Miss Southern To Be Crowned Tonight

\$253, 448 Given SIU For Psych Research

The U.S. Public Health Service has awarded more than a quarter-million dollars to SIU to support its clinical psychology program.

The grant totals \$253,448, to be paid over a four-year period beginning July 1. In addition to fellowships to eight graduate students each year, it will provide funds for clerical assistance, consultants and needed equipment.

Forrest B. Tyler, head of clinical training in the SIU Psychology Department, said the government grant, although intended specifically to augment the clinical program, constitutes an endorsement of the entire graduate psychology program at Southern.

About 30 master's degree and Ph. D. degree candidates are now studying clinical psychology at SIU. The psychology department expects to graduate about a dozen doctoral degree candidates this year.

Tyler said those specializing in clinical psychology go beyond normal psychology training to study individual personality, its assessment, and treatment of personality disorders, including mental illness.

Students trained under the grant will be qualified for a wide range of positions, according to Tyler. He said some likely will go into research, others into university teaching and still others into direct clinical work in mental health centers.

Spring Football Practice Ends At Game Today

SIU's intra-squad football game this afternoon at 1:30 p.m. will be held at Carbondale Community's Bleyer Field. It was announced previously that the game would be held on the practice field.

The game will be a full-length scrimmage under game conditions and will mark the end of spring football drills.

SIU Moms To Be Guests At Annual Picnic Sunday

Mothers who visit their children at SIU tomorrow will be guests at the annual Mom's Day picnic starting at noon at the boat docks.

They'll be treated to horse and buggy rides around the area from 1:30 to 4 p.m.; see the Crusaders Drum and Bugle Corps twice, once, at 1:15 p.m. when they practice

Calls For Future Changes:

Council Approves Budget Proposals; Recommends Fee Hike Vote Next Year

Tabled, after being kicked back and forth like a football in the Rose Bowl game, was a proposal concerning the Daily Egyptian prepared by the Student Rights Committee.

George Graham said, "I do not feel that Egyptian should be abolished, just improved."

Gerry Howe moved the proposals be tabled until exact figures could be provided concerning the amount necessary for the Egyptian to operate for one year.

The proposal which was tabled recommended that all-university activities should have a policy board selected which determines the policy and line of development of the activities (university athletics, Daily Egyptian, Obelisk, music and student handbook).

Student Government should make recommendations when necessary, it continued, but would operate within the policy set forth by the board.

This setup would be de-

signed "to eliminate the danger of an irresponsible Student Government damaging a valuable program," the proposal said. As is the case now, the Board of Trustees would have the final word on any course of action.

Steve Brockbank, vice president of National Students Association, told the Council about the progress and procedures of NSA.

Brockbank said the purpose of NSA is, "bringing together students from all over the country and providing them with opportunity to openly discuss and deal with problems of international, national, state and local level."

"The NSA is the only student organization of non-communist nature working with the students in Africa,"

Announcements were made concerning the Journalism Council meeting the preceding evening and the upcoming SIU Forum.

"Problems Regarding SIU and Carbondale," will be discussed at the SIU Forum, scheduled in the University Center Ballroom, May 19, 1:30 - 4:00 p.m.

Big, green and ugly is many SIU student's opinion of the new garbage cans distributed about the campus. Regardless of their appearance, however, the Council decided they must stay. Jeff Barlow's remedy for the situation was, "decorate the cans in a stone gray coloring, allowing them to blend with the rest of the campus in their disguise as rocks."

John Burnett was officially seated as a member of the

The crown and title of "Miss Southern" will be conferred on one of 17 hopeful coeds tonight as the 1963 Spring Festival moves closer to its climax.

All eyes will be focused on the candidates at 2 p.m. today as the swim suit and formal gown parade is staged in the Roman Room of the University Center.

The winner will be announced at the semi-formal dance at 9 p.m. today in the Center Ballroom. The "Miss Southern" talent contest was held last night, and the candidates displayed their special talents as well as their beauty.

