## SIU Students Go To Polls Tomorrow

### Thirty Prep Bands In Homecoming Parade

Thirty high school bands from Southern Illinois will march in the annual SIU Homecoming parade Saturday, according to Don Merry, student Homecoming parade committee co-chairman.

The bands, led by the SIU marching band, will join some 25 or 30 decorated floats and stunts in a two mile parade that will move through the Carbondale business district to the campus. Homecoming trophies will be awarded in float competition.

The parade will be only one of many features of the annual celebration, beginning with a campus pep rally, bonfire, and student parade tomorrow evening.

Andy Mircsed, student Homecoming chairman, announced the following order of events:

Thursday: Homecoming assembly

### F-F Field Day Tomorrow

The second annual Farm Forestry Field Day will be held at the Kaskaskia Experimental Forest in Hardin County tomorrow, according to Richard D. Lane, forester in charge of the Carbondale U.S. Forest Research Center at SIU.

Car Taylor, Pope-Jardin County farm adviser will be chairman. The event opens at 9:30 a. m. and continues until 4 p. m.

Cooperating sponsors in the field day are the U. S. Forest Service, the Cooperative Extension Service of the University of Illinois, College of Agriculture, the Illinois Agricultural Association, SIU, the Illinois State Division of Forestry and the Illinois Central Railroad.

The Kaskaskia Experimental Forest, 10 miles north of Elizabethtown and east of Illinois Highway 34, is attached to the Carbondale Center and is used for research in forest management, production, and utilization.

### LS Building Party Saturday

Open house at Southern's new Lile-Sumner building is scheduled Saturday morning. Guided tours of the building conducted by students majoring in departments housed in the new structure are planned for the event.

Coffee and doughnuts are to be served at the reception, and staff members will be in the various offices to meet visitors.

Dr. Walter B. Welch, botany department chairman, has been named chairman of a faculty committee planning the open house.

Dr. T. W. Abbott, Dean of the College of Liberal Arts and Sciences; Dr. W. M. Gersbacher, zoology department chairman; Dr. Harold M. Kaplan, physiology department chairman, and Dr. Carl C. Lindgren, microbiology department chairman, are assisting on the planning committee.

### GSJ Department Staff Will Talk To Teachers

The Monroe County Teachers' Institute will be at Waterloo, Oct. 21, under the direction of County Superintendent of Schools Norman Beck.

The program will deal with human relations in and out of the classroom. Dr. Eugene D. Fitzpatrick will give the opening address and leaders of the discussions which follow will include Drs. Ivan L. Russell, W. Neal Phelps and Maude A. Stewart. All participants are from the department of guidance and special education.

**HOMECOMING QUEEN** and court candidates: Ann Travelsdale, left, is ISA Homecoming Queen candidate. Next to her is Marilyn Leibig, the Greek's choice for Queen. In the back row are, from the left, Barbara Furst, Dixie Buyan, Jo Ann McIntire and Shirley Weststad. Barbara and Dixie are the ISA ticket.

### UNESCO Member Speaks Tonight

Mrs. Louise Leonard Wright, Midwest Director of the Institute for International Education, will speak on "People to People Diplomacy" at 7:30 tonight in the University School Auditorium.

Mrs. Wright has been connected with the UN and Adult education in the field of American foreign policy.

She was a member of the American delegation to the UNESCO conferences in Paris, Mexico City and Beirut on the U.N. National Commission for UNESCO, and attended the World Health Assembly in Rome.

The talk is sponsored by the IRC in co-operation with the Southern Illinois Association for the United Nations.

**Directory Expected; Should Be Out In November**

The Campus Directory is expected to be issued by mid-November, according to Elbert Fulkerson, secretary to the faculty.

### Health Insurance Plan Will Boost Benefits

(Third in a series of three articles)  
By Harry Thiel

At a meeting with the Student Council May 10, Dr. Baso and Dean Davis first proposed the \$1 Students-activity fee increase per quarter that would provide \$200 health insurance, retaining all the present provisions of the SIU self-supported plan and adding \$120 to the present \$80 hospitalization benefits. The Student Council voted to present the proposed increase to the student body in the fall quarter, at the same time rejecting voluntary and commercial health insurance plans that were also presented at the meeting.

Advantages claimed for the self-supported plan were lower cost for equivalent benefits and greater flexibility, with maximum benefits determined on the basis of experience and need. A disadvantage would be that in case of

a catastrophe, an unusual number of large claims could not be handled except with the understanding the plan would assist at the Health Service and directed equally to those it could not of available current funds or any accumulated reserve.

According to Dr. Baso, "The proposed \$200 is an arbitrary figure set up by myself, Dean Davis and Dr. Schaeferberger. If a surplus is accumulated, and the Student Council consents, the \$200 could be lowered to \$210, lowered to \$190 or kept in the restricted fund to cover unforeseen disaster."

