## Public hearing set on budget, rate increases

The Carbondale City Council The Carbondale City Council will conduct three public hearings at its meeting at 7 p.m. Monday, dealing with the proposed overall city operating budget, the proposed federal revenue sharing budget and a proposed increase in city water and sewer rates.

The council will also discuss a preliminary mem of intent with Joblin and Ass. iates for the proposed downtown hotel

Projected federal revenue sharing funds for Fiscal Year 1987 total \$280,654. About \$18 million in total city revenues is projected for fiscal 1987.

projected for fiscal 1987.
Proposed expenditures for revenue sharing funds total \$760,222, which exceed projected revenue by \$479,568.
Overall expenditures total about \$18.4 million, which is \$201,369 more than expected revenue.

The proposed expenditures include about \$3 million for public safety, about \$1.2 million for public works and about \$6.5 million for capital

improvements.
The proposed water and sewer rates would increase the minimum monthly bill by \$2.73 per month, from \$8.19 to \$10.273 per month, from \$8.19 to \$10.273 A typical family of four using 8,000 gallons per month could expect an increase of \$7.28 in its morthly bill.

If approved by the council,

the increases will take affect beginning with bills issued July 1.

The increase is expected to pay for a new water disinfection system, a new raw water pump at Cedar Lake, repairs on the Big Muddy River vault and rehabilitation of the city's sanitary sewer system

However, the increase will not be used for the proposed new water treatment plant,

said City Manager Bill Dixon Further increases could be needed if the plant is approved by the City Council later this spring.

The preliminary memo of intent with Joblin and intent with Joblin and Associates sets the city's top Associates sets the city's top dollar figure for the project at \$4.75 million, with the city being responsible for the parking garage and the first and second stories, as well as the foundation of the structure

#### Thompson backers get low-interest loan

CHICAGO (UPI) contributors to Gov. James R. Thompson's political fund have landed a low interest government loan to construct a luxury lakefront building with apartments renting for more than \$2,000 a month, it was reported. Campaign

disclosure statements show that the land owner, law firms and bonding houses involved in the project have denated more than \$30,000 to Thompson's war chest over the last five months.

taxes.
Ultimately, the savings comes at the expense of the taxpayers, because the state and local income taxes not paid by bond holders must be offset by higher taxes on the

rest of the public.
To obtain an IHDA loan, developers must pledge to rent a fifth of their apartments at reduced rates to familes with low or moderate incomes.

In the case of the 600-vait Illinois Center Apartments, the IHDA is requiring that 120 efficiency-type apartments be rented at \$450 per month to tenants who earn less than \$18,000 a year. That's \$191 per month below the market rate.

## Vote no on USO abortion question

THERE'S AN ITEM ON the Undergraduate Student Election ballot that is likely to cause a lot of furor on campus. On April 2, students will be asked whether they favor the addition of pregnancy and abortion coverage to their student health in-

What the students decide that cay will be relayed to the Student Health Advisory Board, which has been investigating adding this coverage to the student health insurance since last spring; if the advisory board approves the move, a proposal would go before the Board of Trustees. So in no way is the April 2 referendum a final decision.

Abortion is one of the touchiest subjects for public discussion today. Some people call it murder, citing the film "The Silent Scream," as showing a fetus reacting in pain as it is aborted. Others believe that is within a woman's rights to control her body and abort an unwanted pregnancy. Much name-calling and violent action has been done in the battle between the two sides.

BUT WHETHER ABORTION IS right should not be the issue in the campus referendum. The fact is that abortion is legal. What should be considered, however, is whether all students should be made to support something that may go against their

should be made to support something that may go against their personal morals and beliefs.

