AF ROTC To Hold Review Parade

Southern's AF ROTC unit held review drill in McAndrew stadium last Wednesday afternoon in special preparation for the review parade to be presented on Monday. April 21, when top-ranking Air Force inspection officers in the United States' Air Force will visit the SIU campus.

The review will be held at 4:15 p. m. Monday in McAndrew stadium.

The inspection officers will inspect the unit here at Southern and will view drills while in Carbondale. Monday's review will determine the drill rating for Southern's AF ROTC unit.

The Wednesday preparation drill was one of several which the unit has had lately to familiarize the cadets with more of the details of formation and drill maneuvers.

Approximately 400 boys participated in the drill and were led in tlights by advanced ROTC officers

The review will be held at 4:15 p.m. In case of bad weather, the review will not be held.

"In Search of Ourselves," a talk

And Let There Be Space Among the many, many gripes heard daily when listening to any student's or faculty member's conversation is the ageold complaint that there is no space to park on or near the SIU campus.

Perhaps many have had pessimistic thoughts that the university just didn't care about parking space and that the situation had been completely neglected in favor of consideration for the building program. At long last, however, something is now being accomplished which proves that this has not been the case at all.

Right this minute, workmen are grading the old parking lot on Chautauqua street and area around it in order to enlarge the size of the lot so that more cars can be accommodated.

When grading is completed, the lot will hold approximately 150 more cars than it did previously, according to Williard C. Hart, supervisor of the architectural service. This will about double the number of cars that the lot will be able to accommodate.

AND THIS IS not all-we have still another addition to parking space. Another lot is being constructed on Grand street behind the Baptist Foundation.

And as for the method used in registering cars and giving permits-that problem is now being considered for improvement by a university parking committee.

It is our opinion that if, after all these improvements, persons are still heard griping, that their only justification is that they must not have anything else to complain about and that they don't have the alertness to recognize an improvement when it does finally come along.

Then too, according to Dean of Men I. Clark Davis, there is a parking lot that is already available which is not seemingly being taken advantage of-that parking lot is located east of Illinois avenue just north of Grand avenue. Per-haps if students and faculty members looked around a bit more there wouldn't be so much of an occasion to complain.

But on the other hand, one can avoid it all and follow the advice of one student who said. "Be like me-don't own a car and you'll never have any problems."

How Do You Like Your Tobacco?

The Maryland Diamondback, University of Maryland, thinks there is a subtle analogy between women and tobacco. It declares:

Sophomores want their women to be like cigarettes, slender and trim, all in a row, to be selected at will, set aflame, and when the flame has subsided, discarded only to select another

"A junior wants his woman to be like a cigar. They're more expensive, make a better appearance and last longer.

"A senior wants his girl to be like his pipe, something he becomes attached to, knocks gently but lovingly and takes great care of at all times."

"A man will give you a cigarette, offer you a cigar, but will never share his pipe.

No 'Passion Pit' Here . . .

A new ruling at South Dakota college has replaced kissing at the door of the women's dormitory with a casual handshake.

"It isn't the idea to completely prohibit the traditional good-night kiss," says the dean of women, "but to curb prolonged half-hour demonstrations at the door."

SIU Student Is Direct Descendant Of Civil War Hero General Custer

by Beverly Fox

Among Southern's many students is one who is a direct descendant of General Custer. His name is Bill Custer, sophomore from East St. Louis.

Bill is the fifth great grandson of Captain Tom Custer, a brother of General Custer, who also died at the Battle of Little Big Horn.

According to Bill, his grandfather. Captain Custer, won two Congressional Medals of Honor during B.V.B. The Civil War. Only two other men in the history of the United States have ever received two Medals of Honor in the same war. At the close of the war, Captain Custer carried the papers of surrender from Lee to Grant.

Hagler's Single Beats Millikin in Ninth, 6-5

Southern's baseball squad won its second straight game of its 1952 schedule when hurler Ron Hagler singled home a run called into the Marine Corps Dec. its 1952 schedule when hurler Kon magier singled that 13, 1950, nas returned as an in the last half of the ninth to beat Millikin, 6-5, in a game structor after spending 16 months at Camp Leivene, N. C.

Hagler, the fourth pitcher used¹ by Coach Glenn (Abe) Martin. earned himself a victory when he Tennis Team Loses batted in Larry Burns with a clean single to left field. Burns, a stocky first baseman, had reached second Match to Beloit on a double, his second extra-base hit of the game.

EXCEPT for a five run fifth inning, the Salukis seemed to lack the scoring punch needed to win most ball games. In all, they collected a total of nine hits and 12 walks. They left 11 men on base.

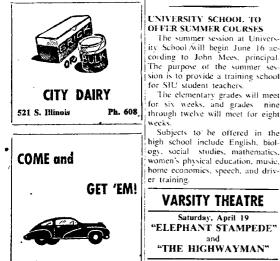

Lefty Wayne Grandcolas started on the hill for the Martinmen. The Belleville sophomore blanked the Big Blue for three innings, facing the minimum nine batters.

Reid Martin worked next. During his stint, the Big Blue picked four runs, all of them unearned. However, his teammates made amends for some shaky fielding by putting across five runs in the fifth inning with some timely hitting.

CAPTAIN Jim Schmulbach, Eddie Coleman, and Chuck Valier all walked after one out. Bob Ems provided the power expected of a clean-umman when he cleared the bases with a long double. Jerry West's single, followed by Larry Burn's triple pushed across two the Salukis before more runs for the inning ended.

Millikin tied the score with a lone run off Ray Ripplemeyer, who 6-2 worked the sixth and seventh. From then on out, both teams played tight ball. There was no further scoring action until Hagler's hit drove Burns in with the winning run.

Beloit Outshoots SIU Golfers Here

Southern's 1952 golf team was handed its first defeat of the season by Beloit College last Friday afternoon on the Jackson County Country Club, 1015-112. The wind and the Beloit sharp-shooters outdid the Salukis to even up the season's record for Coach Lynn Holder's boys at 1-1.

Freshman Chuck Newkirk did the best shooting for the SIU men, but that wasn't quite good enough. He fired an 80 over the 18-hole loit shot the best round of the day, a 79, to capture the match.

Other Southern men seemed to be outdone from the start. Jim Wilson lost his match, 3-0. He shot an 88 to his foes 82 in dropping both nines. Jack Shanks went coming in, lost his match 3-0, out in a 44, came back in 42, but still was beaten 82-86. That gave points on the front nine, two on Beloit a 2-1 point advantage

In the final round, Don Wilson | ping all four matches.
