Candidates for Degrees

The following lists contain the names of candidates for degrees, the granting of which is contingent upon successful completion of all requirements for the degree.

(* An asterisk to the right of the name indicates membership in the University Honorship program (undergraduate students only).

(**) A double asterisk to the right of the name indicates the person is a candidate for multiple degrees.

University Academic Honors listed to the right of the name are as follows for undergraduate students:

- (*) cum laude.....3.500-3.749
- (†) magna cum laude.....3.750-3.899
- (‡) summa cum laude.....3.900-4.000

The grade point averages above apply firstly to all work taken at Southern Illinois University Carbondale and then in the case of transfer students, to the total work as an additional, but secondary qualification.
