# THE 1949 SUMMER SESSION

The 1949 Summer Session at Southern Illinois University will offer a wider range of educational opportunities than ever before. Undergraduate colleges and the Graduate School, profiting by the exceptional demand of last summer's teachers, have planned a broad program in order to accommodate the needs of the students. A number of visiting professors in special fields will be brought to the campus.

The Summer Session is designed primarily for the teacher who wishes to spend the summer months securing additional professional training, either in the College of Education or in the Graduate School. But the other undergraduate colleges--the College of Liberal Arts and Sciences, and the College of Vocations and Professions--will provide a full array of courses for students wishing to accelerate their general, technical, or professional programs; and the Graduate School will offer courses leading to the Master of Arts and Master of Science degrees, as well as to the Master of Science in Education degree.

## ACADEMIC STANDING

Southern is accredited by the Commission on Colleges and Universities of the North Central Association in Group IV (as a University), the American Association of Colleges for Teacher Education, the Association of American Colleges, and the National Association of Schools of Music.

Women graduates of Southern are eligible for national membership in the American Association of University Women.

C 1085

# CONFERENCES AND WORKSHOPS

Workshops. Workshops, both on and off campus, are conducted during summers.

Students interested in campus workshops should correspond with the appropriate college deans. Persons interested in off-campus workshops should correspond with Mr. Raymond H. Dey, Director of the Division of Extension and Adult Education.

Consultants, rather than instructors, serve these groups, placing specialized resources at group disposal, both in discussions and in the exploration of individual problems and plans.

There will be two off-campus workshops in rural and elementary education, each to run for a period of five weeks and to offer eight quarter hours of credit. One is scheduled to start at Carmi, June 13, to be followed by one at Belleville, which will open July 18.

There will also be two extension workshops in health education, each to run for a period of five weeks and to offer eight quarter hours of credit. The one scheduled at Nashville will open June 13 and will be followed by one at Golconda, starting July 18.

A number of conservation workshops will also be scheduled throughout southern Illinois, each to last one week and to offer two quarter hours of credit.

Child Guidance Clinic. The Child Guidance Clinic was established in April 1936, for the primary purpose of aiding teacher education. With special aid and guidance given by the Illinois Institute for Juvenile Research, it has continued in the expansion of its services to many communities and schools throughout Southern Illinois. The Clinic works in close cooperation with the different divisions of the State

Department of Public Welfare, with the different teacher-educating units of the University, with executives and teachers of public schools, with nurses and public health officials, with medical doctors, with county judges, and with parents of children who ask for assistance.

Additional information may be found on page 36 of the annual catalog. Specific information regarding pre-requisites and descriptions of the courses offered by the Clinic may be secured by contacting Dr. W. A. Thalman, Director of the Child Guidance Clinic, Room 101a, Main Building.

Parent-Teacher Conference. The Thirteenth Annual Summer Conference of the Parent Teacher Association will be held for two days of the summer session. Efforts are being made to secure speakers outstanding in the work of the Association. Topics to be covered in the conference include plans of organization, program making, health projects, and improvement of school and home conditions. Students and others interested are urged to take advantage of this conference. All correspondence should be addressed to Mr. Ralph Boatman, Acting Chairman of the Department of Health Education.

Exhibit of Educational Books and Materials. The annual Educational Exhibit of textbooks and reference materials, instructional aids, visual education materials, and general classroom equipment will be held on the Southern campus again this summer, July 13 and 14. All materials and equipment are exhibited through the courtesy of the various supply companies serving Southern Illinois. City and county superintendents, high school principals, teachers and board members are cordially invited to attend the exhibit. Address any inquiries to Dr. Victor Randolph.

## AFFILIATED SERVICES

A United States Veterans Guidance Center is located on the campus and is available to all veterans for advisement, counseling, and certification for entrance into training under Public Laws 16 and 346. For further

information, consult Mr. George Langdon, 1014 South Thompson.

The Illinois Veterans Commission maintains an office at Southern, located in the Men's Lounge, 1012 South Thompson Street. This office assists the veteran with his personal problems and advises him regarding necessary forms, insurance, subsistence, etc.

A Field Office is maintained by the State Division of Vocational Rehabilitation at 219½ West Main Street, Carbondale, to render service to physically handicapped persons. Prospective students may consult with the local Field Agent by appointment, telephone 324.

## HOUSING

Women students may secure board and room at Anthony Hall, a University dormitory, for \$10.00 per week. Applications should be sent to Miss Maxine Vogely, the Director. A deposit of \$5.00 is required to reserve a room.