The Spring Festival Midway will open again at noon today and shows will be continuous until 6 p.m. "Grand Champion" and other awards will be made between 5 and 6 p.m. today.

Coeds competing for the Miss Southern title are Sally Aubuchon, a junior music major, sponsored by Alpha Gamma Delta; Glenda Burbard, a junior in business education, sponsored by Tower Hall; Rachael Calhoun, a junior in music, sponsored by Mu Phi Epsilon; Mary DeCroix, a sophomore Spanish major, sponsored by Sigma Kappa sorority; and Nancy Demorest, a junior in speech, sponsored by Saluki Arms.

Also Julie England, a junior in journalism, sponsored by Theta Xi; Trudy Gidcumb, a sophomore majoring in elementary education, sponsored by Phi Kappa Tau; Lynn Hewette, a junior English major, sponsored by Pine Lane Dorm; Donna Holt, a freshman in speech education, sponsored by Woody Hall; Barbara Hurtt, a sophomore English major, sponsored by the Southern Executives Council and Mary Kirley, a sophomore in English, sponsored by Delta Chi.

Also Lynn Metzger, a junior Spanish major, sponsored by Thompson Point; Nancy Pearce, a Sophomore in Kindergarten-Primary education sponsored by Angel Flight; Marsha Purdym, a junior English major, sponsored by Delta Zeta; Charlotte Thompson, a sophomore in journalism; sponsored by Tau Kappa Epsilon; Suzanne Weber, a junior in English; and Ellie Zimmerman, a junior English major, sponsored by Sigma Pi.

'Cheaper By The Dozen' Mom To Speak Here Thursday

Lillian M. Gilbreth, one of the best known woman engineers in the world who gained even wider fame after two of her children wrote the best seller "Cheaper By The Dozen," will speak here next Thursday.

Mrs. Gilbreth will be the final speaker on the School of Business lecture series at 4 p.m. in Muckelroy Auditorium.

Her topic will be "Skills and Satisfaction" and will be televised. Tapes of the speech will be sent to television stations throughout the state.

Mrs. Gilbreth was born May 24, 1878 in Oakland, Cal. and received her B. Litt (1900) and M. Litt (1902) from the University of California. Her Ph. D. (1915) from Brown University opened her original career as a writer of children's books.

In addition to writing children's books, Mrs. Gilbreth assisted her husband, an engineer, in time and motion research.

Upon the death of her hus-

band, Mrs. Gilbreth presented his papers at the World Power Congress in London and the International Management Congress in Prague. She decided to continue her husband's work, and with the knowledge picked up by working with her husband she became an engineer.

Two of Mrs. Gilbreth's 12 children wrote "Cheaper By The Dozen," a delightful story of the Gilbreth home life.

City Girl Shows Farm Boys A Few Things About Animals

A city-reared young woman who happens to have a keen interest in farm animals out-classed a number of boys who were raised on farms at the recent Block and Bridge Club showmanship contest.

She is Sally Dimiceli of Elgin who out-pointed all contestants in the predominantly male contest to win two first place trophies.

The first one came from the way in which she groomed and dowed one of the university's Holstein cows in the dairy cattle division of the contest.

Then she returned to competition against the boys and won the first place trophy

Final British Press Lecture Tuesday

The last of four public lectures by Herbert Davies, British Newspaperman, will be held at 8 p.m. Tuesday in the Family Living laboratory of the Home Economics Building.

Davies, who will talk on the British Press, Royal Commissions 1947 and 1961 and the Press Council, is a visiting lecturer in the Department of Journalism this term.

The public lectures are sponsored by the Department of Journalism and the undergraduate chapter of Sigma Delta Chi, national professional journalistic society.

Associated Press News Roundup:

Relief Funds Still Tangled In Legislative Dispute

SPRINGFIELD

Legislative leaders of both parties are preparing for the eighth week of their fight that has shut off relief checks to 270,000 public aid recipients.

