Trustees OK \$95.5 Million Budget

Board Seeks Ph. D. Studies In Sciences

A recommendation for a doctor of philosophy degree program in the physical and mathematical sciences was voted Friday by the SIU Board of Trustees, holding its November meeting on the Carbondale campus.

In asking that the recommendation be forwarded to the State of Illinois Board of Higher Education, SIU President Delyte W. Morris said final approval "will enable us to make our contribution to the large supply of scientists needed in university teaching and research, in industry, and in government." He cited Southern's ability to supply space and equipment needed for such a program, through construction of the new Physical Science and Technology buildings.

The University's trustees approved the appointment of John Y. Simon to the faculty as an associate professor of history and to head a research project which involves publication of the collected works of Ulysses S. Grant, Simon, a native of Highland Park, Ill., and holder of the masters and Ph. D. degrees from Harvard University, is executive director of the Ulysses S. Grant Association.

Short term appointment as visiting specialists were approved for four notable leaders in their fields. H. Kenneth Allen, former chairman of the department of economics at the University of Illinois and author of two works on public finance, will serve through the spring quarter as visiting professor of economics. While at Illinois, he also served as director of its Bureau of Economics and Business Research.

Eric Christmas will serve

Four Moms and Dads Selected for Honors During Annual Parents Day Festivities

Two sets of parents have been selected to represent the thousands of parents of SIU students at the annual Parents Day today.

They are Mr. and Mrs. Herald W. Mougey of Rittman, Ohio, parents of Douglas H. Mougey, and Mr. and Mrs. Raymond Keiner of Du Quoin, parents of Linda and Edward Keiner.

They were selected in a drawing from among some 300 entries, said Dan Crumbaugh, chairman of the selection committee.

The parents will be honored throughout the day. Starting at 9:30 a.m. they will have coffee with President Delyte W. Morris.

At 2 and 2:30 p.m. they will be presented at convocation programs. Following a buffet in the evening, they will be guests of President Morris at the football game.

A folk singing group and a fashion show are scheduled for the convocation program.

Hundreds of parents are expected to come to the campus for the event. Parents will be registered from 10 a.m. until 2:30 p.m. today at the main entrance of the University Center.

Walking tours of the campus will be given between 10:30 a.m. and 3 p.m., leav-

ing from the north entrance of the Center. A tour train will make trips through the campus between 3:30 and 5 p.m., from the east entrance of the Center.

Slides entitled "This is Southern" will be shown between 12:30 and 2:30 p.m. in the Mississippi River Room of the Center.

Following the convocations a coffee hour will be held in the Center's Ohio River

Room. It will last from 3 to 5 p.m.

A buffet dinner will be held in the Roman Room of the Center between 5:30 and 7:30 p.m.

After the SIU-Toledo game there will be a dance and hootenanny in the University Center.

Visitors to the campus can get a look at the new SIU Arena Sunday. The building will be open from 8 a.m. to 3 p.m.

Parents Event Marks 15th Year

Today marks the 15th anniversary of Parents Day at SIU.

The event represents an opportunity for the parents of SIU students to see, at first-hand, the University and the life it represents to their sons and daughters.

The idea for the first Parents Day goes back to 1950, when I. Clark Davis, dean of men, and Leah Farr, acting dean of women wanted to give parents more information on SIU.

"We wanted to give the parents of our students a better understanding of Southern," Davis, now director of Student Affairs, said this week recalling the activities of that first Parents Day. "Many pa-

rents were not acquainted with what a University was and what its future was," he continued.

"Yet they were vitally interested in their sons' and daughters' education. Therefore, we wanted to acquaint them with Southern and the new relationship which existed between them and their son or daughter because the student had established his University home."

Finding the solution wasn't easy, though. According to Davis he knew of no other University at the time which had a Parents Day. The closest thing in existence were Dads Days. But Davis and Miss Farr

(Continued on Page 8)

Two-Year Total Is 69% Higher

The SIU Board of Trustees Friday approved an operating budget of \$95.5 million for the next two years.

But the Board tabled until its December meeting a capital improvements budget request of \$165.9 million.

The operations budget now goes to the State Board of Higher Education for evaluation prior to presentation to the state legislature.

The two-year operations budget represented a 69 per cent increase over the 1963-65 budget of \$56.3 million.

In making the request, President Delyte W. Morris cited three major factors:

Southern's transition to a true year-around operation, with four full 12-week quarters; an ever-increasing total enrollment which is estimated to reach 27,000 by 1967; and salary deficiencies which hamper the University's search for competent teachers and researchers as well as create problems in retaining current faculty.

