## Foundation Offers Fellowships for College Seniors

The Danforth Foundation of St. Louis, Mo., has announced the inauguration of a series of Graduate Fellowships for college seniors and recent graduates who are preparing themselves for a career of teaching, either at the college or the high school level, and are planning to enter graduate school in September, 1952, for their first year of graduate study.

President Morris has named Dr. W. G. Swartz as the liaison officer to work with the Danforth Foundation on the selection of candidates. These fellowships will be granted on the basis of need with the amounts varying from \$500.00 to \$2400.00.

**STUDENTS WITHOUT** financial need are also invited to apply, and if accepted will participate in the annual Danforth Foundation conference on teaching and the other activities of the program. The qualifications of the candidate as listed in the announcement from the Foundation are:

Evidence of superior intellectual ability in college record.

Good record of health and emotional stability.

Outgoing personality and the concern for people, essential for successful teaching.

Choice of vocation of teaching as form of Christian service.

Deep religious convictions and growing religious perspectives.

Any student wishing further information should get in touch with Dr. Swartz.

## SIU WOMEN'S CLUB PLANS COFFEE HOUR TOMORROW

The Southern Illinois University Women's Club will have a morning coffee hour on Wednesday, Oct. 17, from 9:30 a.m. to 10:30 a.m. at the Student Center. Mrs. Walter Welch and Mrs. Leo Kaplan are co-chairmen.

## ATTEMPT TO ORGANIZE MISSOURI ALUMNI CLUB

At attempt to organize an alumni club for the 449 Southern Illinois University alumni living in Missouri will be made in a meeting at Washington University, St. Louis, Saturday, Oct. 13, according to an announcement from the SIU alumni services.

## To Install Heat At Men's Barracks

"I think the university officials are doing everything possible to have the heating system in as quickly as they can," stated William Rogge, concerning the heat situation at the men's residence halls. Rogge is in charge of the men's halls—Southern's first attempt to house men students on campus.

Everything but running pipe line from the power plant and a few details inside the building has been completed, and this is to be ready within a week. This will end the race that has been going on to acquire heating before cold weather sets in.

A **NEW FIVE-DRAWER** chest for each room has already arrived, and a desk and chair for each man, which were ordered at the same time as the chests, are still being shipped.

The desks and chairs are to go in the study rooms which are each shared by four men. The sleeping rooms are occupied by only two.

Plans are underway for an open house to be held after the halls have been thoroughly completed.

## All Classes at Southern To Be Dismissed Friday

Classes will be dismissed Friday, Oct. 19, for the meeting of the southern division of the Illinois Education association.

There will be no Egyptian published on this date. The next Egyptian will be on Tuesday, Oct. 23.

Administrative offices will remain open at the usual hours Friday. The university library will be open from 7:45 a.m. to 5 p.m.

## Freshmen To Name Most Typical Girl, Boy To Lead Oath

Nominations for the most typical freshman boy and girl, who will lead the freshmen in the annual Homecoming bonfire and oath ceremonies, will be held Thursday.

Five girls and five boys who receive the most nominations will be official candidates for the election of the typical boy and girl to be held in a special freshman assembly at 4 p.m. Wednesday, Oct. 24, in the Little Theatre.

**THE ANNUAL** freshman bonfire and pep rally will begin at the Kroger parking lot at 6 p.m. Friday, Oct. 26.

Following a snake dance to the football field, the freshmen will take the traditional Phoebe oath, which is a pledge to Southern. The boy and girl elected as most typical of the freshmen will lead the oath.

The freshman bonfire and oath ceremony is one of the regular activities of Homecoming.

## Offer Great Books Training Program

A Great Books leadership training program will be offered beginning Thursday, Oct. 18 at Southern Illinois University.

The eight-week program is designed to instruct in the principles of leading group discussions as prescribed by the Great Books Foundation.

Meeting one night weekly, the class will be open to all interested persons without charge. Those finishing the program are encouraged to start Great Books discussion groups in their home towns, although this is not a requirement for taking the course. There are no formal education requirements for enrolling in the course.

