Student Protest

Reporter Hanged, Burned In Effigy

SIU students, numbering approximately 400, voiced dislike Tuesday night of anti-Southern articles written by George Thiem, reporter for the Chicago Daily News.

Thiem was hanged and burned in effigy at the intersection of Grand and University Avenues. A parade of students started at Small Group Housing and carried the Thiem "dummy" across campus to Woody Hall, where it was hoisted on a metal light pole and burned.

The dummy was made of clothing and stuffed with paper, rags and wood by Phi Sigma Kappa fraternity. The demonstration, which began about 10:30 p.m., was over by midnight.

According to Don Ragsdale, assistant security officer, the dispersal was quick and orderly. He explained that traffic was blocked for only a few minutes.

Dean I. Clark Davis, director of student affairs, said his office is trying to get a true picture of the incident. He explained that the incident is bad publicity for the University. The Chicago Daily News received a picture of the hanging.

The "dummy" is hoisted into position.

Orderly students view the end. (Photos by Jon R. Blomquist)

Police Investigate Campus Break-Ins

Four break-ins, three on campus, were reported to the police last weekend.

The lone off-campus offense involved illegal entry into the University Drug's Monday morning through a rear window and the theft of \$500 in cash. A bar was sawed off before the window could be used for entry.

The campus break-ins were at Old Main, the University Cafeteria and the University Book Store. Two cigarette machines in the cafeteria and one in Old Main were robbed of cash and cigarettes. The illegal entry into the book store was made in the basement bicycle shop but nothing was reported missing.

An inventory had not been taken at Egyptian press time to determine the amount stolen from the vending machines.

University Police are investigating the break-ins.

13 LAS Students Join Honor Society

Thirteen SIU juniors and seniors have recently been named to the Liberal Arts and Sciences Honor Society.

A junior must have at least a 4.5 grade point average to be eligible for the Society. A senior is required to have at least a 4.25 average.

The thirteen students were chosen from 650 junior and senior students in the College of Liberal Arts and Sciences. They are: Frances Malcolm, Linda Funkhouse, Carol Goldsmith, Robert Rausch, Aladyn Taylor, Charles Baker, Martha Straun, Gail Hayes, Jean Green, Thomas Bierbaum David Kamler, Mary Lackey and Michael Bender.

Meet In Student Center

SIU's University Center has been picked as site for the 1961 convention of the Illinois sisterhood of PEO. Over 700 convention delegates are expected to attend the June 19-21 sessions of the organization as they meet to discuss business of the Illinois division.

Beazley Invited to Oxford Seminar

Dr. Ronald Beazley, SIU professor of forest and land resources economics, has been invited to attend a five week advanced summer seminar entitled "Land Use for Forestry and Agriculture" at Oxford University in England.

The course, beginning June 27, will feature nationally and internationally recognized authorities in various problems of forestry and other agricultural land uses. They are especially interested in countries where population density is high, as in England and elsewhere in Europe.

Dr. Beazley will be the only U.S. forestry educator among the 18 persons participating in the seminar. Most of the others will be senior forestry officers and land administrators from the British Commonwealth. A native of Nova Scotia, Dr. Beazley joined the SIU forestry department faculty in 1959 as a specialist in forest economics after six years at the University of Minnesota.

Brandon, Sanders Place Second In Hawaii Tourney

The SIU senior debate team of Kent Brandon and Keith Sanders won second place in the University of Hawaii invitational debate tournament last weekend.

The SIU team was undefeated in six preliminary rounds and defeated the host University of Hawaii in the semifinal round of the four day tournament. Sanders and Brandon were defeated in the final round by the College of the Pacific whom they had defeated earlier in a preliminary session.

Brandon won second place in the extemporaneous speaking division, and Sanders was a finalist in the oratory class. They were presented trophies with a gold figure and a replica of a Hawaiian god.

Jack Parker, lecturer in the speech department and debate coach, was a guest lecturer in a debate workshop.

Senior Banquet Is Wednesday

The annual senior banquet will be held Wednesday for all seniors who will graduate in June or August.

Dr. David Kenney will speak at the banquet and class business will be discussed. Dr. Kenney, member of the Alumni Board of Directors, member of the government department faculty and assistant dean of the graduate school, will speak on "Looking Backwards." He received his bachelor's and master's degrees from SIU and a Ph.D. from the University of Illinois.

Business Meeting

Alumni representatives will be elected and the senior class gift will be determined. Association members and graduating seniors will vote to select the recipient of the Great Teacher Award.

The purpose of the award is not to honor a teacher who is the friendliest, the most popular or the most entertaining. The purpose is to pay homage to the University faculty member for classroom teaching excellence.

All Faculty Eligible

Faculty members now teaching or emeriti members who are still identified with Southern are eligible for selection.

The winner of the award will be presented with a check for \$1,000 at the Alumni Banquet June 10. The award is made up primarily of contributions from alumni. Last year's winner of the award was Dr. Douglas Lawson who died last March.

