Editor's Mailbag

Dear Editor,

I have just been engaged in a discussion with several other students concerning the merits of the quarter system over those of the semester system. We are interested in knowing the results of the opinion poll that was taken on registration day. This is probably of interest to all students as the majority of persons with whom I have talked are in favor of the quarter system and would like to know the possibility of a change to the semester plan.

Victor Oberheu

On Semesters for Southern

In answer to Mr. Oberheu's letter concerning the results of the student opinion poll on the semester plan, we will very gladly print the tabulations of the answers from the 1001 questionnaires that were turned in.

It seems that the majority of students here at Southern are satisfied with the present quarter system, for out of the 1001 who filled out questionnaires, 702 voted against the semester system, 196 voted in favor of changing over to the semester plan, while 103 students said that they were undecided.

As for the possibilities of Southern changing over to the semester plan, we do not know exactly how close we are to a change-over. However, in view of the way the students voted on the questionnaire, it does not seem to us that the semester plan would be such a good idea.

We, the editors of the Egyptian, are inclined to agree with one educator who said that "whatever system you are now using is best." Several tests and surveys have been made to help determine whether the semester plan or the quarter plan is best. Nothing definite has been determined in favor of either plan.

Therefore, we agree with the 702 students who voted against the semester plan. We hope that the faculty committee which is considering the semester plan also considers these 702 votes against the plan.

We of the Egyptian staff want to thank you, Mr. Oberheu, for expressing your interest in the semester versus quarter system and for reminding us to bring the results of the poll before the student body. Here's hoping that you, the students with whom you have talked, and the 702 others who voted against the semester plan are permitted to remain satisfied.

Time Out

When Journalists Go On A Picnic

by Dave Stahlberg

Shining championship ball playing high-lighted the campus journalism picnic last Wednesday afternoon at the Giant City diamond, (better known as the main shelter.) Using a lightning fast 16 inch softball, the two teams fought it out to a tight 22 to 7 finish.

Don Grubb's Grovelers were the hustling winners, with Walt (Ace) Craig pitching and Bill Horrell's Hotshots, the losers, with Jim (Beanball) Fecho the sorry hurler. Don Grub is head of the journalism department at Southern in his spare time, and Bill Horrell is head of the photographic service during his odd moments.

To spare the players untold difficulties in dodging baseball talent scouts, a complete listing will be excluded. An accurate box score will also be absent, due to the lack of a scorekeeper. However, Mrs. Sherman Doolen did keep a record of the runs.

HEROINE OF THE hour was student umpire Joyce Weece—who now is qualified to dodge pop bottles with the best. She called a close and accurate game, and settled hot arguments bordering on riots with a cool statement such as, "Gee, that's the way it looked to me."

After the tough battle, the diamond-weary players hit the showers (or rinsed their hands and face off in the cool stream) and joined the others at the training table. It was loaded down with 27 pounds of ham, ample supplies of potato salad, baked beans, potato chips, sweet pickles, and korn kurls, to be topped off by cake and delicious custard that tasted exactly like homemade ice cream. Of course, energy restoring pop was served with the feast.

With at least four ham sandwiches around, everyone agreed it was an excellent picnic, and ought to be repeated at least every week.

Under the program, students were to spend 36 weeks on the SIU campus for pre-clinical training and the next 48 weeks in clinical training at Memorial hospital, Springfield.

The rest of the nursing course included 12 weeks at the Jacksonville State hospital, 24 weeks at Cook County hospital and 24 weeks in selected hospitals in the Southern Illinois area.

SIU Sweeps Twin-Bill From Central Michigan

by Sherman Doolen

The Salukis scrambled to the top of the IAC baseball standings here last Friday by hammering out a double victory over Central Michigan. It was the first league competition for both teams.

Wayne Grandcolas, sophomore southpaw from Belleville, won his third victory in the opener 3-1, and righthander Ron Hagler, Murphysboro freshman, twirled a 6-2 victory in the second game, a seven-inning tilt.

TOGETHER WITH their creditable pitching and generally tight fielding, the Salukis walloped 13 hits during the afternoon, although they several times missed chances to boost their run totals with timely hits.

Southern thus hung up its sixth and seventh straight victories of the year after dropping its two opening games of a spring training jaunt.

