# Housing Policy Approved By Trustees

The SIU Board of Trustees yesterday awarded a construction contract to a St. Louis firm for two buildings on the Edwardsville Campus and gave approval to a resolution concerning policy concerning student housing regulations.

The resolution on new housing standards specifies that effective Sept. 1, 1963, single undergraduate students will be permitted to reside only in those accommodations which

have been classified by the Administration as "Accepted Physical Facilities."

A copy of the newly-prepared list of standards was given to each board member for consideration. The members are to contact President Delyte W. Morris within the next week and declare whether they approve of the standards.

President Morris said if the board approves the proposed regulations for "Accepted Physical Standards," copies

will then be distributed to the press, householders and students. He pointed out that minimum standards proposed would apply to University-owned housing on campus as well as all types of off-campus housing.

The resolution further provides that a new and upgraded set of standards to be designated as "Accepted Living Centers" regulations will be

## Board Makes Appointments To Faculty

Fifteen appointments to the permanent faculty and 33 appointments for specified terms of less than one year were approved by the SIU Board of Trustees at the April meeting yesterday.

Most were to start with the new school year, in September.

There were 21 appointments for the summer quarter and 23 reappointments.

Two professors were named for the Carbondale campus. Jose L. Amoros, 43, of the University of Madrid, will be professor of applied science. He has served as professor at the Universities of Barcelona, Sevilla and Madrid and is the author of four books and 120 professional articles.

Charles L. Maxwell, 36, from the University of Alabama, will serve as professor of mathematics. He is a native of Tuscaloosa.

Two associate professors will start at the Carbondale campus with the fall term. They are Mrs. Florence L. Foote, in physiology, and Arthur Ely Prell in marketing. Mrs. Foote received the Ph. D. degree from the State University of Iowa. Prell received the Ph. D. from the University of Minnesota. He will also serve at Southern as head of the Business Research Bureau.

Three assistant professors, Ted Eugene Boyle in English, Thomas G. Hall in music and Richard F. Page in accounting, completed the permanent appointments for Carbondale.

Three visiting professors headed the list of term appointments. Harold R.W. Benjamin, author of six books and 300 articles, will return to

### Test Pilot Will Speak At NIFA Awards Dinner

Maj. Walter F. Daniel will bring the 15th annual National Intercollegiate Flying Association Air Meet to a soft landing tonight when he speaks at the awards dinner.

Daniel, a 37-year old Air Force test pilot and Korean War veteran, will speak at 6:30 in the University Center. Tickets for the public dinner are available for \$4.75 at the Southern Illinois Airport.

Some 275 aviators from 22 schools are here competing for the 30 trophies to be

awarded. The Saluki Flying Club has six members entered while Oklahoma State boasts the largest number of members entered, 19.

The meet began yesterday morning with Carbondale Mayor D. Blaney Miller welcoming the participants.

A "Sky Queen" was to be named last night from among the 15 nominations. Martha Coker was the SIU candidate for queen.

Coffee and doughnuts will be served tomorrow morning as contestants leave the airport for home.

## Jaguar Overtakes On Rt. 51 Driver Critically Injured

Two SIU students are dead and one is in critical condition following a one-car accident on Route 51, three miles south of Carbondale shortly before midnight Thursday.

The dead are James Rasmussen, 22, of Palatine, a Liberal Arts student, and William J. Bert, 21, Glen Ellyn, a student in the School of Business.

In critical condition at Doctors Hospital was William T. Brougham, 21, of Olympia Fields, driver of the car.

Hospital spokesman said Brougham received multiple

body injuries and head injuries. He was in surgery during the night.

Bert was an active member of Tau Kappa Epsilon. Brougham is also an active member of TKE and Rasmussen was a social affiliate.

Officers investigating the fatal wreck said the car, a Jaguar, apparently was being driven at a high rate of speed and ran off the road. No witnesses to the accident have been located.

