Tickets for the concert and dance will be available all week, from 9 a. m. to 4 p. m. in the Student Union, from 10 to 11 a. m. in Old Main.

Concert admission price will be 60 cents. Tickets to the \$3.50-\$5.00 show in advance, \$3 each at the Armory.

## Elks' Banquet To Climax Cancer Drive

A performance by the AFROTC Singing Squadron and a brief speech by Dr. John Rogers, executive director, Illinois Division of the American Cancer Society, at the Elks' Club banquet at 7 p. m. Thursday will close the 1955 cancer drive here, according to Dr. Frank Bridges, drive chairman.

"We expect at least 200 people at the banquet and at this date a plate it should give our drive quite a boost," Bridges said.

Dr. Max Turner and Roy Howell will play the organ during dinner. There, persons who aided the drive will be honored.

Dr. Rogers will speak on "The New Development in Cancer." A Singing Squadron concert will complete the program.

"I am almost sure we will better our goal of \$2,000 since our street crossing and can drive alone netted \$1,156," Bridges said.

"Last year the whole of Jackson County gave only \$400. This year Carbondale's goal alone is five times that," he said.

Yearbook Pix

Don Hargus, 1956 Oblisk editor, has announced the picture schedule for 1955 graduates to be taken for their yearbook. Each college and division will have a separate section devoted to their seniors. Naturally, the size of each section will depend on how many seniors have their pictures taken at Nauman Studio, from yesterday through May 7.

And this is contrary to the fact that a person graduates from college but once and in later years the college yearbook is a great source of remembrance and enjoyment.

The price, \$1.75 is very reasonable and will be made for much less than for regular sittings. No senior pictures can be taken next fall, and The Egyptian is hereby urging all 1956 prospective grads to have their pictures taken in the next two weeks and appear alongside of those of friends and classmates.

Opera Society To Present Rach. Purcell

The Southern Illinois Opera Society will present the music of Johanna Sebastian Bach and Henry Purcell in the University School Auditorium, at 8 p. m. according to Kate Moe, Thursday, the society's director.

The program will consist of five Bach arias, one from "The St. Matthew Passion" and four from "The Magnificent," followed by a concert version of Purcell's opera "Dido and Aeneas."

In the cast are Frances Carvelli as Dido, dramatic soprano, and Queen of Carthage; Edith Garrison as Belinda, soprano and lady-in-waiting; Robert Walker as Aeneas, baritone and the Trojan prince; Sopranos, Ruth Batts, Melva Buchanan, Priscilla Geri, Ermine Taylor and Alice Watkins; and Nancy S. Gillespie, piano accompanist.

The three-act opera, its libretto by the 17th century English poet, Nahum Tate, is based on the fourth book of Virgil's Aeneid. Admission is free.

Regge Granted Leave For Doctor's Study

William Regge, SIU supervisor of men's residence halls, has been awarded a year's fellowship by the University of Illinois to work on a Ph. D. degree in education.

SIU's board of trustees has approved a year's leave of absence for Regge who will begin his graduate study at the U. of I. in September.

SIU, White Sands Have Cosmic Agreement

Cosmic ray researchers at SIU, have made a cooperative research agreement with scientists of White Sands Proving Grounds, it was announced today. White sands is part of the Ordnance Corps, U.S. Army.

The agreement calls for exchange of information and results and exchange of photographic plates which have been exposed at high altitudes to record cosmic ray tracks.

Robert E. McDaniel, cosmic ray research investigator at White Sands, recently spent some time at SIU inspecting facilities of Southern's cosmic ray laboratory, headed by Dr. Otis B. Young. The visit was suggested by the Army's Office of Ordnance Research which sponsors the cosmic ray project at Southern.

McDaniel said the purposes of the agreement were to advance cosmic ray knowledge by cooperative efforts and to offer training to students who might ultimately fit into the White Sands program of recruiting young scientists.