Student rooms in Carbondale now cost \$3.00 to \$3.50 per person per week, with two students sharing a room. Several of the organized houses, including fraternities, sororities, and cooperatives, will accommodate non-members during the summer. A list of room vacancies may be secured from Mrs. Mabel Pulliam, Housing Chairman, in the Dean of Women's Office.

Meals may be obtained at the university-owned cafeteria and in several boarding houses near the campus.

The University has 105 housing units on the campus and 95 especially attractive apartments at the Crab Orchard Ordnance Plant, ten miles east of Carbondale. These units are available for married veterans. Applications may be secured at the Housing Office, or from Mr. Ernest R. Wolfe, Supervisor of Veterans' Housing Projects.

# SUMMER CO-RECREATION CALENDAR

June 16	Thursday	Play Night (All types of games)
June 22	Wednesday	Social Dance
June 29	Wednesday	Skating Party or Community Sing
July 6	Wednesday	Swimming and Weiner Roast
July 13	Wednesday	Play Night (All types of games)
July 20	Wednesday	Swimming and Weiner Roast
July 27	Wednesday	Square Dance

PLEASE FILL OUT THIS INFORMATION SHEET IF YOU ARE NOT ATTENDING CAMPUS CLASSES THE SPRING QUARTER AND RETURN IT TO THE REGISTRAR'S OFFICE.

## ADMISSION REQUIREMENTS

Admission to the summer session is limited to graduates of accredited high schools and to mature persons whose experience entitles them to admission without high school graduation. The latter, however, will be admitted as unclassified students. Any student contemplating matriculation should have a transcript of his high-school record and such college credits as he may have, sent to the Registrar prior to his coming.

Veterans and all persons over 21 who have not been graduated from high school may be admitted as regular college students, provided they pass the General Educational Development Test. For further information as to the nature of these tests, consult Marshall S. Hiskey, Dean of Men.

## REGISTRATION PROCEDURE

All new students, and others who have not previously been assigned to advisers, will report first to the Dean of Men or the Dean of Women for assignment. These advisers will assist them in their selection of courses and approve the schedules when finally arranged. The tuition bills are also made out and paid at this time.

All students will go to the Gymnasium to register.

## ACADEMIC LOAD COURSE NUMBERS, AND CREDITS

The normal student load for the eight-weeks' session is ten to twelve quarter hours. A student with special needs, by permission of the Dean of his College or the Chairman of the Graduate Studies Committee, may take a maximum of fourteen quarter hours.

Each class period is seventy-five minutes in length. The schedule of periods for the summer follows:

1st hour.. 7:30-- 8:45	4th hour.. 11:45--1:00
2nd hour.. 8:55--10:10	5th hour.. 1:10--2:25
3rd hour.. 10:20--11:35	6th hour.. 2:35

Courses numbered 100-199 are primarily for freshmen; 200-299, for sophomores; 300-399, for juniors and seniors; 400-499, for seniors and graduates; and 500 and above, for graduates.

## SUMMER TERM REGISTRATION SCHEDULE

Monday June 13

8:00.....	Q-S inclusive and Public Law 16
8:45.....	T-Z inclusive
9:30.....	A-B inclusive
10:15.....	C-E inclusive
11:00.....	F-H inclusive
1:00.....	I-Mc inclusive
1:45.....	M-P inclusive

### FEES

Fees for all freshmen and sophomores for the summer session total \$19.00 as itemized below, plus federal tax on admissions.

Tuition Fee.....	\$11.25
Student Activity Fee.....	5.75
Book Rental Fee.....	2.00

Fees for juniors and seniors in the College of Education are the same as those for lowerclassmen. The tuition fee for the upperclassmen in the College of Liberal Arts and Sciences and in the College of Vocations and Professions is \$15.00, but the student

activity and the book rental fees are the same as for the others, making a total of \$22.75 plus tax. Fees for graduate students total \$17.00. This includes the tuition and activity fees, but not books. A matriculation fee of \$5.00 is charged in addition for those who are not graduates of Southern.

The student activity fee includes charges for limited medical service and hospitalization, library, and gymnasium and athletics. In addition to this, each student is given at the time of registration a ticket to the entertainment course.

Scholarships given men and women honorably discharged from the Armed Forces of the United States in either World War excuse the holders from all fees in any college. Holders of Normal School Scholarships are entitled to exemption from fees up to \$80 annually, or \$320 for four years. This covers the student's tuition, activity fees, and other fees, but does not include laboratory supplies and other material fees.