The latest battle came late Thursday when both houses rejected the report of the fourth conference committee. This time the Democrats

contended that the monthly allotment ceilings the Republican majority on the committee proposed would not provide enough food and services for the aid to dependent children families and persons getting general assistance.

CHICAGO

Seven hundred Negro relief clients including 500 children, staged a half-hour protest demonstration in front of Cook County Republican headquarters today.

They carried placards saying "GOP Platform: Malnutrition and Rickets" and "No Food, No Vote," among others.

BIRMINGHAM, Ala.

The Rev. Martin Luther King Jr. said Friday an agreement has been reached by a citizens committee seeking to resolve the Deep South city's racial problems.

While the agreement has no official sanction, King has said he would suspend mass dem-

onstrations until the city has had a chance to act on the proposals.

CHICAGO

Comedian Dick Gregory, 30, flew to Chicago Thursday night to exhibit injuries he said he suffered in Birmingham jail, get them treated, and praise the mass protest by Negroes in Birmingham against sanctions and segregation.

Then Gregory flew back to Birmingham against, he said, the advice of his physician.

Gregory said he spent three hours in Chicago FBI headquarters answering questions about treatment of Negroes in jail at Birmingham. Gregory was jailed for four

WASHINGTON

U.S. Ambassador Raymond L. Thurston reportedly made a veiled threat earlier this week to use force to get U.S. citizens out of Haiti if the Duvalier government blocked their flight through denial of exit permits.

Discussion On Prophets Set

"From Mohammed to Moses to Jesus to Baha 'u' Llah" will be the topic of a discussion at the Unitarian Student Fellowship Sunday at 6 p.m. in the Unitarian Meeting House.

Edward Schletter, a student in the Philosophy Department, will lead the discussion.

★

Gamma Delta actives will leave at 1 p.m. this afternoon to attend New Leaders' Leadership Retreat at Natural Bridge near Alto Pass.

The afternoon will be spent in fixing responsibilities and planning for the coming year.

There will be an open house at the Lutheran Student Center Sunday for the families of Gamma Delta members. Mothers are to be the guests of honor.

On Sunday evening a discussion will center around the topic "The Missouri Synod and the Lodges." A panel of Gamma Delta members will discuss why the Synod thinks and acts toward the lodges as it does. The program begins at 7:00.

★

The Sunday Supper Club at the Student Christian Foundation will sponsor a Mother's Day Banquet tomorrow at 5:30 p.m.

Entertainment has been planned for the mothers. Edward McDaniel and Ralph Clardy will present vocal solos.

A short worship service will conclude the program.

Inter-Varsity Christian Fellowship will meet Monday, 7:45 p.m. in Room E of the University Center. Dick Brod-korb and Ronald Meyer will lead a discussion on "Practical Love for Others."

AZ National To Meet Here

The 1964 national conclave of Alpha Zeta, honorary scholastic fraternity in agriculture, will be at Southern Illinois University, according to an announcement from the organization's national office in Washington, D.C.

Southern's Illinois Beta chapter of Alpha Zeta extended the invitation and will be host to delegates from chapters in 53 agricultural schools and colleges representing every state in the union. Tentative dates are September 7-10, 1964.

The SIU chapter was installed by the national organization in November 1960.

'Bumming Days'

To Be May 24-26

Bumming Days, the annual days set aside by Thompson Point for the celebration of spring will be held May 24, 25, and 26.

The affair was started last year and entails a series of serious and mock athletic contests, some poking fun at the faculty and staff.

Patricia Jones, chairman in charge of the weekend event said the "Bumming Days" will be held at Thompson Point, the softball field on the lake, and at the beach of the Lake-on-campus.

REV. JAMES SMITH

Rev. James Smith To Speak At Forum

The Rev. James Weldon Smith III will address the Wesley Forum tomorrow at 6:15 p.m. in the Wesley Foundation. His topic will be "An Examination of the Basic Beliefs of the Christian Faith."