More than half of the \$39.2 million increase--\$21 million--involves what Clifford R. Burger, SIU budget officer, termed built-in increases. These include carrying over faculty and staff at new higher rates of pay.

John S. Rendleman, vice president for business affairs, presented a capital improvements budget request for \$165.9 million to cover the next two bienniums. Rendleman said Southern's enrollment is expected to reach 36,000 to 40,000 by that time. The request covered for all of SIU's campuses.

Board members, however, felt more time was needed to study the request.

Alumni Invite Morris

President Delyte W. Morris will speak at a reception given in his honor by the White County Alumni Chapter Tuesday evening at the Carmel Township High School Auditorium.

Methodists Set Conclave In Nebraska

Approximately 25 SIU students from the Wesley Foundation are expected to attend the Eighth Quadrennial Conference of the Methodist Student Movement from Dec. 28 to Jan. 2.

Lincoln, Neb., will host the conference with an anticipated attendance of 3,500 students from 50 states and 40 foreign countries.

Theme of the conference will be "The Church in the World." Miss Lisa Howard, American Broadcasting Co. journalist, will deliver the keynote speech on the political realm of current events.

Additional speakers will talk on race issues and Latin American affairs.

In addition to speakers, special interest discussion group and study sessions will be held during the five-day conference.

Students interested in attending the conference have until Nov. 28 to register. Forms and further information are available at the Wesley Foundation.

75 Baptist Students From SIU Attending State Convention

Members of the SIU Baptist Student Union are participating in the Illinois Baptist Student Union Convention in Mount Vernon this weekend.

About 75 members of BSU left Friday evening to attend the two-day event at which Gary Grigg, local and state BSU president, will preside.

"When Students Worship God" will be the theme of this year's convention.

SIU will furnish entertainment through the Chapel Singers and a dramatic group with a one-act play, "Christ in the Concrete City," according to Charles E. Gray,

director of student activities for BSU.

The play is directed by Priscilla Henshaw and the cast includes Terry Peterson, Charles Harris, Stan Hill and Frostie Croslin.

Student summer missionaries from Southern will also be on hand to give reports of their experiences in several states and foreign countries. Les Pappas, Jerry Moore, Georgina Phillips and Martha Jackson will tell convention participants of their duties.

Majda Quick, Joe and Bonney Spicer and Effie Mae Kelley will also relate their missionary activities.

Harold Graves, SIU graduate of 1933, will be one of the speakers at the convention. Graves, a native of Herrin, is the president of Golden Gate Baptist Seminary, near San Francisco.

Weekend Activities Guide

Saturday

Parents Day style show and convocation are scheduled from 2 to 3 p.m. in the University Center Ballrooms.

Parents Day coffee hour is planned from 3 to 5 p.m. in the University Center River Rooms.

Slides on life at Southern will be shown from noon until 2 p.m. in the University Center River Rooms.

Parents Day buffet will be held at 5:30 p.m. in the University Center Ballroom.

Parents Day dance with the "The Night-owls" band after the football game in the University Center Ballroom.

Football tickets will be on sale from 8 a.m. until 5 p.m. in Room H, University Center.

Football: SIU vs. University of Toledo at 8 p.m. in McAndrew Stadium.

Interpreter's Theatre will have a Reader's Theatre Workshop from 8 a.m. until noon in Muckelroy Auditorium.

Interpreter's Theatre will give a performance of "Tiger, Tiger Burning Bright" at 8 p.m. in Morris Library Auditorium.

"The Green Years" is the film feature for the Children's Movie Hour at 2 p.m. in Browne Auditorium.

"Boy on a Dolphin," starring Sophia Loren and Alan Ladd, is the film feature for the Movie Hour this week, which begins at 6:30 and 8:30 p.m. tonight in Furr Auditorium.

Savant will present "Camille" with Jim Bob Stephenson, associate professor of theater, at 8 p.m. in Browne Auditorium.

The University School gymnasium will be open to students today from 1-5 p.m. for practice.

Mixed swimming from 1 to 5 p.m. in the University School Pool.

The Department of Music will sponsor a Composers Workshop from 8 a.m. until noon in Davis Auditorium.

Graduate English Theme Test will be given from 9 a.m. until noon in French Auditorium.

The Law School Admissions Test will be given from 8 a.m. until 5 p.m. in Morris Library Auditorium.

Block and Bridle Club will meet from 7:30 until 9:30 p.m. in the Agriculture Seminar Room.

Iranian Student Association will meet at 2 p.m. in Room C, University Center.

Organization of Arab Students will meet at 3 p.m. in Room F, University Center.

University Student Council will meet at 8 a.m. in the Renaissance Room, University Center.

