Southern Opens Negotiations For Land

HOMECOMING DRAWS THOUSANDS

Southern's twenty-ninth annual Homecoming, October 26-27, brought the largest crowd in recent years to the campus in celebration of the first post-war alumni reunion. Some 1,500 attended the Little Theatre production, 4,000 the Maroon-Western football game, and several hundred couples the dance and coronation.

Among them were several distinguished visitors, who were invited as special guests of President Chester F. Lay, including Frank Thompson, director of registration and education, and chairman of the Teachers College Board; several other board members and former board members.

Highlighting the two-day celebration was the coronation ceremony at which Miss Gloria Barger, blond senior from Harrisburg, was crowned Queen by Football Captain Sam Milosevich of Zeigler.

Miss Barger is majoring in commerce in the College of Vocations and Professions. She is president of Anthony Hall, a member of the Independent Student Union, and president of the Commerce Club.

The Homecoming Play under the direction of Mrs. Julia Neely was a hilarious "mellerdammer" of the gay '90's, in which Neva Woolard of West Frankfort and John Mulkin of Herrin starred in the leading roles.

Appraisers Named To Gauge Site Values

Appointment of three Jackson County business men as a committee of appraisal to evaluate property near the Southern campus as a first step in negotiations to purchase land for the University's 25-year building program was announced recently.

These three men—O. W. Jones of Murphysboro, abstractor, Lawson Fore of Carbondale, former county treasurer and for 14 years secretary of the Carbondale Building, Loan and Homestead Association, and H. H. Nooner of Carbondale, officer and approved mortgagee in the Federal Housing Authority—were appointed by the Teachers College Board.

Their appraisals will serve as the basis for negotiations for purchase of sites not only for the University's immediate building plans but also for its long-range expansion program.

The three appraisers were "persuaded" to accept the difficult and responsible assignment after a day-long conference with Director Frank G. Thompson of the State Department of Registration and Education, chairman of the Teachers College Board; President Chester F. Lay; and Edward V. Miles, Jr., business manager of the University.

ASSEMBLY SINGER

Harold Bailey, '32, baritone, on the music faculty of Roosevelt College, Chicago, will give a concert on the Southern campus at Assembly on February 28. Bailey is the son of Dr. William M. Bailey, professor and chairman of the Southern botany department.

BOARD TAKES BALL ON STUDENT UNION; OKS JOINT COUNCIL
A student plea for a Union Building, student recreational activity center, at Southern received approval of the Alumni Board at its meeting at Homecoming, October 27, and the Board voted unanimously to take steps in launching a campaign for construction of such a building.

Specifically, the Board authorized Alumni Association President W. B. ("Slatz") Valentine of Alto Pass to appoint a committee to present a Union Building proposal to the Teachers College Board.

The committee was instructed to ask the Teachers College Board to approve the project as a desirable University building and to designate an area on the campus where such a building might be constructed.

(This committee, named in November by Mr. Valentine, consists of Dr. C. W. Brooks of Carbondale, chairman; George W. Schroeder of Carbondale, and O. W. Lyerla of Herrin.)

Student need for such a building were presented to the Alumni Board by Helen Mataya, a senior and chairman of a student committee working on the Union project.

Discussion brought out the suggestion that definite plans for obtaining funds for construction should be deferred until the project should receive approval of the Teachers College Board.

Several proposals for obtaining such funds were made, including (1) by a fund-raising campaign among alumni and other friends of the University, and (2) by a self-liquidating loan.

A second major item on the Board's agenda was discussion of the proposed plan for organization of a Joint Alumni Council of the five State teachers colleges and universities. A tentative constitution for such a council was presented by Mr. Valentine, which the Alumni Board unanimously approved.

Extension of Southern's own alumni association was also discussed fully by the Board, and plans for organization of SINU clubs in every city and town in Southern Illinois were laid.

THE PRESIDENT'S MESSAGE
Dear Southern Alumni:

In this issue of THE SOUTHERN ALUMNUS are printed two splendid letters proposing the establishment of lifetime memberships in the Southern Alumni Association.

This is but one of the important matters to come up at the annual Alumni Banquet on the campus on Friday, June 6. Others are: creation of a full-time executive secretaryship; organization of SINU local clubs; development of a Student Union building program; and establishment of a Joint Alumni Council for the five teachers colleges and universities.