The Rev. Dr. Smith received the doctorate degree in systematic studies at Garrett Theological Seminary. He obtained the bachelor of arts degree in history from Yale University and the bachelor of divinity degree from the Divinity School of Duke University.

A supper beginning at 5:30 p.m. will precede the lecture.

Studtmann Elected Gamma Delta Head

Ronald Studtmann was chosen president of Gamma Delta in the elections held in the Lutheran Student Center Sunday.

The faculty advisor for the coming year will be Lawrence E. Hafner, an assistant professor at the Reading Center.

Other officers for 1963-64 are as follows: Allen Herter, vice president; Joyce Rathemacher, treasurer; Diane Le Saulnier, recording secretary; Judy Eilers, corresponding secretary; Lois Geubert, Inter-Faith Council representative.

Church To Observe Fifth Anniversary

The Church of the Good Shepherd will observe its fifth anniversary in a special service Sunday, May 12.

The speaker will be the Rev. Roy Griebel, newly appointed pastor of the church. The Rev. Mr. Griebel will receive his bachelor of divinity degree in June from Eden Theological Seminary, Webster Grove, Missouri.

The "Outstanding Layman of the Year" award will be given at the 11 a.m. service of worship. The award is made to the layman whom the church council and members feel has made the greatest contribution to the work of the church for the past year.

The Rev. Mr. Griebel will speak at both the 9 and 11 a.m. services of worship.

Camping Course At Little Grassy

How to get more and better camping for less money will be taught to leaders attending the Small Group Camping course at Little Grassy Lake May 20-24.

L.B. Sharp of SIU's recreation and outdoor education staff, who pioneered small group camping in the late 1920's, will head the list of instructors.

The course will show how a special two-wheel trailer with kitchen equipment can be utilized in the program.

"Ten or 12 is the best number for small group camping with the mobile trailer unit," Sharp said, "but it can be used for families, too." The group sleeps in separate shelters or in the open.

This is the second year the course has been given at Little Grassy.

Activities Honors Nominations Due By Monday

Deadline for groups to turn in names of persons to be honored at the 10th Annual Activities Recognition Day is 5 p.m. Monday, according to Ted Hutton, student body vice-president.

Activities Recognition Day is scheduled for 10 a.m. Thursday, May 23, in McAndrew Stadium. Hutton said all recognized campus organizations have been asked to submit the name of a person in the organization who has contributed most to the group through leadership and service.

Any recognized group which did not receive a nomination form can pick up a form at the Student Government Office. The nominations should be turned in at the Activities Development Center.

Certificates of award will be given to the honored persons during the assembly in McAndrew. The annual event is sponsored by Student Government.

Weekend News Round Up

From Associated Press Dispatches

Compiled By Leonard J. Hooper

BIRMINGHAM, Ala. - Talks between white and Negro leaders went on behind closed doors Thursday as negotiations were held on desegregation of lunch counters and other public facilities.

City streets were quiet but a bolstered police force patrolled the downtown areas.

A spokesman for the Southern Christian Leadership Conference said a meeting was being held between the Rev. Martin Luther King, Jr., Ralph D. Abernathy, Fred L. Shuttlesworth "and some persons uptown" (white leaders).

MOSCOW - A confessed British spy and a confessed Russian traitor, glaring with hate at each other, pleaded guilty in a Soviet court Tuesday to charges that they relayed Soviet secrets to the West through the U. S. and British embassies.

The Briton was Greville Wynn, 42, a businessman who has made about eight trips to the Soviet Union. The Russian was Oleg Penkovsky, 43, a former official of the Soviet Committee for Coordination of Scientific Research.

The spying allegedly involved about data about Soviet rocket troops; Soviet troops stationed in East Germany; preparations for a separate peace treaty with East Germany; Moscow-Peking relations and other political, military and economic matters.