A "Mr. Taylor" living in the area spotted the accident and reported to authorities. University, Carbondale and State Police arrived on the scene and called for ambulances. Rasmussen was alive on arrival at the hospital but died of his injuries at 2:30 Friday morning.

Joseph F. Zaleski, assistant Dean of Student Affairs, said Rasmussen had withdrawn from school April 22.

An informant at the fraternity house said all three had been living at "The Cave," on Old Route 13 near Murphysboro.

Parents of all three were notified and were on their way to Carbondale, according to a fraternity brother.

Funeral arrangements for Bert and Rasmussen have not been announced.

## High School Press Meets Here Today

Almost 500 high school journalism students and their advisors are on campus today for the 13th annual convention of the Southern Illinois High School Press Association.

They will attend working sessions covering all phases newspaper and yearbook operations which will be conducted by some 37 professional journalists and teachers of journalism.

# Council Votes Not To Recommend Funds For Egyptian

The Student Council voted not to recommend allocation of money from student activity fees to the Daily Egyptian.

It also voted to write letters of explanation to President Delyte W. Morris and Howard R. Long, chairman of the Department of Journalism.

The action was taken when the Council deleted the Egyptian's program recommendations from the Student Activity Fee Study at its Thursday night meeting.

A number of Council members expressed their feeling that the Egyptian is not a student newspaper and that students are not satisfied with

When questioned as to what they disliked about the Egyptian's content, only one Council member replied. Bruno Klaus objected to the national and international news carried in the paper.

Senator George Graham, who called the Egyptian a "rotten mess," said he would like to see it as either a "student newspaper" or entirely disassociated from student activity fees.

Graham, however, voted against the method approved by the Council.

Last year, the Student Council made a similar attempt when appropriations to the

Egyptian were tabled until it could be determined whether or not the newspaper was a student publication as defined in university statutes.

That attempt failed, and the Egyptian received its allocations.

This year, the Egyptian's program recommendation calls for a total of \$92,560. One of the larger cost items, objected to by Council members, was \$18,800 for a delivery service contract.

Commuter Senator Bob Gray said, "They (The Egyptian) want to operate as a big newspaper. No doubt the Egyptian wants to do this. But I

am very much against student money being used for that purpose."

Gray motioned to exclude the Daily Egyptian from the final allocation of student activity fees.

Graham pointed out the need for a positive statement of reasons for Gray's motion and had the issue tabled. An hour later, after discussing other business, the Egyptian matter was returned to the floor.

Graham suggested that the Egyptian account be tabled indefinitely and that the Council express its "sharp concern

with the matter."

Gray thought this was in the nature of a threat. "I don't think we want to make it a threat," he said. "I think, however, that the student body would be behind us."

When the motion was made by Robin Carpenter to delete the Egyptian program recommendation and write letters to President Morris and Long, the following Council members were in favor: Robin Carpenter, Bob Gray, Bruno Klaus, Gerry Howe and Bill Caryl.

Objecting to the method were Graham, John Broyer and Ron Hunt.

The Rev. Mr. Gordon is chairman of the Southern Illinois Conference Board of Christian Social Concerns.

**SCF Plans Spring Retreat May 4-5**

"One Lord, One Faith, One Baptism" will be the topic of Student Christian Foundation's Spring Retreat. Student participation workshops, a panel discussion, and the featured address by Laverne Joseph, SCF assistant director, will all deal with the topic.

The retreat, to be held May 4-5 at Camp Carew, will begin at 1 p.m. on Saturday and continue through Sunday evening. In addition to the learning sessions, there will be free time and recreational programs including swimming, boating and fishing.

Cost for the weekend is \$2.50, which includes meals, insurance, and overnight accommodations. Reservations should be in by April 28, and are to be accompanied by a one dollar reservation fee.

**Wesley Foundation Sponsors Guest Day**

More than 100 high school students of southern Illinois are expected to attend a High School Guest Day today at SIU sponsored by the Wesley Foundation.