The ballot and registration card for the banquet must be returned to the Alumni Office by Monday. The reservation and ballot were recently sent to all seniors.

Mrs. Taylor Awarded Phi Beta Kappa Prize For 1961

Mrs. Aladyn W. Taylor has been awarded the Beta Association of Phi Beta Kappa Commencement Prize for 1961. The award is given annually to the highest ranking graduating senior in the College of Liberal Arts and Sciences.

Mrs. Taylor, a psychology major, maintained a 4.68 overall grade point average throughout the winter term. She is the wife of Charles Taylor, assistant professor at University School.

'Hamlet' Opens Tonight At 8

Mordecai Gorelik

Parking Lot Code Announced

The office of Student Affairs has approved the painting of posts that support university parking lot signs.

The posts will be coded, with the appropriate colors to indicate the proper car decals that can legally park in the various lots.

For example, faculty lots will have blue posts. The move has been made to make it easier for the drivers to identify the individual lot regulations.

The painting will involve some 18 lots with three lots excluded from the change. The three lots that will not be coded are not for regular University use — the visitor's parking lot near the President's Office; the lot reserved for nurses and doctors, immediately south of the Health Service and the lot north of the Home Economics Building.

Annual Modern Dance Concert Tomorrow

The modern dance club will present its annual concert tomorrow night at 8 in Shryock Auditorium.

The concert is directed by Mrs. Jane Daqqaq. Lena McGlone is the assistant for the concert.

Some of the dances in the concert are "Frustration," "Compact Caper," "Machette," "Hey Joey" and "Casual Encounter."

Freshman convocation credit will be given for attendance at the Saturday night concert.

SIU Band To Give

TP Concert Tonight

The SIU concert band will present the first in a series of two "Concerts - on - the - Green" at Thompson Point tonight at 8 p.m.

This musical series will be presented on the lawn near Lentz Hall. The second of the series will be presented Friday, June 2.

by Lynda Upchurch
An original version of Shakespeare's "Hamlet" will open tonight at 8 p.m. in Muckelroy Auditorium.

The "Annotated Hamlet" will feature 33 actors, a commentator, projected slides and other devices to make it more interesting and easier to understand. Another original aspect of this version of the play is that everyone will be able to understand what is happening throughout the entire story; nearly all of the out-of-date words have been replaced.

Renowned Director

The original version is directed by Mordecai Gorelik, visiting research professor. He is an internationally acclaimed stage director who is particularly known for his association with the Group Theatre in New York.

The principals in the play are Victor Cook, who plays Hamlet; Sally Wright as Ophelia; James Lash as Claudius; Marcia Swinney as Gertrude; Paul Brady as Horatio; Will Grant as Laertes and Jim Backes as Polonius. Dr. Archibald McLeod, chairman of the theatre department, will act as commentator for the play.

Arguments Presented
Before the famous confrontation scene between Hamlet and his mother, the commentator will present the argument of a famous English psychoanalyst who describes Hamlet's obsession in terms of an Oedipus complex. The printed program will include other arguments, some of them contradicting each other.

Professional theatre people and heads of university theatre departments around the United States will be on hand. They will witness the first strictly American attempt at "teaching theatre."

Starred In 'Our Town'

Theatre audiences will remember Lash and Miss Swinney for their portrayals in the first production of the season, "Our Town." Cook, junior from East St. Louis, is acting in his fifth production for the Players this year. Cook and Will Grant appeared in the "Thieve's Carnival."

Gorelik is a prominent figure in the theatrical world. He has created settings for "All My Sons," "A Hatful of Rain," "Men in White," and many others.

Worked With Laughton

He is author of "New Theatres For Old," which has been reprinted more than a dozen times. Gorelik also has worked with many famed stars, including Charles Laughton who visited SIU last month.

Because the play will last for approximately three hours and fifteen minutes, late leaves will be given to girls attending during the week. This annotated version will run from May 19-21 and 23-27 at Muckelroy Auditorium.

Dancing Lessons Given Tomorrow

Dancing lessons will be given tomorrow from 1-3 p.m. in Old Main 110.

They are sponsored by the Student Union and taught by an Arthur Murray dance instructor. Lessons will cost 50 cents an hour.

Editor's Opinions

...Accuracy And Fairness...

Abraham Lincoln once said, "If you forfeit the confidence of your fellow citizens, you can never regain their respect and esteem. It is true that you may fool all the people some of the time; you can even fool some of the people all the time; but you can't fool all of the people all of the time."

Suddenly last week, the minor grumbling about the automobile ban, rocks, final examinations and inclement weather was sidetracked by an edition of the Chicago Daily News, normally a very discerning newspaper. As journalism students and erstwhile editors, we accept our errors—both of style and of inexperience—as an evil which faces all students.

But when a well-known, respectable newspaper such as the Daily News, which won the Pulitzer Prize for meritorious service in 1957, suddenly weakens to the point of allowing inaccurate, biased reporting, it makes us wonder about the security of our future.