Persons interested in the program may enroll at 7:30 p.m., Oct. 18, in room 202, Old Main, SIU. The time of future meetings will be determined by participants.

## LUTHERAN STUDENT CLUB PLANS OUTING TOMORROW

Gamma Delta, Lutheran Student organization, will hold a special meeting tomorrow at 4:30 p.m. The meeting will be in the form of an outing. Students desiring to attend should meet at the flag pole.

## Elections Are Thursday For Homecoming Queen

Election for Southern's 1951 Homecoming Queen and her court and attendants has been set for this Thursday from 8 a.m. until 4 p.m. at polls which will be located in front of Old Main, or in case of rain, in the crosshalls of Old Main.

**\*Also Thursday**, class officers for each of the four classes will be elected.

## Editor Tells Plans For 1952 Yearbook

This year's Obelisk will come out May 1 as scheduled, reported Jean Dillman, editor of the yearbook. "Even though there will be a decrease in pages over last year's book, we are still trying to retain the quality of previous books in spite of budget reductions," said Miss Dillman.

Due to the reduction in the budget this year there will be no index nor faculty pictures.

Even though faculty pictures are not going to be printed, better representation of the faculty than in previous years is expected. Last year, although pictures of the faculty were run, there was only about 30 per cent representation. This year, pictures of the heads of departments will be printed and all members of that department will be listed.

**THE STUDENT COUNCIL** has come to the aid of the Obelisk's budget troubles by helping pay for space previously given free to certain university sponsored groups.

Lack of staff members is slowing up production, announced Miss Dillman. Anyone interested in working on the staff may obtain application blanks at the Obelisk's office in the Student Center.

Make-up week for students' individual pictures will be Oct. 16-20 at Nauman's and Curtis's studios. Students who have not had their pictures taken are urged to do so. Graduate students may also have their pictures taken at this time. Oct. 16-20 is the last opportunity for students to get their pictures in the Obelisk.

## 118 Purchase Permits For University Parking

To date, 118 students and faculty members have bought automobile parking permits, according to the Bursar's office.

Permits, which sell for \$1, are good until Sept. 1 next year and entitle holders to park on campus areas designated by the university parking committee.

University police will patrol the areas, and cars parking there without permits will be given traffic tickets, the parking committee has announced.

Candidates to be listed on the ballot for Queen are Pat Marlow, LaVerne Williams, Gwen Neely, Jackie Bitner, Pat Taylor, and Jane Barco. Students may vote for three girls preferentially.

Jo Rushing, Nancy Rains, and Rosemarie Gendron are the candidates for attendants. Students may vote for two attendants.

**TOMORROW AT 9 a.m.**, the Queen and attendant candidates will be introduced to the student body in an all school assembly to be held in the men's gymnasium. Classes will be dismissed for the assembly.

Identity of the queen will be kept secret until the coronation at the annual Homecoming dance to be held Saturday night, Oct. 27. Candidates elected to the court will be notified beforehand, however.

**CLASS OFFICER** candidates and their respective classes are as follows: Freshman class—president, Gib Kurtz and Harry Evers; vice-president, Carolyn Bernhard and J. B. Williams; secretary-treasurer, Pat Madden and Ron Kohler.

Sophomore class—president, Jerry Engel and Dallas Talley; vice-president, Jane Ross; secretary-treasurer, Elaine Allen and Betty Hannegan.

Junior class—president, Doug Shepherd and Freda Gower; vice-president, Loretta Bolen and Jane Barco; secretary-treasurer, write-in candidates.

Senior class—president, George Gabor, and Art Menendez; vice-president, Jane Hall and Dolores Hamp; secretary-treasurer, Wilma Dummeier and Virginia Miller.

In the cases where only one or no person was nominated who met requirements set up for candidates, students will be allowed to vote for write-in candidates.

## Messiah To Perform At Centralia This Year

"The Messiah," directed by Dr. Maurits Keszner of Southern Illinois University and sung by persons from many area communities, will be performed in Centralia this year as well as at SIU. The Centralia performance will be on Dec. 10. It is being sponsored by the Centralia Rotary Club.