The University Center Programming Board is sponsoring a record dance at 8:30 p.m. in the Roman Room. The theme is "Orphan's Port."

Sunday

"The White Reindeer" is the film feature today at 6:30 and 8:30 in Morris Library Auditorium.

Creative Insights will present a talk on "Silversmithing," by Louis Brent Kington, assistant professor of art, at 7 p.m. in the University Center Gallery Lounge.

Sunday Seminar will feature "Current Methods of Psychoanalysis" by John G. Martire, associate professor of psychology,

at 8:30 p.m. in Room D, University Center.

Department of Music will sponsor a Composers Workshop from 9 a.m. until noon in Morris Library Auditorium.

Alpha Lambda Delta will have a pledging ceremony at 2:30 p.m. in Morris Library Auditorium.

TIDS (Those Interested in Development service club) will meet at 4 p.m. in the University Center Ballroom.

Chess Club will meet at 6 p.m. in the Olympic Room of the University Center.

Rifle Club will meet at 1:30 p.m. in Old Main.

University Center Programming Board will be in Room H of the University Center from 8 a.m. until 5 p.m.

The University School gymnasium will be open to students today from 1 to 5 p.m.

Mixed swimming from 1 to 5 p.m. in the University School Pool.

The Mr. and Mrs. John Russell Mitchell Art Gallery will have paintings of Fairfield Porter on display from 2 to 4 p.m. in the Home Economics Building.

The Opera Workshop is featured in the concert this Sunday at 4 p.m. Excerpts from "Madame Butterfly" and the forthcoming production of "Faust" will be presented.

Monday

Journalism Students Association will have a "Jobs in Journalism" lecture at 10 a.m. in the Agriculture Seminar Room.

Inter-Varsity Christian Fellowship will meet at 11 a.m. in Room B, and at 7:45 p.m. in Room D, of the University Center.

Theta Sigma Phi will have a luncheon at 11:30 a.m. in the Ohio and Illinois Rooms of the University Center.

Panhellenic Council will have rush registration from 8 a.m. until 5 p.m. in Room F, University Center.

Housing staff will meet at 2 p.m. in Room E, University Center.

Alpha Phi Omega will meet at 9 p.m. in Rooms 106 and 122, and in the Family Living Lab of the Home Economics Building.

Judo Club will meet at 5 p.m. at the Arena concourse.

Jewish Student Association will meet at 8 p.m. in Room E, University Center.

Xi Sigma Pi will meet at 2 p.m. in the Agriculture Seminar Room.

Alpha Kappa Psi will have a pledge meeting at 9 p.m. in Room 214, Agriculture Building.

Accounting Club will meet at 7 p.m. in the Morris Library Lounge.

Young Republicans will meet at 7:30 p.m. in Room F, University Center.

Interpreter's Theatre will have a rehearsal at 6:30 p.m. in the Studio Theatre.

Student Peace Union will meet at 7:30 p.m. in Room E, University Center.

Intramural Athletics will sponsor weight lifting and conditioning daily from 8 a.m. until 10 p.m. in the quonset hut.

Women's Recreational Association badminton class will be in the Women's Gymnasium from 4 to 5 p.m.

Yearbook photos of the Fencing Club are to be taken at 7:45 p.m. in the Agriculture Arena.

Yearbook photos for the SIU Young Republicans are to be taken at 7:30 tonight in the Agriculture Arena.

BEA ADAMS

Bea Adams, Leader In Ad Field, to Talk

Bea Adams, one of the top women in advertising, will speak at a "Jobs in Journalism" lecture at 10 a.m. Monday in the Morris Library Auditorium.

Miss Adams is vice president of the Gardner Advertising Company, which has branches in St. Louis, New York, Hollywood, London, and Milan.

She was named National Advertising Woman of the Year in 1950, and Life magazine recognized her as one of 27 American women of achievement in 1951.

Fortune magazine cited her as one of the top 36 American business women in 1956. In 1961 she became the first night-school student to receive the Founders Day Citation from Washington University, St. Louis.

Fuller Dome Film on TV

Building of a Fuller geodesic dome will be featured on "The Fuller World" at 7 p.m., Monday, on WSIU-TV. This documentary film will use stop-motion photography to show the construction of a dome.

Other program highlights are:

- 5 p.m. What's New: Types of turtles, how an ion rocket works and Iranian folk music.
- 6 p.m. Encore: Of People and Politics.
- 6:30 p.m. What's New: Grizzly bears and mountain lions, pictures of the moon and folk music of Thailand.
- 8:30 p.m. SIU Football.

Student Board to Meet

Intramural Student Board will meet at 9:15 p.m. Tuesday in Room 128 of the Arena.

