10 Face Court For Taking Boat Parts

Ten VTI students will face the Southern Area Judicial Council on charges of taking University surplus boat parts, the Office of Student Affairs said Wednesday.

The parts were being used for masts, paper weights and door stops, the OSA said.

The situation was brought to the attention of the OSA "about a week ago by some of the students involved" when another investigation was being made, according to the OSA.

A date for the council action has not been set.

Parts were taken from an unlocked storage room above the VTI Laundry. One of the students involved said the door has been unlocked "at least since football season, which started in September.

Some of the students who took the equipment reported that others have also taken boat parts from the room, according to Joseph E. Zaleski, assistant director of housing.

Return Parts

The 10 students, all men, have returned the parts and are "contacting other residents to see if more equipment is in rooms," according to Zaleski. He said the students seemed to have no "defiant intent."

One student took a large piston that was being used for a door stop and replaced it with a rock, according to the OSA. Zaleski quoted the student as saying, "I thought I could find better use of the piston in my room."

Persons responsible for seeing that the doors are locked to the storage room have not been named, Zaleski said.

The equipment loss being investigated when the parts situation was discovered was described by the OSA as "of little value," and other information was not given.

University Store Window Broken \$100 Damage

The \$100 plate-glass window of the University Store was broken sometime during the night Monday.

A two-pound rock was found about 10 feet inside the store by Mrs. Lillian Williams, who opened the store at 7:45 a. m. Tuesday.

The rock was confiscated by Security Officer Thomas Leffler, who reported it had been taken from the building site of the Home Economics Building.

Joseph C. Trobaugh, manager of the store, said nothing was stolen or disturbed. He said an estimate of \$100 damage had been made.

"I can't understand why anybody would do such a thing," Trobaugh said. Asked if he had made any enemies lately, he said "None that I know of."

Leffler said there were no leads thus far.

Student Injured In Car Wreck Still Unconscious

Halley K. Dulaney, one of the injured students in a car-truck accident Sunday morning, is still unconscious at Carter's Hospital in Christopher.

A blood clot has been detected in connection with Dulaney's skull fracture.

The other injured student, John Latta, is doing well and may be out of the hospital "in the near future," according to the hospital.

The two were injured when a Volkswagen driven by James Fowler collided with a pickup truck on Rt. 158 just south of Senser. The truck skidded, attemping to avoid hitting a dog, and rolled into the German-made car. Fowler was killed instantly, according to State Police, and his funeral was held Tuesday at Ina.

Latta suffered a broken nose and arm. Dulaney may be moved to a local hospital, according to members of his fraternity, Sigma Psi.

Woody Accepts By Laws

By laws for the Woody Hall constitution were accepted by vote of all dorm residents recently. The by laws, which had been drawn up by a committee composed of the executive officers, will go into effect immediately.

Election procedures and qualifications for officers were the subjects of the by laws.

Under the new rules, President Janet Meng met with the vice presidents of all corridors to establish an election commission. The commission's duty is to decide upon procedure to be used for elections of any dorm officer.

The commission held elections Feb. 26. On Saturday, girls interested in applying for hall offices of president, vice president, secretary, treasurer, social chairman and judicial chairman will meet with the present officers.

A review board, which is made up of the present officers and a representative from each floor of the dormitory, interviewed residents applying for vice president, secretary, and treasurer Feb. 18, and on Feb. 19 girls seeking the offices of president, social chairman and judicial chairman were interviewed.

The review board serves as a screening process for applicants and helps keep the number of candidates for an office to a low number, usually three.

A slate of nominees for the offices will be announced by the review board today.

Requirements for girls nominated for the executive offices are also included in the new by-laws.

The girls must reside in the dorm at least two terms prior to taking office. This requirement

Saturday, Night Classes

Unauthorized questionnaires, showing that students are "against" Saturday and night classes and that they feel campus regulations on cars are unfair brought quick action but results from the Office of Student Affairs Tuesday.

The questionnaires, piled on the application-information table by the Student Union desk, did not state who was doing the asking. But the question results were clear.

Of eight students answering the questionnaire on Saturday and night classes, only one was "for"; the others answered that these classes are "unnecessary," "a waste of week-day time" and in general, not needed.

No blank forms were available, just results of the survey. A member of the Activities Development Center grabbed the questionnaire from the table. He then asked the student at the Student Union desk if he knew who had circulated the questionnaires.

Unauthorized Questionnaires

The student said he did not know.

Other members of the center tried to find where the forms came from, but they were unsuccessful.

Committee Senator Bill Owen said commutators did not circulate the questionnaire. Some officials thought commutators may have been responsible because several questions applied to this student group.

Only one student indicated that he was a commutator. Three students said that Saturday classes "restrict going home." Saturday and night classes "relieve crowded day-time schedules," according to three; one opposed this viewpoint.

The four students answering the question, "are off-campus regulations of cars fair?" indicated "No."

Some officials felt that the questionnaires had been circulated by a class as a project. No one seemed surprised at the results, along with porch-lawn

Fraternity Row Must Have Hall Freshmen Each Year

Greeks, Independents May Fill Same House For Quota

By Joe Dill
Egyptian News Editor

Fraternities and sororities will be required to fill their new houses on Fraternity Row with 50 per cent freshman, according to policies approved by the Office of Student Affairs and the SIU Board of Trustees.

The information was released by the housing office this week after the policies had been approved.

The first nine groups to move into the housing will be announced Feb. 28 by the housing office.

According to William Rogge, director of housing, University regulations provide that all area housing must have 50 per cent freshmen, to allow for the large enrollment in the fall.

Twenty-three sophomores, juniors and seniors will live in the house, but the other 22 spaces must be filled by freshmen. There are approximately 500 Greeks on campus.

According to the regulations, if the 22 spaces are not filled by freshmen in the regular fraternity or sorority, they will be filled by students on the waiting list for University housing, whether they be Greek or independent.

The first four houses, which located just south of the Chautauque street—Oakland ave. intersection on the old Thompson Point road, are due to be completed in time for the fall quarter.

Another five houses are scheduled to be ready for the winter quarter, 1960.

