Sorority, Fraternity Rush In Progress

The first portion of Formal Week is past and tonight marks the beginning of the week-end rush-up for Greek rush activities on the SIU campus.

Council president, Eldon Klein, and Pan-Hellenic president Sara Loran, the fall rush for 1956 has been highly successful. Approximately 200 men and 100 women have participated in the activities of the ten fraternities and five sororities on campus holding rush.

Tonight, all fraternities are holding rush parties from 7 p. m. until 9 p. m., to mark the close of the rush. Tomorrow, the fraternities will mail out bids to the rushers of their choice. These men, in turn, will select the bid of their choice. They must return these bids to the Office of Student Affairs before Wednesday noon, Oct. 17.

This is the second term that the fraternities have used this bid system, which worked out quite successfully last spring term. Previously, the system of preference singing was employed by the fraternities.

During the past week, the invidious men's houses held parties and open houses. The schedule was set up with a minimum of conflict, so that a person could attend almost all of the rush parties, if he so desired.

Fran Mazenke is IFC rush chairman, and each fraternity has their own rush chairman.

Women Started Sunday
For the women, formal rush began last Sunday afternoon in Shryock Auditorium, where approximately 100 women attended a general meeting. The week's proposed activities and the procedures for participating in rush were explained to them. Following the meeting, the girls called on each of the five formal Greek houses, which at 6:30 a buffet supper was held in each of the houses.

Each of the houses held a informal coke hour last Tuesday, from 4 p. m. to 6 p. m.

Tonight, a buffet supper from 7 p. m. until 9 p. m. will be held at each of the sorority houses, with slumber parties scheduled to last until 8 a. m. tomorrow.

Credentialed Tomorrow
The prospective pledges will receive invitations to the Saturday night formal Greek dinner, which will be held at 7 p. m. in each sorority house holding rush.

Following the Greek dinner, the girls will go to the Office of Student Affairs and preference sign for the sorority of their choice.

Dr. Elizabeth Greenleaf, sponsor of the Pan-Hellenic Council.

Sunday afternoon, Dr. Greenleaf will receive the bids from the sororities, indicating the women who have selected to be their pledges. Also Sunday afternoon, the girls will receive their bids to join the Sorority of their choice.

The ribbon-pledging ceremonies are scheduled for 5 p. m. Sunday evening at the sorority houses.

Geography Fraternity Initiation Tuesday
New members will be initiated into the Geography Fraternity at a picnic at the Carbondale city reservoir, Tuesday, Oct. 16.

Invitations to join the fraternity have been sent to 25 students who are majoring and minoring in geography.

National fraternity rules require for membership nine quarter-hours of geography with an average of 3.5, and an overall average of 3.0.

No dues are required in the fraternity. However, there is an initiation fee of \$9.50 which goes mostly to the national treasury for the student loan fund.

The fraternity has a very lenient loan program. These loans have helped several of SIU's graduates go into advance studies, according to Richard F. W. president of the local chapter of Gamma Theta Upsilon.

Sunday Musical Programs Start With Madrigals

Music lovers, something new has been added to the university's Sunday program for your enjoyment—a weekly musical program to be held in Shryock Auditorium each Sunday at 4 p. m.

The series, instituted this year, will include programs by members of the faculty, outstanding students and visiting artists. These recitals are not planned to take the place of required student programs, but are intended to provide a time and place where students and friends of the university may come to relax and enjoy fine music. Dr. Henry Bruinsma, chairman of the music department, said.

"The audiences have been very gratifying during the first three weeks," Dr. Bruinsma said, "and we look forward to gradually building up to the point where all music lovers will naturally gravitate to Shryock for a half hour of music each Sunday."

The performance this Sunday, Oct. 15, is to feature the university Madrigal Singers, under the direction of Floyd V. Wakeland, associate professor of music.

The Madrigal Singers, a group of 16 students, will also give a special program for the high school choral directors' banquet given in conjunction with the high school choral clinic and festival being held Saturday, Oct. 13.