However, we suggest that Southern officials and students maintain their dignity and not allow the stories to achieve what some groups hope it will achieve—hot retorts and verbal counterpunches which might tab Southern as a "bush" university.

We ask the publishers of the Daily News, however, why they have allowed such slanted, inaccurate stories to appear in one of the Midwest's leading newspapers? A newspaper which in the past has led fights for better outdoor recreational facilities, for better mental and educational institutions—a responsible newspaper led by competent publishers and able reporters—caught many people by surprise by printing several gross inaccuracies.

Southern officials have repeatedly emphasized that their records are open to the public; that any person or group is invited to examine the records. But when figures, statements and reports are taken out of context, practically any desired result can be obtained.

We point out just one of several inaccuracies. In the Wednesday Daily News, it was reported that "the school of journalism reportedly was directed to keep a tighter rein on what goes into the paper, or else" after a letter to the editor had bemoaned the fact that more books and less rocks should be purchased.

Officials of the journalism department have yet to hear of the "threat." It might be pointed out also that the department has little to do with the Egyptian.

Burning reporters in effigy will not gain for Southern. We refuse to dignify the reports by a huge amount of denial. We rest our defense, as it is, by Thomas Paine's words, "These are the times that try men's souls" and a sentence from the Journalist's Creed: "I believe that the public journal is a public trust; that all connected with it are, to the full measure of their responsibility, trustees for the public; . . . that clear thinking and clear statement, accuracy and fairness are fundamental to good journalism."

Culture Corner

Of Rocks And Scholars
When you cannot find the book you need

Because it wasn't bought. And you criticize the library For what it hath not wrought. Pause a moment and consider That the cash to buy the book Went to purchase stones and rocks

To enhance our stable look. It's obvious that you miss the point

And lack appreciation Of the values and aesthetics Of our school administration. If you came for education From the Erudite and Wise What you learn may well upset you Hence—the rocks to stabilize. If the lack of books upsets

you When we have our lovely stones. Our chunks of sweet stability Among the student drones. Then you clearly haven't learned as yet What some of us have guessed. That our path to education Is a rocky one at best.

Mrs. Cleo Rausch

Dissonance

My mind stands alone, although 'round it my emotions weave patterns of ecstasy. Once I was complete as mind and soul. The day welcomed me with clean, clear rays of sun and the scent of freshly fallen dew. Inspiration filled my body, for there was purpose in life and life was beautiful. Then one day when I arose, the sun no longer gleamed on the rooftops and a sweet fragrance no longer filled the air. Divine Entity! Creator of the universe! Hast thou forgotten to compose a concerto for my being? If not, where is the harmonious colour scheme? The notes of a thousand and one bars torment me! Discord! . . . They give me no rest . . . Yes? Then mind and soul must blend as one in order to compose my . . . ? But this can never be! My soul is ever removed!

THIS YOUNG MAN IS A BUSINESS ANALYST FOR THE TELEPHONE COMPANY

When Gene Bernier received his degree in Business Administration at the University of Michigan in 1957, he had top offers from several businesses.

Gene chose Michigan Bell Telephone Company because: "This job was tougher to get. There was no doubt in my mind that I was being carefully evaluated for a responsible management job. Just getting this job was a challenge."

One of Gene's early assignments was writing a training manual for new employees which would explain telephone accounting in simple everyday terms—a tough job even for a seasoned writer. But Gene did it. And his next step was a natural.

In November, 1958, he was transferred to the Michigan Bell Economic Studies Section as editor

of a monthly publication, "Michigan Business Trends." In this work, Gene analyzes and reports business trends in Michigan as an aid to telephone management people in decision making.

Gene proved his skill in reducing complex economic problems to simple terms. And, sixteen months after his transfer he was promoted to Senior Statistician.

Today, Gene sums it up this way: "The idea around here is to get the best a man has in him. To me that spells opportunity."

If you want a job where you will get real responsibility and have a chance to move ahead as fast as your ability will take you—then you'll want to find out more about the Bell Companies. Your Placement Office has literature and additional information.

"Our number one aim is to have in all management jobs the most vital, intelligent, positive and imaginative men we can possibly find." FREDERICK R. KAPPEL, President American Telephone & Telegraph Co.

BELL TELEPHONE COMPANIES

25 Faculty Members Promoted

Twenty-five faculty members were promoted at the meeting of the Board of Trustees last Saturday in the President's Office.

There were also 12 new appointments and 25 persons were named to the summer school staff.

Faculty members receiving promotions were George Arnold, instructor, formerly at Carbondale and now at Edwardsville, to assistant professor; David Bear, from assistant to associate professor of education; Miss Esther Bennett, Museum instructor to assistant professor; Lloyd Blakely, from assistant to associate professor in fine arts; F. Donald Bloss, from associate professor in geology; J. W. Cundiff, adult education, assistant to associate; John Downey, liberal arts, assistant to associate; Troy Edwards, education, associate to professor.

Student Union Sponsors Fashion Show Sunday

The Student Union will sponsor a fashion show for men and women Sunday in Morris Library Auditorium at 2 p.m.