But don't be scared off by the amount of business on the docket! The business meeting will be short, and we'll have an entertainment program you won't want to miss— to say nothing of the fun of renewing old friendships!

Yours for Southern
W. B. ("Slatz") Valentine
President

NEW ALUMNI SECRETARY

Lt. Mary A. Robertson

Southern Alumni—meet your new Secretary.

She is Miss Mary Anna Robertson, lately a lieutenant in the WAVES, and for 13 years registrar at the University of Alabama.

By virtue of the Alumni Association Constitution, the secretary to the President of the University also serves as secretary to the Alumni Association.

Miss Robertson was recently appointed secretary to University President Chester F. Lay, and assumed her duties shortly before the Christmas holidays. She takes the position formerly held by Miss Wanda Kiel, acting secretary, who while remaining in other duties in University administrative offices will resign shortly to be married. (See Alumni Personals.)

Lt. Robertson has been serving as assistant to the manager of the Navy Yard at Charleston, S. C. She has had public school teaching experience prior to her registrar's duties at the University of Alabama. She holds both the bachelor of arts and the master of arts degree from Alabama.

IN MEMORIAM

In response to a Homecoming invitation, Mrs. Wilma Been of Chester wrote that her husband, Eugene Been, '43, gave his life in action March 7, 1945.

Lt. Allen Shreve, '43, Marion, was killed in a plane crash in Burma June 2 last year. Entering the armed forces in June, 1942, Shreve was graduated from Officers' Candidates School at Camp Lee, Va. He served 22 months in North Africa and in the India-Burma theater, where he was commanding officer of the 303rd Quartermaster Truck Company.

IN SERVICE

Eight Southern faculty members have returned to their duties on the campus after having been on military leave or special government service.

They include: J. W. Dillow, in the College of Education; Robert Dunn Faner, associate professor of English; Victor Randolph, appraiser and counselor in the Veterans Guidance Center; Martha Scott, assistant professor of zoology; Madeline M. Smith, foreign language department; Eli L. Borkon, associate professor of physiology and health education and University physician; Rockwell McCreight, director of the physical plant; and Leonard J. Keefe, commerce department.

Miss Smith was on leave to do government work in Washington, while the others were in the armed forces.

Mrs. Esther C. Reinhardt, '45, of Sparta was married to Charles H. Beattie and is now living at Preston, Ill.

Y 2/C Margie Hinkle of Dongola, WAVE, first woman veteran to enroll at Southern.
Cross-country team wins conference championship. Left to right, front row, Charles Wittenborn of Steeleville; Dick Avis of Chicago, first-place winner; Bob Smith of Marissa; back row, Don Sheffer of Zeigler; Coach Leland P. Lingle; and Huitl Barfoot of Malden, Mo.

A Maroon team won the Illinois Intercollegiate Athletic Conference championship at Normal November 10, and finished second in an invitational meet held simultaneously. Dick Avis, first place winner, finished the three and a half mile course in 17 minutes, 35 seconds.

Three Maroon football stars made the all-Conference mythical team selected by Fred Young, sports editor of the Bloomington Pantagraph. Sam Milosevich of Zeigler, left tackle; Leedio Cabutti of Johnston City, right end, and Gene Stotlar of Pinckneyville, right half, all made Young's first string. By way of coincidence, all three are currently on the Maroons' first-string basket ball team. Four other Southern gridsters were placed on Young's second team—John Corn of Benton, left tackle; Tommy Gher of Carbondale, center; Jim Harsh of Madison, left half; and Clarence "Red" Lowery of Benton, full back.

As The Alumus goes to press, the Maroons are at the top of the heap in the Illinois Intercollegiate Athletic Conference basket ball tournament, with two wins and no losses, having bumped Normal 59 to 44 and Charleston 56 to 45. For the entire season to date, the Maroons have taken eight of their twelve games. When Southern meets Western January 26, the two teams will be tied for leading place in the conference, just as they raced neck and neck all through last season.

SMITH AND CALDWELL DIE IN NOVEMBER

Southern's faculty lost two eminent members in the recent deaths of George W. Smith, professor of history, emeritus, on November 20, and Dr. Delia Caldwell, assistant professor and college physician, on November 28.

Professor Smith, widely known as an authority on Illinois history, has written several books on the subject, particularly on Southern Illinois history.

