## Set Tuesday for Officer, Homecoming Nominations

Nominations for the Homecoming officer, her court, attendants, and class officers will be held Tuesday, Oct. 14. The nominations will kick off the campaigns for the various candidates who will meet in a final showdown in the final election Oct. 21.

Much interest already has been aroused by both the Greeks and the Independent Student Association in the coming nominations and elections. Possibility of big splits in the voting has brightened the interest since Anthony Hall is now planning to give a majority of its votes to the Greek ticket.

**BOTH THE NOMINATIONS** and the final election will be supervised by the Student Council. In order to vote a student must present his activity ticket.

The Student Council has advised all students to observe voting regulations which require that each student may vote only once and must present his own activity ticket at the time of voting.

Another rule stressed by the Council is the one restricting all campaigning to outside a 200-foot radius from the polls, such campaigning including posters and hand bills.

Plans have been set up to have poll watchers on hand at all times during the election. According to Jerry Fear, Student Council president, "The Student Council advises strongly against any unfair election practices."

In order to be nominated for officer a girl must be a junior or senior (have at least 96 quarter hours of credit) and must be carrying a minimum school load of 96 hours.

In the nominations, each student may nominate two persons from the freshman and sophomore classes for queen's attendants. Of those nominated the highest 10 will be listed on the final ballot. Like the queen candidates, those running for attendant must be carrying at least 12 hours this term.

The two girls receiving the most votes in the final election will be attendants.

**CLASS OFFICER** nominations will be for the following officers: president, vice-president, and secretary. Students may only nominate officers for their own class.

In order to become a freshman class officer, the student may have no more than 30 hours credit. A sophomore class officer must have between 31-78 hours while a junior must have from 79-116 hours of credit, and a senior from 117-160 hours. All candidates must have at least a 3.0 average while attending SIU and must be carrying at least 12 hours.

In order to be nominated to a class officer, a student must receive at least 10 nominations. In case more than 10 students are nominated, then only the 10 receiving the

highest number of nominations will be listed on the final ballot. In case less than 10 students are nominated for an officer, only those receiving 10 or more votes will be listed.

**Final Enrollment Figure Set At 2,902 Students**

Final registration figures for Southern's fall term enrollment have been set at 2,902 according to a release from the President's office. This figure includes only the on-campus day students including the Vocational-Technical Institute day classes.

Last year's enrollment figure were 2,734.

University School enrollment is 390 this term.

Seventy-four persons are enrolled in extension classes at the Belle Meade residence center. These figures are incomplete, however, as late registrars have not been included in this figure.

Vocational-Technical Institute classes, which are offered at night, has an approximate registration figure of 750. Several of the classes began last Tuesday evening. Because of the late registration which was held for these classes, the total figure will not be available for some time.

## Student Art Work Now On Display

The Art club in cooperation with the Student Center has hung seven paintings in the lounge and various meeting rooms at the center. The paintings are chosen monthly by a committee from the art department.

The youngest painter whose work is represented is Sam Berry, Murphysboro sophomore, with his "Town." The others whose paintings are on exhibit are Don Brown, Highland senior, with his "Still Life"; and a portrait rendition of "Spring Form" by Charles Platt, Evans College of Fine Arts, Georgia, Columbus, Ohio.

"Frigid Queen," done by Darwin Payne, Carbondale senior, is hanging in the front meeting room of the Student Center. Ken Boener, a graduate from the University of Wisconsin where he received his BFA degree, is represented with his colorful painting entitled "Apris Mids."

Gib Strawn, also a graduate from the University of Wisconsin, is exhibiting his "Spring in the Park," Concerto No. 4" was done by Lon Mosburg, a graduate from the University of Wisconsin.

The program sponsored under the auspices of the Carbondale Community Concert Association will be given in Sylvan auditorium at 8 p. m.

The first portion of the program will contain selections by Schubert, Wagner, Debussy, and Camille Saint-Saens. **SELECTION FROM** the works of Rossini, Pizzoni, and Mendelssohn, Thompson, Barber, Wilda, and Strauss, will be presented following the intermission.

"Cazards" from Strauss' "Die Fledermaus" will close the concert.

Miss Steber has sung with every major symphony orchestra across the country and is a regularly heard soloist on the "Voice of Firestone."

Miss Steber made history at the Metropolitan Opera last winter when she voluntarily sang two operas in one day - her debut at Desdemona in "Otello" in the afternoon followed by Fiordiligi in Mozart's "Così Fan Tutti" that evening.

