Churches Offer Good Friday Services

Religious foundations of the University today are participating in Good Friday observances at local churches in culmination of the week-long services in commemoration of Christ's crucifixion.

Mass at the St. Francis Xavier Catholic Church will begin at 6 p.m.; Confessions will be heard from 3:30 to 5:30 through Saturday, and after evening Mass on Friday. Services begin at 7 a.m. at St. Andrews Episcopal

Church. Our Savior Lutheran Church vesper services start at 7:30. The Walnut Street Baptist Church will present a play, "Time's Greatest Drama," at 7:30.

The Church of the Good Shepherd plans services for 7:30 p.m. Rock Hill Baptist Church will continue the evangelistic services held at 7 nightly.

The schedule at the Immaculate Conception Catholic Church includes Confession

from 3:30 to 5:30 p.m., on Friday and Saturday, from 6:30 to 8 p.m. Good Friday Mass is at 6 p.m. and Holy Saturday Mass at 10:30 p.m. and midnight. Sunday Masses are at 7, 9, and 11 a.m.

The First Baptist Church will review events of Holy Week and the Sunday service will be at 7:30 p.m. "The Road to Calvary" will be presented at 7:30 p.m. Sunday by the senior choir at Rock Hill Baptist Church.

★ ★ Make-Up Set, For Students In GSC 205

Students enrolled in the General Studies course, GSC 205, "Man's Contemporary Environment, who missed the first introductory meeting can make the meeting up Monday at 9:15 p.m. in Browne Auditorium.

Harold Cohen, chairman of the Design Department said the first session is a prerequisite to Tuesday's meeting.

3 Students Awarded Science Fellowships

Three SIU students have been awarded National Science Foundation graduate fellowships.

David Kenney, assistant dean of the Graduate School, said the winners are Matthew H. Hill of Olympia, Wash., doing work in anthropology, and Rosemary E. McClain of Rosamond and James E. Ozment of Stonefort, both majoring in botany.

Hill and Ozment are enrolled at Southern. Miss McClain, who was graduated from SIU last June, will return for graduate study.

Kenney said selection was based on graduate record examinations, recommendations from professors, academic records, and submitted plans of study.

Kenney also announced that three graduate teaching assistants have received NSF Summer Fellowships, valued from \$50 to \$80 a week, for graduate study this summer. They are Sylvia F. Mark, psychology; Ronald W. Turner, zoology; and Allan H. Zelenitz, economics.

Throgmorton Lectures

U. of Tennessee Professor To Discuss Science, Religion

George Schweitzer, professor of chemistry and lecturer in religion at the University of Tennessee, will give the annual Throgmorton Lectures here April 6-10.

"Science-and-religion, not science-or-religion" will be the theme of the lectures, sponsored by the Baptist Foundation.

In addition to his work at the University of Tennessee, Schweitzer is a research radio-chemist with the agricultural research program sponsored by the Atomic Energy Commission and the university.

An active layman in the Baptist Church, Schweitzer holds a National Science Foundation fellowship to study the intersecting spheres of

science, philosophy and religion, and has already written extensively in these fields.

A native of Poplar Bluff, Mo., Schweitzer holds the bachelor of arts degree from Central College, the master of arts in philosophy of religion from Columbia University and Union Theological Seminary, and the master of science and doctoral degrees in nuclear chemistry from the University of Illinois. He is the author of a textbook entitled "Radioactive Tracer Techniques."

His public lectures here will be given each evening at 7:30 at the Baptist Foundation. He will speak at several noon-day chapel services at the foundation as well, and has been invited to lecture before SIU chemistry department faculty and students.

The Throgmorton Lectures fund was established at the Baptist Foundation, student center for Baptist students at SIU, by the First Baptist Church of Marion in memory of that congregation's late pastor, who was a religious and community leader and a key figure in the establishment of the State Baptist Association.

Rush-Hour Traffic Snarled; New Routes to Ease Flow

Through traffic on West Grand Avenue will be blocked for at least 30 days, according to Stanley Thier, associate university architect.

Course Changes Require Reason, Students Warned

Students must have a valid reason before processing a program change, according to Jack Graham, coordinator of academic advisement.

One such reason is failing a prerequisite. Any student who advance-registered for the second or third sequence and failed the earlier course in the sequence must repeat and pass the failed course before continuing the series.