Kathy Whitelock will act as mistress of ceremonies for the show which will feature both men's and women's fashions. Refreshments will be served and the Delta Chi band will provide entertainment during the show.

Berdahl Speaks To Local Chapter

Clarence Berdahl, visiting professor in government, spoke to the Southern Illinois Chapter of the American Assn. for the United Nations last week in a home south of Carbondale.

He discussed the work of the Commission to Study the Organization of Peace, of which he is an active member. This commission cooperates with the U. N.

The only child of a President ever born in the White House was Esther second child of Grover Cleveland.

SIU Presses For IIAC Title

Five out of the next six games have to be in the win column for Southern to claim straight IIAC baseball crown. The Salukis take on Western

Illinois in a three-game series this weekend with a single contest today at 3 p.m. at Chautauqua and a twin bill tomorrow at 1 p.m. Currently, Western is riding in fifth place in the IIAC race.

Illinois State Redbirds are trailing SIU by two full games. Southern has won eight of its 10 conference starts, while the Redbirds have a 10-14 record.

The IIAC championships will be a battle right down to the wire. Illinois State would have .764 if they sweep a three-game series with Northern Illinois. Southern would have a .750 if they lose just two of their remaining six contests.

Wally Westbrook is shaping up as the offensive standout for the Salukis this season. Banging out seven hits for 13 trips to the plate against Eastern last week, the stout right-fielder leads his club in both hits and runs-batted-in.

Wally needs five RBI's to top the record of 39 set in 1959 by Fred Loeseckam. The mark for total hits belongs to Roger Bujan, who hit 48 in 152 times at bat. Westbrook now has 39.

Pitcher Harry Gurley, 7-0, is two games away from tying the record for pitching wins. Larry Tucker, who won 9 as a freshman, is co-holder of the mark with Wayne Grandcolas.

Baseball Team Wins 6-3 In 10th

Coach "Abe" Martin's nine downed the St. Louis University Billikens, 6-3, in 10 innings Tuesday in Busch Stadium, St. Louis.

Tied at three apiece in the top of the tenth, shortstop Jerry Marting blasted a triple scoring one man and pitcher Jim Woods followed with a sharp single to send Marting across the plate. A third run that inning was scored on a Billiken miscue.

Woods picked up the win after coming on in relief for Larry Tucker in the ninth. Woods' record for the season stands at 4-3.

Taking the lead 1-0 in the first on a double by leadoff man Bob Hardcastle and a single by Mel Patton, the Salukis collected two more runs in the fourth on two walks, an infield out and an error.

The Bills tallied two in the first on a triple by Don Spencer, followed by a walk and an error. Richie singled home a run in the fourth after a walk and a sacrifice to account for St. Louis' third score.

Tuesday's game marked the third time this season the Salukis have come from behind in extra innings to close out a win.

Freshmen Golfers Shy Four Points Of Downing Varsity

Freshman golfers narrowly missed dropping the varsity Wednesday in an intersquad meet, 12½-8½, at Jackson Country Club.

Two varsity and one freshman carded 73's for medalist honors. Dick Fouk and Gene Carello were low for the varsity and Jerry Kirby matched the effort for the freshman.

Grooming for the IIAC championships, Bill Barnett closed out the last three holes with straight birdies. The average of the top four varsity players was an even 74.

"We'll have to bring that down a little for the Conference," remarked Coach Lynn Holder.

Divotmen Host Western, Eastern

Southern's golfing aces will put their 39 consecutive home link victories on the block today as they host the Eastern Illinois Panthers, and again tomorrow when Western Illinois joins the pair for a triangular.

Eastern has been playing at a 500 clip this season. With Northern virtually out of the running for Conference honors this year, a battle is shaping up between Southern and Western Illinois.

Thinclads Meet ISNU

SIU's thinclads travel to Bloomington today to meet Illinois State Normal in their final meet before the IIAC Championships.

Coach Lew Hartzog will be grooming his squad for what might be the school's first conference track crown since the Michigan schools—Central and Eastern—joined the league in 1950.

After copping the State Meet title, Southern has been given an outside chance to take the IIAC. SIU had to down the powerful Northern Huskies to gain the state victory.

Hartzog has narrowed his field for the Illinois State meet, working the men into shape for their specialties. John Flamer and Don Hequembourg will concentrate on the mile today. "Sonny" Hocker will run the 440 and Bonnie Shelton will run the 100 and join Hocker in the 220. Evans will take care of both hurdle events.

Montross Pitches IM No-Hitter

Carl Montross led his Alkies to a 10-3 win over the Dymaxion Devils Sunday in Intramural softball by holding the Devils hitless throughout the seven inning contest.

Montross fanned 10 men and walked seven, holding the Devils hitless. Three unearned runs were scored on a walk and a series of errors early in the game. After gaining three charity scores, the Devils fell into a triple play to retire the side.