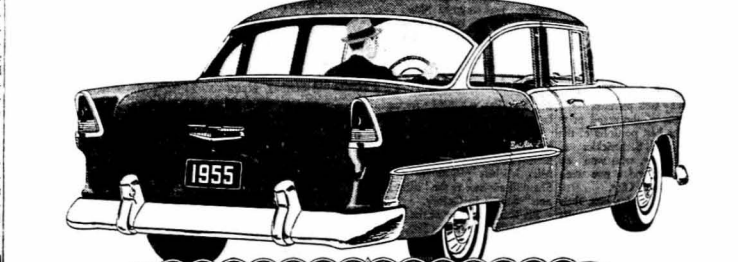

Young said the agreement will enable Southern researchers to obtain photographic plates exposed to cosmic rays "at higher altitudes and different latitudes." Balloon flights sponsored by White Sands for this purpose have gone up to 120,000 feet.

The cosmic ray program at Southern started in 1953 through a cooperative agreement with the University of Chicago. This agree-

ment will continue in force, Young said.

# Illinois Mother To Be SIU Guest

Mrs. Norm Hoblit Woods, Illinois Mother of the Year, will arrive about 4 p. m. tomorrow at Woody Hall where she will stay during the Southern Illinois Women's Day activities.

Mrs. Woods will be guest of honor at the meet, sponsored by

Mrs. Kelley, president of the University Women's Club.

Walter Collins, West Frankfort high school American history and government instructor, and Mrs. Collins, member of the SIU Board of Trusts.

The University Women will be guided by APO, Circle K and Girls Rally members on auto and walking tours of the campus, University School, Woody Hall, the Life Science building and greenhouses and the Allan Art building beginning at 10 a. m. Mrs. Woods, Wright and Roper meanwhile will tour the campus, VTI and the University farms.

A pottery demonstration and "Per Sale" and jewelry and Museum of Modern Art sculpture exhibits are scheduled in Allan at 11 a. m.

Mrs. Woods will be guest at an invitational luncheon for about 75 persons at Woody Hall.

Mistress of ceremonies Mrs. Noble H. Kelley will lead the afternoon program to be in the Little Theatre at University School, beginning at 2:15 p. m. Mrs. Roper, regional chairman of the American Mother Committee of the Golden Rule Foundation, will tell how the Illinois Mother of the Year is selected.

Six students who will perform at the drama festival are: Shihkhab Kandah, Farid Bahir, Abd. F. Daquq, Jawab Bakir, Fay Daquq and Ali Shukair.

Instrumental music will be by Keith Pierce at the organ and Mrs. Mrs. I. A. D. Goldney, piano; Mrs. William D. McLeod, violin; Mrs. Paul W. Isbell, cello.

A tea in the Woody Hall formal lounge and campus tours will conclude the University's Women's Day.

## Kelley To Speak To Archaeologists

Dr. J. Charles Kelley, director of the SIU Museum, will present a paper on the Museum's 1954 summer archaeological field work in Darang, Mexico before the Society of American Archaeology at Indiana University, Bloomington, May 5.

He will go directly from Bloomington to Washington, D. C., to participate in the annual meeting of the National Research Council May 6-7. The Council is composed of scientists serving officially as liaison group between American scientists and the government.

Other SIU faculty members attending one or more of the meetings include Howard Winters of the Museum; C. E. Jeffrey, Herman R. Lantz, and J. S. McCarty, Sociology department faculty, and SIU sociology graduate assistants Eugene Sherman and Judith Larr.

## Honor's Day Program Deadline Saturday

Students who think their names should be on the Honors Day program for scholarship are to check the list posted outside the Registrar's office.

Any additions or corrections should be reported to the Registrar before Saturday.

# Educational Council Discuss Appropriations

In Illinois, "We're at the point where we need to begin to pinch pennies," Samuel M. Bishop, director of statistics in the office of the state Superintendent of Public Instruction, said Sunday evening addressing a meeting of the Educational Council of 100 in the University cafeteria.

"Legislation is passed by people who want things passed," Bishop said. "If your legislators know what we want, there's no doubt how they'll vote. There's no substitute for personal letters to legislators."

Vice-President Tenney, at the afternoon session of the all-day Council meeting, had outlined Southern's pressing need for an increased appropriation, saying, "A school operates, not in terms of dollars, and percentages, but in terms of students. Although the present proposed budget looks good on paper it is not enough."

