REQUIRED TESTS

Each student entering Southern Illinois University directly from high school is required to furnish to the University scores on the test battery administered by the American College Testing Program (A.C.T.). These tests are given at regional test centers throughout the United States in March, April, and June. Information and application blanks are normally available through the high school

guidance director or principal, or may be obtained by writing directly to: American College Testing Program Box 168, Iowa City, Iowa.

A student who finds it impossible to take the A.C. tests may have scores from the College Entrance Examination Board (C.E.E.B.) submitted. The specific score which must be submitted if the C.E.E.B. tests are submitted, are Scholastic Aptitude Test, English Compostion Test, and Mathematics (Intermediate) Test. I order to have identical test data, a student who submit C.E.E.B. test data will be required to submit scores from the A.C.T. no later than one month after registration.

Transfer students are required to furnish A.C.? scores to the Student Counseling and Testing Center. (transcript of these scores is available by sending one do lar and a written request to the American College Testing Program in Iowa City.) If the scores are on file the student's former school, a request should be made for their forwarding. Test scores are not normally sent with a person's transcript of grades and must be requested separately from the appropriate office at the former school. If the A.C.T. tests have not been taken, arrangements to do so should be made.

ADVISEMENT

The Edwardsville Campus advisement system requires at new students to have initial advisement through the General Studies Advisement Office. Freshmen and sophomores will continue to be advised each quarter prior to registration. Following the student's declaring a major (between reaching 64 and 96 hours of credit), the student is assigned to an adviser in his concentration are Each student is required to declare a concentration upon achieving 96 hours of credit.

REQUIRED PHYSICAL EXAMINATIONS

Each new student desiring to enroll at Southern Illino University is required to have a physical examination completed prior to his initial registration for classes. A special medical form is provided which is to be completed by the student and his personal physician and returned to the University Health Service.

REGISTRATION

Registration for all students currently enrolled or which have been accepted for admission will take place at the Enrollment Office on the Edwardsville Campus. All General Studies students are required to have approval of their schedule by the General Studies Advisement Office.

During the registration process the student goes to the rollment office where the assignment is made to specif-sections of the courses he is to take.

Mere attendance does not constitute registration in a uss, nor will attendance in a class for which a student not registered be a basis for asking that a program ange be approved permitting registration in that class.

NEW STUDENTS

udents entering the University for the first time are rmitted to register only after they have been admitted the University as evidenced by their receiving the ertificate of Admissions.

Dates for new undergraduate students, freshmen and ansfer, will be selective ones in which the students are ked to come to the campus on specific registration dates determined by the University. Students are responsible for checking course prerequisites in the catalog. Those who do not have specific prerequisites for a course may register for it only if they have and a comparable course or have written consent of the instructor.

AUDITING OF COURSES

A student may register for courses in an "audit" status. He receives no letter grade and no credit for such courses. An auditor's registration card must be marked accordingly. He pays the same fees as though he were registering for credit. He is expected to attend regularly and is o determine from the instructor the amount of work expected of him. If an auditing student does not attend regularly, the instructor may determine that the student should not have the audited course placed on his record card maintained in the Registrar's Office. A student registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter.

REGISTERING FOR AND DROPPING COURSES

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program adjustment be approved permitting registration in that class. A student is officially registered only for those

courses and sections appearing on his registration cards. Changes can be made only after fees are paid and must be made through an official program change.

A General Studies student desiring to make a program change must secure approval of the General Studies Advisement Office. He, and any other student desiring to make a program change, will then go to the Enrollment Center. (Starting the second week of the quarter an evening student at East St. Louis or Alton may initiate his request to drop a course by going to the General Office.) He is required to present his fee receipt program card and must complete the following procedure. (1) After having been cleared with the Enrollment Center, program changes for which a program change fee is assessed must be presented to the Business Office for payment. (2) The student immediately returns the program change to the Enrollment Center in the Registrar's Office for final processing. (3) A student has not completed his program change until he presents it to the Enrollment Center. NO CHANGE IS OFFICIAL UNTIL THE PRECED-ING PROCEDURE IS COMPLETED.

A student who finds it necessary to make an adjustment to his program by adding or dropping a course may do so during normal office hours at the Edwardsville Enrollment Office after payment of fees. (No changes will be made on the first day of the quarter.) A program adjustment must be made to drop or add a course. A student may not drop a course merely by stopping attendance. Failure to officially drop a course may result in academic penalty. The last date for dropping a course without receiving a W grade is the last day of the fourth week of the quarter. (Refer to registration calendar.)

CHANGING FEE STATUS

Students making program changes which result in their changing from part-time fee status to full-time fee status will be assessed additional tuition and fees. Students changing from full-time fee status to part-time fee status may apply for full refund of the student welfare and recreational facilities building trust fund fee plus a partial refund of their tuition and book rental fee (ACTIVITY FEE IS NOT REFUNDABLE) provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendar beginning on page iv.

WITHDRAWAL FROM SCHOOL

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions.

refunding of fees is permitted only if a withdrawal is ficially completed within the first two weeks of a parter and if the application for a refund is received in the Registrar's Office within two weeks following the last gular registration period. See the Registration Calendar this bulletin for the specific dates concerning withcawal and refunding of fees.

A student who registers and then finds that he cannot attend school must also officially withdraw from hool. He may do this by asking the Student Affairs ivision to initiate official withdrawal action for him. his must be done by the end of the first two weeks if expects to get a refund.
