Southern Players Extend Deadline For One-Act Play Contest To May 1

The deadline for entries in the one-act play contest sponsored by the Southern Players has been extended from April 15 to May 1.

This is the first year for the play contest, which the Southern Players, the student organization of the SIU Theater Department, plans to make an annual affair. Any student of the University on

the Carbondale or Edwardsville campus is eligible to enter.

All play scripts should be submitted to Paul Brady, the Southern Playhouse, Room 102, Theater Department. A first prize of \$25 is offered and a second prize of \$15.

The script winning first prize will receive a modified production in the Southern

Players Original First-Nighters program. Awards will be announced and presented at the Southern Players annual banquet May 26.

Scripts to be entered should not exceed 35 pages in length. Other information regarding the form of entries can be obtained from the Theater Department.

Fenwick Tells Council Athletes' Complaints

Students Get 2 Hour Study Block In Fall

A new Sectioning Center policy effective for fall quarter registration permits students to ask for a two-hour block of time free from classes either in the morning or afternoon.

Marion B. Treece, supervisor of sectioning, said the request will be honored if class meeting times permit it, and if it does not create a conflict with other sectioning policies.

The new policy was instituted after requests from the Student Government Office to allow students to avoid having classes on alternate hours throughout the day, with no more than one hour free hour between classes.

One hour does not give students adequate time to get to a location for study and get organized for study between classes, officials said, and it is hopeful a two-hour time block will benefit the students.

However, Treece said when this privilege creates serious discrepancies in the levels of registration (number registered for various sections) in multiple-section courses it may be suspended during the duration of that quarter's registration period by the Sectioning Center.

Suspension of the time-block request privilege will be publicized if, and when, it should become necessary. Details of the new policy will be made available to students by the Sectioning Center if requested.

I assure you officer - the parking sticker is real

Rain-Soaked SIU Baseball Team Wins Double-Header From St. Joe

Despite a chilling drizzle that chased away much of the crowd and caused the players to huddle together to keep warm, yesterday's double-header went on as scheduled with the Salukis defeating St. Joseph's College in both games.

Jim Long's single scored Ron Landreth from second base in the third inning with what proved to be the winning run for the Salukis first game 2-1 victory over St. Joseph's College.

Gene Vincent, SIU freshman pitcher from Rockport, Ind., made the one run lead stand up as he struck out 12 Indiana hitters. He walked four men in the seven inning game.

Both Long and Landreth collected two hits each in the first game victory.

Vincent was in trouble only once. In the sixth inning St. Joe's loaded the bases with two men out but failed to tie the score.

Kenneth Kudla grounded out to end the inning for St. Joe's.

Ken Dockus had hit a single earlier in the inning and when the ball got by Saluki left

fielder Dave Harris he went on in to score. But the base umpire ruled he had failed to touch second base nullifying the tying run.

The Salukis scored their first run on Jerry Qualls home run in the second inning which tied the score at 1-1. Qualls hit a routine single to right field but the ball bounced past the outfielder permitting Qualls to score.

St. Joe's scored its only run of the game in the first inning.

SIU held a 5-0 lead after four innings of the second game. Jim Long put the Salukis on top 3-0 with a home run in the first inning with two teammates on base.

Southern added two runs in the third inning on Dave Harris' double to left field which scored Long from first base. Then Harris scored on Mike Pratte's single.

John Hotz was pitching for the Salukis and had limited the visiting team to only two hits through four innings.

Tom Carroll led off the third inning for St. Joseph's with a triple but was left stranded.

Library Gets 19th Century Periodicals

A gift of several thousand bound volumes of periodicals were recently given to Morris Library by the public library in Cairo, Ill., according to Ralph McCoy, director of libraries.

The bulk of the volumes have been sent to the Edwardsville library, while the smaller volumes will be used to fill in gaps in Morris Library.

The Cairo library, one of the oldest in the state, made the gift in order to make room for remodeling its library.

Among the 18 periodicals received are: "The Bookman," "Independent," "Literary Digest," "Century," "Outlook," and "Living Age."

"Some of the files go back to the middle of the 19th century," McCoy said.

Two Councilmen Walk Out; Want Charges Documented

Complaints involving alleged mistreatment of SIU athletes were finally brought out at a special session of the Student Council Tuesday night. But two members walked out, forcing the meeting to a close before any action could be taken.

Junior Class President Gerry Howe and Commuters Senator Bob Gray left after expressing the opinion that no action should be considered until athletes turned in signed statements that they had been mistreated.

Student President Bill Fenwick summarized the complaints but refused to reveal names and specific details at

an open meeting. He urged the Council, however, to investigate the matter.

The complaints, according to Fenwick, include:

1. An athlete said he had not received the full amount of money due him from the work program.

2. An athlete said he was promised a scholarship when recruited, however when he arrived at SIU, he was told instead that he would have to join the work program to earn his keep.

3. An athlete complained that coaches had threatened to revoke his scholarship if he did not produce on the field.

4. An athlete complained that his team was not fed regular meals on trips back from games played long distances from campus.

Fenwick said a total of five athletes had made the complaints. He added that the Athletic Department is well aware of who they are.

A number of Council members, including Wendell O'Neal, Jeffery Barlow and Ron Hunt, said they felt the Council should conduct an investigation into the matter.

Howe objected to an investigation and called for more documentation from Fenwick.

Council Advisor George Axteffe told the Council that "There's a lot of detail here that would require investigation. We want both the people and their statements."

Howe disagreed. He said, "We shouldn't invite them to supply signed statements. If they're so hot about it, they'll do it on their own."

Gus Bode...

Gus says it is a good thing the campus cops came along when they did or somebody would be sunburned in some awfully funny places.

'Superficial Thinking' Topic Of Today's Convocation Speaker

Claude Coleman, director of Plan "A" and professor of English, will be the speaker for today's convocations.

His topic at the 10 a.m. and 1 p.m. programs will be "On Being Superficial."

Coleman's speech will deal with the problems of specialization in our society by the "splendid splinters" and the needs of "superficial thinking."

Coleman received his bachelor's degree from the University of Illinois; his master's from the University of Wisconsin. He obtained his doctorate from the University of Illinois.