Melville H. Hosch, acting regional director of the U. S. Department of Health, Education and Welfare, opened the afternoon session explaining the program carried out by his agency that pertains to education.

Also on the afternoon program, H. L. Smith, speaking in place of Harley Taylor, regional representative of the School Assistance Program for Federally Impaired Areas, described the work of his agency.

"It's not our purpose to assist all districts," he said. "We're concerned with only those areas in programs of federal activity where military installations, federal housing projects, defense installations or government contracted industrial work has caused a strain on school facilities."

## Ag Roundup To Be Held Here May 14

An annual spring agriculture roundup, sponsored by the SIU Division of Rural Studies and SIU Agriculture club, has been set for May 14. Donny Coleman, student general chairman of the event, said today.

Roundup events will include farm implement demonstrations, tours of the SIU Experimental farms, agriculture judging contests for high school and college teams and visitors, and an evening chicken barbecue at which contest awards will be presented. Melvin Lockard, president of the Golden Rule National Bank, will announce the awards at the barbecue, Coleman said.

## Girls Rally To Install Officers Thursday

Girls P-11 officer installation will be Thursday night at Engel's Steak House on Rt. 13 east of Carbondale.

To be installed are Judi Duncan, president; Cynthia Kuehn, vice-president; Elizabeth Wilson, secretary; Alice Howe, treasurer; and Marlene Lowmeyer, historian.

A banquet will follow the candlelight ceremony.

Dr. J. O. Anderson, assistant professor of speech, will be guest speaker.

## SPRING FESTIVAL COTTON BALL WITH

The annual meeting of the Illinois Federated Chapters of the American Association of University Professors will meet at Macomb, May 14, according to Elbert H. Hatley, local president.

A "guest night" spring meeting will be held on campus the evening of May 9. Professor Calandra of Washington University, St. Louis, will be the speaker.

## Kelly, Curtis Grab Harvard 'Roscoes'

The Harvard Lampoon, student humorous monthly, recently voted "The Caine Mutiny" the best argument against Naval ROTC, and decided "The Long, Long Trailer" was the greatest waste of gas of the year.

They voted special "Roscoes" to Tony Curtis "whose marcelled and mobile grease locks have tinted scores of bobby soxers," and to Grace Kelly "who easily earned the title Ironclad Virgin of 1954."

## Alpha Kap's Hold Regional Conference

About 100 representatives from schools in Missouri, Illinois, Indiana and Kentucky met here Friday and Saturday for the Alpha Kappa Alpha sorority regional conference. The conference was held to discuss the role of Alpha Kappa Alpha in an integrate society.

The conference started Friday afternoon at 2:30 with a meeting of chapter presidents, graduate advisers and national officers.

At 6 p. m. the group broke up into 4 workshops to discuss the chapters obligation to national programs, inter-sorority relationships, the chapter role in an integrated community and a problem clinic to discuss graduate and undergraduate chapters.

The group met Saturday afternoon to hear the summarized findings of the workshop discussions.

The weekend was climaxed by a banquet in the cafeteria at 7:30 p. m. Saturday and a dance in the student union from 10 to 1 a. m.

## Child Guidance Clinic In U School

Professional advice will be available at a child guidance clinic tomorrow from 1 to 3 p. m. in the University School Auditorium.

Two Chicago psychiatrists, Dr. Richard Keonig and Mrs. Mary Aken will be the principal speakers.

At 1 p. m. Dr. Keonig, psychiatrist with the Illinois Institute for Juvenile Research, Chicago, will discuss "The School Age Child" from the viewpoint of the child's home life affecting his adjustment to his peer group and to the school environment.

Speaking at 2 p. m. will be Mrs. Aken, psychiatric social worker with the Institute, who will present a case on school phobia.

She will point out how disturbed family relationships can create a conflictual situation for the child that causes him to develop a phobia concerning school.

A closed session will be held in the morning. It will deal with educational difficulties and problems of adjustment of children brought to the clinic from various Southern Illinois communities.

