The VA Voice

More World War II veterans, whose applications for public land were never processed, have died since their cases were considered, the VA announced.

To be honored are those who, years after the war, were told by the VA that their cases had been overlooked and their claims denied.

The VA is examining its file to locate those who died of natural causes during the war, and who were denied benefits.

Members of the Army, Navy, and Marine services, as well as veterans of the Air Force, are being notified of their cases.

A new law signed by the president earlier this week will allow the VA to review cases that were denied during the war for benefits.

SYMPHONY ORCHESTRA HAS OPENINGS FOR MUSICIANS

Conductor Monte Korver is interested in receiving applications from any part of the country for music students who have completed four years of college.

The orchestra's conductor will conduct at least two concerts during the fall semester.

Got a Lucky Doodle in your noodle? Send it in and make $25

Want to pick up $25? Make up a Lucky Doodle and send it in. It's easy.

If you want to find out just how easy it is, ask Roger Piers, creator of Doodler.

"It's the best way to have fun. Better yet, do a Doodler yourself, like the ones shown here.

Doodle anything you like. And send in as many as you want. If we select yours, we'll pay $25 for the right to use it, together with your name, in our advertising. We're going to print all the doodles and lists that we don't print will earn $25 awards.

Draw your Doodler any size, on any piece of paper, and send them with your descriptive title to Lucky Doodle, P. O. Box 67, New York 41, N. Y. No sure your name, address, college and class are included.

While you're doodling, light up a Lucky and -- the cigarette that tastes better because it's made of fine tobacco... and "It's Toasted" to taste better.