He first taught at Sul Ross State College in Alpine, Texas, from 1936 to 1946.

CLAUDE COLEMAN

Cellist To Be Soloist With Symphony Tuesday

Peter Spurbeck of the Music Department faculty will appear as the guest soloist with the Southern Illinois Symphony in the orchestra's third concert of the season at 8 p.m. Tuesday, in Shryock Auditorium.

Spurbeck, a violincellist, joined the faculty in the fall of 1962. He received his B.M. and M.M. from Indiana University and has appeared as 'cellist soloist with the Indiana University Philharmonic, the Potsdam (N.Y.) State University Orchestra, and the Northern Illinois Symphony.

In the April 16 concert, Spurbeck will play Dvorak's "Concerto for Violin-cello and Orchestra," op. 104.

The orchestra, conducted by Warran van Bronkhorst, will open the program with the "Good Friday Music" from Wagner's "Parsifal."

The second selection, conducted by Maurice Coats, will be "The Walk to the Paradise Garden" by Frederick Delius.

FLYING TROPHIES - Here are some of the trophies that will be awarded to winners at the National Intercollegiate Flying meet which will be held here April 25, 26 and 27. Representatives from some 25 colleges and universities will take part in the meet at the Southern Illinois airport.

Twenty-Five Schools To Compete In National Flying Meet Here

"Things look good for our air meet," according to Donald Langda, vice president of the Saluki Flying Club. "Twenty-five schools are coming," he said.

The flying club has planned

to entertain from 200 to 250 college fliers from the 25 schools across the country who are members of the National Intercollegiate Flying Association.

Trophies and financing, plans for a banquet and a dance, all has been made ready for the air meet and conference on April 25, 26 and 27.

The competition includes power-on spot landing, power-off spot landing and a bomb drop or short cross-country navigation event. In addition, there will be demonstrations by state police, forestry control and crop dusting planes and helicopters.

Ray O. Mertes, director of school and college service of United Air Lines, will be master of ceremonies at the meet.

United Air Lines will present a trophy and fly in 200 orchids for the ladies at the Saturday night banquet. Other

commercial concerns offering trophies include Cessna Aircraft, Beech Aircraft, Bendix Corp., and American Airlines.

A new trophy has been added to those given during the past 15 years of the annual meet. The N.I.F.A. club making the most progress during the past year, according to the judges, will receive the special trophy from American.

The host Saluki club feels it has everything under control but the weather, which, according to calculations, should be good if the 10 year average for those dates holds for 1963.

April 25, 26 and 27 since 1953 have been clear, a light rain fell only once, the average temperatures have been between 80 and 85 degrees and the wind has been an average five mile an hour/SW breeze. At the SIU airport, this is right down the runway.

April 25 Is Last Chance To File For Civil Service Exam

Opportunities to take the Federal Civil Service Entrance Examinations are running out for the current school year.

According to Orland Chacek, manager of the Social Security Office, applications must be filed by April 25, to be eligible for the examination on May 11.

More than 200 students have already taken the Examination which scores them for professional jobs.

Applications may be obtained at the Social Security Office, at the Carbondale Post Office, or by telephoning 457-2136 and asking for one.

No more examinations will be given after May 11, until sometime next fall.

Model Of Technology Building To Be Shown At Convention

A model of the planned new SIU School of Technology building complex will be exhibited at the annual American Industrial Arts Association Convention at Indianapolis to day through Saturday.

The display will consist of a table top model of the buildings joined by a ribbon to a huge aerial view photo of the campus. Information on the SIU industrial education program also will be featured.

Ralph Gallington, chairman of the Industrial Education Department and now on sabbatical leave, is president of the American Council on Industrial Arts Teacher Education division of the association, and will be in charge of a portion of the convention.

John Erickson, acting chairman of the SIU depart-

ment in the absence of Gallington, will serve as chairman of a convention sectional meeting on "Craftmanship in Industrial Arts."

W.J. Wills To Speak To European Alumni

SIU alumni in the Low Countries of Europe will get a first hand report of campus activities on May 17 when Walter J. Wills, chairman of the Agriculture Industries Department, is guest speaker at the SIU Alumni Meeting at Brussels, Belgium.

Wills and his wife sailed from New York yesterday to South Hampton, via the Queen Elizabeth. The sabbatical tour in Europe will last three months.

Wills plans to study agriculture cooperatives, marketing, farm credit, and agricultural education. He expects to arrive back in New York on June 30 from an itinerary which includes England, Scotland, Denmark, Belgium, the Netherlands, Switzerland, and Italy.

Activities Roundup:

Sports Events Crowd Today's Activities

Intramural softball begins today on Thompson Point and Chautauqua Fields. The competition will start to warm up at 4 p.m. and run to 5:30 p.m. every day. Everyone is welcome to get in a game.

Other athletic events include a varsity tennis match with the University of Notre Dame; University Courts starting at 1:30 p.m.

Weight lifting at the Quonset Hut at 7 p.m. and volleyball in the Gymnasium from 8 to 10:30, are on today's calendar.

The Sing and Swing Square Dance Club will have a square dance tonight in the Women's Gym at 7:30 p.m.

The English Department is sponsoring a panel of graduate students on the topic "Hawthorne and the Youth of His Puritan Past." The meeting will be held in the Home Economics Lounge at 7:30 p.m. This will be a meeting of the English Club and is open to all.

The Design Department has cancelled a lecture which was to be given at 8 tonight by Serge Chermayeff.

Members of Alpha Kappa Psi business fraternity are still at the service of students who need help with filling out

income tax forms and to answer questions. They are in Room A of the Center the rest of this week for that purpose.

Jane Crusius Key, soprano, will be presented in a recital at Shryock Auditorium by the Department of Music at 8 p.m.

Zeta Phi Eta, women majors in Speech, will meet in Room B of the Center at 8 p.m.

A Throgmorton lecture will be given by Rev. Ross Coggin in the Baptist Foundation at 7:30 p.m. He will discuss race relations.

