# Students Vote On Health Insurance Raise Oct. 20

On Wednesday, Oct. 20, the SIU student body will vote on a Student-Activity fee increase of \$1 per quarter that would provide \$200 health insurance per student. The alternative is retention of the present fee, which provides \$80 health insurance.

Wednesday night, in the Little Theater of the University School, Dean I. Clark Davis, acting director of student affairs, and Dr. An-

**HJORDIS KITTEL** Parker, producer of color films, who will give a film lecture, "Saga of Modern Norway," at the freshman assembly Friday at 10 a. m. in Shrock Auditorium.

## Norwegian Film To Highlight Frosh Assembly

Film producer, Hjordis Kittel Parker, will give a music lecture, "Saga of Modern Norway," before the freshman assembly Friday.

Miss Parker, born in Norway, is a naturalized citizen of the United States. She has attended the University of California and the University of Washington.

Her Kodachrome films are used for television and in schools and universities throughout this country and Canada.

## Chance To Win Free Ticket To Homecoming

Mr. H arrived on campus today with a ticket to the Homecoming Dance Oct. 23.

It's a ticket he wants to give away. And he'll give it to the first person who asks him, "Are you going to the Homecoming Dance Oct. 23?"

Clues to his identity: He's a student. He has two eyes, two legs, one nose and one ticket, the same ticket referred to above.

In case that is not helpful enough, additional clues will appear in Friday's Equiptian.

Anybody's eligible to ask the right question and win the ticket, students, faculty, what have you.

## FTA Meets Tonight

Barbara Graham, President of Future Teachers of America, announces that the picture for the 1955 Olehek will be taken at its regular meeting tonight at 7:30 in Alford Hall, Room 202.

During the business meeting, reports will be given by the chairman of the Homecoming, American Education Week, Anniversary Banquet and the Membership Campaign committees. A short film, Quo Vadis, will also be presented.

All students in the College of Education are eligible for membership in Future Teachers of America.

## "Discover Delta Zeta" Open House Tonight

The Delta Zeta sorority open house, "Discover Delta Zeta Land," will begin this evening at 7:30 a. m. according to chairman Pa. Lombardi.

John J. Raso, director of the University Health Service, met with representatives of the Student Council and presidents of organized houses to discuss the forthcoming referendum. After explaining the present health insurance program and the proposed new plan, Dean Davis urged all presidents to "enlighten your fellow members on the advantages of the new proposal."

The Student Health Service was

established in 1935, but it adopted its present form in 1950, when health insurance was introduced to the Southern campus. At that time, a \$1.15 portion of the Student-Activity fee provided \$15 health insurance. The University Health Service has been functioning since then with the same quarters and staff. In the remodeled five-story building at 211 West Harvard Avenue, "day book" is a daily log that lists all persons it processes.

The Health Service building is set up essentially as an outpatient clinic. All equipment is paid for by the University equipment fund. All medical supplies, such as medicines, splints, bandages, crutches, etc., are paid for out of the money obtained from the \$2.15 portion of the Student-Activity fee presently allotted the Health Service program. Medical supply expenses comprise approximately 10 per cent of the total Health Service expense.

The Student Health Service is open 8 a. m. to 4:30 p. m., Monday through Friday, and 8 a. m. to noon on Saturday. It is closed Sundays and holidays.

Staff members are Dr. Raso, the director; Dr. Katherine Kalinas, assistant to Dr. Raso; five registered nurses, a part-time student clerk-typist and a part-time student laboratory technician. There is also a nurse at the University School. The two part-time students, are paid by State Education Appropriations. The nurse working at the Vocational Technical Institute is privately employed, but uses Health Service supplies.

Diagnoses and services performed by the Health Service are as diverse as athlete's foot and personal guidance. Functions include supervision of environmental factors that could become health hazards and immunization against disease. Students are encouraged to call at the Health Service when any physical or emotional difficulties arise. Student patients are treated at the Health Service, or if necessary, referred to hospitals, clinics, or specialists.

An important function of the Health Service is maintenance of each student's individual health folder. This folder contains the medical-history record prepared by the student and his parent or guardian; the home physician's record; his examination of the prospective student results of any physical exam given by the University, and all records of specialized examinations, immunizations, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

Diagnoses and services performed by the Health Service are as diverse as athlete's foot and personal guidance. Functions include supervision of environmental factors that could become health hazards and immunization against disease. Students are encouraged to call at the Health Service when any physical or emotional difficulties arise. Student patients are treated at the Health Service, or if necessary, referred to hospitals, clinics, or specialists.

## Marine Recruiting Team Here Today, Tomorrow

A Marine Corps Officer Procurement Team will be on campus today and tomorrow to enroll applicants in either of two training programs.

An Officer Candidate Course is available to graduates or to seniors who will take their training after graduation. Each applicant must be between 20 and 27 on July 1 of the year in which his training is completed.