"Little known facts about the Health Service," continued Dr. Baso, "is that the average cost of a student and family over and over during any interim vacation period in the regular school year, such as the Christmas vacation, is \$4,355.65.

In 1953-54, the average cost of a student and family over and over during any interim vacation period in the regular school year, such as the Christmas vacation, is \$4,355.65. If the Oct. 20 referendum is passed, it will become effective at the beginning of the Spring Quarter, March 15. Concurrently, the new Student-Activity fee will be \$9.50 and the full tuition fee \$29.

### Homecoming Bonfire 6:30 Tomorrow Night

A Homecoming bonfire will be at 6:30 tomorrow night. The SIU marching band will precede the bonfire with a march up University Ave and a fire engine will travel slowly up Washington St. The crowds attracted by the band and fire engine will meet in front of the main gate and go to the bonfire behind the football stadium.

Speakers will be football coach Bill O'Brien, captain Jack Schneider and Homecoming chairman Andy Marce.

Pat Bruce and Don Stahlberg, Miss and Mr. Freshman of 1953 will introduce this year's winners.

**'Bell Book And Candle' Tickets On Sale**

Tickets for "Bell, Book and Candle," Southern's 1954 Homecoming Play, went on sale Friday in the new Southern Playhouse box office on South Thompson St.

The ticket office will remain open throughout the week, 9 a. m. to 11 p. m., and 1 to 4 p. m.

Two purchase plans have been set up for tickets. Single admission tickets for the Homecoming play Friday night are available for fifty cents each. These tickets are for unserved seats in Shroock Auditorium.

Under the second plan, season tickets during the year including the Homecoming play are on sale for \$1.50. Holders of these tickets will be entitled to sit in a special reserved section Friday night.

Other plays during the year included in the season ticket plan are Arthur Miller's "The Crucible," in December, "The Importance of Being Earnest," to be produced in February, Emlen Williams' melodrama, "Night Must Fall," planned for next May, and several one-act and graduate student-directed classics.

The single performance of "Bell Book and Candle," will be in Shroock Friday night at 7. Dixie Buyan, Gene Penland, Stephanie Kelson, Raymond Yancy, and Don Wolfe are playing featured roles in the production.

Written by John Van Druen, the comedy starred Rex Harrison and Lilli Palmer in the original Broadway production. It has enjoyed revivals and toured the country several times since its New York close. A popular play with Summer Theater and college groups, it appeared with Rosalind Russell as star at the American Theater in St. Louis two years ago.

Dr. Archibald McLeod is directing the SIU production. Dave Brookbank is stage manager.

### Greeks-Indees Will Have Vote Battle

The Student Council will hold 1954 fall elections tomorrow from 8 a. m. to 4 p. m. according to Juanita Peradoto, election committee chairman. The polls will be located in front of Old Main with a separate voting place for each class. In case of rain the polls will be moved to the crosshalls of Old Main on the first floor.

Each student must present his activity ticket before he receives a ballot. Students will be voting for class officers, freshman Student Council representatives, Homecoming Queen and Attendants and Spring Festival chairman.

Both the ISA and the New Greek party have a full slate of candidates. They are:

**ISA**  
Homecoming Queen: Ann Travelsdale  
Queen's court: June Evans and Shirley Weststad

Queen's Attendants: Jo Ann McIntire and Jo Ann Arnsman  
Senior Class Officers: President: Joe Kalla Vice-President: Joe Winfrey Secretary-Treasurer: Carolyn Bernhard

**NEW GREEK**  
Homecoming Queen: Marilyn Leibig  
Queen's Court: Barbara Gibbs and Dixie Buyan  
Queen's Zendants: Lois Kalla and Barbara Furst  
Senior Class Officers: President: Harlon Sears Vice-Presidents: Jim Walwark, Secretary-treasurer: Juanita Peradoto

Junior Class Officers: President: Barbara Furst Vice-President: Andy Marce Secretary-Treasurer: Joe Melina Sheard

Sophomore Class Officers: President: Gary Livingston Vice-President: Helen Collins Secretary-Treasurer: Lois Kalla Freshman Class Officers: President: Tom Arvold Vice-President: Frederick Wilson

Secretary-Treasurer: Mary Ann Edwards  
Freshman Student Council: Tom Kelly, Charles Stearns, Mary Edna Jackson, and Ann Ragsdale.  
Spring Festival Chairman: Jim Walwark.

**CANDIDATES** for Homecoming Queen Attendants. In front are Lois Kalla, left and Barbara Furst, Greek candidates. In the back are Jo Ann McIntire, left, and Jo Ann Arnsman, the ISA's choice.

**DIXIE BUYAN** and Gene Penland go through a tense scene in rehearsals for "Bell, Book and Candle," the Homecoming play to be given Friday night in Shroock. These two seniors hold the leading roles in the theatre production.

LITTLE MAN ON CAMPUS by Dick Sibley

"48 gum wrappers, 12 cigarette butts, 8 orange peelings and 3 votes in this one—if you ask me there hasn't been enough student interest in campus politics this year."

