# University seeks \$200 million plus for next biennium

SIU has submitted an operating budget request totaling \$209,534,734 for the two years of the 1969-71 biennium. The request, now before the Illinois Board of Higher Education, is an increase of \$104,070,507 over the appropriation for 1967-69.

The SIU request is up 98.67 per cent over the previous biennium. Among the public universities and their governing boards, only the Board of Regents Office and the junior colleges lump sum request are a larger percentage increase. The higher board will discuss the requests Dec. 2 and 3.

University President Delyte W. Morris said more than half of the increase was necessitated by applying Higher Board-approved formulas to projected enrollments, salary adjustments, and costs of opening new buildings. An additional 20 per cent of the total increase, \$19,360,754, was caused by a 1967 law requiring full funding of current retirement system costs.

Other increases include costs of new degree programs at both the Edwardsville and Carbondale campuses, including the recently approved medical and dental education studies.

The University, with an enrollment of 31,912 for the current quarter, forecasts an enrollment of 42,414 in the fall of 1970, of which half of the increase is predicted for the burgeoning Edwardsville campus. A total of \$41,208,454 of the budget increase is asked to compensate for the increased enrollments, reflecting the higher costs associated with the continuing maturation of the University in the direction of upper-level undergraduate and graduate instruction, as envisioned in the Illinois Master Plan for Higher Education.

Salary and wage adjustments, based on the Higher Board formula, will require an increase of \$10,602,512 for the biennium, Morris said, while the costs of opening new buildings will add another \$5,816,902.

New instructional programs at all campuses, including initiation of medical and dental education, will cost \$13,038,792. Improvement and expansion of existing academic programs is estimated to cost an additional \$3,144,345 while organized research will need \$3,160,160.

Explaining the University's enrollment projection Morris said, "The actual enrollment for the Fall of 1968 was 31,912, an increase since 1966 of 6,161 students, or 24 per cent, which is better than double the rate expected during the biennium.

"Two years from now, in the Fall of 1970, the University expects to register a total of 42,414 students. Budget for the current biennium was \$105,464,227.

## City residents to vote today in 18 precincts

Carbondale voters will go to the polls today along with the rest of the nation to cast ballots for national, and local candidates.

The polling places in the 18 city precincts, which were realigned in 1966, will be open until 6 p.m.

The 18 precincts and polling places:

- 1) Koenig Chevrolet, Rt. 13
- 2) Church of God, Wall Street
- 3) Federal housing high rise, S. Marion Street
- 4) Community room of the Federal Housing Office, N. Marion Street
- 5) Ison Grocery, N. Marion Street
- 6) Assembly of God Church, N. Almond Street
- 7) Jim Pearle Motor Co., Illinois Avenue
- 8) Carbondale Military and Naval Department Armory, W. Sycamore Street
- 9) Carbondale Community Central High School, N. Springer Street
- 10) St. Francis Xavier Church, S. Poplar Street
- 11) Carbondale Community Teen Center, Walnut Street
- 12) Church of the Good Shepherd, Orchard Drive
- 13) Epiphany Lutheran Church, Chautauqua Street
- 14) JRP Realty Co., Glenview Drive
- 15) Parrish Grade School, R.R. 4
- 16) Western Heights Christian Church, R.R. 13
- 17) Handley Nursery, Rt. 51
- 18) Lakeland Grade School, Giant City blacktop

# Every vote counts in every election

By John Durbin

Yes, your vote could make a difference in today's election.

Many persons may think, "Why should I bother to vote? What difference will my vote make?"

But one vote HAS made a difference in past elections and could determine some of today's results.

In 1960 Republican presidential candidate Richard Nixon was defeated by John F. Kennedy by less than one vote per precinct throughout the United States.

Jackson County Circuit Clerk James Kerley defeated his opponent in 1964 by 234 votes in 44 precincts, according to Delmar Ward, county clerk. That was less than a five-vote difference per precinct.

In October, an election was held at McDonnell and Douglas Aircraft Corporations in St. Louis to determine which of two unions would represent the employees. The vote ended in a tie with each union receiving 8,981 votes.

One additional vote could have made the difference.

In Massachusetts, a candidate for governor in 1839 needed 51,034 votes for a majority. He received 51,034. Had one voter decided not to vote, there might have been a different governor. Rutherford B. Hayes was elected president in 1876 by just one electoral vote.

On election day five years ago, a candidate for councilman in a Cincinnati suburb was taken to a hospital with an appendicitis attack. He was unable to get to the polls and lost by one vote.

Randall Nelson, SIU professor of government and Carbondale city councilman, feels that anyone who is indifferent about voting creates "an absolute default in his civic responsibility."

"Each person's vote is his portion of political power in our political system," Nelson said.

# SDS backs Greek expansion plan

Students for a Democratic Society, in its third formal meeting Sunday, voted to support the Greek expansion policy which is now being examined by the Student Senate.

According to Leo Driscoll, spokesman for SDS, the group "feels that LEAC should be allowed to affiliate nationally and that underground off-campus fraternities should be recognized."