The group will be addressed by A.B. Mifflin, assistant coordinator of Central Publications, at 9:40 a.m.

A drama presentation of the religious life of a college student will receive the main emphasis of the day, which will also include small question-and-answer groups conducted by SIU students, a tour of the campus, and a closing worship service.

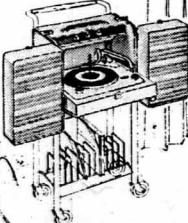

The guest day is arranged by the Freshman Council of the Foundation.

THE REV. FRED W. SPURLIN

**Rev. Spurlin Is Too Busy For The Devil**

"An idle mind is the Devil's work-shop," or so the saying goes, but the Rev. Fred W. Spurlin doesn't give the "horned-one" a chance.

The Rev. Mr. Spurlin is one of the busier men-about-campus. He carries a full load of course work as a graduate student in the Department of Instructional Materials. He works 20 hours weekly in the Instructional Materials Laboratory. As though this were not enough, he is also the pastor of the First Baptist Church in Hurst. "Our church is very active," he said. "Along with the regular schedule of three services on Sunday--Sunday School, Morning Worship, and an evening service--there is a never-ending round of meetings of committees and service groups."

**Moye Heads BSU Students**

The Baptist Student Union has elected its officers for 1963-64. A number of the new officers, together with several other students, attended the state BSU Conference last weekend at Camp Howard, Lake of the Woods, Mahomet, Illinois.

The new officers include the following:

- Jerry Moye, president;
- Gary Grigg, vice president;
- Georgina Phillips, secretary;
- Valerie Withrow, reporter;
- Martha Jackson and Leslie Pappas, chapel co-chairmen;
- Larry Sledge, music chairman.

Fred Eggle and Norma Hodges, missions co-chairmen; Jean Lohenstein and John Crenshaw, Inter-Faith Council representatives; Pam Kennedy and Rita Barker, publicity co-chairmen; Judy Harbison, "Beacon" newspaper chairman; Nada Heil and Nolan Carlisle, enlistment co-chairmen.

Also, Terry Peterson and Janice Thompson, social co-chairmen; Lynn Bristow, stewardship chairman; Ed Handkins, married student representative; Faye Andrews, devotional chairman; Jim Lipe, Lantana church representative; Larry Channess, Murdale church representative; Tom Eggle, University church representative; Joe Spicer, Walnut church representative; and Byron Pappas, Lakeland church representative.

A new dramatic arrangement of James Weldon Johnson's "God's Trombones" will be presented at the Sunday Supper Club at the Student Christian Foundation tomorrow at 5:30 p.m.

The production is directed by Virginia Taylor and titled "Let My People Go."

High school students from the surrounding area will be the guests of the Foundation for the evening.

**Strout To Speak At IVCF Meeting**

Richard E. Strout, state director of the Child Evangelism Fellowship, will speak at the meeting of the Inter-Varsity Christian Fellowship at 7:45 p.m., Monday, in the University Center.

Strout, a native of New Hampshire, received his A.B. degree from Barrington College in Rhode Island with a major in history.

He has served as state director of the Child Evangelism Fellowship since September. Strout attended the International Child Evangelism Institute in Muskegon, Michigan, last summer.

In the Fall of 1956, the Rev. Mr. Spurlin came to SIU intending to play football and major in Physical Education. "My ambition at the time was to coach football," he said.

The year 1957 brought some major changes in his planning, however. He was married on November 30 and in December he became an ordained minister.

His first church was the Sandy Creek Baptist Church located near Tamm. After two years in that capacity he became the pastor at Hurst.

After completing his work on his Master's degree, the Rev. Mr. Spurlin plans either to attend Southwestern Baptist Theological Seminary or to begin work in communications for the Southern Baptist Convention.

"My major interest," he comments, "is in church communications. I have always thought that there is a great need for the church to improve its efforts in communicating its message and mission."