GROTON, Conn. - An investigation indicated Wednesday that ignition of industrial gases apparently caused the flash fire that claimed the lives of three workers aboard the nuclear submarine Flasher, the builders said.

This terse announcement was issued from the Electric Boat Division of General Dynamic Corporation, where the Flasher is under construction. It is a nuclear attack submarine like the Thresher, which was lost at sea last month.

WASHINGTON - A House subcommittee late Monday reported out a \$1,195,000,000 higher education bill limited to construction grants and loans.

The unanimous vote represented a rebuff for President Kennedy's one-package approach to providing educational funds for all levels from the first grade to graduate school.

As amended by the subcommittee, the higher education bill no longer provides funds for student loans. Subcommittee members said they will seek such aid through extension of the present National Defense Education Act.

The bill as amended now authorizes a five-year program of construction grants and loans, but funds would be authorized only for three years. Congress would be expected to provide further funds later to round out the program.

WASHINGTON - An American soldier, First Lt. Parker D. Cramer, 26, of Wantagh,

N.Y., was executed Monday by Communist guerrillas in Viet Nam. He is the 73rd American killed in the war in Viet Nam since 1961.

The Army said Cramer died "as a result of a gunshot

wound of the head incurred when he was shot by the Viet Cong."

BERLIN - Communist East Germany says a U.S. Army captain and a sergeant have appealed for political asylum. The Army confirmed that the captain crossed into East Germany and the sergeant is missing from his unit.

Capt. Alfred Svenson, 30, Scranton, Pa., a bachelor, is a native of Communist-ruled Lithuania. His mother, Mrs. Antonia N. Svenson, Washington, D.C., received the report with alarm and disbelief.

Sgt. Benjamin Cain, 35, is from Frederica, Del. His wife expressed anger that the Army had not contacted her sooner or given her details. She said her husband did not defect -- "he's been taken into East Germany."

MIAMI, Fla. - The first of a scheduled series of flights bringing Americans out of troubled Haiti landed at Miami International Airport Wednesday afternoon with 105 passengers.

Among them were 84 dependents of U.S. military personnel, including 30 adults and 54 children.

The State Department had ordered the evacuation of all dependents of U.S. government employees. It also urged private American citizens to depart.

Meanwhile, in Washington, the Organization of American States voted 18-0 to step up its peace efforts by sending a special mission back to Haiti and the Dominican Republic to seek a solution to the dispute between the two countries.

SPRINGFIELD - The Illinois House Wednesday defeated a bill seeking to increase speed limits on highways.

The measure, introduced by Rep. Rae Heiple, R-Washington, would have authorized the State Highway Division to raise the limits to 70 miles per hour on highways at least 21 feet wide and to 80 on four-lane divided pavement. The maximums now are 65 and 70.

The House approved and referred to the Senate a bill requiring that new cars be equipped with seat belts beginning with 1965 models.

SPRINGFIELD - The Illinois Public Aid Commission says -- somewhat uncertainly -- it will cooperate with the Illinois legislature if ceilings are placed on welfare benefits. But the IPAC was more definite on another matter.

The IPAC approved Tuesday a revision of rules so 60 local governmental units in the state can use general assistance funds to pay recipients in four other categories -- old age, blind and disability assistance and aid to dependent children.

The move was necessitated by a legislative deadlock over Republican demands for ceilings on aid benefits. The squabble has tied up appropriations for general assistance and aid for dependent children for May and June.

WASHINGTON - President Kennedy voiced gratification Wednesday at progress he said white and Negro citizens had made to "end an ugly situation in Birmingham, Ala."

Kennedy also said that the reputation of Birmingham and the country have been damaged by a racial crisis in the Alabama city and that his administration has "attempted to meet our responsibilities" in the field of civil rights.

But he said there has been no violation of federal law in Birmingham and the reliance has been on persuasion and negotiation.

NEW YORK - There is no recession in the nation's economy on the horizon, Secretary of the Treasury Douglas Dillon said Tuesday.

