Candidates for Degrees

The following list contains the names of candidates for degrees, the granting of which is contingent upon successful completion of all requirements for the degree.

(*) An asterisk to the right of the name indicates membership in the University Honors program (undergraduate students only).

(*) A double asterisk to the right of the name indicates the person is a candidate for multiple degrees.

University Academic Honors listed to the right of the name are as follows for undergraduate students:

- (*) cum laude.....3,500-3,749
- (*) magna cum laude.....3,750-3,899
- (*) summa cum laude.....3,900-4,000

The grade point averages above apply fairly to all work taken at Southern Illinois University Carbondale and then in the case of transfer students, to the total work as an additional, but secondary qualification.

Horoscopes

By Linda C. Black

Today's Birthday — This year you experience dynamic tension between business and travel. Perhaps you travel more for work-related purposes, especially early in the day. Take time to relax your worries with travel destinations that you can look upon and remain untroubled by choosing practical labors.

Aries (March 21-April 19) — Today is an 8 — Make romantic plans for the weekend. Focus on business today in order to free up the time. You can say no if necessary.

Taurus (April 20-May 20) — Today is an 8 — Practically is the name of the game all day. Choose your battles carefully, and you'll come out a winner.

Gemini (May 21-June 21) — Today is an 8 — A female presents a major challenge. You're drawn up to the task. Use your creativity lavishly.

Cancer (June 22-July 22) — Today is an 8 — Your work gets a big boost today when others offer their ideas. Take them as a challenge, not a directive.

Leo (July 23-Aug. 22) — Today is a 7 — You feel like dropping everything to see the world with a loved one. Handle at least one responsibility first.

Virgo (Aug. 23-Sept. 22) — Today is a 5 — Now is a good time to plan for the weekend. You have a lot on the calendar. Consult family members.

Libra (Sept. 23-Oct. 22) — Today is a 6 — Males and females work very well together today. Steer the action in a productive direction and focus on practical results.

Scorpio (Oct. 23-Nov. 21) — Today is a 5 — Revise your thinking if you're going to move forward. An older person supplies needed information.

Sagittarius (Nov. 22-Dec. 21) — Today is a 5 — Play hooky today if you can. It's not plan a ridiculous fun forrest. Don't box yourself in.

Capricorn (Dec. 22-Jan. 19) — Today is a 6 — You're not quite ready for prime time. Continue to gather your energy, at least until this afternoon, or maybe tomorrow.

Aquarius (Jan. 20-Feb. 18) — Today is a 6 — This would be a good day for a social event. Males and females both need the break, and you can provide just the spice to liven up the party.

Pisces (Feb. 19-March 20) — Today is a 6 — An older team member proves flexible concerning practical matters. Make it your mission to find out why.