"Specifically I'm interested in such work as that of the Radio and Television Commission of the Southern Baptist Convention." This group is responsible for the production of "Master Control" and "The Baptist Hour" on radio and "The Answer" on television. "I'm also interested in the work of our Sunday School Board," the Rev. Mr. Spurlin continued. "They produce the literature for Baptist Sunday Schools and prepare audio-visual aids for their use."

Asked if his academic schedule caused any conflict with his church work, the Rev. Mr. Spurlin replied, "Not often. When it does, my congregation is very understanding. They approve of my continuing my education. A stagnant leader isn't a leader for long."

As a leader in his community, the Rev. Mr. Spurlin is a member of the Citizens' Participation Committee which is seeking to bring new employers to the Hurst area. He is also a member of the Lions Club and serves on their Board of Governors.

## Editorial:

## Storm Warnings

SIU was struck by a tornado Thursday night. It was sudden, it was quiet, it was quick. Few saw it coming, for it was tucked in behind another tornado, one involving the Athletic Department.

The tornado was Student Council, and it struck the Egyptian.

Without emotion, and operating within a unanimous consensus that the campus newspaper was a "rotten mess," the council voted five to three to withhold recommendation of allocation of money from the activity funds for the Egyptian. The three nays disagreed only upon the best procedure for withholding funds.

There has long been a debate as to the amount of power the Student Council holds. Does the council represent student opinion? If so, what is its strength relative to that of the university administration? If student opinion is against a campus organization and favors withholding activity fee support of that organization, should the administration acknowledge that opinion and approve its decision?

This is the test everyone has been waiting for. The Student Council feels the Egyptian

is a "rotten mess," holds that students should not be "forced" to subscribe to a paper they do not like, and refused to grant activity fee support to the paper.

What will the administration do? Does the administration feel strongly enough that the students should have a campus newspaper that it will disregard student opinion as expressed by the Student Council and override the council's vote? That is the question, and it is sure to be answered soon.

One note of clarification: The council didn't vote to kill the Egyptian. It voted to refuse automatic student support of the paper by withholding activity fees. They felt the Egyptian should finance itself through newsstand sales and subscriptions. The number of sales would be an expression of student approval of disapproval.

However, the council's Joint Retreat this weekend arouses memories of last year. The Student Council of last year voted to withhold Egyptian funds but backed down when faced by President Delyte Morris at the spring retreat. What will be the story this time?

recommended to the Board of Trustees in April of 1964. The "Accepted Living Centers" regulations would stipulate minimum standards for the fall quarter of 1965.

President Morris said the two-year interim period between "Accepted Physical Facilities" standards going into effect and the "Accepted Living Centers" regulations is to avoid placing hardship on students or householders.

Any single undergraduate student who resides in accommodations not approved by the minimum standards will be subject to disciplinary action. The Administration will also encourage that all accommodations used by graduate students and married undergraduate students meet the same minimum standards.

Contract for general construction of a library and classroom building at Edwardsville was awarded to the Fruin-Colnon Company, which had submitted a low bid of \$5,171,000 for the two buildings. The contract calls for construction to begin immediately and completion of the buildings within 476 days.

Awarding of other contracts for work on the two buildings was also approved during yesterday's board meeting.

Firms receiving contracts for the various phases of work include Fowler Plumbing and Heating, Centralia, ventilation, \$409,600.

Usher Brothers Ideal Heating, Chicago, heating and air conditioning, \$339,332; Minneapolis-Honeywell Co., St. Louis, temperature control, \$101,652; Hitchcock Sprinkler, Peoria, fire protection, \$69,657; Brand Installation, Chicago, non-conductive insulation, \$57,076; Aldridge Electric Co., Lake Forest, electrical work at library, \$313,916; and Sach Electric, East St. Louis, electrical work at classroom, \$297,000.

The Board voted to reject bids on the plumbing contract and to re-bid the project because all the bids received were greatly in excess of

estimates on the work. Members expressed hope that new bids might be more in line with estimates.