"On the contrary," he said, "despite our high rate of unemployment I believe that our present economic activity shows every promise of continuing on the upswing."

WASHINGTON - President Charles B. Shuman of the American Farm Bureau Federation said Tuesday it is "most inappropriate" for Congress to try to influence the outcome of an upcoming producer referendum on the Kennedy administration's new wheat control plan.

This comment from Shuman came in a statement prepared for a Senate Agriculture Committee hearing on House-approved legislation to extend the government's feed grain program for two more years.

Secretary of Agriculture Orville L. Freeman and administration leaders in Congress are trying to get this legislation passed before the wheat referendum is held May 21. The legislation would let wheat farmers grow feed grains on wheat land and vice versa. Backers say this substitution privilege would make the new wheat plan more acceptable to some wheat growers.

The Farm Bureau opposes the wheat proposal and wants Congress to delay action on the feed grain measure until after the referendum.

Salukis vs. Arkansas State In Double-Header Today

SIU winds up its current home stand with a baseball doubleheader against Arkansas State at 1 p.m. this afternoon on the Chautauqua diamond.

Glenn Martin's Salukis baseball team will be trying to avenge an earlier 1-0 loss to the Arkansas Indians. Arkansas beat the Salukis on a unearned run.

Southern also has the added incentive of trying to get back on the winning track following Wednesday's 7-6 loss to Tulsa.

Jerry Qualls has a nine-game hitting streak going into the game. The sophomore third baseman has a .406 batting average with 26 hits in 64 times at bat.

He already has hit three home runs in 13 games this spring. Last season he only hit two in 25 games.

Qualls is one of seven Salukis over the .300 mark in hitting. The other hitters are Mike Pratte (.367), Gib Snyder (.340), Jim Long (.326), Ron Landreth (.318), John Siebel (.313) and Dave Leonard (.302).

Martin is not sure who he will start in the twin-bill. He has John Hotz, Rich Bickhaus, Gene Vincent, Doug Edwards and Ed Walter all ready for duty.

Walter was the losing pitcher against the Indians earlier but only gave up three hits in the route-going performance.

Western Michigan's Littlejohn Has Eye On Seven-Foot Mark

Alonzo Littlejohn, Western Michigan's brilliant high-jumper, will be trying to break the seven-foot barrier in the event this evening when the Broncos call on SIU for a dual track meet.

Field events are scheduled to start at seven o'clock in McAndrew Stadium with the running events to begin at 7:30. SIU students will be admitted to the meet by presenting their activity cards. All other persons will be charged \$1.

Littlejohn tied for second place last year at the NCAA with a jump of 6 feet 9 inches. Already this season he has jumped 6 feet 8 inches.

"If the conditions are right," Lew Hartzog said, "he could easily reach the seven foot mark. We are doing everything possible to make the conditions right."

Western Michigan is expected to win but Hartzog warns that the meet will be close and with a couple of breaks the Salukis could win.

Littlejohn is only one of several top Bronco athletes who will be competing against the Salukis.

Several records are expected to fall in the meet which is expected to draw a capacity crowd to McAndrew Stadium. Littlejohn is almost assured to establish a new record in the high jump.

Dave Underly and Mickey Turcheck frequently have been over the 15-foot mark in the pole vault and will be expected to better the stadium's present 14-6 mark set here last year by Kansas' Phil Stevens.

Another record likely to fall is the shot put record

currently held by SIU's George Woods at 54-10 1/2. Woods, despite numerous setbacks in the past six months, has managed to regain much of his form which last year tabbed him as a potential 60-foot performer.

Woods, however, may have trouble in winning here as Western Michigan also has a top weight man in Elliott Uzelac. Uzelac beat Woods earlier in the year indoors but the SIU sophomore is determined to hold the McAndrew record himself.

The Bronco's Dennis Holland also is expected to leave town late Saturday night with a stadium record. A combination sprinter-broad jumper, Holland has the tenth best jump in the broad jump this season. His 24-7 1/4 jump is almost a foot better than the present record.