It is Driscoll's understanding that the "administration uses strong anti-greek feeling on campus to stimulate any action on expansion."

"But popularity of a group on campus should not inhibit a group to determine its own structure or size," Driscoll added.

The Student Senate housing committee has been examining this problem and will discuss the issue at this week's senate meeting.

The 40 people who attended the SDS meeting last Sunday also decided not to boycott today's elections, Driscoll said.

An election boycott had been recommended by the National SDS Chapter, said Suzanne Faulkner, campus Senator who helped the local SDS group obtain Senate recognition, but the local group vetoed the suggestion.

## Concert tickets available free

Seven hundred SIU student tickets, to be presented on a first-come, first-served basis, are available without cost for the concert by the Washington National Symphony orchestra at 8 p.m. Friday in Shryock Auditorium.

Tickets can be obtained at the information desk of the University Center.

The Washington National Symphony, directed by Howard Mitchell, will present Samuel Barber's "School for Scandal" overture, Rachmaninoff's "Concerto No. 3 for piano and orchestra," and Beethoven's "Symphony No. 7."

Ronald Turini, who had his Carnegie Hall debut in 1961, will be the featured pianist during Rachmaninoff's number.

The concert, part of the celebrity series, is a presentation of the Southern Illinois Community Concert Association.

# India now advances; Communism faltering

"There is no future for communism in India," according to K. L. Shrimali, a visiting professor in the College of Education. In the first of a series of lectures on India, Shrimali said communism will not gain a position of strength in India, that communism is best fought not on the battlefield but in the economic field and that India is advancing rapidly in economic development. For this reason, he thinks that communism cannot gain strength there.

When questioned about the effects of communistic appeals to youth in India, Shrimali said that communism has not gained the strength that communist leaders of India would like to project. Since the 1950 communistic movement, the youth of India have started to move away to different political ideas.

Shrimali served as Minister of Education in India for ten years and for 12 years was a member of the Parliament of India.

While at SIU, Shrimali will

... speak to various organizations. His topics will include "Values of Indian Culture," "Student Unrest in India," "Intellectual Impact of the West," and the "Problem of Population Control in India."

# Prominent GOP candidates

## For United States Senator

A resident of Pekin, Everett M. Dirksen is seeking his fourth term in the U.S. Senate. Now 72 years old, Dirksen was first elected to the U.S. House of Representatives in 1932. He served there 16 years before being elected to the Senate. He served the Senate as minority whip from 1954 to 1958 and from 1958 to present has been the minority leader. He is a member of the Finance and Judiciary Committees.

## For Governor

Formerly sheriff of Cook County and now the president of the Cook County Board of Commissioners, Richard B. Ogilvie has campaigned as a crime-buster and government reformer. An opponent of the Daley machine, he has supported legislative reforms for conduct of Cook County elections and aid for county purchasing. A graduate of Yale University and Chicago Kent College of Law, he was special assistant to the U.S. attorney general before running for sheriff. He resides in Northfield with his wife and daughter. He is 45 years old.

## For Lieutenant Governor

Robert Dwyer, 42, is an insurance executive from Winnetka. A strong campaigner for the GOP in the past, Dwyer lost in his attempt for the Republican nomination for state treasurer in 1966. In civic organizations he is director of Brain Research Foundation and Director of the North Side Boys Club.

## For Secretary of State

Presently a state senator, Donald D. Carpentier is seeking the office which his father held for 11 years. A senator for six years, he is chairman of the Committee on Highways and Traffic Regulations, and co-chairman of the Illinois Space Needs Commission. He lives in East Moline with his

wife and five children. He is 37 years old.

## For Auditor of Public Accounts

State Senator William G. Harris, 46, has served 14 years in the Illinois General Assembly. From Pontiac, he is chairman of the Appropriations Division of the Senate Committee on Public Finance and member of the Illinois Budgetary Commission. He has campaigned as being "a taxpayers' watchdog against wasteful spending."

## For Attorney General

Running for attorney general, William J. Scott previously served as state treasurer and special assistant to the U.S. attorney general. In 1964 he opposed Charles Percy for the Republican nomination for governor. As a member of State Electoral Board he won a series of court cases which resulted in the reapportionment of the state legislature. Scott, 41, is from Chicago.

## For Clerk of the Supreme Court

Justin Taft, 44, has served as township supervisor, probate clerk and associate Clerk of Sangamon County. He's the fifth generation member of his family to live on the Taft farm in Rochester. Among other civic organizations, he is a member of the Lincoln and Junior College District and was formerly President of the Rochester District Board of Education.

## For Representative in Congress 21st District

Val Oshel, the Mayor of Harrisburg, has run a hard fought campaign attacking his opponent's voting record in Congress. He has been especially critical of Gray's voting record on the issue of supplying countries who in turn sell to the North Vietnamese and on his support of the 10 per cent surtax. His campaign received a boost when Richard Nixon campaigned here and called him "one of the bright young stars

on the political scene." He is 42 years old.