No Misrepresentation Says Student Council

Topics of discussion at the Student Council meeting Thursday night ranged from the misrepresentation of student opinion in Egyptian editorials to cheerleaders' tights. The rights problem was settled with little comment; the other was not.

Council President Bob Edgell opened the meeting by introducing Editor Jim Aiken. Aiken said to the council: "I have been accused of misrepresenting student opinion in Egyptian editorials, particularly those concerning the parking problem and the abolition of 10 o'clock classes. As the Student Council is an elected group representing the student body, I would like to ask if, in your opinion, I have been misrepresenting student opinion."

'And We Lost Too'

When the SIU football team rolled into Carbondale Sunday afternoon they were greeted by a group of students cheering them. To say the boys were astounded, would be an understatement. Such a display of enthusiasm for even such a small group for a bunch of players who were soundly beaten is unheard of.

The busload of players stopped in front of the Student Union where coffee and pasties were awaiting the tired crew.

One player remarked, "and we lost too."

This show of spirit on a Sunday afternoon when the campus is usually in a state of sleep might be the spark that will kindle a little fire in the team as well as the student body.

Let's make a precedent of such receptions for the athletic teams.

Frosh Writer Contest Sponsored By Impulse

The student magazine 'Impulse' is sponsoring a writers' contest for English students, according to Dan J. Schneider, faculty sponsor. The deadline for entries is Oct. 22.

The only requirements is that each entrant have freshman status or be taking a freshman English course.

Allyn Hall Art Show Here Till October 30

"Education of a Designer," a traveling exhibition from the Institute of Design of Illinois Institute of Technology, will be shown in the hall of Allyn until Oct. 30.

The Fine Arts Division has expanded the central theme of the exhibit with a large series of black and white photographs, illustrative of the formal principles of design and taken from the campus library teaching portfolios.

Voluntary Drill Team Works Four Hours Per Week

The drill team has been joined by 53 newbies this year. The team drills three hours a week and has one hour of laboratory each Tuesday.

Bauernfeind Is Chairman Of Business Panel

Dr. Peter L. Agnew, New York University, discussed the future of business education at a 6:30 p. m. dinner meeting of the Southern Illinois Business Education Association in the Marion high school cafeteria today. Nearly 75 members are expected.

Harry B. Bauernfeind, SIU Vocational-Technical Institute business supervisor, will be chairman of a panel discussion group at tomorrow's session. A group of area business and professional men will comprise the panel. They will discuss preparation of high school students for various vocations.

Panel members will be Kenneth Powless, Marion, Illinois assistant attorney general; Oscar Schalte, president of the Ban of Marion; E. W. Griner, Carbondale, personnel manager for the Korger company; Charles Rau, Harrisburg, manager of an Illinois Brokerage department; and Dr. C. Shoberg, principal of the Murphy high school.

Girls' Rally To Sell Homecoming Mums

Girls Rally is having its traditional mum sale again this year for homecoming. Orders for the mums are being taken from Oct. 18-22. The booths are in front of Old Main, Student Union, and across the street from University Cafeteria. The mums are the traditional color of white with maroon ribbon.

The mums are only \$1.00 and will be delivered or may be picked up at the gate before the game. The proceeds of the mum sale is going to the Student Union Building fund. The chairman of the sale is Ann Travelstead.

The formal pledging of the Girls Rally was held Oct. 14 in Algebe Hall. About fifty-five girls pledged. Mike Lowery was the pledge master. Each pledge is given a copy of the constitution. Then Cynthia Kuehn explained the numbers of hours that are needed to become an active member of Girls Rally.

Kolar-Davis In Revue Sponsored by Kivans Club

The Carbondale Kivans Club presented a musical revue "A Hot Feet Revue" Friday and Saturday nights in Shryock Auditorium.

Starring an all-Carbondale cast, the revue stage setting was "The Club Hi De Ho," from which the acts were presented to the audience.

Ence William Lindale introduced the acts, which included SIU students Wayne Kolar and Charlotte Davis.

The proceeds from the revue will go to Carbondale Youth Activities, according to Penny Kowal, revue director.

NAVAL AVIATION Cadet Robert G. Kratz, shown here shaking hands with Lieutenant Commander Robert Renard, the NavCad Procurement Officer from NAS St. Louis, arrived from Pensacola, Fla. upon completion of Basic Training. Bob is here for a short visit to his home at Carbondale and also to visit his Allyn Hall SIU 'Cader Kratz will be transferred to Corpus Christi, Tex., in the near future for Advanced Single Engine Pilot Training. He will start out at Corpus living the 4-28 Navy routine. Six months of advanced training will bring about the realization of his dream to become a "Jet Jockey." His biggest thrill to date, has been Carrier Qualification which he completed in September.

Campus Cop Plays St. Patrick Role

An SIU campus cop's detour courage and selfless devotion to duty was illustrated Sunday by the unflinching stand taken by a cop involving two Egyptian staff members, a harmless Black Snake and student George Kuhn.