The seminar is part of the regular quarterly clinics held by the SIU bureau of child guidance and the Illinois Institute for Juvenile Research.

# Baseballers Split, Lose 1st 4-3, Win 2nd 8-7

By Gene Cryer

Saluki baseballers split a double-header with the defending IAC champ, Illinois Normal, losing the first 4-2 and taking the nightcap 8-7 on Jerry Stevens' two-run homer and Wayne Williams' grand slammer in the seventh.

In the first game, Saluki pitcher Ron Avers, who went all the way, got off to a shaky start, issuing two walks and then serving up a "gopher" ball to Normal's Handley for three runs in the first.

In the fifth, he gave up a double to Brown and a single to Riegenbach for the Redbirds' final tally.

The Salukis rallied briefly in the fifth, Sandrin walked, Stevens hit with a booming triple to left center, scoring on long fly ball by Fred Williams.

Avers gave up only four hits and three walks in losing his first game of the season. He also struck out five. Robinson, the winner, gave up five safeties while walking one and striking out three.

In the nightcap, the Redbirds chased starter "Toby" Arvell from the hill with nobody out in the second. They scored four runs on five hits before reliever Bob Meyer could put out the fire.

The Redbirds pushed across three more tallies in the fourth on a series of S. Luiki miscues.

Vogel started things off for the Salukis in the six seventh with a single, Stevens followed with his homer to left. Scheibel, who replaced Fred Williams at third, was safe on an error, and then West singled. Hollencamp, batting for Meyer, walked to fill the bases. Tabacchi was hit on the foot following a run. Roger Wells singled to drive in another tally.

Mandal then replaced Miller as the Normal chucker. Williams greeted the new hurler by pounding the first pitch down the left field line to clear the bases and give the Salukis the win.

Bob Ens, who came in to pitch the remainder of the game, posted the win.

The Whites walked over the Reds 19-0 Thursday night as the SIU gridlers closed their spring workouts.

Several of the participants turned in creditable performances. Perhaps the best was by fullback Arnie Isola, who scored twice and was a consistent ground pointer. Quarterback Jerry Hart, guard Carl Teets and halfback Ed Johnson were also capable performers.

The Whites scored early as they pounced on a Red fumble on the opponents 35 and scored in four plays which were climaxed by Isola's 20-yard romp around end. Hart scored the extra point on a keeper.

The Whites later capitalized on another Red miscue and recovered the oval on the Red eight. Isola carried the pigskin into the end zone.

Unable to advance the ball after the touchdown, the Reds punted. Dunn got off a nice boot which Johnson took on his own 35. Aided by a key block from Teets, the little halfback went 65 yards to the final tally.

The lineup:

Reds	Whites
Faller	E Bishop
Sarna	T Parrish
Anzino	C McCann
Bach	C Cooksey
Hodges	G Teets
Malone	T White
Miller	E Kirchberger
Wheeler	QB Hart
Galloway	HB Warfield
Dunn	FB Isola
Davis, R	HB Johnson

Substitutes: Reds: Davis, B.; Suman, Potter, Day; Whites: Genotese, Goldstein.

Fred Williams, Saluki third baseman, reaches first in a bit of action from the first game of Normal +2, but came back to take the nightcap 8-7.

## Salukis Face Arkansas Today, Huskies Friday

Southern baseballers have a fairly light schedule this week, playing Arkansas State here at 3:15 p. m. today in a single game and Northern Illinois there Friday in an IAC double-header.

Very little is known about either team but in comparison with last year's games. Southern split a twin bill with Arkansas and swept two from Northern. Northern has one outstanding returning pitcher in Graham and the Southerners are sure to face him, according to Coach Glen "Abe" Martin. Graham dropped a decision to SI Ulust year, 6-0.

### Tennis Team Plays Washington Tomorrow

## Intramurals

By Jerry Ro-nach

This week is the last for entering the intramural swimming meet. The meet is for individual as well as team competition.

Entry blanks are in the Intramural Office. The preliminary meet is on May 2. The finals are May 9th.

Five men for each event will qualify for the finals. Qualification for finals in all the events will be made on the basis of the fastest times.