## For States Attorney

Ted Lorek, who serves as legal counsel at SIU and operates his own law firm, has attacked Richman for his inability to solve criminal cases and poor cooperation with the local law enforcement agencies. He thinks his work with the SIU Security Police and teaching at the Police Training School at VTI gives him more experience than his opponent had before he assumed office.

## For Circuit Clerk

A Murphysboro resident, Marvin Wright is seeking his first political office. He has worked at Grob Chevrolet for

## One college does more than broaden horizons. It sails to them, and beyond.

Now there's a way for you to know the world around you first-hand. A way to see the things you've read about, and study as you go. The way is a college that uses the Parthenon as a classroom for a lecture on Greece, and illustrates Hong Kong's floating societies with an hour's ride on a harbor sampan.

Every year Chapman College's World Campus Afloat takes two groups of 500 students out of their classrooms and opens up the world for them. And you can be one of the 500. Your new campus is the s.s. Ryndam, equipped with modern educational facilities and a fine faculty. You'll have a complete study curriculum as you go. And earn a fully-accredited semester while at sea.

Chapman College is now accepting enrollments for Spring '69 and Fall '69 semesters. Spring '69 circles the world, from Los Angeles through the Orient, India, South Africa, to New York. Fall '69 leaves New York for Europe, the Mediterranean, Africa, South America, ending in Los Angeles.

The world is there. Here's a good way for you to find out what's happening. Send for our catalog with the coupon at right.

**Safety Information:** The s.s. Ryndam, registered in the Netherlands, meets International Safety Standards for new ships developed in 1948 and meets 1966 fire safety requirements.

# Key Democratic candidates

## For United States Senator

At 43, William G. Clark has served as a state senator, was the majority leader at age 34, and has served two terms as attorney general. As a candidate for U.S. senator he has based much of his campaign on repudiating the United States involvement in Viet Nam. While Attorney General Clark created a Consumer Fraud Bureau and established a "Charity Hot Line" which allowed anyone in the state to telephone and determine the legality of a person soliciting for charity. He resides in Chicago with his wife and five children.

## For Governor

Samuel Shaprio took over the state's highest office after Governor Otto Kerner was appointed judge of the U.S. Court of Appeals. He started as city attorney for Kankakee, became state's attorney for Kankakee County, state representative, lieutenant governor and then governor. He was chairman of the Commission on Mental Health, Chairman of the National Conference of Lieutenant Governors and a member of the Council of the Improvement of the Economic and Social Status of the Older People.

## For Lieutenant Governor

State Senator Paul Simon is perhaps best known as sponsor of a "Right to Know" law which requires all meetings of public bodies to be open to the public. Simon, 39-years-old, was voted six times the Independent Voters of Illinois "best legislator" award. He is from Troy, in Madison County.

## For Secretary of State

Running for re-election for

secretary of state, Paul Powell previously served 15 terms in the Illinois House of Representatives. Powell, from Vienna, instituted a program to improve driver's licenses for minors, started a new auditing system which increased truck license revenue and has recommended legislation to create a merit system in the office.

## For Auditor of Public Accounts

Michael J. Howlett is seeking a third term. He has campaigned for and was responsible for the law providing mandatory audits of county offices, and in his own office set up an investigative division to guard against irregularities in state finances. His concern for economy is illustrated by his saving of more than \$600,000 of his biennial appropriation.

## For Attorney General

Presently the director of the Department of Public Works and Buildings, Francis S. Lorenz supervises operation of the state's road system and interstate highways. After being a lawyer, he served as clerk of the Superior Court of Cook County, Cook County treasurer and state treasurer.

In 1966 he was named by Kiwanis International as one of the top ten men in public works.

## For Clerk of the Supreme Court

A school teacher from East St. Louis, Miss Fannie G. Jones has a record of state political activity. Girl Scout work, the Headstart program and service as a delegate to Baptist conventions earned her "Woman of the Year" honors for community service in East St. Louis. She is a

member of the Illinois Federation of Teachers, the National Education Association and the NAACP.

## For Representative in Congress 21st District

Kenneth Gray is running for his eighth term in Congress after serving 14 years. The fight for the 21st Congressional District seat is one of the fiercest in the country. Gray, who has termed his opponent's campaign a "smear campaign," has based his campaign on contributions he has made to the area. The cost of the projects and improvements in his district total more than two billion dollars, which he says is more than the residents have paid in income taxes. From West Frankfort, Gray is 45 years old.

## For States, Attorney

Richard Richman is standing on his record in his bid for re-election. In one of the most heated contests in Southern Illinois, Richman has denounced his opponent's charges as being unwarranted. He has based his campaign on "high percentage of convictions based on the evidence and excellent cooperation with the local law enforcement agencies."

## For Circuit Clerk

James R. Kerley is basing his campaign on his past record as Circuit Clerk. A veteran of 20 years in the Navy, he worked at a supermarket before being elected in 1964. A Murphysboro resident, he is a member of

Listed on this page are short biographical sketches of some Democratic candidates for key offices.

the Eagles, VFW, American Legion and Farm Bureau.