Rogge said one commitment has already been made to Greeks who are being moved out of a house by the University as part of its land-acquisition program.

He said he was not sure that the group indicated that they want to move into the new housing in the fall.

The regulations state that the "moving-in" process will be completed in this manner: (1) a group which has received a contract from the University; (2) groups occupying houses which are to be purchased by the University; (3) groups already having made application; and (4) remaining groups.

Contracts will be made by the University and the University will supervise. Rent will be \$8 per week, or \$288 for the academic year tentatively, but Rogge emphasized that the rental has not been approved by the Board of Trustees.

Eventually, 15 houses will be constructed, which will house the current Greek organizations. The final six houses will be constructed in about two years.

Each house will have space for 45 students, and resident fellows and housemothers will be assigned to each house. Rogge said resident fellows would "fill most certainly not be a member of the particular Greek organization, but in its listing, and possibly not Greek at all."

Concerning the 50 per cent quota of freshmen, Rogge said that if the 45 spaces are filled by the required proportions, it would be fine. However, he added, University regulations require the 50 per cent freshmen.

Furnishings for the houses include 50 double bunk-beds, chairs and waste baskets, necessary heavy equipment for the kitchen, dining room furniture, furniture for the counselors' lounge, mothers' apartments and essential furniture for the lounge including drapes.

The groups will be expected to provide a television set and ping-pong table and recreational furnishings in the basement, along with porch-lawn

FRATERNITY HOUSING? One of the four houses which will be completed by the fall quarter is shown in early construction on Fraternity Row. The housing, which is governed by the University, requires 50 per cent of the residents to be freshmen. Otherwise, the spaces will be given to students on waiting lists.

Undecideds Top Majors

There are more students undecided on their major than there are students in one major field, according to Registrar Robert A. McGrath.

McGrath announced that 967 students have not chosen majors.

The largest field of majors is in elementary education, which has 476 students. The business department boasts 391, applied science, 261 physical education for men, 217 English, 201 management, 186 and mathematics, 172.

Next comes home economics, 169, accounting, 152, chemistry, 145, agriculture general, 136 and psychology, 129.

Movie Director Talks Saturday

The producer-director of the motion picture "The Great St. Louis Bank Robbery," Charles E. Guggenheim, will speak on the problems of producing a movie, Saturday at 2 p. m., in the Ag Building auditorium.

Guggenheim's previous films include "The Untouchables," "The Golden Reel and Silver Reel" awards, international honors at film festivals at Cannes and Edinburgh, and runner-up position for an Oscar three years ago.

His documentary "A City Decides," which was also shown on the NBC television network.

In television, he has won both a Sylvania and a Peabody award for his "Sunday At The Zoo" and "The Whole Town's Talking."

Myles Standish, drama critic for the St. Louis Post-Dispatch, wrote of the movie, "I found 'The Great St. Louis Bank Robbery' a surprisingly good crime melodrama, highly realistic and with an exciting climax full of crashing violence. I say 'surprisingly' because of its low budget producer Charles E. Guggenheim already showed himself a man with a gift for camera composition, graphic detail and impact in his documentaries."

National ROTC Head Visits SIU

Maj. Gen. Turner C. Rodgers, commander of the AFROTC and 179 AFROTC detachments in the nation, will visit SIU Tuesday.

Gen. Rodgers will arrive in Carbondale Monday at 4 p. m., and will be met at the airport by the Honor Guard, Col. Alexander MacMillan, retiring colonel of the SIU detachment and other Air Force personnel.

The head of AFROTC will be present for the retirement and change of command ceremonies for Col. MacMillan Tuesday, the SIU Board of Directors, and President Dewayne W. More will be present for the ceremony at the drill field.

Writers 7 Bad Checks, Seeks Loan

"Can you lend me \$10, Dean Davis?" asked a student this week.

Before going to Dean L. Clark Davis' office, the student had cashed seven "bad" checks and had been called in to Dr. Joseph E. Zaleski's office.

The student ardently promised Zaleski, assistant housing director, not to cash any more "bad" checks, and Security Officer Thomas Leffler walked in.

After talking for a while, the student asked Zaleski to close the door. After the request had been granted, the student leaned to Leffler and said, "Can you lend me \$65?"

Leffler reportedly "hit the ceiling" and requested the student to accompany him to see the dean of men. After talking time, he then rendered his inevitable query.

"There is no report as to the Dean's reply."

Student Wins Opera Audition

Geraldine Weber, SIU senior from Union, Mo., won the Regional Metropolitan Opera audition in St. Louis Sunday.

Miss Weber is the winner of 14 regional finalists from Oklahoma, Missouri, Kansas and Arkansas. She had earlier won the district competition also held at St. Louis.

In winning the contest, the lyric soprano will receive \$300 and an expense paid trip to New York March 20 to compete against 13 other regional winners for a top prize of \$2,000 and a possible Metropolitan Opera contract.

Whitman Notebook Created at SIU

A rare collector's item is available as a source book for Whitman scholars and readers and prior to joining KMOX won national laurels for his Sunday afternoon "Cloud Club" on KXOX.

Married and with a growing family, Hayward reflects his happiness in his programs by periodically playing what he calls "courtin' music," in his definition, the music that mom and pop courted to, or music that their youngsters are courtin' to.

Work Must Start: Mayor

SIU Needs Grand Signals

Carbondale Mayor John I. Wright said Tuesday night that work on the widening signal and crossing gates at the Grand Ave. railroad crossing will have to start "within the next few months" to meet the Illinois Commerce Commission deadline of Jan. 1, 1960.

Mayor Wright emphasized the point that the work is out of city hands and that the Illinois Central Railroad is responsible for carrying out the ICC ruling.

"The Grand Ave. crossing will likely be the first of the city's crossings where the work is completed," the mayor stated, "because of the danger there."

The most recent ICC ruling on the crossing ordered the ICC to install warning signals and short closing gates as rapidly as possible, Wright said.

The same ruling called for the closing of the Harwood Ave. crossing.

After the death of Wilson, students at SIU staged mass protests urging that action be taken to prevent further death at the crossing. Mock graves with crosses were made beside the Grand Ave. crossing, and students from a SIU government class met on the tracks in protest.