Graham cited as examples such general studies courses as GSD 101 and GSD 108; students must pass these first level courses before proceeding to higher levels.

Although program changes will not be processed until Monday, registration is open to all students today. A \$3 late fee will be charged.

Saturday has been set aside for registration for part-time, off-campus, night and Saturday classes. Hours will be from 8:30 a.m. to noon.

Registration for all categories will be open Monday, with a \$4 late fee charged.

Program changes will be processed Monday and Tuesday, and registration will continue Tuesday with a late fee of \$5.

Thier said Grand is dug up at the Lake Street intersection to permit installation of a sewer in connection with the new general classroom building just northwest of the Life Science building.

"Weather permitting the job should be completed in about 30 days," Thier said.

West Grand is open on the east as far as the Library parking lot and on the west as far as a campus drive, he said.

The roadblock on Grand put a major strain on narrow Mill Street at the morning and evening rush hours, causing some frustrated motorists to be late for work and classes Thursday morning.

Officials said they hope the traffic pattern will smooth out just as soon as drivers get used to taking a slightly different route to the campus.

Meanwhile, the Carbondale City Council has granted a request by the SIU Security Office to install one new traffic sign and change stop signs at two other intersections.

A slow sign or intersection sign is to be placed on the north side of West Mill Street east of South Lake Street.

Four-way stop signs will be installed at the corner of West Grand and Campus Drive. The intersection is now a two-way stop.

Two-way stop signs will be put up at the corner of West Grand and South Forest. The intersection is now a four-way stop.

SIU will provide the signs and the labor.

Student-of-Week Honor Goes To Woman Sociology Major

Mary Putt, a senior in sociology with a 5.0 in her major and a 4.87 over-all, has been named Student of the Week.

Miss Putt is currently a resident fellow in A-1, Woody Hall and has served as Woody Hall president and as vice president of the Residence Halls Council.

Her honors include the 1963 Student Leadership Award and election that year to the Liberal Arts and Sciences Honor Society, Cap and Tassel and Phi Kappa Phi.

She was also winner of the Theta Sigma Phi award to the outstanding woman student and is serving as senior adviser to Alpha Lambda Delta, honorary for superior woman students.

Currently the program chairman for the Wesley Foundation, Miss Putt plans to do work in Christian education in a Methodist semi-

nary, after graduation in June. She is the youngest of five daughters of Mr. and Mrs. Dwight L. Putt of Lebanon, Ill.

School Press Workshop Is Planned

Thirteen members of the St. Louis professional chapter of Sigma Delta Chi, national journalism society, will serve

as "visiting professors for a day" at the Southern Illinois School Press Association meeting April 18 in the Agriculture Building.

The group, consisting of men in newspaper, public relations and advertising work, will instruct high school newspaper and year book staffs and advisers and answer questions.

This is the fifth year the St. Louis chapter has furnished a professional staff for the school press association conference, sponsored by the SIU Journalism Department.

Those from St. Louis scheduled to take part are George Killenberg, chairman of the group, Allen Merritt, Al Delugach and Ray Noonan of the Globe-Democrat; Arnold Millner, Carl Baldwin and James Flagg of the Post-Dispatch; Mike Hammer, public relations officer of Southwestern Bell Telephone Co.; John Spano, public relations officer of Monsanto Chemical Co.; Tom Richter, vice president for public relations of the American Automobile Association; Al Quinlan, art director of the Gardner Advertising Co.; Al Toroian of

Winius Brandon Co., and Horace Barks of Horace Barks Publications.

During the conference, winners of three contests will be announced. The competition is in (a) general excellence for high school newspapers, (b) best high school newspapers stories, 11 classifications, and (c) best double-page spread layout in year books.

Keynote of the conference will be Paul Swensson, executive director of The Newspaper Fund, which provides assistance for high school publication advisers to attend clinics, seminars and workshops. The fund is underwritten by the Wall Street Journal.

Auditions Continue For Richard III

Tryouts for Shakespeare's "Richard III" will continue tonight from 7 to 10 in the Southern Playhouse.

Students and faculty are invited to audition for the 50 parts in the play. "Richard III" will be presented May 15 through 23 as a part of SIU's observance of the 400th anniversary of the birth of Shakespeare.

