Registration Calendar

Spring Quarter 1974

GRADUATE REGISTRATION DATES

Monday, January 21–Friday, March 8

Advance registration period for graduate students. Graduate students may begin making program changes for the spring quarter on Monday, February 4. No graduate registration or program change will be processed Monday, March 11, through Monday, March 25.

Monday, March 25–Thursday, April 4

Beginning-of-the-quarter registration period for graduate students. No graduate students will be admitted or readmitted on March 25, 26, 27.

UNDERGRADUATE REGISTRATION DATES

Monday, January 14, Friday, March 8

Advance registration period for all undergraduate students. New students should refer to the Registration and Advisement procedure on page 1 for further procedural information.

ALL CONTINUING UNDERGRADUATE STUDENTS ARE EXPECTED TO BE REGISTERED BY March 8. Students are urged to process program changes prior to the first day of classes. Students should be registered and should attend classes on the first day of classes.

Monday, February 4

First day for undergraduate students to begin making program changes for the spring quarter.

Wednesday, March 13

Undergraduate students will have their advance registration cancelled if fees are not paid at the Bursar's Office by 4:00 P.M. on this date, unless they have deferred their fee payment at the Bursar's Office prior to this date. Students whose fees are paid or deferred by this date will receive a printed class schedule before the quarter begins. To insure accuracy students should check these schedules carefully for conflicts and errors. Changes should be made before classes begin. Tuition and fees may be deferred during the two-week period prior to the fee payment deadline providing the tuition and fee payment totals at least \$50.

Beginning-of-the-Quarter Activities for Undergraduates

The dates listed below from March 26 through March 29 are for under-

graduates. These dates are subject to change prior to the beginning of spring quarter. Continuing students *should not wait* until this time to register. Their registration should be processed and tuition and fees paid or deferred prior to March 13.

Tuesday, March 26

Residence halls open.

New student orientation begins.

Advisement and registration for all students not yet registered.

Registration will be located at the SIU Arena from Tuesday, March 26, through 4:00 P.M. Friday, March 29. Arena hours: 8:00 A.M.–4:00 P.M. daily.

Wednesday, March 27

New student orientation continues.

Advisement and registration open for all students not yet registered. All students are expected to be registered by this date.

This date will constitute the last day for regular registration for all undergraduate students.

Night classes begin (5:30 P.M. or later).

Thursday, March 28

Day classes begin.

Advisement and registration open for program changes only.

Friday, March 29

Advisement and registration open for registration and program changes.

Last day to register or make program change in which a course is added or a section changed. Registration closes at 4:00 P.M.

Monday, April 1

Registration activities returned to Woody Hall.

UNDERGRADUATE AND GRADUATE REGISTRATION DEADLINE DATES

Thursday, April 4

Deadline for payment of fees by students whose fees were deferred. Graduate students registration will be cancelled if fees are not paid by 4:00 P.M.

Tuesday, April 9

Last day officially to withdraw from school or make a program change drop which changes fee categories to be eligible for a refund of fees.

Tuesday, April 23

Last day for undergraduates to officially withdraw from a course without receiving a letter grade.

Graduate students officially dropping a course after this date need not be given an evaluative letter grade.

Last day to change from credit to audit or vice versa for all students. (See Auditing of Courses, page 4.)

Last day to change from regular grading option to pass/fail option or vice versa for students in elective pass/fail courses. (See Pass/Fail Option, page 5.)

Tuesday, May 28

Last day for making a program change or withdrawing from school except under exceptional circumstances.

May

- 4, Saturday Test of English as a Foreign Language (Residual) *
Medical College Admission Test *
- 17, Friday Last day graduate students may submit their thesis,
dissertation, or research report to the Graduate School to
be eligible for June graduation.

June

- 1, Saturday Test of English as a Foreign Language (National) *

* Pre-registration is required. Please contact the Testing Division, Career Planning and Placement Center, Washington Square, Building C, 536-3303, at least four weeks before the date of the test.

1 General Information

THIS BULLETIN contains the schedule of classes offered for the spring quarter, 1974, by Southern Illinois University at Carbondale. It also provides information relative to advisement and registration, fees, and allied information.

Admission

Inquiries concerning undergraduate admission should be directed to the Admissions Office; those on the graduate level to the Graduate School. Undergraduate admission applications should be completed at least thirty days in advance of the desired entrance date.