The Angelettes have called a rehearsal in Gym 114 at 5 p.m. and the Christian Science Organization will have a meeting in 708 West Mill starting at 6:30 p.m.

The Spring Festival Concessions committee will be meeting bright and early today, 10 a.m. in Room F of the Center and Student Government will have an afternoon session, 2 p.m. to 3 p.m. in Room B.

Cap and Tassel, an organization of high scholarship senior women, will be meeting in Room B of the Center at 9 p.m., and upstairs at the Center in Ballroom A, the regular meeting of the Student Council will be in session starting at 7 p.m.

Discussion And Lecture Today Closes Pan American Festival

The four-day Pan American Festival at SIU draws to a close today with an afternoon round-table discussion and an evening illustrated lecture highlighting the final day's activities.

The round-table discussion will be conducted in Spanish by Latin American students at Southern. It will be held at 2 p.m. today in Morris Library Auditorium.

Topic of the discussion is "Que es lo que significa el panamericanismo?" (What is the meaning of Pan-Americanism?)

Those participating include Enrique Low Murta from Columbia, a graduate student in economics; J. A. LaFontaine from the Dominican Republic, director of SIU's Language Laboratory; Leopoldo Barreto from Venezuela, an engineering student; and Genaro Marin from Panama, who will act as moderator.

A. W. Bork, director of the Latin American Institute at SIU, will present an illustrated lecture at 7:30 p.m. today in Morris Library Auditorium.

His topic will be "Some

Holy Week Celebrations in Latin America." Bork will illustrate his talk with color film, slides and artifacts.

Local Churches Are Offering Special Services

The Christian world celebrates Maundy Thursday today, commemoration of the institution of the Lord's Supper. Several of the local churches have planned special services this evening.

There will be a service of Holy Communion tonight at 7:30 at the First Baptist Church.

The Hopewell Baptist Church will have a special service today at 4 p.m.

At the Western Heights Christian Church, the Rev. Harold Miles, pastor of the First Christian Church, Anna, will give the second in his series of messages. The service begins at 7:30 p.m.

The Rev. W. John Harris, pastor of St. Andrew's Episcopal Church, has announced that there will be a Service of Holy Communion at 7 a.m. and a Sung Eucharist at 5:15 p.m. today.

There will be a Service of Holy Communion at the Epiphany Lutheran Church beginning at 7:30 p.m.

A Service of Holy Communion will be observed at First Presbyterian Church at 7:30 p.m.

At the First Methodist Church there will be a Holy Communion Service at 7:30 p.m.

There will be a Service of Holy Communion at the Grace Methodist Church tonight at 7:30.

The Rev. Cletus Hentschel, director of the Newman Center, has announced that the Holy Thursday Mass will be celebrated today at 10 a.m.

LITTLE MAN ON CAMPUS

"I THINK WE'RE TRAINING THE NUMBER ONE TRACK TEAM IN THE NATION, COACH."

Applications Available For Center's Program Board

The activities which center around and emanate from the University Center come from the creative imagination of a body of hard working students, the University Center Programming Board.

It is now time to apply for membership on the Board.

The Board is normally made up of 16 students who have served on Programming Board committees or similar groups in high schools or campus residence halls.

Applications for these committees are available at the Information Desk of the Center. Students are asked to tell why each applicant would like to be a member of the board and what background experience he has.

SIU students are invited to special Holy Week Services tonight and tomorrow night at the Western Heights Christian Church.

Wood Will Be Cut For Two Weeks

Associated Press News Roundup:

Steel Firm Hikes Price, JFK Cancels Rest

NEW YORK

Wheeling Steel Corp. boosted some steel prices Wednesday, and President Kennedy postponed his Florida vacation to study the move.

Wheeling, a relatively small producer among an industry

of giants, ordered the increase exactly a year after Kennedy and the industry became embroiled in a controversy over similar action.

Kennedy was reported watching closely to see whether other companies follow Wheeling.

Wheeling's price increase of \$6 a ton, although only on some products, is identical to the U.S. Steel increase last year which started a round of industry price increase announcements.

Kennedy was reported watching closely to see whether other companies follow Wheeling. A series of behind the scene conferences are presumably taking place.

Market analysts in New York thought the increase might touch off a general advance because of its inflationary implications. Steels led the way in an early upturn of the market after the announcement.

The Wheeling price raise comes while industry and the AFL-CIO United Steelworkers' union are engaged in preliminary labor contract exploration.

CHICAGO

Winners of the 31st annual Sigma Delta Chi awards for distinguished service in journalism announced Wednesday by the professional journalistic society included these of the Press:

Oscar Griffin, editor, Peconic Tex. Independent, general reporting;

Karl E. Meyer, editorial writer, the Washington Post, editorial writing;

Jules Witcover, Advance News Service, Washington, for Washington correspondence;

Nina O. Buchanan:

William J. Woestendiek, editorial director, Newsday, Garden City, N.Y., foreign correspondence;

Cliff De Bear, photographer, Newsday, news photography; Paul F. Conrad, cartoonist, Denver Post, editorial cartoonist;

WASHINGTON

Gen. Lucius Clay, who headed a presidential committee on foreign aid, refused Wednesday to be pinned down in public on how much he thinks the program can be cut back.

Clay told the House Foreign Affairs Committee that his committee was gratified by President Kennedy's reduction of the original \$4.9 billion foreign aid request for the coming year to \$4.5 billion after receiving the Clay committee report.

WASHINGTON

Gov. Nelson Rockefeller yesterday questioned whether the administration is seeking

to appease Khrushchev in Cuba.

Rockefeller, in Washington for meetings with Republican members of Congress, said he found it "very hard to understand" why the United States should support freedom fighters in Viet Nam but restrain refugees from raid on Soviet-dominated Cuba.

BONN, Germany

Chancellor Konrad Adenauer for the first time publicly committed himself Wednesday to retire from office this fall.

Adenauer, 87, said in a television interview that he will tender his resignation in October or November.

VIENTIANE, Laos

International control commissioners met separately with warring Pathet Lao and neutralist commanders on the Plaine des Jarres Wednesday in an attempt to end the hostilities menacing Laos' freedom and neutrality. No fresh shooting was reported.