Four representatives of the city of Carbondale met with the Board of Trustees during the meeting yesterday to discuss future cooperation between the two bodies. The discussion was a result of a recent misunderstanding which occurred after the announcement of University expansion plans.

They agreed to develop improved means of communication and cooperation to avoid future misunderstandings. City officials present included Mayor D. Blaney Miller, City Attorney J. Edward Helton, Tom Easterly, building and zoning commissioner, and Gerwin Rohrbach, planning consultant.

## Faculty Appointments Made

(Continued From Page 1)

Jean Gottmann will arrive in January, 1964, to serve three months as visiting professor in geography. Educated at the University of Paris, he has served as a staff member at the Princeton, N.J. Institute for Advanced Studies; research director for the Twentieth Century Fund; di-

vision director for the United Nations and professor at the University of Paris.

Raymond E. Wakeley will return as visiting professor of Area Services in July, 1963, replacing Charles Lively. During a term appointment in 1961 he conducted research in southern Illinois sociology and wrote three pamphlets based on studies of population shift and characteristics.

## Ross Elected ADS President

Billy I. Ross, doctoral graduate assistant in the Department of Journalism, has been elected national president of Alpha Delta Sigma, advertising fraternity.

Ross, who was elected at the fraternity's 50th anniversary convention in New York City, supervises advertising for the Daily Egyptian.

His is the second top officer of the fraternity at SIU. Two years ago, national headquarters of the group moved to SIU with the appointment of Donald G. Hileman, associate professor of journalism, as national executive secretary.

Hileman was honored at the group's convention as one of 50 advertising educators who have contributed the most to advertising during the past 50 years.

## Angry Senate May Rescind Marenmont OK

CHICAGO

Arnold H. Marenmont stood firm Friday in his attack on some Republican senators, but said he did not mean to blast the whole Illinois Senate or Republicans generally.

The chairman of the Illinois Public Aid Commission ignited a political explosion Thursday by stating that some GOP legislators used anti-Negro tactics followed up with a written statement.

Marenmont's oral comments Thursday prompted Senate Republicans to plan a move for reconsideration of his confirmation—a move that could lead to his ouster.

"All Springfield has been whispering what I have stated aloud," Marenmont said, "and used the word 'punitive' to describe legislation against public aid."

MURPHYSBORO, III.

A strike of more than 1,500 carpenters in 14 southern Illinois counties that began April 1 is to end Monday.

Spokesmen for a labor council representing 16 locals said Friday carpenters polled by mail have ratified a contract settlement reached last week with contractors.

The new contract gives carpenters a wage increase of 45 cents an hour spread over three years. Base pay was \$3.45 an hour under the contract that expired March 31.

EDWARDSVILLE, III.

The Fruin-Colnon Construction Co. of St. Louis was awarded a \$5,171,000 contract yesterday for the first two buildings on Southern Illinois University's Edwardsville campus.

The school's board of trustees awarded the contract for the library and a general classroom-faculty office building.

# Tennis, Anyone?

That seems to be a good question and you can bet that Southern's tennis team will answer "yes" to it every time. The Salukis appear to be on their way to its winningest season in history with an 11-0 record already chalked up.

SIU has blanked no less than 7 of its 11 opponents and no more than two points have been scored against them in any one match.

# Week End News Round Up

By Leonard J. Hooper

Springfield- Arnold H. Maremont faced possible ouster Friday as chairman of the Illinois Public Aid Commission, apparently because he triggered a political explosion by accusing Republican legislators of being anti-Negro.

GOP state senators, roaring angry denunciations of the Maremont charges, moved late Thursday to reconsider the Senate's confirmation of Maremont's appointment. They rammed through a change in the rules to permit reconsideration and then served notice that they will ask for a new vote on Maremont's appointment next Thursday.

Sen. Egbert R. Groen, R-Pekin, who led the fight for reconsideration, said he wanted Maremont called back before the Senate to "explain" his charges that some GOP senators were "absolutely racist" in their stand on public aid.

