Southern Players Will Stage Speech Professor’s Play

A child’s play written by Cameron W. Garbutt, associate professor of speech at Southern Illinois University, will be staged March 2–3 by the Southern Players, student theater group. Entitled “Booky,” the play is the story of a boy who has a pet chimpanzee named “Booky,” and deals with his efforts to keep his pet in the face of the determined opposition of an aunt with whom he lives. His aunt wants to sell the chimpanzee to a circus, and the conflict between the aunt and boy as each tries to outwit the other is both exciting and touching. The play, to be directed by Chris Jones of Montgomery, Ala., will be presented at the Playhouse on the SIL campus, for school children of Carbondale and nearby communities.

Garbutt, a linguistics and dialect scholar, came to Southern’s faculty in 1967 from the speech department of Cornell University. Born in Sheridan, Wyoming, he received degrees from Northwestern University, the University of Washington and Louisiana State University. He holds a graduate assistantship at LSU and taught in high schools in Belle Plaine, Iowa, Tillamook, Oregon, and Longview and Olympia.

DALLAS, Tex—Two male jurors were chosen in quick succession Monday to try the assassination trial of Jack Ruby in the slaying of Lee Harvey Oswald, who was under arrest for the murder of President John F. Kennedy, during a routine jail transfer in the basement of Dallas police headquarters.

Pending the assassination trial in Dallas, the second one selected was a woman.

Dickerson said he had no first-hand knowledge of Oswald's activities because he was out of town during the tragic three November days that began with the killing of Mrs. Metalious was twice divorced, and was the mother of three children. She also was married for a time to James W. Tass, a disc jockey.

Baker's constitutional right to avoid self-incrimination—called forth by his previous statements—that he would refuse to register his 5th Amendment right to avoid possible self-incrimination.

A warning that Baker might invoke himself to a citation for contempt of Court came when he refused to state what his job was as Senate majority secretary, a post he resided under fire Oct. 7, 1963, when the stand he had made to try to force the Senate majority secretary to testify.

It was the third time since the trial began Feb. 17 that one juror had been sworn in one day.

Chosen were Luther D. Dickerson, 27, and Douglas J. Sowell, 33, of Dallas.

After 1/2 hours, hearing was recessed until today when Col. Tyler, Baker's successor in the Senate majority in the Dallas district attorney's office.

The committee members reserved for later consideration the question of whether to recommend that Baker be cited for contempt.

U Thant Says He Has Failed To Break Cyprus Deadlock

UNITED NATIONS, N.Y.—U.N. Secretary-General U Thant declared Tuesday that his efforts to resolve the Cyprus crisis had reached an impasse.

He told the 11-nation Security Council that he would continue the search for a solution, but he could, he indicated that it was impossible for the Council now to find a way out.

Thant undertook the mediation mission last week, but made little progress in recongin the position of Archbishop Makarios, president of Cyprus, with the position of Turkey, Britain and the United States,

Also, the two sides will meet today on the bill.

Iubelt's Quintet Ends Season By Coasting Past Panthers

Southern's freshmen cagers closed out their season successfully Monday night as they slapped the frosh from Ken­tucky Wesleyan, 122-91.

The Salukis 122 points ties the record for points in a single game. The record was set earlier this season in a game with Harrisburg Junior College.

The victory was the second of the season for the Salukis over the Panthers. The Sal­ukis won the initial contest played at Owensboro, 82-68. The high-scoring contest was marred by 47 personal fouls, 28 of them against Wes­leyan. Panther coach Guy Strong came close to setting some sort of record of his own as he was charged with five technical fouls. Strong was booted from the gym for his actions.

Although the final score may indicate a rout, the first half was closely contested. Southern held a slim 52-49 lead throughout the season, ended his spectacular freshman year by dropping 27 points. Frazier closed out the sea­son with 318 points to his credit. This total far out­paces the old record of 253 set by Frank Lender.

The next highest scorer for the Salukis was Roger Bechtold with 26 points. The scrappy guard from Belle­ville has scored 56 points in the last two games. Ray Kripl, playing his best game of the season, tallied 25 points to finish third in the scoring. Clarence Smith and Ralph Johnson also entered double figures for Southern as they added 19 and 16 points respectively.

Roger Cordell tied Frazier for game scoring honors as the second highest scorer for Kentucky Wesleyan. 122-91.

The points parade was led, as usual, by record-setting Walt Frazier. The At­lanta, Ga., product, who has been the team's leading scorer throughout the season, ended his spectacular freshman year by dropping 27 points. Frazier was booted from the gym for his actions.