Alumni Association To Honor Champion Of Teachers' Rights

An indomitable personality who fought for teachers' rights, Nina O. Buchanan, born near the banks of the Wabash, has been named Alumna of the Week by the SIU Alumni Association.

She's a woman who helped **Experimental Film Is Insights Topic**

A special double-screen showing using one projector will be included in a talk on "The Experimental Film" in Sunday's Creative Insights program.

Frank Paine, assistant professor in Film Productions and Printing and Photography, will show several American and European films as examples of types of experimental films in both technique and content.

The weekly series, sponsored by the educational and cultural committee of the student University Center Programming Board, is at 7:30 p.m. in the Gallery Lounge of the Center.

win teacher retirement and tenure, for members of her profession and who related the story of her career in "Tell Tales of a Teachers," a book published last year by Vantage Press, New York.

She dabbled in real estate, served as a delegate to the Democratic Convention in 1920, spoke to the National Education Association in 1921 and that same year was sent to the first Pan-Pacific Education Conference in the Hawaiian Islands by President Warren G. Harding.

Now 88 years old, Miss Buchanan resides in Orlando, Fla.

Born in a farmhouse in Lawrence County, not far from the Wabash River, she was the tenth child of the David Buchanan family. She started teaching at 17 in southeastern Illinois in the oldest rural schoolhouse in the state, a one-room log building with a cannonball stove in the middle of the room.

After three years of teaching, she entered Southern Illi-

nois Normal University, a school of 600. She reports in her book that "college life was most interesting and not too difficult. . . all the teachers were excellent, well prepared, and very understanding with the exception of the mathematics teacher." She received her two-year diploma in 1898.

She then migrated to Seattle, Wash., where she became president of the Seattle Grade Teachers club, chairman of the State Teachers Retirement Committee and president of the National League of Teachers, finally being elected superintendent of schools in King County.

She will be honored on a segment of the SIU News Review at 8 p.m. today over WSIU-TV (Ch. 8).

Death Of Lecturer Cancels Art Program

Death of David R. Campbell, president of the American Craftsmen's Council and director of the Museum of Contemporary Crafts, on March 25 has caused cancellation of one of the important events on the art department calendar at SIU, according to Robert Breland, chairman of the department's lectures committee.

Campbell had accepted an invitation to lecture here May 9 and 10, Breland said.

A number of faculty members of the department had studied or worked with Campbell, he added, so that they feel a personal loss.

Liquor Charges Bring \$75 Fine

Ed Young, an 18-year-old freshman from Jacksonville, has been suspended from the University through the summer quarter following a fine of \$75 by Police Magistrate Robert Schwartz on two charges earlier this week. He was fined \$50 for underage drinking and \$25 for attempted theft of two bottles of liquor from the ABC Liquor Store.

Dental Aptitude Test To Be Given April 26-27

For the first time in its academic history, Southern Illinois University will offer dental aptitude tests to students who are interested in entering dental schools throughout the country.

Such tests will be given here as elsewhere on April 26 and 27. In order to allow processing time, all applications must be received by the Division of Educational Measure-

ments, the American Dental Association, before April 12.

The Counseling and Testing Center on the Carbondale campus said the 1963 aptitude tests were intended for 1964 applicants, but that it is possible for 1963 applicants for this year's test period.

The Counseling and Testing Center suggests interested students get in touch with the professional dental schools of their choice for additional admissions requirements.

General information can be obtained from the SIU Counseling and Testing Center.

Tom Oliver at the testing Center, said this is the first year there has been enough demand to warrant offering these dental aptitude tests. He said, "not only are our existing programs growing but the diversity of our programs is also growing."

Wheelchair Students Like Their Independence

Undoubtedly, a great number of students on this campus have, at one time or another, pondered over the conscience-grawing question of what to do when encountering an unassisted wheelchair student.

What in the way of attention and assistance do wheelchair students expect?

For the most part, handicapped students at SIU expect little or no assistance except in times of dire need.

"I certainly do not expect any special attention from other students," said Kent Kloepping, a senior from Rock City, Ill. "But I will take a push, if I can get one," he added quickly.

Kloepping pointed out that the need for special attention and assistance depends upon the disability of the individual.

"With little exception," said Kloepping, "wheelchair students on this campus feel they should be independent and do not expect people to go out of their way for them."

Kloepping added that the

students at SIU have been exceptionally good to him and many times have gone out of their way to help him or other handicapped students to their destinations.

Jim Greenwood, from Warren, Maine, believes that the students should not feel compelled in any way to go out of their way to assist a wheelchair student.

"Unless the weather is bad, or if I am unable to get up a curb or through a doorway," said Greenwood, "I, and I am sure the majority of disabled students on this campus, do not expect special help and do not depend upon others to cater to us."

Jane Caldwell and a number of other female wheelchair students added that it is up to the individual if he or she wants to give a wheelchair student attention and assistance.

So, "good manners" for non handicapped students, when encountering unassisted handicapped students, solely depends upon the situation and the individual.

EXTRA - Jim Dodd, Alpha Phi Omega service fraternity publicity chairman, practices selling papers in preparation for Old Newsboys Day April 18. Funds raised from selling a special edition of the Daily Egyptian will go to build a campus chapel.

Easter Seminar

"An Anthropologist looks at Easter" is the subject of the Easter Sunday "Highlight Zone" program of the Sunday Seminars series.

Carroll L. Riley, associate professor in anthropology, will speak at 8 p.m. in the Ohio Room of the University Center.

Egg Show And Easter Festival To Be Here This Weekend

A two-day Illinois Egg Show and Easter Festival, featuring competition for awards in seven categories, will be held here Friday and Saturday, according to Scott Hinners, SIU poultry specialist in charge of local arrangements.

The pre-Easter event will be sponsored by the SIU Animal Industries Department in cooperation with the Illinois Department of Agriculture, the Illinois Egg Council and allied poultry industry organizations.

Show entries of at least 18 eggs each will be due by noon Friday to compete for trophies and certificate awards.

