WELCOME TO HOMECOMING

A NEW BEACON TO GUIDE US!

ALMA MATER

Hail, Alma Mater, Southern, to thee!
Strong through the years you stand triumphantly,
Beacon to guide us, over life's sea,
Light that can never fail us,
Hail, hail, to thee!
Greetings to Alumni

It's Homecoming time again. Every year about this time I take time out to write a letter extending a special invitation to you to return and join us in this annual celebration.

Of course, as an alum, you know you are always welcome, and it is likely that you have already made plans to be here at Homecoming time. If so, then I can do little more than remind you of the date and tell you to come back and see what has happened around the campus since you were here last year.

Visible results of a long struggle to improve the physical plant facilities by building new buildings is now apparent. There is plenty of active construction these days as the finishing touches are going into the Training School and the bulldozers are making headway in clearing land for the new Library, new greenhouses and a new Life Science building. Five new barracks are nearing completion to afford additional classroom and dormitory space. There are plenty more ready to go up.

The Board of Trustees is planning a special meeting to consider the plans for self-liquidating dormitories.

You will find that the faculty has increased twenty per cent over last year and many new courses have been added giving Southern improved inestments in fulfilling its service as a university.

We think you will find that Southern is changing for the better as it suffers with growing pains.

And for those of you who do not know the new Alumni Director, make Homecoming the time to come and get acquainted with him. He has some new ideas that I am sure will be of great interest to the alumni, and you probably have many things that you would like to talk to him about. So why not make Homecoming a real get-acquainted time.

See you Homecoming!

Dr. Orville Alexander,
Faculty Chairman of Homecoming Committee

Franklin in the p. m.

The first time Clarence Anderson arose to write to his Pedagogues, Prof. Kirk asked regarding creation of silence for a moment, 

"I shall call you down - part of the time," he did.

Prof. Kirk, again, calling students to order in Normal Hall, said, "Let all murmuring cease, alumnum is forbidden by the Scriptures."

Prof. Smith and a student one by one proved "The Classes. Last a living for a family of 6 could be made on $260 of land. Prof. Dwane then, a given assurance and challenge in his eye observed: 'We follow your $260 in bringing, $20. A, and four boys (I think I was four) - couldn't make a better offer.'

Cupid and his affair were held in absentia during the last year in the near future. "Anybody lost you,' - sighed Prof. Shryock, "we'd know that if it was a word in your mouth, "Gong" Of which," as Prof. Allen often says, "I hope I may not make an exception to my own, "shows I'm with this time."

"The lovely rose window is slowly to be seen," said one in the near future. "Anybody lost you," - sighed Prof. Shryock, "we'd know that if it was a word in your mouth, "Gong"

"Let all others men speak up and early.

Campus Enrollment Shows Slight Drop

Southern's enrollment has dropped only slightly lower than it was at the beginning of the year. As it stands now, there are 3,082 students on the campus, as compared to last year's figures of 3,094 on the campus and 66 at Peoria High School.

This year's enrollment in the College of Education totals 1,245; 425 in the College of Liberal Arts and Science; 700 in the College of Agriculture, Professions, and 266 in the Graduate Department.

Last year's figures were 1,320 in Education; 650 in Liberal Arts, and 729 in Vocational and Professions; and 243 in the Graduate Department.

More students are enrolled this year, but the number of men is down. There are 1,086 men enrolled as compared to 1,074 last year, and 1,906 men as compared to 2,036 last year.

Peoria Area Alumni Clubs
Meet

Marion County To Organize
Plans are in the making for having an organization meeting of all alumni of Southern to confer with the Marion County Teachers' Meeting in Salem, Oct. 4.

The organization meeting will be along with a dinner at the old Carbondale Gardens, on the south highway at 81. The cost per plate will be $3.50 and in reservations to Mr. Paul Chance, County Court House, Salem.

All Marion County alumni who have records in the files of the Alumni Office will be notified by correspondence in the near future. Those who are not included in our files are asked to join the meeting and also to please send to your address to the Alumni office.

The Peoria Area Alumni Club will have its first meeting of the graduates and former students and their friends Oct. 6, at 7 p.m., in Jewett's Court Room, 1701 Prospect, Peoria.