The Alkies are leading their division of off campus league 3-0. In first place for the second division of off campus are the Troops with a 4-0 record. "Too many rainy days have set us behind schedule," said Ben Fletcher, of the IM office. After this weekend's games, only one week of play remains.

Other leaders in their leagues are Sig Tau, 3-0, and Sig Pi, 4-0, tied for first in the fraternity class; Chautauqua Cowboys, 3-0, leading "A" division of men's residence; and Seattle Butts holding down first place with 4-0 in the "B" division of men's residence.

The championship game to decide the winner of the all campus honor will be played on Memorial Day at Thompson Point field immediately following the Track meet in McAndrew Stadium at 1 p.m.

Back From Lunch

by Bob Meierhans

Sandlot Stuff

It's a shame the IIAC doesn't keep records on the most hits and runs for a doubleheader. In a contest last weekend between Central Michigan and Illinois State, 62 hits were piled up scoring 43 runs. Fifteen pitchers saw action for both teams and 19 extra base hits were slammed.

Illinois State's Redbirds swept both games, yet the Chips racked up 32 hits and 19 runs.

Track Title Hampered?

Javelin man Denny Harmon will be out of action this weekend and possibly for the IIAC championships.

Denny pulled tendons in his throwing arm and has considerable swelling around his elbow.

A record throw of 211 feet was chalked up by Harmon against the Chicago Track Club. This betters the Conference mark by five and a half feet.

A consistent point maker, distance runner Allan Gelsco will not be running against the Redbirds this weekend. Allan is having foot trouble resulting from too much hard running on an even harder track.

Netters At EU

Going against their second IIAC for this season, the tennis team travels to Eastern Illinois today. SIU edged Illinois State, 6-3, in their first conference and regular season match.

Notre Dame and Northwestern handed the Salukis their first defeats of the year last weekend before SIU jumped on the winning trail by bumping Western Michigan, 9-0. Coach Dick LeFevre's netmen boast a 12-2 record for the season.

They call it

"kiss mist"

THE NEW SURE BREATH FRESHENER FOR PEOPLE WHO LIKE TO BE LIKED!

New Lavoris Oral Spray . . . they call it "Kiss Mist" on campuses across the nation! "Kiss Mist"! Exciting new way to freshen your breath instantly! Use it anytime, anywhere—after eating, drinking, smoking—whenever you want to be close . . . stay close!

IMPALA CONVERTIBLE

Here's top-down going at its breezy best. And, like all five Chevy Impalas, it's available with Super Sport features* that set it apart from anything else on the road.

*Optional at extra cost, as a complete kit.

Sports car spice never came in so many varieties... Chevrolet!

Maybe you're a fellow with more or less normal driving habits who's looking for a change of pace. Or maybe you're a red-hot sports car buff. Either way, you'll find the fastest relief for that tantalizing itch in your driving foot at your Chevrolet dealer's One-Stop Shopping Center. He's got cars that run the sporting gamut like no others—nimble Corvair Monzas (2- or 4-door), charged-up Impala Super Sports (in five different body styles) and the kingpin of production sports cars, the Corvette. You can take your choice without chasing all over town. They're all stablemates under the same roof!

CHEVY CORVAIR MONZA CLUB COUPE

Nestle behind the wheel in one of those bucket front seats and see what Corvair's rear-engine design has done for driving. Steering that responds to the subtlest hint. Braking that brings you to precise even-keel stops. Traction that clings like a cocklebur.

CORVETTE

It's the goinest machine in America. Pure-bred sports car performance—the likes of which only the most elite (and expensive) foreign-built jobs could claim before Corvette began stealing their thunder in open competition.

Exam Schedule Released

SCHEDULE FOR DAYTIME CLASSES

Wednesday, June 7

8 o'clock classes, except 3 hour classes which meet one of the class sessions on Saturday—7:50 a.m.; chemistry 113 and 101—11:30 a.m.; 10 o'clock classes (except Humanities 301, Science 301 and Social Studies 301, which meet at 4 p.m.)—1:50 p.m.

Thursday, June 8

1 o'clock classes—7:50 a.m.; Psychology 201 and Applied Science 262—11:30 a.m.; 3 o'clock classes—1:50 p.m.

Friday, June 9

12 o'clock classes—7:50 a.m.; Air Science 110 and all Women's P.E. 200 level courses—11:30 a.m.; Speech 101 and Men's P.E. 254—12:50 p.m.; 4 o'clock classes—2 p.m.

Saturday, June 10

8 o'clock classes which meet one of the class sessions on Saturday—7:50 a.m.; 9 o'clock 3-hour classes which meet one of the class sessions on Saturday—10 a.m.; 11 o'clock classes which meet one of the class sessions on Saturday—1 p.m.; for classes which meet only on Saturday morning, examinations will start at the same time as the class session ordinarily starts.

Monday, June 12

9 o'clock classes, except 3-hour classes which meet one of the class sessions on Saturday—7:50 a.m.; English 102 and 103—11:30 a.m.; 2 o'clock classes—2:50 p.m.

