5 May Seek Student Body Presidency

By John Eppermeyer

As many as five students may be candidates for the student body president at the May 15 election, reliable sources indicate.

Several knowledgeable student Senators and other student government personnel report that at least two or three political parties are likely to campaign actively this year. They also say that several independent candidates may run.

It appears certain that one or more Negroes will be nominated for Senate executive posts, marking the first time for such action.

The Action Party, strongest and oldest party on campus, nominated by acclamation Tuesday night, Senator Steve Antonacci, who has previously declared his candidacy as an independent, as its choice for the presidency.

The move came after Bob Garter, member of Phi Sigma Kappa, withdrew his nomination and Dave Fabian, a veteran, declined the transcript nomination and refused to accept a draft.

Nominees for student body vice president and for vice president of activities were not completed at press time.

Senator Jerry Finney is said to be considering becoming Antonacci's running mate for the post of student body vice president.

The second party said to be planning an active campaign probably will be termed RAP—rights and progress. However, RAP will use the framework of the old Dynamic Party, which has been inactive for the past year but retains its structure.

Gary Kirsch, one of the most active and vocal Senators, will be RAP's nominee for president. Sources say. Running with him will be Mike Rosenthal, a design student, as candidate for student body vice president. Marilyn Ward, president of Neely Hall, may run for activities vice president, several people say. Miss Ward is one of several Negroes mentioned for a major post.

Beyond those predicted candidates, the field is unclear, with several Senators rumored to be ambitious for nominations.

Paul Wheeler, a Senator, says he has not decided what he will do, but sources say he is likely to be a candidate and one at time on the support of the Action Party.

Senator John Haney has been sounding out people for support but reportedly has made no decision. If he runs, he is expected to be a candidate for president.

Senators Pete Rozelle and Mark Hansen are said to be agreeable to bids for executive posts.

With the Action Party nominations out of the way, other tickets are expected to shape up soon.

Council Grants Permission for Anti-war March

By John Burkin

The Carbondale Council last night granted the Southern Illinois Peace Committee permission to conduct an anti-war parade April 27 through the streets of the city.

The parade will begin on Grand Avenue and proceed north to University Avenue and then continue west to Monroe Street. The marchers will then turn south on Monroe to Illinois Avenue and then turn east and proceed back to Grand Avenue.

City Manager C. William Norman said he discussed Monday the law enforcement procedures to be used for the parade with Barry Sanders, representative of the SIU Police, Chief Jack Hazel and Don Ragdale, of the SIU Security Police.

The council's decision to permit the street parade came after a lengthy debate in which the safety of the marchers was discussed. After receiving assurance from Norman that local police officials felt that safety could be ensured, the council approved.

Mayor David Keene appointed Councilmen Joseph Ragsdale, Randall Nelson and John Hansen to assist Norman in negotiating with the police. The council also signed a contract with the SIU Security Police Union who are seeking a 75-cent hour raise.

The councilmen and city manager will meet with union representatives Friday at 1:30 to discuss the union's contract which expires May 1.

The union is seeking in addition to the 75-cent raise in pay, three weeks vacation for all employees; a probation period for new employees to be reduced from six months to three months; and the granting of personal leave per year.

Nominating Petitions Available For Student Government Posts

By Don Mueller

Students voting in the Choice '68 mock election today will not only have the choice, and add a number of Negroes to the ballot used in the straw vote. They must also vote on an early printing of the ballots.

The extras on the ballot are President Lyndon B. Johnson, who has announced his withdrawal from the race, and the late Martin Luther King, Jr. Two other candidates, Vice-President Hubert Humphrey, who has recently become a contender for the Democratic nomination and New York comedian Dick Gregory do not appear on the ballot.

The local ballots, drawn up by the SIU Choice '68 steering committee, will make the first time have been paired presidential candidates.

Students are also asked to vote for two candidates each for sexes, marital and University status.

Rick Moore, co-chairman of the SIU polling committee, said the information gathered from the local ballots will be "to compare the ways student voters cross political party lines."

Results of the local balloting will be available in a few days, he said. Results of the Time, Inc., ballots are to be computer-analyzed in New York and released by May 1.

Gus Bode

Gus says Coach Jack Hartman will announce soon if he's going to his consensus, but he doesn't want to be "badgered" about it.