Washington- Diplomatic efforts to save Laos' neutrality and head off civil war in the little southeast Asian nation edged close to a breakdown at midweek.

Britain's Foreign Secretary Lord Home brought the deterioration of the diplomatic situation fully into the open by accusing the Soviet Union of frustrating British moves to restore peace.

Home, speaking in the House of Lords, based his accusation on the same Kremlin move that U.S. authorities already had diagnosed as an abrupt hardening of the Soviet line—a demand that Britain join in a declaration that the United States is responsible for the outbreak of fighting in Laos.

Meantime it was learned in Washington that the U.S. Army will send a battle group of about 1,500 into Thailand, next door to troubled Laos, for maneuvers next month.

The move was planned months ago, as part of an exercise by troops from the Southeast Asia treaty nations, but the worsening situation in Laos converted it in effect into a show of force.

President Kennedy announced Wednesday that he is sending W. Averell Harriman to Moscow for consultations on the crisis in Laos. He said Harriman is taking a personal letter from him to Premier Khrushchev.

Moscow- Premier Khrushchev referred to his advancing age and eventual retirement in a speech reported by Tass Thursday.

"I am already 69 and I have a right to say so," is the way he put it. "For everyone understands that I cannot hold for all time the position I now have in the party and the state."

Khrushchev has two official jobs. He is chairman of the Council of Ministers (Premier) and First Secretary of the Soviet Communist Party.

There has been speculation in the West that the Russian leader might give up either the party secretaryship or the premiership, if not both.

## Integrationist Shot

Attala, Ala.- A white integrationist from Maryland was shot to death beside a highway near this northeast Alabama town Tuesday night. A full-scale search for the killer is under way.

Gov. George Wallace, a staunch segregationist, called the slaying of William L. Moore, 35, of Baltimore, a dastardly act and offered a \$1,000 reward for the arrest and conviction of the killer.

Moore, hiking across Alabama and bound for Mississippi on a personal anti-segregation mission, was carrying pro-integration signs.

Washington- Disarmament chief William C. Foster said Tuesday he does not believe Premier Khrushchev will withdraw Russia's offer of limited on-site inspections to police an atomic test ban.

Foster said the United States will join in a treaty to outlaw nuclear explosions—and he declared this would be in Russia's

own best interest, as well as America's. There is speculation that a joint U.S.-British approach to Khrushchev could lead to a meeting, at the foreign ministers or summit level, which might deal with other East-West problems too. But U.S. authorities labeled such speculation as premature.

New York- Three alleged Cuban saboteurs and a pro-Castro Cuban who was convicted of murder were sent back to their native land Tuesday in a swap for 21 Americans who were released from Cuban prisons.

The four Cubans left Boca Chica Naval Air Station at Key West, Fla., aboard a Cubana Air Lines plane that was escorted over American waters by four U.S. jet fighters.

Atty. Gen. Robert F. Kennedy said Monday night that the four were being sent back to Cuba in the swap for the Americans.

Moscow- Premier Khrushchev talked with the British and American ambassadors Wednesday about nuclear test ban problems, the U.S. Embassy announced.

U.S. Ambassador Foy Kohler and British Ambassador Sir Humphrey Trevelyan in the meeting with Khrushchev presumably sought a new approach for ending nuclear testing.

Negotiations for a treaty to ban nuclear tests are dead-locked at Geneva over the issue of inspection under a treaty.

Diplomatic sources believe that Khrushchev and the ambassadors may have talked about other world problems, such as Laos.

A New York World-Telegram and Sun dispatch said the U.S. agreed to the unusual prisoner "swap" primarily to free the captured CIA, agents, who were held in Castro dungeons along with American adventurers and soldiers of fortune.

James B. Donovan, New York attorney who negotiated with Castro for the release of the Americans, said three Americans elected to fly to South America rather than return to the United States, but he declined to identify them. He expressed hope Monday for the early release of Cuban-born American citizens still being held.