A trophy or special award provided by poultry and agricultural firms and organizations will be presented to the best entry in each of the following divisions: junior--boy or girl under 16 years old; youth--boy or girl 16 to 24 years old; producers with laying flocks of less than 1,000 hens; producers with flocks of more than 1,000 laying hens; retail packers; wholesale packers; and an Easter Egg Division (a display with-

out limit on number of eggs).

An all-division Governor's Trophy will go to the highest scoring entry, excluding the Easter Egg Division. Certificates will be presented to the first five places for brown or white eggs in each division.

Egg displays will be open to the public from 8 a.m. to 10 p.m. Friday and from 8 a.m. to 4 p.m. Saturday in the Agriculture Building's Muckelroy Auditorium Arena. Demonstrations on preparing Easter eggs and on measuring egg quality will be given in the Agriculture Building Seminar Room from 2 to 3:30 p.m. Friday and awards will be presented in the arena at 5 p.m. the same day.

Used Print Sale To Be Tuesday

The SIU Photographic Service will have an extra print sale Tuesday from 9 a.m. to 4 p.m. in the Olympic Room in the University Center.

Prints taken of campus groups, sports, activities and individuals will be on sale.

Bus Service To Be Offered For Disabled

The Carbondale Ministerial Association, in cooperation with SIU, is providing bus service to Sunday morning worship for handicapped students.

A bus equipped to transport wheelchairs has been rented from the university. Previously, the Ministerial Association had provided transportation for the handicapped in private cars. The inexperienced had difficulty in folding up the wheelchairs, however, and in two instances the wheelchairs were damaged.

The new service enables the individual to remain in the wheelchair as it is rolled into the vehicle.

The Ministerial Association is paying for the services of the driver and attendant.

Pick up points include Lentz Hall, Woody Hall, the parking lot at Southern Hills, and at VTI.

Handicapped students wishing to take advantage of this service are urged to contact their minister for more information.

Zamier Bavel To Lecture Friday

"A Woman's Club, An Electric Fan, and A Computer" is to be the title of the lecture given by Zamier Bavel at 3 p.m. on Friday in the University School's Studio Theater.

Sponsored by the National Science Foundation and the Mathematics Association of America, the lecture is open to everyone. Bavel, a past member of the Mathematics Department, is now at the University of Illinois.

Bavel will also speak on Thursday at 10 a.m. at Carbondale Community High School.

How to develop and carry on better employee training programs will be the general subject of a four day School for Directors of Railroad Training Programs to be held at SIU May 20 thru 23.

Local News Management

The "news management" controversy being waged by press and government has brought government to the defensive on many points and has emphasized to the press the diligence it must exhibit in order to remain effective as the Fourth Estate.

The press has lumped a number of charges under the term news management, but they have largely been aimed at the withholding of information of concern to Americans. The flames of protest have been fed by comments from the Assistant Secretary of Defense to the effect that government is within its rights in using news as a weapon in the Cold War.

The administration has re-torted, saying that it is only natural for it to attempt to withhold information dangerous to national security or that would bring criticism to the operation of the government.

Although there have been instances where the government may have twisted some-

what the information given to reporters, the outright lie has not become common procedure. But press charges in this area have a definite injustice in mind, and the battle may not have been fought in vain if it causes the press to become more alert for the lie and more exhaustive in its efforts, and if it causes government officials to be more conscious of the temptation to twist facts and make extra effort to avoid distortion.

Lying cannot be condoned, and public officials must be encouraged to reduce the amount of information it classifies as vital to security, for in many instances, the term security is being stretched. Public officials must also realize that as public officials they can expect criticism to come their way.

The local scene provides an example of the national controversy. The Housing Office announced this week that a revision of off-campus housing regulations is nearing completion and that proposals

will be submitted to the SIU Board of Trustees this month. But responsible personnel have been asked not to release the proposed revisions. This request fits the term news management as it has been used on the national level to indicate withholding information.

Facts have not been distorted nor has news been used as a weapon on this campus, but proposed changes in conditions of direct concern to SIU students are being withheld until they are approved and become fact.

A hypothetical parallel can be drawn to the situation at Southern. If the state legislature were to introduce a bill and refuse to tell the public what it provided for and how it affected the people until it was law, the people would protest loudly. It would be autocratic. Can it be called any different on the college campus?

Polish For A Problem

Second In A Series:

In the midst of an astounding growth in enrollment, SIU's Advisement and Sectioning Center is like a child sitting in the dentist's chair, fretting at his own growing pains.

He has some teeth that need to be pulled, some that need only to be filled, and a few that merely need to be cleaned and polished. But with proper care now, there will be a place for his wisdom teeth to grow in the future.

"Growing pains" are the explanation for many of Southern's problems, and the Advisement and Sectioning Center is perhaps the greatest sufferer of these twinges of expansion. But what can be done?

To begin with, there must

be better facilities. Each day more than 150 students are advised and sectioned, and are often strung in seemingly endless lines through the small cramped rooms and cubby holes of the old yellow house that is home to the center.

A varied number of advisors see students, in some cases as often as every five minutes. We need more advisors, and larger, more efficiently organized quarters in which they may work.

The mechanics of sectioning itself are often slow and inefficient. The greater portion of this inefficiency could be eliminated if there were more workers in sectioning and more room in which to work. The handful of workers under present conditions are

crowded into a small area where tension mounts and mistakes are inevitable.

Perhaps the greatest need for overhaul lies in the advisement department. Many students are advised by a different person each term--often a person who is inadequately informed of the student's needs. Advisors are often held to schedules too tight to allow each student the time that is necessary to answer his questions and plan his program. A new advisement plan, as well as discussion of other related problems will appear in following numbers of this series.

Next: A Plan Toward Better Advisement.

Coast Vote Tests Race Ban

LOS ANGELES—Out here, everybody is talking about a referendum in Berkeley on an ordinance to outlaw racial discrimination in housing. For weeks the lines have been drawn, and the prospect is that the outcome in the seat of the parent campus of the University of California will induce tests elsewhere.

Berkeley, situated on San Francisco bay, has a population of approximately 112,000. Just a fifth of these—nearly 22,000—are Negroes who are jammed into two relatively small areas. They comprise a racial ghetto that daily becomes more crowded.