New Sites Next Year

Celebrity Series to Move

The SIU Celebrity Series will be held at two different locations next year, Paul Hibbs, coordinator of Special Programs, said. "Shryock Auditorium will close in June for extensive remodeling and will not be available until September 1969. This will necessitate the reduction of performances to two each quarter, four of which will take place in the Communications Building and two at the SIU Arena."

Reducing the number of performances will require additional financial support from SIU Veterans May Qualify For More Pay

Students working who had similar work experience in two years of military duty may be eligible for higher wages, according to Raymond P. DeJarnette, assistant director of the Student Work and Financial Assistance Office.

A letter to the editor in today's Egyptian stated that all veterans are eligible for the raise.

DeJarnette said veterans who can show proof of their military experience receive 10 cents for each hour of service work, up to two years.

He said many students qualify for the higher wage in janitorial services and some in work with the security police.

The recent Supreme Court decision extending the one-man, one-vote principle to units of local government has strengthened the position of minority home rule advocates. This decision will continue to be illegal unless Illinois voters support the call for a constitutional convention in this November's elections.

Voters, Support Illinois Home Rule

The present Illinois constitution, as written in 1870, does not permit municipal home rule. The decision is obscure and burdened by the tremendous deadwood of a by-gone era. Nearly a century of partisan interest has made the attempt to pass home rule through Illinois; it is time for the voters to do something about it.

A vote in favor of calling a constitutional convention will not only serve to promote better local government; it will start the political wagon rolling in the major cities, and the decision will rest with the voters this November.

Jone's Article White Racism

To the Daily Egyptian:

In response to An Editor's Outlook ("Call It By Its Name"), which appeared in the Daily Egyptian April 18, I would like to respond to Mr. Jones' article.

Mr. Jones frequently employs the feature article style, which, to be fair, is often called "the Daily Egyptian approach." However, the presentation of the writer's opinions is questionable.

Economic oppression, however, is another matter; the extent to which it is being mured out is the black raises the question of whether black people can survive much longer in this great white society. Protesting practices, such as what I imagine will be like for the black and white people, is an attempt to raise the economic status of our people.

Not all black people are the dumb ignorant brutes that the white race assumes us to be. I like white people, most black people could develop their God-given talents constructively instead of destructively—that is, if the white people would help us. The black people, extend a helping hand to raise them out of the economic mire.

This seems logical to many people because it is that great country where billions of dollars in foreign aid are lent to the countries for economic development, the least it can do is to contribute in every way possible to the economic development of its own citizenry. That's logic, however, not reality.

There are, however, some people who say that they do not think about the economic problems of the people in South Vietnam. However, the irony of it is that the economic and social environment of the white race is a cause for concern.

Now a comment on the rioting and on Black Power. Nobody suggests that the rioters are "prostrate with grief," and Mr. Jenkins Jones' suggestion implies that their reaction should be expressed by kneeling to pray for kindness and consideration is abominable and repulsive.

The black people have been trying for years to communicate with the white people and to express what they feel. However, the voice and the plea have been ignored. The rioting is the expression that has been heard. Dr. King said last year that the Negro has "learned from hard and bitter experience that our Government does not meet the problem involving race until it is confronted directly and dramatically."

That's what a riot is: not an expression of grief but a loud voice. This voice has been answered by white racism only so far: "We are armed and we have the numbers to annihilate the black scum." The blacks have gone far enough, they say; they don't use the right tone of voice, they say; instead of kneeling down to pray and ask in a nice way for what they want, they just went too far this time. The racist is sitting by, anxiously waiting for a declar- ation of open season on blacks. This seems to be what Mr. Jones is saying. And if this is the answer to the plea of black people for survival, may God help us all.

Veterans Get 20 Cents More

To the Daily Egyptian:

Once again the lack of communications between employers, employees, and the students of this University has prompted me to write a letter.

Do all you veterans who are student workers at the University—know that you are entitled to 20 cents per hour more because of the new law? My husband is a veteran and has never been informed of this fact; neither has he been informed by the Student Work Office or the Veterans Administration Office here on campus.

I accidentally heard of this and called the Student Work Office for confirmation and was informed that this "Practice has been going on for years and the proof needed to obtain this 20 cents per hour increase is a copy of your discharge paper."

It would be that during the numerous trips my husband has made to the Student Work and Veterans Administration Offices that this fact would have been communicated to him. These small but much needed benefits should be made available to those who are entitled to them. Colleges and universities are for students, aren't they?