A Platoon Leaders Class is open to enrolled freshmen, sophomores and juniors. Each applicant must have an overall "C" average and be between 17 and 26 on July 1 of the year in which he will receive his bachelor's degree.

Both programs are restricted to accredited institutions granting four-year bachelor's degrees. Medicine, dentistry, veterinary medicine, pharmacy, music, art and theology students are ineligible for either.

## SIU Alum Is TV Narrator

A former "CU Alum" Dr. Carl O. Smith, is the narrator of a new educational television series sponsored by Wayne University in Detroit.

Dr. Smith did undergraduate work at SIU in history and English. He received both his masters and doctors degrees from the University of Iowa where his major area of work was in political science.

## Italian Movie Showing Next In Monday Series

The Italian movie "Open City," directed by Roberto Rossellini, is to be shown at 6:30 p. m. Monday at University School.

The picture which has English subtitles, stars Anna Magnani and tells the story of life in Italy during the Nazi occupation.

## ISA Adopts New 10-Point Platform For Campaign

The proposed platform adopted at the ISA political meeting Thursday is as follows:

1. The ISA believes in majority rule. We believe that the student government of Southern should represent all the students, not just a select few. We further believe that in the past this has not been the case.
2. ISA advocates an open primary for student officers, because we believe that this is the most democratic way of choosing candidates.
3. We support the decisions of the administration of SIU so long as those decisions are consonant with the best interests of SIU. We intend that this support shall be of a most active nature.
4. ISA recognizes the need of increasing the activity fee for the purpose of providing better health service, and advocates such an increase.
5. In the matter of parking, ISA believes that the best interests of the students are not being served. We further believe that action on this matter is long overdue, and should be initiated immediately.
6. Because of the higher cost of living, ISA advocates an increase in student wages and intends to actively work for such.
7. We believe that the cancellation of all 10 a. m. classes has created a definite hardship on many students. We therefore believe that it is justifiable to recommend a consideration of the matter.
8. A new Student Union building is badly needed at Southern. For this reason, ISA intends to work with the administration in their efforts to provide one.
9. ISA believes that a strong and active alumni would be a big help in Southern's progress. We therefore urge a drive to increase alumni interest, and intend to cooperate in such.
10. ISA desires to actively work with the administration in seeking funds from the legislature for Southern's continued growth.

## Staff Members Report On Retirement Discussion

Advantages and disadvantages of four possible plans for coordinating the University Retirement system of Illinois with Federal Social Security, now permissible under federal legislation, were considered at a meeting of the University Retirement System's advisory committee in Champaign Tuesday (Oct. 5). Two SIU representatives reported today.

Frank R. Lov, of the SIU physical plant staff and Van A. Buzboltz, assistant professor of business administration, attended. Other representatives were from the University of Illinois, the state teachers' state Water Survey, State Geological Survey, and the Illinois Natural History Survey.

No action was taken but further exploration and study of possible coordination of the plans was advised. The committee also discussed a number of suggestions made by the Retirement System, including a group term insurance program.

## Sing and Swing Club To Have Festival

Sarah Gertrude Knott, director of the National Folk Festival, spoke at the Sing and Swing Club last Wednesday night about folk dancing and the NEFF.

A Folk Festival in Carbondale has been arranged by Miss Knott and SIU students are practicing folk dancing.

Sing and Swing will give an exhibition in Dahlgren, Oct. 16.

## IGPA To Hold Annual Meeting At Southern

President Morris invited the Illinois Guidance and Personnel Association to hold its next conference on the SIU campus next October at the last IGPA meeting. Dr. Marshall S. Hixley, former chairman of the Department of Guidance and Special Education was president of IGPA a year ago and it is through his, President Morris' and Dean Lawson's, efforts that the conference will be held here next year.

# ISA Selects Election Candidates

## Ann Travelstead Running For Homecoming Queen

Ann Travelstead, senior homecoming major, is the Independent Student Association's candidate for the coveted Homecoming Queen title.

Ann and 21 other independent students were nominated from the floor by the ISA at their 13th political meeting Thursday night.

Homecoming Queen candidates are June Evans, and Shirley Winstead, both juniors. Jo Ann McIntire, sophomore, is candidate for attendant.

Jim Jenkins is the spring festival chairman candidate.

Freshman class Student Council representatives are Charles Janson, Betty Frech, Shirley Stout and George Whitley.

The following students were nominated as candidates for class offices on the Independent Student Association ticket:

Senior Class: Joe Kalla, president; Joe Winifred, vice-president; and Carolyn Bernhard, secretary-treasurer.

Junior Class: Ed Johnson, president; Jerry Duane, vice-president; and Shirley Winstead, secretary-treasurer.

Sophomore candidates are Carle Blackwell, president; Carol Kenney, vice-president; and June Curry, secretary-treasurer. Candidates representing the Freshman Class are Del Dace, president; Vic Can, vice-president; and Violet Reynolds, secretary-treasurer.