The oratorio will be given in Shryock Auditorium at SIU on Dec. 9. It also was presented in Centralia two years ago.

First rehearsal, held on the SIU campus last week "was very gratifying and was one of the best first rehearsals we have had," stated Dr. Keszner.

Published semi-weekly during the school year, excepting holidays and exam weeks by students of Southern Illinois University, Carbondale, Ill. Entered as second class matter at the Carbondale post office under the Act of March 3, 1879.

**A Proposed Standard Operational Procedure For Personnel Messing In The SIU Cafeteria**

NOTE: This is a satire, not meant to criticize destructively, stir up student unrest, and incite subversive activity. The writers of this article fully realize that the new plan adopted by the cafeteria, as well as all plans laid by the University, is devised to accommodate the overgrown and bloated student body. The writers of this article wrote this satire with the intent of amusing, entertaining, and sharpening the wits of the readers.—T. S. and B. S.

1. All individuals messing in the cafeteria will wear ribbons which will designate their position in the university; e.g., freshman, sophomore, junior, and senior.
2. Approach to the cafeteria will be facilitated by movement of personnel through either of the two doors facing South Thompson.
3. Movement will be orderly, sober and noble into the form of one line (the geometrical construction of which will be outlined in subsequent methods of procedure). This line will begin at the trays located in northwest corner (approx.) of the cafeteria.
4. While individuals are waiting to be served, they will have observed the menu and decided, meal ticket in hand, and inform the attendant serving the desired item of food. The communication of the desired item will be as succinct as possible.
5. A grateful, submissive attitude will be maintained at all times.
6. After having paid for your food, you will salute the cashier, do an about-face, and follow your squad-leader (oops! I mean, hostess) to your table.
7. Upon arriving at your table, you will see chalk lines designating the position of plate, knife, fork, spoon, glass, napkin (this is optional), et al to facilitate the mastication of food. The mastication of food will be further be facilitated by numbers; e.g., the squad—er hostess will provide the count (the latter is a basic assumption).
8. Normal interval between personnel will be twelve inches maximum, four inches minimum.
9. No more than two persons of the same rank may be seated at the same table. Fraternization with mixed personnel will be strictly forbidden. Conversation will be kept at a minimum, in order to facilitate the movement of personnel from the mess hall—er, cafeteria.
10. Upon leaving the cafeteria, individuals will assume double-time in order to prevent congestion of portals outlined in section 1.

This is subject to modification, with reference to "crowded conditions," "lack of facilities," and "greater ease in finding pleasant surroundings."

**Editor's Mailbag**

**Chairman Bean Protests**

To: Editor-in-chief of the Egyptian

I would like to answer a few questions concerning the editorial "An Annual Event." This is no apology or explanation, but merely an interpretation of a few misconceptions that you evidently have.

I shall begin with the start of the editorial and go through it completely. "It happens every" year. At the last minute, Southern is always trying to find a band for Homecoming when most of the big name bands have already been booked for weeks and even months in advance." This is ALMOST all true except the part where it states that a big name band can be signed months in advance. No **Booking Agency** will answer a letter much before 90 days, and if you do succeed in contracting a band during this period, they reserve the right to break it 30 days before the engagement. (This happened for Spring Festival last spring).

During the latter part of July and through August, my Dance Chairman contacted numerous booking agencies, such as General Artists Corporation, McConkey Music Corporation, Music Corporation of America, Associated Booking Corporation, and also sent personal letters to Frankie Carle, Claude Thornhill, and Ralph Flanagan. After this correspondence he received absolutely nothing concerning a big name band. Only lesser name bands such as Bernie Cummins and Frankie Masters were suggested.

**AT THE BEGINNING** of fall term, we started sending telegrams to the various agencies and still received nothing of importance in return. At the start of the second week of school, still 40 days before Homecoming, we called Chicago and St. Louis. They had no big name bands whatsoever that they could offer us that would stay within our limited budget. We then called New York and Kansas City and finally (we thought) signed Ray McKinley, the only big name band available for the night of Oct. 27, 1951. Much to our dismay he backed out before we had a confirmation. God only knows, no one wanted a large name band more than I did.

