General Information

THE EDWARDSVILLE CAMPUS of Southern Illinois University has scheduled a summer quarter, June 17 to August 31 and an eight-week summer session, June 17 to August 9.

Classes on the 100 (freshman) and 200 (sophomore) levels will be offered in the summer quarter. Classes numbered 300 and above will be offered in the eight-week summer session.

Students may enroll for classes in either the eight-week session, the summer quarter, or a combination or both in accordance with regular academic load policy.

The Edwardsville Campus offers courses leading toward associate's, bachelor's, and master's degrees in selected fields.

A variety of course offerings have been scheduled to meet the specific needs of (1) teachers in service, (2) freshmen—beginning and refresher courses, (3) upperclassmen—basic requirements, (4) graduate students, and (5) liberal arts graduates and individuals on temporary certificates desiring teacher certification.

Anyone interested in complete general information about the University should obtain a copy of the General Information issue of the *Southern Illinois University Bulletin*, available free from Central Publications, Southern Illinois University, Carbondale, Illinois.

ADMISSION

Application for admission to the summer session should be initiated with the Admissions Office on or before June 1 to permit all necessary processing work to be completed by the start of the session. A general admission requirement is the filing of a transcript of record covering all previous high school and college work. Transcripts should be mailed to the

Admissions Office from the institution(s) attended and should reach the Admissions Office prior to June 10, 1963.

Complete information relative to admission of undergraduate students appears in the General Information issue of the *Southern Illinois University Bulletin*. Graduate students should refer to the Graduate School issue.

ITEMS APPLICABLE TO THE SUMMER ONLY

An undergraduate student attending another institution who expects to graduate therefrom and who desires to attend Southern during the summer only will be admitted as an unclassified student on the basis of a letter of good standing from the registrar of the institution the student is attending. The letter of good standing should be sent directly to the Admissions Office in Edwardsville and must be received prior to registration. A former student of Southern who attended the 1962 summer session and who was in good standing at the close of the session need not apply for re-entrance clearance prior to advisement and registration for the 1963 summer session. A high school senior who ranks in the lowest third (lower half for out-of-state students) of his graduating class who is permitted to enter (on scholastic probation) for the summer quarter must register for more than eight hours in order to continue in attendance during the fall quarter and must earn a C average or above during the summer quarter.

SOCIAL SECURITY NUMBER

Effective with the 1964 summer session, a student seeking admission to the University will need to present a social security number for identification purposes. Any local social security office can provide assistance in obtaining a number or replacing a lost card. At Alton the social security office is in the Germania Savings Building, 543 East Broadway, and at East St. Louis the office is at 435 Missouri Avenue.

REQUIRED TESTS

Each student entering Southern Illinois University directly from high school is required to furnish to the University scores on the test battery administered by the American College Testing Program (A.C.T.). These tests are given at regional test centers throughout the United States in November, February, and April. Information and application blanks are normally available through the high school guidance director or principal, or may be obtained by writing directly to: American College Testing Program, Box 168, Iowa City, Iowa. Each applicant taking the A.C.T. tests in Illinois will also be required to take the Strong Vocational Interest Blank at the same time the former tests are given.

A student who finds it impossible to take the A.C.T. tests may have scores from the College Entrance Examination Board (C.E.E.B.) submitted. The specific scores, which must be submitted if the C.E.E.B. tests are submitted, are Scholastic Aptitude Test, English Composition Test, and Mathematics (Intermediate) Test. In order to have identical test data, a student who submits C.E.E.B. test data will be required to submit scores from the A.C.T. and the Strong Vocational Interest Blank as soon as possible, no later than one month after registration.

Transfer students are required to furnish A.C.T. scores to the Student Counseling and Testing Center. (A transcript of these scores is available by sending one dollar and a written request to the American College Testing Program in Iowa City.) If the scores are on file at the student's former school, a request should be made for their forwarding. Test scores are not normally sent with a person's transcript of grades and must be requested separately from the appropriate office at the former school. If the A.C.T. tests have not been taken, arrangements to do so should be made.