Registration and Advisement

Southern Illinois University at Carbondale uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Undergraduate students entering the University for the first time will receive selective dates from the admission process from which they are to select the preferred date on which they will come to the campus to be advised and to advance register. This includes both freshmen and transfer students. They are not to write for appointments nor are they to come to Carbondale expecting to register unless it is the date indicated for them to do so.

Graduate students will initiate advisement with their advisers, and will complete the registration process at the graduate school, where all registration forms will be completed and retained. Graduate students will not be required to go through the Registration Center. The registration process is handled at a later time, and the student receives a fee statement by mail. Cancellation of graduate student registrations for non-payment of fees occurs on the date indicated in the Registration Calendar. Graduate students may register during the period indicated in the Registration Calendar. Graduate students who need to make program changes must follow the same procedure as undergraduate students in that these must be personally processed by the graduate students through the Registration Center.

After advisement the student may register for classes. See the Registration Calendar in this bulletin. Ordinarily, registration offices are open from 8:00 to 11:30 A.M. and 1:00 to 4:30 P.M., Monday through Friday.

During the registration process the student goes through the Registration Center, where he assigns himself to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will

attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class. Students should complete the registration process before classes begin.

New Students

Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Office of Admissions and Records.

New graduate students may register during the registration periods indicated on the registration calendars. Arrangements should be cleared with the Graduate School to do so to assure that the appropriate adviser will be available.

Re-Entering Students

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing readmission procedures (Admissions Office for undergraduate students and graduate school for graduate students) advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Registration Center.

Current Students, Carbondale

Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major area of concentration is initiated with the student's adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Registration Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students may report directly to the graduate school for registration procedure.

Current Students, Edwardsville

Undergraduate students attending Southern Illinois University at Edwardsville who plan to attend Southern Illinois University at Carbondale must initiate their registration process by presenting to the Office of Admissions and Records at Carbondale either an official transcript of their university record or a letter of good standing from the registrar at Edwardsville. The reason for reporting to the admissions office is to permit the necessary coding changes to be made so that pertinent information

about their academic programs, etc., can be up-dated to reflect the change of campus. Graduate students report first to the Graduate School.

Payment of Fees

Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier simply to mail the fee statement along with a check or money order for the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this bulletin. If students pay fees in person at the Bursar's Office they receive a Student Fee Statement at that time. When fees are paid by mail the fee statement may be picked up by the student when he returns to campus. Students will receive their printed schedule of classes within one week after the cancellation date. It is important that these forms be carried by the students at all times.

Undergraduate students registering at the start of a quarter must pay fees at the time of registration.

Graduate students receive fee statements by mail and must clear their fees at the Bursar's Office by 4:00 P.M. on the date indicated on the Registration Calendar.

Fees for a Regular Quarter

The University reserves the right to change fees and to have the change go into effect whenever the proper authorities so determine. Undergraduate students pay the following regular fees:

	Not more than 5 hrs	More than 5, less than 11	11 or more
Tuition—Illinois Resident	\$ 48.00	\$ 95.00	\$143.00
Tuition—Out-of-State Resident	(143.00)	(286.00)	(429.00)
Student Welfare and Recreation			
Building Trust Fund Fee	5.00	10.00	15.00
Student Activity Fee *	3.50	3.50	3.50
Student Center Fee	5.00	10.00	10.00
Athletic Fund Fee	3.00	6.50	10.00
Student Medical Benefit Fee *	4.00	7.50	11.50
Total—Illinois Resident	\$ 68.50	\$132.50	\$193.00
Total—Out-of-State Resident	(163.50)	(323.50)	(479.00)

* Graduate students carrying not more than five hours may option not to pay either one or both of these fees.

Students who register for a course for *audit* or for a non-credit course will be assessed fees according to the imputed hours of that course. *Imputed hours* is generally the number of hours the class meets per week.

Scholarships-Grants-Assistantships-Waivers

Students having special fee status, such as scholarships, grants, graduate appointments, faculty and staff will pay fees according to their particular fee status and must provide proof of their eligibility at the time fees are assessed.

Students holding valid state scholarships and other grants are exempt from some or all of the tuition and fees for a quarter to the extent provided by the terms of the specific financial aid. Additional information concerning scholarships and grants may be obtained from the Office of Student Work and Financial Assistance.