Closed Preferential Primary? Illinois to Have One April 14

Primary elections will be held in Illinois on April 14. What is a primary, how does it work, and what is its purpose? These are questions that may puzzle the uninitiated voter.

Illinois has a closed, preferential primary at which voters nominate political party candidates and elect party committeemen.

The election is referred to as "closed" because a voter must first declare his party affiliation before getting his ballot and may vote for candidates from only one party.

All candidates seeking office will be nominated at the polls April 14, except presidential electors, trustees of the University of Illinois, school board directors and township officials using the caucus nomination, and boards of education who nominate by petition.

All party committeemen, including precinct, ward, township, state central and representative district, are elected at the primary.

Delegates and alternates to the national nominating conventions are elected in each congressional district at this time, but delegates-at-large and alternates-at-large are chosen later by the state party conventions.

Since this is a presidential election year, the voter may express his preference for president. This is only an advisory vote and is in no way binding on delegates to the national convention.

Memory of Hectic Life

Coeds Who Can't Keep Dorm Tidy Insist They'll Make Good Wives

Behind nearly every sophisticated SIU coed there probably lies a heap of worn clothes, dirty dishes, an unmade bed and the memory of a hectic life.

Many girls now in school claim they are looking for mates, but are they learning enough about homemaking while in school? Does dorm life help prepare a girl for a successful marriage?

Take life in bustling Woody Hall, for example. A few confessions from residents there might make the male a bit wary.

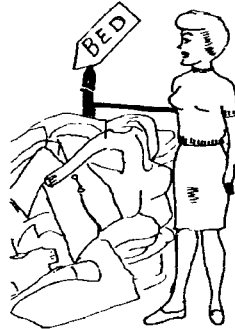

"When I iron a blouse, I iron only the part that's going to show," comments Effie McKindley.

Another coed noted that she used to iron everything, including sheets and pillowcases, but "not now!"

Still another miss claims she washes clothes every other week but hasn't ironed once this quarter.

"When I was at home, I didn't even know how to use a washer. When I came here, I broke one," a pert sophomore sadly recalled.

Baffled by the complexities of a washer and dryer, another Woody Hall resident recalls

the first time she washed her clothes at Southern.

"I had difficulty telling a washer from a dryer, as they looked almost the same," she said. "So I saw this huge machine in the basement and put two loads of clothes in the thing and dumped a cup of soap on it. After I put my dime in it and it started, I noticed there wasn't any water. I pity the poor girl who used the dryer after that--with all my soap in it."

Unbelievable? Maybe, but these are actual comments made by the homemakers of tomorrow.

Another girl proudly noted that "after I washed one white sweater, I could wear it as a coat."

Keeping rooms clean presents another problem for our typical coeds.

"At home I could at least get into my bed, but here I can't because there are too many clothes on it," one girl complained.

Roommates rush to the rescue in most instances. "Thanks to her, I am now a partly tidy person. Thank heavens for neat people. They help us messy ones."

Rosemary Front said, "I like that casual look. You know, the 'home away from home.'"

Cooking is another serious matter which coeds view carefully. One junior claims she enjoys cooking, ironing, washing and sewing. Of course, she is a home economics major.

One petite blonde gave up cooking, "because nobody will eat it except me."

A tragic experience forced one miss to forsake cooking for good: "My brother accused me of poisoning him."

But has dorm life helped the average coed prepare for marriage?

"Yes," was the overwhelming reply.

"Mixing and living with girls from different backgrounds has helped me find out about other people and how they react to different situations," one girl said. Generally, the chief advantage cited for living in a dorm was learning to get along with other people.

One girl said that, by living in a dorm, "I have more responsibility, more freedom to do what I want. I am forced to do my own washing and ironing and have learned to get along with people."

But the biggest benefit derived from dorm life--that the experience helps prepare a girl for successful marriage--was best summed up by one wise freshman: "If you can get along with your roommate, you can get along with your husband."

Job Interviews

Planned Today

A printing firm and a nearby university will have representatives on campus today to interview SIU students for jobs.

Washington University in St. Louis is interested in interviewing seniors and graduate students in business, economics, liberal arts and engineering for graduate programs in Business Administration.

Phillips Brothers, a Springfield, Ill., printing firm, is seeking printing management majors for sales.