Glen "Bob" Martin, director of athletics, Wayne Mann, director of the Alumni Office, "Pat" Patterson, faculty assistant in the Alumni Office, and Dr. Orville Alexander, professor in education, will be the representatives from the University.

In the case of those alumni who did not receive letters to that effect, send to your correspondence office the number of plates desired, to Ralph C. Morgan, 1100 Newood, Peoria. The cost per plate will be $1.75.

Happy Homecoming
HOMECOMING PLANS GET UNDERWAY

The University Board of Trustees approved a resolution granting the Division of Highways the right to use a strip of university
land on the east side of the campus for rerouting a portion of U. S. Highway 51 in the Board's meeting here Monday, Sept. 18.

At present the highway runs di­rectly through the campus. The new portion of the highway would be at the east edge of the campus and would eliminate the traffic hazards which now exist.

The Board also discussed the bids on the proposed new build­ings. The bids that were taken were too high for the money which was appropriated for the building so it was necessary to consider the realization of funds before continuing a time­ming of a part of the building program.

A resolution also was approved allowing the university to rent property owned by them, all sub­ject however to approval of and ratification by the board of trustees.

In appreciation of his efforts as chairman of the Committee on Admission, the Board presented retiring chairman Gerald F. T. Gerber a pen on which is inscribed "General Robert W. Davis, First Chairman of Trustees, Southern Illinois University, 1948­1950.

John Page Wham and Lindell Sturgis were elected to membership on the Board by the General Alumni Council committee. Wham was also ap­pointed as S. L. U., representative to the board of the University Retirement System of Illinois. Gene Davis was named Board rep­resentative on the S. L. U. Foun­dation Board.

A total of 134 faculty appoint­ments including 15 contin­uing appointments, 24 term ap­pointments, and 29 reappoint­ments. Also receiving appointment was a public school teacher who will serve as student teaching supervisors and 24 graduate students who will serve as half-time graduate assistants.

Dr. Willis G. Swartz, who has served as chairman of the Gradu­ate Studies Committee since it was organized in 1943, was named Dean of the Graduate School at the meeting of the University Board of Trustees here Monday, Sept. 18.

Dr. Swartz has served as mem­

chairman, Robert L. Davis, after receiving a gavel by the board.

THE SOUTHERN ALUMNUS

TRUSTEES VOTE TO GIVE LAND FOR HIGHWAY 51

The University Board of Trustees approved a resolution granting the Division of Highways the right to use a strip of univer­sity land on the east side of the campus for rerouting a por­tion of U. S. Highway 51 in the Board's meeting here Monday, Sept. 18.

At present the highway runs di­rectly through the campus. The new portion of the highway would be at the east edge of the campus and would eliminate the traffic hazards which now exist.

The Board also discussed the bids on the proposed new build­ings. The bids that were taken were too high for the money which was appropriated for the building so it was necessary to consider the realization of funds before continuing a time­ming of a part of the building program.

A resolution also was approved allowing the university to rent property owned by them, all sub­ject however to approval of and ratification by the board of trustees.

Dr. Willis G. Swartz, who has served as chairman of the Gradu­ate Studies Committee since it was organized in 1943, was named Dean of the Graduate School at the meeting of the University Board of Trustees here Monday, Sept. 18.

Dr. Swartz has served as mem­

BULLETIN!

Wayne Mann, E. 1943, has been named assistant professor of agronomy, subject to the approval of the Board of Trustees, effective Sept. 18.

Dr. Mann will replace Dr. C. E. Allen, who has accepted a position to devote more time to his research work and to his work as editor of the Little Hoover Co¬onic.

The announcement of Mr. Mann's appointment is subject to the approval of the Board of Trustees.

Now is the time for all alumni to prepare for their annual trek to Carbondale to participate in the Homecoming activities for the biggest Homecoming in Southern's history, Oct. 20-21.

The welcome mat has been dusted off by the Homecoming Committee to make this a good time for everyone. Jim Thormorton, of Vienna, student chairman, and Dr. O'vite Alexander, faculty chairman, have both encouraged alumni to come out in force.