The snake, enjoying the warm sunny days, was reping on a sidewalk near the Egyptian office when discovered by Egyptian staffers. Some discussion following on the mouse and insect catching values of the non-poisonous, yellow-tailed Kuhn, a former Yellowstone National Park forest ranger, appeared and confirmed suspicions that the snake was of a harmless variety and worth more alive than dead.

Kuhn picked up the snake, examined it and pointed out some of the zoological clues proving it to be a harmless variety. A Campus Cop took time off from his bucket writing duties on approach the group, which by now had turned the sleepy reptile loose. The cop, a defender of helpless women and children, said "Get that snake off this campus some child might be terrified and bitten. If you leave it here I'll kill it. Furthermore if I could prove you brought that snake here I'd report you."

Kuhn and the reporters listened to explain that they had not procured the reptile but it had appeared of its own volition. The cop was adamant. "Get it out of here or I'll kill it, people have been known to die from being stung by a lone snake bite."

Kuhn and the reporters, thinking that even a snake on the sidewalk should have some representation again within the snake and removed it to the nearby woods.

The reporters and Kuhn as their separate ways the cop stood on the corner, hands behind his back, staring into the sun, probably with a sense of great pride in this visit to the school as a guide against crime.

On Representation

Cries of lack of representation in student government can be squelched tomorrow by one thing—a large vote.

Interest seems to be running a little higher than usual in fall elections, however this interest is concentrated in just a few courses.

In the past the political parties have opposed each other on a highly competitive basis, not only without platforms to indicate what they stand for. However in today's edition you will find the platforms of both parties printed side by side, as handed to the editor. Read them carefully.

It is wise to avoid swallowing campaign promises that will probably not materialize. It is foolish to accept as fact the words of the parties as quoted to the platforms.

This election is one of issues rather than of strict personality politics. Neither party seems to be violently opposed to the other. Both agree on the health insurance issue, thank goodness.

Since only freshmen Student Council representatives are up for re-election, the predominant Greek Council will not be reinstated even if the ISA does contain all four representatives.

The new Student Council will be elected this spring. Students sincerely interested in the actions of the Council will watch the group carefully to see if it is representing the student body faithfully. If it does not, the only thing to do will be to change policies, whether this consists of changing parties or re-vamping the platforms of each group.

The Egyptian intends to report carefully the Council meetings even to such detail as to how individual members vote on each issue. You will note this detail in today's report of Thursday's meeting.

\$1 Goes A Long Way

It is seldom in a school year that an important issue affecting every student comes up for vote. The proposed health insurance increase is such an issue.

Whenever there is an proposal to take more money from the students' pockets the natural reaction is to scream "No." However last year the students approved a \$1 increase in student activity fees to go toward a Student Union building fund.

The present health insurance plan gives only \$80 protection to each student. This is inadequate.

The Egyptian has run a series of three articles on the issue, the third in today's edition.

# Platforms

## Greek ISA

The Greek Party has not always been dominant in Southern's student government picture. However, in the past two years, the Greeks have risen to a proud position in the affairs of our school. Through a policy of clean political campaigning and sterling leadership in office, the Greek party has earned a fine reputation among all students on our campus.

The Greeks and the student of Greek descent have stood proudly on their past record. We do not have to propose "far fetched" platforms on which to campaign. We offer specific achievements of the past and the promise to continue our constant endeavor for the betterment of Southern.

To merely state the prime of our past accomplishments, the Greek party has:

1. The ISA believes in majority rule. We believe that the Student Government of Southern should represent all the students, not just a select few. We further believe that in the past this has not been the case.
2. ISA advocates an open primary for student offices because we believe that this is the most democratic way of choosing candidates.
3. We support the decisions of the administration of SIU so long as those decisions are consonant with the best interests of SIU. We intend that this support shall be of a most active nature.
4. ISA recognizes the need of increasing the active fee for the purpose of providing better health service, and advocates such an increase.
5. In the matter of parking, ISA believes that the best interest of the students are not being served. We further believe that action on this matter is long overdue, and should be initiated immediately.
6. Because of the higher cost of living, ISA advocates an increase in student wages and intends to actively work for such.
7. We believe that the cancellation of all 10 a. m. classes has created a definite hardship on many students. We plan to believe that it is justifiable to recommend a reconsideration of the matter.
8. A new Student Union building is badly needed at Southern. For this reason, ISA intends to work with the administration in their efforts to provide one.
9. ISA believes that a strong and active alumni would be a big help in Southern's progress. We therefore urge a drive to increase alumni interest, and intend to cooperate in such.
10. ISA desires to actively work with the administration in seeking funds for a new legislature for Southern's continued growth.

1. Successfully gained a growing Student Union Building Fund and carried this project to the stage of blueprinting and alumni contributions drives.