Variety Show Tryouts Held Feb. 25-26

Tryouts for the Theta Xi Variety Show will be held Feb. 25-26 at Shropok Auditorium. They will begin at 5:45 p. m.

Rehearsals for finalists will be March 2 and 4, and dress rehearsal March 5.

The annual show will be headlined this year by Bruce Hayward, KMOX disc-jockey. Hayward, well-known to SIU students from his tenure with KXOK, will be master of ceremonies for the two-night show March 6-7.

Tickets are now on sale at the Student Union for \$1 per person. Seats may also be reserved.

There will be 19 competitive acts in the show, plus the Theta Xi pledge act. First and second place trophies will be given for individual performers and first, second and third place prizes for group performances.

Hayward, known as "dean of St. Louis disc jockeys," has been a leading radio personality for more than 15 years, and prior to joining KMOX won national laurels for his Sunday afternoon "Cloud Club" on KXOX.

HONORS SU ARTIST

The venerable Pennsylvania Academy of Fine Arts is the latest recipient of a work of art by a Southern printer/artist Mike Smith.

Smith's "Four Seasons: Summer" was one of the three honorable mention award winners in a contest of the Academy's annual exhibition. The Academy also bought the work for its permanent collection.

SIU Shows 67% Growth In 5 Years

Southern's enrollment has increased 67 per cent in the past five years, according to Dr. Robert A. McGrath, registrar.

In areas concerning science, SIU's enrollment has made great increases. Chemistry had 95 students five years ago and now has 146, an increase of 53 per cent.

Physics had 21 students five years ago but now has 43, an increase of 105 per cent. Also, Mathematics increased 188 per cent from 59 to 170 students.

Convo Conduct A Problem

Recent Student Council discussion on Convocation attendance brought up an old problem—student conduct at the meetings. Outstanding speakers have talked; and the basis of student talk has been loud enough at times to almost drown them out.

Card-jerking isn't the answer to inattention, however. This procedure must make quite an impression on the speaker.

Although it is poor taste for faculty and staff members to stand around jerking cards, it is in poorer taste to put the stamp of approval on discourtesy.

The student senator who suggested that freshmen be allowed to sleep and study at Convocations is completely off base. Bad behavior should never be encouraged.

The programs are provided as a part of college education. If their importance cannot be impressed on students enough to correct conduct problems then a more subtle method than card-jerking should be resorted to by faculty and staff members.

behind the news

By JOE BLEWETT

Obtaining enough student housing of an adequate nature is a major problem facing SIU. That we have a housing problem is not in question. But without much effort, planning and HELP IT promises to reach the critical point in the near future.

Many stories have arisen from the housing situation at SIU—some funny and some not so funny.

One of the top housing stories concerns two male students. It seems these enterprising lads bought a farmer's old chicken coop and refurbished it for living purposes.

Other stories of how some people have taken advantage of present housing conditions to reap uncalled for profits have no humor attached. Married students in particular have run into this unpleasant situation in Carbondale and surrounding areas.

Places which are little better than dumps are rented to students for ridiculous prices. In some cases two or three couples must share the same bath. But students desperate for housing will put up with a lot—so many apartment owners have found out.

At present 50 per cent of the University housing must be made available each year for incoming freshmen. This 50 per cent ratio has been deemed necessary in order to provide space for incoming students.

This rule is admittedly (by Housing officials) an unfair matter. The University must tell model students to move out every year. It is hoped that in future years housing will catch up with the demand and the requirement will not be necessary.

Sorority and fraternity housing, now under construction, promises to pose some puzzles. For instance, the 50 per cent rule is carried over here and some new methods will probably have to be set up for pledging.

Forty-five units will be provided for each sorority and fraternity. BUT of this number 22 will be given to freshmen each year. Thus if a Greek organization doesn't have this number of freshmen pledged other freshmen will be brought in to fill this requirement.

The charge per month for married student housing when completed will be \$75.00.

This rate is pretty steep for married students trying to get through college. Other than better facilities it will not have any more to offer than some local apartments. Plans are being made to construct a temporary housing unit for a married couple at Chatsaugua to test this type of housing.

If predictions are correct by 1956 Southern will have approximately 15,000 students on the Carbondale campus. Present building plans cannot begin to accommodate for even a small percentage of this number.

Plans for more housing are already under way. This brings up the question of financing. In order to keep pace the University will have to look more to private loans in the future. State aid isn't going to provide near the amount needed.

At present less than 20 per cent of the students are housed on the campus. Housing officials would like to up this figure to the 50 per cent mark in future years.

Other universities have received some criticism by the local area when the college began to construct much student housing. The argument was that the local area people were being robbed of deserved revenue by the University. It was argued that the local area could provide adequate housing.

Such complaints shouldn't arise in Carbondale. Even with University plans to build more units the student influx will more than keep pace. There will be plenty of demand and need for local housing.

On the other side the University cannot afford to sit back and depend entirely upon local housing. It has been clearly demonstrated that the area cannot furnish all that is necessary. It must be a joint operation.

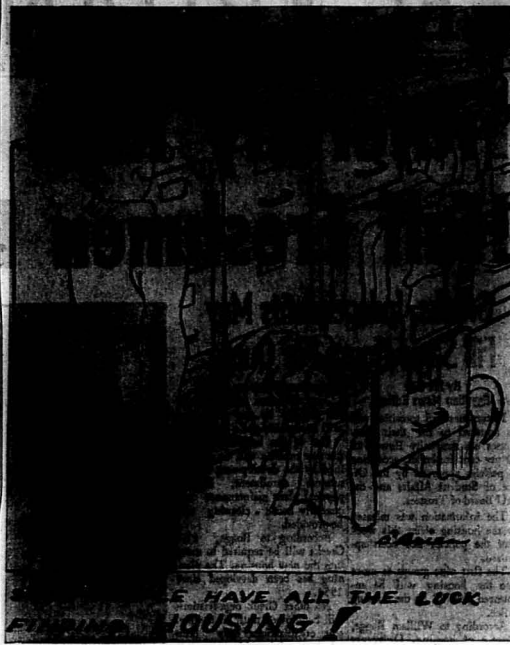

A joint committee has been formed to study the housing situation both now and for the future. This is good. Only by joint cooperation can the growing problem of a growing University be met.