Labor Party Acts Quickly on Economic Matters

Prime Minister Wins Narrow Victories In Parliament

By Jack Harrison

Britain's new Labor government has wasted no time letting its presence be felt--both at home and abroad.

Parliament has completed its first week in session, which included a couple of important, though necessarily narrow, victories for the Labor Party and its prime minister, Harold Wilson.

Also this week, Wilson announced several improvements in the welfare program and repercussions were felt from the 15 per cent extra tariff on imports put into effect soon after the Laborites gained power last month.

Two votes of confidence in the Labor government came in the course of debate over the traditional motion of thanks to Queen Elizabeth for her address written by the government and delivered at the opening of Parliament.

An amendment by the opposition,

Sanders, Kansas City Star

THE DRIVER'S SEAT

dealing specifically with the issue of nationalization of the steel industry, was defeated 306 to 300.

The margin was a little more, 315 to 294, on approval of the legislative program in general. The Liberal Party, which has nine seats

in the House of Commons, supported this latter vote but opposed the government on steel nationalization.

The makeup of the House is 316 Labor, 302 Conservative and nine Liberal.

Wilson's government is planning to nationalize 10 or 12 of the largest steel companies. Steel was nationalized from 1951 to 1953 by the last Labor government.

The steel nationalization bill, however, probably will not be ready for action before next spring.

Quicker action is being taken on popular reform measures, including pension increases, cutting Health Service charges and strengthening rent controls.

New taxes also have been announced, to lessen the burden on the workers and shift more of it to corporations and capitalists.

Some observers say Wilson may be planning on a spring election to try to get a larger majority. His tough attitude toward the opposition may be aimed at forcing an election. And many of the programs already announced could influence the voters to give the Labor

Party a more comfortable majority in Parliament.

Britain's partners in the European Free Trade Association have been disturbed by the tariff on imports. But they have been reassured that the measure is only temporary, designed to bring the balance of payments problem into line quickly.

Wilson will come to Washington Dec. 7 and 8 to confer with President Lyndon Johnson on a variety of topics.

Among them will be the U.S.-proposed multilateral nuclear force, which Britain has indicated opposition to. The force would consist of 20 Polaris-manned surface ships manned by personnel of the NATO countries.

The new British government apparently has not had time to formulate a definite policy on the "mixed-manned" nuclear force, however. The U.S. says it will allow a delay on the treaty until early next year.

Admission of Red China to the U.N. and the shaky NATO alliance also will be discussed by Wilson and Johnson.

Le Pelley, Christian Science Monitor

'NOW YOU'RE NOT SUDDENLY GOING TO GO INTO THE TWIST OR ANYTHING...'

Ed Valtman, Hartford Times

'I DON'T THINK IT'S GOING TO LAST LONG'

Johnson Planning 'Great Society' of Abundance, Liberty

By Harry Kelly

WASHINGTON (AP) -- President Johnson is, or soon will be, poring over a batch of special reports he will use in charting the course of his own administration - and the nation - in the years ahead.

From them Johnson intends to draw up the blueprints for his legislative plans that he will hand to Congress in his State of the Union address in January.

The reports are being drafted by almost a score of task forces he assigned weeks ago to such long-standing problems as education, transportation, the urban jumble, care for the elderly, the economy and others.

Many refer one way or another to his version of what he calls the "Great Society," a concept he

first discussed publicly last May in a speech at the University of Michigan.

Abundance and liberty for all with an "end to poverty and racial injustice" is just the beginning and the places to start to build this "Great Society," he said, are "in our cities, in our countryside and in our classrooms."

Much of his stress was on the turmoil and problems of the growing, tangled cities - the slum, overcrowded schools, snarled traffic, housing - and he said "in the next 40 years we must rebuild the entire urban United States."

But the solutions, he said, would not come from a massive Washington project but required "new concepts of cooperation - a creative federalism - between the national capital and the leaders of local communities."

So far few details have leaked

Johnson Got 61.1%

WASHINGTON (AP) -- President Johnson has a record lead of 15.6 million votes over Sen. Barry Goldwater as unofficial returns from the Nov. 3 presidential election continue to trickle in.

All but 870 of the more than 175,000 voting units having reported, the unofficial vote is: Johnson 42,374,405, Goldwater 26,731,717.

The President has 61.1 per cent of the presidential vote of 69,306,122.

With 270 needed to win, Johnson rolled up 486 electoral votes by carrying 44 states.

out about the task forces' progress. One group is reportedly weighing the pros and cons of various tax reduction plans. Another is said to be studying the possibility of hitching Social Security payments to ups and downs in the cost of living.

Much of such social legislation - for aid to education, medical care for the elderly through Social Security, urban affairs, for instance - have hit hard walls of opposition in the past.