REGISTRATION

Students registering at Alton will report to the Auditorium building to pick up authorization-to-register permits. Students registering at East St. Louis will report to the west (9th Street) door of the main building for authorization-to-register permits.

Students who know that they must miss more than three days of the summer session should not register. The brevity of this eight-week session makes it difficult for students missing more than three days to complete the required work in time.

ACADEMIC LOAD

The normal academic load for the eight-week session is 10 to 12 hours of credit. A student with special needs may, by permission of the dean of his academic unit, take a maximum of 14 hours. A student on probation may not register for more than 10 hours. A student is considered a full-time student during the summer session if he carries 8 or more hours.

The normal student load for the summer quarter is 16 hours. Except by permission of the dean, no student may enroll for more than 18 hours of credit per quarter.

FEES

The fee schedule for an eight-week summer session and a regular quarter is as follows:

REGULAR FEES	EIGHT-WEEK	QUARTER
Tuition	\$31.50 *	\$42.00 *
Student Activity Fee	7.15	9.50
University Center Fee	5.00	5.00
Book Rental Fee	5.00	5.00
	<hr/> \$48.65	<hr/> \$61.50
* Out-of-state students pay an additional	\$37.50	\$50.00

A student taking six hours or fewer during the eight-week session and eight hours or fewer during a regular quarter pays half tuition and book rental fee, full university center fee, and has an option on paying the student activity fee.

Other special fees or deposits as listed in the General Information bulletin will be assessed when applicable.

If a student enrolls in both eight-week and regular-quarter classes his tuition and fees will be assessed on the quarter basis as listed above.

Students attending under state teacher-education, military, or general-assembly scholarships are required to pay the university center fee and the book rental fee. Veterans attending under Public Laws 16 and 894 are not required to pay any of the regular fees. Students attending under Public Law 550 are required to pay fees, both regular and special, and may not use military scholarships for waiving payment of any fees.

WITHDRAWALS AND PROGRAM CHANGES

A prescribed procedure must be followed by any student desiring to change his academic program or to withdraw from the University while the period for which he is registered is still in progress.

WITHDRAWALS

A student is considered officially registered after he has cleared his payment of fees at the Business Office. If a student then finds he cannot attend college or, if after attending for a period of time finds he cannot continue, he must report to the Registrar's Office to indicate official withdrawal action.

Failure to follow the official procedure will result in academic penalty.

PROGRAM CHANGES

A student is officially registered only for those courses appearing on his registration cards. Any change to add or drop a course can be made only after fees are paid and must be made through an official program change. A student may not drop a course merely by stopping attendance. Mere attendance does not constitute registration in a class, nor will attend-

ance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

If a student desires to drop a course during the second or third week of the summer, the change will be approved only when the reasons appear valid. If a student desires to drop a course after the third week the change will be approved only under unusual conditions. During the last three weeks of the session, changes will be approved only in extreme emergencies.

A student desiring to make a program change must initiate his request at the Enrollment Center of the Registrar's Office. He is required to present his fee receipt program card and must complete the following procedure. After having been cleared with the Enrollment Center, program changes for which a program change fee is assessed must be presented to the Business Office for payment. The student immediately returns the program change to the Enrollment Center in the Registrar's Office for final processing. *A student has not completed his program change until he presents it to the Enrollment Center.* No change is official until the preceding procedure is complete.

A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last day for dropping a course without receiving a grade is July 9.

Program changes will be accepted at the Registrar's Office from 9:00 A.M. to 12:00 Noon, 1:00 to 4:30 P.M., and 6:00 to 8:00 P.M. on Program Change Day, June 19. After June 19 only program changes for withdrawing from a class will be accepted.

VETERANS' INFORMATION

The Edwardsville Campus is approved for veterans. Veterans eligible for benefits under the G.I. Bill should contact the University veterans' adviser during registration periods. Public Law 550 expires in 1965. War orphans should discuss Public Law 634 benefits with the veterans' adviser.

To be eligible for Public Law 550 benefits, the veteran must be fully admitted and enrolled as a regular classified student making satisfactory progress in a degree program.

