SOUTHERN ILLINOIS UNIVERSITY

Vol. 32, No. 3 \* Single Copy 3c \* Carbondale, Ill., Feb. 27, 1951

**PAT MARLOW**, Anthony Hall, was crowned ISA sweetheart at the all-school dance Saturday night. Miss Marlow, a sophomore from Herrin, is majoring in elementary education in the College of Education. She will be entered in the race for National Independent association sweetheart at the association's convention at Kansas university, Lawrence, Kans., on March 30.

## Russell Report

### SIU, U of I in Favor Of Keeping Two Boards

(Editor's Note: The Russell report, a study of state tax-supported systems of higher education in Illinois, has recently been released and contains several items, which if adopted, would affect Southern.

The report was made by a group of six men headed by John Dale Russell, director of the Division of Higher Education in Washington. Gov. Adlai Stevenson previously had asked that such a study be made. The following story is to give students a brief summary of the main points of this important report.)

Methods of control of SIU, the four normal schools and the University of Illinois probably is the most important point of the Russell report.

The report lists five alternatives, but emphasizes that the status quo is not an alternative because of "a widespread feeling among the leaders of the state that something has to be done to improve the coordination of the control of the state's program of higher education.

It adds that regardless of what other action is or is not taken, the state legislature this year will have to do something to provide for the succession in the membership of the Board of Trustees of Southern.

**THE STATUTE ENACTED** in 1949 setting up the SIU Board provides that the terms of all board members shall expire on Aug. 31, 1951. The statute, however, makes no provision for the appointment of their successors. The legislature will have to amend the present statute so as to provide for a plan of succession of the board membership.

This uncertain status of the board

Representatives of the six state supported universities and colleges Friday gave approval to the plan to divorce schools from the state Department of Registration and Education. The group approved the plan to continue with the present three boards with modifications.

is one of Southern's biggest problems at the moment.

In brief, the report lists five alternative plans for controlling the state's tax-supported colleges and universities.

**1. GIVE LOCAL AUTHORITY** (continued on page 3)

**SOUTHERN'S MADRIGAL** singers presented a concert last night with area high school madrigal groups. Seated left to right are Georgia Greenwood, Harriet Cook, Judy Gurley, Delores Blondi, Lynn Smith, Lowenn Cook, and Mona Williams. Standing are Paige Stagner, Paul Hayes, Bill Wakeland, Jack Jungers, and Gene Howey.

## Yearbook Distribution Set for May: Mifflin

A. B. Mifflin, editor of the 1951 Obelisk, said yesterday that all material for the yearbook has been turned in, including both copy and pictures. He also reported that half of the book is ready for press, and that unless there were printer difficulties the Obelisk would be ready for distribution the first part of May.

The Obelisk staff met its deadline one week and two days early, thus permitting the book to be ready early in May. June 1 has always been the date set for distribution, but this year's staff is setting the goal up a month, which will allow boys who are planning to enter the service to get their books before leaving school.

**MIFFLIN HAS BEEN** assisted on the Obelisk by Charles Dickerman and Jim Landolt, associate editors. Other major staff positions have been held by Jean Dillman, copy writer; Darwin Payne, layout work; Wyona Smith and Betty McLaughlin, typists.

Theme of the yearbook follows a student through four years here at Southern. It begins by introducing a new student to Southern and ends after the student has completed his four years at school.

## REBELLion Opens; Begin Circulating Petitions

"Southern Rebels" as a name for Southern Illinois University athletic teams increased in popularity today as a group of interested students started circulating petitions about the campus.

Climax of the minor rebellion is expected to present itself in a torch march tomorrow night, unofficial sources revealed.

University officials sensed a possible tie-up between the petitions and the theft of the official ballots last week. The thief left a note signed, "A Rebel."

## Choir, Madrigals Plan Concert Tour Spring Vacation

Southern's a cappella choir and Madrigal singers will make an eight day concert tour of various high schools and churches during the spring vacation according to Floyd V. Wakeland, choir director.