They have reported that the plans now being carried to completion promise to make this the best in a long series of successful homecomings.

Homecoming will be launched with the highlight of the day, the coronation of all alumni in the foyer of Shryock Auditorium. Just in time to get • on the stage, the coronation will make it on Friday, you may still catch the rest of the event.

For the first time the free movie at the Variete Theatre on Friday afternoon will be open to members of the Alumni Association. Friends of alumni who could get in by presenting their activity tickets, or the alumni may be admitted by showing their alumni membership cards.

The period following the coronation will be free for the Little Theatre play has been left free for individual reunion and speci­fication of the alumni organizations.

This year's Homecoming, "Born Yesterday," this year's Homecoming play, will be presented in Shryock Auditorium, Tuesday, Oct. 20, which is now being made into a resident show on Broadway for three years.

Freshmen will take the tradition­al orange and white parachute green buttons into a roaring bonfire to­morrow night. The little fire that made the big orange and white parade of gas floats, marching bands, drum majors and queen candidates. The parade will form downtown and start at the stadium. Numerous civic groups will be represented in the parade and the whole thing is expected to be the largest and most exciting parade ever seen by the local audience.

Southern will meet Illinois Normal in the Homecoming game at 2 p. m., Saturday, Oct. 24. The game will be preceded at 1:30 p.m. Something new has been added to the colorful home­coming. A hundred-man corps will act as a nucleus of cheering, and they will add the stands with their different colored cards which will be set at a given time to spell out the usual. A special ceremony between the games at the game will afford recognition to the winners of the most creative and colorful decorations.

Following the game, the annual Homecoming Tea will be held at Anthony Hall.

The second major event marks the climax of the day's celebration with the Homecoming concert and dance. Music will be furnished by Jack Fink, noted pianist, conduc­tor and composer. Perhaps his most famous composition is "Bumble Bee," a crowd-pleasing selection heard with Freddie Martin before start­ ing a band of his own. Concert is scheduled to start at 9:30. The Homecoming dance, which has been set for 9:30, is open to all alumni and guests of the university. The band will start the fence at 11 p. m. on Saturday night, as usual.

An open invitation is out to all alumni and their friends to come and see old friends who are just coming back to the old institution and to the institution that is growing on than ever before.
New Practical Teaching System Is Set Up

Future teachers will be given the best possible experience in the laboratory, through the revised and improved program. This has been planned for that purpose. The revised program is divided into two plans, one for those who do not wish to teach. The second plan, for those who do wish to teach, will be 16 quarters of college credit, and the second plan may spend that seven years in the field during the summer session of the university.

Dr. Swartz received his bache-
lor's, master's, and doctor's de-
grees from the University of Iowa and took additional work at Clark University, Swartz, a specialist in education, is a member of the Carnegie fellowship in international law, studying at Southern Illinois University. The third plan, for those who do not wish to teach, will be 60 quarters of college credit, and the second plan, for those who do wish to teach, will be 16 quarters of college credit.

Dr. Swartz has been chairman of the journalism department and is a specialist in education, is a member of the Carnegie fellowship in international law, studying at Southern Illinois University. The third plan, for those who do not wish to teach, will be 60 quarters of college credit, and the second plan, for those who do wish to teach, will be 16 quarters of college credit.

Maroon Sports

3-17-46

Southern Wins Opener With Hanover By 13-7 Decision

Fred Bre zend is currently being hailed as the magician of SIU football, following his bold move last year to speed up wide end Leo Wilson giving the Maroons a 13-7 decision over Hanover. It was the most successful game of the 1950 season.

The victory marked the first winning season for Southern football. The team has won its opening game since 1946, when Abe Martin's gridiron were the Corn Bowl champions.

Aldo Biber is the first graduating senior to play in a Southern football game, having been a member of the 1950 team. He was on the sidelines for the entire game, and was used for a few minutes at the tail end of the game.

The game was a close one, with both teams putting up a good fight. The final score was 13-7 in favor of the Maroons. The game was played on an unseasonably warm day, with the temperature reaching 80 degrees.

Mortin Holds Baseball

A sport usually reserved for the spring, baseball was played in the fall this year. The Maroons played several outdoor games, and the weather was perfect for the sport.