Many Republicans and Democratic conservatives have stormed at the hazards of "big government and big spending."

But this time, Johnson has a running start.

His programs stand to receive the warmest reception in Congress of any president's since Franklin D. Roosevelt's in the 1930s. Not only did Johnson win the presidency on his own with a landslide, he has a Congress where the Democrats have a top-heavy majority in the Senate and will rule the House with their biggest majority since the New Deal's high tide in 1936.

And one of the first battles for the new Congress after it convenes in January will be over medical care for the elderly. For years its passage has been blocked in the House.

But this time administration leaders think they'll get it through.

Associated Press News Roundup

Viet Cong Advances In Wake of Floods

SAIGON, South Viet Nam (AP) — Communist guerrillas advanced south through flood-ravaged provinces north of Saigon Friday while in the capital Premier Tran Van Huong stood off two challenges to his new regime.

It seemed symptomatic of the frustrations dogging South Viet Nam that at a time of national disaster, Buddhist students demonstrated demanding an end to Huong's young regime. And the High National Council that appointed him put him to hostile questioning.

Helpless to stop the southward infiltration of the Viet Cong because of wrecked communications, Huong's government put on a military show of strength that cowed student toppers of Vietnamese governments.

Truckloads of troops, including elite airborne units, poured into Saigon. A company of airborne soldiers took up positions behind barbed wire at Dien Hong Palace, where the government was in session.

There was no violence, although riot police and paratroopers eventually were used to hold back the 1,500 demonstrators.

The youths, starting from Saigon student union headquarters, stormed through four police lines on their way

Laser Beam Tracks Explorer Satellite

WASHINGTON (AP) — The Space Agency announced Friday the first successful tracking of a satellite by a Laser beam—a concentrated ray of light.

Scientists have hit the satellite, Explorer 22, with Laser beams at least 10 times in the past month and are optimistic about possible use of light beams in space work.

Laser guns mounted on telescopes at the Goddard Space Flight Center, Greenbelt, Md., and at a General Electric Co. station at Phoenix, Ariz., have bounced light beams from the satellite several times since their first success Oct. 11.

The time required for the Laser beam to reach the satellite and return can be used to measure distance. The National Aeronautics and Space Administration said that at the 600-mile distance to Explorer 22, such measurements are accurate to within 10 feet.

WELCOME PODNUH — President-elect of Mexico, Gustavo Diaz Ordaz, receives the full Johnson "treatment," while out riding in the front seat of the motor cart with the president. Mrs. Johnson and Mrs. Diaz Ordaz sit in the back seat. Mr. Johnson chaffered the group from the landing strip to the house at the LBJ Ranch. (AP Wirephoto)

Two-Hour Fight

Israeli Planes Use Napalm To Destroy Syrian Positions

TEL AVIV, Israel (AP) — Israeli warplanes destroyed Syrian Border posts with napalm and gunfire Friday after a ground battle set off by Syrian shooting, an Israeli military spokesman announced. He said two Israeli civilians were wounded in the two-hour fight.

He said the Syrians started the fight, which turned out to be the longest on the frontier in several years, with machine gun fire, then lobbed in mortar shells and finally

Experts Struggle Over Tariff Cuts

BRUSSELS, Belgium (AP) — European Common market experts struggled all day and into the night Friday with the dispute over what tariffs they want cut in half at the Kennedy Round of talks in Geneva.

France and West Germany were the main antagonists. France wants a long list to protect its industries. More prosperous Germany wants a shorter list.

Final decisions will be made by cabinet ministers in a meeting Saturday that may run into the small hours of Sunday. If they fail to agree on which industrial products they want exempted, they will ask for a month's delay in submitting the joint list. The member nations are France, West Germany, Italy, Belgium, the Netherlands and Luxembourg.

The U.S. government has announced that it will have its list and other major nations also are expected to be ready when the talks open in Geneva Monday.

Within the Common Market, the most difficult products to settle on are textiles, automobiles and trucks, paper products—including paper pulp and newsprint—watches, chemicals, machinery and nuclear reactors and fuel elements.

NOW is the time to make plans for your holiday trip home. Let us make reservations and arrangements for you at no extra charge.

brought up two World War II German Panzer tanks.

Firing started from one position against an Israeli Army patrol inside Israeli territory and spread to five Syrian positions directed against the Dan and Shaar Hyishuv collective settlements, he added.

The spokesman claimed two houses were hit, electric installations destroyed and a fuel tank blown up.

He said the Panzers were knocked out by fire from two Israeli tanks.

When firing continued, he said, Israeli planes were ordered into the air and destroyed one position with napalm and strafed the others.