## For Coroner

Harry Flynn is seeking re-election and running on his record. Flynn, 54, a Carbondale insurance agent, is basing his campaign on "honest, efficient, considerate service to every individual who needs it." He has been endorsed by the Jackson County Democratic and Republican Physicians Committee for Flynn.

# Rain dampens activities of Saluki Homecoming

By Mary Lou Manning

The 1968 Homecoming festivities might best be described with one word—"wet."

And during the period from the foggy-cold Coronation Ball to the rain-delayed stage show, spirits seemed to dampen with the weather.

Reigning over the festivities was the 1968 Homecoming Queen, Sheila Goldsmith. Miss Goldsmith, who represented Brush Towers, was crowned by the 1967 Queen, Hazel Scott, during the ball Friday night. The coronation took place on the revolving stage in the Arena, under the watchful eye of King Menes, traditional sovereign of SIU's Homecomings.

Miss Goldsmith's court included Diane Clausing, a junior from Crete; Barbara McVay, a junior from Northbrook; Jan Walker, a senior from Marion; and Madalyn Yezdauski, a junior from Springfield. Cindy Jukes, a sophomore from Collinsville and Sue Hussong, a sophomore from Hazelwood, Mo., were attendants.

The parade seemed to suffer most from the rain. Thirteen local bands scheduled to appear in the Saturday morning parade would not march in the rain, leaving only the Marching Salukis in the lineup, and the paint on the floats ran down the wet crepe paper. Nevertheless, a sizeable crowd lined the streets to watch.

President Delyre W. Morris, accompanied by his wife, was the Grand Marshal of the parade.

Winners in the float division, announced during Saturday's pre-game activities, were Alpha Eta Rho aviation fraternity, first place; Veterans Club, second place; and Saluki Enterprises, honorable mention.

Awards in the stunt category went to Recreation Club, first place; 10th floor of Schneider Hall, Brush Towers, second place; and Alpha Eta Rho, honorable mention.

Pyramids Residence Hall won first place in the house decoration off-campus, single-group category. Second place went to the Baptist Student Center; third place, Blazine House; and honorable mention, University City.

On-campus single-group winners were: Sigma Sigma Sigma social sorority, first place; Boomer Hall, University Park, second place; Wright Hall, University Park, third place; and Kappa Alpha Psi social fraternity, honorable mention.

Combined group winners were Felts and Kellogg Halls of Thompson Point, second place; Egyptian Dormitory and La Chateau, third place; and Smith and Warren Halls, Thompson Point, honorable mention.

Perhaps the brightest spot of the wet weekend was the Homecoming Stage Show.

Jose Feliciano, the blind Puerto Rican "soul" singer, received a standing ovation after a moving performance which included his popular recordings of "Light my Fire" and "High Heeled Sneakers."

After adjusting to the revolving stage, Mancini and his 40-piece orchestra presented such crowd-pleasers as "Baby Elephant Walk," "Pink Panther," "Charade," "Peter Gunn," and his two Academy Award winners, "Moon River" and "Days of Wine and Roses."

# Vietnam voting factor

## Foreign policy issue debated

By Stephanie Brown

The role foreign policy issues play in affecting voter perception and behavior was the theme of an informal discussion last night in Davis Auditorium.

Department of Government faculty members Melvin Kahn, Kue Chou and Manfred Landecker covered a range of subjects ranging from tariffs, the missile gap, the Pueblo incident, the possibility of a fourth political party, and the results of the recent polls and their effect on the election.

But all three kept coming back to the issue of Vietnam as a major factor in determining voter behavior.

A statement was presented from the audience that President Johnson's decision to stop the bombing of the North was immoral and strictly a political maneuver in behalf of presidential hopeful Hubert Humphrey.

Kahn commented on the statement saying it is obvious that President Johnson did want to see Humphrey as the

next president and the fact that he has gained popularity in the polls might in part be attributed to Johnson's bombing halt decision.

Foreign policy has played a minimal role affecting the vote, according to Landecker. He said he felt that voters lack information and preference about foreign affairs, that the issues in this election tend to "blur rather than define foreign policy."

Chou said that American prestige and the United Nations are both major issues in the campaign that have stemmed from the Vietnam war.

# Vietnam universities reported more difficult to enter than American

Getting into a university in South Vietnam involves a lot more than just showing up for registration.

Vietnam universities are difficult to get into, says an SIU professor who has recently returned from a four-week trip to Vietnam.

John E. King, chairman of the Department of Educational Administration and Foundations, said the student in South Vietnam must pass two difficult exams at various levels of his education in order to qualify for acceptance in a university. Once the student becomes eligible, he is placed on a long waiting list, and is called only when there is an opening for him.

"Because so few people have the opportunity for higher education, scholarship and status are related," King said. "The university student in Vietnam is not rewarded monetarily after graduation, but he attains great status rewards in society."