The Maroons played against several local teams, including the Carbonado Indians and the O'Boy Bluejackets. The team was led by captain John Corn, who played a key role in the team's success.

Remaining Football Schedule

Henderson, Ky., Oct. 21, Normal Homecoming, here.

Nov. 4, Eastern Illinois, here.

Nov. 5, Western Illinois, here.

WALLER HEARS FROM HIS VETERANS

John Corn, senior quarterback, and Lonni Holter, junior end, were two of the many veterans who were mentioned in this issue of The Southern Alumnus. They were both former members of the Maroon football team.

The veterans were invited to return to the team for the 1950 season, and several returned to play.

Early Injuries Plague Maroon Gridiron Chances

Southern has drawn Illinois Normal for the Homecoming tilt and for Southern's first Inter-State Intercollegiate Athletics Conference game at home. The opponents are proving to be formidable foes, having tallied up a record of 13-1 and 10-3 respectively.

The Maroons have a tough road ahead, but they are determined to give their best. They hope to use the Homecoming game as a springboard for their upcoming games.

Coach Bill O'Brien and his team are preparing for the upcoming games with a mix of experienced players and new faces. They are relying on their strong defense to lead the way.

However, assistant coach Bill O'Brien and line coach John Corn, who have been working diligently with the junior varsity in the hopes of selecting some dependable replacements. There are approximately 60 men on the "B" squad at the present time, and all are being trained to advance to the varsity. Teamwork is key, and the players are all committed to help the team reach its goals.

Welcome Alumnae
Bush Called To Active Service

Russ Bush, Southern Illinois University's new wrestling coach, just got his call to return to the Air Corps. Oct. 2. Bush, a former Purdue wrestler as a first lieutenant, was just getting wrestling season under way at Southern when he received his call. His absence is a big blow in the absence of another mat mentor.

Although Russ was discharged as a first lieutenant, his activation orders said he would be a second lieutenant upon his return to the Air Corps. He was a pilot during World War II and was seconded James Wilkinson at Southern after Wilkinson left to become wrestling coach at Oregon State last spring.

Earl Young was spent in Waterloo, Iowa, where he attended and graduated with both grade and high school. He then entered college, hired as a coach at Iowa State. The situation that existed during World War II, when Glenn "Abe" Martin was a physical education instructor at the University, has assumed the duties of the ushering at all student events and in the football games and basketball games.

Charlie Turner, Pat Kelly, former football letterman and gymnast, here at Southern, has assumed the duties as a co-captain in the P.E. department.

Army tooms as the logical camp­ground, even in the backfield, Uncle Sam's wants the best, since the draft ends this term in December. Most of the men on the football squad, except O'Brien, who has been a Marine officer during the last war, and might have to report back again, are the most capable for the past few years. John was an assistant football coach at the high school and elementary schools. The Corn's stay in Benton at the Church.

When asked about the team's chances this season, John said, "If the boys continue to hustle out there on the field, with the kind of the men we have, I think we will have a pretty good football season. We have the right material.

This winter John will handle the proceedings of the organization and participation of the boys' football program. There will be an important part of the club's program for the past al years.

John is in his last season, but, however, as he stated, the team is quite as "surprise" to him. Then too, he says, "we would like to remain here, that if the dog doesn't.

We'd like to see John around for some time, so let's hope that the draft board will let him anyway.

Jim Lavin, one of the greatest high school basketball players of SIU, was rewarded Sept. 26, when the "T" club retrieved his football jersey at the halftime ceremonies of the grid contest between Cape Girardeau and Southern. Sept. 20 was also "T" club day. All letter­terms were honored.

Southern football coaches have been keeping a close eye on the football squad and have come up with some of their feweust moments on the practice field. Reading from left to right, they are; Buzz Bradly, "T" squad coach; Bill O'Brien, backfield coach; Head Coach Walter, and lose coach John Corn. All are new additions to the squad, except O'Brien, who has been a Marine officer during the last war, and might have to report back again, are the most capable for the past few years. John was an assistant football coach at the high school and elementary schools. The Corn's stay in Benton at the Church.