He published his last book, a scholarly contribution to Lincoln literature entitled "When Lincoln Came to Egypt," after his retirement from the University faculty in 1935.

Dr. Caldwell, a member of the faculty since 1922, attained professor or emerita status in 1935. She taught for seven and a half years in the public schools before coming to Southern.

DEAN OF WOMEN, AIDE TO PRESIDENT NAMED

Miss Helen Shuman, formerly dean of girls at Kankakee High School, more recently dean of women at High Point College, and for eight months administrative assistant to the president at Southern, has been appointed the University's first full-time dean of women. Miss Shuman, formerly president of the Illinois Association of Deans of Women, takes over the duties performed for many years on a part-time basis by Miss Lucy K. Woody, professor and chairman of the home economics department. Miss Woody at her own request will devote full time to the home economics department.

To replace Miss Shuman in the president's office, Dr. Charles D. Tenney, professor of philosophy and English, has been named administrative assistant.

Miss Shuman, a graduate of Illinois State Normal University, holds the master of arts degree from the University of Illinois, and has almost completed work toward the doctor of philosophy degree at Northwestern.

Dr. Tenney has been on Southern's faculty since 1931. He is a graduate of Gooding College and holds the master of arts and the doctor of philosophy degrees from the University of Oregon.
During the past year, many many heart-warming letters have been received by THE SOUTHERN ALUMNUS from alumni in all parts of the globe. These have been carefully hoarded up, and we are publishing excerpts from as many of these as possible in this issue.

CLASS OF 1882
Mrs. H. C. Mitchell (Adella Brownlow Goodall), 1450 Oak Ave., Evanston, Ill.: "My class was 1882, consisting of Albert E. Mead, Anna, later Governor of Washington State; Wezette Alkin, Carbondale; Lizzie Dearдорff, Cobden; Alice Krysher, Carbondale; John W. Wood, Mt. Vernon; Arthur E. Parkinson, Highland; Walter J. Ennon, Carbondale; Henry A. Stewart, Alibon; Adella B. Goodall, Marion; and for some reason Tom Brown of India received his diploma with this class.

"I am very desirous to know if any are living and their whereabouts. Dr. Robb Allyn asked me to be the first lady of the school to orate—and told me I had secured a position at White Hall for me to teach Latin and Greek. Being just 20 I said "Dr. do you think I can do that?" Naturally it pleased me, but my father wanted me to be at home (not teach). He was president of the Marion School Board but I secured the one position not filled from the other Board Members. Taught three years, then offered the superintendent's place—but my father objected as I was a home girl and that ended my teaching, as soon I met and in a year married Dr. H. E. Mitchell and after one year settled in Carbondale. Ada Dunaway, Dr. McAnnelly and I worked hard to keep the Alumni Association alive and were always interested in the Normal. And now my heart is aglow with the advance there and I shall look with much interest for news of my class and every interest connected with the school and Carbondale where we made our home 44 years. I live with my son, Dr. John M. Mitchell.

"My oldest daughter, Jennie, Mrs. Albert Montague ('09) lives at 1228 Elmwood Ave., Evanston. Sarah, Mrs. W. W. Bayley ('13) lives at 2205 California, S. W., Washington, D. C."

CLASS OF 1896
Laura M. Truscott, Chebanse, Ill.: "I am writing to thank you for the communications I have received from the school recently. I have been looking over the historical bulletin of 1914 and find that I am listed there as a teacher in Chicago. After twenty years teaching in the city, I retired and am living in a small town near enough to the city that I make frequent visits there. I have lost touch with my former classmates in the Normal, but I am glad to learn that the school is flourishing."

CLASS OF 1908
Sarah Conant, 506 Cliff Drive, Newport Beach, Calif.: "Tho all the teachers are gone that I knew, it's a pleasure to recall old times. I am still custodian of a county Branch library of which there are twenty in Orange County. My library averages over a hundred loans a day and we are the next to highest of the branches. Our town has a population of 6,000. Yours for success..."

CLASS OF 1923
Miss Luella Wootridge, 231 Opdyke Ave., Mt. Vernon, Ill.: "I thank you for the invitation to attend the inauguration of Dr. Lay, but owing to my circumstances, I won't be able to attend. With great regret I shall hope to attend some meeting later. Hoping a successful meeting, I remain, a 1923 graduate of the old Southern University at Carbondale."