The Vietnamese student is not nearly as free as the student in America, but he has more freedom than the student in Russia, North Viet-

nam, or Red China, King said. "Students are allowed to give their views concerning the current war, and are also allowed to criticize if they so desire," he said. "The educational system is as good as can be expected under present conditions. The South Vietnam universities are now trying to develop a registrar

system, a credit system and student services in an attempt to improve the higher educational institutions of the country."

King's Vietnam mission for the U.S. Agency of Internal Development attempted to help educators with plans to establish a stronger university system and help alleviate some of the educational problems found in the Asian country.

## Chemists to read papers at meeting

Chemistry faculty and students will present six research papers at the Midwest meeting of the American Chemical Society this weekend at Kansas State University.

Robert Sapp and Boris Mulsulin will present a paper entitled "A New Device for Density Measurements." The work describes a new device for measuring "heaviness" of solutions at different temperatures.

Albert L. Caskey, associate professor of chemistry, Gary D. Carlson and Joseph Rigdon will present "Spectrophotometric Determination of Cobalt in Natural Waters using Sodium 2-Nitroso-1-Naphthol-5-Sulfonate."

Frank Gibbard, assistant professor, will present "Heats of Dilution of Electrolyte Solutions."

Cal Y. Meyers, professor of chemistry, Ishaq Sataty, Tom Doyle and Walter Matthews will present "Mechanism of the Oxidative Rearrangement of Phenyl-Methylallyl Sulfide to Phenyl Crotyl Sulfone."

Two other papers will be presented by John Tykal, Meyers, Doyle, M.L. Hsu and Sataty.

## Peltzer presents works in Boston performance

Dwight Peltzer, SIU artist in residence and one of the country's outstanding young pianists, presented the Boston premiere of three contemporary works in an Oct. 28 recital at the New England Conservatory of Music.

Peltzer has concertized widely in the United States and Europe.

Peltzer's next appearance at SIU will be on Nov. 13 with Myron Kartman, violinist, in a duo-recital.

## ADS chapter receives award

The SIU chapter of Alpha Delta Sigma, national professional advertising organization, has been named regional winner of the Donald W. Davis Award as the outstanding ADS chapter in the Midwest for 1967-68.

Among 42 collegiate chapters of ADS nationwide, the

SIU chapter gained a tie for third place nationally with the University of Oklahoma, both having 94 of a possible 100 points in the competition.

The national winner of the award for 1967-68 was Texas Tech with 100 points, followed by Texas A & M with 95 points.

## State Police sponsor driving course at SIU

Instruction in safe driving techniques will be offered in an adult certificate course at SIU by Sgt. Lendall C. Rockwell, traffic safety officer for Illinois State Police District 13.

Classes will meet from 7 to 9 p.m. Mondays for four weeks in Room 120 of the Technology Building A beginning Monday. There is no tuition, but \$1 will be charged for materials.

### Why would Bic torment this dazzling beauty?

**Why?**

To introduce the most elegant pen on campus.

Expensive new Bic Clic for big spenders **49¢**

Only Bic would dare to torment a beauty like this. Not the girl... the pen she's holding. It's the new luxury model Bic Clic... designed for scholarship athletes, lucky card players and other rich campus socialites who can afford the expensive 49-cent price.

But don't let those delicate good looks fool you. Despite horrible punishment by mad scientists, the elegant Bic Clic still wrote first time, every time.

Everything you want in a fine pen, you'll find in the new Bic Clic. It's retractable. Refillable. Comes in 8 barrel colors. And like all Bic pens, writes first time, every time... no matter what devilish abuse sadistic students devise for it.

Waterman Bic Pen Corporation, Milford, Connecticut 06460

# On-campus job interviews

Following are on-campus job interviews at University Placement Services. For appointments and additional information, interested students may phone 453-2391 or stop by the Placement Office at 511 South Graham, College Square, Building B.

Thursday, November 7

**General American Life Insurance Company:** Underwriting, Accounting, Claims Management, Actuarial Assistants, Computer Programming. Degree in Math., Accounting, Business or Liberal Arts.

**American Cyanamid Company:** Check with Placement Services.

**Geigy Agricultural Chemical Co.:** Sales Management Trainees—calling on distributors, farm-supply dealers and fertilizer dealers keeping them informed on the latest information and assist them in selling Geigy Products to farmers, etc.

**Southern Railway System:** Engineers.

**Armour & Company:** Check with Placement Services.

**Community Unit School District #9, Granite City, Illinois:** Elementary & Special Education.

Friday, November 8

**Emerson Electric Company:** Advertising, Accounting, Purchasing, Sales, Management, Marketing.

**Alton Box Board Company:** Business, Liberal Arts, & Technology majors for positions in Sales Production, Administrative, Engineering, Accounting, & Technical.

**Bureau of Federal Credit Unions:** Accounting majors for positions involving examination and supervision of Federal Credit Unions.