Members of the group are: Joyce Hastings, Philip Salcone, Marsha Blair, Priscilla Metcalf, Jo Ann Henson, Pam Hindman, Ruth Batts, Kay Sue Esler, Jo Ann McIntire, Burke Frey, Bob Yuill, Fred Berran, Don Bailey, Tom Whiteside, Bob Walker, and Marsha Rae Van Cleave.

'Hamlet' Scheduled For Monday Movie

Shakespeare's immortal classic, the tragedy of Hamlet, a man of thought who failed as a man of action, is brought to the screen in a widely acclaimed performance by one of the world's greatest actors, Laurence Olivier.

Co-starring in the movie is actress Jean Simmons. The movie will be shown in the University School Auditorium at 6:15 and 9 p. m. Monday. Single admission will be 50¢ or with activity tickets, University and University School students, 40¢.

Free Tickets To Homecoming

To promote publicity for the 1956 Homecoming, the publicity committee met Wednesday evening and decided upon three publicity stunts to give away free tickets to Homecoming activities.

All three will be run in conjunction with the Egyptian.

The first will appear in next Tuesday's issue, when, somewhere in the paper in a story a paragraph will be inserted telling students may get these free tickets.

To help readers stop the paragraph it will begin "Magic Message." The message will tell students where they may pick up free tickets to one of the Homecoming activities. The first three people to follow the instructions will be awarded the tickets.

Governor William G. Stratton has proclaimed the SIU Homecoming, Oct. 27, as Southern Illinois Day throughout the state.

In an official proclamation issued on Aug. 27 the Governor acknowledged the rapid growth and progress of SIU making it one of the "most important institutions of higher learning in the state and the nation."

A higher compliment is recognized when one realizes that the University of Illinois has its Homecoming on the same weekend as SIU.

This is an example of how SIU is helping develop Southern Illinois and at the same time gaining prestige and recognition in the legislature.

This is the first time since the beginning of SIU, then SNU, in 1874 that a date has been set aside by the state government recognizing a special day for Southern Illinois.

Special "THANKS" should be paid to the long list of educators who have toiled long and diligently to bring about this highly complimentary proclamation by Governor Stratton.

It would be interesting to note, if the first builders of SIU envisioned the day when "It would seem fitting and proper to honor this University by setting aside Oct. 27 as Southern Illinois Day."

Mechanical Difficulties

Students received a mild surprise this week when they received the Tuesday Egyptian on Wednesday.

No, the staff didn't take a vacation. (Although they would like to.)

In putting out a newspaper, there are many places where complications may arise to cause

mistakes or delays. The trouble this time was mechanical difficulty. The repairs have been made, and it is hoped there will be no repeats. The staff wishes to thank the student body for being patient and humbly apologizes for the delay.

Oh well, there's nothing like reading news to be that has been.

What is this "Egghad" bit going good around? A hard shell and good insides are hard to find and very enviable.

Yeah, but what happens when the insides rot and the shell cracks? It stinks!

Professor Adopts Pigs

Family Takes in Eight Bottle Babies

Eight baby orphans have been adopted by an SIU professor and his wife.

When the parents of eight small pigs passed away several weeks ago, the bottle babies left behind were added to the family of Joseph Edgar Burnside, assistant professor of Agriculture.

With the new addition there were a total of nine babies to be fed by bottle in the Burnside household. The Burnside had been blessed with a child of their own several months ago.

Using his knowledge of mixing baby formulas Burnside came up with a new one for his new additions. The baby pigs were fed with a mixture of fresh milk, antibiotics, one raw egg, sugar and minerals.

For the first week the baby pigs had to be fed every four hours day and night. The arrangement made was for Mrs. Burnside to have the day shift which left the foster dad the night watch. The children came along so well that now they are only fed four times a day. It is soon hoped that the small pigs will begin to eat dry feed.