Her ever increasing repertoire now contains twenty-four leading operatic roles including six Mozart, four Verdi and three Puccini. During the 1952-53 Met season, she sings her second major Wagnerian role, that of Elsa in "Lohengrin."

Admission to Monday night's concert here requires either a membership card to the Community Concert Association or a student activity ticket.

## Ticket Contest For Homecoming Begins Today

Final plans for a Homecoming ticket contest which is beginning today's issue of the Egyptian have been made by the Homecoming publicity committee. Awards will be complimentary tickets to the Homecoming concert and dance.

Clubs will be scattered over various pages of the Egyptian, and will be headed with only the number of the club. The clubs will appear in a series of three, one series to appear in each issue of the Egyptian. Each series leads to the location of a note entitling the holder to a free dance ticket if the club are in a Friday edition, or to two concert tickets if the clubs are printed in a Tuesday edition. The dance ticket will admit one couple to the dance.

Bill Young, a member of the publicity committee, will write the clues for the Egyptian. A series of president of the Student Council and chairman of the Career Conference.

The questionnaires were passed out to students in an attempt for the conference steering committee to find out along what lines SIU students are most interested and to find out what students would be willing to serve on committees.

For the benefit of students who did not get questionnaires in their 10 o'clock classes or who did not have classes at that time, the Egyptian is printing a coupon on page four of this issue which should be filled out and turned in at the main desk in the Student Center.

**SOUTHERN'S FIRST** Career Conference was held year before last. It was decided at that time to make the conference a customary annual event. Sponsors of the conference are the Student Council and the Office of Student Affairs.

# Salukis Cross Tails With Huskies Tomorrow at DeKalb

## Southern Reaches for Second IIAC Victory

Southern's Marshall squad, in its second year, won its first national title Saturday night, 34-14, over the powerful Northern Illinois Huskies on DeKalb tomorrow at DeKalb in the home of the conference.

Last Sunday's win built a 12 game losing streak for the Salukis which started way back in 1951. Last season, Bill Walker's squad brought up the rear in the conference.

NORTHERN, skipped by its all-time football great Bob Heimerdinger, fought through an undefeated season and the conference crown. Heimerdinger topped all small college players in total offense and was named the top linemen of the year. Andy MacDonald, Central Michigan's player, topped Heimerdinger for passing honors.

This season, however, the Huskies have been stymied in three games thus far. Without the services of Heimerdinger who graduated last June, the defending champions have found the going rough. They dropped their 1952 opener to Lewis College of Lockport 12-7, were beaten by Central Michigan 17-13.

## Bear Cubs Thump Saluki Pups 13-6

Southern's "B" squad dropped its opening football game last week, losing to Washington University at St. Louis, 13-6.

Fullback Bob Robinson, Anna freshman, scored the game's first touchdown and put Southern into a brief lead on a 10-yard end run after about two minutes of play.

COACH RUSSELL Bush praised his team's defensive work. A couple of fumbles, he said, helped set up Washington's scores.

End Bob Gallo, Christopher freshman, suffered a shoulder injury.

Bush's starting offensive unit consisted of ends James Jones, Carl Bondale and Gallo; tackles A. Downing, Caholic, and Ben Donipoli; Mi. Carmel; guard: Dino Anigelli, West Frankfort; center: Vernell Burns; Marion; quarterback: Ray Tabacchi, Auburn; fullbacks: Richard Kelley, Carbondale, and Bill Smith, Salem; and fullback Robinson.

THE DEFENSIVE unit had Don DeMars, Marion, and Mike McCarty, Carbondale; end tackle Eric Carl Robinson, Cairo, and Phil Thorne, Belleville; center Bill Bendlage; New Douglas; linebackers Paul Chesnik, Centralia; Toby Berger, Murphysboro; Bog Gomez, Napoleon; Richard Erickson, Evertgreen; Parki and fullbacks Billy Marx, Belleville, and Tom Austin, Mt. Carmel.

So far only one other game has been scheduled. That is a return match Oct. 20 here with Washington U.

## Ems Leads IIAC In Three Phases

Southern's Bob Ems, who led the Salukis to victory over Illinois Normal last week, is the top ground gainer and scorer in the IIAC so far.

Ems netted 189 yards on 12 carries last week and put himself at the head of the list for rushing. In second place is Rick Taylor of Normal who netted 116 yards against SIU in 19 carries.

Ems also leads in total offense (rushing and passing combined) with 189 yards. Next is Northern's Billy Graham with 168 yards passing and a minus 22 yards rushing for a net of 166.

