## This Bulletin

contains the schedule of classes to be offered by the Carbondale Campus for the spring quarter, 1968, at Carbondale, Southern Acres, and Little Grassy Lake. It also provides information relative to admission, advisement, registration, and fees. It supersedes the spring class schedule section of *Southern Illinois University Bulletin*, Volume 9, Number 6.

# Registration Calendar

*Spring, 1968*

**January 16–March 8.** Advance registration period for all undergraduate students. New students should refer to the Advisement and Registration procedure on page 1 for further procedural information. *All continuing undergraduate students are expected to be registered by March 8.*

**January 16–March 8 and March 25–30.** Registration period for graduate students.

**March 13.** Undergraduate students will have their advance registrations cancelled if fees are not paid at the Bursar's Office by 4:00 P.M. on this date unless they have received approval for deferred payment.

**March 25.** Spring quarter begins. Last day of regular registration period for undergraduate students. Only new and re-entering students will be advised and registered. *All undergraduate students are expected to have completed registration by this date.* Any exceptions will involve late registration fee charges. Night classes (5:45 P.M. or later) begin.

**March 26 & 27.** Day classes begin on March 26. Program change processing only.

**March 28.** Late registration begins for undergraduate students. Late fee will be assessed. Program changes will be made by appointment.

**March 30.** Registration for the spring quarter ends for both graduate and undergraduate students. This also includes the registration into new courses or the changing of sections through the program change process.

**April 5.** Deadline for payment of fees by students whose fees were deferred. Graduate students will be cancelled if fees are not paid by 4:00 P.M.

**April 6.** Last day to officially withdraw from school to be eligible for a refund of fees.

**April 20.** Last day for undergraduates to officially withdraw from a course without receiving a letter grade. Graduate students officially dropping a course after this date need not be given an evaluative letter grade. Last day to change from credit to audit or vice versa for all students.

**May 22.** Last day for making a program change or withdrawing from school except under exceptional conditions.

# General Information

1

This bulletin contains the schedule of classes for the winter quarter, 1968, for the Carbondale Campus. It also provides information relative to advisement and registration, fees, and allied information for the Carbondale Campus.

## ADMISSION

Inquiries concerning undergraduate admission to the Carbondale Campus should be directed to the Admissions Office; those on the graduate level to the Graduate School. Deadlines for admission application can be found in the Calendar of Events on the preceding pages. Undergraduate admission applications should be completed at least thirty days in advance of the desired entrance date.

## REGISTRATION & ADVISEMENT

The Carbondale Campus uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Undergraduate students entering the University for the first time will receive selective dates from the admission process from which they are to select the preferred date on which they will come to the campus to be advised and to advance register. This includes both freshmen and transfer students. They are not to write for appointments nor are they to come to Carbondale expecting to register unless it is the date indicated for them to do so.

Graduate students will initiate advisement with their advisers, and will complete the registration process at the Graduate School, where all registration forms will be completed and retained. Graduate students will not be required to go through the Sectioning Center. The sectioning process is handled at a later time, and the student receives a fee statement by mail. Cancellation of graduate student registrations for non-payment of fees occurs at the end of the second week of the quarter. Graduate students may register during the advance registration period or during the first week of the quarter. No late fee will be assessed during this period. Graduate students who need to make program changes must follow the same procedure as undergraduate students in that these must be personally processed by the graduate students through the Sectioning Center.

After advisement the student may register for classes. The registration calendar begins on page iv. Ordinarily registration offices are open from 8:00 to 12:00 noon and 1:00 to 5:00 P.M., Monday through Friday, and from 8:30 to 12:00 noon on Saturday.

During the registration process the student goes through the Sectioning Center where the assignment is made to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

## NEW STUDENTS

Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Registrar's Office.

New graduate students may register during the registration periods indicated on the registration calendars. Arrangements should be cleared with the Graduate School to do so to assure that the appropriate adviser will be available.

## RE-ENTERING STUDENTS

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing readmission procedures (Admission Office for undergraduate students and Graduate School for graduate students) advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Sectioning Center.

## CURRENT STUDENTS, CARBONDALE CAMPUS

Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major is initiated with the student's adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Sectioning Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students preparing for a degree program should contact the departmental adviser for pre-advisement. Unclassified graduate students in other categories may report directly to the Graduate School for registration procedure. Unclassified students who are planning to take qualifying courses must report those courses to the Graduate Admissions office *before* registering each quarter.