Bob Ems has been having occasional trouble seeing the pitch with his new specs on but he still is probably Coach Abe Martin's most dangerous hitter. Bob bashed a long homer into center field in the first game scoring Charles Valier ahead of him. He also got a single in that game and rapped a double in the second tilt to drive in another run.

EMS NOW HAS 14 hits in 39 times at bat for a sparkling .359 average, best on the starting lineup.

Hagler, potent at the plate as he is on the mound, boosted his cause in the second game when he doubled in the second inning to drive in Southern's first two runs. Hagler, who won his own game with a run-scoring single against Millikin last Tuesday, has hit safely three times in his five trips to the plate this season.

Grandcolas was never in serious trouble in the first game and was well on his way to a shutout when Central scored a run in the sixth inning by bunting three of the six hits Grandcolas allowed them. Southern got eight hits off two pitchers.

THE SALUKIS were out in the second game, 7-5. However, eight walks and three Michigan errors helped them to score.

Third Baseman Valier had one of his best days in helping his team-

ates to their double victory. The Pinckneyville senior got two singles and a double and swiped two bases in the first game. He stole another base, drew two walks and scored two runs in the second contest.

The Salukis hope to take another stride toward the IAC crown Friday when they have a double header scheduled with Michigan Normal at Ypsilanti. They travel April 29 to Washington University and play their next home game May 3 with Arkansas State.

Chi Delts, Tri Sigs Top Greek League

Southern's Hellenic Bowling league ended with what may well be called a "photo finish" in both the men's and women's divisions. MEMBERS OF THE PACE SETTING

Chi Delta Chi team which finished with a record of 43-20 are Bob Coatney, Chuck Weiss, Mimi Alecci, Bob West, Jim Throgmorton, Chuck Wildy, and Doug Garber. Throgmorton walked off with the individual championship in the men's division with a powerful 171 average.

The Tri-Sigs who carried home the trophy for their sorority were Jo Rushing, Virginia Stringer, Jane Riley, Ada Griffith, Connie Conatser, Virginia Miller, and Jean

Tennis Crew Gains First Victory, 4-3

Southern's tennis squad "racketed" up win number one for the season last Wednesday afternoon at Rolla, Mo., 4-3 over the Missouri School of Mines. Coach Jim Wilkins' team captured the final doubles match to break a 3-3 tie and to take the victory.

In the singles matches, Pisoni, Kilian, and Flota all won handily in two sets to give SIU a 3-2 advantage. Then in the doubles matches Southern split even as Kilian and Lape combined to win their match in two sets. This match victory spelled defeat for Rolla.

Southern's record now stands at 1-2, not including the IAC opener in Charleston last Saturday against Eastern State. The Salukis will travel to Washington University this Thursday for the fifth match of the season.

Pisoni (S) beat Miles (M), 7-5, 7-5.

Beleski (M) beat Lape (C), 6-1, 4-6, 10-8.

Grey (M) beat Meyers (S) 6-4, 6-4.

Sharp Rolla Team Downs SIU Golfers

It took a lot of sub-par golf at Rolla, Missouri, last Wednesday afternoon. But with it, the Missouri School of Mines was able to whip Coach Lynn Holder's links team, 12 1/2-2 1/2. It was the second loss of the season for the SIU men against one win. Last Friday they met Illinois Normal and Thursday will tackle Evansville College away.

IN WEDNESDAY'S match, the Salukis fired some of their best rounds of the year. But as the Rolla coach and team members said, "We shot some of the best scores in several years. Possibly, the best ever." Par for the Rolla course was 71 but the Missourians paid little attention to that. They fired three rounds in the sixties, topped off by a sizzling round of 67 by Hubert McCullough, low score for the day. The other two members of the Mines team fired 75 and 76 respectively to put finishing touches on the Southern defeat.

The Salukis themselves shot one 76, two 75's, and a 74 by low-man Jack Shanks, but it wasn't good enough. Only Jim Wilson's 75 could get two and one-half points for Southern. Even Shanks' 74 was bettered by a 69 by Carrol of Rolla.

Ken Lanning of Rolla, who topped Southern's Chuck Newkirk with a 69, was National Public Links Tourney number eight finisher last year.

Delia, Bierman, Gregory), 3:32.3. (First place received five points, second three points, third one point).

Southern meets Cape Girardeau here Friday night at 7:30.