The 20 points Ems scored against Normal also makes him the leading scorer in the IIAC. Three other players have scored.

Southern's Bill Spritt is third in punting with an average of 35.3 yards per kick. Leading in this department is Roy Lee of Michigan Normal with a 39.3 average.

West Baier of Illinois IIAC is the leading passer so far with a total of 193 yards gained on 13 completions of 25 passes attempted. Passers are rated on percentage of completions. Ranked second is Jack Sears of Central Michigan with four completions in 10 attempts for 93 yards. Third is Billy Graham of Northern with 12 out

One of Coach Bill O'Brien's big "ifs" this fall was the effectiveness of his freshman players. With only a handful of veterans to build around, he had to expect a lot from his rookie talent. Although a few had played football in the armed forces, most of them were straight from the high school gridiron. Southern's Jim McKinzie with eight catches for 142 yards. Top pass receiver is Northern's Jack Leland Linghe for 142 yards.

## Kahmann Korner

By Jim Kahmann

DEEPLY-ROOTED IN THE HEART of any athletic team in the burning desire to win the "big ones". Of course, every one is a big one for the Saluki football team right now, but one that looms up ahead with towering capacities is the Homecoming football game Nov. 1.

The Homecoming game this year will be played against Washington University of St. Louis. It may seem funny to some to find that we're pointing toward this one. Actually, the football team is not. They're playing every game, one by one, and certainly the conference games are more important in scope than a non-conference scrimmage. This then, is not primary the column for the football team.

It is a column for the spectators, the activitykeepers, the students.

What we'd like to see is a football game committee. A committee made up of Pep Club members or otherwise who have as their primary purpose the publishing of the big game with Washington U. Last week, the Pep Club had good representation throughout the game, and we're not sure that it wasn't the support that helped Southern push on to their first win in 13 just ball games.

Coach themselves will tell you that spirit and determination can't go unrewarded forever. Enough spirit and the now might mean the difference between winning and losing, and don't kid yourself that it won't.

If we can assume the team to know and believe that we're truly behind them, that we know they can beat a strong Washington U. team at Homecoming, that we've got confidence in them, then the boys will have that added something that always decides a football game.

THE NEXT TIME you see a football player, ask HIM "How had we got going to beat Washington U. at Homecoming?"

## For the Women

Everyone has heard the age-old adage about the postman who goes about his work whether it be raining, snowing, sleeting, hailing, or fair weather. Such is the same thing one can say about the members of the WAA who may be found any and every weekday afternoon running the length of the hockey field with their hockey sticks in hand.

The girls play regardless of the weather, which must mean a true love for the out-of-doors. Nothing can stop the WAA!

THE HOCKEY game with the faculty and freshmen playing the sophomores, juniors, and seniors was postponed from last Thursday night and was played last night instead.

The tournament between the faculty and freshmen was captained by Betty Black and JoAnn Robertson has been completed with Robertson's team the victor. Two more teams will be shot a week from tomorrow, Oct. 25. Winner of this tournament will be presented with a trophy, according to Lynn Hildebrand, head of the team.

Southern's veterans' housing project has 127 apartments.

Illinois State Normal University at Normal has invited the local group to a WAA hockey Sports Day to be held at Normal November 1. Because that date is Homecoming at Southern, the girls have declined the invitation.

SATURDAY MORNING, November 1, the varsity hockey team will play the alumni on the hockey field at night, regardless of the weather. This game is an annual WAA event which takes place every Homecoming.

Several Modern Dance selections will be given for the Educational Convention being held on campus October 24.

At a meeting Monday night, the WAA emblem was selected. The emblem has on it a scale, with the theme behind it being that sportsmanship outweighs material things. Nothing definite was decided about the purchasing of warm-up jackets. Plans are being made to hang new drapes in the WAA room in order to improve the attractiveness of this room, which is available to any girl on campus.

THE JUNIOR P. E. majors are responsible for publishing the WAA "ECHO," which is a magazine that is distributed to all alumni at Homecoming. The magazine contains information describing activities, in which the WAA members have been participating the past year. Delores Foldland and Elvior Muller are co-editors of the publication for this year, and the other junior majors are working as reporters and typists.

"Southern's 'M' club will hold a meeting next Tuesday, Oct. 14, at 7 p. m. in the men's gym. President Jim Schmutzback invites all varsity lettermen who are now or were interested in becoming members of the only organization on campus composed entirely of varsity athletes to be present at their meeting."