**Pear, Marwick, Mitchell & Co. (CPA's):** Accountants.

**Merrill Lynch, Pierce, Fenner & Smith, Inc.:** Account Executive (stockbroker) Operations—Supervisory positions in Cashier's and bookkeeping depts. Must be willing to re-locate. Sales/Secretarial—for women with basic secretarial skills.

**Kellwood Company:** Accountants, Chemical Engineers, Chemists, Industrial Engineers, Mechanical Engineers and Personnel, etc.

**Lybrand, Ross Bros. & Montgomery (CPA's):** Accountants.

## Cooperative offers SIU scholarship

SIU undergraduates from Jefferson, Washington or Marion counties may qualify for a \$300 scholarship for the 1968-69 school year.

The award is offered by Tri-County Electric Cooperative, Inc., of Mt. Vernon. To be eligible, the student must be the son or daughter of a Tri-County Electric Cooperative member, be in good standing and have need of financial assistance.

Area residents are invited to submit names of nominees for the scholarship to A. W. Bird, member service supervisor, Tri-County Electric Cooperative, Inc., P.O. Drawer 309, Mt. Vernon. Final selection will be made by the SIU Office of Student Work and Financial Assistance.

## Action Party nominates three

Nomination of three candidates for Student Senate seats and adoption of a party platform were completed by the Action Party at its annual fall convention.

Jack Seum was nominated for re-election as Thompson Point senator, Paul Wheeler was backed for re-election as commuter senator, and Thomas Vaught was nominated for another commuter seat. Other nominations will be

completed in the future, according to party heads.

Included in the platform adopted were programs concerning University traffic problems, a pedestrian overpass, improved academic programs and an increase in athletic programs.

Terry McKinney was elected Action Party Chairman.

## Junior college priority part of master plan

The doors of SIU always will be open to the state's junior college transfers and graduates, Chancellor Robert MacVicar told a statewide junior college conference Friday in Rockford.

Speaking at a panel discussion featuring representatives of all state universities and the Federation of Independent Colleges and Universities, MacVicar said "There will continue to be space at SIU for junior college transfers because we expect they will have priority in terms of the University's programs and educational service. SIU is committed to the state master plan for higher education, and it is incumbent on us to provide for the junior college transfer student when he is ready to come."

MacVicar said SIU also has designed housing services with junior college students in mind. He said many such students are "more mature and more likely to be married" and that such facilities as the new Evergreen Terrace apartment project are partly the result of heavy demand from transfers.

# Tournament Week, intramural wrestling on tap

## Intramural wrestling

The annual Intramural Wrestling Tournament will be held in the SIU arena on Tuesday, Nov. 12 through Thursday. Hours for the tournament all nights will be 8:15 to 10:30 p.m.

Weigh-in time will be between 2 and 6 p.m. Nov. 11 in the main locker room at the north end of the Arena. Heavyweights are required to weigh-in.

The weight divisions will be 115 pounds and under, 128, 136, 145, 155, 163, 175, 190 and heavyweight.

This tournament is straight elimination, and bouts will be three minutes in length (1-1-1). In case of ties, there will be an overtime of three 30-second periods. If still tied after the additional time, the referee and the two judges will decide the match.

Teams may enter only one student in each weight class, and must include at least six

members made up from one of the four leagues. Any organization may have more than one team entered in the tournament, but participants may not be switched from one team to another after 6 p.m. Nov. 11.

Contestants may enter the competition as independents, although they must fill out papers by 6 p.m. Nov. 11 stating that intention. Team rosters are due at the same time in the Intramural Office.

No wrestler will be expected to wrestle more than twice in any one evening, but each wrestler must present each evening when his name is called to avoid a forfeit. Participants who can not be present to wrestle must notify and make suitable arrangements with the Intramural Office before 2 p.m. of the day he is to wrestle.

Standard wrestling or physical education equipment is the official dress for participants. Students participating in wrestling at SIU are not eligible, and a list of such students is posted on the Intramural Office bulletin board.

Wrestling mats will be available for practice after 8 p.m. on Nov. 5 through 8.

A team scores five points for first, three for second, two for third and one for fourth place.

An award will be made to the winner of each class and a trophy will be given to the team scoring the most points.

All rules may be found in the Illinois High School Rules book. All participants should also read page 14 of the Intramural Handbook for SIU Health Service regulations governing participation.

## Tournament Week

The University Center Committee of the Student Government Activities Council (SGAC) announced plans for its annual Tournament Week, to be held from Nov. 11 through the 22nd.

Competition is open to all full-time graduate or undergraduate students, and winners in the events will have the opportunity to represent SIU at regional competitions during the school year.

Competition for trophies will take place in bowling, bridge, pinocle, chess, three-cushion billiards, six-pocket pool, and table tennis, singles and doubles.

Separate competition for women will be held in bowling, table tennis and six-pocket pool, while all other events are open to men and women.

The purpose of the week is to establish local winners

to send to regional competition sponsored by the College Union Association. All tournament expenses, locally and regionally, will be provided by the SGAC, except for a \$1 charge for bowling.

Competition will take place in the University Center Olympic Room and bowling lanes evenings during tournament week from 6 to 10 p.m.