## CURRENT STUDENTS, EDWARDSVILLE CAMPUS

Undergraduate students attending the Edwardsville Campus who plan to attend the Carbondale Campus must initiate their registration process by presenting to the Admissions Office at Carbondale either an official transcript of their University record or a letter of good standing from the registrar at the Edwardsville Campus. The reason for reporting to the Admissions Office is to permit the necessary coding changes to be made so that pertinent informa-

tion about their academic programs, etc., can be updated to reflect the change of campus. Graduate students report first to the Graduate School.

## PAYMENT OF FEES

Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier to simply mail the fee statement along with the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this Schedule. If students pay fees in person at the Bursar's Office they receive a Certificate of Registration at that time. When fees are paid by mail the Certificate will be mailed to the address given by the student on the back of his fee statement. Students will receive their printed schedule of classes within one week after the cancellation date. It is important that these forms be carried by the students at all times.

Undergraduate students registering at the start of a quarter must pay fees at the time of registration.

Undergraduate students advance registering may have their fees deferred provided the total amount of fees payable is \$35 or more. This is done through the Financial Assistance Office. Students attempting to do this via mail must do so several days prior to the fee deadline and must include their Fee Statement with the written request for deferment.

Graduate students receive their fee statements by mail and must clear their fees at the Bursar's office by 4:00 P.M. on the last day of the second week of the quarter. For the 1968 spring quarter this is March 13.

### FEES FOR A REGULAR QUARTER

The University reserves the right to change fees and to have the change go into effect whenever the proper authorities so determine. Beginning winter quarter, 1968, Illinois undergraduate students pay the following fees:

|   | Not more than 5 hrs. | More than 5, less than 11 | 11 or more     |
|---|----------------------|---------------------------|----------------|
| Tuition Fee—Illinois                    |                      |                           |                |
| Resident .....                          | \$14.00              | \$28.00                   | \$42.00        |
| Tuition Fee—Out of State ..             | (30.00)              | (115.00)                  | (172.00)       |
| Student Welfare and Recreation Building |                      |                           |                |
| Trust Fund Fee .....                    | 5.00                 | 10.00                     | 15.00          |
| Book Rental Fee .....                   | 3.00                 | 6.00                      | 8.00           |
| Student Activity Fee .....              | 3.50                 | 7.00                      | 10.50          |
| University Center Fee .....             | 5.00                 | 5.00                      | 5.00           |
| <i>Total</i> —Illinois Resident .....   | <u>\$30.50</u>       | <u>\$56.00</u>            | <u>\$80.50</u> |
| <i>Total</i> —Out of State              |                      |                           |                |
| Resident .....                          | (46.50)              | (143.00)                  | (210.50)       |

Students who register for a course for "Audit" or for a non-credit course will be assessed fees according to the imputed hours of that course. "Imputed hours" is generally the number of hours the class meets per week.

Graduate students do not rent their textbooks and do not pay the book rental fee. They must purchase their books.

Students having special fee status, such as scholarship

holders, faculty, and staff, will pay fees according to their particular status.

## REGISTERING FOR ONLY NIGHT AND/OR SATURDAY CLASSES

Students registering for only night and/or Saturday classes may advance register, during regular office hours, the same as other students. Registration offices are also open the first night of each quarter, and the first Saturday morning of each quarter for the convenience of these students.

## LATE REGISTRATION

A late registration fee will be charged continuing undergraduate students who do not advance register. New and re-entry undergraduate students will be charged this late fee after the first day of the quarter. Graduate students will be charged a late fee after the first week of the quarter.

## AUDITING OF COURSES

Students may register for courses in an "audit" status. They receive no letter grade and no credit for such courses. An auditor's registration must be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to determine from the instructor the amount of work expected of them. If auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Registrar's Office. Students registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter. Such a change will require the student's academic dean's approval.

## PROGRAM CHANGES

Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom can be made only after fees are paid and must be made through an official program change, which includes the following steps:

1. Initiating the change.  
Students report to their advisers for approval and Program Change form completion. Graduate students must also secure approval from the Graduate School. If the change involves only that of changing sections within the same course, this may be done at the Sectioning Center without the necessity of securing adviser approval.
2. Sectioning.  
Students must take the program change form to the Sectioning Center after approval by the adviser. If the change involves a program change fee this must be paid at the Bursar's Office and then returned to the Sectioning Center for completion of the process.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done during the first week of a quarter.