It is to be noted by those not acquainted with the raising of swine, it is very seldom that pigs

Panly Rides Cost Money

(ACP) The male students at Berkeley, California, will probably find twice before staging any more panly raids. There was a really big raid last spring and it wound up costing students \$5,100. That's the sum paid to girls who filed loss claims with the dean of students office. After the raid on May 16, the men of the organized living groups around the campus contributed approximately \$3,500 per man to a philanthropic fund to pay for restitution of damages. Individual claims from the girls averaged about \$20. Many were as small as \$1, but at least one totaled over \$100. Now the restitution committee finished the job of paying. It has now begun evaluating the property damage claims of the various houses invaded during the riot.

Heavy-Handed Thieves

The Crimson-White reports that authorities at the University of Alabama are still investigating a wave of thefts which were reported at sorority houses and religious centers in the late summer. The thieves struck at several spots within the space of a few days and seemed to be interested in only the most expensive loot. They took a \$300 air conditioner from the Alpha Delta Pi house, a silver and tea set valued at \$1,100 from the Phi Mu house, a high-fidelity set from the Baptist Student center and a television set from the Westminster house. University police also reported that more than a dozen fraternity and sorority houses were broken into during the period between the summer and fall terms by thieves who were apparently looking only for money.

Southern Illinois Vocal Clinic To Meet on Campus Tomorrow

The 17th all-southern Illinois vocal clinic will be held in Shroyer Auditorium, Saturday, Kenneth Jewell, choral director at Lynden (national music camp) and general supervisor of choral music in the Detroit public school system, will be the guest director and critic for the clinic.

Sixteen area high schools will participate in the clinic, which is planned to give the students, high school as well as university, a more well-rounded education.

"Doing a clinic with a very fine guest director and using the finest of a choir material early in the year gives the high school choir an unusually fine start for their year's work," Floyd V. Wakeland, SIU associate professor of music said.

Wakeland also pointed out two advantages the clinic will offer to university students.

"It gives the opportunity for our own students to work with and know some of the nation's top musical educational directors; and they learn a great deal of high school choral material which, when they graduate and begin to teach, they will be using," he said.

The program for the concert includes numbers by the masses women's chorus, the massed men's chorus, the massed mixed chorus, and the University String Quartet.

Members of the quartet are: John Wharton, violin; Allen McCord, cello; Carl Schroeder, of VTI staff, and violin; and his wife, Margaret Schroeder, viola.

Construction To Start On New Youth Camp

Construction of a camp for elementary and high school students from the 31 southern-most counties in Illinois will begin this Saturday, as a one-half mile section of road will be constructed.

The work will be done by volunteers. The Triangle Construction Company and the McKenney Construction Company will loan the equipment. Help will also be received by the Common Laborers Union Local 227, and members of the Educational Council of 100, to whom the land is leased.

The road will begin at the Southern tip of Little Grassy Lake. At the end of the one-half mile road a lodge will be made which will serve temporarily as a residence area for the students. Later, the road will be extended two and one-half miles to a point opposite SIU's camp. Then, the lodge will be turned into an information and registration center.

Chairman of the council is Clyde V. Winkler, Superintendent of Supervision of the road's construction will be done by Bill Howe, physical plant director, school which is to be constructed opposite SIU's camp will be Si-Bo-Gi. Linda Sue Whitaker, a sixth grader of Field Grade School in Mt. Vernon, named the camp. In a contest, southern Illinois grade school students entered a name for the camp. Linda Sue's was chosen as the best.

Her school received \$25, and she received a free airplane trip over Southern Illinois and Little Grassy Lake. Si-Bo-Gi means Southern Illinois Boys and Girls.

SIU May Take To Air At Eastern Tomorrow

The Southern Salukis, who before last week were a rushing team, may take to the air in an IAC clash against Eastern Illinois at Charleston tomorrow afternoon.