You may wonder why we do not raise our budget so that we can compete with the largest schools. Do you realize that the profit we make from the dance and concert must pay for the entire Homecoming event? This is the only university in the United States where Homecoming is run by the students completely. On this campus we have no outside help from the alumni, such as at Eastern where they are having Harry James. The entire \$2,500 for Harry James is paid by the Eastern Alumni. Perhaps we need to stimulate our alumni.

We think that Homecoming, as the biggest drawing card for Alumni and the one event of the year.

that almost all students attend, deserves special consideration. This gets my hearty approval and full support. If it didn't, I would surely quit today.

**IT SEEMS THAT** you are trying to find fault with someone over the signing of Al Trace's band. If that be the case, there is no one to blame but the Homecoming Chairman. Two days after I was elected chairman last spring I appointed a person who I thought was qualified for the position of Dance Chairman. I firmly believed in my own mind then, and still do, that he was the most qualified person for the job, and I believe that he did the job to the best of his or anyone's ability.

The best solution, which you offered, was that the Homecoming chairman election should be held the second week of Spring term. We have been discussing this for the last two weeks, and I think that something can be done about this through the Student Council.

Again I quote, "Another suggestion would be to find out early in the spring term several band's open dates for the general period in which Homecoming is usually scheduled. Then the Student Council could decide on a date, with the open dates of the various bands as a guide." Please tell me how could this possibly be anything but filling up space in your editorial.

1. How are the bands going to know where they will be five or six months in advance?
2. How could the Student Council decide on a date for Homecoming? I am under the impression that the Athletic Department, more or less sets Homecoming, according to the football schedule.
3. How could you use the open dates of the bands as a guide and still have the Homecoming dance on Saturday night?
4. Would you advise that in the future we have the dance on Friday or some other night in the week during Homecoming?

Myself, I don't know the answer, but maybe someone else does. If you do, please contact the Student Council.

Glen Bean  
 Homecoming Chairman

**If The Shoe Fits . . .**

Dear Mr. Chairman:

Since it seems that you took my editorial as a personal affront, where none was intended, I think it only right that I should try to clear up "a few misconceptions that you evidently have."

I think it very noble of you to be a martyr and assume the whole blame, as you call it, for the signing of Al Trace, but to do so was rather unnecessary, unless you felt that your position was such to need justification. For if you will read

my editorial again, objectively if you please, I think you will discover that I was not accusing either you or the dance chairman of malfeasance of office, but rather I was merely trying to find out why Southern almost always ends up by booking a less well-known band than some of the other schools of comparable size and means.

**I SEE THAT YOU** agree with me by saying that my statement "At the last minute, Southern is always trying to find a band for Homecoming when most of the big name bands have already been booked . . ." was almost all true, with one minor exception. The most important thing, don't you think, Mr. Chairman, is that we do agree on the vital part of that statement. As for the part you found fault with, I think you will find that I did not make any such general statement that a big-name band can be signed months in advance. I do not profess to understand the workings of the booking agencies or their policies. I merely made the observation that since Southern seemed unable to get a big name band a few weeks in advance of Homecoming, it must be because all of them had already been booked previously.

**SOMEONE SEEMS** to be booking them in advance, or else they would have a few open dates available when we contact them, instead of being all booked up and unable to give up anything definite. They are surely not refusing us maliciously. Perhaps if SIU's Homecoming Chairman could communicate with other chairmen on other campuses and compare notes in future years, we might discover how they make their band arrangements. Milliken, who is having Ralph Marterie, and Eastern, as I have previously mentioned, with Harry James, might be schools to contact.

**HAVING TO PUBLISH** the Egyptian on a budget, I certainly do not wonder why we do not "raise our budget" as you suggest. Neither do I think we should compete with larger schools—just keeping up with schools our own size is evidently keeping us busy.