The planes "finally smashed the Syrian positions at Tel Hamra and Azyziat areas" after the Syrians ignored a call by the United Nations for a cease-fire, the spokesman said.

Clay Is Hospitalized

With Severe Hernia

BOSTON (AP) — Heavyweight champion Cassius Clay was taken to Boston City Hospital in an ambulance Friday night and a hospital spokesman said he had an incarcerated hernia which might require immediate surgery.

The development appeared certain to force a postponement of Clay's title match with former champion Sonny Liston at Boston Garden Monday night.

Editors' Workshop Schedules Full Slate of Activities Today

The Illinois Editors' Workshop, sponsored by the Department of Journalism and the Extension Division, began its first full day of activities today after an informal get-

Outside Book Drop Installed at Library

"In response to intermittent requests," an outside book drop has been installed on the southwest corner of Morris Library, officials said.

together Friday night at the Holiday Inn.

On today's agenda:

9 a.m.--Tom Pendergast, bureau chief of Associated Press, St. Louis, will discuss the handling of teletypesetter copy.

10:30 a.m.--Wire copy editing and headline writing will be discussed by E.A. Talley, St. Louis Post-Dispatch telegraph editor and director of the workshop.

Noon--Lunch will be served in the River Rooms of the University Center.

1:30 p.m.--C. Richard Gruny, legal counsel of SIU, will discuss libel and other legal problems of the press.

3 p.m.--Harold Blumenfeld, picture editor of United Press International, will discuss picture editing.

4:30 p.m.--Tour of the Daily Egyptian.

6 p.m.--Dinner followed by the SIU-Toledo football game at 8 p.m.

The workshop will resume at 9:30 a.m. Sunday with a talk on editing local copy and writing headlines by Emmett Bedford, associate workshop director.

After Bedford's talk, a forum session on editing problems that have arisen during the workshop will end the program.

as artist - in - residence for theater during the winter quarter. A director and player in television productions for the British Broadcasting Corporation and in radio for the Canadian Broadcasting Corporation, he is a member of the Stratford Company, Stratford, Ont.

Richard Lawton will serve through the spring quarter as a visiting professor of geography, under provisions of the International Educational Exchange Program. He is a member of the faculty at the University of Liverpool, England. Taking Lawton's place at the University of Liverpool is David E. Christensen of the SIU faculty.

Sidney Moss will be a visiting professor of English through the spring quarter, replacing E. Earle Stibitz who is on sabbatical leave. Professor Moss has served as editor at the University of Illinois and as professor at Murray (Ky.) State College.

INCONSPICUOUS SIGN - Hard-to-see "one way" sign on High Street resulted in issuance of traffic tickets this week to two SIU students. The tickets were protested and later dismissed.

Complaint of 'Hidden' Sign Wins Dismissal of 2 Tickets

A complaint that a one-way street in Carbondale had been inadequately marked brought dismissal of two traffic tickets against SIU students this week.

The tickets had charged Jack F. Erwin and Gary E. Kilgos with driving the wrong way on High Street Wednesday evening.

Both had protested that the only sign indicating that High Street was one way was facing in such a way that it could only be seen if a driver looked back after turning into the street.

Erwin was told by the arresting officer, Probationary Patrolman Mike Deming, that it didn't matter whether there were any signs or not, that it was still against the law to drive east on High Street.

Deming told Erwin that traffic signs were placed "strictly as a convenience to you," and that the existence of signs was not necessary to enforcing the law. He said this included stop signs and no-parking signs.

Thursday Erwin complained to Police Chief Jack Hazel, who went with him to look at the sign in question. Hazel agreed that the marking was inadequate and secured dismissal of the two tickets, after advising the Carbondale Street Department of the sit-

uation and requesting additional signs.

He said there would be no more tickets written on High Street until the signs were improved.

Commenting on Deming's issuance of tickets, Chief Hazel said it is not the policy of his department to harass motorists, adding that he is always willing to listen to valid complaints of unjust treatment.

Grass Fire Brings Student 'Firemen'

Residents of Saluki Hall and members of the ROTC Honor Guard have earned merit badges in fire fighting, and Smokey the Bear should be proud of them.

A grass fire at Southern Hills Wednesday night threatened to spread out of control, and about 30 students from Saluki Hall and 10 members of the honor guard arrived to put the squelch on the blaze.

City firemen could not get their truck close to the fire because of a railroad track.

The students arrived at the scene with shovels and beaters, and within two hours, extinguished the blaze.

It was not known how the students learned of the fire.

Psychology Study To Be Discussed

A meeting to discuss problems and techniques in applying for graduate work in psychology will be held Thursday at 3 p.m. in the Studio Theatre.