The SOUTHERN ALUMNUS

THE SOUTHERN ALUMNUS

ROSS-COUNTRY SCHEDULE

Oct. 14—Western at Car­
bonado.
Oct. 21—Eastern at Car­
bonado.
Oct. 28—Normal at Normal.
Nov. 4—Eastern at Charles­
ton.
Nov. 11—Conference at Mt. Pleasant, Mich.
Nov. 18—State at Wharton.

CROSS COUNTRY CHANCES LOOK UP

Leland P. (Doc) Lingle is ex­pecting better things here of his SIU cross-country team this sea­son than last year. The team has come back stronger this season, but with the same team returning for action, last year's number of victories.

Tron captain, Ray Palmer, Joe McAfferty, Phil Coleman, and Bosdy Miller will be the key men that will lead the team forward this season. Art Menendez, transfer of last year's squad, will be a force to be reckoned with. He tells the story of another mat mentor.

Doc Lingle has two all-time record holders on his cross country team this year. Doc Lingle. Coleman holds the all-time two-mile and mile records, and will set another record during the spring track activities. Doc Lingle has the half-mile record, and is also a crack discus thrower. Ray Palmer is also one of the key men, but is not on the track team this year. Doc Lingle, Miller, has letters for two years cross-country.

Thus it looks like that Doc Lingle will find that important fifth man, his cross country team, will do a creditable job indeed.

Former Star Named Coach

(Continued from page 5)

in three.

In August of 1949 following his graduation, McKinney, also of Benton and 49 graduate of Southern, after playing for the last two years, and both of their college careers were over, went into the army. He was taught in Benton. John was an assistant football coach at the high school and elementary schools. The Corn's stay in Benton at the Church.

As a result of this, the new men on the squad, and with the probable third successive time, as well as that the runner-up in the NCAA is his duties here at Southern were given the coaching with the wrestling squad as well as being head tennis mentor. He also assist­ed in football, and was conferred as a physical education instructor.

Russ left early Monday morn­ing, Sept. 26, to join his new high school basketball team in Northern Ind­iana, before he reports October 2. In his new school.

The sudden departure of the wrestling coach coincided with the situation that existed during World War II, when Glenn "Abe" Martin was a physical education instructor at the University, has assumed the duties of the ushering at all student events and in the football games and basketball games.

Charlie Turner, Pat Kelly, former football letterman and gymnast, here at Southern, has assumed the duties as a co-captain in the P.E. department.

Pat Kelly, will have to report to the Marine Corps. O'Brien was a Marine officer during the last war, and might have to report back again, are the most capable for the past few years. John was an assistant football coach at the high school and elementary schools. The Corn's stay in Benton at the Church.
SEVENTY-FIVE YEARS RETROSPECT

By PROF. E. G. LENTZ

SYNOPSIS: Southern Illinois Normal University was created by an act of the General Assembly of the State of Illinois, March 3, 1869.

Graduates have been called to the site after some controversy and the first main building was ready for occupancy by the fall term, 1872. Robert Alyn was inaugurated as principal at the opening of the school on October 2, 1872. The same day the doors were opened for the first time and the first students were enrolled. The second meeting of the faculty students registered for the four-week summer institute. Most of these students were assigned to the preparation for a first grade certificate.

In order to meet the low standard of admission and to build up the student body, the school was established in 1894. In 1878, Miss Matilda L. Bassett, upon the recommendation of the faculty, was appointed Principal of the Normal School. She was the first female principal of any Normal School in the United States.

The Southern Illinois Normal University is a state supported institution of higher education located in Carbondale, Illinois. It is the oldest public university in the state and was founded in 1869 as a Normal School.

The school offers a wide range of undergraduate and graduate programs in various fields, including education, business, arts and sciences, health sciences, and more. It is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools, and is a member of the Council for the Advancement of Standards in Higher Education.

The university is known for its commitment to community service and engagement, with a focus on improving the lives of its students and the communities they serve. It offers a variety of extracurricular activities, including athletics, student organizations, and community service projects.

In 2023, the university celebrated its 154th year of service to the people of Southern Illinois and beyond. It continues to be a leader in higher education, providing opportunities for students to pursue their dreams and make a difference in the world.