## THE GRADUATE SCHOOL

Graduates of fully accredited colleges and universities may pursue a course of study leading to the degree Master of Arts, Master of Science, or Master of Science in Education. Those wishing to qualify to teach may obtain either a Master of Science in Education, with a major in an academic field, or a Master of Arts (or Science) degree, with a minor in Education. The principal differences pertain to the requirement of a thesis for the M. A. or M. S., plus a foreign language requirement. In addition to a teaching degree in Education, graduate majors are offered in Educational Administration and Supervision and in Elementary Education. By taking full-time summer work and part-time graduate work on evenings and Saturdays during the school year, a student can obtain the Master's degree in two years.

Graduate Assistantships. A limited number of graduate assistantships or part-time faculty assistantships are available for the summer term. These involve some teaching, research, or administrative duties, and are assigned chiefly on the basis of high scholarship. They carry a monthly stipend, varying from \$55.00 to \$100.00 per month.

For information and application blanks, address the Graduate Office, Southern Illinois University.

Admission to Graduate Work. Graduates of fully accredited colleges and universities, with a "C" average or above, are eligible for admission to the Graduate School. Graduates of colleges or universities with limited accreditation may, in some instances, be given conditional admission. Those graduating from colleges or universities other than Southern Illinois University must present an official transcript of all previous undergraduate or graduate credits.

Admission to Candidacy. Before being admitted to candidacy for the Master's degree, each graduate student must take a graduate aptitude test. This test must be taken the first term the graduate student is enrolled on the campus for residence credit.

Upon making satisfactory scores on this examination, the graduate student is recognized as a candidate for the degree.

Transfer of Credit. A maximum of sixteen quarter hours of acceptable graduate credit earned in another fully-accredited institution may be transferred to apply toward a Master's degree.

Tuition and Fees. Tuition and fees in the Graduate School are the same as for undergraduates, except that, instead of paying a book rental, graduate students are required to purchase their own textbooks.

Course and Grade Requirements. To qualify for the

Master's degree, graduate students must have forty-five quarter hours (including thesis, or forty-eight quarter hours where no thesis is required) of credit, with "C" or above, and a "B" average of all graduate courses taken. At least half of the credits counting toward the degree must be earned in courses for graduates only ("500" courses); the remaining credits may be taken in courses for graduates and advanced undergraduates ("400" courses).

Admission Blanks. Graduate students wishing further information or admission blanks should write to the Registrar or the Graduate Office, Southern Illinois University, Carbondale.

## REQUIREMENTS FOR THE BACHELOR'S DEGREE

All the work offered in the summer session carries regular university credit. A total of 192 quarter hours of credit is required for the degree. At least 64 hours must be in subjects numbered 300 and above, of which 48 hours must be made in residence. An overall average of "C" is required, with grades not lower than "C" in subjects aggregating at least three-fourths of the work. A "C" average is required in the major subject. The following is a list of requirements which should be fulfilled within the first two years of attendance:

Social Studies--20 quarter hours (work in 4 departments required)

Economics, 5 hours  
Geography, 5 hours  
Government, 5 hours  
History, 5 hours  
Sociology, 5 hours

Humanities--18 quarter hours

English 101, 102, 103--9 hours

English 205, 209, 211, 212--6 hours

Art 120 or Music 100--3 hours

Note: The student is also advised to complete the foreign language requirement for the bachelor's degree within the first two years.

Biological Sciences--9 quarter hours

Health Education 202--4 hours

Botany 101, 202, or Zoology 101, 105--5 hours from this group.

Mathematics and Physical Sciences--12 quarter hours

Chemistry, Mathematics, Physics (the 12 hours to be selected from two departments)

Practical Arts and Crafts--3 quarter hours

Agriculture, Business, Home Economics, Industrial Education (not required if the student has had any of this work in high school)

Physical Education--6 quarter hours

Students who transfer in the junior or senior years may substitute senior college courses in most departments for the freshman-sophomore courses listed above.

Ordinarily, students preparing to teach should register in the College of Education. Other students should register in the college in which their field is listed. Requirements for a Bachelor of Music Degree are somewhat less than those listed above. Music majors should consult the Chairman of the Music Department.

## COLLEGE OF EDUCATION

The College of Education is for men and women who are already members of the teaching profession, and for young people who intend to enter the field of

teaching, of educational administration, or of some related field. Its aim is to provide a fully-rounded program of pre-service and in-service instruction and study. Its undergraduate and graduate curricula are intended to prepare students for teaching in the rural and elementary fields, high school, and college, and for positions as school administrators, supervisors, and supervising teachers. Opportunity for in-service growth is provided, through the Extension Division, on a graduate or an undergraduate basis, and also on a credit or a non-credit basis.

The courses of study in the College of Education lead to the degree of Bachelor of Science in Education. All students preparing to teach, irrespective of the departments in which they are majoring, should enroll in the College of Education.