Besides the swimming events there will be diving competition. The diving competition will consist of one required dive (front dive) and two optional dives.

For individual winners, medals will be awarded. A trophy will be given to the winning team.

For all events except the relay six points will be given to the winner. For free, two, and one point will be given to the next four places.

## The Campus Cryer

By Gene Cryer

When the Saluki thrindals meet the Eastern Panthers tonight, they will have to face one of the outstanding tracksters in the state in the person of Ray White, freshman from Harrisburg, Pennsylvania.

Rumor has it that Centralia's all-star, Bobbo Joe Mason is definitely interested in SIU. If there is any truth to this rumor, it could prove to be an asset to SIU athletic teams.

Last week in a meet against Illinois Normal he set three school records in the hurdles and the broad jump. He went 23' 8" in the broad jump, an outstanding jump in any man's league.

Although Saluki pitcher Ron Avers issued only three walks in the first game of Saturday's double-header against Illinois Normal, his brief loss of control cost him and the Salukis the ball game. He walked two men in the first inning before giving up the game winning blast to Jerry.

Southern made a bid for White's services, but he chose Eastern instead. He was recently discharged from the Air Force.

Saluki first baseman Jerry Stevens got only two hits in eight trips to the plate Saturday, but those hits were the kind that help to win the ball games. The first was a triple with one on and the last was a home run with one on.

Some people may have been wondering how golf matches are scored. I will try to clear up this small mystery.

I would like to again make a plea for any information in your possession. I have had very little response to my preceding requests and would like to have a little increase in the response, even if it's in the form of criticism.

Each man plays 18 holes. Three points are given in each single match. One point is given for the low score on each nine and one point for the low medal or total score. The scores of the individual matches are then totaled to give the team score.

The Panthers fell to the Salukis by an 81-51 score last year.

Hurdles of the SIU cinder squad. From the left they are Dick Blythe, Al Rodgers, Carl Davenport and Jim Norton. Rodgers has been the workhorse for the thrindals so far this year.

## Linksters Trip Normal, Chanute 8-7, 12-3

SIU linksters won two matches Friday by beating both Illinois Normal and Chanute Air Force Base at Bloomington.

Threeosomes of one player from each school played together. Three points were awarded, one point for each nine holes under match play and one point for medal score for the 18 holes.

Andy Barnett, continued his fine shooting with a 33 on the first nine for a par 70.

The Salukis defeated Normal 8-7 and Chanute 12-3.

The results:

Wilson (S) 80 defeated Goodwin (N) 81, 2-1.

Wilson defeated Peterson (C) 83, 3-0.

Meidel (N) 79 defeated Danduff (S) 84, 3-0.

Goldstein and Foster (C) 85, tied, 115-115.

Barnett (S) 70 defeated Shepard (N) 80, 3-0.

Barnett defeated Springs (C) 86, 3-0.

Belvis (S) 77 defeated White (C) 82, 2-1-1.

Belvis defeated Simister (N) 78, 2-1.

Meidel (N) 79 defeated Danduff (S) 82, 2-1.

Danowski defeated Jim Carter (C) 86, 2-1.

## What young people are doing at General Electric

### Young manager handles finances for building of \$5,000,000 plant

In the next ten years, the demand for General Electric industrial heating equipment will double. To meet this demand, a giant new plant (model at right) is being built at Shelbyville, Indiana.

The plant will cost \$5,000,000, and the man responsible for handling finances for the entire job is 32-year-old R. E. Fetter.

Fetter's job is important, responsible

Dick Fetter's work as Financial Manager of the Department began long before General Electric started building the plant. He and his group first had to estimate probable operating costs and predict whether the plant would be profitable.

Now, during construction, Fetter's chief concern is keeping track of all the expenses on this multimillion-dollar project. When the plant is completed, he will set up a complete financial section and manage everything from tax, cost, and general accounting to payrolls, budgets and measurements, and internal auditing.

DICK FETTER joined G.E. in 1947 after receiving a B.S. from Bucknell University, and serving 32 months in the Air Corps. At G.E. he completed the Business Training Course, class of '49.