**ANN TRAVELSTEAD**, 20-year-old senior, is the ISA's candidate for Homecoming Queen. She is a member of the Home Economics Club, Girls' Rally, Sphinx Club and co-chairman of the Homecoming dance decorations committee. The blue-eyed brunette lives at Woody Hall.

## Freshman Popularity Vote Set For Friday

Six girls and seven boys are in competition for the "Mr. Freshman" and "Miss Freshman" title, a popular contest run in conjunction with Homecoming.

The 13 freshmen will be presented to the rest of their class in Shrock Auditorium Friday at 10 a. m. in front of the assembly. Voting will be during the assembly, but the winners will not be announced until the ceremonial bonfire Oct. 20.

Those competing for "Mr. Freshman" are Don Gibbs, Jim McIntire, Art Klok, Lynn Morrison, Dick Small and Meldon Winkler. "Miss Freshman" candidates are Marg Angela De Weese, Eugenia Goff, Shirley Jan Hahn, Pam Handman, Mary Edna Jackson, Violet Reynolds and Shirley Wall.

All freshmen will receive green ribbons at the 10 a. m. assembly to be worn until the bonfire ceremony when they will cast their symbol of "greenness" in the flames.

Lois Kalla and Carolyn Hall, co-chairmen of the Homecoming pool committee, are in charge of the contest and bonfire.

## 115 Attend SU Campfire Friday

Clustored around three campfires on the agriculture farm field west of Thompson, St., approximately 115 students in the course of the evening, played games at the annual Student Union fall picnic Friday night.

The Dunkel brothers, Bob and Ed, led a group song which was accompanied with ukulele and banjo. Bob led the group on an "Hokas" song from Zuma Park. He introduced a new question and answer game, and led the crowd laughing for a half hour.

The picknickers consumed 22 pounds of hot dogs and 13 dozen burgers in the course of the evening.

Following the campfire, a dance was held in the Student Union.

## Geeky Club To Take Tri-State Field Trip

SIU Geology club members will go on their annual tri-state geology field trip Oct. 16 and 17. The trip will start at Iowa State College in Ames and will cover around 200 miles of Iowa, Illinois and a Wisconsin.

Thursday evening nine members of the geology club gave a lecture to students of the Cattleville high school science club. "Corks" Winn spoke on the petroleum industry. Gene Richards talked on "microbiology" and Les Pomer spoke on historical geology and fossils.

## 1954 Homecoming Program To Be Taped Tomorrow

A tape recording, "Salute to Homecoming," will be made in Shrock Auditorium at 10 a. m. tomorrow, according to Ralph Becker, Homecoming radio and TV committee chairman.

Music will be by Wayne Minnis and his orchestra, with the Smarlinger, freshman from St. Louis, as vocalist, and by the Delta Zeta "Four Sophomores" quartet. The tape will contain an invitation to Homecoming extended by President Dr. D. W. Morris to all friends and alumni of SIU. Dave White will be announcer.

The tape will be released to 12 radio stations in Southern Illinois. With it each station will receive for presentation a Tex Benke recording and spot and promotional announcements.

## Greks Plan For Officers' Visit Here Nov. 5-6

Thirteen representatives of the Greek Housing Committee met Wednesday evening in the Student Union to discuss a program of activities for the Nov. 5 to gathering of Greek national officers and University officials concerning a fraternity-sorority row for SIU.

Plans call for each fraternity and sorority to be represented at the conference by three students, one alumnus and one national officer. Several University officials are to attend.

Bob Wagner, Helen Ogonoski, Roger Avdi, Barbara Gibbs and Dr. Betty Greenleaf were appointed a committee to plan the agenda. Tentative plans are for four or five meetings, to last two to three hours each.

Advisers present Wednesday were Clark Davis, acting director of student affairs; Dr. Greenleaf, supervisor of student activities; and Robert Etheridge, assistant dean of men.

## High Schoolers Attend Choral Clinic At SIU

More than 900 high school students from throughout the area attended the 15th annual Southern Illinois High School Choral clinic on campus Saturday.

The singers held several rehearsal sessions throughout the day, then presented a choral concert in Shrock Auditorium at 7:30 p. m. under the direction of Mrs. State Choral Director Robert McGowan.

Male and female mass choirs sang two selections apiece during the concert. They were dressed to present six other selections. Miss Kay Kiddle, SIU student, accompanied the singers at the piano.

"The Telephone," short comic opera by Gian-Carlo Menotti was presented by the Southern Illinois Chamber Opera Society. Mrs. Edith Garrison, Mrs. Vernon, and Jerry Crawford, SIU student from Ziegler sang the leading roles.

Hate Moe, of the SIU music department directed the opera, and Al Romyer Crawford was accompanist.

The University School sponsored the clinic under supervision of Miss Moe and Floyd W. Wakefield.

## Nov. 20 Tentative Date Of 'Impulse' Publication

Nov. 20 is the tentative date for publication of "Impulse" SIU magazine of creative writing. The staff first met Wednesday, October 6 with Arlene Rhinehart, acting editor, presiding.