2. Worked strenuously to improve the present Student Health Program; specifically, the Student Health Insurance will be increased to \$200, the proposal is sanctioned by student voters.

3. Gained a half day holiday before major vacations to lessen the danger of student holiday accidents.

4. Planned and carried out the most successful Homecoming and Spring Festivals in Southern's history.

5. Crossed racial lines in the choice of student election nominees.

6. Constantly promoted weekend activities to promote school spirit at Southern.

7. Continued to seek and answer to the parking problem and the 10 o'clock class problem.

These are only a few of the things the Greek party has been working for — continues to work for.

The Greek party has not been dormant! We have worked and will work for the betterment of Southern and all of Southern's students.

Consider our past record.

**VOTE WISELY.**  
**VOTE GREEK!**

## Business Grad Admission Tests Announced

The Admission Test for Graduate Study in Business, required for entrance by a number of graduate business schools or divisions throughout the country, will be offered twice during the coming year, according to Educational Testing Service, which prepares and administers the test. During 1954, many students took the test in partial satisfaction of admission requirements of graduate business schools which prescribed it. Among those institutions are the graduate business schools or divisions of the following universities:

- Columbia University
- Harvard University
- Northeastern University
- Burgers University
- Seton Hall University
- Syracuse University
- University of Chicago
- University of Michigan
- University of Pennsylvania
- Washington University (St. Louis)

A candidate must make separate application for admission to each business school of his choice and should inquire of each whether it wishes him to take the Admission Test for Graduate Study in Business and when. Since the test is given in schools selecting their entering classes in the spring preceding their entrance, candidates for admission to the 1955 classes are advised to take the February test, if possible.

The Admission Test for Graduate Study in Business is not designed to test specific knowledge in specialized academic subjects. Normal undergraduate training should provide sufficient general knowledge to answer the test questions. Sample questions and information regarding registration for an administration of the test are given in a Bulletin of Information.

The tests will be administered on February 8, 1955 and May 14, 1955. Applications and fees must be filed with the Admission Test Educational Testing Service, 20 Nassau Street, Princeton, New Jersey, at least two weeks before the testing date desired in order to allow ETS time to complete the necessary testing arrangements.

## College Editors Check Campus Press Freedom

Approval of a draft constitution and election of permanent officers are expected to highlight the first meeting of the National Association for a Free College Press in Washington D. C. Oct. 21-22 which will be attended by Jim Aiken, Egyptian editor, and Chaulc Walker, Obelisk editor.

Held in conjunction with the annual convention of the Associated Collegiate Press the meeting will outline means of investigating alleged violations of campus press freedom and will plan for cooperation with professional groups interested in maintaining freedom of information. Approximately 300 college editors and staffers are expected to attend.

Organized by 24 college newspaper editors from all parts of the country, the Association plans to enlist a group of leading professional editors and publishers to serve as an advisory board and cooperate in investigating alleged breaches of editorial freedom in the college press.

According to Eugene L. Hartig, interim chairman of the Association and managing editor of the Michigan Daily, action on an alleged violation of press freedom would begin when the editor of a campus paper involved, notified by the Association.

The chairman, working with other members of the committee, would then appoint a team of college and professional editors to visit the campus, interview student editors, members of the administration and others involved, then prepare a report on their findings for distribution to members of the Association, wire services and trade publications.

Members of the executive committee will also work with other college newspaper editors in their area in a continuing review of the status of editorial freedom of the campus press.

Financial support for the Association will come from membership dues of college papers, grants from professional newspaper group and foundations and from individual editors and publishers interested in preserving freedom of information.

## Toastmasters Get Dope From Speech Profs

Members of the Southern Illinois Toastmasters Club got some advice on speaking and leadership last night from two SIU speech professors.

"The most common mistake of beginning speakers," said Dr. C. Horton Talley, "is to prepare a speech subjectively, without thinking of the specific audience that will hear it."

"The idea that leaders are born, not made, is un sound," said Dr. J. O. Anderson. "Qualities of leadership can be developed through education and training."

Dr. Claude Coleman of the English Department was toastmaster.

The Southern Illinois club is one of about 1,500 local groups in a national organization that seeks to promote better public speaking. Local "active members" are recruited to 30, but the rules permit an unlimited number of "associate members." Other "active members" from the SIU Speech Department are Dr. C. W. Garbutt and Dr. Paul Hunsinger.

Non-SIU members live in Carhondale, Murphysboro, Chester, Marion, and Du Quoin.

Meetings are every Monday evening in the University Drugs annex. A toastmaster, four principal speakers and an "evaluator" are named for each week, and in addition each member speaks one minute on a "table topic."

SIU students are invited either just to attend the meetings or to seek active membership, according to Dr. Garbutt.

## Speech Profs Hold Institute In Du Quoin

An Institute in discussion technique for non-graduate working in Du Quoin's new community development program was conducted last night.