Interviews may be arranged by contacting the SIU Placement Service as soon as possible.

Jews Begin Passover Tonight; Marks Exodus From Egypt

Tonight marks the beginning of the eight-day Passover Holidays, commemorating the

Exodus of the Jews from Egypt.

Passover is the annual feast of the Jews, which according to Exodus XII, commemorates the sparing of the Jews when God, killing the first born in Egypt, "passed over" the houses of the Israelites, who has marked their doors with the blood of a lamb.

Celebration begins on the 14th day of the Hebrew month Nisan, and it includes the eight days following. During this time only unleavened bread may be eaten.

"Seder," which means order in Hebrew, is a feast. Much of the food eaten at a Seder has symbolic implications. Horseradish stands for the bitter herbs the Jews were forced to eat during hard times; a mixture of apples, nuts, wine and cinnamon is comparable to the clay used to make bricks when the Jews were slaves of the Egyptians; salt water is placed on the table and it represents the tears of the Jews in bondage.

During the dinner Jewish children ask questions of their elders. The questions have a definite order. They ask "Why do we have Passover," and the answer is given, according to Exodus.

As part of the holiday tradition, a Seder supper will be held at 6:30 p.m. at Temple Beth Jacob, on Rt. 2, Carbondale.

ANOTHER POVERTY PROBLEM

Four Men Indicted In Rail Bombings

Senate Rights Bill To Bypass Committee

WASHINGTON--The Senate has defeated an attempt to shunt the civil rights bill to its Judiciary Committee.

The referral motion, offered by Sen. Wayne Morse, D-Ore., was killed Thursday on a tabling motion by Democratic Leader Mike Mansfield of Montana.

The roll call vote was 50 to 34.

The vote represented an important victory for the bipartisan group supporting the bill. It was viewed as the first real test of strength on the legislation.

But it was not fully indicative because some supporters of a strong bill, including Morse, voted to send it to committee.

Earlier in the day, the Senate finally had voted 67-17, on the 17th day of debate, to take up the House-passed bill formally for consideration.

With these two tests out of the way, the Senate planned to recess quickly for a brief Easter holiday before beginning debate on provisions of the bill itself Monday. That

Tanker Explosion

Fatal to Crewman

PORTSMOUTH, Va.--An explosion ripped through the American tanker Jan Jacinto off the Virginia coast Thursday, leaving one crew member dead and the two sections of the ship wallowing helplessly in 5 to 10 foot seas.

The master of the stricken vessel, Harold J. Titus, who remained aboard the bobbing stern with 35 of the 37 crewmen, radioed that all survivors were well.

Two of the San Jacinto's crew members went aboard the tanker Mobile Pegasus to carry their ship's papers to safety and it was one of these--a steward, M. Dotilla--who died, apparently of natural causes.

Illinois Plans

Gambling Survey

SPRINGFIELD, Ill.-- Charles Siragusa, executive director of the Illinois Crime Commission, said Thursday a survey will be made of gambling operations in every county in the state.

Siragusa said he plans to compile a record of the disposition of all gambling cases in 1963 so he can obtain "facts and not estimates" of the situation.

means the start of a Southern filibuster that might last for months.

Morse argued that Judiciary Committee consideration of the bill could well improve its chances for final passage.

Senators opposing Morse's motion said it would only lead to further delays.

Morse drew backing from Sen. Barry Goldwater, R-Ariz., who called the bill a "revolutionary measure" and cautioned against reacting blindly to "massive pressure."

"We can mistake raucous demonstrations in contempt of orderly process, for the voice of the whole people," Goldwater said. "We can, in sum, enact bad law."

SPRINGFIELD, Ill.--A total of 5,163,061 voters are registered in Illinois for the April 14 primary, a drop of 80 from the November 1962 election, the secretary of state's office announced Thursday.

The registration is divided 2,612,506 downstate, 1,815,555 in Chicago and 735,000 in the remainder of Cook County.

NEW DELHI, India--His voice heavy with emotion, Prime Minister Nehru appealed Thursday to the people he has led for 17 years to halt bloody religious rioting sweeping India.

The 74-year-old prime minister, weakened by a stroke and obviously heart-broken by the strife tearing at his country, said in a nationwide radio broadcast that religious fighting "is fatal for all of us."