The Sphinx Club is Southern's highest honorary organization for students who have done outstanding work in student activities. Each year it sponsors Activities Day, an assembly devoted to students who are active in campus activities.

President of the Club is Bob Wagner. Harlan Sties is vice-president. Other members are Jim Aiken, Ralph Becker, Carolyn Erhardt, George Exanoff, Sarah Floyd, Jose Bellomo, Ruth Holtman, Marilyn McCoskey, Judith Peradotto, Jay Jednak and Ann Travelstead.

Sponsors are Dean E. C. Lenz, Dr. Dorothy Davis, Dr. Robert Foster and Dr. Willis Swartz.

## New Sphinx Club Members To Be Named Tomorrow

New members elected into the Sphinx Club will be "tapped" at tomorrow's assembly at 10 a. m.

## Mail Box

Dear Editor:  
Through this column I would like to reply to a letter printed here a few weeks ago in regard to a man, dismayed and displeased attitude of a freshman as to the uncouth conduct of some upperclassmen. Granted their action was the type that could and would ruin any young "unsuspecting" freshman's view of the social life on a college campus, but one should take into consideration that college is, in a sense a book of life which contains quite a few chapters. I believe it is a proven fact that there are beverages other than water and "soda pop," and it is up to the individual himself as to whether he will accept or reject these.

However, the point I would like to make is neither to condemn nor condone drinking but to show that some upperclassmen's actions are not the only ones that can leave a bad taste in one's mouth. Therefore, I refer to the Freshman Assembly of last Thursday.

This assembly, the bulk of which was made up of freshmen, was the most unenjoyable I have attended. It will not be everyday in our lives that we will hear a lecture by a famous novelist, and one does not show his appreciation to the lecturer (or for that matter to this university for bringing such a charming and gracious woman as Mrs. Ernestine Gilbert Carey) by very audible and down right rude mauling throughout her entire talk.

In my estimation talking while someone else has the floor is the first breach of etiquette one can see in any social circle. So you see there are other types of rudeness. What one does when he is under the effects of alcohol can, at times, be overlooked. It is when a person in the school displays a crude course behavior that his unpolished deportment really shines out. T.V.

Prize Essay Contest Offers \$1,000 Award

The deadline for essays to be submitted in the "Foreign Service Journal" Prize Essay Contest has been extended to Dec. 15.

The essays are to be written on "The Organization of American Representation Abroad." Top prize is \$1,000 or a full fellowship at the School of Advanced International Studies of Johns Hopkins University, Washington.

Secretary of State Dulles, in a statement on the contest stated "I hope this contest will produce constructive and helpful public thinking on a matter of importance to all Americans."

Full details may be obtained from the Foreign Service Journal, Contest Committee, 1908 G Street, N.W., Washington 6, D. C.

## Quotes

Adam and Eve had many advantages, but the principal one was that they escaped teaching — Mark Twain.

It will never be possible for any length of time for any group of the American people, either by reason of wealth or learning or inheritance or economic power, to retain any mandate, any permanent authority to arrogate to itself the political control of American public life — Franklin D. Roosevelt.

The American people never carry an umbrella. They prepare to walk in eternal sunshine. — Alfred E. Smith.

For, dear me, why abandon a belief merely because it ceases to be true? — Cling to it long enough, and not a doubt.

It will turn true again, for so it goes. — E.A. Robinson

## Psychologist Gives Tips On Better Study Habits

Memory tricks, a time budget, and use of color in note-taking can make the difference between failure and passing average or honor grades, according to Dr. Daniel Brower, noted psychologist and director of psychological services for The New York Personnel Laboratory.

Based on the latest psychological research in efficient study techniques, the plan, given below, shows the students how to avoid the dangers of an "over-learning" blackout.

1. Study one subject an evening or, if necessary, two diverse subjects. Studying two similar subjects may cancel each other out.
2. Tailor your study to these three psychological phases: Fresh reading the first hour, complicated hand study or problem solving the second hour, review of familiar material the third hour.
3. A high plateau of maximum study efficiency can be prolonged by taking an enforced break of five to ten minutes at the end of the first study hour. Do sitting up exercises, play a record, or chat with your roommate (but not about school work).
4. Save hours of time on lengthy collateral reading by mastering your textbook assignments first.
5. The first week of a new course, learn the peculiarities of your lecturer... how he organizes his material. Adjust your note-taking to the individual style of each lecturer.
6. At lectures, if you retain from hearing, listen actively and take few notes. The majority, with strong visual memory, will rely more heavily on note-taking.
7. Leave very wide margins for your review notes... even double space.
8. Rely heavily on use of color in note-taking, both at lectures and during reading. Use red to indicate you have missed something or don't understand a point. Later when you review your notes, correct these red danger points in green. Remember, the points now marked in green represent your psychological stumbling blocks.
9. When reading an assignment,

## Franklin Attends P. E. Conference

Dr. C. C. Franklin, SIU assistant professor of physical education, attended the National Conference on Physical Education for College Men and Women which ended Oct. 6 in Washington D. C.