This discrimination has not gone unnoticed on the California campus which has some 24,000 students, a large number of whom are visitors from overseas whose skins are brown, yellow, or black. Nor has it gone unnoticed by the Berkeley city council, which was moved to pass ordinance No. 3915. This forbids the use of race as a basis for housing anywhere in the city.

6-Month Jail Term, \$500 Fine

Not only that, the ordinance provides that anyone who engages in racial discrimination in housing is guilty of a crime that may be punished by six months in jail and a \$500 fine. More than 10,000 residents of Berkeley signed petitions calling for a popular vote on

the issue. This took the question out of the hands of the city council and put it on a special election ballot.

Gov. Pat Brown says that discrimination in housing stands out as one of California's "most visible social problems." Speaker Jesse M. Unruh (D., Los Angeles), one of the most liberal voices in the state, drafted the anti-discrimination law which spurred this action at the local level.

The University of California provided much of the leadership for the anti-discrimination ordinance. The co-chairman of the campaign is a Nobel prize winner, Dr. Owen Chamberlain, distinguished physicist.

Retiring Mayor Opposed

Others were just as strongly opposed. The retiring mayor, Claude Hutchinson, former vice president of the university, is against it, as is the Berkeley Real Estate exchange.

The University of California law requires owners listing rental properties for students to sign a pledge of nondiscrimination. Up to a few days ago more than a third of the landlords had refused to sign. The University of Illinois has a similar problem. A month ago the university at Urbana notified listed housing operators that to be approved in the future, they would be required to pledge themselves as against discrimination. Only about 17 per cent of the landlords have agreed.

That is not enough and, win or lose, Berkeley is doing something about it, by facing the issue.

Irving Dilliard

Mr. Cousy Is Disturbed

Bob Cousy, playing his last professional basketball games with the Boston Celtics, will coach at Boston College next season. Since his work starts long before the whistle for the first practice, he has been familiarizing himself with developments in the college game, and he is worried. What disturbs him is the high-pressure competition for high school players.

The consequences of this frantic recruiting have been spelled out by Peter D. Andreoli, the New York assistant district attorney who prosecuted the recent basketball "fix." The recruiting brings out boys who have no loyalty to the school and are interested only in money. Even those capable of passing college courses, he said, do not go to school for an education. Of 50 players involved in bribery attempts, "only one reported it to the police, only

a single player could be pointed out who had ideals we should expect from our college athletes."

To Mr. Andreoli it is almost a matter of strict cause and effect. "When you recruit the man, and he can tell me that he had 50 letters from colleges and that his telephone never stopped ringing, and he took what looked like the best bid, he is only one step away from being approachable by fixers."

The prosecutor's safeguard against scandals is so simple and unoriginal that even coaches should appreciate it. There would be no trouble, he says, if instead of following current recruiting practices, schools made students into basketball players rather than try to make players into students.

St. Louis Post-Dispatch

Both Sides Have Valid Arguments

The question and answers to questions which have arisen recently in the Egyptian concerning fraternities and their purported values or lack of values are examples of how one might waste time, time which an independent such as Mr. Nelson could have used for studies and time a Greek could have used for "play." A couple of years ago on another campus I spoke as a Greek; here I am an independent. As such I feel at least partially qualified to air my opinion.

A great deal of both sides of each argument is valid. The Greeks are "set off" from the rest of the world by living area, by association, and, in some cases, by dress, speech, and maturity of action. But the most important thing to remember when such criticism appears is that this is a matter of freedom of choice! Such

letters as those written to this paper will have no effect except to strengthen opinions already formed.

Fraternity or sorority life has a great deal to offer to a great many people: friendship, security, activity, prestige, etc. However, if members of these organizations think in terms of superiority, the train has switched down the wrong track. I know of no case where the basis of true (as opposed to superficial) friendship consisted of talent, money, or membership in a Greek organization. Envy? Maybe. However, just as there are good and bad in each race, in each religion, or in each political party, such elements are also found in each fraternal organization, and a debate on any of these is a waste of breath.

I guess I should have studied instead of writing this letter. Curtis J. Dahlin.

CARMEN PICCONE

Tennis Squad Meets Notre Dame Today

Seeking its sixth win of the season against no setbacks, Southern's strong tennis team opens its 1963 home season this afternoon at 1:30 p.m. against Notre Dame.

The Salukis, who open a six game home stand, have never beaten the Irish in 5 outings. In last year's match, the Fighting Irish downed SIU 6-3.

Coach Dick LeFevre's squad will host Iowa tomorrow afternoon, Western Michigan Saturday, Wisconsin next Thursday and Lamar Tech next Friday and Saturday afternoons during the home stand.

The Salukis have already beaten Ohio State (9-0), Tulsa (5-1), Minnesota (9-0), Iowa State (9-0) and Wheaton College (9-0). Captain Pacheco Castillo has dropped the only match the Salukis have lost, but the Michigan junior has

added 4 wins in the five matches.

Lance Lumsden and Bob and Roy Sprengelmeyer, lead Southern's win total with five singles wins. Wilson Burge and George Domenech each have four wins against no setbacks.

In doubles play, the team of Castillo-Domenech has four wins against no losses. Lumsden-Bob Sprengelmeyer have four victories against no losses and the Roy Sprengelmeyer-Burge duo also has four wins and no losses.

Castillo and Lumsden have teamed up once, that against Tulsa, and defeated a Hurricane doubles team. Bob Sprengelmeyer and Burge have also combined forces, against Tulsa, and also came out the victors.

Golf Team Squeaks Past Illinois Normal, 14-10

Having an off day after Monday's brilliant performance, Southern's golf team managed to squeak out a 14-10 win over Illinois State Tuesday afternoon at the Jackson County Golf Club.

It was the second win in a row over the Redbirds and the Salukis now post a 3-0 season record. The Salukis also chalked up victory number 49 out of their last 50 starts at home.

John Krueger and Bob Payne led the Saluki attack again, both posting 3 over par 75's. Krueger and Payne have both shot 69's in earlier meets. Payne had a 69 Monday against the same Normal squad and Payne shot a brilliant round of 69 against Cape last week.