It is also rather discriminatory. Women can already take out optional pregnancy insurance, if they think they might become pregnant during the school year. The present standard health insurance pays for pregnacy tests at the Health Service, as well as funding counseling about birth control, pregnancy, as well as funding counseling about birth control, pregnancy and abortion referral services through the Wellness Center. But pregnant women are the only ones who would benefit from the increased coverage. At least pregnancy and abortion counseling is open to the male partners of the and abortion counseling is open to the male partners of the

Pregnancy is the result of making a choice, whether to have sex or not, whether to use birth control or not; all students should not have to pay the costs of the results of the choices of a relatively few students.

### Grad praises AIDS talks

I was able to return recently to SIU-C, my alma mater, to speak to interested staff and students on the topic of AIDS. My talk was sponsored by the SPC Expressive Arts Committee. I would like to compliment Ms. Christie Shaughnessy, her committee and the members of the Gay and Lesbian Peoples Union and Lesbian Peoples Union who worked with the four presentations made to the community.

The topic is of utmost im-portance to people in the

university community, some of whom we know experiment sexually and with intravenous drug use. I realize that this is a sensitive area and I know, too, that to sponsor such an event is both courageous and of significant importance to members of the university community.

My compliments to SPC for their foresight and courage to face a problem of significant importance and deal with it in such a pro-active manner. — Michael Scully, director, State of Illinois AIDS Hotline.

## VIGIL, from Page 1

The protesters crossed the street near the Amtrak station and continued their march down the opposite side, returning to the Interfaith Center.

Kevin Valentine, chairman Kevin Valentine, chairman of the group, said people gathered for the vigil should know that they are standing on the correct side of the issue regarding apartheid, the system of racial segregation in South Africa. South Africa

said the government of South Africa is going to have to learn to live with blacks because they were born there, bred there and they aren't going anywhere."
Valentine said in his prayer

that the people who were killed in Sharpeville did not die in vain, that there is something in the future they sacrificed themselves for and it will manifest itself soon.

'It should be remembered," he added, "that we are all human beings and when one dies a part of all of us dies." A student from South Africa,

Dennis Makhudu, echoed this sentiment saying in regard to those who died in Sharpeville that it should be remembered

"if anyone of us dies anywhere, we all die. In the pain of one person, all of us are diminished by that pain."

Ac-cording to Hutcherson, court supervision means that supervision means that judgment by the court for the shoplifting offence is suspended for the duration of the supervision. As long as the defendant stays out of trouble,

there is no additional judgement by the court, she said. Court supervision is like probation, she said, and the offender has to report address changes and movement within thestate

If a shoplifter is arrested a second time for shoplifting, they face criminal felony charges, said Hutcherson.

Despite increased activity on the part of the bookstore in trying to prevent shoplifting, Patheal said probably only one in 10 offenders is caught, which is consistent with national estimates on shoplifting prevention.

## Veterans assail covert acts

America is heading toward another "Vietnam" if it continues to pursue its covert policies in Central America,

policies in Central America, say two Vietnam veterans. Speaking to a group of about 30 in the Agricultural Building Friday night, E.G. Hughes and Jim May said people need to write their congressmen and oppose covert activities in Central America by the Central Intelligence Agency or else the United States will find itself involved in another war like the one in Vietnam.

The discussion was a part of "Central America Week," sponsored by the Southern Illinois Latin America Solidarity Committee.

Solidarity Committee.
Hughes, an artilleryman who served in Vietnam between 1968 and 1969, said that those who served in Vietnam were supporting "American imperialism."

## Lack of depth costs men's track team victory

The Southeast Missouri State men's track team used its greater team depth to outdistance SIU-C and Purdue in a triangular meet Saturday at wind Stadium. wind-swept McAndrew

With seven first-place finishes and 10 second-place finishes, SEMO won the meet

with 78 points.
In contrast, the Salukis' lack in contrast, the Salukis lack of depth was responsible for their second-place finish of 61 points. The Salukis won six events but managed only three second-place finishes. Purdue finished third in the meet with

60 points.
With the exception of six of his athletes, Saluki men's his athletes, Saluki men's track coach Bill Cornell said that he was not too happy with his team's performance. Cornell was also disappointed with his team's lack of dedication.