Conference sponsors were the American Association for Health, Physical Education and Recreation, an NEA Department; the National Association for Physical Education of College Women and the College Physical Education Association.

Recommendations were made for the improvement of physical education programs for college men and women. The conference also developed a check list for individual colleges and universities to use in evaluating their own physical education programs.

Other groups that cooperated with the sponsors are The Society of State Directors of Health, Physical Education and Recreation, the US Office of Education, the NEA Association for Higher Education, and the NEA Association for Supervision and Curriculum Development.

MR. AND MRS. Ronald Colman will play the role of "Mr. and Mrs. College President" on a new TV program, "The Halls of Ivy," next Thursday night, Oct. 19 at 7:30, CST.

Designed to concentrate on campus humor, the show is another of innumerable transfers from radio to TV.

In commenting upon his fictional duties as President of Ivy College, Mr. Colman said that in part he felt more like a marriage broker — "providing mates and helpmates for the inmates."

The weekly program will be televised on the CBS network.

## LA CASA MANANA ELECTS ROBERTSON PRESIDENT

La Casa Manana officers for 1954-55 are: Mary Ann Robertson, president; Shirley Acuff, vice president; Dorothy Tucker, secretary; treasurer; Violet Reynolds, reporter; Norma Hoague, ISA representative and Shirley Winstead, home council representative.

La Casa was host to the Baptist Foundation for a devotional service Wednesday.

Less than half of Southern Illinois University's student body can be seated in Shreck, auditorium, the University's largest assembly hall.

## Moses' Rivals

The Independent Student Association's political platform (see Page 1) is a noble and highly idealistic set of platitudes.

In the ISA has supposedly stated all of its aims and ideals. All other points are made, but after little explanation of how the group plans to go about accomplishing some of these miracles.

The first point is indeed brilliant: "The ISA believes in majority rule as not as stupid as it at first sounds. There is no majority rule on this campus. This point obviously refers to the Greek domination of the student government. How can there be majority rule is not as stupid as it at cent of the student body votes."

The second point I take issue with. An open primary is a lot of trouble and would do even less to insure majority rule. On paper it appears that this would be the most democratic system. However, a few students could block the polls during the primaries and the result would be a hand picked selection of candidates.

Under the present policy, right of selection of candidates is given to the political parties so that they will have time to choose their own candidates. Most of our national political parties follow the same system. Such an innovation as the ISA platform suggests would only result in dirty politics that would benefit a few people.

The third point is one that one cannot disagree with. But, just when we are to know whether or not these policies are for the best interests of SIU. Some recent squabbles on which the administration and students disagree are matters of opinion. One time will tell which actions are for the best interests of SIU.

President Morris might decide that all girls should wear only blue dresses for the best interests of SIU. Would this make it so? Also, the abolition of 10 a. m. classes is a matter of irritation to

## Call Of The Wild

The letter to the editor on this page points to very real and serious problem which can hurt the prestige of Southern more than any one thing.

It tells of just one instance in which SIU students show off their vulgarity before someone of high prestige.

This is not a new development. Ever since this writer has been attending Southern he has noticed the extremely poor man-

## Student Speaks On Flourspar Mining To Club

An industrial education major who for 17 years worked part-time in the Roseclaire Flourspar mines described techniques and processes of flourspar mining Wednesday at an Industrial Education Club meeting.

James L. Young showed a film "Mining and Milling Flourspar" from the Alcoa Aluminum Company of St. Louis. The film dealt with the use of flourspar in the paint and metal processing industries.

Young worked in the flourspar mines while teaching 10 years in a rural school and seven years in the Roseclaire Grade School. He is now a graduate of the Industrial Education Club.

The Club is open to pre-engineers and Industrial Education majors in the Colleges of Education and Vocations and Professions. It meets the first Wednesday of each month.

## If you drive for the sheer zest of it you owe yourself this hour!

Luxurious seating for driver and passenger in deep foam rubber (but cradled in the traditional structure of bucket seats).  
Generous luggage room, the panoramic sweep of a deeply curved windshield, the flair of tomorrow's styling (but within the polo-pony compactness of a real road car).  
The Corvette blends all this and more. For it is a driver's car... a low-stung torpedo with a center of gravity only 18 inches above the concrete... with outrigger rear springs that make it hold to the road like a stripe of paint... with a 16 to 1 steering ratio that puts needle-threading accuracy at your finger tips.

Frankly, the Corvette is a "limited edition" made only in small numbers. It is intended only for the man or woman to whom driving is not just transportation but an exhilarating adventure, a sparkling challenge to skill and judgment. If you are one of these, then you owe yourself an hour with a Chevrolet Corvette.

Call us now and let us set up a demonstration run... for in a short 60 minutes you can discover that morning has a whole new dimension of delight.