I do not see how you can conclusively make the statement that Southern is the only university in the United States where Homecoming is run by the students completely. Have you personally made a survey of all the universities in the United States, that would allow you to make that statement? It is evident that you have not, or you would also know that the \$2,500 Eastern is paying for Harry James is not being paid for by Eastern alumni at all. On the contrary, quoting from a personal talk with Ray Snyder, Student Council president and Homecoming chairman at Eastern: "Homecoming dances at Eastern are financed only through ticket sales and the gradual building of a fund from a slight excess

in past years. No contributions are received. We try to get the best band available, by investing our money and making it pay through publicity. Last year we had Sammy Kaye. On Sept. 4, 1951, I made personal contact with an agency in Chicago to get Harry James."

Where were we, Mr. Chairman? It can be done, you see—even as late as Sept. 4.

I see that you consider my suggestion of electing the chairman the second week of spring term to be the "best solution." If this were done, it would give the chairman more of an opportunity to get organized, which you realize better than I.

**AS FOR MY SUGGESTION** about the Student Council using the open dates of bands as a guide, I will try to answer your questions one by one.

1. I agree that bands might not know where they will be five or six months in advance, but they might at least be able to give us a general idea three or four months ahead, since tours are usually scheduled fairly far ahead, and since they always seem to have been booked for some time when we try to contact them.

2. We were both partly wrong about setting the Homecoming date. After checking with university officials, I found that the president's office makes the final decision as to the date, with recommendations by the athletic committee, and approval by the Student Council.

3. This question is rather obscure. Do you mean to say that no bands can be booked for Saturday night dances, or that no open dates would be likely to fall on Saturday night?

4. I would not attempt to advise the Homecoming chairman as to what night the dance should be held. That I leave to his own discretion and that of the committees involved.

Students enrolled in the new nursing education program at Southern Illinois University receive instruction in micro-biology from Dr. Dan O. McClary, assistant professor. Students are: left to right (seated) Cora Gibbs, Carbondale; Helen Crafton, Johnston City; Helen Sorgen, Carbondale; Mildred Peebles, Carlinville; Ann Clujas, Cobden; (standing) left—Phyllis Hurd, Johnston City; Lois Jean Garrett, Belmont; and Florence Waddle, Mt. Carmel.

**Nursing Education Program Here at Southern Begins This Fall with Eight Students**

The new nursing education program at Southern opened its doors to eight students this fall. This training offers a basic three-year program in nursing which leads to a diploma, not a degree. However, credits earned during or after this three-year course may be applied to a degree.

In June, at the end of the 36 weeks of pre-clinical training here, the girls will be sent to the Memorial Hospital at Springfield, for 48 weeks. While there, they will be instructed and receive experience in such fields as medicine, surgery, obstetrics, operating room, and diet kitchen.

Terminating this 48-week program, the girls will receive a four-

week vacation before going to the Jacksonville State Hospital for eight weeks.

**FROM THERE** they will go to the Cook County Hospital in order to gain experience in caring for children and patients with communicable diseases.

During the last 6 months of the course the girls will be assigned to selective rural hospitals. These are small town hospitals such as are located at Carbondale, Murphysboro, Herrin, and Marion.

At the end of the final 6 months the girls in nurses training will receive their diplomas, which will enable them to take the state board examination and become registered nurses.

**Randolph Attends Meet of National Council**

Dr. Victor Randolph, associate professor of education here at Southern has returned from the four-day annual conference of the National Council on Schoolhouse Construction at St. Paul, Minn.

The conference was concerned with the financing and constructing of functional school buildings for elementary and secondary schools. Reports on trends and research along with the progress of the Nation-wide Federal survey were given.

Dr. Randolph served for six months in 1951 with the United States Office of Education, which is conducting the survey. He reports that now 40 states are completely processed, including Illinois.

Dr. Randolph is the only faculty member from Southern Illinois University who is an active member of the National Council on Schoolhouse construction.

**Girls' Hockey Team Travels to Normal**

A girls' Hockey team composed of 18 members of the Southern Illinois University women's physical education department played in a hockey sports day at Illinois State Normal University, Normal, Saturday, Oct. 13.

The 18 members of the hockey team and substitutes are: Malinda Ballinger, Betty Black, Gloria Bonaldi, Connie Conatser, Delores Feldkamp, Jody Galbreath.