SIU completed 12 of 27 passes for a total of 162 yards in losing a hard-fought 26-20 game to Bradley University last Thursday. Making 26 of the passes, including one for a touchdown, was quarterback Bill Norwood, who has been improving steadily since the season began.

Coach Al Kaval had high praise for his squad's passing game against Bradley. Kaval not only paid tribute to Norwood, but added, "I think one of the big reasons for our good passing was improvement in blocking in the line and better work by the pass receivers."

Standing out in the pass receiving departments were Dave Miles, halfback, and Robert Batura, end. Miles caught four passes without a miss for total of 91 yards while Batura snagged four for 52 yards. SIU outstruck the Braves, 197-134, outgained them in total yardage, 359-297, and led in first downs, 20-13, but long-scoring plays gave Bradley the margin of victory.

Kaval said that SIU had some "beautiful blocking and execution" against Bradley, but that tackling was "rusty" and that some serious mistakes on defense cost the Salukis the game.

Injuries have hurt Southern all season, but the situation is improved now, and barring last-minute mishaps in practice, the Salukis may be near full strength for the Eastern contest. Expected to return as the starting left end is Marion Rushing, who didn't play in the Bradley game due to a leg injury.

After a slow start, Eastern rallied last week in its IAC opener establishing the Panthers as a "dark horse" in the Interstate race.

Eastern Coach Keith Smith will probably start Bill Neibich, among the top eight pass receivers in the IAC last year, at left end; Dave Leonard at right guard; All-conference Ray Fisher at right tackle; Ken Christensen at right end; Vernon Myers at quarterback; Darrell Brown at right half; Don Arnold at left half; and Roger West at fullback.

Probably SIU starters are: LE—Rushing; LT—Gene Kro-

lik; LG—Carl Teets or Tim Bowlers; C—John Abramovich; RG—Jim McCann; RT—Ed Hayes; R E—John Gelch; QB—Norwood; LH—Ranette Lewis; RH—Carter Sherry; and FB—Rich White.

Intramurals

By Joe Melosi

Three intramural swimming records topped at U. Pool Wednesday Oct. 10 at the fall intramural swimming meet.

Thompson Point No. 3 at Giant City broke the record set by the Marlins in 1955-56 in the 220 yard swim with 1:50.9. Chautauqua Co-op and the Little Grassy

group were runner-ups.

Another record which sank was the 100 yard freestyle, broken by Vaughn Hathaway of Thompson Point No. 3, who dolphinized to the winning time in 1:04.4. Joe Barry set the record in 1955 with 1:03.3. Jim Kauffman and John Sullivan were second and third.

John Mantia, Chautauqua Co-op captured the 50 yard backstroke crown in record breaking 30.3. An Klok held the 1955 record with 32.5. Bob Schofield and Wynn Curren came in second and third.

Records of four events remained untouched.

The 50 yard freestyle title went to Tom Harris of Thompson Point No. 3 who swished it in 25.1.

The 50 yard breaststroke event went to Charles Richardson, Chautauqua Co-op, in 37.5. Melvin Mkrum and Ed White followed.

In the newly introduced 50 yard butterfly, Laurie Benjamin of Thompson Point No. 3 swam it in 31.2. Ferdinand Shaw was second. Roy Fowler, independent, copied the diving crown. Wynn Curren, Cliff Hayes, Marshall Hill and Richard Senturia came in in respective positions.

ROTC Rifle Team Receives Award

The ROTC Rifle Team is off to a good start after receiving the "Secretary of Air Force Award" which makes the team the champions of Area F. The marksmen defeated 21 schools from the states of Michigan, Indiana, Missouri and Illinois last year.

All cadets are welcome to try out for the team which is only in its third year of existence.

During the summer the rifle range has been improved by the addition of lanes and soundproofing of the bullet trap area.

Halfback Darrell Brown was Eastern's leading ground gainer last year with 277 yards, followed closely by Fullback Roger West with 225.

Eastern Illinois gained a total of 1056 yards rushing last year, while their opponents gained 1654.