Four, three, two and one-hour classes which meet during the first period (5:45 or 6:00-9:00 p. m.) on Monday and/or Wednesday 6:00. Classes which meet only on Wednesday night: Examinations will start at same times as the class sessions ordinarily start.

Four, three, two, and one-hour classes which meet during the second period (7:35-9:00 or 9:15 p. m.) on Tuesday and/or Thursday 6:00. Classes which meet only on Thursday night: Examinations will start at same times as the class sessions ordinarily start.

As the class session ordinarily start.

A special note needs to be made relative to examinations for evening sections for those classes which have been granted a special time for examining all sections. As some students attending at night may not be able to attend the special examination period scheduled for the daytime, each department involved will have to arrange special examination periods for such students. This problem involves those night students who are fully employed during the day and who are taking night courses because it is the only time they are able to do so.

General Information
(1) Examinations for three, four, and five-credit hour classes will begin at the hours scheduled and will run for two hours. Examinations for one and two-credit hour classes will begin two hours and ten minutes later and will run for one hour. For example, an 11 o'clock class carrying four hours of credit will have its examination from 7:50 to 9:50 a. m. on Wednesday, March 18. An 11 o'clock class carrying two hours of credit will have its examinations from 10:00 to 11:00 a. m.

(2) A student who finds he has more than three examinations on one day may petition, and a student who has two examinations scheduled at one time should petition, his academic dean for approval to take an examination during the make-up examination period on the last day. Provision for such a make-up examination period does not mean that a student may decide to miss a final examination and is not involved in a situation covered in (2) above, a "W", followed by the tentative grade with a "P" indicating the number of weeks attended, should be recorded on the grade report by the instructor. A "W" grade must be completed within one year of the end of the quarter involved; otherwise, it must remain as an incomplete grade.

(3) A student who must miss a final examination may not take an examination before the time scheduled for the class examination. In the event a student misses a final examination and is not involved in a situation covered in (2) above, a "W", followed by the tentative grade with a "P" indicating the number of weeks attended, should be recorded on the grade report by the instructor. A "W" grade must be completed within one year of the end of the quarter involved; otherwise, it must remain as an incomplete grade.

Marriage Gives More Time To Study

"The biggest difference I've found in college since being married is that I don't date," explains Judy Eichholz Fletcher, a student at SIU.

Judy and Ben Fletcher, Benton junior, were married in September after a year's engagement.

Her husband is in advanced AFROTC and will go into the service after graduation. "Will know soon"

The Steelville native says, "Now I don't have to go out to see him, either. Incidentally, I have a higher grade average since I've been married, because there is more time to study."

"I don't see why people think and expect to make it up during this make-up period. This period is to be used only for a student whose petition has been approved by his dean."

"It's so necessary to wait until graduation to get married, either true, you have to budget your time better, but it isn't so difficult."

Judy, a 21-year-old junior, is dressed in a black dress and red blouse as she talked to the reporter at the Student Union.

"I haven't seen too much change at Southern in three years," the blue-eyed music education major says. "There seem to be more major interest in the University now, and I think that it is growing in size and that the enrollment keeps increasing."

"The funniest thing that ever happened, though it wasn't funny at the time, was when two guys showed up one Sunday afternoon for a date," the brown-haired spouse laughed. "And one of them was Ben!"

"I do believe the courses are more difficult now than they were when I began. My advice for freshmen is to study harder. I sure wish I had."

"There was much more too do at home."

"Beginning students should date different people until they find the 'right one', and fraternities and sororities are good for some people."

"I don't see why people think and expect to make it up during this make-up period. This period is to be used only for a student whose petition has been approved by his dean."

"The young couple live at 403 W. Freeman."

Wrestlers Go On Television

Wrestling coach Jim Wilkinson will appear with four SIU wrestlers on KFVS-TV, Cape Girardeau, Tuesday morning at 7 a.m. on the Breakfast Show.

Dr. Wilkinson will discuss and demonstrate some of the basic techniques of collegiate wrestling, as well as the importance of speed, leverage and power in wrestling.

"The Breakfast Hour shows many of the SIU students at various times. Director of the SIU Broadcast Service, Richard Uray, urges all students to audition for appearances on the program."

Bruce Hayward of KMOX will be master of ceremonies for the annual Theta Xi Variety Show next month.

Cagers Hoop Eastern, Central Michigan In Effort To Regain Valuable Lost Ground

Southern's beleaguered Salukis will attempt to reclaim some valuable lost ground this weekend in Interstate Conference battles against Eastern Michigan and Central Michigan.

Coach Harry Gallatin's young hoopers, riding high in the IIAC saddle before last weekend, took a nasty jolt from Eastern Illinois' giant-killers Friday the 13th, 72-70. The loss was the Salukis' third in nine loop outings, dropping them to third behind Illinois' Normal (7-2 and Western Illinois (6-2).

In earlier games with the northern schools, Southern downed Eastern Michigan, 87-77, and Central, 92-75. Eastern's Hurons, rolling with second semester help from Guards Bill Stephens and Don Green, now are 7-9 for the year and 2-6 in the league, with last weekend's 81-69 win over Central.

With the 70 points against Eastern Illinois, the Salukis set a new team scoring record for one season. In 21 games SIU has scored 1,820 points (87.0 per game) to eclipse the old mark of 1,771 set by the 1955-56 squad. Freshman Charlie Vaughn,

Tamm forward, added new stature to his bid for all-league honors with a 25-point performance against the Panthers to become the school's first 500-point scorer. Vaughn now has 504 points for a 24.0 average.

Captain Soymore Bryson, senior center from Quincy, strengthened his grip on second in scoring with an 18-point spurge to run his total to 415 points—highest season output in his four years with the Salukis. He now is averaging 19.8 points per game.

After this week's games, Southern will have two contests remaining, one in the IIAC. On Feb. 23 the Salukis travel to Illinois Wesleyan, and Feb. 28 they close the season against conference foe Northern Illinois at Carbondale.