"I hope our athlete un-derstand that they have o get their butts in gear ar i pull their socks up and pay the price in practice if they want to reach their maximum potential, Cornell said.

The six athletes Cornell was impressed with included weightmen Ron Harrer and Brian Anderson; middle-distance runners Mike Elliott and Andrew Pettigrew; hurdler Larry Holloway and Bret Garrett in the sprint events.

Harrer, a sophomore from Arthur, was a double winner for the Salukis in the discus with a personal best 183-1) and the javelin (179-10). He also finished second in the hammer (149-9) and third in the shot put (47-11.5).

Cornell said Harrer's per-formance was the highlight of

"He was a disappointment in the shot put but he did a good job in the discus and the javelin," Cornel! said. "That throw of 183-1 indicates to me that he is going to be a future school record-holder in the discus and that he has a good shot of qualifying for the nationals."

Anderson, a walk-on from Harper Junior College in Palatine, finished first in the hammer with a 158-2 effort. It was a surprising performance by Anderson, considering he failed to score any points in the

Brian is a welcome addition for the outdoor season," Cornell said. "He started off with a victory and with a performance that can probably score points in the conference meet. I think he'll improve as the season progresses."

Elliott, a senior from Belvidere, led from st. rt to finish to win the 800-meter run in 1:52.73. He also anchored the Salukis' come-from-behind victory in the 1600-meter relay

by running a 49.91 split.
When Elliott received the baton from teammate Connor Mason, he trailed SEMO runner Pedro Caceres by

approximately four meters.

But with 250 meters remaining in the race, Elliott applied the afterburners and sped past Caceres to help SIU-C win the race going away in 3:18.34. SEMO finished second

Pettigrew, a sophomore from Maidenheed, England; won the 1500-meter run in 3:50.59. He stayed in the pack at the beginning of the race but was never seriously never seriously was never seriously challenged after passing SEMO's Norm Kellar in the third lap.

"I thought I worked quite hard in the race even though my time wasn't that fast because of the wind," Pettigrew said. "I didn't realize how windy it was until I stepped out of the pack."

Holloway, a freshman walk-on from Oreana, finished second in the 400-meter in-termediate hurdles (55.91) and third in the 110-meter high (16.27).

Bill Henning finished second in the 110-meter high hurdles with a time of 16.20.

Garrett, a sopnomore from Sparta, finished third in the 400-meter dash (49.14) and had the best split (47.93) on the Salukis' 1600-meter relay

The contest was close until Greenville yanked Jaime Colon after the fifth iming for Colon after the fifth inning for a reliever. The Salukis responded with five hits and eight walks, bring 11 baseruners across the plate. Starier Gary Bockhorn, meanwhile, struck out six batters and walked just one in

six innings in his best game of the young season. He was only touched for three runs, all in the third inning. Bockhorn's record goes to 3-0 with the win. The Salukis will return to

action Tuesday afternoon, when Murray State comes to Abe Martin Field for a 2:30

## GYMNASTS, from Page 16-

The Salukis' final event, the floor exercises, brought SIU-C another season team high score of 46.75. The team's former best score was 46.10, earned in the athletes' March 9 victory over the University of Missouri.

## Women swimmers 5th at NCAAs

By Sandra Todd

Finding just about any Saluki sports team consistently among the ranks of such powerhouse schools as Texas, Florida, Stanford, Texas, Florica, Stanford, California-Berkeley and UCLA at an NCAA championship event might raise a fan's eyebrows in surprise, but in Saluki women's swimming, the element of surprise has come to be expected.

The Saluki women's team

took a measly 88.5 point forecast at the outset of the NCAA Swimming and Diving Championships on Thursday in Fayetteville, Ark., and doubled their winnings to pull a fifth-place upset over UCLA by one point on the final event Saturday.