Paul Hunsinger and Lester Breiman of the SIU speech department faculty were called in to give instruction in group discussion beginning last Friday night. Community minded citizens, soon to be engaged in local problems, will hold weekly meetings for a six-month period to air their views and study possible methods of improving their town.

The two speech teachers have been lecturing on the role of discussion leaders and recorders and telling their audience how to give good discussion participants. They have also conducted demonstrations of discussion procedures.

An organizational meeting for the Du Quoin's development program will be held Oct. 25.

## Kelly And Malpass Talk To Chicago IPA

Dr. Noble H. Kelly, chairman, and Dr. L. E. Malpass of the SIU Department of Psychology attended meetings of the Illinois Psychological Association in Chicago Friday and Saturday.

They are both members of the IPA executive council.

Dr. Kelly discussed developments in the education and training of school psychologists. He attended a 10 day conference at West Point, New York, in August, when a group of 50 psychologists met to study this problem.

## Agiculture Club To Have Chicken Barbecue

One-half barbecued chicken with all the trimmings will be on the menu for the Homecoming Chicken Barbecue sponsored by the SIU Agriculture Club. The chicken will be barbecued by the members of the Ag Club under the supervision of Mr. Scott Hinners, poultry specialist of Southern's agriculture department.

Final plans were made at the Club's meeting last Thursday. The barbecue will be held on the lawn just south of the agriculture office on S. Thompson on old U. S. Rt. 51. Serving will be from 11 a. m. until 2 p. m. Oct. 29.

## YOUR DRY CLEANER IS Your Clothes' Best Friend

## Spring Festival Chairman Candidates

**JIM JENKINS**, head of the 1954 New Student Week activities, is running on the ISA ticket for Spring Festival chairman. Jim is a senior.

**JIM WALWARK**, last year's Greek candidate for Spring Festival chairman. Jim is Tele and also on the ballot for senior vice-president.

## Seagraves To Be Consultant For Rosiclare

Van Seagraves, a former government economist, will be SIU's community consultant to Rosiclare and Elizabethtown in the redevelopment efforts of the two neighboring Ohio River towns.

Seagraves has been a aide to Richard W. Poston, director of the SIU department of community development, since last January. He worked on a six-month community study in Chester last winter and spring.

Research studies will be made by non-graduate at Elizabethtown and Rosiclare during the next six months under Seagraves' guidance to uncover local problems which need to be overcome by united citizen action. A permanent committee will then be organized to act upon recommendations made during the study period.

A native of Portland, Ore., Seagraves was graduated from Reed College in 1948 and served as an economist with the Bonneville Power Administration, a federal agency marketing power from the Columbia River Dam. During World War II, he was a Navy lieutenant.

For more than two years prior to last December, he was an economist with the Economic Cooperation Administration in Paris.

## Canterbury Club Meets Tomorrow

Faculty sponsor Raymond S. Rainbow, English instructor, will speak on religious drama at a Canterbury Club meeting tomorrow night in the Parish House.

The talk will follow a 6:30 p. m. Parish supper.

Club members will sing at 11 a. m. service Sunday in St. Andrew's Episcopal church, which will celebrate the Rev. Charles A. Clough, Bishop of the Diocese of Springfield. Formal dedication of new addition will precede the regular services.

Students and their families are invited to meet the bishop at a reception in his honor after the morning services, according to Jerry McGovern, Canterbury Club vice-president.

## Report Given On FTA Drive

A report was given on the membership drive which the Egyptian Chapter One is conducting at the Future Teachers of America meeting. The present membership numbers 110, however, it is the aim of the group to secure as many members as there are students in the College of Education.

To motivate the membership drive, the group divided into two sections, the elementary are secondary, with a chairman being appointed from each group. Merit points will be given for each new member, and the team having the most points at the end of the drive will be the guests of the losing team. American Education Week will terminate the drive.

Obelisk pictures were also taken at the meeting, and the NEA Journals were distributed.

The next meeting of the FTA is scheduled for Oct. 26, in University school.

## Friday JSA Meeting Held in Playhouse

The second meeting of the JSA was Friday, Oct. 15 at 10 a. m. in the Playhouse. Jim Aiken, president, was the speaker. As freshman journalism students were not there, a vote was taken to elect officers on Oct. 26, when the JSA's group picture will be taken for the Obelisk. Reports from the Finance and Social chairmen will also be read.

## Speaker Tells Of Home Life In Norway

Mrs. Hjordis Kuel Parker described Norway and Norwegian life Friday in her movie lecture "Saga of Modern Norway" before the freshman assembly.

She spoke of home and school life in Norway and commented on the important place winter sports play in recreation.

She described the large merchant marine and fishing fleets in that country and showed pictures of the deep fjords that break the coastline.

She also showed pictures of the nomadic Lapslanders who live within the Arctic Circle and depend upon reindeer herds for their support.

Before the talk, Christine Mueckler introduced candidates for the "Most Typical Freshman" title.

## Ceney Speaker To Math Frat

Frank Ceney will speak on "The Fundamentals of Mathematics," before Delta Rho, honor mathematics fraternity in Shrook Auditorium Wednesday.