Total for 21 games:

Cage Title At Stake

Normal, Western Clash

Normal—The Illinois State Normal Redbirds meet defending conference champion Western Illinois here Saturday in a showdown battle for the IIAC lead and possible the conference championship.

Coach Jim Collie's men counted 100-72 and 104-82 victories over Northern and Eastern Illinois here Friday and Saturday nights to run their season's record to 16-4 and to take over first in the IIAC conference with a 7-2 mark.

Close Season
Western Illinois, with 6-2 had a league game Thursday night at DeKalb against Northern Illinois. Both Illinois Normal and Western close out the IIAC season on Feb. 27 and 28 with a trip to Central and Eastern Michigan.

Normal has continued to rely on team balance and defense to equal position as one of the top quint in state college circles. The recent improved play of senior center-forward Ed Koch,

and the addition of 6-7 Ron English of Detroit to the squad at the semester have been key factors in the recent redbird picture. English scored 70 points and grabbed 43 rebounds in his first four games for Collie, while Koch is the team's top rebounder of the season with an average of 10.2 per game.

Six In Doubt Figures

Normal has six men averaging in double figures. Dave Schertz is the top scorer with 293 points and a 15.4 average. Rex Parker is second with 141. Ness are Buzz Shaw 14, Ed Kich 12 and Jerry Odell with 10.5. Ron English is averaging 17.5 points in the four games he has played.

In 1957, North Carolina defeated Kansas 54-53 in three overtimes for the NCAA basketball title. This was the first national cage title ever won by North Carolina.

Eastern

'Wouldn't Wrestle'

"Eastern just wouldn't wrestle us," explained Saluki Coach Jim Wilkinson in regard to Southern's 31-3 victory over the Panthers of Eastern Illinois University in Men's Gym Saturday night. "Their team was cautious and inexperienced," the coach remarked.

What did Wilkinson have to say about Larry Simpson's 4-3 loss to Warner Semetis? "A wrestler doesn't get in shape when he isn't wrestling regularly. The boy just ran out of gas. One must take into consideration that Simpson has been hurt since almost the beginning of the year. I think Simpson would win if the two meet again sometime."

Simpson also believes that he would beat Semetis in another match.

Got Weak

"I got weak in the stomach after my first takedown and never received any support from my stomach muscles from then on," the freshman grappler replied.

"Semetis gave me a real good match and kept me going. He was the better wrestler in that bout, but I would beat him in another match," Simpson added.

"Missing last week's bout caused us to lose conditioning," was Rich Irvin's opinion. Irvin won by a 3-0 county in the 123 pound class. (Southern's meet with Eastern Michigan scheduled for last weekend was postponed until March 5.)

Ray Caruso, who had not wrestled in a meet since the Illinois Tourney on December 6, made this comment:

'Have Improved'

"I feel that I have improved since my last outing. My speed and timing are both better. I have lost sixteen pounds, including nine this week. Franz (es-

Five Grapplers Defend Individual Titles As Unbeaten Salukis Go For 4th Crown

Five SIU wrestlers will defend championships this weekend when the unbeaten Salukis try for the fourth straight Wheaton College Invitational crown.

Defending titles will be Co-captain Lee Grubbs, senior from Overland, Mo.; Co-captain Harveyman Ayres, junior from Harvey, Jim Bledsoe, Granite City sophomore; Deke Edwards, sophomore from New Hartford, Mo., and Marion Rushing, Pinckneyville senior.

Heavyweight Rushing is the top scorer from Coach Jim Wilkinson this season with an 8-0 record. Grubbs, 147-pounds, is a three-time Wheaton finalist and has a 6-0-1 record. Edwards, 137 is 4-1; Ayres, 157, is 4-1 and Bledsoe, 130, is 3-1. Bledsoe is nursing a pinched nerve suffered in the Indiana bout, but is expected to be available for duty.

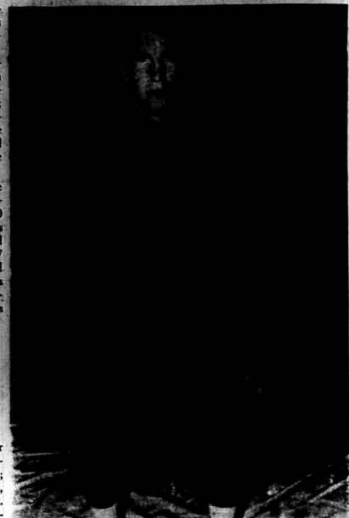

Wilkinson's point crew has posted an 8-0 mark this season to stretch its dual meet win streak to 21 straight over the past three seasons. The last time the Salukis were beaten was Feb. 8, 1957, when Indiana won 18-9.

Southern victors of this year have come from Central Michigan, 25-8; Illinois Normal, 23-9; Wisconsin, 23-9; Northwestern, 23-3; Ritenour YMCA of St. Louis, 27-3; Illinois, 24-4; Indiana, 18-13, and Eastern Illinois, 31-3. Southern also won the Illinois Invitational.

Two other Salukis, undefeated this season, who will be shooting for Wheaton titles are Dick Frankenberger, junior 137-pounder from St. Louis and Rich Irvin, 123-pound sophomore from Carbondale, both with a 7-0 mark.

Following the tournament, Southern will tackle powerful Northern Illinois Feb. 28 in a dual meet at DeKalb. Northern, 11-1 this year, defeated SIU for the Interstate Conference Championship last year.

Assistant coach) has been really working us. The whole team has been pushed hard." Herman Ayres discussed Eastern's nonaggressive defenses.

UNDEFEATED

Marion Rushing, SIU's brilliant heavyweight, will defend his 191 - pound wrestling title this weekend at the Wheaton tourney. Rushing, a senior from Pinckneyville, is undefeated this season with eight straight victories.

Tennis Tourney At Eastern Ill.

Eastern Illinois University will host the eight annual National Association of Intercollegiate Athletics tennis championships.

Play will be held on Eastern's 17 multicolor courts, considered to be among the best in the country.