Mrs. David L. Jones

Need Better Voice for Right

To the Daily Egyptian:

I have read features by Jerkin Lloyd Jones in the Daily Egyptian for some time with great interest. While I am generally not sympathetic to the views of the political right, I would certainly support the removal of a representative of that ilk from the campus newspaper on political grounds.

I do, however, object to what many have called, "the knee-jerk." That Mr. Jones frequently employs. The feature article approach to the Daily Egyptian of April 18 offers an example. The first two paragraphs run as follows:

"The day after Martin Luther King's murder, a young Negro girl skipped gayly past the White House waving a bright blush and shouting to the guards: I stole this. Not by right, not by title.

"And the sad fact is that some- day soon someone must shoot her, or a system of chaos, terror and economic paralysis will fasten itself on this great and beautiful country."

Regardless of the correctness or incorrectness of Mr. Jones' opinion on the question of the threat of Black Power, he should be shot to save the nation from "terror and economic paralysis" which he claims is a greater threat. To be fair, he has stated that this threat is not real, that it is a distortion of the black man's desire for his own peace and happiness, that it is no more than a voice in the political wind.

The black people have been trying for years to communicate with white people and the practice is to ignore what they say. The voice of the black people is not heard, and the rioting is the only reaction. That is what is going on today."

Copley News Service

JERUSALEM—A hard, angry, stubborn crossbreed sold the face of Premier Litvinov of Russia when he was asked about Russia's role in the Middle East.

It is the same expression a reporter from former Premier David Ben-Gurion, Mrs. Golda Meir, secretary-general of Israel's biggest political party and ex-foreign minister, and from Meyer Weisgal, head of Israel's foreign ministry. Each one was asked about Russia's role in the Middle East, that the Kremlin would not turn again to the Middle East. Each could be pardoned the hope that Moscow would not turn again to the Middle East, that the Kremlin would not turn again to the Middle East

"Thick of thousands of young people have sprung as if from the air with a new interest in Jewry," he said. However, Eshkol, said, this re-

big difference between Russia and America. In America the polls were our friends." Mrs. Meir was a teacher's certificate in Milwaukee and taught in high schools until the early 1920's, when she moved to New York to work in an early kibbutz near Nazareth.

"It has been just as today," she said with a note of sadness, "The fighting thing we were taught was never to go out at night wearing a white dress. The Arabs might shoot us.

"Meyer Weisgal's route to Palestine was more circuitous. He went from Russia to Chicago where he worked as a boy selling matches. Then he was a career diplomat, but it has been Hollywood the American Jews' only venture into 'basic industry', and finally in East Jerusalem, from Haifa to the Jordan River--areas occupied last June.

"We are here to stay and some of the Arab leaders know it, even if it Benson of America said. Miami, Florida--poor opponents of colonialization, capitalism and imperialism, but these are their goals.

"We are frightened about the vacuum of power in the British withdrawal from the Middle East and we would be frightened, too. It has given Mos- cow its opportunity. If it were to happen, it would be sad. We are trying to pe-

We the undersigned students and faculty members at Southern Illinois University, request the Student Mobilization Committee in its call for an International Student Strike on Friday, April 26, to take into account the involvement of American military forces in Viet Nam and demand they be brought home so as to allow the Vietnamese people to solve their own problems and restore the conditions of self-determination. We are also protesting the racial oppression practiced in this country against Black Americans and other minority groups and furthermore realize that the Student Strike is an expression of the very important place in a democratic society and therefore must be abolished. We will unite with students and faculty members through the world and boycott all classes on April 26.
First Job: Indiana

McCarthy Group Plans Campaign

Students who worked for McCarthy in the April 2 Wisconsin-Primary, have formed a Students for McCarthy group at SIU.

The group is organizing students to work in the May 7, Indiana primary, and to work in the 21st congressional district Illinois primary.

In the June 11 Illinois primary, four people from the southern Illinois area will be running as delegates pledged to McCarthy from the 21st district.

The four candidates are for regular delegate, George McClure, of Carbondale and Bob Hunter of Makanda, for alternate candidates, Eugina Handler of Carbondale and Robert Griffin of Carbondale.

They oppose four other un-committed candidates, including Congressman Kenneth Gray.

The students have been running a booth at University Center for the past week, signing up students to work in Indiana.