VETERANS' SIGN-UP PERIOD

Veterans eligible for benefits will sign a monthly attendance certification on the following dates at the Registrar's Office in Alton or East St. Louis.

Period	Date	Time
June 17 to June 30	June 28	9:00 A.M.-12 noon, 1-4:30 P.M.
July 1 to July 31	July 31	9:00 A.M.-12 noon, 1-4:30 P.M.
August 1 to August 9	August 9	9:00 A.M.-12 noon, 1-4:30 P.M.
August 1 to August 30	August 30	9:00 A.M.-12 noon, 1-4:30 P.M.

Checks for the summer session should not be expected before September 20. Veterans who fail to sign on the specified date will probably experience delay in receiving the check for that period.

STUDENT RESPONSIBILITY

Each student must assume responsibility for his progress by keeping an up-to-date record of the courses he has taken and by checking periodically with his adviser and the Registrar's Office. Responsibility for errors in program or in interpretation of regulations of the University rests entirely with the student.

STUDENT EMPLOYMENT

Students interested in part-time employment on campus during the summer should make early application to the office of Student Employment, Southern Illinois University, Alton, Illinois, or East St. Louis, Illinois.

WORKSHOP

Workshop in Intergroup Relations (Sociology 388-3) first two weeks of the summer session, Monday through Friday, 1:00-6:00. The course offers theoretical and practical understanding of cultural, social, and psychological factors associated with intergroup tensions. Students concentrate their efforts on problem-solving activities related to their occupational, professional, or civic interests. Resource and consultative staff from the academic areas of education, psychology, sociology, and social work will be utilized. The course should be particularly valuable for the staffs of health and welfare agencies and for community leaders.

Schedule of Classes

THE FOLLOWING MATERIAL may be of value in interpreting the information appearing in the schedule.

COURSE NUMBER AND HOURS

The column containing this information shows the number of the course first, followed by the number of hours of credit. Course numbers are three digit numbers. In some cases the three digits may be followed by a letter which is also part of the course number. The number appearing after the hyphen denotes the hours of credit for the course. In some cases there may be more than one number following the course number such as 599-2 to 5. This represents a variable-hour course in which the student, in consultation with his adviser, decides the number of hours for which he is going to register.

The course numbering system is as follows:

- 000-099 Courses not properly falling in the following categories
- 100-199 For freshmen
- 200-299 For sophomores
- 300-399 For juniors and seniors
- 400-499 For seniors and graduate students
- 500-600 For graduate students only