## Test Balloon

Chico, Calif.- A giant Air Force test balloon launched last Sunday morning was brought down over Laramie, Wyo., Sunday night after 14 hours flight when instrument contact failed partially.

Charleston, Ill.- A proposed educational television network for Illinois colleges has drawn solid backing from the State Teachers College Board of Illinois.

The board at a meeting Monday at Eastern Illinois University called for enactment of legislation making a statewide network possible.

Ray Page, state school superintendent, told the board his office is actively supporting a program for educational television.

## Two Students Killed

Two SIU students, James Rasmussen, 22, and William J. Bert, 21, died in a one-car accident at about 11:30 Thursday night, three miles south of Carbondale.

William T. Brougham, 21, driver of the sports car in which the three were riding, was critically injured in the wreck. He is in Doctors Hospital suffering from multiple injuries and head injuries.

Bert was in the School of Business and Rasmussen was a student in the College of Liberal Arts and Sciences before his withdrawal from the institution Monday. Brougham is in the School of Business.

All three were affiliated with the local chapter of Tau Kappa Epsilon fraternity. According to Joseph F. Zaleski, Assistant Dean of Student Affairs, the trio lived at "The Cave," a residence on Old Route 13 near Murphysboro.

# Varsity Baseball Squad Faces Strong Alumni Team Today

SIU will be trying to snap a three-game baseball losing streak this afternoon at 2 p.m. in a scheduled nine-inning game against SIU baseball players who have graduated. Glenn Martin, baseball

coach, is not sure who he will start on the mound this afternoon, Rick Bickhaus, Doug Edwards and John Horz are the pitchers Martin's considering for pitching duty.

Seven former team captains will be on the Alumni squad that challenges the varsity Salukis today.

Martin's SIU varsity squad is led by Jerry Qualls' .391 batting average. But Ron Landreth, Saluki second baseman, is confident he will overtake Qualls in hitting this afternoon.

Landreth is hitting .353 with 12 hits in 34 times at bat and is tied for second place with catcher Mike Pratte. Pratte also has collected 12 hits this season.

SIU's other .300 hitters are Gib Snyder and John Siebel. Snyder is hitting .316 and Siebel .315.

Leading the alumni in the game will be Bill Bleyer, captain of SIU's 1948 club, Lyde Leilich ('49), Ray Tabacchi ('56), Ron Ayres ('58), Roger Buyan ('59), Gerald Marting ('61) and Larry Patton, last year's captain.

In addition four others, Bill O'Brien, Richard (tchy) Jones, Dick Dillinger and Wally Westbrook, received most valuable player awards here while Charles Valier, presently baseball coach at Murphysboro, was SIU's leading hitter in 1951 with a .326 mark.

Ayres, Reid Martin, baseball coach at Carbondale Community High School, and Harry Gurley, SIU's assistant coach,

will form the Alumni's pitching corps while infielders Jim Smith, William Elder, Larry Harris and Jack Choir and outfielders Scott Marlen and Ed Thies will complete the squad.

"We're expecting stiff competition from this outfit," Martin said, "and they can expect us to be going all out in an effort to end our losing streak."

# Tennis Team Risks 11-0 Record

Hoping to keep its unbeaten string on the line, Southern's tennis squad is engaged in the second-leg of the two day Missouri Quadrangular in Kansas City today.

\*The four team field of SIU, Oklahoma State, Wichita and Kansas, started action yesterday afternoon but pairings or results weren't available.

The Salukis, who have won 12 straight, 11 this year, will find the going rougher than most of the teams they have faced this year. Oklahoma State also brings an undefeated squad into the matches, with the Cowboys winning 7 contests this year.

►The Cowboys handed coach Dick LeFevre's squad a 9-0 setback last year and figure to be even stronger this time

around. State has already knocked off Kansas this year. The Jayhawkers downed Southern twice last year 6-3.