Cage Practice Opens Monday

Coach Lynn Holder will greet five lettermen when the 1956-57 basketball practice sessions open next Monday in hopes of finding a nucleus for a squad which has such teams as Indiana University and Fort Leonard Wood, Mo., on its schedule.

Lettermen who will start practice sessions Monday are Capt. Gordon Lambert, a reserve who broke up several games to spark Saluki wins last year; Larry Whitlock, a 6'2" junior who played forward last year; Seymour Bryson, a 6'4" sophomore forward; Robert Welch, a six-foot senior guard; and Warren Talley, a junior forward who led the Salukis in scoring last year. Letterman Marion Rushing will report after football season.

One gone through graduation are last year's guards, Joe Johnson and Dick Blythe. Missing will be Gus Doss, 6'6" center for the past two years, who transferred to another school. He would have been scholastically ineligible this year.

Holder will start practice sessions with only two seniors, Lambert and Welch, among the lettermen.

Southern has a "tough" schedule this year, according to Holder. The Salukis will open the season at Valparaiso University on Dec. 1.

For Leonard Wood, boasting a flock of Big Ten players, including Billy Rider, formerly of the University of Illinois, will be at Southern Dec. 6. On Dec. 8, Southern will journey to Bloomington, Ind. to meet the Hoosiers of Indiana University, always a Big Ten powerhouse. The complete schedule has not yet been released.

Holder said practices will open at 3 p. m. Monday for both the varsity and junior varsity, with the squads divided into two groups.

One squad will practice from 3 to 4:30 p. m., and the other from 4:30 to 6 p. m.

The rosters of both groups are posted on the bulletin board in the men's gym. Anyone who is interested in playing varsity basketball must report to Holder by next Monday, unless he is out for football or cross country, the coach said.

Gary Anderson, Eastern's all-conference quarterback last year, completed 45 of 147 passes good for 576 yards. He is not scheduled to start against the Salukis tomorrow.

Eastern's leading scorer last year was Fullback Roger West, with two touchdowns, and 13 extra points kicked for 25 points. Atell Brown was the runner-up with three touchdowns for 18 points.

Sports In Spurts

By Bill Epperheimer

A football team playing from 175 to 500 miles away from home with no cheering from the sidelines is at a great disadvantage, especially when the entire crowd is rooting for the opposite team.

This was proven the past two weekends when the Salukis lost two close football games that have been won, even with a small rooting section.

This weekend, the Salukis again take to the road, this time to play the Eastern Illinois Panthers at Charleston, some 175 miles distant.

This is the third weekend running that the Salukis have played away from home, and although they are slight favorites, that "road weariness" could overtake them, resulting in a loss and virtual elimination from the IAC race.

Which all leads to one thing: Southern's football team needs some support Saturday. That extra bit of cheering from the stands, even by a handful of supporters, could spell the difference between victory and defeat.

For the convenience of those who are planning to make a trip, the Southern Spirit Council will sell general admission tickets to the game in the Student Union today.

See you in Charleston?

TV's Lose To Washington U.; Eastern Is Next

Hoping for more offensive punch, Southern's Junior Varsity football team will tangle with Eastern Illinois' "B" team at Charleston Thursday afternoon, Oct. 18.

SIU will enter the game with a 1-1 mark, edging out Eastern, 13-6, here the last week before dropping a close 13-7 decision to Washington University four days later at St. Louis.

Southern's defense has been outstanding so far, as the junior Salukis have beaten their opponents in both rushing and passing in the two earlier games.

Eastern had a minus seven yards from rushing in its first engagement with SIU, while Washington gained only 45.

Scoring SIU's only touchdown against Washington was Ron Gray, freshman halfback from Herrin, who tallied on a 60-yard punt return. Herman Ayers, kicked the extra point.

Some of the most promising SIU players in the two games so far have been center Tony Santelli, tackle Bob Herman, end Norm Journey, and quarterback Jerry Morrison.