To compete at the regional level, all event winners must have a 3.0 grade point as of January 1. In the event of a local winner not having the required average, the next in-order finisher will advance to the regional level.

SIU has sent local winners

to the regional competition for the past three years, and an SIU student, Roger Barlett, finished third in the nation in three-cushion billiards in 1967.

## Ex-Saluki Hart,

## Big Red improve

Since Jim Hart won his job back as starting quarterback for the St. Louis Cardinals, both he and the Big Red have shown steady improvement.

Engineering the 45-17 win over the winless Philadelphia Eagles Sunday, the ex-SIU quarterback hit on seven of 13 passes for 147 yards and one touchdown. He also went over himself for two more scores.

The game was the fourth Hart has started since losing his job to Charley Johnson. Hart was benched, according to Coach Charley Winner, to take some of the pressure off him after the Cardinals lost the first two games of the season.

## Soccer Club loses to

## U. of I. at Chicago, 3-1

SIU's International Soccer Club couldn't come alive offensively against the University of Illinois (Chicago Circle) and fell to a 3-1 defeat Saturday at Chicago.

The host, behind two goals by Jamaican Mike Witter, countered three times in the first half to take a commanding lead.

SIU center back Dickie Coke put Southern on the scoreboard with a penalty kick in the second half but it turned out to be the total point production for the day.

The loss dropped SIU's record to 3-4 on the season with three games remaining to be played.

# do your contact lenses lead a clean life?

because LENSINE is an "isotonic" solution, which means that it blends with the natural fluids of the eye.

Cleaning your contacts with LENSINE retards the buildup of foreign deposits on the lenses. And soaking your contacts in LENSINE between wearing periods assures you of proper lens hygiene. You get a free soaking case on the bottom of every bottle of LENSINE.

It has been demonstrated that improper storage between wearings may result in the growth of bacteria on the lenses. This is a sure cause of eye irritation and in some cases can endanger your vision. Bacteria cannot grow in LENSINE which is sterile, self-sanitizing, and antiseptic.

Let your contacts be the convenience they were meant to be. Get some LENSINE from the Murine Company, Inc.

Contact lenses can be heaven... or hell. They may be a wonder of modern science but just the slightest bit of dirt under the lens can make them unbearable. In order to keep your contact lenses as comfortable and convenient as they were designed to be, you have to take care of them.

Until now you needed two or more separate solutions to properly prepare and maintain your contacts. You would think that caring for contacts should be as convenient as wearing them. It can be with LENSINE.

LENSINE is the one lens solution for complete contact lens care. Just a drop or two, before you insert your lens, coats and lubricates it allowing the lens to float more freely in the eye's fluids. That's

# Penguins take game 18-15; SIU now 3-3

Youngstown must have SIU's number. In four meetings with Youngstown, the Salukis have yet to win one.

In 1965 Southern took it on the chin, 8-7, tied 21-21 in 1966 and was defeated 29-3 last year. Last season's loss came just one week after the Salukis stunned Tulsa 16-13 in SIU's Homecoming encounter.

Youngstown upended the Salukis 18-15 Saturday in SIU's Homecoming tilt before a standing room only crowd estimated at 14,000.

Coming into the game, the Salukis were riding a three-game winning streak with victories over Lamar Tech 24-27, Dayton 18-17 and Drake 21-20, Dayton and Drake were Homecoming affairs.

The main factors in Southern's loss was Youngstown's brilliant offense and SIU's lack

of an offense and a defense which couldn't contain the Penguins.

The Penguins air attack really spelled disaster for the Salukis. Youngstown quarterback Dennis Klembara threw for both of the Penguin touchdowns. The freshman signal-caller passed for 333 yards, completing 24 of 43 passes, whereas SIU gained only 90 yards via the air, hitting on only 5 of 13 attempts.

Klembara's primary target was Dave DelSignore who hauled in 11 passes for 113 yards and one touchdown.

Klembara also utilized half-back Calvin Mason and full-back Craig Cotton as receivers. Mason made two receptions for 61 yards and one touchdown which covered 51 yards. Cotton speared four passes for 86 yards.

"Youngstown had good execution. They have a good thrower and good receivers," Saluki Coach Dick Towers said.

Doug Hollinger was the Salukis top receiver with two catches for 77 yards and one touchdown. This touchdown pass, which covered 68 yards, came from wing back Mike Bradley. This score came when Southern was trailing 18-0 with 10:12 remaining in the third quarter.

John Quillen was once again the SIU workhorse, carrying the ball 29 times for 112 yards and a touchdown. His score came on a 10-yard run over right tackle with 4:13 left in the third period. The furthest point of penetration for the Salukis was to the Penguin 36-yard line late in

the final period.

Concerning the Salukis offensive troubles, Coach Towers only said, "We just didn't execute on offense." SIU only gained 203 total yards. "We had a tremendous kicking game," commented Towers. "We got them deep in their own territory, but the defense just couldn't hold them."