Jeanette Harris, Anna May Hayes, Londa Jaqueth, Marie Kern, Mary Ann Klingenberg, Joan Livings, Eleanor Miller, Donna Nolan, Merlene Riva, Jo Ann Robertson, Jean Stadlerman, and Joan Still.

Dr. Dorothy Davies and Jean Stehr of the physical education department accompanied the girls.

**Hartwig and Mueller Attend Conference**

Dr. Hellmut A. Hartwig of the Southern Illinois University foreign language department and Gunther Mueller, SIU student from Frankfurt, Germany, attended a conference on communications at Northwestern University, Evanston, Oct. 12 and 13.

**NEWMAN CLUB SCHEDULES MEETING FOR TOMORROW**

The Newman Club has scheduled a business meeting for Wednesday, Oct. 17, at 7:30 p.m. in the Little Theatre. A member of the Knights of Columbus organization is to be the guest speaker.

All Catholic students are invited to attend. The picture for the Obelisk will be taken at the meeting.

**Women's P. E. Majors, Minors Organize Club**

A fairly new organization on campus is the American Association for Healthful Physical Education and Recreation for majors and minors in women's P. E. This is a national organization which has members all over the United States.

Dr. Dorothy Davies is sponsor for the group.

**THE CLUB HAS** five purposes set up as a goal:

1. To stimulate a wide and intelligent interest in health, physical education, and recreation.
  2. To foster a feeling of professional fellowship, both within the group and without, in the state and national field of physical education.
  3. To further the highest ideals of the profession.
  4. **TO BRING ALL** people of the department into closer contact with one another.
  5. To make the students aware of their opportunities and responsibilities.
- The governing body is a major council, consisting of a president, vice-president, secretary, treasurer, publicity chairman, and four class representatives, which meet the third Wednesday of every month.

**Dr. Lawson To Speak To Pinckneyville Group**

Dr. Douglas E. Lawson, dean of the college of education at Southern Illinois University, will speak to the Pinckneyville American Association of University Women on the subject of "Academic Freedom," Monday, Oct. 22, at 8:00 p.m. in the home of Miss Ina Brown.

Dean Lawson, a graduate of the Colorado State College of Education, received his doctor's degree from the University of Chicago in 1939. His major fields of study were education administration and curriculum.

He is a member of the American Association for the advancement of Science, National Education Association, American College Personnel Association, and the American Association of School Administrators.

The program chairman for this meeting is Mrs. William D. Hunter of Pinckneyville.

**Women's Professional P. E. Club To Meet**

The Physical Education Professional club of the women's P. E. department will meet Wednesday, Oct. 17, at 7:00 p.m. in the gymnasium, room 202W.

The topic for discussion will be the Women's Athletic Association. Election for a treasurer will be held. All majors and minors in physical education are urged to attend the meeting.

She spoke at the afternoon meeting of the Mattoon, Effingham, and Charleston chapters of Delta Kappa Gamma, a professional organization for teachers.

Dr. Peacock studied in Peru for five months and spent additional time traveling in South America during the 1949-51 school year. She will also speak on "Education in South America" at Marion Oct. 17 at 2:30 p.m. at a meeting of the Fortnightly club.

**Students To Apply for Deferment Tests Soon**

Applications for the Dec. 13, 1951 and the April 24, 1952 administrations of the college qualification test are now available at selective Service System local boards throughout the country.

Eligible students who intend to take this test on either date should apply at once to the nearest Selective Service local board for an application and a bulletin of information.

Following instructions in the bulletin, the student should fill out his application and mail it immediately in the envelope provided. Applications for the Dec. 13 test must be postmarked no later than midnight, Nov. 5, 1951.

According to Educational Testing Service, which prepares and administer the college qualification test for the Selective Service System, it will be greatly to the student's advantage to file his application at once, regardless of time testing date he selects. The results will be reported to the student's Selective Service local board of jurisdiction for use in considering his deferment as a student.