## Chevrolet Corvette

150-h.p. overhead-valve engine with three side draft carburetors • Four-link outrigger springs in rear • Power/steer automatic transmission • Center-point steering, 16 to 1 ratio • Form-fitting individual seats • Full instrumentation, with tachometer, oil pressure gauge, and ammeter.

# 30 To Enroll In Farm Water, Electrical Course

A three-day refresher course on farm electrical wiring and farm water systems will be held here tomorrow, Thursday and Friday in cooperation with the Illinois Association of Rural Electric Co-ops. Nearly 30 persons will enroll.

Industrial representatives, agricultural engineers Fred Roth, SIU, and Frank Andrews, University of Illinois, and Pete Bahn, Jackson county health department, will comprise the instructional staff. The program Wednesday (Oct. 13) will be devoted to farm wiring problems and practices with Ora Snider, Stoeckle, representative of the Egyptian Electric Cooperative, as chairman.

General types of water system pumps and pump operating principles will be considered the second day. The final day will be devoted to such topics as underground water sources, well drilling, protection of farm water supplies, water softening, filtering, and purifying.

Conference sessions will be held in the agricultural quonset building at SIU.

## BEACH ELECTED HEAD OF EDUCATION BUYERS GROUP

Cornelia L. Beach, purchasing agent for SIU, is the new chair-

Cornelia Beach

of the Illinois division of the National Association of Educational Buyers.

Miss Beach and her assistant, Rosemary Kough, attended the fall meeting of the organization at Alton Park for three days ending Oct. 2.

## SIU GRADUATE TEACHING AMERICANS IN GERMANY

Janet Hanft, June graduate of SIU, is teaching this year in Germany. She was selected from 5,000 applicants to teach the children of American military personnel in Amberg.

While attending SIU Miss Hanft majored in elementary education. She is the daughter of Mr. and Mrs. Dan Hanft, Lenzburg.

## Sigma Gamma Rho Has "Sadie Hawkins" Dance

Sigma Gamma Rho sorority held a "Sadie Hawkins" dance in the Student Union at 8 p. m. Members caught their "men" and financed the entire evening.

## READ AND USE THE WANT ADS

FOR SALE—Typewriter. Underwood, portable. One year old. Good condition. Ph. 1828L.

FOR SALE—1952 Two Door Chevrolet. Excellent condition. Ph. University Ext. 336 or 448.

WANTED—Hide to Peoria, Ill., Friday, Oct. 15, 1954. Will pay. Contact Pat Long, Woody Hall, C317.

## Homecoming Schedule

**THURSDAY, OCT. 21**  
 10 a. m.—Kick-off assembly—Shryock.  
 7:30 p. m.—Coronation of the Queen—Shryock.  
 8:30 p. m.—Queen's reception—President's home.  
**FRIDAY**  
 3 p. m.—Judging of house decorations.  
 7 p. m.—Play, "Bell, Book and Candle"—Shryock.  
 9 p. m.—Pep rally and dance.

## State Auditor Talks To Bankers At VTI Course

Orville J. Hodge, Springfield, state auditor of public accounts, Friday, Oct. 8 appeared as an instructor in the advanced section of the Illinois Bankers School underway at the SIU Vocational-Technical Institute campus near Carverville.

Hodge discussed the history of Illinois banking laws and the need for modernizing and revising the current banking statutes, written in 1919.

He arrived by plane at Murdalo airport near Carbondale at 8:45 a. m. and was taken to Southern Acres by state police to meet a 9:15 class session. His plane was transferred to the Williamson County airport for his departure at 10:45 a. m. Hodge was accompanied by Ted Wanberg, Springfield, deputy chief bank examiner supervising the south half of the state.

Forty-three bank employees from Illinois are enrolled in the advanced class to which Hodge spoke. The bankers school is a two-weeks course for developing junior bank executives. Advanced students are those who completed the beginning course a year ago. Conducting the school cooperatively are the Illinois Bankers Association and the VTI. A first year class of 45 bank employees also enrolled this week.

**Notice**  
 All members of Circle K are asked to meet in the Club room of the Student Union at 5:45 Wednesday, Oct. 13 to have a picture for the Obelisk taken. The dress will be dark pants, light shirts, long ties, and coats. After the picture is taken, a short meeting will be held.

## Brownell To Talk Before Workshop

Baker Brownell, director of area Services at SIU, will speak Saturday before a Religion and Rural Life workshop at the St. Louis University School of Commerce and Finance.

The workshop, sponsored by the Missouri chapter of Friends of the Land, will feature speakers of Catholic, Presbyterian, Quaker, and Mennonite faiths.

Its aim is to cultivate good will among religious groups and to develop a better understanding of rural problems among city dwellers.

Other speakers will include Truc D. Morse, Undersecretary of Agriculture; Alvin T. Anderson, University of Illinois College of Agriculture, and Rev. Joseph Le Grand, New Athens, Ill.

## Voss To Lead Two Programs At Illinois Meet

Lawrence Voss, SIU assistant professor of speech, will be chairman of two programs Oct. 29 and 30 at the University of Illinois.