From March 11 to March 18 the choir will visit ten high schools and three churches throughout Illinois and Missouri. On March 17, they will perform in Chicago at the Illinois Federation of Music Clubs. Tentatively planned to climax the spring tour is a Mutual chain broadcast from WGN in Chicago on March 18.

Assisting the choir and Madrigal singers will be a clarinet quartet under the direction of Robert S. Resnick. The members of this quartet are: Forrest Taylor, Charles E. Dickerman, Jim Finn, and Leah Marie Bradley.

## SIU Debaters Rate High at DeKalb

Carroll Boyles and Tom Sloan teamed up to win three out of four debates in the men's championship division in a debate meet at DeKalb last week end.

Norman Megeff and Jake Lipe gained a four-way tie for first in the Class I division for experienced debaters.

The other Southern debate team, Carolun Reed and Jo Ayn Elben, won one and lost three in the girls championship division.

Augustana college won top honors at the 14-school meet. Schools attending the meet included Northern, Western, Eastern, U. of I. branch at Chicago, St. Louis University, Principia, Southern, Augustana, and St. Olaf college in Minnesota.

This week end Sloan and Boyles, along with Debate Coach A. J. Croft, will go to St. Thomas college in St. Paul, Minn., in a Northwest State debate meet. Also this week end Miss Elben and Miss Reed along with Jeanette Smalley and Maxine McClellan, and Dr. C. Horton Talley will go to Bloomington, Ind., for a debate meet.

## BRYANT SPEAKER AT FTA MEETING

Future Teachers of America will meet in the Little Theatre tonight at 7:15. Featured on the program will be a talk by Royce Bryant, the presentation of the Charter, and a March of Time film, "The American Teacher." Magazines will be distributed and an opportunity given to pay dues.

## SIU STUDENT ELECTED NATIONAL IRC SECRETARY

Doris Alvey, sophomore from Cairo, was elected recording secretary at the national International Relations club meeting held in Milwaukee last week end.

## Marine Representative To Interview Southern Students March 1-2

Students at Southern will have an opportunity to apply for a commission in the Marine Corps when Major Kenneth B. Pickel, Marine Corps Officer Procurement representative, visits here March 1 and 2.

On March 1, Pickel will interview graduates and seniors who receive their baccalaureate degree this spring, for a newly activated ten-week, officer candidate course which will be conducted at Parris Island, S. C.

Graduates of the course will be commissioned in the Marine Corps.

**MAJOR KENNETH B. PICKEL**

Reserve as second lieutenants and then sent to Marine Corps Schools, Quantico, Va., for a five-month basic officers course.

Men between the ages of 20 and 27 are eligible for the course.

**GRADUATES AND SENIORS** who are interested in this program should contact Royce Bryant, director of the Placement service to arrange individual interviews.

On March 2, two meetings will be held, one in the morning and one in the afternoon, for male students interested in the Platoon Leaders class and female students interested in the Women's Officer Training Course. Students enrolled in the latter two will be permitted to complete their educations before being assigned to active duty.

These programs are designed primarily for college sophomores and juniors. Applicants accepted for the PLC and WOTC programs will be required to attend two six-week summer courses, and receive their degrees, before being commissioned.

**AFTER THESE MEETINGS**, Major Pickel will hold individual interviews with applicants. Male students should arrange for these interviews through Bob Etheridge, assistant to the dean of men. Women applicants should obtain interview information at the death of women's office.

Major Pickel will return to Southern again in the latter part of March to further interview applicants and have them take the necessary physical examination.

## A Disappointing Appointment

We were somewhat shocked and very much disappointed last week to find that Bill Davis, former head of the Weekend Social committee, had been named president of the new Social Senate.

Immediately we began to wonder about the security of the Social Senate. Why do we doubt the leadership of Davis?

Let's go back to December. The following is part of a letter sent by Davis to President D. W. Morris on Dec. 29:

"THE EGYPTIAN on Dec. 15 erroneously reported that the Weekend Social committee had disbanded. As Mark Twain said about his rumored death, 'The reports are exaggerated.' The WSC has temporarily discontinued its activities until such time as the committee feels that it can overcome the many obstacles placed in its path.

