Finally.
 The word will be silently ringing in the heads of 3,861 undergraduate, graduate and professional SIUC students as they don their graduation caps and gowns this weekend.

The years they invested into their education will be worth it when the new graduates march in front of their proud friends and family members to get the coveted diploma — a prized piece of paper with a seal.

But the diploma is more than a piece of paper to hang in an office or above a fireplace mantle. The parchment will serve as a lifelong reminder of a rite of passage that was successfully completed.

That rite of passage — college life — entails many experiences the graduates will be leaving behind forever.

For many, the diploma will represent years of all-night study sessions and lengthy term papers. For the graduate students, the diploma will represent the even lengthier thesis projects.

And for others, the diploma will be a constant reminder of an undesirable roommate they endured during their time at SIUC.

Hopefully, though, the good memories will outweigh the trials of college life, a fun but fleeting four-year whirlwind that sends fresh-faced graduates into the working world.

For better or worse, it's time to move on from SIUC to the next goal, to the next stage of life.

Finally.

Candidates for Degrees

The following lists contain the names of candidates for degrees, the granting of which is contingent upon successful completion of all requirements for the degree.

An asterisk (*) to the right of the name indicates membership in the University Honors program (undergraduate students only).

A double asterisk (**) to the right of the name indicates the person is a candidate for multiple degrees.

University Academic Honors listed to the right of the name are as follows for undergraduate students:

cum laude 3.500-3.749
magna cum laude 3.750-3.899
summa cum laude 3.900-4.000

The grade point averages above apply firstly to all work taken at Southern Illinois University Carbondale and in the case of transfer students then to the total work as an additional, but secondary qualification.

Acquire both CFIA & I Licenses in only 30 days

... for only \$2495⁰⁰!

American Flyers' graduates nearly 20% of the new instructors in the United States each year. You'll be trained as both FAA Airplane and Instrument Instructor within 30 days, but most important you'll be qualified to teach day one after completion. Your confidence will be further enhanced because of the constant emphasis on practice teaching throughout your classroom and flight training. Simply the best program and value offered anywhere.

Our academy training concept is adopted from the USAF's world renowned educational system where small groups, "flights", of up to fifteen people work together to achieve their goals. The benefits are huge, the camaraderie great. There is not a faster, higher quality educational program in existence. We graduate more instructors than anyone but what's most important is not what we've done for others, but what we can do for you. Personal attention. Quality education. Proven results.

You'll always be a part of our community.

The people of Carbondale wish the best for our graduates and thank all students and parents for choosing Southern Illinois University and Carbondale.

Whether you're a proud graduate and a newly minted alumnus or a continuing student, Carbondale will always welcome you with open arms. Your time spent here doesn't have to end with the tossing of the cap. Please think of us in your future... we will be thinking of you.

Saluki Pride. Community Pride.