However, statistics don't prove anything and LeFevre was expecting no trouble from the Jayhawks or the Wichita Shockers who were on top of the Missouri Valley Conference last year.

The coach wasn't too optimistic about the match with the Cowboys but exclaimed, "We'll be disappointed if we don't beat them."

The Salukis will go with personnel who only have dropped 4 singles matches this year. Lance Lumsden will be at the number one spot, as the Jamaican star posts a 9-2 season record.

Captain Pachó Castillo will

remain at number two singles although he has dropped his last two matches. Castillo has turned in a 8-3 won-lost record thus far.

Bob Sprengelmeyer will hold down the number three position with an undefeated 11-0 mark. The taller Sprengelmeyer brother, Bob, who also is undefeated in 11 matches, will work at number four singles.

Holding down the last two singles positions are Wilson Burge with a 10-0 slate, and George Domenech, also with an unblemished 10-0 record.

The Salukis will not play at home until May 21, when they make their last home appearance of the year against Washington of St. Louis.

# Turner Wins Two-Mile Run At Drake Relays

SIU won the sprint medley relay event and Brian Turner won the two-mile run yesterday in Des Moines, Iowa at the Drake Relays.

Southern's sprint medley team of Ed Houston, Al Pulliam, Jim Stewart and Bill Cornell came from behind to beat second place Missouri.

Bob Green also won his preliminary heat of the 120-yard high hurdles with a time of :14.4 seconds. The finals will be held today.

After the sprint medley race in all the excitement, Houston was spiked by one of his teammates and was rushed to the hospital for treatment.

Lew Hartzog said he will

Gerry Pieters a graduate student in Industrial Psychology, has been elected President of the Southern Illinois University Psychology Colloquium.

Other officers elected are, Don Jewell, vice president and social chairman, Gordon Forbes, treasurer; Carol Whitlock, secretary, and J. G. Martire, associate professor of Psychology, as faculty advisor.

## Mississippi Golf Match Might Be Called Off Today

Southern's golf team is scheduled to meet the University of Mississippi today at Oxford, but the match may be called off at the last minute.

The Rebels were a question mark on coach Lynn Holder's schedule because Ole Miss usually holds its annual state golf tournament this time of the year. Holder was waiting for a phone call from the Mississippi athletic director, but had not heard from him.

If the Rebels are not engaged in the tournament, the Salukis will cross over from Memphis, Tenn., where they met the Memphis State Tigers yesterday, into Oxford. Results of the match with Memphis State were not available. The Salukis are in a current slump with a two game losing streak. Holder wasn't too optimistic about his team's chances against the Tigers, but only replied, "Memphis is a golf town and I know they're (Memphis State) tough."

Southern has already met the Rebels in two pre-season

scratch SIU's distance medley team because of Houston's injury. Hartzog reported that Houston's foot was cut badly.

In other results yesterday SIU's freshman sprint medley team of Herman Gary, Gary Carr, Bill Lindsey and Bob Wheelwright finished third behind Abilene Christian and Drake.

Abilene Christian's winning time of 3:24.3 was a new Drake Relays record breaking its own record of 3:27.7 set last year.

Turner's winning two-mile time was 8:51.7 breaking his own SIU school record of 9:02 set last year.

In the sprint medley Missouri appeared to have the event wrapped up with only 880-yards remaining. But Cornell sprinted the entire distance in what Hartzog called "the greatest race he has ever seen" to overtake the Missouri runner.

Cornell's time for the half-mile was 1 minute 46 seconds plus faster than any one else at SIU.

Today SIU's freshman mile relay team of Jerry Fendrich, Carr, Wheelwright and Lindsey will run in a bid for the second straight victory. Last week the freshmen won the event at Kansas.

**SOCCER PLAYERS** - Each Sunday afternoon at 4 p.m. you'll find this scene repeated on the practice football field. A handful of energetic young men are attempting to organize an SIU soccer team. Interested persons are invited to show up for practice.