Speaking on the first program is Robert Gard, director of the University of Wisconsin's "Grass Roots Theater."

Gard is also a play right and has authored several folk plays including "Let's Get On With The Marryin'," a play dealing with problems faced by a country preacher in old New York State.

Gard and Voss will discuss the possibilities of play productions with early Illinois themes. According to Voss, Illinois history holds a great deal of potential drama.

The second program will be primarily a technical discussion. Dr. C. Horton Talley, head of the SIU speech department, will speak on "Features of a Good Sound System. Dr. Talley designed the sound system in the SIU Little Theater. Voss will talk about lighting control on a budget.

**DR. MCKAY TO ATTEND SPRINGFIELD MEETING**  
 Dr. B. Elizabeth McKay will attend the state meeting of the Illinois Association for the Education of Exceptional Children in Springfield Oct. 22 and 23.

Dr. McKay will participate in the panel which will deal with problems of teachers of the educable mentally handicapped. She will also be consultant at one of the sessions of the workshop.

Lou Kahlenbeck, freshman end from Newton, Mass., picked up 40 yards on four passes against Illinois Normal. The 6'11" 180 pounder was a state championship football and track performer last year.

## Saluki Harriers Meet Western

The SIU cross country team, looking for its first season victory, will meet Western Illinois State Teachers College here, Friday.

Coach Dick Abbott, back at Western after a year's leave, can depend upon several strong contenders in Jim Schaive, Chuck Knox, and Curt Hibbard.

Coach Leland "Doc" Lingle's Southern squad, with one returning letterman, is composed mostly of freshmen.

The Saluks lost their first meet a week ago when they were outrun by a strong Eastern Illinois squad. Western will also have one meet under her belt when she moves in Saturday. The Western squad opened its 1954 season last Saturday in a triangular meet with Illinois Normal and Beloit college. Outcome of the meet is unknown as this is written.

Other conference play last weekend includes Notre Dame at Michigan Normal and Northern at Eastern.

## Mizzou Loses Sixth In Row To SMU

Southern Methodist University put the whammy on the Missouri Mustangs Saturday for the sixth time in a row, defeating them 25-6 before a Parent's Day crowd of over 27,000 at Memorial Stadium.

Don Fourou's injury-weakened Missourians prevented a shutout by reporting to a spread formation and mashing 80 yards to score in the final quarter. Sophomore Gene Roll scored the touchdown with less than three minutes left in the game.

Missouri has been unable to defeat Southern Methodist since 1948. The loss dropped the Mustangs to a 1-2 record thus far this season.

# Northern Freezes Saluki Hopes; Wins 24 to 7

For the third time in as many weeks the fuse to Southern's attack burned out before it struck north and the Saluks dropped their third game 24-7 to Northern Saturday at DeKalb.

Huskie Quarterback Ron Hicks sunk the Saluki hopes with three touchdowns heaves as he completed 15 of 26 passes for 228 yards. Southern's air offensive floundered with four of 14 for 44 yards.

For the first 70 minutes the contest was even as both teams moved into scoring position only to have the opportunity fitter away. Then Huskie halfback Larry Leadley fell on a fumbled hand-off in the Southern backfield, and Northern began to move from the S-45.

After a 35-yard pass from Hicks to End Gary Scholz and a nine-yard pickup by Fullback Billy Graham, halfback Jim Kuntzmler lifted over from the one for the first score with 10:07 left to play in the half. The first of four Northern conversion attempts fizzled, and the Huskies led 6-0.

Four minutes later Guard Bob Schulze recovered another Southern backfield miscue on the S-19. Again it took only three plays to capitalize on the Saluki bobble. Quarterback Hicks dropped a 13-yard pass into the arms of Halfback Tom Staibich for the Huskies' second score.

The Salukis took the Northern kickoff and marched to the Huskie 19 before three straight passes by Quarterback Gene Tabachski failed. Northern took over and ran the clock out to hold a 12-0 half-time advantage.

Southern's opening drive with the second half kick-off took them to the N-21 before it lost its strength. Seven plays, capped an 18 yard scoring pass from Hicks to End Joe Moser gave Northern their third score, but quartet Huskie tackle Rocco Fierdelisi was caught using his illegally and the play was called back and 15 yards stepped off.

On the next play Hicks again hit Moser, this time for 33 yards and he carried over to give Northern

an 18-0 lead with seven minutes to play in the third period. The Huskie conversion, this time a run, failed.

A spark caught in the crumbling Saluki spirit and they moved 70 yards in eight plays, all on the ground. For their first and only score, Capt. Jack Schneider, Hank Warfield, and Arnie Isola took the yardage with Warfield sprinting the final 10 yards for the score. Tabachski's conversion split the goal and Southern trailed 7-13 with four minutes left in the third quarter.

Northern took the kick-off on their 25 and with the aid of a toughing the kicker and a pass interference penalties against SIU moved to the S-37. The Hicks to Moser passing combination worked again but a pushing penalty against the Huskies brought the play and ball back.