Monday night the group held a button dance at Mucklebury Auditorium. During the dance, the candidates spoke to nearly 200 students.

Robert Griffin told the students he was supporting McCarthy for President because, "I believe he can win in November, and more important, win for the right reasons."

According to Wally King, student coordinator for Students for McCarthy, his group has signed up more than 60 students to work in Indiana next weekend. They will be working in Vincennes and Indianapolis.

Local Business Places Make Jobs Available for Negroes

Sinclair Brown, president of the Afro-American African Student Association, has announced that job openings for black students will be available at downtown stores.

Goldsmith's will accept a trainee. Zwick's Shoe Store will accept experienced applicants for full- or part-time work, but will train applicants if necessary.

The Ruth Church Shop will accept applications for fall. Sohn's will have openings for fall and summer. Kay's will hire women between the ages of 35 and 40 for part-time work on Saturdays and Monday nights.

Grant Notification Set for May 10

The schedule for announcing the results of processed 1968-69 Illinois State Grant Program Applications has been revised.

Charles Gray, SIU coordinator of the scholarships, said the original notification date of April 15 has been changed to May 10.

According to Russians
China May Collapse

MOSCOW (AP)—Communist rule in China could be overthrown because of "a surging wave of discontent" created by the policies of Mao Tsetung, the Soviet Communist party said Tuesday.

An editorial in the Soviet party's theoretical journal Kommunist indicated that the Kremmlin is despairing of China's returning to a calm, stable form of communism.

Instead, the Kremmlin appeared worried that China might cease to be a Communist country. What might succeed communism in China was not suggested.

"What is now taking place in China is causing growing concern and anxiety among Marxists-Leninists throughout the world," Kommunist said.

"Already clearly in sight is the danger of a change in the nature of government in the country and, hence, a real danger to the Socialist Communist gains of the Chinese revolution," the editorial added that Mao's policies are harming the Communist and revolutionary movement by leading China away from the world movement and converting China "into a force hostile to the Soviet Union and other Socialist countries."

The editorial appeared on the eve of a meeting in Budapest by many of the world's Communist parties to organize a world Communist conference against "imperialism." In Moscow this autumn, China has opposed the Soviet-directed move as aimed against it.

Looking over the history of communism in China, Kommunist reached the conclusion that Mao had never really been a true Communist.

"It has now become evident," the editorial said, that Mao was "guided mainly by nationalistic reasons" in building up Communist power in China.

Economic failure led to a waning of Mao's "authority and belief in his infallibility," the editorial added, and Mao met this with more heroic worship and greater militarization, He also sought "to channel the surging wave of discontent" to foreign targets, "creating an atmosphere of nationalistic psychosis and war hysteria," Kommunist said.

12 Die As Tornadoes Sweep Across Midwest

By the Associated Press
Tornadoes swirled out of a broad band of thunderstorms and smashed sections of the Midwest Tuesday, leaving 12 dead, scores injured and hundreds homeless.

A tornado watch issued hours earlier by the U.S. Weather Bureau forewarned residents of Michigan, Ohio and Kentucky. Small communities in all three states were devastated by twisters.

The northern Kentucky town of Falmouth was hard hit, with five persons dead, more than 100 injured and dozens of homes destroyed or damaged in the community of 2,600.

BSA Starfish 250

Silky smooth BSA Starfish is easy going as a lightweight can be—but take off the wraps and watch it come alive! Here's the best of all worlds, the light touch for touring and the big punch for open road excitement. BSA big frame features like these make the difference: high performance alloy engine... four stroke single cylinder o.h.v. power... four speed Constant-mesh gearbox... multiple clutch. If you've got a yearning for a lightweight that acts twice its size, step up to Starfish. See your local BSA dealer for details and full color illustrations of all the new BSA models for 1968—250 Starfish / 441 Victor / 441 S.S. / 650 MK IV / 650 Thunderbolt / 650 Lightning

DAILY EGYPTIAN
From Edwardsville Campus

Field Trips Scheduled Saturday

Two field trips will be conducted Saturday by members of the Illinois Academy of Science.

The trips are part of the academy’s annual meeting at the SIU Edwardsville Campus. Visitors who are not members of the academy are welcome to participate without charge.

One of the field trips will be directed through Cahokia Mounds, near East St. Louis, one of the Indian sites in North America representative of the Mississippian Culture which existed from about 900 to 1300 A.D.