# Salukis Fall Before Washington Bears 25-6 for Fourth Defeat

by Don Duffy

Southern's Salukis were hit hard by a Washington U. ground attack which netted over 350 yards and handed coach Bill Waller's young team its fourth straight loss, 25-6.

The Salukis, playing on Francis Field for the first time since 1914, again made a poor showing in the first half and finished strongly. Washington's Bears received the opening kick-off, but were able to gain only three yards in three plays. A fourth down punt gave Southern the ball on its own 17. The Salukis offense was stymied, too, and Chuck Neiry booted to the Bear 49. The Washington U. attack began to move, and the play was advanced to Southern's 14. Angelo Lombardo, the Bear's hard driving fullback fumbled on a pitch-out around right end. Rodgers of Southern recovered to break the scoring threat.

Again, the Saluki offense was held to a stand-still, and Neiry punted to the Southern 43. On the first play, Lombardi made amends for his earlier fumble by breezing through the right side of the Southern line almost untouched for a 43-yard touchdown run. Bob Lasley converted for the Bears.

The Bruin's second tally came a few minutes later. This time, it was Jim O'Hare, right half, through the left side of the line on a 39 yard touchdown gallop. Lasley's place kick was blocked, as the Bears took a 13-0 lead.

A WASHINGTON drive shortly after the start of the second quarter which may have resulted in their third score was broken by Gene Ernest, who intercepted a pass from Jack Uteritz on Southern's 5 yard line. A fine return by Ernest carried the ball up to the Salukis' 34. But again, the offense bogged down near mid-field, and Neiry punted out of bounds on the Bear 18. With Jim Uteritz now in at quarterback, a series of running plays through the line brought the ball deep into Southern territory.

With first-and-ten on the 18 yard line, Uteritz began to pass to open the defense. His second pass was deflected by Bill Farrell, and caught by Southern's Harlan Seals. Thus, two Bear touchdown drives in a row were broken by pass interception.

Washington's third touchdown came shortly before halftime. Joe Huske, the Saluki quarterback, was thrown down on a pass attempt on his 5 yard line for a 15 yard loss. Neiry, who wasn't up to his 42 yard average all afternoon, kicked to the Southern 38. A well-mixed variety of plays gave the Bruins a first down on the Saluki 14. O'Hare drove through the line to the 1 yard line, from where he crashed over for his second touchdown. Again, a bad pass from center made Lasley get off a hurried kick which was blocked.

Southern penetrated into Washington U. territory for the first time. Kendrick took the kick-off on his 10 and ran it back to the 36. Joe Huske heaved a 20 yard pass to Leo Wilson, who carried it up to the Washington 20 yard line before being brought down. The drive ended when Huske's third pass was intercepted by Bob Lasley just as the half ended.

The second half brought about the customary change in Southern's

caliber of play. They took the kick-off, and in 15 plays found themselves on the Bear's 19 yard line. But the Bruin's defense tightened to stop Southern and push them back to the 18, where they lost the ball.

Jim Uteritz fumbled on the first play for the Bears. When a pile-up of some seven or eight players was untangled by the officials, the Salukis were given possession of the ball. But the Southern offense again failed to provide a scoring punch, and they were stopped cold on the 10 yard line.

WASHINGTON drove to their own 44, where they went into punt formation on fourth down. Joe Fenlon let go an erratic pass back which sailed over Uteritz's head back to the Bear 10 yard line. The loose ball bounced around like a lost puppy until Lombardo finally scooped it up and ran it up to the 18 before being brought down.

For the third time Southern took possession deep in Washington territory. Vanderplum picked up four yards on two spinner plays. Ems carried a pitch-out to the five yard line and a first down. Center Tim Bowers was hurt on the play and carried from the field with a badly twisted knee. Ems hit through center on the next play and bulled his way over the goal-line. Neiry's conversion narrowly missed being good when it hit the upright part of the goal post. Southern now trailed 19-6 with 14 minutes remaining in the fourth quarter.

