Sones of Western Illinois has a top height of 6 feet 3 inches in the high jump and Podoley has a 121.4 220-yard dash to his credit.

Top pre-meet times in the 15 events are:

One mile run: Zitzner, Smit, and Rowland of Michigan Normal with times ranging from 4:23 to 4:35.

100-yard dash: Reeves, Michigan Normal, 19.8; Collins, Michigan Normal, 19.8; Haves and Pearson of Central Michigan, 19.6; Schaive, Western Illinois, 19.1; and DeNall, Southern, 19.1.

880-yard dash: Ward, Michigan Normal, 1:58; Tschirhart, Michigan Normal, 1:59; and Suter and Zitzner, Michigan Normal, Miller and Pearson, Central Michigan, Gregory, Southern, 2:00.

220-yard dash: Podoley, Central Michigan, 14.4; Wolf, Central Michigan, 14.5; Reves, Michigan Normal, 14.5; and Brown, Eastern Illinois, 14.9.

400-yard dash: Davis, Michigan Normal, 1:00; Kewes, Michigan Normal, 1:01; Haves and Pearson of Central Michigan, 1:01; Schaive, Western Illinois, 1:01; and DeNall, Southern, 1:01.

880-yard dash: Ward, Michigan Normal, 1:58; Tschirhart, Michigan Normal, 1:59; and Suter and Zitzner, Michigan Normal, Miller and Pearson, Central Michigan, Gregory, Southern, 2:00.

220-yard dash: Podoley, Central Michigan, 14.4; Wolf, Central Michigan, 14.5; Reves, Michigan Normal, 14.5; and Brown, Eastern Illinois, 14.9.

400-yard dash: Davis, Michigan Normal, 1:00; Kewes, Michigan Normal, 1:01; Haves and Pearson of Central Michigan, 1:01; Schaive, Western Illinois, 1:01; and DeNall, Southern, 1:01.

880-yard dash: Ward, Michigan Normal, 1:58; Tschirhart, Michigan Normal, 1:59; and Suter and Zitzner, Michigan Normal, Miller and Pearson, Central Michigan, Gregory, Southern, 2:00.

220-yard dash: Podoley, Central Michigan, 14.4; Wolf, Central Michigan, 14.5; Reves, Michigan Normal, 14.5; and Brown, Eastern Illinois, 14.9.

BRADLEY NORTHERN MEET AT PEORIA TODAY
Bradley University and Northern Illinois State baseball teams will tangle in a single game at Peoria this afternoon. The Braves have a 7-7 season this year, while Northern has a 4-12 mark.

The Huskies' latest losses were to Southern Illinois University, 6-0 and 5-4, last Friday. The double defeat put the Cardinals and Black in a first-way tie for second place in the IIAC.

NEW YORK YANKS HOLD MONOPOLY OVER SERIES
New York Yankees seem to have a monopoly on the World Series. The Yanks have played 20 series and have won 16. Only two of the lost opportunities have been lost while the New Yorkers were using Yankee Stadium, however.

In 1921 and 22 they lost to the Giants but all the contests were held in the Polo Grounds. The Yanks started playing in the Stadium in 1923. Since that time they have lost to the St. Louis Cardinals 8 times and 1942.

The Yanks have won in their last seven series appearances.

Netmen Drop Pair Of Matches During Week

The Saluki net squad has had a tough drop this far this week, losing Tuesday to Eastern at Charleston and Wednesday to St. Louis University here on campus.

Southern drew a complete blank in their first match against the Panthers. They were unable to score a single point. The St. Louis match was a little closer, with the Billikens taking honors at 4-2.

The Saluki cause was probably injured somewhat by the sickness of Captain Charles Pisoni. Pisoni played in the Tuesday match against Eastern, but was unable to take to the court against St. Louis.

In the Eastern match, Schreck of Eastern defeated Pisoni 6-2 and 6-4, while McDonald defeated Rod Merriman in 20, singles, 6-2 and 6-4.