"No resignation has been sent to the Student Council. No member of the Weekend Social committee has stated that it has resigned. Obviously the Egyptian, as well as the Council, obtained its information from sources which were not well-informed, and jumped to conclusions."

**WHERE DID THE Egyptian** get its "inaccurate" information? We got it in an interview with Bill Davis, who told us it was true that the WSC had disbanded.

It was two weeks later when the same Bill Davis sent the three-page single spaced letter to Dr. Morris. In the letter he attacked the Student Council, the Greeks, the ISA, the physical plant, the administration, and the Egyptian for lack of cooperation.

This alone was enough to convince us that Davis was not the person to head any committee at Southern—unless it was the Committee of Wrong Information.

We wrote an editorial condemning Davis' reversal at the time, but decided not to run it because we dislike personal attacks if they can be avoided. (Also we had reason to believe that Davis did not write the letter, although he did sign it.)

Instead we wrote to the Student Council explaining our views.

**LATER THE COUNCIL** appointed Davis as a delegate at large to the Social Senate—a position which sounded minor. Then last week came the booming announcement that Davis had been named president of the Social Senate—an organization which is basically good.

If Davis claims that the WSC is still in existence, then he is president of both organizations. We think he should resign from the presidency of one of these organizations—or better than that—resign from both.

We do not doubt the good intentions of Davis to serve Southern, but we earnestly feel that if the new Social Senate is a success, it will be in spite of and not because of Bill Davis' leadership. B. H.

## To Each His Own

Printers of the Egyptian are critically short of newsprint. In an effort to help conserve as much newsprint as possible, the Egyptian has cut the number of papers printed each week.

There still are enough papers for all students—but only if each student takes only one. There is nothing wrong with taking an extra paper for a roommate—if you make sure the roommate gets the paper.

Some offices and departments on campus have been in the habit of picking up a bunch of Egyptians. Unless these papers are carefully distributed, this practice should be discontinued.

We ask your cooperation to make it possible for every student to be assured of getting his Egyptian. B. H.

Have you voted in the Egyptian poll of weekly vs. semi-weekly? We need your support to help us produce a better paper. If you haven't voted yet, clip out the ballot in last week's Egyptian and drop it in the letters to the editor box today.

THE *Egyptian* SOUTHERN ILLINOIS UNIVERSITY

Published semi-weekly during the school year, excepting holidays and exam weeks by students of Southern Illinois University, Carbondale, Ill. Entered as second class matter at the Carbondale post office under the Act of March 3, 1879.

## SIU Exposure

### Perhaps Dr. Staff Stole the Ballots

By Harry Reinert

Well, tarnation! Southern's squads almost—but almost—had a name, and then . . . But Egyptian readers know the rest of the sad tale. The culprit will undoubtedly not be found, but something can be done—have another election immediately, with extra pains taken so no one gets a chance to burn the ballots until they are officially recorded. Unofficially we had heard that the Knights had won and were ready to repeat our comment of last year in a similar controversy—"Good knight!"

Perhaps there is one clue to the identity of the ballot thief. There is only one person on campus of the versatility and plusiveness capable of doing such a foul trick—Dr. Staff. Why not have a bonfire and burn Dr. Staff in effigy?

From careful tabulations made during the past two weeks, it is possible for us to make this announcement—the clock in the tower of the new training school is now running and has the right time.

**BECAUSE OF** insistent complaints about the tabloid Egyptian, students are being given a chance to vote on which style they prefer—semi-weekly or weekly. It is extremely important that every student vote, so the staff can get a fair view of the student opinion on campus. If you have any opinions on the subject, now is your chance to air them.

Congratulations are in order for the winner of the Spring Festival chairmanship race, and winners of the Service to Southern awards.