Graduate Appointees

A graduate student who holds a graduate student appointment of at least one-quarter time is eligible for a waiver of tuition each quarter the appointment is held.

A graduate student who has held such an appointment for at least three consecutive quarters and meets the conditions specified below will be eligible for a waiver of tuition for one additional quarter.

1. The appointment requires service to the University (i.e., preceptor, teaching assistant, research assistant, graduate intern, graduate assistant, but not a special doctoral assistant), and is paid through University Payroll. A special doctoral assistant is appointed for four quarters and can have the appointment extended to a total of eight quarters, but is not eligible for additional quarters.
2. The student has held an appointment requiring service to the University of at least 25% time each of three *consecutive* quarters. The Summer Quarter may be one of the three quarters. On the other hand, the three quarters may be interrupted by the summer and still be considered consecutive.
3. The tuition waiver will be granted *immediately after* the three quarters of service have been completed. A student whose appointment is fall, winter, and spring may option either the immediate summer or fall, but not both. In no case shall the additional quarter tuition waiver be granted *before* the three consecutive quarters of service have been completed.
4. This additional quarter of tuition waiver shall not apply to nonservice appointments normally awarded for four or more consecutive quarters, (i.e., special doctoral assistantships, graduate fellowships, or experimental fellowships).
5. This additional quarter of tuition waiver shall not apply to appointments such as NDEA (Title IV) fellowships, NSF traineeships, and NSF fellowships.

Fees waived for graduate appointees are the student welfare and recreation building trust fund fee and the athletic fee when registering for less than full-time (11 quarter hours) basis.

Faculty and Staff

Persons in this category will receive a tuition waiver and a waiver of some fees whenever they are employed at any time during a quarter for which they are registered. If the appointment is at least a nine month appointment, students may receive the waiver for the fourth quarter providing that quarter follows immediately the last quarter of appointment. Students may option summer or fall in this instance.

Civil Service

These employees will receive a tuition waiver and a waiver of some fees only when authorized by the Personnel Office after compliance with personnel regulations.

Fees waived for faculty and administrative staff and civil service employees are the student welfare, recreation building trust fund fee, and the athletic fee when registering for less than full-time (11 quarter hours) basis. They are not permitted to pay the activity fee or student medical benefit fee.

Auditing of Courses

Students may register for courses in an *audit* status. They receive no letter grade and no credit for such courses. An auditor's registration must

be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to determine from the instructor the amount of work expected of them. If auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Office of Admissions and Records. Students registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter. Such a change will require the student's academic dean's approval.

Pass/Fail Option

This option applies only to undergraduate instruction. The elective Pass/Fail option and mandatory Pass/Fail courses are not available for graduate credit.

Courses offered under the pass/fail option are denoted in the listing of course offerings by "Elective pass/fail" or "Mandatory pass/fail."

A student taking a course for pass/fail should have his registration marked accordingly. Students registering in an elective pass/fail course may change from the regular grading option to the pass/fail option or vice versa only for fully justified reasons and only during the first four weeks of the quarter. Such a change will require the student's academic dean's approval.

Students are not permitted to elect pass/fail for a course that is a major or minor requirement for them unless the program specifically permits such to be done. At present the only programs permitting such are:

Economics department—Any departmental undergraduate economics course, including ones required as a part of the *economics* major or minor, may be taken on a pass/fail basis.

Forestry department—Forestry 104 may be taken on a pass/fail basis by students majoring in forestry.

Program Changes

Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom must be made through an official program change, which includes the following steps:

1. Initiating the change.

Students report to their advisers for approval and Program Change form completion. Graduate students must also secure approval from the graduate school. If the change involves only that of changing sections within the same course, this may be done at the Registration Center without the necessity of securing adviser approval.

2. Registration.

Students must take the program change form to the Registration Center after approval by the adviser.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done by the "last day to add a class" as indicated in the Registration Calendar.

Dropping a Course

A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course by an undergraduate student without receiving a letter grade is printed in the Registration Calendar. Graduate students may not necessarily receive a grade for dropping after this date. (Refer to Registration Calendar.)

Changing Fee Status

Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendar.

Withdrawing from School

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Office of Admissions and Records to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter, except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed by the deadline stated in the Registration Calendar.

A student who advance registers, including paying of fees, and then finds that he cannot attend school must also officially withdraw from school. He may do this either by reporting to the Office of Admissions and Records in person or by writing to the Student Life Office. This must be done by the deadline date printed in the Registration Calendar, if he expects to get a refund.