Two Top Sports Figures Headline '59 Sports Clinic'

Two of the nation's outstanding sports figures will headline Southern Illinois University's 1959 spring sports clinic.

Jesse Owens, former Ohio State and Olympic track champion and Fred Lindstrom, ex-New York Giant third baseman, will discuss their specialties at a one-day meeting April 3, according to Dr. Andrew Vaughn, SIU athletic clinic director.

Owens, who led the United States team in the 1936 Olympics, is now a member of the Illinois Youth Commission. Lindstrom has been baseball coach at Northwestern University since 1949, leading the Wildcats to the Big 10 championship in 1957.

Win Streak At Six

Gymnasts Meet Eastern Illinois Today, Test 'Fightin' Illini' Again Tomorrow

The Saluki gymnasts, riding high on a six meet winning streak, face weak Eastern Illinois this afternoon at 3:30 in a warm-up for a meet against the Illini tomorrow at Champaign.

The Salukis have shown tremendous power in the past several weeks and have literally mauld every opponent since the five-point loss to NCAA champ Illinois, on Jan. 27. This afternoon should be no exception. According to reports, Bill Mead-

plans to use most of his competitors in events other than their specialty.

Last weekend against Illinois Normal and Central Michigan the Salukis had trouble hitting and still knocked off the visiting squads by 103-25 and 100-28 counts. The week previous, the boys from Southern pounded defending IIAC champ Western Illinois, 101-28.

The Salukis will be attempt-

ing to do the impossible tomorrow at Champaign, beat Illinois. Three weeks ago in the Men's Gym, SIU came as close as anyone as they fell to the Illini by only five points 68 1/2-63 1/2. Illinois is co-defending national champ and defending Big Ten champs. In fact, they have won the Big Ten title for the past two years.

Students will be admitted to the match this afternoon free of charge. Activity cards will be required.

Can blind sunfish find their way back to the home range in a stream as well as those with full vision?

The experiments conducted with longear sunfish and their relatives by Dr. Gerald E. Gunning of the zoology department at Indiana University last summer showed almost identical results. Dr. Gunning, who spoke at a zoology seminar, explained he used an electric "shocker" to obtain the fish in Richland Creek, which is located about fifteen miles from Bloomington, Indiana.

He returned these fish to the creek at a point several hundred feet out of the 100-200 foot home range. Here are the results on vision which Gunning obtained: LENS REMOVAL: 114 treated; 41 recaptured; and 31 out of the 41 were back in the home range for an average of 76 percent.

FISH WITH FULL VISION: 109 taken; 35 recaptured.

Four Indec Pm Teams In Race

By Bill Christie

It's now a four-horse race for the second-half championship in the Independent Students Bowling League. The contestants in the running with four rounds of play remaining are slumped-riding Newman Club No. 2 and the Bird Dogs, and the fast-changing 49ers and Doyle Dorn No. 2 leglers.

Both Doyle No. 2 and the 49ers pulled to within three points of the lead last Monday night at the Congress Lanex. Doyle Dorn No. 2 handed the 49ers a 4-0 spanking, while the 49ers blanked Doyle Dorn No. 1 by the same margin.

In the meantime, the Ions threw a monkeywrench into Newman No. 2's title plans by taking a 3-1 decision, and the Bird Dogs were held to a 2-2 tieup by the Air Force ROTC.

Newman No. 2, which won the first-half crown, holds a one-point edge over the Bird Dogs now, and the 49ers and Doyle Dorn No. 2 are in a tie for third place, three points back. Actually, the Doyle No. 2 outfit is in better shape than the 49ers. Doyle already has had its bye, the three other contenders haven't, and that means that the Deacons will play three more games than any of the other frontrunners from here on out.

The 49ers get their bye this Monday night. Newman No. 2 will be paired with the last-place Atoms on alleys 7 and 8; the Bird Dogs meet Newman No. 1 on 1 and 2; Doyle No. 2 faces the Air Force on 3 and 4, and the Ions tackle Doyle No. 1. All four Congress matches start at 9:15 o'clock.

Newman Club No. 2, titlist for the past two seasons, shot its lowest series of the second half in bowling to the Ions. Three Newman — Jim Oetle (510) Guy Cronin (509) and Dave Boudreau (503)—broke into the 500 circle, but a Doyle hand-cap advantage of 122 pins per game was too much to overcome when the other two Newman rollers fell far below their averages.

One Of The Best Outstanding Lee Grubbs Has Compiled 80 Wins

One of the most enviable college wrestling records in the Midwest is being compiled by Southern Illinois University senior.

Lee Grubbs, SIU co-captain and three-time Interscholastic champion, has conquered 80 of 85 opponents he has faced, losing four and tying one. The 21-year-old Overland, Mo., lightweight has not been beaten since his freshman year when he lost two bouts in successive meets.

Since then, he has maintained an almost spotless dual meet record of 26 wins and one tie. His other two losses came in the NCAA finals, both to Big Ten champions.

It is by far the outstanding record I've coached," Saluki Coach Jim Wilkinson praised. "It's impossible to say enough about Lee."

During his career at Southern, beginning in 1952, Grubbs has captured 11 championships in three weight divisions. He has won the IAC 130, 137, and 147-pound titles; the Illinois Johnny Crawford was high for the Ions with 445.

Jack Ludwig's 497 series, 471 by Bill Grissom and John Brown's 467 sparked the Air Force against the Bird Dogs, which held a 2501-2478 edge in total pinfall but won only one of three games. Gene Bass hit 510 for the Dogs and Jerry Schaller dipped in with a 475. Bass had a 202 opener in his three losses.

Dave Rietor continued to do a good job for the 49ers by posting a 199 single and a 510 total. Bill Rea added a 468 for the winners.

Tournament 147-pound crown twice; the Wheaton Invitational 147-pound championship three times; two titles at the Ozark AAU and one at the Central AAU.

Last year he scored four points for SIU in the NCAA meet before being dethroned 6-2 in the second round by Gene Luttrell, Big Ten 137-pound champ from Iowa.