Before Youngstown kicked a field goal in the first quarter to take a 9-0 lead, Saluki

punter Barclay Allen had boomed one to the Youngstown seven-yard line. In the second period Allen booted one to the Penguin 26-yard line only to have Youngstown come back and kick a 35-yard field goal with one second left in the half. And in the third stanza Allen punted to the Penguin 30-yard line only to have them bounce back and score a touchdown on a Klembara to Mason pass which covered 51 yards. "We just weren't ready to

play this game," Towers stated. "This was by far our poorest defensive game of the year. They didn't pull anything that we didn't know about, but we weren't ready to play against the screen pass."

"I felt that we would win when we were down 18-0, but Youngstown played a fine game. They were up for it. Beede is a hell-uv-a coach. You have to give them all the credit in the world."

Wide open

Where is the Saluki defender? Youngstown's end Dave DelSignore is about to make one of his many receptions Saturday. This is the way it went all afternoon as the Penguins picked up 333 yards in the air and defeated SIU 18-15.

# Hinton wins eighth; SIU places sixth

By Barb Leebens

The gun went off and 24 minutes and 25 seconds later SIU harrier Gerry Hinton won his eighth intercollegiate race of the season Saturday at Glenn Ellyn.

Of the 18 teams participating in the Illinois Intercollegiate, SIU places sixth with a team total of 148 points while Eastern placed second with 90.

Western, a team Southern beat earlier in the season 26-29, placed third with 100; while DePaul took fourth place honors with 107 points. Northern was fifth with 134 points.

"The kids ran very poorly and we really missed Glenn Ujiye," Coach Lew Hartzog said. "Hinton won with ease.

## How they fared

SIU's opponents fared no better Saturday than the Salukis did. They were only 2-6, and one of these wins came because two of Southern's foes played each other.

With SIU's opposition in all capitals, the results are as follows:

- TAMPA 22 NORTHERN MICHIGAN 19
- Southeast Missouri State 19
- SOUTHWEST MISSOURI STATE 6
- LOUISVILLE 23 Kent State 9
- Memphis State 32 TULSA 6
- Arkansas State 48 LAMAR TECH 17
- Xavier, Ohio, 27 DAYTON 25
- South Dakota 49 DRAKE 28

One that got away

Doug Hollinger is the runaway Saluki who races past the outstretched body of a Youngstown University player in Saturday's Homecoming tilt. Hollinger was one of the Salukis' more effective players, but few things worked in SIU's favor the entire day. Greeted in the morning by rain, SIU fans saw it let up long enough during the game to allow the usually potent Youngstown passing attack to function. The Salukis lost 18-15. (See story page 15) (Photo by Chuck Rydlewski)

## "Saturday afternoon isn't nearly as tough as Saturday night"

We keep warning you to be careful how you use Hai Karate® After Shave and Cologne. We even put instructions on self-defense in every package. But your varsity sweater and best silk ties can still get torn to shreds. That's why you'll want to wear our nearly indestructible Hai Karate Lounging Jacket when you wear Hai Karate Regular or Oriental Lime. Just tell us your size (s,m,l) and send one empty Hai Karate carton, with \$4 (check or money order), for each Hai Karate Lounging Jacket to: Hai Karate, P. O. Box 41A, Mt. Vernon, N. Y. 10056. That way, if someone gives you some Hai Karate, you can be a little less careful how you use it.

Send for your practically rip-proof Hai Karate Lounging Jacket.

Allow 6 weeks for delivery. Offer expires April 1, 1969. If your favorite store is temporarily out of Hai Karate, keep asking.

I'm sure the kids tried, but they just couldn't tighten the slack created by Ujiye's loss."

The Salukis placed 21, 28, 38, 58, and 72, for their team total of 148.

"Illinois won the team title easily," Hartzog added. "There was some trouble as the course was poorly marked and there were no monitors, and it caused a slow-up as some of the runners were confused as where to go."

Ujiye was lost to the meet because of a leg injury suffered last week in practice.

"I doubt that Ujiye will be back for this Saturday's meet," Hartzog said. "I hope that the boys will be able to pick after such a poor showing at Glenn Ellyn."

The sixth place showing dipped the Salukis' record to 3-4-1 for the season. Southern will meet Murray State here Saturday at 11 p.m.

This was the first time since 1962 that SIU has participated in the Intercollegiate. Since that time it has been limited to Illinois colleges of a certain student population. Saturday was the first time in the history of the event that all Illinois state colleges were invited to compete regardless of school size.

## Playtex invents the first-day tampon™

(We took the inside out to show you how different it is.)

Outside: it's softer and silky (not cardboardy). Inside: it's so extra absorbent... it even protects on your first day. Your worst day!

In every lab test against the old cardboardy kind... the Playtex tampon was always more absorbent. Actually 45% more absorbent on the average than the leading regular tampon.

Because it's different. Actually adjusts to you. It flowers out. Fluffs out. Designed to protect every inside inch of you. So the chance of a mishap is almost zero!

Try it fast. Why live in the past?