Cancellation of Registration

An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Student Life Office.

Personal Data Changes

At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items which may require some type of verifying evidence, are changed by reporting to the offices listed below.

1. *Local Address Change*.—Office of Admissions and Records, Registration Center, Graduate School, or VTI Registration Office.
2. *Name Change, Marital Status Change, Date of Birth Change*.—Records Section of the Office of Admissions and Records. Verification may be required.
3. *Selective Service Data Change or Information*.—Registration Center.
4. *Legal Residence Change* (whether an Illinois or out-of-state resident).—Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Office of Admissions and Records. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

2 Schedule of Classes

Listing of Courses

Courses which students are to take to meet the General Studies requirements are listed in the front part of the Schedule of Classes. These courses are listed by the area which they satisfy and within the area by course number and section number.

Departments in which courses are being offered are listed in alphabetical order. Courses within each department are listed in order by course number and section number.

Course Numbers and Hours

The line containing this information shows the number of the course first, followed by the short title and number of hours of credit. Course numbers are three-digit numbers. In some cases the three digits may be followed by a letter which is also part of the course number.

In a variable-hour course the student decides the number of hours for which he is going to register in consultation with his adviser.

The course numbering system is as follows:

- 000–099 Course not properly in the following categories
- 100–199 For freshmen
- 200–299 For sophomores
- 300–399 For juniors and seniors
- 400–499 For seniors and graduate students
- 500–600 For graduate students only

Prerequisite

The prerequisite entry lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same department, indicated by a course number. A prerequisite in another department is indicated by the department's code letters and the number.

Section Number, Time, and Days

The section number is indicated in the first column. The times given indicate the beginning and ending of each class period. Students registering for courses listed as "to be arranged" may obtain times and days from instructor indicated or, if no instructor is listed, from the department.

Building and Room Number

The following list of building abbreviations will help in the location of classrooms. Buildings are listed alphabetically according to the code used in the class schedule. Temporary buildings are indicated by number only.

If a building contains more than one classroom, then the number of the room follows the building's code name.

CODE: BUILDING NAME
 Ag: Agriculture Building
 Allyn: Allyn Building
 Altg: Altgeld Hall
 Arena: SIU Arena
 Bailey: Bailey Hall (T.P.)
 Boat: Boat Dock
 Center: Student Center

Explanation of Entries

The entry for each course is arranged as follows:

First Line: The course's identification number is followed by the short title and the number of quarter hours of credit.

Second Line: The prerequisite (if applicable).

Section-Number Lines: The first column lists section numbers for courses offered. Following each section number are the beginning time, meeting days and place, and the instructor's last name.

Eled 375 restricted to consent of instructor		
**ELED 350 and 351—Student teachers are expected to be on duty in the public schools according to the calendar of the schools in which they are teaching. During the time in which University students are student teaching, it may therefore be necessary for them to follow a calendar different from the quarterly University calendar. When this is necessary, the chairman of Professional Education Experiences will inform the students sufficiently far enough in advance so that they may make necessary arrangements.

S ED 352—Student teachers are expected to be on duty in the public schools according to the calendar of the schools in which they are teaching. During the time in which University students are student teaching, it may therefore be necessary for them to follow a calendar different from the quarterly University Calendar. When this is necessary, the chairman of Professional Education Experiences will inform the students far enough in advance that they may make necessary arrangements.

This issue of the Southern Illinois University Bulletin, Schedule of Classes, Spring 1974, was published for the Office of Admissions and Records by University Graphics. The data base for the schedule proper is maintained on magnetic tape by Admissions and Records in cooperation with Information Processing, Southern Illinois University at Carbondale.

Typefaces are Century Schoolbook and Craw Clarendon Book. Hand composition and hot-metal Composition were done by Printing Service, Southern Illinois University at Carbondale. Conversion of the magnetic tape, photocomposition of the schedule proper, printing, and binding were provided by Taylor Publishing Company.

REGISTRATION WORK SHEET

This form is provided for your use in establishing a tentative class schedule before coming to the Registration Center.

2. Note: Avoid scheduling two classes at the same time.

3. It is suggested that you also make an alternative schedule.

4. Tentative class schedules are subject to the rules and policies on registration of the University and the Registration Center.

1. Write in the *course* and *section* number in the appropriate day and time column.