## Degree Requirements in College of Education for the Degree of Bachelor of Science in Education

### SECONDARY EDUCATION

State Minimum Requirements (Statutes or Examining Board Regulations)	SIU Requirements Based upon, or in Addition to, State Minimum Requirements
	Qr. Hrs.
Oral and Written Expression	12      Eng. 101, 102, 103; plus 390 or Speech; plus 6 hrs. selected from Eng. 205, 209, 211, 212
Natural Science	9      5 hrs. selected from Bot. 101, 202, or Zoo. 101, 105; plus 12 hrs. selected from two of these three fields: Physics, Math., Chem.
Social Science	9      10 hrs. selected from two of these three fields: Geog., Econ., Sociology.

American History		Hist. 201 or 202
American Government		Govt. 101, 231, or 300
Humanities	9	Art 120 or Mus. 100; plus Eng. listed above
Health and Physical Education	4.5	Health Ed. 202; plus 6 hrs. of Phys. Ed.
Additional Work in Above Fields	9	9 hours selected from academic fields in addition to foregoing academic re- quirements, student must take 3 hrs. in Ag., Busi- ness, Home Ec., or Ind. Ed., unless these were taken in high school
Adolescent Growth or Ed. Psy.	3	Ed. 206
Principles or Phil. of Ed.	3	Ed. 310
Materials and Methods (Secondary)	3	Ed. 315
American Public Education	3	Ed. 331
Practice Teaching (Secondary)	7.5	12 hrs. of practice teaching (Secondary)
Electives in Profes- sional Ed. to bring total in Ed. to	24	Ed. 305, 306, or 345
Total Hours for Certification	180	Total hours for degree: 192
Student must have one major and one minor in separate fields, or must have three minors.		Major of 48 hrs. and minor of 24 hrs.; or a major of 36 hrs. and two minors of 24 hrs., in different fields.
		Reading knowledge of a foreign language is re- quired unless the student's major is in Ag., Art,

Business, Ind. Ed., Mus.,  
Men's P. E.; Physics,  
Sociol., Speech, or Social  
Studies.

The student must have 64 hours of senior-college credit (300 and 400 courses), of which at least 48 must have been earned at SIU.

The student is held responsible for all requirements pertaining to pre-requisites to practice teaching and should study the section in this bulletin which lists such requirements.

The student, to graduate, must have a "C" average in his major field and a "C" average in his total college work, with "C" or better in at least three-fourths of his work.

A "field major" may require more than 48 hrs., and if a "field minor" is credited, two minors must be carried.

The College of Education recognizes a major in any department which offers as much as 36 hours of work. A student may take his major as a field major in biological sciences or social studies. "Field minors" also are accepted, in the biological sciences, the social studies, and Latin American relations. For an academic major, the student should consult the chairman of the department. For one of the field majors, an advanced student should consult the chairman of the division or an individual designated by the chairman.

## ELEMENTARY EDUCATION

State Minimum Requirements (Statutes or Examining Board Regulations)	SIU Requirements Based upon, or in Addition to, State Minimum Requirements.
--	---

	Qr. Hrs.	
General Psychology	4.5	Ed. 206
Ed. Psy., Child Psy., Human Growth and Develop.	3	Ed. 305, 308, or 340
Methods and Curriculum (Elem.)	3	Ed. 311 or 314
Phil. of Education	3	Ed. 355
Student Teaching (Elem.)	7.5	Practice Teaching, 12 hrs. (8 must be Elementary)
American Public Ed.	3	Ed. 331
Language Arts	24	Eng. 101, 102, 103; plus 6 hrs. selected from Eng. 205, 209, 211, 212; plus 9 hrs. elective in Language Arts.
Natural Science	24	5 hrs. selected from Bot. 101, 202, or Zoo. 101, 105; plus 4 hrs. Chem. or Physics; plus 15 hrs. elec- tive in Natural Sciences.
Mathematics	7.5	8 hrs. Math. (4 hrs. may be in methods.)
Social Science (must include Am. Hist. and Am. Govt.)	24	Hist. 201 or 202; Govt. 101, 231, or 300; plus 5 hrs. in Geog.; plus 5 hrs. in Econ. or Sociol.
Fine and Applied Arts	18	Art 120 or Mus. 100; plus 15 hrs. elective in this field.
Health and Physical Ed. (must include 3 hrs. materials and methods)	7.5	Health Ed. 202; plus 6 hrs. in physical education; plus 3 hrs. in Materials and Methods of Teaching Physical Education (Phys. Ed. 319).
Total Number Hours Required for		

Certification . . . 180 Total Number Hours for Degree: 192, with a "field minor" of 24 hrs. in each of these fields: Social Studies, Natural Science, Language Arts.