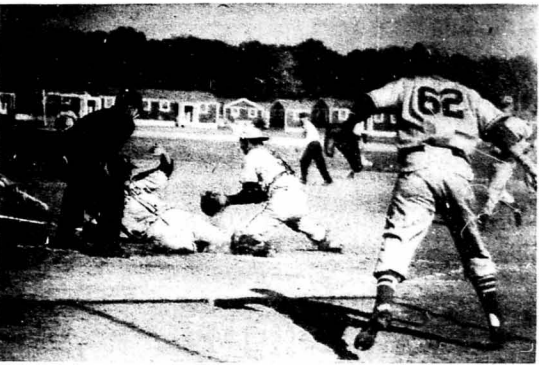

Stucky defeated Paul Prussman 6-4 and 1, while Pulliam defeated Gary Robinson 6-1, 4-6 and 6-3. Dike defeated Bruce Lape 7-9, 8-5, and 6-3.

In doubles action, Schreck and McDonald defeated Pisoni and Merriman 6-3 and 6-4 while Stucky and Pulliam defeated Prussman and Robinson.

Against St. Louis, Marshall Clark took Rod Merriman in the No. 1 singles 6-3 and 6-2. Joe Becker defeated Prussman 3-6, 6-1, and 6-3. Gary Robinson whipped Dick Bar 2-6, 6-0, and 6-3, and Don Mairzak defeated Lape 6-4 and 8-6.

In doubles, Clark and Bader took Rogers and Merriman 6-1 and 6-1. Lape and Robinson defeated Becker and Matzick.

The losses bring the Saluki's record to four wins and five losses, with one more chance of evening things up before conference when they meet Washington U. at St. Louis today.

Is he safe or is he out? Roger Wells, Saluki shortstop defending the bag, seems to have the ball and the situation well in hand, so the runner was probably out. The Saluki outfielder Eastern Illinois hit this afternoon at 1:30 in an

IIAC doubleheader, and hope to better their 3-3 conference mark. SIU still has a chance to cop at least part of the title, since league leading Illinois Normal was charged with two defeats last week-end at the hands of Michigan Normal. But Coach Glenn Martin's men suffered a severe loss last week-end when left-hander Wayne Grandcolas hurt his leg in the first game of a doubleheader. He'll probably be out for the rest of the season.

Hardly anyone remembers the name of Sam Langford today, although he was thought by some to have been the greatest of all prize fighters. One sports writer on the West Coast, back in 1908 when Langford was a mild sensation in the East, said that Langford wasn't good enough to get in the same ring with a local boy named Jim Flynn.

Flynn had fought two world heavyweight champions, Tommy Burns and Jack Johnson, and although he'd lost both fights, he'd given both champions a rough go.

Langford came to San Francisco in the latter part of 1908 with a reputation that impressed no one on the West Coast. When he was matched to fight Flynn, a boxing critic named Walker entered a fence post in the column of his paper.

Walker said that Flynn was a sure bet to be the next heavyweight champion, but instead of buckling down to the crusade, he wasted his time and the public's eye by messing around with a clown like Langford.

Walker's story came out the day before the fight. This gave Langford a day and a night to digest it and it aroused great indignation in him. Langford's friends knew that when Sam was indignant, something terrible was bound to happen.

When the bell rang to start the fight, Langford clapped his hands on Flynn's shoulders and maneuvered Flynn across the ring like a janitor pushing a piano. At a point along the ropes just above the ringside seat of sportswriter Walker, Langford stopped. "Hey, Mr. Walker," Sam said. "Here comes your champion."

A single right hand smash sent Flynn hurtling through the ropes and onto Walker's lap where he was counted out.

SEEMS BIRD IN THE AIR IS WORTH ONE IN THE CUP

Some guys are just good. A golfer on the 12th hole at Highland Meadows got a birdie by bagging one. Ernest Ireland, on the par four hole, hit a dove in the air on his second shot. Both dove and ball fell simultaneously and landed on the green. Ireland made his putt for a birdie.