Leon McNair, Bill Muehleman and Roy Gish all won individual matches for the Salukis by posting scores of 77, 77, and 78 respectively. Jim Place and Jerry Kirby shot a lower 76, but both golfers were edged by their Redbirds opponents. Al Kruse was off in his game and posted a 78.

Results of Tuesday's match: 1-Krueger, 38, 37-75; 2 points.

Wells, Normal, 37, 41-78; 1 point.

2-Place, SIU, 38, 38-76; 1/2 point.

Green, Normal, 38, 36-74; 2 1/2 points.

3-Kirby, SIU, 39, 37-76; 1/2 point.

Fey, Normal, 38, 37-75; 2 1/2 points.

4-Payne, SIU, 39, 36-75; 2 points.

Hummel, Normal, 37, 40-77; 1 point.

5-Kruse, SIU, 40, 38-78; 1/2 point.

LaRochelle, Normal, 38, 38-76; 2 1/2 points.

6-Gish, SIU, 38, 40-78; 3 points.

Palmer, Normal, 42, 42-84; 7-Muehleman, SIU, 39, 38-77; 3 points.

Diamond, Normal, 43, 42-85; 8-McNair, SIU, 39, 38-77; 2 1/2 points.

Sweeney, Normal, 42, 40-82; 1/2 point.

Athletics Hold Lead In Faculty Bowling

Athletics holds a two and one-half point lead in the SIU faculty bowling league over runner-up Chemistry II.

Athletics has 58 points compared to Chem II's 55 1/2 points. Rehabilitation Institute is third with 53 1/2. Industrial Education rounds out the top four with 46.

Chem II and Rehabilitation Institute rolled the team high series with 2908 pins. Norm Zwald and Bill Bleyer tied for the individual high series with 550 totals.

Bill Meade, SIU gymnastic coach, bowled the individual high game with a 208 total. Rehabilitation rolled the team high game with 1022 pins.

Opens Monday:

Piccone Expects 79 Candidates For Spring Football Training

SIU will open its spring football drills Monday, according to Carmen Piccone, SIU football coach.

He has invited 79 athletes to the spring practice which he considers to be the most important ever held at the University.

"This without a doubt will be important from the standpoint that we are playing a major college schedule even though we are not a major college ourselves," Piccone said while relaxing in his McCAndrew Stadium office.

"The purposes of spring practice are three-fold," the head coach commented. "First, we try to get an evaluation of the sophomores moving up to the varsity and new personnel out for the team."

"The second objective is to try out new things which have been lacking in the past. And the final objective is to improve our mastery of the fundamentals which in spots has been lacking," Piccone added.

This spring Piccone and his coaching staff of Don Cross, Harry Shay, Harold Maxwell will be trying to plan strategy for next fall's schedule.

"We will open up our offense for next season," Piccone said. "Last year we lacked punch in our offense and will be going to more of a pro offense with slot backs and split ends."

"We will try to develop depth in the line during the spring practice," Piccone said, "because next fall we need plenty of personnel in case of injuries which crop up each season."

Members returning from last year's varsity are Jack

Langi, Charles Warren, Pete Winton, Irv Johnston, Mitch Krawczyk, Earl O'Malley, Dave Bolger, Don Balducci, Larry Wagner, Ken Boyken.

Mel Aukamp, Robert Dodd, Harry Bobbitt, Jim Siebert, Bill Lepsi, Ken Love, Jim Westhoff, Rich Slobodnik, Mike McGinnis, Gene Miller.

Dave Harris, Bob Hight, Bonnie Shelton, Larry Kristoff, Joe Rohe, Bob Hall, Don Ventetuolo, Jerry Frericks, Jim Minton, Irv Rhodes, Vic Pantaleo and Carl Kimbrel.

New kids and sophomores moving up to the varsity are Jim Hart, Norm Meyers, Doug Mougey, Jay McFadden, Greg Olson, Ron Nahr, Rich Weber, Monty Riffer, Jim Hanson, Gene Kristoff.

John McKibben, Percy Manning, Joe Staley, Gene Doyle, Don Gladden, Doug Renn, Bill

Journey, Mike Doyle, Andy Chesney, Ed Hughes.

Tom Massey, Jay Bump, Jim Olson, Lou Fariello, Nelson Phillips, Nelson Harrison, Paul Della Vecchia, Bernie Gilula, Yale Corcoran, Larry Dietrich.

Charles Krossell, Larry Soldati, Russ Orrico, Don Gallagher, Anthony Stack, and John Martin.

Orioles Drop Hardcastle

Bob Hardcastle was released by the Baltimore Orioles professional baseball team of the American League after a three-week stay with the team.

He collected 14 nits in 38 times at bat which led all second base candidates. Five of Hardcastle's hits were doubles and one was a home run. During the Orioles spring training Hardcastle finished third among the infielders in the 60-yard dash. He was clocked in 6.9 seconds for the distance.

Hardcastle is a former SIU baseball player. He played second base for Glenn Martin during his undergraduate work here.

"They released me because of a weak arm and said I was starting too old," Hardcastle said. "It was disappointing to be released but it is better to get released for something you don't have than for something you have but don't show."

Softball Managers To Meet Today

There will be a softball managers meeting today at 4 p.m. in Men's Gymnasium. They must have their \$2 entry fee at that time and it will be the last chance a team may have to sign up. All managers must be present.

A meeting of umpires will be held Saturday at 2 p.m. in Men's Gymnasium.

only

\$2.00

per term

On-Campus Job Interviews

MONDAY, APRIL 15:

GENERAL INSURANCE COMPANY OF AMERICA, St. Louis: Seeking liberal arts and business seniors for various management training programs in claims, underwriting, administration, sales representative, and management.

SCOTT PAPER COMPANY, St. Louis: Seeking business and liberal arts seniors for sales training programs.

COLUMBIA, ILLINOIS, PUBLIC SCHOOLS: Seeking elementary teachers in following areas: second, fourth, and fifth grades; EMH, and speech therapy; also need high school English teacher.