WASHINGTON -- President and Mrs. Johnson left by jet plane Thursday to spend Easter at their Texas ranch.

The Johnsons were accompanied by Reps. Jack Brooks and Jake Pickle, Texas Democrats.

MIAMI, Fla.-- A federal grand jury has indicted four former Florida East Coast Railway employees on charges that they conspired to "derail, disable and wreck" trains of the strike-bound railroad.

All four men, the last of whom was arrested Wednesday, are charged on two counts of conspiracy and with actually plotting to dynamite a train.

Dates of the alleged conspiracy are given in the indictments as "from Feb. 1, 1964 to the present." Five FEC trains have been blown off the tracks since Feb. 1.

As the indictments were returned, the Miami News reported that dynamite found lashed to the FEC tracks near Vero Beach March 12 was part of 800 pounds stolen from the Horne Company near Homestead the weekend of Feb. 1-3.

Latest to be arrested in the case by FBI agents was John Katsikos, 40, a part-time college student, father of four, and recording secretary of Local 555 of the Brotherhood of Railroad Carmen.

Chevrolet will go to any length to make you happy

Things have changed a lot since a Chevy was only a Chevy. Especially your ideas of what you want a Chevy to be.

So now you have the Jet-smooth Chevrolet--17 1/2 feet of pure luxury, bumper to bumper. The size makes it a luxury car. But not the price.

Or you can choose the thrifty Chevy II, a 15 1/4-foot family car with all kinds of passenger and luggage space.

This year, your choice might be the new 16-foot-plus Chevrolet, sized to fit nicely between Chev-

rolet and Chevy II (and between parking meters, with five whole feet left over).

Then, too, there's the sporty 15-foot Corvair, so right for so many people (you girls, in particular) that we've never touched an inch of it. And finally, Corvette--still 14 1/2 feet and still too much for any true sports-car lover to say no to.

The long and short of it is, you don't have to go to any length to find exactly the kind of car you want. Just see the five different lines of car at your Chevrolet dealer's.

Nearly 'Wiped Out'

8 Men Off Squad; Track Hopes Dim

Southern's track team, which has been the strongest Mid-western team in the NCAA championship meets for the last two years, has been hit hard by a wave of personnel losses this year.

Coach Lew Hartzog, who transformed the Salukis into national prominence since coming here three years ago, was stunned by the sudden turn of events this week.

"We're practically wiped out," said Hartzog. "But I guess we'll continue to give it everything we've got with the few remaining boys."

The Salukis, who finished fourth in the 1962 NCAA meet and eighth last year, have lost eight members of the squad which Hartzog had considered his best since coming to Southern.

Four members of the team, Stan Barnes, Joe Beachler, Al Pulliam and Herman Gary became scholastically ineligible at the end of the winter quarter. Two others, Bob Green and Jim Stewart, have dropped out of school.

Green won the NCAA high hurdles championship last year, and Stewart is the SIU

Kristoff Works Out With Football Star

Should Larry Kristoff, SIU's nationally prominent heavy-weight wrestler, fare well in this weekend's NCAA championship meet, he would credit St. Louis Football Cardinal player Sam Silas with a helping hand.

Kristoff has been working out against Silas for the past six weeks in preparation for the NCAA meet at Cornell University.

The 235 - pound Kristoff claimed runnerup honors to Syracuse's Jim Nance a year ago and later gained the National AAU heavyweight crown. This season, the SIU senior has won 15 of 16 decisions, including the NCAA college-division championship two weeks ago.

"We had to do something in order to enable Larry to train properly," said SIU coach Jim Wilkinson, "and if he wins the title I think it'll be largely due to Silas' cooperation."

Southern doesn't have any other squad member capable of providing competition for the burly Kristoff. Despite the fact he has never had any formal wrestling training, Silas does more than an adequate job.

"It's just like a couple of bears getting together when they tangle," Wilkinson said, "and I have to admit Kristoff has a real tough time in handling Silas."

The 260 - pound Silas, starred for Southern's football teams during his undergraduate days and is now working on his master's degree in education during the off-season.

record-holder in the 100 and 220 yard dashes with times of 9.5 and 21.3 seconds in these events. Stewart placed in both events at the 1963 National Federation Track and Field meet.