As if this weren't enough, irst-year Saluki coach Bailey Weathers was chosen by his colleagues as NCAA Coach of the Year. As testimony to this honor, Weathers brought home

a squad of eight All-Americans, four of them seniors, holding 5 new school

Clemson, 123.
Teamwork, in the truest sense of the word, is what saw the Salukis through the most tense moments of competition.
Going into Saturday's finals,

SIU was in fifth place, however., UCLA overtook the lead and had a coe-point advantage going into the final event, the 400-free relay.
Originally seeded at 15th place, the Saluki quartet of Stacy Westfall, Sue Wittry, Claudia Zierold and Rene Royalty jumped 10 places to finish fifth with a Saluki record of 3:24.04. and with it were of 3:24.04, and with it were ensured their second-consecutive 5th-place overall finish and fourth-consecutive

## Women gymnasts find success in Gateway Invitational, foes tie

By M.J. Starshak

The Saluki women's gymnastics team finished its season with a bang Sunday with a spectacular Gateway with a spectacular Gateway Invitational victory over In-diana State and Illinois State Universities and a compiled easor Lord of 8-5.
The meet left the Redbirds of

Illinois State and the Lady Sycamores in a tie for second place (179.45) behind the triumphant Salukis (180.60). The Salukis' score raises the team average to 179.25 from 177.90

Coach Herb Vogel men-tioned before the meet that he would like to beat Illinois State
University as well as score in
the 180s. Defeating the Redbirds was important to the
Salukis because both teams are competing for a bid to the regional competition, which will be held in Baton Rouge, La., April 4-5.

Vogel also said that he feared the gymnasts might get complacent with their complacent with their positions on the team and might not push themselves hard enough.

Such was not the case with seuior Lori Steele, who not-ched first place in the all-around with a season high of 36.90, tied for third place in vault (9.30) and scored a 8.95 on balance beam. Steele performed a strong routine in floor exercises to tie for first place with teammate Michelle Spillman and Redbird Nancy

enza with a score of 9.65.
The Salukis scored their The Salukis scored their season high team score on the uneven bars (46.65) in addition to winning all events except the balance beam, traditionally a sore spot for the Saluki squad.

Energetic performances on the uneven bars by Spillman, who took first place with a 9.75 topping her season best, Margaret Callcott (9.60 to take second place) and freshman Cheri Crosby (an impressive 9.56 for third place), aided the Salukis in their tcp uneven bars score.

"If anything, the name-calling gets me more pumped

up. I play better under those situations," Meunks said.

If not the most visable, the real stars of the doubleheader were Rivermen pi.chers Kevin Blanton and Tom Lewis, who each twirled complete games.

"We didn't swing the bats smartly. We swung at a lot of bad pitches," Saluki coach Richard "Itchy" Jones said.

The Salukis also hurt their chances for a victory in the first game with six errors, while the Rivermen had no

In the second game, the Salukis started Lee Meyer, who had ongoing problems throwing strikes. He was still bothered by lack of control, walking three batters and allowing four runs in one and one-third innings.

Muenks, not unexpectedly, walked to first on four pitches to open the first inning. Tony Leask also walked, putting runners first and second. In a goofed-up rundown initiated by McKinley with two out, Leask slid into second safely while Muenks scored

The Salukis replied with a run of their own in the same inning with a Robert Jones single that scored Hillemann from second base after he had

gotten on base by getting hit by a pitch and stealing second. The game was decided in the second inning when the Rivermen scored five runs. With Meyer still throwing,

Murphy drew a walk and Aiello hit a double in the right field gap. Th. runner on third scored on a Meyer wild pitch, and Aiello scored on Gre Ramsbottom's single to right.

Trailing 3-1, Jones had seen enough and yanked Meyer for reliever Shane Gooden.

John Stevenson greeted Gooden with a double down the first base line, advancing Ramsbottom to third.