Once again, the students' attention is drawn to the books on display in the library. This week the Everyman library series and Great Books selections have been added, all of which can be ordered by students. We cannot overemphasize the beneficial aspects of this program which has been inaugurated by the library, working in conjunction with the bookstore. It's amazing how many of the world's best books in all fields can be bought for less than a dollar per volume.

**Notable Quote:**  
But he that filches from me my good name  
Robs me of that which not enriches him,  
And makes me poor indeed.

Never be a bigamist. The extreme penalty is two mothers-in-law.

## Museum Conducts Area Research

Southern's museum is attempting to obtain records and surface collections from all known Indian sites in Southern Illinois, according to Dr. J. Charles Kelly, director.

"Archaeological research in Southern Illinois is not new," Kelly said. "Cyrus Thomas, founder of the SIU museum, was one of the pioneer archaeologists of the Mississippi River valley. More recently Moreau Maxwell, and later Irvin Peithman have investigated the archaeology of the region."

**THE UNIVERSITY** of Chicago, University of Michigan, and other institutions have recorded Indian sites in the area and made excavations in some sites.

Kelly stated that the archaeologist will be able to learn much of the history of Southern Illinois land and such information may prove profitable in solving modern problems relating to human occupation of the land.

Archaeological work so far shows a number of Indian groups occupied Southern Illinois. The last of the great cultures of the region

was that of the Mississippian peoples, who built great temple-mounds were large scale farmers, and had a religion and many arts and crafts imported from Mexico.

## SLOAN TO SERVE AS STYLE SHOW M. C.

Tom Sloan, senior from West Frankfort, and Student Council president will be master of ceremonies for the fourth annual Junior Women's Chamber of Commerce Style show at the Varsity Theatre, March 13. Proceeds of the show will go to the American Cancer society.

## Dr. Morris' Charge to Graduates Wins Award

"A Charge to the Graduates," a commencement address presented at Southern by its president, Dr. Delvite W. Morris, has been selected for fourth place by the Freedoms foundation.

The Freedoms foundation, located

DR. D. W. MORRIS

ed at Valley Forge, is dedicated to the fundamental principle that freedom belongs to all the people, and that only by the thoughts and acts of their everyday lives can the American people preserve and extend their freedom. "To this end," the Foundation committee claims,

(Advertisement)

Monday Afternoon  
SIU Campus, Carbondale

Dearest Mary:

Things were really popping when I got back to Southern this morning. Every blackboard was covered with "Southern Rebels."

Petitions are being circulated to adopt "Southern Rebels" as the permanent school symbol. There is to be a torchlight march Wednesday evening at 8 o'clock, according to the signs. And no one seems to know who the rebels are. They must be the same ones who stole the ballots before they were officially counted last Wednesday.

General opinion is that "Southern Rebels" is the first name that really has a good tie-in with Southern throwing off the shackles of "Normal" and asserting itself as a growing university.

The fellows who stole the ballots left a clever little note, "The names are no good. Forget the ballots. They are burned up—as I am. But they won't return, and I shall," signed, "A Rebel."

There is even talk that Southern needs a new school song, one that everyone can sing. A bunch of fellows are taking one of the old marching tunes and putting new words to it. I hope it goes over.

Someone told me that an automatic voting machine has been requested for the second balloting so that an honest vote could be assured, and the ballots couldn't be stolen.

I was downtown this afternoon in Williams Store, and couldn't resist getting you some new records. "YOU Were Meant For Me," "I'll Be Seeing You," and "Stormy Weather" are the ones that I got. More than 50 of the all-time "Greats" of Tin Pan Alley have been recorded by nine of the leading singers. I wanted to get "Me and My Shadow," and "At Sundown," but I ran out of money. I'll get them next pay day.

Love to you,

Jim

## Dr. Keeper Speaks At Ag Club Meeting

Dr. W. E. Keeper, chairman of the SIU Agricultural department, gave a talk on the development of agriculture at Southern at a meeting of the Agriculture club Tuesday night, Feb. 20. The club also voted to participate in Spring Festival and a committee was appointed by President Leon Mayer to investigate all possibilities.

