SIU'S 1959 HOMECOMING "ON THE LIGHTER SIDE"

Fifty-four events are scheduled for Southern Illinois University's 1959 Homecoming, starting Thursday evening, October 15, and ending with the Homecoming Dance Saturday evening, October 17. They range from coronation of the Homecoming queen and Southern Players' presentation of "Diary of Anne Frank" to the Alpha Delta Sigma Alumni Smoker and the football game between SIU and Eastern Illinois U.

Theme of Homecoming this year is "On the Lighter Side." That's just what it will be—a gay, carefree celebration for students, alumni, faculty, and guests. A few of the highlights are the Homecoming Dance with Tex Beneke and his orchestra; the big Homecoming Show featuring the popular singer, Joni James, and comedian Henny Youngman; the Homecoming Parade; a concert by the Southern Illinois Symphony Orchestra; and a barbecue served by the Animal Science Club.

The Jackson County Alumni Club will hold a reception for all attending Homecoming at 4 o'clock Saturday afternoon in the Student Union.

Because the Alumni Office is not mailing a Homecoming Program to the alumni as in previous years, a complete listing is included here.

Alumni Achievement Award Key

This is the new Alumni Achievement Award key recently adopted by the SIU Alumni Association to present to winners of the annual Alumni Achievement Awards.

Made of 10K gold and measuring 1 3/8 inches long by 5/8 inches wide, the key is a product of L. G. Balfour Company, one of the finest jewelry firms in the country. On the face of the key appears the official Alumni Association seal, the world and the triangle. The world indicates the alumni scattered to the four corners and the triangle represents the three basic purposes of the University—instruction, research, and service.

Within the triangle is the handclasp of the alumni and the University. Printed below is “Southern Illinois University” and around the seal “The Association of Alumni and Former Students 1896.” Above and below the seal appears “Alumni Achievement.” On the back of the key are the name of the recipient and the year of presentation.

Receiving the new key are the 1958 winners—Dr. Percival Bailey ’12, Richard G. Browne ’19-2, Charles R. Sattgast ’21-2, Judge Fred L. Wham, ex ’05, Dr. James W. Barrow ’98-2, the late Dean Robert B. Browne ’13-2, ’18, Robert W. Teeter ’04-2, and W. W. Vandeveer, ex ’09.

The 1959 winners are J. Lester Buford ’24-2, ’28, Lt. Gen. John Reed

It is not too early to start thinking about candidates for the 1960 Alumni Achievement Awards. Deadline for submitting names is Monday, February 15, 1960.

Any alumnus is eligible to nominate candidates. With the exception of the present faculty, Board of Trustees, and current president of the Alumni Association, any alumnus is eligible for nomination. An award is given in recognition of outstanding service to the University and/or the association, and one for outstanding achievement in some business, profession, or other field.

Alumni Clubs

On October 3 the Missouri Chapter will hold its annual picnic at 5 P.M. in Babler State Park.

The Springfield area group, the Sangamon County Chapter, will hold its fall picnic on Sunday, October 4, beginning at 2 P.M. at the Sangamon County Junior Fair Building at New Berlin. Each family is requested to bring a picnic lunch, table service, and to pay $1 for beverage and building rental. There will be games and visiting and the picnic will be held rain or shine. Because President Jackson Drake '50, M.S. '51, has moved to Carbondale, Vice-President William H. South, ex '46, has assumed his duties.

On Thursday, October 15, the Washington County Alumni Chapter will have a 12 o'clock noon luncheon in the Nashville High School Cafeteria.

Also on Thursday, October 15, the Randolph County Alumni Chapter will hold its fall meeting at an evening dinner.

At the Olney High School on Thursday, October 22, the Richland County Alumni Chapter will hold an informal meeting.

The Champaign Area club has set Wednesday, November 18, as the date for a dinner meeting. W. A. Bozarth '41, Tuscola, is president.

Sports at Southern by Bill Young '54

CAPTAIN WILLIE BROWN—beginning his fourth year on the Saluki varsity.

A veteran-jammed lineup opens Southern Illinois University's 45th football campaign at home on Saturday, October 3, when the Salukis meet Northern Illinois University. Behind them are two out-of-town games—against Evansville College and Western Virginia State.

Rookie Saluki Coach Carmen Piccone, M.S. '57, has for his starting lineup: LE Gale Dawson, West Frankfort; LT Houston Antwine, Memphis, Tenn.; LG Paul Brostrom, Chicago; C Gardy Seeker, Hannibal, Mo.; RG Capt. Willie Brown, Memphis, Tenn.; RT Dick Carpenter, Centralia; RE Jim Battle, Chicago; QB Duke Sutton, Penns Grove, N. J.; LHB Jan Jansco, Johnston City; RHB Charles Lcher, Clarkboro, N. J.; and FB Amos Bullocks, Chicago.