On Oct. 6, the fraternity initiated 12 new members and followed the ceremony with a hamburger roast at Thompson Lake.

The 12 new members are Fahm Dahdahi, Farid Dahdahi, Fair Dasgupta, Gordon Eckels, James Gerlach, Allen Jones, Richard Patterson, Edward Schure, Gabriel Fairland, Joseph Walter, Charles Wells, and Larry Wilk.

A 4.0 or better average in 25 hours of mathematics is required to be eligible for the fraternity.

### Cross Country Takes Western 25-31 Saturday

Coach Leland "Doc" Lingle's cross country squad outran a Western Illinois team 25-31 last Saturday morning.

Saluki Howard Branch crossed the finish line in 18:04.3 to score a first place for Southern. Western Charles Knox and Terry Brown took second and third places. Larry Terence and Don Hecke took fourth and fifth place respectively.

The Salukis scored in a 1, 4, 5, 7, 8, 10 order over the three mile plus course.

The win was the first for Southern this season. The barriers lost to Eastern in their opener two weeks ago.

### Chautauquans Bowl High In Indy League

Chautauqua, last year's runner-ups in the SIU Independent Students bowling league, fished a high 2401 total against La Coterie which netted three wins as Darrell Thompson, Ed Langen and Keith Suttin collaborated their efforts of 494, 484, and 482 respectively. Tom Fullerton's 193 and Bill Wilson's 192 were responsible for Chautauqua's first loss.

The Bloopers collected a series sweep at the expense of Dole Dots which was highlighted by Victor Renaud's beautiful 264 game.

In another skirmish, HOHN took a 3-1 decision from Woodley Hall with leadoff man Bob Sanger setting the pace with 475.

Sandra Stein eased into the 400 circle for the victims with 413.

In the other encounter, the Five Aces eked out four wins from the Stags, winning the opener by three strikes and the second by two pins. Ed Stueber's 491 topped the scoring on the pair of allies.

### Tekes Take Theta Xi In Greek Corkball

Tau Kappa Epsilon's corkball team won its third straight game in the Greek league, defeating Theta Xi 4-0.

Homers by Lindell Martie, Ron Kolar, Paul Smith and Jim Aiken's single scored all of the Tekes' runs in the top of the fourth inning.

The Tekes now hold first place in the league. They have not been scored on yet.

Batteries for the game were: Theta Xi—Edgell, p., Komic, c., Tekes—Aiken, p., Kiola, c.

Southern gridlers in a pre-game scrimmage. The Salukis lost their tussle with Central Michigan last weekend. They meet a strong Michigan Normal squad here next weekend when they take to the field for the 1954 Homecoming celebration.

## Podoley Leads IAC Circuit

Central Michigan and its ace fullback, Jim Podoley, dominate statistics in the Interstate Athletic Conference.

Podoley, top small-college rasher in the nation, is currently setting loop gridiron air with a 15.2 yards per try mark. Central Michigan is leading in team rushing with a conference game average of 440 yards. It tops in scoring, too, with 60 points.

Dick Hecksel, Podoley's teammate, is second in rushing. The sophomore fullback, blasted out a 14.3 average in his first conference game. Kevin Keating, Michigan Normal back, is third with a 13.7 mark.

As in the past Michigan Nor-

## Delta Zeta Girls Roll 2,397 Total In Greek League

Delta Zeta of the SIU Hellenic Bowling league kept on the victory path Wednesday night as they rapped out a time 2397 total good for a 3-1 victory over the Sigma Sigma Sigma Fens at Carbondale. Sis Cunningham, Diane Boyd and Beverly Conway powdered the pins for 398, 359 and 409, respectively. The Tri Sigis had the assistance of Marjann Wagner's 398 for their lone win.

The defending champions, Sigma Pi crew faced a three-ply lacing at the hands of Tau Kappa Epsilon. Sharpshooters Eldon Klein and Lefty Schwehr, rolling 536 stem the tide. Heading the winners attack were Ron Wilson's 494 and Bob Kilian's 491.

Sigma Tau Gamma, snukled up the evenings high, 2400, to score a sweep over Pi Kappi Sigma. Delta Sigma Epsilon and Pi Kappa Tau rounded out the season in a low scoring match with two victories apiece.

## Sigma Tau Gamma Defeats Theta Xi IM's

The scales tipped in Sigma Tau Gamma's favor last Thursday as Coach Rick Ericson's blocking nine defeated Theta Xi.

The game, one of the best yet seen in I. M. play, was tied 6-6 at the end of four quarters. I. M. gurus state that in case of a tie game, both teams shall be allowed four more plays. The team gaining the greatest yardage at the end is declared winner.

The game was over when the Tau's alter two running plays completed a touchdown pass. Tom Atwell threw the final touchdown pass. He also finished the 40 yard toss for the Tau's first try.