## DROPPING A COURSE

A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course by an under-

graduate student without receiving a letter grade is the last day of the fourth week of a quarter. Graduate students may not necessarily receive a grade for dropping after the fourth week. (Refer to Registration Calendar.)

#### CHANGING FEE STATUS

Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendar beginning on page ii.

#### WITHDRAWAL FROM SCHOOL

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office within two weeks following the last regular registration period. See the Registration Calendar in this bulletin for the specific dates concerning withdrawal and refunding of fees.

A student who advance registers, including paying of fees, and then finds that he cannot attend school must also officially withdraw from school. He may do this by asking

the Student Affairs Division to initiate official withdrawal action for him. This must be done by the end of the first two weeks if he expects to get a refund.

#### CANCELLATION OF REGISTRATION

An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Director of Student Affairs.

#### PERSONAL DATA CHANGES

At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items which may require some type of verifying evidence, are changed by reporting to the offices listed below.

1. Local Address Change. Housing Office, Building A, Washington Square.
2. Name Changes, Marital Status Changes, Date of Birth Changes. Records section of the Registrar's Office. Verification is required.
3. Selective Service Data Changes or Information. Enrollment Center, Registrar's Office.
4. Legal Residence Changes (whether an Illinois or out-of-state resident). Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Registrar's Office. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

# Schedule of Classes

2

## LISTING OF COURSES

Courses which students are to take to meet the General Studies requirements are listed in the front part of the Schedule of Classes. These courses are listed by the area which they satisfy and within the area by course number and section number.

Departments in which courses are being offered are listed in alphabetical order. Courses within each department are listed in order by course number and section number.

## COURSE NUMBERS AND HOURS

The column containing this information shows the number of the course first, followed by the number of hours of credit. Course numbers are three-digit numbers. In some cases the three digits may be followed by a letter which is also part of the course number.

The number appearing after the dash denotes the hours of credit for the course. In some cases there may be more than one number following the course number such as 599-2 to 5. This represents a variable-hour course in which the student decides the number of hours for which he is going to register in consultation with his adviser.

The course numbering system is as follows:

|         |   |
|---------|---|
| 000-099 | Course not properly in the following categories |
| 100-199 | For freshmen                                    |
| 200-299 | For sophomores                                  |
| 300-399 | For juniors and seniors                         |
| 400-499 | For seniors and graduate students               |
| 500-600 | For graduate students only                      |

## PREREQUISITE

The prerequisite column lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same department, indicated by a course number. A prerequisite in another department is indicated by the department's code letters and the number.

The listing of prerequisites provides ready information for students. An effort has been made to have the listing complete, but this is not guaranteed. For the official listing of course descriptions and prerequisites, consult the undergraduate catalog or the graduate catalog.

## SECTION NUMBER, TIME, AND DAYS

The times given indicate the beginning and ending of each class period. Students registering for courses listed as "to

be arranged" may obtain times and days from instructor indicated or, if no instructor is listed, from the department chairman offering the course.

The letter *T* preceding a section number indicates that the section has been tentatively scheduled and will be opened for registration only if staff is available.

## BUILDING AND ROOM NUMBER

The following list of building abbreviations will help in the location of classrooms. Buildings are listed alphabetically according to the code used in the class schedule. Temporary buildings are indicated in the schedule by the letter *T* or *H* followed by a number.

| CODE:                                | BUILDING NAME              | CODE:    | BUILDING NAME                                   |

If a building contains more than one classroom, then the number of the room follows the building's code name. For example, "T32 111" means room 111 in building T32.

## EXPLANATION OF ENTRIES

The entry for each course is arranged as follows:

First Line: The course's identification number is followed by the number of quarter hours of credit and the descriptive title. A dotted line separates the title from the prerequisite, which appears at the right-hand end of the first line and sometimes continues to the second line.

Second Line: Special registration information, explanations, or any other remarks about the course appear on the second line. Sometimes the second line is not used.

Section-Number Lines: The first column lists section numbers for courses offered spring quarter. Following each section number are the time the class begins and the time it ends. The ending time for a class is indicated only when it exceeds the normal 50 minute period. The days on which the class meets, the place where it meets, and the instructor's last name complete the entry.

NOTE: All private lessons (Applied Music Courses) must be arranged with the instructor concerned on the first day of each quarter. Courses in private or class instruments will be offered to qualified non music majors after consultation with the chairman of the Department of Music. Students enrolled in private or class applied courses are expected to practice at least one hour per day. Air-conditioned practice rooms will be assigned on the first day of each quarter in Altgeld 103.

\*Not offered at other levels.