Several psychology faculty members will attend the meeting to discuss graduate training opportunities in psychology.

Salukis Hope to Ground Rockets Tonight

Southern Must Contain Nation's Eighth-Best Passer

By Richard LaSusa

While U.S. scientists ready themselves for another Mariner spacecraft launching, SIU's limping Salukis will attempt to ground some potent Rockets tonight in McAndrew Stadium.

Game time for the annual Parents Day football contest is 8 p.m.

Don Shroyer's Salukis, 2-6 for the season and currently in a three-game losing streak, will entertain the Rockets of Toledo University, with hopes of evening the record with the visitor.

In the first football game between the schools, last season, the Rockets 14-0, and are slight favorites to repeat this year.

Toledo, led by the accurate passing of quarterback Dan Simrell (eighth in the nation in passing) and the running of Jim Gray and Jim Berkey, is 1-7 for the season but has shown improvement in recent weeks.

The Salukis also have shown

some improvement in their last two outings. SIU's two latest losses--14-13 to North Texas State and 23-21 to Lincoln--were close and a few breaks could have reversed the outcomes.

Bad breaks have hurt Southern--including the nullification of the winning score in the North Texas game and ano-

Phillips, a 5-9, 173-pound flankerback from Decatur, is the Salukis leading scorer with 47 points and top pass receiver with 26 catches for 390 yards and five touchdowns.

Hart utilized Phillips' fine pass-catching abilities on touchdown passes of 31 and 47 yards in Southern's last-ditch attempt to overtake Lincoln.

Weber, a Mattoon Junior, has been the workhorse in Southern's ground attack. The 5-8, 178-pound halfback carried the ball 21 times for 48 yards in the Lincoln games, and is the Salukis' leading rusher with 377 yards in 116 tries.

Rounding out SIU's starting backfield is fullback Monty Riffer, a 6-0, 185-pound junior who has picked up 225 yards in 66 rushing attempts this season.

On the offensive line, the Salukis will have Tom Massey and Bonnie Shelton at ends, tackles Isaac Brigham and Vic Pantaleo, guards Mitchell Krawczyk and Earl O'Malley and center Bonnie Hill.

Responsible for stopping Toledo's potentially explosive running and passing attack is the same young defensive unit which had trouble with Lincoln last Saturday.

Southern's defensive team will have linemen Lewis Hines, Larry Wolfe, Gary Olson, Gene Miller, Jim Westoff and Dave Cronin and backs Norm Johnson, Warren Stalhut, Doug Mougey, Jack Hol-

JIM HART

ther touchdown in the Lincoln tilt by way of penalties.

But also hurting has been the Salukis' inability to produce a consistent offensive attack and capitalize on scoring opportunities.

"That's probably our greatest fault," Shroyer said. "We're simply unable to make the most of our scoring opportunities and are losing as a result," he added.

Shroyer will go tonight with the offensive unit which sparkled at times against Lincoln.

Handling the quarterback chores will be Jim Hart, a Morton Grove junior.

Already this season, the 6-2, 190-pound junior has completed 88 of 198 passes for a school record of 1,283 yards and 12 touchdowns.

Two other offensive performers--Rudy Phillips and Rich Weber--have provided Hart with some classy company all season.

RUDY PHILLIPS

derer and Dennis Geiseke.

Toledo's starting backfield will be made up of quarterback Simrell, halfbacks Gray and Jack Rogan and fullback Berkey.

The Rockets' starting line, which averages 205 pounds per man, will have ends Larry Sargent (200) and Henry Burch (also a 200-pounder and

Toledo's top pass catcher with 32 receptions for 317 yards), tackles Dave Kregel (200) and Lurley Archambeau (220), guards Walt Minor (220) and Paul Harshman (185) and center Harry McMillan (205).

Simrell's crafty passing is expected to provide a lot of competition for Hart. The Toledo quarterback's 89 completions in 166 attempts (for 965 yards) ranks as the eighth best in major collegiate football and his passing and rushing total of 1,289 yards places him ninth in total offense in the nation.

Air Force Tests Set Next Week

Parts I and II of the Air Force Officer Qualifying Test will be administered next week. The test sessions are scheduled from 7:40 p.m. to 10 p.m. each day in Room 206 of the Home Economics Building.

Part I will be given Monday and Wednesday; Part II will be offered Tuesday and Thursday.

Part I of the test qualifies a student to enter the Advanced AFOTC Program; Part II is the pilot/navigator portion for those interested in flying.

The student's social security number is required for the test. All male students are encouraged to take the test and will be under no obligation to the Air Force.