SIU will also be shooting for some stadium records of its own. The Salukis 440-yard relay team of Ed Houston, Bob Green, Jim Stewart and Al Pulliam could easily break the McAndrew Stadium record.

Golf Team Ends Season Monday Against Notre Dame

Southern's golf team closes out its regular 1963 season Monday afternoon, when it meets Notre Dame at South Bend, Ind.

The Salukis are now 11-4 on the season and hope to close out the year in winning fashion. Coach Lynn Holder's squad, is currently riding a three game winning streak as it soundly whipped St. Louis, Washington and Wichita last Tuesday.

SIU scheduled a last minute match yesterday when it met the University of Missouri at the Crab Orchard Golf Course. The Tigers, who have one of the strongest clubs in its history this year, crushed the same Billiken team that lost twice to the Salukis this year. Missouri won that match 17-1, as compared to Southern's 10-5 and 16-2 encounters with St. Louis.

Missouri is currently preparing for their Big Eight golf tournament which will take place later this month. Results of yesterday's match with the Tigers were not available.

Holder has not made a decision on who he'll take up to South Bend but he'll probably

Frosh Baseball Ends Tuesday

SIU's freshman baseball team sports a 1-3 record following a 9-3 second game victory over Paducah Junior College earlier this week. Paducah won the first game 11-1 which extended the first-year Salukis losing streak to three before the nightcap win.

The Salukis frosh team, coached by Dave Tosh and Bob Hardcastle, will wind up its season Tuesday afternoon with a double-header at Chautauqua field against Belleville Junior College.

use only five or six players. After 15 matches, the individual statistics leaders are divided among three players.

Bob Payne has taken the low average lead from Jim Place with an average of 73.8. Place holds down the runner-up spot with a mark of 74.2. Jerry Kirby and John Krueger post a 75.3 season's average while Roy Gish, who hasn't seen too much action has a 77 mark.

Bill Muehleman, who has only played three matches lists a 77.3 average and Al Kruse shows a 77.7 mark. Leon McNair trails the field with an average of 78.5.

In the point producing department, Krueger heads the list with 35 points. He is followed closely by Payne and Place who have a total of 31 1/2 points.

Kruse has totaled 20 points, Kirby 16 1/2, Gish 16, Muehleman 9 and McNair 8. The individual won-lost records finds Krueger on top with a 11-3 slate, Payne is 10-2-2, Place 10-4, Gish 6-1, Krueger 5-8, and Kirby 3-7-2.

Muehleman and McNair have posted good records despite not playing too much this year. Muehleman has won all three matches he has competed in while McNair has won three of the five matches he's played in.

As a team, the Salukis are averaging 76.1 for 14 contests. A match that was played

with Mississippi on the pre-season southern tour has not been averaged in with the individual totals as yet. The Salukis won that match and the win is added into the team won-lost record.

Rights Committee To Study Election Irregularity Charge

The Student Rights Committee has scheduled a public hearing at 7 p.m. Monday in Activities Room "D" of the University Center for discussion of a bill, which was submitted to the Student Council Thursday night, concerning alleged unethical procedures in the student election campaign.

The bill, presented by Graduate Senator John Broyer, was submitted to the Council for consideration but was refused by roll call vote. A two-third majority vote would have been required for consideration of the bill.

Students are encouraged to attend the hearing and participate in the public discussion.

Some of the campaign ir-

regularities charged in the bill were "misleading statements and unauthorized endorsements contained in a special edition of the 'Southern Independent,' unauthorized use of state supplies, and misleading use of the University name in endorsement of a senatorial candidate, and anonymous publication and dissemination of literature of endorsement, containing statements false, misleading, and otherwise unjust to opponents."

Soccer Game Set

The Bluebirds will face the Arabs in a soccer game scheduled for Saturday afternoon at 4 o'clock on the football practice field. All students are welcomed to come.
