Enrollment High For Spring Term

Final enrollment for the spring term at Southern has reached 2,357 compared to 2,471 for the spring term a year ago, according to the Registrar's Office. Enrollment in extension courses reached 911, which is slightly under the 952 enrolled a year earlier.

Men students continue to outnumber women by more than two to one, there being 1,794 men enrolled compared to 763 women.

Veterans, however, have declined from 1,409 in the spring term a year ago to 1,289 this term.

The College of Education continues to be largest of the University's branches, counting 1,289 students this term. The College of Liberal Arts and Sciences has attracted 556 students, the College of Education and Professions 545, and the Graduate School 118. A year ago only 67 students were enrolled in the Graduate School.

Alumnus Gets Guggenheim Award

Dr. Richard T. Arnold, a 1934 Southern graduate, is one of six chemists in the U. S. and Canada to be awarded a Guggenheim Fellowship for a year's study abroad, according to Dr. J. W. Neckers, chairman of the chemistry department. He will study at the University of Zurich, Switzerland.

Dr. Arnold is now professor of chemistry at the University of Minnesota. He is one of the outstanding organic chemists of the younger group in this country, Dr. Neckers declared.

While at Southern, Dr. Arnold was secretary-treasurer of the senior class, vice-president of Kappa Phi Kappa, education fraternity, and president of Chemeketa, the chemistry club.

U. S. Agency Doubles Grant

The U. S. Public Health Service has extended Southern a grant of $10,000 to assist in support of research work being carried on by Dr. Carl C. Lindegren, director of the new biological science research laboratory at Southern.

This amount doubles the $5,000 contribution to support Dr. Lindegren's work at Washington University in St. Louis last year.

Dr. Lindegren believes that he may have discovered a new concept of genetics in the "depletion mutation" process of yeast cells which may cast light on the problem of cancer. The new $10,000 grant is to support the continuation of this investigation.

Students Celebrate At Spring Carnival

Southern students are holding a three-day Spring Carnival May 20-22, which includes a masquerade ball, a street dance, a vaudeville show, a play by the Little Theatre, the conference track meet and other festivities.

Twenty-four co-eds have been nominated by student organizations for the honor of being designated "Miss Southern" at the masquerade ball on Saturday night. The selection will be made by an impartial panel of non-campus judges. The top five chosen by the judges will be featured throughout the carnival, and the girl chosen will be identified at the masquerade ball.

Bill Plater, Visna, has been elected 1948-49 EGYPTIAN editor, while Bob L. East, Carbondale, has been chosen OBERISK editor.

Two distinguished speakers will address Southern's 1948 graduating class, as arranged by University President Chester F. Lay.

Dr. John A. Stevenson, a 1905 graduate of Southern who is now president of Penn Mutual Life Insurance Company, and Dr. Homer Price Rainey, president of Stephens College, will deliver the commencement and the baccalaureate addresses, respectively.

Graduation exercises will be held Friday, June 11, at 9:30 a.m. The baccalaureate service will be held Sunday afternoon, June 6, at 5:30 o'clock. Both will take place in Shryock Auditorium.

He served as assistant principal of the Nashville and Olney high schools and also as superintendent at Olney. He served on the faculty of the University of Wisconsin, the University of Illinois and Carnegie Institute of Technology.

Leaving the educational field for private business, Dr. Stevenson became a member of the Equitable Life Assurance Society of the United States in 1920, leaving that group in 1928 to manage the John Hancock Life Insurance Company, and became a vice president, executive vice president and trustee, successively, in the Penn Mutual Company, and has served as the company's president since 1939.

He has been active in state and national insurance associations, chambers of commerce, YMCA, war service, Inter-American affairs, and civic enterprises. In 1944 he received the Navy's Distinguished Civilian Service Award and the same year received the Philadelphia Medal of Merit.

**ANOTHER CHAMPIONSHIP**

Coach Lynn C. Holder's Maroon basketball team this spring swept to its third consecutive Illinois Intercollegiate Athletic Conference championship. The Maroons won seven out of eight conference games, losing only to Western, whom they defeated twice in other meetings.

Southern piled up an enviable season record of 22 wins against only four defeats. Their record marked up the best average offensive record in their history, averaging 65.46 points on offense while holding their opponents to 51.46 points.

Southern also represented Illinois in the National Association of Intercollegiate Basketball tournament at Kansas City for the fourth consecutive year. The Maroons earned the right to compete in this tournament, which they won in 1946, by winning the district playoff for Illinois which was held at Carbondale. In the playoff, the Maroons defeated Millikin, champions of the Little Nine, in a 61 to 58 thriller. Southern lost in the second round at Kansas City to Manhattan College 22 to 47, finishing second in the tournament.

Center Quentin Stinson of Eldorado earned All-Conference honors for his third consecutive year and guard Jack Eadie of West Frankfort earned honor in his first season. Stinson and Ollie Shaff are the only seniors named to the first team, Class B All-Midwest Collegiate all-star team.

Basketball letters were awarded to ten men, Stinson, Shaff, Eadie, Bob Colborn of Flora, the team's leading scorer, Joe Hughes of West Frankfort, guard for the last year of Jack Olson, Jack Long of Flora, Paul Besty of Centralia, and Galen Davis of Du Quoin.

Southern is well along in its schedule of spring sports, baseball, track, tennis, and golf.

**Track**

Leland F. "Doc" Lingle has one of his finest track teams in history. In the first four meets, the Lingle men doubled the score on each opponent, Western Illinois, Cape Girardeau, St. Louis University, and Illinois State Normal University. Against St. Louis the Maroons won every first place to win by the amazing total of 118½ to 15½.

The Maroons are pointing to the I. L. A. C. meet which will be held at Carbondale May 21-22 at which time they will be battling to regain the conference title they lost last year to Northern after winning in 1946.

**Baseball**

Southern's baseball team started slowly, losing four out of its first six games. One of the victories however, was a 4 to 3 upset of Normal, a club regarded by many as the class of the I. L. A. C. Marion Moake of Marion was the winning pitcher in that game, and he also has to his credit a masterful 15-inning, 7-hit, 6 to 4 victory over Evansville College.

Outfielder George Bauer of Zeigler and second baseman Bill Bleyer of Cartherville are Southern's leading hitters with plus .400 averages. First baseman Don Glover of Mt. Vernon run batted in and poling out third in as many games.

**Tennis and Golf**

After absorbing early defeats, Coach Bill Freeburg's tennis team and coach Lynn Holder's golf team have snapped back with wins, the golf team having defeated Cape Girardeau after losing to Evansville, and the tennis team having swapped Cape Girardeau, Evansville and Illinois Normal after falling, before Western Illinois and St. Louis University.

Southern Entertains Board

The State Teachers College Board held its spring quarterly meeting on the Southern campus. Board members present from Southern's sister institutions were entertained at dinner, and at a reception to which the faculty was invited.

One of the major actions of the board was to approve increases in Southern's fees, to bring them in line with those at other schools in the system. The new fees are: $15 instead of $10; $10 graduation fee, instead of $5; and an additional $10 fee for all out-of-state students. Southern's student activity fee, while increased from $5 to $7.50 per quarter, remains lower than at the other schools.

Southern has recently become a member of the National Safety Council, on the basis of its extension classes, both on the campus and in extension classes, are conducted by Frank Bridges.

Southern's Placement Service secured positions for 510 applicants in '78 Illinois counties, 10 states, Washington, D. C., and Hawaii, during 1946-47, according to the annual report of Raymond H. Dey, director of the Service.

Thirty-nine jobs secured, 334 were in teaching positions, 25 of which were outside Illinois.