The tour will be conducted by Robert Hall of the University of Wisconsin at Milwaukee and by Charles Barret of the University of Illinois, archaeologist recently involved in excavations at the Mounds.

The tour will leave at 9 a.m. Saturday from the parking lot of the Holiday Inn west of Edwardsville on Route 157.

The other is a botany field trip to the bluffs along the Great River Road north of Alton.

Starting time is at 9:30 a.m. Saturday from the parking area of Principia College, Elsah. The trip will be conducted by Paul D. Kilburn and John Wansamaker, both of Principia College.

Interested persons are asked to register by sending their names to William J. Probst, SIU, Edwardsville, Ill. 62025, by Thursday.

SIU Represented at Craft Exhibition

Fifteen works by Southern Illinois University people were accepted at the first Regional Craft Biennial Exhibition which opened at the J.B. Speed Museum in Louisville, Ky.

A plastic panel by Nicholas Vergette, SIU ceramist and business director to present film.

Alpha Kappa Psi, professional business fraternity, will sponsor a short film and talk by Robert S. Gamble at Davis Auditorium on Wednesday at 7:30 p.m.

Gamble, a graduate of Bowdoin College, is the senior interviewing specialist and assistant to the personnel director for A.C. Nielsen Co., the world’s largest market research organization. Gamble’s talk will be on the “Nielsen Market Index.” The public is invited.

Lee Hu of Carbondale, Edna Kaufman of Haifa, Israel, Murali Watanabe of Carbondale, and Frances Walker of Murphysboro, Ruth Ussing, instructor, is represente in the weaving section of the exhibition.

Agnes Moorehead to Speak
At Convocation Thursday

Agnes Moorehead, star in ABC-TV's "Bewitched," will be guest speaker in Thursday's Convocation programs in Shryock Auditorium.

During her career, Miss Moorehead has achieved stardom in every entertainment medium—radio, television, motion pictures and stage—receiving five Academy Award nominations.

Born in Clinton, Mass., she moved with her family to St. Louis in early childhood where she began a career in the theatre. Starring at age 10, she spent summers performing in the theatre and worked with the St. Louis Municipal Opera Company for four years.

Miss Moorehead was graduated from Muskingum College in New Concord, Ohio, received a master's degree in English and public speaking from the University of Wisconsin, and holds honorary doctorates from three colleges and universities.

She devotes much of her spare time to instructing young talent in drama with director Richard Whorf. They recently established a theatre and film instruction school in Los Angeles.

Following the 10 a.m. convocation, a coffee hour will be held in the University Center River Rooms where students may meet Miss Moorehead.

Atomic Energy Commission Talk Set

David L. Foster of the Atomic Energy Commission for Chicago will speak on "The ABC Regulatory Program" at 3 p.m. today in the Seminar Room of the Agriculture Building. The talk will deal with regulatory rules applying to universities engaged in radioactive research.

Open to the public, the lecture is sponsored by the Department of Botany and the lectures and entertainments committee.

Glee Club to Present Show,
Performance on Sunday

The University Male Glee Club with Robert Kingsbury, conductor, will present a concert Sunday at 4 p.m. in Shryock Auditorium. Rebecca Hindman and John Portbeck, accompanists, will be assisted by John Goodwin, cellist.

Selections from Bach, Plainsong, Poulenc and Dvorak will be presented along with arrangements by Kingsbury, Hunter, Parker and Shaw. Soloist Karl Koy will perform "Sometimes Love," and Barry Karlberg will perform the folksong "Where Have All the Flowers Gone?"

- **A Student Senate meeting** will be held in the University Center Ballroom B at 7 p.m.
- **A Department of Botany** will present a lecture on “The Atomic Energy Commission Regulatory Program,” by David Foster in the Agriculture Seminar room at 5 p.m.

**Southeast Missouri Board**

To Reconsider 8 Firings

Southeast Missouri State College’s Board of Regents will reconsider the dismissal of eight teachers accused of a faculty crisis and student protests.

Following a meeting of representatives of the faculty and college administration, University of Scully, the Board of Regents will study the matter at a meeting Thursday in Cape Girardeau.

Nine teachers, about a third of the faculty, have signed a petition charging the administration with undermining the morale of the faculty.