The next meeting of the club will be next Tuesday, Feb. 27, 7 p. m. at 1311 South Thompson. Election of officers for spring term will be held.

"Freedom foundation acts to encourage all citizens to speak up for freedom and to reward them for so doing."

**THE FOUNDATION MAKES** 850 awards in 19 different classifications ranging from cartoons to sermons. President Morris's prize winning address was:

"I charge you to live up to the best that is within you; to harbor well the precious proceeds of the education you have thus far received; to hold always to basic virtues; to keep your minds open ever to new learning; to be tolerant and not bigoted; to be kind and not vicious; to be generous and not selfish.

"I charge you to join firmly and hold truly to that ever increasing group of truly educated persons who seek to push backward the barriers of man's ignorance, to heal the wounds of man's prejudices, to add to the sum of human goodness, to seek the blessings of divine wisdom."

**"I CHARGE YOU** to betray not the trust now placed in you; to confuse not slow with skill; learning with wisdom; cleverness with intelligence; glibness with understanding; stupidity with deliberation; brightness with depths; selfish pride with principle. Let not your education be like a thin silver plating over base metal which wears quickly away and is forgotten, but let it sink to the center fibre of your being to give always to you its sterling worth.

"In the words of Polonius to his son:

"To thine own self be true and it follows as the day the night thou canst not then be false to any man."

The average annual precipitation in Southern Illinois is between 42 and 48 inches, most of which comes in the form of rain.

It's good to see fat people laugh. So much of them has a good time.

## Lynch To Speak at SCF Program Tonight

Third in a series of programs "What We Believe," will be presented at the Student Christian foundation tonight at 6:30. The subject to be discussed will be "What the Evangelical and Reformed Church Believes."

Rev. W. E. Lynch, pastor of the Zion E and R church of Marion, and a member of the SCF board of Trustees, will be the speaker.

**REV. ELWOOD K. Wylie**, director of the Student Christian foundation, has announced that the meetings are open to the public. "Such meetings are important for two reasons: they afford a chance for church members to review their faith; and, more important, they give students an opportunity to investigate and learn to appreciate the beliefs and practices of other denominations," Wylie said.

The programs are being sponsored by the SCF Worship and Study commission, under the leadership of Mildred Lurtz, sophomore from O'Fallon.

## RUSSELL REPORT—

(continued from page 1)

to the present council on higher education to exercise coordinating functions over the six institutions.

2. Continue the present three boards with modifications of their authority.

3. Create a single agency, to be known as the state board for higher education, to exercise certain limited coordinating powers.

4. Create a single central agency which might be known as the Board of Regents for higher education for the direct control of all state tax-supported higher education.

5. Create a single state board of education to control all public education—elementary, secondary, vocational, and higher.

Both Southern and the U. of I. seem to prefer the second alternative, but neither have come out fully in favor of a certain alternative.

**MODIFICATIONS SUGGESTED** under the alternative plan 2, which would retain the present three boards, include the following:

1. Remove institutions of higher education from the jurisdiction of the State Code Department of Reg-

istration and Education.

2. Set up a single merit system for non-academic personnel in all the state institutions of higher education.

3. Possibly remove the state teachers colleges and SIU from the supervision of the State Architect's office. (In the past Southern's building program has been slowed considerably by having to work through the architect's office.)

4. Change the method of selecting members of the Board of Trustees at the U. of I. (U. of I. President Stoddard has objected to this modification.)

The state legislature, as yet, has taken no action on the Russell report.

"Betterment for working men must come primarily through workmen. There is a danger in engaging alliances with intellectuals who do not understand that to experiment with the labor movement is to experiment with human life." —Samuel Gompers.

# Western Whips Maroons In Final Loop Tilt, 71-51

While Eastern was busy sewing up a conference championship with an 84-51 victory over Illinois Normal, the Southern Maroons dropped their final conference game of the season to Western at Macomb last Saturday, 71-51. The loss gave the Maroons a .500 percentage in conference play, and dropped them to a final fifth place in the IAC.

