Gemini — Today is an 8 — With Mercury in Taurus for the next three weeks, begin a lucrative phase. Appreciate the finer things in life. Let somebody else stir up the trouble.

Cancer — Today is a 9 — You'll work more effectively in groups for the foreseeable future. Someone from far away (or even in a book?) inspires you to create.

Leo — Today is a 9 — It's getting busy. Heed an older woman's advice. Your word is extra powerful, so dive into passion projects. Love and money are available.

Virgo — Today is a 9 — Distant lands have a new appeal. Inject glamour into your work with a fantasy theme. A coming change is for the better.

Libra — Today is a 7 — Stick to practicalities. Stop and smell the flowers, or better yet, give them tender love. Pay off bills for the month, and work continues to go well.

Sagittarius — Today is a 9 — Home requires more attention now. And work demands more focus for the next two weeks. Don't discuss personal matters. Silence is more powerful. Handle it with love.

Capricorn — Today is a 9 — Love is knocking on your door. You have more power than you know what to do with. Get help from a partner. Watch out for hidden surprises. Take notes.

Aquarius — Today is a 7 — Spend more time pondering while you have the time. Keep your promises. Visualize what you want creatively. Gambling is not a good idea.