Eight teachers in five academic departments received identical letters on April 10 indicating they would not be rehired next fall. The letters sent by Dr. R. B. Meyer, dean of instruction, gave no explanation of the Board’s decision.

Southern Contests

16 Coeds Vie for Miss Southern

Contestants for the Miss Southern title will be judged at a pageant at 8 p.m., May 4 in Shryock Auditorium. Sixteen coeds will vie for the title. They will display their talents and participate in bathing suit and evening gown competition.

May 4 has been designated "Miss Illinois Day" in Carbondale, and the state title holder will serve as mistress of ceremonies. Mayor David Keene will present Miss Illinois with a bouquet and a key to the city. A parade has been scheduled in her honor in the afternoon from the airport to a motel.

Five semi-finalists will be selected by a panel of university judges. The winner will be crowned May 12 at the Bob Hope Show May 12.

Kahn to Speak at TP Forum

Melvin A. Kahn, associate professor of government, will speak on "Democracy and Republicans: Is There a Difference?" at the Thompson Point Forum at 9:15 p.m. Thursday in Dining Room I of Lentz Hall.

The lecture and following discussion is sponsored by Staggall Hall and RHA Educational Programming Board. Convocation credit will not be given for the forum.

Study of Newman Foundation Requested by Priests Senate

An in-depth study of the Catholic Student Newman Foundation at SIU was on the resoration discussed and approved at a Carbondale meeting of the Priests Senate of the Diocese of Belleville held last week.

The study of the Newman Foundation will be conducted by the Senate's Research and Development Committee.

Other resolutions approved include the option of separate residence for associate professors presently forced to live in established rectories; a basic equal salary for all clergy; a request that every priest be consulted before every appointment; and the option of retirement at age 65 with mandatory retirement at age 70 effective Jan. 1, 1969.

The Senate approved affiliation with the National Federation of Priests Councils, presently in the process of forming.

The group asked for three services on white and racial indifference before June 1.

A request for permission to say Mass in the homes of laity was resubmitted after a previous response by the bishop to a previous request.

The Priests Senate of the Diocese of Belleville is composed of an elected board of 18 priests representing the Roman Catholic priests of the 26 counties in southern Illinois.

Pianist, Soprano To Give Recital

Marla Waterman, soprano, and Steven Barwick, pianist, will be presented in a faculty recital at 8 p.m. Wednesday in Shryock Auditorium.

Miss Waterman will open the recital with an aria, "Soave sono 'i bei momenti" from "The Marriage of Figaro." After the aria she will perform the "Frauenliebe und Leben" song cycle by Robert Schumann. The first half will close with selections from five Shakespearean songs aranged by SIU faculty member Joseph Karle. The second half of the concert will be two arias from Puccini's opera "Turandot." The concert is open to the public free of charge and music credit will be given.

Sports Fans!

BET YOU DIDN'T KNOW

BY JAMES G. SIMPSON

Unoubtedly, the most famous nickname in all of sports was Babe Ruth's -- but do you know why he got it? As a child, Ruth grew up in an orphanage in Baltimore between the ages of 13 and 18, and still a resident of Baltimore, it was a good baseball team. At age 13, he was the city's best pitcher. He never thought of the outside world up to that time, and he knew even younger than he really was. Thus, when he joined the Baltimore team, none of the older players spoke of him as a "babe" in the woods, and naturally, some started calling him "Babe". Ruth himself admitted that he picked it up, and that name became used so often by that few people -- then one -- R uth, that his nickname was George Ruth.

Here's a question for you golf fans. Who are the only two brothers who have won the PGA golf championship? Their first names are Robert and Mike, who won the PGA title in 1957 and 1960.

Did you know that relief pitchers weren't used extensively in major league baseball until the five-man rule was adopted? In 1961, the Boston Red Sox played 127 games and used 36 relievers in only nine games that year.

I bet you didn't know that college students have a longer life expectancy -- never married women longer on the average than married women. The reason is that college men make possible more positive contributions to the creation and use of cash values, in college, life insurance. This probably makes good sense, too.

New Conference Merger Recommended by Study

By Dave Palermo

The thrill of battling for a conference championship may return soon to SIU. Recent recommendations by the SIU Study Commission on Intercollegiate Athletics, approved by the Board of Trustees and turned over to Pres. Delyte W. Morris for ratification and execution, encourage conference affiliation.