**TOM MILLIKIN** was ailing throughout the game with tonsil trouble, but still managed to lead the Southern cagers with 15 points. Following the game, Millikin was taken to a local hospital, where he received penicillin shots. He was reported to be feeling better Monday morning.

The local men were to play Culver-Stockton Monday evening on their extended road trip. They close the cage season at Bloomington on March 3 with a return battle with Illinois Wesleyan.

Against Western, Southern trailed all the way, from the opening whistle. They had their worst first half of the season, and were behind, 31-14 at halftime. While they scored 37 points in the second period, they couldn't make up the deficit, as Western was busy piling up 42 points.

**THERE IS BUT** one conference game remaining in the loop, that being Eastern's battle with Northern this week end. However, Eastern has already cinched a conference championship, as the Panthers have won nine games while losing but two. Present IAC standings are as follows:

	W	L
Eastern	9	2
Western	8	4
Normal	8	4
Northern	7	4
Southern	6	6
Michigan Normal	2	10
Central Michigan	1	11

## ANNOUNCE VICE-CHAIRMAN FOR SPRING FESTIVAL

Dorothy Hannegan, junior from Benton, and Lowell O'Daniell, junior from Chicago, have been named co-vice chairmen of the Spring Festival. Spring Festival chairman Lou Diamond announced today.

Various committee members will be announced later. Diamond said.

## Wesleyan Is Foe This Saturday In Season's Final Game

Illinois Wesleyan will provide the opposition for the Southern cagers in their final cage contest of the season. The Maroons travel to Bloomington Saturday where they will meet one of the better teams in the Little Nine conference. Wesleyan previously defeated Southern during the Christmas holidays this year at Carbondale, 62-56.

**HOWEVER**, Wesleyan has dropped contests to both Wheaton and Millikin, two teams which the Maroons have defeated. Southern had one of their best nights of the season against Wheaton last month on the home court, however, so winning from Wesleyan in Bloomington might be a difficult matter.

Wesleyan, no different from other Little Nine teams, is a fast-breaking crew. The boys from up north have excellent ball handlers, and also an adept defensive team. They are, in addition, a stellar home town ball club, as are the Maroons. Thus by past records, and their home court, Wesleyan must be given the edge.

**TOM MILLIKIN**, Maroon captain, has been sick the past week. And if the Pinckneyville ace isn't able to go full force this week end, things will be even more difficult. Millikin dropped in 15 points against Western in a losing cause, however, and chances are that Tom will be in good shape this Saturday.

## Golfers To Meet In Gym Tomorrow

There will be an important meeting for all boys interested in playing golf this year, tomorrow afternoon in room 201 of the men's gym at 3 p.m., coach Lynn Holder announced early last week.

## Bridges To Teach Red Cross Course

The department of Health Education at Southern Illinois University will offer a course in Red Cross First Aid beginning March 10. Frank Bridges of the SJU health staff will be the instructor.

A non-credit course, the work will be offered to all persons except students, and will meet from 7 to 9 p. m. four times weekly. In cases where credit is desired a fee of \$4 will be charged. A standard First Aid American Red Cross Card will be awarded for successful completion of the course.

The course will include treatment of shock, dressings and bandages, wounds and their causes, artificial respiration, poisons, injuries to bones, joints, and muscles, injuries due to extreme heat and cold, and transportation of the injured.

## Cagers Could Have Great Team In 1952 But For Uncle Sam

**By Jim Turpin**  
If the present draft situation should ease up in the near future and the majority of athletes are able to remain in school, the potentialities of the Southern Illinois University basketball team for next season would be great.

Only one senior, **Ernie Bozarth** from Waltonville, will be lost by graduation. Coach **Lynn Holder** would have a host of returning vets for the 1951-52 season.

Tom Millikin, Pinckneyville, Bob Wichmann, E. St. Louis, and Stan Horst, Centralia, are juniors and this trio has played in nearly every Maroon contest this season.