Huskie Net Squad Golf Team Play

Northern Illinois State's tennis and golf teams will see double action this week against South Illinois competition. Coach Nye LaBov's golfers have road meets with Illinois Tech on Wednesday and Bradley on Friday. The tennis squad, coached by Gil Hertz, will be at Northern Central on Thursday and at Navy Pier Saturday.

After winning their opening two matches of the season, the Huskies' netters have dropped three in a row. The most recent was a 9-0 shell-lacking at the hands of Bradley. The golf team has a 4-4 record, splitting a doubleheader with Illinois Normal and Illinois Wesleyan in their most recent competition. Normal topped Northern while Wesleyan fell before the Huskies.

BOXING AWARDED ZALE TROPHY

Tony Zale, former Gary Golden Gloves and world middleweight champion, last night was awarded a national sportsmanship trophy for his outstanding contribution to boxing. The presentation was made by Dan Colomb of New York at the annual corn beef and cabbage dinner honoring the Most Reverend Bernard Shell in the Palmer House.

Bishop Shell, founder and director general of the Catholic Youth organization, also was honored with an award by Colomb. Zale was selected over eight other nominees.

Washington Bears Defeat Southern Baseball Squad

Riding the crest of a long winning streak, Washington U. added number 16 to the expense of the Salukis, 5-1, in St. Louis Tuesday.

The Salukis face Eastern Illinois in an IIAC doubleheader this afternoon at 1:30 on the home diamond. Thus far, SIU has a 3-3 conference mark, but they will be without the services of pitcher Wayne Grandcolas. The lanky southpaw is hobbling around on crutches after in juring his leg last week against Northern Illinois.

Seven Washington hits good for five runs in the third inning proved to be the undoing for the Salukis. Dinkel, Ladd, and Scheneberger singled off Darrell Thompson to open the third. After Friess doubled with the sack loaded, Thompson retired the next two batters, but Ollinger, Hatz and Utz singled in succession to produce the five-run burden from under which SIU couldn't struggle.

The Bears managed to put two men on base in each of the first two innings, and after the disastrous third inning, Thompson allowed them only two walks and no hits in the next three innings. Then Tom Millikin took charge of the mound chores and held Washington scoreless the last two innings on two hits.

Southern collected its long tally in the fourth on a double by Wayne Williams and singles by Cleon West and Dick Sandrin.

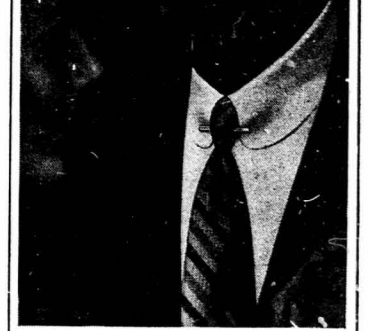

Williams, Cleon West and Jerry West each had two hits to bear the brunt of the Saluki attack. Pete Baggett and Sandrin got the only bingles for Coach Glenn Martin's team.

Dick Hertz, Washington's sophomore right-hander, made his fifth victory. His teammates blasted out 10 hits, with Scheneberger and Friess getting two apiece.

FAST 8 IN MILE RACE IN LOS ANGELES

Coliseum relays meet officials said today Illinois' Southern Methodist, Morgan State, Abilene Christian of Texas, Southern California and Occidental of Los Angeles will send their mile relay squads into that event here May 21.

Morgan State ran 3:11.3 last Saturday without being pushed. Illinois won at the Drake relays in 3:12.6. Abilene Christian is rated the best college class team in the nation, with 3:13.1 to its credit, which S. M. U. has duplicated. U. S. C. and Occidental figure to match or approach these times in competition Saturday in the West Coast relays in Fresno.

Fred Will May 22 in an exhibition mile at the CCI track meet. It will be the last warmup for the Crusaders who go after their eighth conference championship May 22.

This one's a real close one, since the cather is pretty well blocking Wayne Williams from the place. Williams has been one of the bright hitting spots in the line-up all season. The Salukis have a 5-10 regular season's record with eight more games remaining. There are six more conference games and games with St. Louis U. and Scott Field. Prospects for next year (a coach always looks forward to next year) seem promising. Out of the men who have started the most