Reimbursements To Room Sharers Reported Definite

All overassigned students and permanent residents sharing their rooms with the overassignees will definitely be reimbursed at a rate of \$1 per day, according to J. Albin Yokie, coordinator of housing.

Some students have shown concern over whether they will be paid, because the Housing Office has not sent them formal notification of the reimbursements. Yokie explained that his office is not planning to send written notification but individual residents should have been contacted by their resident fellows concerning the payments. Reimbursements will be made through reduction in the students' housing contracts.

Southern's Parents Day Idea 15 Years Ago Was Copied Across U.S. College Campuses

(Continued from Page 1)

ruled out the possibility of having the typical day honoring fathers because they wanted to pay esteem to both parents.

They they hit upon the idea of a Parents Day built around a football game and including tours of the campus, coffee hours and receptions for parents by organized houses as well as independent students.

With what Davis called "a lot of student interest" and "the help of the Student Council" the day became a reality on September 30, 1950. About 100 parents attended the first day set aside for them. The number was considerable in view of the fall enrollment in 1950, which was only 3,086 students.

Carrying out the first special day honoring parents SIU set a precedent which has been copied throughout the country

just as it did years later in a related area when it was one of the first universities to issue a parents handbook.

"We were happy we started Parents Day when we did," Davis said looking back. "We were pleased with it as a starting effort. We knew people drove around campus but hadn't felt comfortable in stopping and going into the buildings unless they were especially invited. Thus the special effort. We wanted to help people understand that they were welcome to stroll around."

Apparently the first Parents Day achieved its objectives because in 1952 the event was repeated "because of the gratifying results obtained last year," said Bob Etheridge, assistant dean of men at the time. A picnic featuring an old-fashioned basket dinner highlighted the event.

In 1953 the first program

was printed and a student variety show was added. Name tags appeared on the scene in 1954 as 451 people were served at a luncheon. Apparently the first Parents of the Day were chosen in 1955 although the names of Mr. and Mrs. John Farnbach of Alton, the 1956 Parents of the Day, are the first on record.

About 1,000 attended the 1956 affair when a water show by the Dolphin Club was added but the centralized luncheon was discontinued. A style show and drawing for the Parents of the Day by Homecoming Queen Marilyn Eckert topped the 1957 activities.

Today's 15th anniversary of Parents Day marks the culmination of the efforts of people over the years since that first September day in 1950 when 100 parents gathered at a campus covering one-square block with a highway running through the middle to see what "Life Southern Style" was really like.

The signs are out again, "Hi, Mom and Dad," "Welcome Parents." Fifteen years of tradition is evident.

ELECTED - Roye R. Bryant, director of the SIU placement service since 1950, has been elected president of the Association of School, College and University Staffing, national placement organization of educational personnel.

Venezuelans Plan Visit to Southern

SIU will be visited by 13 guests from the University of Carabobo in Valencia, Venezuela, Monday through Thursday.

The party is a guest of the State Department, and will be in the United States from Nov. 3 to Dec. 18.

While on campus, the visitors will be guests of the International Relations Club on Tuesday, and the Latin American Institute on Wednesday.

They will tour a TVA Dam on Thursday and discuss its economic factors.

Council Asked to Investigate Medical Treatment of Students

A proposal that the SIU Health Service be investigated to see what quality treatment is being given students was heard at the Thursday meeting of the Student Council.

The proposal sponsored by Alta McClerran, senator from Woody Hall, was the result of an alleged maltreatment of a coed by the Health Service last week.

According to the student senator, the girl went to the Health Service for treatment of an eye that was bothering her.

The Health Service staff told her to go home and bathe the eye and said it would be all right, the student senator said.

It turned out the girl was suffering from a "split iris" and she ended up in Doctor's Hospital for treatment, the senator said.

However, according to the assistant resident counselor at Woody Hall where the injured girl lives, the girl was hurt when she was hit in the eye by a badminton birdie. She had her contact lens on at the time, and the eye gave her considerable pain.

When she went to the Health Service for treatment, she was given some salve to put in the eye and told her retina was not scratched.

The girl went home, but that night the assistant resident took her to Holden Hospital where it was discovered the retina was scratched.

The girl was given a prescription, and she went home in Du Quoin.

Dr. Richard V. Lee, director of the Health Service, said he knew nothing of the incident, but that there are many times when a student does not get complete treatment because of lack of time.

The Health Service does the best it can with what facilities it has, Dr. Lee said.

The Council referred the investigation bill to the Student Welfare Committee for further study.

In other business, a bill was introduced which would make it binding that any student senator sponsoring a bill and all persons backing a bill should sign their names on the bill.

The bill, if passed, would make it impossible for a bill

to come before the Council without sponsor's and backers' signatures.