The student must have 64 hours of senior-college credit (300 and 400 courses), of which at least 48 must have been earned at SIU.

The student is held responsible for all requirements pertaining to pre-requisites to practice teaching and should study the section in this bulletin which lists such requirements.

The student, to graduate, must have a "C" average in his major field (Elementary Education) and a "C" average in his total college work, with "C" or better in at least three-fourths of his work.

Students wishing to secure certificates in Kindergarten-Primary education are required to carry additional subjects and should consult their advisers concerning these requirements.

Students interested in elementary teaching should consult with elementary education counselors. In some cases, by arranging courses carefully, it is possible to major in elementary education and at the same time to complete an academic major.

## STUDENT TEACHING AND OBSERVATION

Supervised student-teaching is conducted at Southern in the Campus Schools and possibly in co-operating public schools both in and near Carbondale. Opportunities are provided for student teachers to observe, participate, and teach in actual schoolroom situations under the guidance of competent instructors.

The College of Education requires twelve hours

of student-teaching for the degree Bachelor of Science in Education. Usually, eight hours are assigned in the student's major field and the remaining hours in a minor.

Application for student-teaching for the summer session should be made not later than May 1. Application blanks may be secured by writing to the Office of the Director of Teacher Training, College of Education.

Rules regarding student-teaching may be found on page 58 of the annual catalog.

Opportunities for student-teaching will be available in three fields this summer: high school, elementary, and kindergarten-nursery school.

For the Limited High School Certificate, student-teaching is done in the University High School for the entire eight weeks' session, each class meeting twice daily, so that one semester's work may be covered during this time. Several standard courses will be offered and also some electives that are not usually given in smaller schools.

The University High School will have the same opening and closing dates and the same number of class periods as the University. A regular load will give the student one unit of credit. Upon recommendation of his high school principal, a student may earn one and one-half units. The total fees for the term are \$6.30.

The Allyn Elementary School, including kindergarten through grade six, will be in session for six weeks, beginning June 20.

# COLLEGE OF LIBERAL ARTS AND SCIENCES

## ENTRANCE REQUIREMENTS

Graduates of any recognized four-year high school or academy, with fifteen units of secondary work, are eligible for admission.

## DEGREES GRANTED

The College of Liberal Arts and Sciences grants the degree of Bachelor of Arts. A student may receive the Bachelor of Science degree upon approval of the Dean of the College.

## REQUIREMENTS FOR GRADUATION

To graduate, a student must

1. Meet the general requirements of the University listed on pages 10 and 11.
2. Complete 4 hours in psychology or philosophy.
3. Develop a reading knowledge of a foreign language. This ordinarily requires 9 hours of university study or its equivalent.
4. Complete a minor of at least 24 hours.
5. Acquire a major of at least 42 hours in the following subjects (some departments require more):

Botany	Government	Physics
Chemistry	History	Physiology
English	Mathematics	Sociology
Foreign Language	Microbiology	Zoology
Geography	Philosophy	

Students in the College of Liberal Arts and Sciences may also major in Art, Economics, Music, or Speech, if they do not undertake professional concentration in these fields.

# THE COLLEGE OF VOCATIONS AND PROFESSIONS

The general admission requirements stated on page 6 and the general degree requirements stated on pages 10 & 11 of the catalog govern the College of Vocations and Professions.

This College grants the degree of Bachelor of Science. A student may receive the degree of Bachelor of Arts upon the approval of the Dean, provided he fulfills, in addition to the regular requirements of the college, one year of a foreign language.

The College offers majors and minors in each of the following fields:

Agriculture	Industrial Education
Art	Journalism (Minor only)
Business	Music
Economics	Speech
Home Economics	

The curricula in the College of Vocations and Professions are designed to develop competence for particular occupations and professions. While a student may choose his field of specialization late in his college career without incurring much loss of time in completing the work for the degree, it is desirable to make the choice early.

In addition to meeting the needs of students seeking a University degree, the College of Vocations and Professions desires to make its facilities available to anyone who has the ability to carry the work successfully, regardless of previous credit or school attendance. For a student interested in specialized competence rather than in a university degree, individualized groupings of courses suited to that student's special needs will be worked out by the department chairman. Such a student should confer with the department chairman before the registration date, so that his case can be given ample consideration.

# SCHEDULE OF CLASSES

## AGRICULTURE

No. & Cr.	Course Title	Days	Hour	Instructor
102-5	Cereal Crops	MTWTF	10:20	Clark