Some quick thinking on the part of Jim Uteritz saved Southern from another possible touchdown. Washington was forced to punt after taking the kick-off. Uteritz's first kick was nullified because of a double penalty on the play. Fenlon again let loose a mighty heave on the pass back. Again, the ball soared over Uteritz's head. He chased the ball back about 20 yards before catching up with it. He started to run forward, but saw half the Southern team charging in. Using some quick judgment, he barely got off a kick which car-

ried to the Southern 38 yard line.

THE SALUKIS took over, but lost the ball on second down when one of Joe Huske's passes was intercepted by Jim Kennedy. Leslie Lombardo, and Mueller, who replaced the injured O'Hare, combined efforts to move the ball to the Southern 1 yard line. Mueller banged over to score, but the play was nullified and the Bears penalized 15 yards for holding. Lombardo remedied the situation for the Bruins by taking a pitch-out around end on the next play. He was hit on the two yard line, but rolled over to score. Fenlon showed how not to center on the conversion by getting the ball back on the first hop. Lasley couldn't even get a kick off this time, and the score stood at 25-6.

After a short Southern drive failed to materialize, time ran out with the Bears in possession of the ball, and also in possession of their third victory of the season.

Southern will take their victory hopes, in this case rather slim, to Macomb Friday night when they face unbeaten Western Illinois. Following this game, the squad will return home for the 1951 Homecoming game against Eastern.

## Zabroski Leading Hitter During Fall Baseball Practice

Len Zabroski, freshman outfielder, is leading the Saluki regulars during the current fall practice session with a .350 batting average. Zabroski has batted 25 times for a total of ten hits. Close behind him is letterman Jerry West, infielder, batting .357 with ten hits in 28 times at bat. Other averages to date are:

## Normal Defeats SIU Scott Field Blanks Cross-Country Team 'B' Squad 7-0

by Pfc. Jim Kahmann

Although Southern's Phil Coleman finished first, the SIU Saluki cross country squad was tagged with its first defeat of the season last Saturday on the Southern track by a fast-stepping Illinois Normal University team out of Bloomington, 20-36.

Coleman, Southern's returning senior letterman, continued his I.I.A.C. mastery Saturday, by outdistancing Normal's ace, Bob Swift in 15:42 for first place and second consecutive 1951 win in the conference. Behind Coleman, however, came five Normal harriers who clinched victory by taking down second to sixth places consecutively.

SWIFT HAD RECENTLY run a three-mile race against Chicago Loyola and Western in 15:23, but couldn't do a repeat performance Saturday. He and his teammates did, however, take an important step in helping to bring one more league championship back to coach Joe Cogdal and Bloomington. Normal has won all but three I.I.A.C. titles since the league's origination.

Second Southern finisher for coach Doc Lingle was Jacques Theriot, sophomore, who came in seventh. Other Saluki places went to Fred Jones, freshman; Jack Martin, freshman; Tony Delia, freshman; and Dick Toon, freshman, who finished ninth, tenth, eleventh, and twelfth respectively.

Scott's "B" squad eked out a 7-0 victory over Southern Illinois University's junior varsity last Friday afternoon at the new stadium. Halfback Roy Rucker, the Flyer's leading ground gainer, scored late in the third quarter from the two, after the Scotsmen had marched 75 yards in one sustained surge.

It was a rough-house affair, a see-saw battle that for the most part saw neither team being able to gain an advantage. The ball changed hands with rapidity during the first half of the ball game via intercepted passes and fumbles.

Neither team got a sustained offense going until late in the second quarter, when Southern started to roll. The Jr. Salukis moved from their 20 to the Scott 15, racking up three successive first downs en route. Bill Carlyle sparked the college boys with long runs. Carlyle was a consistent gainer all afternoon, twice getting away for runs of 50 yards.

Scott held near the goal line, and took over just before the half ended.

Rucker led the Flyer offensive which began to move late in the third quarter. The Negro scatback got off for runs of 22, 13, and 7 yards before he finally went over from the two yard line. Zarlingo kicked the extra point to conclude the scoring.

Statistics in the ball game were about even, Scott counting 13 first downs to SIU's 14. Scott hit on three of six passes for a .500 average. The college men were a bit more aerial-minded, throwing 16 passes and hitting on seven of them.