CLASS OF 1924
Two members of the Class of 1924 propose a single thought—life memberships for the Alumni Association!

One sends a $25 bond for hers.

D. Ransom Sherretz, 2426 Oahu Ave., Honolulu 5, Hawaii: "Has the Alumni Association ever considered Life membership? Now would be the time to put on the drive while people have more money than in most years. The University of Hawaii has such membership at $25.00. It's not so high but what they get many members and thus have a steady income from the investment."

Luella A. Williams, District Supervisor, Home Economics Education, Indiana University, Bloomington, Ind.: "The February, 1945 issue of THE SOUTHERN ALUMNUS has just been forwarded to me. I came to Indiana last fall as one of the four district supervisors of Home Economics Education in the State. My sister, Evelyn Williams ('24), is now located at Salida, Colorado, where she teaches English in the Junior High School. Our mother, Mrs. L. Williams, nee Hannah Hunziker, attended S. I. N. U. back in the 1900's—1891 and 1892. Of course we grow up on her stories of the school and Carbondale and we chose S. I. N. U. to begin our college work. She now lives at 710 Jasmine, Denver 7, Colo.

"I don't seem to know the plan which the S. I. N. U. Alumni Association has for life membership. In case this suggestion hasn't been made, I'd like to make it—and enclose a bond in payment of the membership dues. I got the idea from Colorado A. & M., Fort Collins, Colorado, from which Institution I have my M. S. degree."

"On second thought—I'd better find out what series of bond to purchase—is the association incorporated or not. Please let me know.

(Later Miss Williams wrote again) "Enclosed is a series F bond . . . in payment of my membership dues in the Alumni Association of Southern Illinois Normal University . . . . My suggestion is this—if the bond doesn't pay for a life membership, please put me down as paid for the number of years for which the bond will pay. . . ."

CLASS OF 1929
Mrs. Arthur H. Moser (Isabelle L. Johnson), 652 Bellevue St., Knoxville, 17, Tenn., writes that by her marriage September 2, 1944, to the head of the department of classical languages at the University of Tennessee, "I also acquired three steppsons: Charles 11, Gerard 7, and Donald 2. I hold no position now and am a homemaker."

CLASS OF 1933
Mrs. Earle V. Gardiner (Winona Haynes), 406 N. Market St., Waterloo, Ill., writes that she was married on October 1, 1943, to T/Sgt. Gardiner of Chicago Heights, Ill., and "on October 18, 1945, we became the parents of a baby girl, Eileen Virginia."

"Additional information—Ursla Havy became the bride of Al Jordan on September 13, 1945. Mrs. Jordan and I graduated from a two-year course at S. I. N. U. in 1933."

CLASS OF 1935
James O'Malley, 704 S. 6th St., Champaign, Ill.: "For the past five years, I have been affiliated with the Illiana Teachers' Service as Director of Teacher Placement here in Champaign-Urbana and enjoy the work very much. I get in contact with many of the former graduates of Southern Illinois Normal University. I keep in touch with the Southern University as much as possible through the papers. From all reports, the University is really pyramiding."

CLASS OF 1938
LeRoy Babcock: "In August of 1944 I was elected to the faculty of the University of Richmond, Virginia. I am employed again for the current year of 1945-46. I have been teaching mathematics to both the Navy V-12 students and civilian students here on campus. On August first, 1945, my second daughter was born and we named her Judith Ann."

CLASS OF 1939
Elizabeth Buell, Pemberton Hall, Charleston, Ill.: (letter to George Bracewell, faculty Homecoming chairman) "Thank you for the invitation to Homecoming at Carbondale. It is impossible for me to come as I am 'on duty' in Pemberton Hall that week-end."

THE ALUMNI SAY . . . .

(Continued from page six)

"It was a thrill to see the 0-0 football game between Southern and Eastern yesterday. My loyalties were divided because Southern is my alma mater, and Eastern is my employer. I was going to be for the loser . . . ."

"I received the faculty at Eastern this fall as substitute instructor and critic teacher of biology in the Teachers College High School. I am also acting as assistant social director of Pemberton Hall, the girls' dormitory on campus that houses 92 girls."