Tuesday, June 13

11 o'clock classes except 3-hour classes which meet one of the class sessions on Saturday—7:50 a.m.; Mathematics daytime sections of 106A, 106C, 107A, 107B, 111, 112, 113, and 253—11:30 a.m.; make-up examination period for students whose petitions have been approved by their academic deans—2 p.m.

SCHEDULE FOR EVENING CLASSES

Wednesday, June 7

Five hour classes which meet during the second period (7:35-9 p.m.) on Monday, Wednesday and Thursday—6 p.m.; four, three, two and one-hour classes which meet during the first period (5:45 or 6-7:25 p.m.) on Monday and/or Wednesday—6 p.m.; for classes which meet only on Wednesday night, examinations will start at the same time as the class sessions ordinarily start.

Thursday, June 8

Five-hour classes which meet during the first period (6-7:25 p.m.) on Monday, Wednesday and Thursday—6 p.m.; four, three, two and one-hour classes which meet during the first period (5:45 or 6-7:25 p.m.) on Tuesday and/or Thursday—6 p.m.; for classes which meet only on Thursday night, ex-

aminations will start at the same time as the class sessions ordinarily start.

Monday, June 12

Four, three, two and one-hour classes which meet during the first period (5:45 or 6-7:25) on Tuesday and/or Wednesday—6-7:25 p.m.; for classes which meet only on Monday night, examinations will start at the same time as the class ordinarily meets.

Tuesday, June 13

Four, three, two and one-hour classes which meet during the second period (7:35-9 or 9:15 p.m.) on Tuesdays and/or Thursdays—6 p.m.; for classes which meet only on Tuesday night, examinations will start at the same time as the class sessions ordinarily start.

General Information

Examinations for three, four and five-hour credit hour classes will begin at the hours scheduled and will run for two hours. Examinations for one and two-credit hour classes will run for one hour.

For example, an 8 o'clock class carrying four hours of credit will have its examination at 7:50-9:50 a.m. on Wednesday, June 7. An 8 o'clock class carrying two hours of credit will have its examination from 10-11 a.m.

A student who finds he has more than three examinations on one day may petition, and a student who has two examinations scheduled at one time should petition his academic dean for approval to take an examination during the make-up examination period on the last day.

Provision for such a make-up examination period does not mean that a student may decide to miss his scheduled examination time and expect to make it up during this make-up period. This period is to be used only

for a student whose petition has been approved by his dean.

A student who must miss a final examination may not take an examination before the time scheduled for the class examination. In the event a student misses a final examination, and is not involved in a situation covered in the preceding paragraph, a "W." followed by the tentative grade with "12" indicating the number of weeks attended, should be recorded on the grade report by the instructor.

A "W" grade must be completed within one year of the end of the quarter involved; otherwise, it will remain as an incomplete grade.

A special note needs to be made relative to examinations for evening sections for those classes which have been granted a special time for examining all sections. As some students attending at night may not be able to attend the special examination period scheduled for the daytime, each department involved will have to arrange special examination periods for such students.

This problem involves those students who are fully employed during the day and who are taking night courses because it is the only time they are able to do so.

Pulitzer Prize Winner Blasts SIU

(Related editorial—page 2)

Pulitzer Prize winner George Thiem and his employer, the Chicago Daily News, have launched an attack against SIU expansion and educational policies.

Thiem, who was awarded the Pulitzer Prize for exposing the Hodge scandal in the state capital, has described Carbondale as "a boom town" and the University "in a country club setting."

The general theme of the Daily News articles features the "old reliable Illinois taxpayer" as the robbed and the University as the villain.

No One Flunks

The Daily News series points out the University "policy" of allowing no student to flunk out. Thiem explained that when a student's grades fall below average, he is transferred to another department or switched to "unclassified."

Thiem's article Wednesday noted that when Vice President Charles Tenney wanted to change requirements so students who were failing would be expelled, President Delyte W. Morris "directed him to continue the liberal policy."

Egyptian Warned

The Daily News item also said that when the Egyptian printed stories concerning excess expenditure on rocks, "the school of journalism was directed to keep a tighter rein on

what goes into the paper, or else."

In an earlier article, Thiem said the president (Morris) bought horses which were kept at Little Grassy for his family. Dr. Morris explained that the horses were used at summer rehabilitation camps and that he had not ridden for over a year.

Faculty Give Sunday Concert

The Sunday concert will feature Charles Baker and Robert Mueller of the SIU music department in Shryock Auditorium at 4 p.m.

It will be a violoncello recital by Baker who will be accompanied by Dr. Mueller on the piano. The program will feature two contemporary works for cello and piano. The premier performance will be a sonata by Will Gay Bottje of the music department and Henry Cowell's "Hymn and Fuguing Tune No. 9."

Cowell presented a lecture on Asian music during the Fine Arts Festival earlier this year.

Freshman Convocation and music appreciation credit will be given for attendance at the concert.