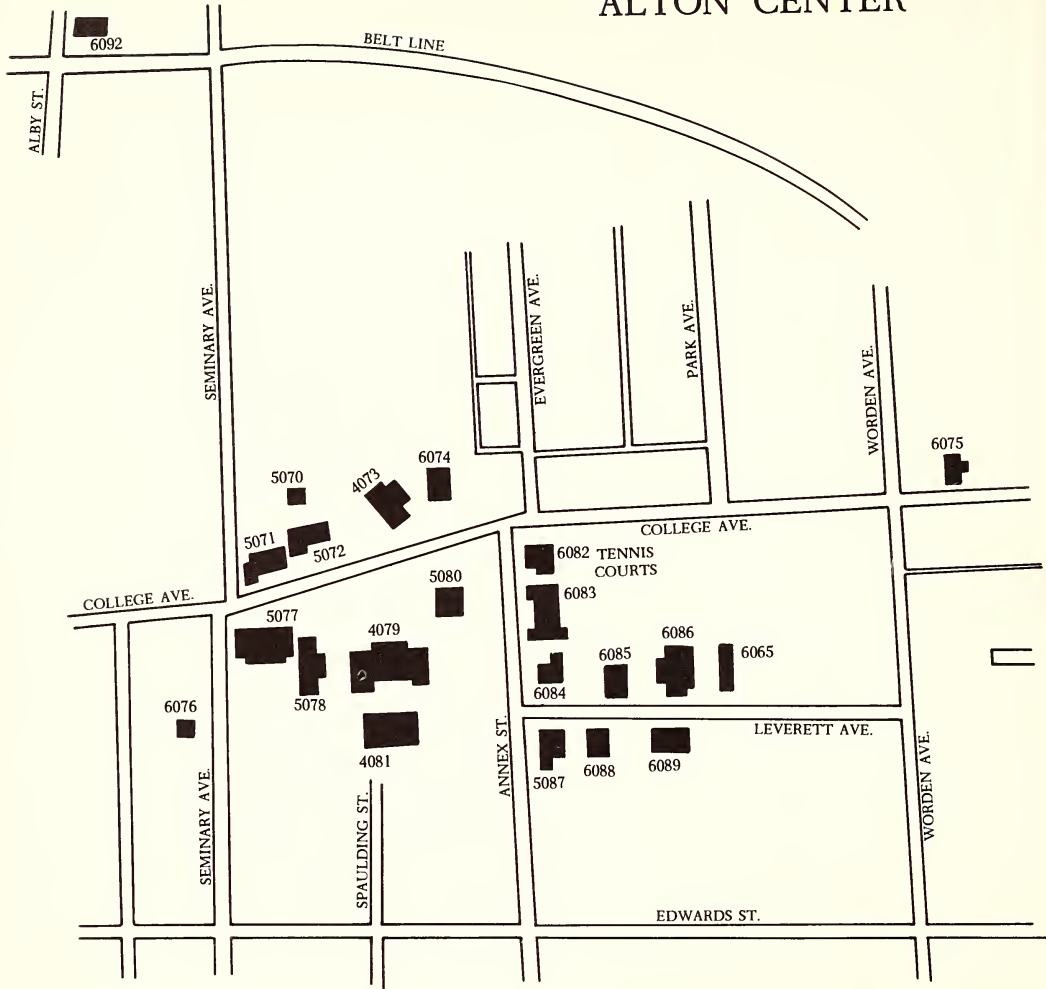

PREREQUISITES

For the guidance of students many courses list prerequisites needed before the course under question can be taken. These prerequisites may be listed in a number of different ways. If only a number appears, it refers to a course in the same subject area. If the course is in another area, that area will be listed prior to the number. On advanced levels, registration for a course may require the consent of the instructor.

COURSES “TO BE ARRANGED”

Students registering for courses listed as “to be arranged” should consult the instructor indicated or the head of the division if no instructor is listed, to determine time and place of meeting.

Southern Illinois University Foundation

The Southern Illinois University Foundation is a nonprofit corporation chartered by the state and authorized by the Board of Trustees to receive gifts for the benefit of the University, to buy and sell property, and otherwise to serve the University.

It respectfully asks alumni and other citizens of Southern Illinois to consider making gifts and bequests to benefit the University. Such gifts should be conveyed to the Foundation, with proper stipulation as to their uses. The Foundation, through its officers and members, will be glad to confer with intending donors regarding suitable clauses to insert in wills and suitable forms of gifts and memorials, including bequests by means of life insurance. Large or small gifts to the library will be appreciated; likewise, gifts for special equipment, buildings, endowment of professorships in particular subjects, gifts to student loan funds and scholarship funds, gifts for the use of foreign students, and endowments for particular sorts of research. Any gifts or bequests can be given suitable memorial names.

The staff members of the Foundation are

Mr. Kenneth R. Miller, *Executive Director*, Carbondale, Illinois

Mrs. Lois H. Nelson, *Secretary*, Carbondale, Illinois

Mr. Robert L. Gallegly, *Treasurer*, Carbondale, Illinois

Mr. C. Eugene Peebles, *Assistant Treasurer*, Edwardsville, Illinois

Mr. C. Richard Gruny, *Legal Counsel*, Carbondale, Illinois

Mr. L. James Struif, *Assistant Legal Counsel*, Edwardsville, Illinois

Mr. Donald Leavitt, *Patent Counsel*, St. Louis, Missouri

Mr. Warren Stookey, *Field Representative*, Edwardsville, Illinois.