Lowell F. Belcher, 1st. Lt., A. C., Dodge City, Kan.: "Have been here for nearly two years and am expecting a change in the not too far distant future . . . . We have been holding a miniature Homecoming here almost every day. By 'we,' I refer to Lt. Robert Gray ('41), Lt. Miles Dempster ('38), and Lt. Max Firebaugh ('43), who are all stationed here. Bob is a Physical Training Officer, while Dempster and Firebaugh are flying instructors in the B-26 which is used here. The latter two have both held their tour of overseas duty, and when we can get them to talk, they have some good stories.

"The wedding of Patoka, I notice in the home town weekly that Bill Epperson of Carbondale in 1943 as a cadet and Patoka are all stationed here. Bob is a Physical Training Officer, while Dempster and Firebaugh are flying instructors in the B-26 which is used here. The latter two have both held their tour of overseas duty, and when we can get them to talk, they have some good stories.

"My ex-boss, a typical hard-boiled newsman, accused me of being what he called 'a perennia school girl' when I showed great interest in former classmates. However, whether it's indicative of an un-adult, sentimental attitude or not, I am interested in alumni news."

Pfc. C. E. Roberts, Air Transport Command, Washington, D. C.: "Have been getting your paper right along although it has followed me all over the country. Since December (this was written in April, 1945), have been located at the Washington National Air Port with the Air Transport Command as an aircraft technician. During my off hours have organized an educational opportunity school for the soldiers on the base who have a limited educational background. We have eleven qualified teachers who donate offtime to the teaching of the interested students. This school is strictly voluntary with both soldier and teacher. The school is highly praised by the officers and commander of the base. Wishing you all the best of luck and to the grand school which represents the southern half of the State of Illinois. . . ."

John H. Clayton, Captain: "I received the edition of the latest Alumnius just the other day and enjoyed reading about Southern's rapid advancements and persons I used to know . . . . After having spent over two years in Africa and Italy news from home, especially from the college, is always very welcome." This letter was also written last spring, when Captain Clayton was overseas.

CLASS OF 1941

Mrs. Ellen Todd Whitney, 837 W. Center, Rochester, Minn.: "I am living with my cousin, a doctor, who is a Fellow at the Mayo Clinic, and am caring for her two-year-old daughter and Blair as well. Now I know how mothers of twins must feel. However, the children go to Nursery School each morning, so that I have some leisure.

"Whitney has been stationed 'permanent­ly' in the Admiralty Islands. His life is not too hard—what with three-day laundry ser­vice, good food . . . . He sat out there and fumed about Navy inefficiency between mid-January and the first of May.

"My report to some extent. I expect to finish my degree at Southern when the war is over, so it is gratifying to be able to keep posted on Southern through THE SOUTHERN ALUMNUS."

CLASS OF 1943

Sgt. Charles S. Hamilton, Headquarters Barracks, Second Army, Memphis, Tenn.: "It is a pleasure to learn of the progress that Southern is making under the new President, Dr. Lay. I sincerely hope that the plans which the late President Pulliam had for Southern will be able to be carried out to some extent. I expect to finish my degree at Southern when the war is over, so it is gratifying to be able to keep posted on Southern through THE SOUTHERN ALUMNUS."

CLASS OF 1944

Theodore E. Taylor, 1332 Girard St., N. W., Washington, D. C.: "Since I left the Government, I don't see any of the people from Southern. I'm sure that they are still outstanding. I'm having a grand time in my new position. I expect to begin work­ing toward my master's this summer. I'll have some undergrad work to do but I don't mind. I'm slightly off-key. My new position is teaching A. S. T. R. Physics, a program similar to the A. F. program we had at Southern. I like it."

J. Brooks McNeill: "It was with a great deal of pleasure that I read the recent issues of THE SOUTHERN ALUMNUS which I received this morning. Nothing could have been more appropriate for this morning as I am to have lunch with a fellow alumnus, Lt. (jg) Edwin Gieselman, '43, USNR, on board his ship.

"I am presently on duty aboard an Army Transport operating in the Central Pacific doing my bit for the war. I am serving in the capacity of Ship's Transportation Agent and Special Disbursing Agent. In other words, I am the ship's Administrative Of­ficer and Paymaster—the most popular man on board the ship twice a month."

"I am very much interested in the Alumni Association and you can be sure (Continued on page eight)"