Book Collection Winners Announced

Winners of the 1961 Annual Book Collection Contest were announced recently. Allen Rubin, Wendell Luke, Ronald Yezzi and Lawrence Gray were the first place winners in the four divisions.

Rubin won the first prize for his collection in the undergraduate general section; Luke won in the undergraduate specific collection division; Yezzi topped the graduate general section; and Gray was the winner in the division for graduate specific books.

Second and third place winners in the various divisions were Douglas Davidson, Sanford Martin, John White, Peter Diem and Jerry Groat.

First place winners were awarded \$25 worth of books; the second place winners were permitted to purchase \$15 worth of books; the third place prize was a gift of \$10 worth of books.

30 Students Join Flood Work

Approximately 30 SIU students got an assignment last week they didn't expect. Student members of the Illinois National Guard were called for flood disaster work in several southern Illinois communities following heavy rains two weeks ago.

Their jobs ranged from filling sandbags to building dikes to retain water.

"My main job was to keep people off closed highways and prevent looting," stated sophomore National Guardsman James Lockerby. "Our biggest troublemakers were sightseers."

"The only rescue operation I was on concerned a small boy who tried to swim across a slough and couldn't make it. He hung onto a utility pole until a lieutenant swam out to him.

Monday Convocation Features Expert On Russian Affairs

An expert in the field of Russian affairs will be featured in the Monday convocation in Shryock Auditorium at 10 a.m.

Dr. Albert Parry, who was born in Rostov, Russia, is now the contributing editor for soviet affairs in the magazine, "Missiles and Rockets, Magazine of World Astronautics." Parry, who came to the United States in 1921, earned his A.B. and Ph.D. from the University of Chicago.

He served with the U.S. Office of Strategic Services, specializing in problems of Russia and Eastern and Southern Europe. Parry began writing articles about Russian rocketry in 1953-54, but editors told him "he had been reading too much science fiction."

Persistence paid off, and his first important article, "Will the Russians Beat Us to the Moon?" was published in the "Reporter."

In one of his monthly columns in 1957 Parry included an "educated guess" that the Russians would try to send up their first earth satellite in September, 1960. His forecast missed by two and one-half weeks.

Movies Offer Comedy, Mystery

Comedy and mystery will be featured at Furr Auditorium today and tomorrow. The Pulitzer Prize winning play "Harvey" will be shown tonight at 6:30 and 8:30 p.m. Starring in the film are James Stewart, Peggy Dow and Josephine Hull. This is a story about Elwood P. Dowd and his friend Harvey, the six-foot rabbit who brings friendship into the lives around them.

"Black Widow," starring Ginger Rogers, Van Heflin, Gene Tierney and George Raft, will be shown tomorrow at 6:30 and 8:30 p.m. This is the story of an aspiring writer who becomes a murder victim when she unscrupulously uses others to further her ambition. One man is blamed for the crime and he sets out to get the truth.

Judges for the 1961 contest were Vernon Sternberg, director of the University Press; William Harris, philosophy department; Harry T. Moore, research professor; and Ralph E. McCoy, director of libraries.

Can't Swim Resident Fellow 'Mourned'

Have you ever had the feeling that you weren't wanted? One resident fellow at Thompson Point recently got the idea.

His residents, who termed him "too strict," erected a tomb in his honor Tuesday night near the agriculture building.

The tomb consisted of a cardboard backing containing his epitaph and an appropriate stone and flowers. Residents on this unfortunate fellow's floor said, "He's really strict about University policy."

One of the students declared that the resident fellow is not very popular.

"We filled his room with paper to the ceiling one time when he was gone; it took him almost three hours to clean it out," said one student.

The epitaph on his tomb reads:

"This man was lain here today. His life cut short in untimely way. The men of Brown threw him in. He swore to God he could not swim. Alas for us, we let a sigh, Dear ol' Mel never told a lie."

"Dear ol' Mel can't swim," said one disgruntled resident. "We've threatened to throw him in the water, but he said he would take action against anyone who did."

The students hope that the "deceased" will reevaluate his methods in the future. By reevaluating his ways, the students feel he will become a latter-day Lazarus.

AFROTC Band, Drill Teams To Take Part In Armed Forces Day

The SIU AFROTC band and drill team will take part in the Twelfth Annual Armed Forces Day at Scott Air Force Base tomorrow.

The open house at the air base will be held from 10 a.m. to 1 p.m. Scott is the headquarters for the Military Air Transport Service, Air Weather Service and the Airways and Air Communications Service.

The SIU band and drill team will perform at 1:30-1:45 p.m. and again at 2:15-3 p.m. Seventeen types of aircraft will be on display during the day and there will be an Army helicopter demonstration.

Vets Club Sponsors Sunday Jazz Festival

The southern Illinois Vets Club is sponsoring the Crab-pot Jazz Festival Sunday at 1 p.m. at Crab Orchard Lake.

Music will be provided by a well-known band from St. Louis. Tickets are now on sale from vets club members for \$2 per couple.