This season Grubbs has won six dual meets and tied one as he has paced the Salukis, unbeaten in their last 21 dual meets, to an 8-0 mark. The tie, first of his career, was with Nick Patrakia of Indiana, fourth place finisher in last season's NCAA tournament. Grubbs has won four bouts at the Illinois tourney to win the 147-pound title.

Grubbs began his wrestling career in 1951 at Ritener High School in St. Louis. "I had to be a wrestler," Lee admitted, "or continue to get squashed by my brother, Jack, who was a top wrestler for Ritener. (Jack Grubbs is now coach and top-flight competitor for the Ritener YMCA team.)

In his four years for Coach John Moore, whose Ritener High team has won Missouri state high school wrestling championships for the last 11 years, Lee Grubbs won 80 and lost two. He took third place in the state at 112-pounds his sophomore year in 1952, and was Missouri state runner-up in his junior and senior years.

Grubbs and the Salukis will seek their third Wheaton crown this weekend. Dual meets with Northern Illinois, defending IAC champs, Feb. 28 and Eastern Michigan Mar. 5 remain before the league tourney Mar. 6-7 at Carbondale.

Grubbs is the son of Mr. and Mrs. Willard Grubbs, 2204 Burns, Overland.

Last season Illinois Normal and Northern Illinois participated in the Illinois division of the NCAA tournament.

Idle Warriors Move to First In IM League

By Charles Bundy

A Tuesday night intramural cage loss by the longer leader in Men's Residence League No. 1 enabled the Brown Warriors to lurch onto the top spot in that division.

Dovdell 3, who had been on top with a 6-0 record, dropped into second place by losing to Fell's Hall 3rd Place, 49-31. Brown Warriors have a 7-1 mark.

Kirby Lindsey had 12 points, John Hellala had 10 for Fell's Hall, as they strengthened their hold on third place in the league. Jack Schrand scored 18 for Dovdell.

KAP Wins
Also Tuesday night, Kappa Alpha Psi "B" edged Sigma Tau Gamma "C", 35-33; Sigma Tau Gamma pounded Delta Chi, 67-27; Peyton Place beat Spaulds, 40-25; Kappa Alpha Psi defeated Phi Kappa Tau, 61-47; Troopers nabbed Bookleggers, 60-50; and Tau Kappa Epsilon forfeited to Theta Xi.

Sig Tau "C" filed a protest after Kappa Alpha Psi "B" was declared the winner of their Fraternity League "B" division clash. The protest dealt with whether a last minute basket by Sig Tau was counted or not. The outcome is awaiting a decision by the Intramural Board.

Dropouts
The Sig Tau loss go unchanged, it would drop them into a tie for first place with their brother team, Sig Tau "B".

The Sig Tau team in the Fraternity League "A" division moved to within striking distance of Sigma Psi, the loop leaders, with their win over Delta Chi. Tony Massa, 16 points, and Tom Hellala, 15 points, led Sig Tau scoring. Roscoe Thompson had 12 for Delta Chi.

Kappa Alpha Psi also has a chance to overtake the leaders. Their victory over Phi Kappa Tau moved them into a tie with Sig Tau for second. Kappa Alpha Psi and Sig Tau are 5-1 for the season, and Sig Psi is 6-0.

Troopers Walk In
Troopers stayed right on the heels of U.D. King Farouks in Off-Campus League No. 2 by besting Bookleggers. Farouks are in first place with a 6-1 mark, and Troopers have a 5-1 record. Wally Draper led the scoring attack for the Troopers, with 18 points.

Four Off-Campus League games were scheduled for Monday night, but two of them went on the records as double forfeits because neither team showed up. The Moose-Brandon Bomber and Eldorado-Trojan games were forfeited.

In the other two games, Seagraves "75" nipped Tellos's Teriors, 59-49, and Mess Off's downed Floorwalkers, 70-42.

Structure of the College Division Basketball Championship was inaugurated in March of 1957. The division closely parallels that of the established University Division Tournament.

WINNINGEST SALUKI Lee Grubbs, SIU wrestling co-captain will put a four-year 80-4-1 record on the line this weekend at the Wheaton Invitational Tournament. Grubbs

Free Throw Shooter?

If you would like a chance to prove your "birds-eye" accuracy in a free throw lane, here is your opportunity.

Each year, the intramural department holds a free throw tournament. If you would like to enter, call or leave your name at the intramural office sometime before the first of March. The tournament will begin sometime in the early part of March, depending upon when the intramural basketball tournament is completed.

DELTA ZETA HOLDS TOP HAT PARTY

Delta Zeta society's "Top Hat" open house, held Sunday, proved successful. In keeping with the theme, the doorway was decorated to imitate a night club entrance, punch was served in martini glasses and cigarette girls passed out free matches.

Carolyn Absher and Jay Barry are on the Pan Hellenic Week shop steering committee. Carolyn Bradley is on the committee for the Pan-Hellenic supper. Pat Royer is co-chairman of Greek Sing, and Judy Engstrom and Judy Whitecotton are also working on Greek Week committees.

Pat Chester, Marion, is the Delta Zeta candidate for Miss Southern Acres. Bea Eston was a guest speaker at the chapter assembly Monday night.

SIGMA TAU GAMMA VISITS SPONSORS

Mr. and Mrs. William E. O'Brien, faculty sponsors for Sigma Tau Gamma fraternity, held an open house last Sunday afternoon for members of the fraternity and the new faculty advisors. New advisors are Dr. Gunther Rothenberg, history department, and Dr. Clarence W. Stephens, budget director.

An exchange ice skating party

was held with Sigma Sigma Sig. ma sorority last Sunday.

The chapter is traveling to the University of Illinois this weekend to take part in a state-chapter Sig Tau basketball tournament.

Janice Wilson, Tri Sig, is representing the fraternity in the Miss Southern Acres contest.

PHI SIGMA KAPPA INITIATES EIGHT

Eight new members were recently initiated into Phi Sigma Kappa fraternity. New initiates are Doug Edmonds, Belvedere; Jon Lyons, Brook, Ind.; Mark Walker, Foolsland; Robert Anderson, Holton, Ind.; John Causey, Granite City; Paul McRoy, Carbondale; Jake Chazanov, Baghdad, Iraq; and Rog Sathoff, Regd. Bud.