Another severe loss came Wednesday when it was announced that Bill Cornell, a two-time runnerup in NCAA competition, must undergo surgery to correct a painful nerve injury in his right foot. Cornell holds the SIU record for the mile with a time of 4:00.5 and has a personal low of 1:43.1 in the half-mile.

Jack Peters, an important member of Southern's mile relay team must also be operated on this weekend for cartilage damage in his right knee.

The Salukis, who are to open their outdoor season at the Arkansas Relays tomorrow, have only eight members of the team left and one of them,

Saluki Tennis Squad Returns; Prepares for Weekend Duels

Southern's tennis team returns to the home courts this weekend as they take on Iowa today and Western Michigan Saturday after returning from a successful exhibition tour through Texas over the spring break.

The Salukis defeated Rice University, 5-2, Monday in the first dual match of the spring exhibition tour.

The results:

- Parker (R) defeated Lumaden 8-10, 7-5, 7-5.
- Castillo defeated McCleary (R) 8-6, 2-6, 6-2.
- Bob Sprenglemeyer defeated Bertram (R) 6-3, 3-6, 6-2.
- Roy Sprenglemeyer defeated Turville (R) 6-1, 6-4.
- Pena defeated Travis (R) 7-5, 6-2.
- Parker - McCleary (R) defeated Lumaden-Bob Sprenglemeyer 6-4, 6-1.
- Castillo - Roy Sprengle-

LEW HARTZOG

Jeary Fendrich, a quarter-miler, is now sidelined with a pulled muscle.

George Woods, who this winter became the first Illinois collegian ever to toss the shot more than 60 feet, will team with distance runner Brian Turner to lead the Salukis.

Other squad members include Gary Carr, Bob Wheelwright, Bill Lindsay, Jack Leydig and Herb Walker.

Saluki Golfers Bag Year's 1st Victory

SIU's talented golfers, hopeful of bettering the solid 13-5-1 record that they posted last season, turned in two creditable performances during their recent spring warm-up trip to the South.

Coach Lynn Holder's veteran-laden squad chalked up its first victory of the season last week by defeating Tulane University, 14 1/2 to 12 1/2, in a dual match and finished fourth in the six-team Spring Hill College Invitational Golf Tournament at Mobile, Ala.

In the Mobile tournament, the Salukis finished behind champion Louisiana State University, Spring Hill and Mississippi Southern.

Southern will open its home season Monday afternoon.

DAVID EHRENFREUND

Psychology Head Ehrenfreund to Serve on Council

David Ehrenfreund, chairman of the Psychology Department, has been elected a member of the council of the Midwestern Psychological Association.

Frederick A. Mote, association secretary who notified Ehrenfreund of the election, said the three-year term will begin after the 1964 annual convention.

Ehrenfreund came to SIU in 1962 after serving six years as head of the Psychology Department at Adelphi College, Garden City, N.Y. A native of New York City, he holds bachelor's, master's and doctor's degrees from the State University of Iowa.

Woman Injured As Autos Collide

A two-car accident involving autos driven by the wife of an SIU student and an elderly Carbondale man resulted in injuries to a Carbondale woman Thursday morning.

Mrs. Margaret Pabst, 55, a passenger in the car driven by her husband, William Pabst, 72, of 207 W. Cherry, was injured. She was taken to Eolden Hospital. Mr. Pabst was not injured.

The Pabst auto and one driven by Mrs. Carol Clement collided at the intersection of Route 13 and Donna Drive. Pabst was given a ticket for failure to yield the right of way at a stop sign.

Mrs. Clement is the wife of Bruce Clement, an SIU student from Murphysboro, who was a passenger. The Clements were not injured.

Ire Leads to Fire; Student to Retire

Paul Kumatz, 19-year-old sophomore from La Grange Park, has been suspended from the University through the spring quarter on a charge of underage drinking and starting a fire at the Tau Kappa Epsilon house.

The Office of Student Affairs said that Kumatz, a member of the social fraternity, became angry March 10 when a group of students locked themselves in a study room and refused him admittance.

The student affairs spokesman said Kumatz poured lighter fluid under the door and set it afire. The flames spread to a couch inside the room.

According to the report, the students inside the room had removed the doorknob to keep Kumatz out. They found they could not leave the room. As the room filled with smoke, the students broke a window and brought a fire extinguisher in. The fire did small property damage.