**FOLLOWING** the third year men come a long list of talented sophomores headed by Bill Garrett, high scoring guard from Fairfield. Others include Chuck Thate, 6'6 center from Chicago; Jerry Hollender, 6'5 forward from New Madrid, Missouri; Shiran Eckert, Don Miller, and Dick Henley, all capable performers from Herrin; Darrell Thompson, Belleville, and Bob Hake, Ashley.

Added to this long list are several promising freshmen led by Centralia's Bob Nikolaou, who has earned himself a starting berth in recent games. Jack Theriot, Flora and Jack Renfro, Collinsville, are two guards that have a lot of basketball savvy for first year men.

If the majority of these boys are not in the service by next season, the Maroons should have an outstanding year.

## INTRAMURALS

by Jim Dowell

The championship game of the intramural basketball tournament will be played Thursday night at 8:15 in the Men's gym. The Maroon Manor will play, the winner of the Faculty-Manor House game for the championship. The Oilers will meet the loser of the game at 7:15. The Faculty-Manor House battle will be played tonight.

In the game's last Monday, the Oilers defeated the Sabers, 36-32, the Highlanders were eliminated by the Broadjumpers, 50-34, and the Fighting Fleet dropped the Northcrns, 31-29.

Tuesday night the Maroon Manor quintet edged a two point decision over the Fighting Fleet, 29-27, and the Manor House beat the Hoopston Cornjerkers, 31-25. Wednesday night the Oilers coked out a 39-38 decision over the Broadjumpers, and the Faculty eliminated the TKE Cherry, 31-21. In Thursday night's action the Faculty advanced to the semi-finals by defeating the Miners, 45-42, and the Maroon Manor jumped to the finals by trouncing the Oilers in the worst scoring game of the tournament, 48-19.

The games are being played the full length of the floor, and one section of the bleachers has been pulled out for the convenience of fans.

The best reformers the world has ever seen are those who commence on themselves.—G. B. Shaw.

# SIU Matmen Win Only One Bout at Wheaton

By Don Duffy

Five of Southern's matmen journeyed to Wheaton last Saturday to represent the Maroons in the 1951 Wheaton Invitational Meet. The grapplers, Jack Stoudt, Charlie Cutrell, Nick Veremis, Art Hargis, and Phil Bruno, competed against men from Illinois Normal, Northern Illinois, North Central, Western Illinois, Elmhurst, Lake Forest, Carthage, Wheaton, and Navy Pier.

**WRESTLING** in the 130 lb. class, Charlie Cutrell, was pinned by Nyquist of Augustana in a preliminary match. Jack Stoudt wrestled his usual 137 and worked his way to the semi-finals by outpointing Johnson of Augustana by a 5-4 score. He was then pitted against red-headed Don Anderson from Navy Pier. Stoudt led in the second

period by a 3-1 score until, in the closing minutes of the period, Anderson capitalized on a mistake and won the match on a pin.

Nick Veremis was beaten in his preliminary match by Maquet, his 161 lb. opponent from Normal. Art Hargis, wrestling in the 147 lb. class, was also eliminated in the preliminaries when he was pinned by Taussig from Wheaton. Again it was Navy Pier versus Southern Illinois when Southern's 177 pounder Phil Bruno grappled with Joslin. Again, it was Navy Pier that came out on top when Joslin won a 6-4 decision.

**NEXT SATURDAY** the matmen will journey to Bloomington, where they will compete in the conference meet.

## Students May Apply For Summer Jobs at Employment Service

"Students who are interested in working at resorts or in industry this summer should apply now for a position," asserted Mrs. Alice Rector, head of the SIU student employment service.

Descriptions of popular resorts, a list of national concessions, and application blanks can be examined in Mrs. Rector's office.

In a few weeks, she will send the names of all persons who have applied for summer resort jobs to a tourist bureau in Michigan.

Students can also find summer employment in camps as counselors, secretaries, musicians, group leaders, and swimming instructors, according to Mrs. Rector.

Any student who wants to work in a resort or industry this summer should contact Mrs. Rector within the next few weeks.