Article 10 of the recommendations advise SIU athletes "to enter the conference, in a conference, with universities having similarities in purpose, organization, student body and general characteristics. Such a conference affiliation should lead to high level performance and cooperation among its members in university activities other than athletics."

If this area of the recommendations is carried out, SIU would lose its status as an independent for the first time in its history.

In 1962 SIU broke relations with the Interstate Intercollegiate Conference, an affiliation of the NAIA, and recognized itself as an independent, as the NCAA is an independent.

At the time it was no surprise to the fans in Carbondale; the conference was defunct at the time. The operation was performed last Friday by Dr. Horsy von Palese. Moore was released from the hospital Monday and he returned to the campus.

Moore will be in a cast for six weeks. After that, time will be the major factor in deciding when he will be able to run again in competition. A "walking heel" will be put on his cast later.

Coach Lew Hartzog said, "It will be three months before Oscar will be able to start training, that is if the muscle heals correctly."

Moore started school in the spring of 1965 and should graduate at the end of 1969, Upon entering school he had three years of eligibility left in sports. He has four seasons of eligibility remaining: one season in cross country; two indoor seasons and one outdoor season.

During his college career Oscar has been one of the best cross country runners Southern has ever produced. Despite his 29-year-old age, he should be back at full capacity as long as ever to break existing records.

Moore currently holds three SIU school records in track and took part in the 4-mile relay team which broke the school record in 1967 with a time of 16:56.8 min. Individual records include: 2-mile run, 8:41.9; 3-mile run, 15:29.8; and the 6-mile run, 35:56.

Since Boydstun became athletic director in 1957 SIU has won 25 of 42 possible IAAC championships. His overall winning percentage in the conference from 1957 to 1962 was .738 with 395 wins, 135 losses and 5 ties.

After leaving the IAAC, Southern applied for membership in the Missouri Valley Conference.

Boydstun talked with Nor- ral Nave, commissioner of the MVC, and was told the conference was interested in admitting SIU as an independent in the MVC.

However, three prerequisites stood in the path: (1) members were to have a football stadium with a seating capacity of 20,000, (2) the school had to have a track that could seat 4,000 fans and (3) the MVC required that members offer a specified number of scholarships.

SIU's football stadium would be bursting at the seams with 11,000 fans, let alone 20,000. This was perhaps the main problem for Southern.

Also, the basketball Salukis were playing their games in a gym whose seating capacity was 1,000.

As far as the NCAA scholarship requirements, SIU had no such requirements.

Conferees officials evaded the question of admitting Southern at that time. As the caliber of athletics at SIU improved, however, the admittance of Southern again came to the fore.

Now Southern has a new basketball fieldhouse, the Saluki Arena. The question of NCAA scholarship funds is now important. Now the Salukis were winning against top-notch competition in all sports.

The SIU Study Commission on Intercollegiate Athletics recommended that the MVC offer SIU full membership in the league this year.
South Africa Out of Mexican Olympics

The International Olympic Committee (IOC) decided May 1, 12-27 Games in Mexico City Tuesday.

South Africa was officially voted out of the Mexico City Olympics Tuesday.

A simple majority of 36 was required, but an IOC member said at least 40 votes already have come in for South Africa. And now all of the votes are in, he added.

This reversed an IOC verdict voting to keep South Africa in the Winter Olympics at Grenoble, France, had 12-27 Games

At that time 36 of the 71 members had voted to keep South Africa in the 1968 Winter Games at Grenoble, France.

That decision was based on the recommendation of the South African Olympic Committee officials to send a multiracial Olympic Committee to Mexico.

In Johannesburg, the head of the IOC's executive committee said, "The Laureate decision is illegal, immoral, and unworkable but added, "We will accept the illegal position as it stands now in a gentlemanly manner.

"We feel, at this stage at least, no useful purpose would be served by standing on house top and shouting "shame" to the world and vilifying the IOC as such," said the president, Frank Braun.

He said South Africa will carry on in the Olympic movement "even if we are excluded this time.

The vote of the IOC members backed the recommendation of the IOC's nine-man executive board. The board men in an emergency session this week ruled that the South Africa's participation in the 12-27 Games would be considered "unacceptable for political reasons.

Mexico's organizing committee and the executive committee met in a emergency meeting following threats by more than 40 nations that they would boycott the multimillion dollar Olympic Games unless South Africa was permitted to participate.