TUESDAY, APRIL 16:

STATE OF ILLINOIS DEPARTMENT OF PERSONNEL, Springfield: Group meeting at 10:00 a.m., first floor conference room, Anthony Hall, for all seniors and graduate students in all areas interested in the varied career opportunities within the Illinois State Government structure. Appointments available in afternoon for individuals.

STIX, BAER & FULLER, St. Louis: Major department store seeking women in home economics, business, or liberal arts for retail management training programs.

FDISON BROTHERS STORES, INC., St. Louis: Major women's shoe chain seeks business and liberal arts majors for intensified retail shoe store management training program.

DAVENPORT, IOWA, PUBLIC SCHOOLS: teachers, plus librarian for grade schools; Junior high needs: English, math, science, art, industrial arts, French, Spanish, typing, music, guidance counselor; High School needs: math, biology, physics, chemistry, English, industrial arts, Spanish, French, girls' phy. educ., business education, librarianship.

ST. LOUIS INDEPENDENT PACKING COMPANY, St. Louis: Subsidiary of Swift & Company seeks seniors for sales training program. ALSO SEEKS JUNIORS FOR SUMMER SALES TRAINING PROGRAM.

THORNTON TOWNSHIP HIGH SCHOOL, Harvey, Ill.: Seeking teachers in following areas: English, music, biology, chemistry, general science, math, librarianship, home economics, Spanish, French, remedial reading, speech, industrial arts, distributive education, office occupations, EMH, and girl's physical education.

WATERFORD, MICHIGAN PUBLIC SCHOOLS Seeking elementary teachers kindergarten through sixth grades, plus EMH, speech correctionist, and visiting teacher; also need high school chemistry, and English teachers.

GENESE0, ILLINOIS, PUBLIC SCHOOLS: Seeking second and sixth grade elementary teachers; high school needs: chemistry-math, physics-math, English-speech-debate, social studies-speech-dramatics, and vocal music.

Cancel Friday's Track Meet With Chicago Track Club

By mutual agreement, Friday afternoon's scheduled track meet here, involving SIU's varsity and freshmen squads and the University of Chicago Track Club, has been cancelled.

"Due to circumstances, both Coach Ted Haydon and myself felt that the meet should be called off," said Lew Hartzog, SIU coach.

Chicago's top three stars, sprinters Ira Murchison and Brooks Johnson and hurdler Willie Mays, are preparing to compete in the Pan-Am Games this spring and were unable to compete. Another factor was a series of injuries which has riddled Southern's varsity squad.

The Salukis, who last week claimed a second behind Oklahoma State in the sprint medley and a third behind Ohio University and Texas in the two-mile event at the Texas Relays, will take advantage of the week's rest to regroup

their forces for the Kansas Relays April 19-20.

John Peters, a Morton junior who teams with SIU All-American Jim Dupree, Bill Cornell and Brian Turner on the Saluki's two-mile relay team, suffered a knee injury at Austin last weekend. Another Saluki casualty is sprinter Jim Stewart who has been nursing a pulled ligament.

In addition, several members of Southern's squad, including standout shot putter George Woods, were shaken up in the auto accident which hospitalized discus thrower Ray Brandt. The group was returning from the Texas Relays at the time.

Pro Tennis Exhibition Draws Slim Crowd

Tony Trabert and the International Professional Tennis Player's Association brought some of the world's best tennis players to Carbondale's Bowen Gym Tuesday night before a sparse crowd of less than 1,000.

The extravaganza, which is part of the annual World Series of Professional tennis tour, featured such tennis greats as Rod Laver, 1961 and 1962 Wimbledon champ, and holder of tennis' "grand slam."

Another Aussie, Ken Rosewall, who is the world professional champ, showed the crowd his adeptness and coolness of style. Other greats were St. Louisan Earl Buchholz, former U. S. Davis Cup player, Barry MacKay, former number one ranking U. S. player, Andres Gimeno, Spanish sensation and little Luis Ayala, Chilean champ.

In the three singles matches of the night, Laver defeated Buchholz 8-6, Rosewall beat big MacKay 8-6 and in the final match, Gimeno staged off a final threat by Ayala to win the match 8-6. The tour, which started in Boston, Mass., on February 8 and will continue until April 23, with 45 matches and a 25 game playoff for the two front-runners.

With the tour two-thirds completed, Rosewall leads the pack with a record of 26-7. In second place Buchholz holds down that spot with a 20-13

★

An intramural soccer program, the first to be offered at SIU, will start May 18, according to Ray Knecht, assistant director of intramurals.

Practices will also be held on May 19 and the next Saturday and Sunday, May 25 and 26.

slate but is closely challenged by the down-under star Laver with a 19-14 record.

Gimeno is currently in the fourth position with 16-17 and "Bear" MacKay is holding down fifth position with a record of 10-23. Trailing the field is Ayala, who just turned pro with an 8-25 record for the 33 matches played.

There is \$112,000 in prize money with \$35,000 going to the winner, \$25,000 going to the runner-up and \$20,000 going to the third place finisher.

The troupe, who plays about 5 times a week, travels to Chicago today and then heads out to the New York area next week.

An exhibition doubles match was played last night with MacKay and Buchholz defeating the Laver-Rosewall tandem 8-6.

Brandt Now Out Of Danger

Ray Brandt is "considerably improved" according to a hospital spokesman at St. Clement's Hospital in Red Bud, Ill.

Hospital spokesmen said they expected to take x-rays Wednesday afternoon to determine the extent of injuries sustained in the auto-truck accident.

It is known he has a broken jaw and fractured skull but they want to check further for possible internal injuries and brain damage.

Attendants at the hospital furthermore said that Brandt was out of danger and was able to speak more coherently than previously.

They also said Brandt probably could have visitors Friday or Saturday. He is in room 2162.

*SENIOR MEN...

Here is your opportunity to enter into a career of satisfaction with the College Life Insurance Company of America.

LOOK AT THE BENEFITS:

- **Opportunity for Substantial Income**
College Life representatives average over \$7,200 income in their first year in the business.
- **Opportunities for Advancement**
Promotions based on merit rather than seniority.
- **Choice of Location**
College Life operates from coast to coast. You can choose your location.