All except Battle, Seeker, Sutton, and Lcher were letterwinners on the '58 SIU squad that compiled a 7-2 record and finished in a tie for second in the Interstate Conference.

The starting line for the Salukis averages 217 pounds per man, and the starting backfield 178 per man—both averages the heaviest in recent history.

Cross Country

Prospects for one of the best cross country seasons in history are in sight for Coach Leland P. (Doc) Lingle '27, who opened his 34th sports campaign at Southern this fall.

Lingle, SIU's first and only track and cross country coach, has four lettermen from the '58 crew that compiled a 6-2 record—best since 1953.

Heading the list of returnees is Capt. John Flamer, junior hustler from Yonkers, N. Y. Flamer last year set records on Southern's new 3.3 mile cross country each time out, finally settling on 16:22 as the mark. Last spring Flamer lowered the school two-mile record, bettering Phil Coleman's 9:40.2 by some 3.5 seconds.

Dale Gleghorn, of Sparta, captain-elect of the Saluki track team, also returns to add his experience to the squad. Lee King of Pleasant Plains and Carl Meier of Altamont round out the veterans back for another year.

Newcomers include Don Hequembourg, Charleston, Mo.; Don Trowbridge, Alton; John Saunders, Marion; Tom Saunders, Zeigler; and Ken Jones, Carbondale.

Hequembourg rates as the top prospect among the rookies. He was an outstanding high school track man for Charleston last season, winning the Missouri state mile title. Teamed with Flamer and the rest of the talented crop of returning veterans, Hequembourg could be the key the Salukis need to lock up their first cross country championship since 1950.

SOUTHERN SKETCHES

Woodson Fishback, associate professor of education, is on leave of absence to serve as co-ordinator of curriculum in the Illinois Office of Public Instruction during this school year. He will co-ordinate all state efforts to develop curricular improvements in Illinois schools from kindergarten through high school. Professor Fishback has been on the faculty since 1948. For the last two years he has been on leave of absence as personnel development officer in the U. S. Department of Agriculture and as extension specialist for the Federal Extension Service, both posts in Washington, D. C.

JOYCE VS. LAWRENCE

About between two three-member panels of the nation’s top proponents of James Joyce and D. H. Lawrence, noted controversial literary figures, will take place at a two-day symposium November 19-20. Harry T. Moore, of the SIU English Department, will be moderator. On the Joyce panel will be Prof. Marvin Magalaner, City College of New York; Prof. Richard Ellmann, Northwestern University; and Prof. Lionel Trilling, Columbia University. The Lawrence panel includes Prof. William York Tindall, Columbia University; Prof. Frederick Hoffman, University of Wisconsin; and Horace Gregory, poet and critic. . . .

Latest edition of “Educational Psychology,” edited by Charles E. Skinner, professor of guidance, contains chapters by three SIU faculty members. Oliver P. Kolstoe, chairman of Special Education Department, is co-author of “Special Learning and Adjustment Problems of Handicapped Children”; Eugene D. Fitzpatrick, chairman of Guidance Department, wrote “Statistical Processes in Education”; and Ivan Russell, associate professor of guidance, contributed “Development of Attitudes, Interests and Values.” Mr. Skinner, professor emeritus of New York University, is a visiting professor. . . . Third annual Motel Management Clinic on the campus is slated for October 27-29, sponsored by the SIU Area Services Office and the American Motel Association of Illinois. Last year more than 50 motel operators from as far away as Montana, Mississippi, and Canada attended the session.

NOD FROM RUSSIA

I. E. Glushchenko, Russian Academy of Science member, has sent a copy of his book, “With Friends Abroad,” to Prof. Carl C. Lindegren, head of the Biological Research Laboratory. In it the Russian scientist gives a fairly detailed review of Professor Lindegren’s theories and calls him “one of the colorful representatives of modern genetics.”

Twenty-six teachers from Australia to Zanzibar, representing 21 widely-scattered nations—arrived on the Southern campus September 19 for a three-month visit. They are studying vocation education programs, auditing courses and participating in seminars, with special emphasis on home economics, commerce, industrial arts, and the Vocational-Technical Institute. SIU is one of 11 universities in the nation selected for the program arranged and financed by the U. S. Office of Education as part of an International Teacher Development Program. . . . Twenty-five Sahara Coal Company scholarships, covering tuition and fees, have been awarded to forestry students this fall. The scholarship program was established by the company in 1957.