Many other nations, especially the Soviet Union had forced the IOC to decide whether it would would not compete with South Africa.

The IOC, dominated by a powerful elite of rich ideologists and headed by Avery Brundage, of Chicago, was generally in favor of readmitting South Africa to preserve the universality of the Games.

Brazil and the Netherlands, who had decided against participating in the Olympic Games, was mostly maintained through the years by a number of opposition to Mexico's inability against political.

But the pressure of world sentiment against the 1968 Olympic session, the last vote and the first vote.

LAUSANNE, Switzerland (AP) — South Africa was officially voted out of the Mexico City Olympics Tuesday.

The WRA Aquaelettes will hold their annual water show May 1, 2 and 4 in the University Swimming pool.

This year's theme will revolve around the "Flower Theme." An added attraction will be a Bonnie and Clyde number. Participating in the show will be Bob Schoes, John Curtin and Bobbi Lewis.

Girls in the show will be: Helen Weyheium, Gayle Zion, Kathy Cochrone, Pam Hediguen, Mary Holman, Bev Johnson, Bobbi Lewis, Jan Longeysen, Parker Selects UK

Collinsville, III. (AP) - Tom Parker, all-state basketball player at University High School, signed Tuesday a letter of intent to continue his basketball career at the University of Kentucky.

Donna Machek, Marlene Meinhardt, Lenora Retzler, Louise Schoeller and Linda Taubert and Pam Wey­hau­sen.

Parker is a 6-foot, 5-inch, 240-pound junior guard. He averaged 20.5 points and 7.0 rebounds per game.

An All-State first team selection, the_accuracy, " has a quick shot and is a good passer, " said University Coach Fred Churchill.

"Parker will be an important member of the team," Added Coach Churchill.

**Coach Says Invitation Led to Wisconsin Trip**

By George Knemeyer

SIU Basketball Coach Jack Hartman said late Tuesday afternoon that he had visited the University of Wisconsin campus at Madison earlier this week "out of curiosity" on an invitation extended by Wisconsin officials.

Hartman is one of seven persons prominently mentioned for the head coaching position which was left vacant recently by John Erickson.

"Since I was unfamiliar with the basketball coaching position at the University of Wisconsin," Hartman said, "I was pleased to be asked to go to the University and visit the people there concerning the job, and to better acquaint myself with it.

"A coaching job in the Big Ten always creates a certain amount of interest," Hartman said, but added: "Right now I'm more concerned with our recruiting, and having a good ballclub at SIU next year."

Hartman checked out of the Edgewater Hotel in Madison early Tuesday morning but left his baggage at the hotel "for convenience sake," according to the hotel desk clerk.

The job opened when former coach John Erickson resigned April 1 to accept the position of general manager for the new National Basketball Association franchise in Milwaukee. Sources indicate that Erickson had been offered a substantial increase by the NBA team over the $15,000 he was making at Wisconsin.

Six others being prominently mentioned for the Wisconsin coaching post are Robert Rodriquez, Earl Knost, Jim Robertson, Larry Lacy, Jay Krzoska, Earl Lloyd, Jim Harding, Dave Brown and John Pollis.

**Girl Volleyball Team Defeated By Westerners**

Western Illinois' women's volleyball first team won two games in the volleyball sectional at SIU over the weekend.

SIU's first team fared only half as well, winning one game against Illinois State and dropping a second one to Western Illinois.

The sectional is not a tournament since all teams do not have a chance to play each other and there is no declared winner.

Members of the SIU first team include Bethel Stout, Pat Gee, Virginia Gordon, Jo Lee, Toni Smith, Carol Stearns, and Sue Stefani.

SIU's second and third volleyball teams remained undefeated for the season. The second team defeated the second teams from Illinois State and Western Illinois while the third team beat Western and Greenville.

The women's team will face Monticello, Principia, and Edwardsville at Illinois State on Saturday.

**Women's Tennis Team Downed**

SIU Women's tennis team lost its first match of the season recently to Southeast Missouri State by a score of 6-0.

Darkness halted the doubles round with only one game being completed. SIU coeds Sandy Clark and Ann Phillips won their first set 6-2 and were leading the second set 3-2 when the game was called.

Winner in the singles matches was Jennie Stanley, the team's number two player, winning 6-1 and 11-9.

Anita Rodriguez (SIU) downed another Cape Girardeau opponent 8-6 and 6-3.