SIU Press Receives Printing Certificate

The SIU Press, directed by Vernon Sternberg, has been awarded a certificate of special merit from the New York Employing Printers Assn. for an outstanding example of printing in the recent 19th exhibition of printing.

The citation was given for an exhibit of catalogues which the SIU press issues semi-annually to announce forthcoming books which it will publish.

The Press has also been receiving annual awards from the Midwest Books Exhibit at Lexington, Ky., and the Chicago Book Clinic for the production excellence of its books.

The House That Service Built

Organized Groups Planning Picnics, Meetings, Elections

Even though final examinations are less than three weeks away, organized groups are still planning future events. Many outdoor activities are scheduled to take advantage of the spring weather.

Gamma Delta, the Lutheran students' organization, will have a "painting party" tomorrow at 1:30 p.m. at the parish house, 108 S. Poplar St. All members are invited to help decorate the house.

In addition to the "painting party," Gamma Delta is planning a picnic at the reservoir Sunday. Cars will leave the parish house at 3:45 p.m. The picnic will include a regular business meeting, panel discussion and cook out.

The newly formed Saluki Flying Club will hold its first official meeting Tuesday at 8 p.m. in Room 114 of the Agriculture Building. Election of officers and a special program are planned for the meeting.

Alpha Gamma chapter of Kappa Alpha Mu, national honorary photojournalism fraternity, pledged 12 members last week. They are Ron Bowman, Dale Flesburg, Jack Philbrick, Jon Blomquist, Carl Brandon, Frank Salmio, Bob Sink, Carolyn Leach, Pat Bertram, Robert

Kennedy, Frank Pratt and Denny Lynes. Each student wore a flashbulb on a ribbon around his neck and carried a can of photochemical for two days as part of pledging ceremonies.

Journalism Students' Assn. elected officers Wednesday. They are Linda Brooks, president; Bob Mauer, vice president; Carolyn Leach, secretary and Jean Tindall, treasurer. Marlan Nelson of the journalism department is advisor to the group.

Barbara Downen, past editor-in-chief of the *Egyptian*, was initiated into Beta Tau chapter of Theta Sigma Phi, professional journalism fraternity for women, Sunday afternoon. Miss Downen is working for the *Illinois State Journal* in Springfield.

THE GREEK COLUMN

BY *Judy Valente*

Now that the long hours of work and fun of Spring Festival are over for another year, the fraternities and sororities have settled down to a little more routine for a while.

The spring pledge class of TAU KAPPA EPSILON fraternity has elected officers. They are Tom King, president; Milt Ramser, vice president; Jim Castagna, treasurer; and Bill Wood, secretary. Other members of the pledge class are Jim Thompson, Don Klafter, Dennis Gerz and Conard White.

Ray LaGarde, Don Finkhouser, Jerry Cline and Bill Bert are representing the fraternity as New Student Week Leaders.

The brothers of PHI KAPPA TAU initiated 11 new members last Friday evening. They are Glenn Brand, Bill Bannister, Roger Ahroon, Howard Hinds, Kirby Lindsey, Mike Smith, John Thomas, Don Ventetulo, Pete Winton, Bert Kellerman and Bill Beiderhost. Congratulations to all of you!

Gene Shaw was honored at the Air Force ROTC Awards Day Tuesday. He received a Commander's award.

Don Krug was elected by the brothers as the member who has contributed the most service to the fraternity. Don, a

junior from Rantoul, Ill., is treasurer.

Mike Foster, Pat Harrison and Sandy Irmis are the members of ALPHA GAMMA DELTA who were honored at the scholastic Honors Day assembly yesterday. Karen Taylor, a pledge to the sorority, was also honored.

Manners Are Pleasant

Emerson once wrote, "Good manners are the pleasant way of doing things." Surely, each of us agrees. There is one place, however, where many of us forget about this "pleasant way of doing things" and become a little unmannerly. That place is home.

Nobody can be rude at home and manners in public without sooner or later betraying himself. Manners must begin at home, and they must begin there because you want it that way.

A truly "mannerly" person offers help at home when it is needed, has respect for the rights and possessions of every family member and respects the advice of his or her parents.

This person resolves differences of opinion by quiet reasoning, not noisy arguing. On confusing or troubling issues, he seeks the advice of his parents immediately.

If you practice these pleasant manners at home, you will automatically find yourself practicing them in public as well. You will not only find more happiness, but will give more.

Livestock Fair Opens Sunday Afternoon

Agriculture majors interested in livestock and anyone else who likes a good, old-fashioned county fair—this will interest you.

The Block and Bridle Club will sponsor a livestock fair Sunday afternoon at the Beef Center south of Carbondale.

Included in the fair will be a showmanship contest of beef cattle, dairy cattle and sheep. Livestock exhibits will be chosen by the public. There will also be a sheep-shearing contest.

Various contests for children will take place. A special attraction for the young ones will be a free donkey ride. Anyone interested is invited to attend the fair.

Smithsonian Institute is one of the world's greatest historical, scientific and cultural museums.

The second Continental Congress was set up in 1776, a board of war consisting of five members.