Four plays took Northern to the S-9 where Schneider almost made the play of the day as he batted a sure pass interception, and a possible ramble to score, to the ground. Graham lost a yard and Hicks missed his mark and on fourth down nine Hicks hit End Dan Bidlack all alone in the Saluki secondary for a 20-yard scoring toss. Northern tied a run for the conversion and

again failed. Score: 24-7 with 11:37 remaining in the game.

Southern tackle Larry Parrish recovered a Huskie fumble on the 50, but the Southern attack again came up failing, moving only seven yards in three plays and Tabachski punted into the Northern end zone.

The Salukis stopped a Northern drive on the 19 but could not move with ball and the run ended the contest with the ball still on the S-19.

The loss gave Southern a 0-3 mark for the season, including a 0-2 mark in the I.A.C. Northern owns a 2-1 record, 1-0 in the conference.

This weekend the Salukis travel to Mt. Pleasant, Mich., for a league tussle with powerful Central Michigan. The Chippewas lost their first game last Saturday to star-studded Great Lakes 32-28 to give a 3-1 slate for the year.

STATISTICS

## O'Brien Hits Paydirt Among Frosh Material

Southern Illinois University football coach Bill O'Brien is finding more nuggets among his freshman than the '49er's found in California.

This week O'Brien came up with his second outstanding end discovery in a row. Lou Kahlenbeck, 6-11, 180-pounder from Newton, Mass., played in his first college game and grabbed off four passes for 40 yards as the Salukis lost their second game 27-7 in the season opener. Marion Bushing, Pinckneville, another end, was the discoverer.

Kahlenbeck, state championship football and track performer last year, had seen little action since early practice sessions because of an injured leg. His performance against Normal earned him a star-spot in the season opener. Northern Illinois, Oct. 9.

## Illini Lose Three In Row

Ohio State University pushed II Illinois to its knees Saturday, accounting for the third straight Illini loss. Final score of the game was Ohio 40, Illinois 7.

Ohio scored twice during the first period, the last tally minutes before the end of the quarter. Both kicks were good, and Ohio led 14-0.

The Bucks scored again in the second period and again made the extra point. In the third they scored twice more and scored one more good kick.

The Illini scored when Caroline went over in the fourth, but Ohio recovered and scored once more before the end.

## Little Man on Campus

Naww, he wasn't the hero of the game he got his pants ripped off on the last play."

## Michigan Takes Iowa Hawkeyes In 14-13 Game

Iowa Hawkeyes, capitalizing on two Michigan fumbles, scored twice in the first quarter Saturday, but that was just about all they got.

Michigan marched 60 yards in the first stanza to score when Dave Hill slunged his way three yards through the Iowa line. They moved ahead 14-13 in the second quarter when quarterback Jim Maddock hit End Ron Kramer with a third yard scoring pass.

The Hawkeyes, rated as thirteen point favorites this year, have not been able to defeat Michigan for three years.

## Indy Students Bowling League Begins Play

Anthony Hall of the SIU Independent Students bowling league began the defense of the title this year last week by taking a 3 to 1 decision from H.O.H.N. Tuesday night as the circuit inaugurated its new season. The team clipped off a 2359 for high series. It was Wally Reese's 601 that topped the entire session. The three other matches also ended in 3-1 decisions, the runner-ups Chautauqua crew, with 2358, trimmed the Five Aces, Stags won over Brown Jug and La Coterie tripped the Bloopers.

TEAM STANDINGS

## Notice

Students may check out the following equipment from the recreation office in the Men's gym: soft balls and bats, corkballs and bats, basketballs, ping pong, shuffleboard, and badminton equipment.

This equipment may be checked out to be used at any time during the week or week ends. It must be returned not later than 9 a. m. the following morning.

## Beloit Takes Triangle Meet

Beloit College today won a triangular cross country meet from Illinois Normal University and Western Illinois College of Macomb. Beloit scored 26 points, Illinois Normal had 37 and Western 68.

## North Carolina Drops Tussle With Georgia

Twenty thousand people saw a quick heavy Georgia team flex its muscles Saturday to break a half time tie with North Carolina.

The midway 7-7 tie was broken when Georgia pushed over touchdowns in the third and fourth quarters to take the game 21-7. The Georgians turned two fumbles into touchdowns in the second half.

North Carolina's only score was made during the second quarter run.

## Sigma Tau Gamma Takes Touch Football Game

Tom Atwell quarterbacked the Sigma Tau Gamma touch football team to an 18-0 victory over Tau Kappa Epsilon last Thursday.

The freshman pledge their two 50 yard touchdown passes for STG, and one other that was called back because of a penalty.

Paige Stagner and Len Massa handled the receiving end with each of them grabbing one end zone toss. The other six points picked up by the "Taus" were made when tailback Larry Oyer swept around right end on a 20 yard touchdown run.

In 1953, 38,500 Americans were killed in traffic accidents.