Theta Xi's 6 points came from a 30 yard runback of an intercepted Tau pass.

# Chippewas Slip 33-0 Defeat To Salukis

Slithering for three touchdowns through the quagmire of Alumni Field, Jim Podoley led Central Michigan's Chippewas to a 33-0 contest of Southern's Salukis.

The Central ace reeled off scoring dashes of 47, 60, and 4 yards. Fullback Jerry Thomas and Hall-back Bernie Rateerink made the other scores on identical 25-yard sweeps.

Southern muddled its way down to Chip 14 yard line in the first period but floundered. Neither team could put a concerted drive together, and the game, played in a continuous drizzle, became a perilous punting duel between Central's long scoring runs.

The Salukis booted 11 times and the Chippewas 12, compiling 27 and 34 yard punting averages respectively.

A brave homecoming crowd of 3,000 flouted the damp to watch Podoley and Co. hand the Salukis their fourth loss in four outings, and third IAC punning in a row. The victory was Central's fourth in five starts and second conference win against no losses.

After the Salukis' initial attack ended in the ooze of the Central 14, the Chippies had their turn and found the going as mucky as Southern, but managed to move the ball to the 5-47 to place Podoley in range and the gangling junior skipped his way 47 yards for Central's first score with 5:55 gone in the first period.

After another Southern series and several punts, Thomas hit left tackle, found a bit of wet daylight and continued for 25 yards and the Chippies scored. Podoley converted to give Central a 13-0 edge going into the second period.

Podoley wasted little time. Starting to his right he found the way blocked by muddy Salukis, reversing his field the gangling speedster squished around left end for 60 yards and his second TD of the afternoon. Laverne Wolf converted and the Chippies were 20-0 with 13 minutes left

in the period.

The Southern defense stiffened and the punting game began. The exchange of the soggy ball by kicks continued until halftime and for 8 minutes into the third quarter. Again Podoley carried, but for only 4 yards. The conversion attempt missed and Central was content to punt away the remainder of the period with a 26-0 lead.

With four minutes left in the game Rateerink a junior transfer from Michigan set sail straight for the Southern goal some 25 yards distant and crossed standing up for the fifth and final score of the day. Wolf added the extra point, his 12th without a miss, to put the Salukis back 33 points.

The Chippies relied little on the aerial route, trying only two passes which failed. They picked up 221 yards on the ground and were content to stay there.

Southern tried seven passes, completed two for 20 yards. The Salukis rushed for 103 yards and eight first downs.

Allen Rodgers led the attack for Southern, moving 20 yards in 8 carries for a 2.5 average per try. Capet, Jack Schneider earned 25 yards on 13 trips for 2.3 and Hank Warfield got 28 for 12, 2.2.

Podoley carried nine times for 91 yards; Rateerink went 50 yards in four tries and Thomas took nine tries for 63 yards for the winners.

Next week the Salukis entertain Michigan Normal's Hurons in the

### annual Homecoming battle.

The summary:

### Rifle Team Drops Match To North Texas

Southern's ROTC rifle team bowed to North Texas State College, 1854-1815, in its first match of the season.

Southern's five top scorers: Denney Coleman, 376; Joe Racine, 374; Gerald Samner, 365; Curtis Housen, 353; Sam Martin, 347. Sgt. Hansen has planned 43 more matches for the rest of the school year. Last year's record was 24 wins and eight losses.

### Minnesota Hands Illini Its Fourth Set-Back

Unbeaten Minnesota ground out a convincing 19-6 victory over Illinois here today to ruin its winning streak to four and pin the Illini with their fourth straight defeat without a victory.

**VOTE FOR YOUR I.S.A. CANDIDATES TOMORROW!!**

### THE I.S.A. PLATFORM:

1. The ISA believes in majority rule. We believe that the student government of Southern should represent all the students, not just a select few. We further believe that in the past this has not been the case.
2. ISA advocates an open primary for student offices because we believe that this is the most democratic way of choosing candidates.
3. We support the decisions of the administration of SIU so long as those decisions are consonant with the best interests of SIU. We intend that this support shall be of a most active nature.
4. ISA recognizes the need of increasing the activity fee for the purpose of providing better health service, and advocates such an increase.
5. In the matter of parking, ISA believes that the best interests of the students are not being served. We further believe the action on this matter is long overdue, and should be initiated immediately.
6. Because of the higher cost of living, ISA advocates an increase in student wages and intends to actively work for such.
7. We believe that the cancellation of all 10 a. m. classes has created a definite hardship on many students. We therefore believe that it is justifiable to recommend a reconsideration of the matter.
8. A new Student Union building is badly needed at Southern. For this reason, ISA intends to work with the administration in their efforts to provide one.
9. ISA believes that a strong and active alumni would be a big help in Southern's progress. We therefore urge a drive to increase alumni interest, and intend to cooperate in such.
10. ISA desires to actively work with the administration in seeking funds from the legislature for Southern's continuing growth.