Last week a "Playboy" party was held at the Evans. Music was furnished by a combo, and the room was decorated according to the theme. Judy McDonnell, Sigma Sigma Sigma, was chosen Phi Sigma Kappa "Playmate."

Last Monday six men were pledged to the fraternity. They are Sam Cagle, Jim Patterson, Mike Morris, Jerry Rubien, R. B. Stelle, and Michael Anderson.

KAPPA ALPHA PSI PLEDGES HOLD BALL

The Scrollers Club, made up of the pledges of Kappa Alpha Psi fraternity, presents its annual Sweetheart Ball tonight. The dance will be held at 9 p.m., and will feature the music of J. T. Taylor and his Clefs. The dance is public and transportation will be provided. Those desiring rides should call 1980.

Finalists for the title of "Scrollers Sweetheart" are Molly Cross, Marilyn Lanton, Pearlite Little, and Bonnie Lanton. The crowning ceremony will be held at 11 p. m. Brenda Bush, outgoing Scrollers Sweetheart, will officially crown her successor.

Admission to the ball is one dollar for singles and \$1.50 per couple.

CLUB 16 HOLDS SUNDAY PARTY

The residents of Club 16 held a Valentine's Party Sunday night in the Evans. Approximately fifteen attended the date party. Chaperones were Mr. and Mrs. Robert Mohlenbrock and Mrs. Mary Millsbaugh, house-keeper.

Nelle Ann Lyburger was in charge of the program this week.

Movie Hours

Campus Films Offer Variety

Vainety is again the top feature of SIU's movies for this week-end. Showing tonight is "The Romance of Rosy Ridge," tomorrow night's offering is "The Seven Year Itch," and on Sunday moviegoers can see "Ugetsu."

Van Johnson, Thomas Mitchell, and Janet Leigh receive top billing in tonight's movie, to be shown in Furr Auditorium. Set in the post-Civil War period, the story concerns a Missouri town divided by the war, and the friction which results when Johnson, a traveling school teacher, arrives in the community.

"The Romance of Rosy Ridge," a benefit for the Carbondale Kiwanis Club, will be shown at 6:30 and 8:30 p.m.

Tomorrow night at 7 p.m. in Shryock Auditorium, "The Seven Year Itch" overbites Tom Ewell, when his wife of seven years goes on vacation and leaves him to the wiles of a beautiful visitor in the upstairs apartment.

With imagination like Ewell's (he thinks up titles for books) and a neighbor like Marilyn Monroe, anything can happen, to the delight of the audience.

Sunday's movie, a grand prize winner at the Venice Film Festival, will be shown in the Library Auditorium at 2 and 8:30 p.m. "Ugetsu" takes place in sixteenth century Japan and concerns two neighbors, both peasants, who see the opportunity to fulfill their own desires in the confusion of fighting and pillaging by feudal armies.

Each travels to the city; the potter hoping to become rich and the farmer craving military glory. The results of their searches of fer scenes in which harsh reality and mystical imagery blend.

Starring in the film are Machiko Kyo, Masayuki Mochi, and Kinuyo Tanaka. The movie is in Japanese, with English subtitles.

Admission to all three films is 25 cents for students and 40 cents for adults.

Basketball coach Harry Callatin is a 10-year veteran of professional basketball.

Barbara Gill was crowned 1959 Sweetheart Queen.

SET FOR SPRING

Sherry Souley models the latest in spring sportswear for members of the audience at the annual Bowyer Hall fashion show held last Friday night.

In the background is Pat Held.

Style Show Sets Spring Fashions

Spring made an early appearance last Friday night as Bowyer Hall models donned their geyr apparel in the annual all-dorm fashion show at Lentz Hall. The show, which highlighted the latest spring fashions, was centered around a Cinderella theme.

The college version of the fairy-tale heroine, played by Suzie Miller, was sad because she could not attract boys. With the help of her fiery godmother, portrayed by Pat Held, Cinderella found her way to happiness through the purchase of a new spring wardrobe.

Displaying the latest styles were Karen Wernsing, Cecelia Norris, Sylvia Gebelien, Lynn Adams, Sherry Souley, Bonnie Turner, Beverly Coleman, Anita Anglin, Joan Pratte, and Sue Smith. Ann Turner, Bowyer president, narrated the program.

Guests for the evening included President and Mrs. Delyte W. Morris, Mr. and Mrs. Robert Pinkerton, Emma Bowyer, Elizabeth Mullins, and Audrey Kay.

NEWMAN CLUB PLANS FOR SPRING DANCE

The executive committee of the Newman Club, Catholic student group, has cleared April 17 as the date for the club's Spring Dance, which will be open to all students on campus.

Stan Chesnik has been appointed general chairman of the event. Assisting him on committees will be Mary Westhaus, co-chairman; Ben Ceyl, decorations; Mary Theresa Lackay, publicity; Karen Schneider, posters; Rita Westhaus, refreshments; David Butler, parking; David Mueh, ticket sales; and Raymond Vollet, entertainment.

SIELSCHOTT NAMED YWA SWEETHEART

Bill Sielschott, SIU education major, was chosen "Sweetheart" of the Young Women's Auxiliary organization last week. The YWA group is a part of the Southern Baptist Convention program.

Sielschott was named winner

of the Sweetheart contest at a party held at the Baptist Foundation Monday night. He was presented with a book as a token of his election. The other two finalists, Bob Seymour and Bob Parks, were awarded citations.

Entertainment included mixers and vocal solos by Gene Hiner. Barbara Gill was in charge of the entertainment.

Dr. James M. Baldwin, secretary of evangelism in Illinois' Southern Baptist Convention, spoke on "How to Get a Sweetheart and Hold One."

KENNERLY IN CHARGE OF SCF SERVICES

Jay M. Kennerly, SIU student, will be in charge of Student Christian Foundation Lenten services next Wednesday. Kennerly will continue a series of study on the Sermon on the Mount for the weekly services.

Lenten services, held in the foundation each Wednesday at 8 p. m., are in charge of a different student each week. These services will conclude with a
