Registration Calendar Spring Semester 1975

Advance Registration Dates

Monday, September 30–Friday, December 13

Advance registration period for all students.

All continuing students are expected to be registered by December 13.

Students are urged to process program changes prior to the first day of classes.

Friday, January 10

Deadline for payment of advance registration tuition and fees by mail. Payment must be mailed to the Bursar prior to this date to insure *receipt* of payment by *January 10*. Students paying after this date must pay in person at the Bursar's Office in Woody Hall.

Monday, January 13

Registration at Kaskaskia College Graduate Residence Center.

Students will register for courses and pay tuition and fees on this date.

Tuesday, January 14

Registration at Wabash Valley College Graduate Residence Center.

Students will register for courses and pay tuition and fees on this date.

Friday, January 17

Last day to pay tuition and fees for the spring semester. Registration will be cancelled if fees are not paid at the Bursar's Office by 4:00 P.M. on this date.

Beginning-of-the-Semester Final Registration Dates

Thursday and Friday, January 16 and 17

Registration for new, re-entry, and continuing students who failed to advance register. Graduate students registering on these dates must walk their registration through the registration process. Students registering on these dates must pay tuition and fees the same day they register. *All registrations are cancelled if tuition and fees are not paid by 4:00 P.M. on January 17.*

Friday, January 17

Last day to register and pay tuition and fees for the spring semester. Registration ends at 4:00 P.M.

Monday, January 20

Day classes begin, at 8:00 A.M.

Advisement and registration open for program changes.

Tuesday, January 21

Advisement and registration open for program changes.

Wednesday, January 22

Advisement and registration open for program changes.

Last day to make a program change in which a course is added or a section is changed.

Undergraduate and Graduate Registration Deadline Dates

Friday, February 7

Last day officially to withdraw from school or make a program change drop (reduce hours) to be eligible for a refund.

Friday, February 21

Last day for undergraduate students to officially withdraw from a course without receiving a letter grade.

Graduate students officially dropping a course after this date need not be given an evaluative letter grade.

Last day to change from credit to audit or vice versa for all students.

Last day to change from regular grading option to pass/fail option for students in elective pass/fail courses.

Friday, May 2

Last day for making a program change or withdrawing from school except under exceptional circumstances.

Early Semester Calendar

Southern Illinois University at Carbondale has changed from the quarter system to an early semester calendar.

All references in this bulletin to hours of credit are to *semester hours* unless otherwise specified. One semester hour of credit is equivalent to one and one-half quarter hours.

1 General Information

THIS BULLETIN contains the schedule of classes offered for the spring *semester*, 1975, by Southern Illinois University at Carbondale. It also provides information relative to advisement and registration, fees, and allied information.

Admission

Inquiries concerning undergraduate admission should be directed to the Admissions Office; those on the graduate level to the Graduate School. Undergraduate admission applications should be completed at least thirty days in advance of the desired entrance date.

Registration and Advisement

Southern Illinois University at Carbondale uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Undergraduate students entering the University for the first time will receive from the admission process a date on which they will come to the campus to be advised and to advance register. This includes both freshmen and transfer students. They are not to write for appointments nor are they to come to Carbondale expecting to register unless it is the date indicated for them to do so.

Graduate students will initiate advisement with their advisers, and will complete the registration process at the Graduate School, where all registration forms will be completed and retained. Graduate students will not be required to go through the Registration Center. The registration process is handled at a later time, and the student receives a fee statement by mail. Cancellation of graduate student registrations for non-payment of fees occurs on the date indicated in the Registration Calendar. Graduate students may register during the period indicated in the Registration Calendar. Graduate students who need to make program changes must follow the same procedure as undergraduate students in that these must be personally processed by the graduate students through the Registration Center.

After advisement the student may register for classes. See the Registration Calendar in this bulletin. Ordinarily, registration offices are open from 8:00 to 11:30 A.M. and 1:00 to 4:30 P.M., Monday through Friday.

During the registration process the student goes through the Registration Center, where he assigns himself to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for

asking that a program change be approved permitting registration in that class. Students should complete the registration process before classes begin.

New Students

Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Office of Admissions and Records or the appropriate academic unit.

New graduate students may register during the registration periods indicated on the registration calendars. Arrangements should be cleared with the Graduate School to do so to assure that the appropriate adviser will be available.

Re-Entering Students

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing readmission procedures (Admissions Office for undergraduate students and Graduate School for graduate students) advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Registration Center.

Current Students, Carbondale

Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major is initiated with the student's adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Registration Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students may report directly to the Graduate School for registration procedure.

Graduate Residence Center Students

Graduate students taking courses at graduate residence centers at Kaskaskia College and Wabash Valley College may register on the dates listed in the Registration Calendar or at the first class meeting.

Off-Campus Students

The University offers courses at various locations off campus. The locations of these courses are printed in this schedule of classes or may be ob-

tained from the Division of Continuing Education. Students who wish to enroll in off-campus courses may register and pay tuition and fees at the first class meeting.

Payment of Fees

Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier simply to mail the fee statement along with a check or money order for the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this bulletin. If students pay fees in person at the Bursar's Office they receive a Student Fee Statement at that time. When fees are paid by mail, the fee statement may be picked up by the student when he returns to campus. It is important that these forms be carried by the students at all times.

Students registering at the start of a semester must pay fees at the time of registration.

Graduate students who advance register receive fee statements by mail and must clear their fees at the Bursar's Office by 4:00 P.M. on the date indicated on the Registration Calendar. Graduate students registering at the beginning of the semester must process their registration personally and pay tuition and fees on the same day when they register.

Tuition and Fees for a Semester

Tuition and fees charged students are established by the Board of Trustees and are subject to change whenever conditions necessitate. All assessments are on a per-hour basis, with 12 hours considered full time. Students will be assessed the following tuition and fees each term:

Semester Hours Enrolled	TUITION		STUDENT FEE SCHEDULE ¹		
	(Illinois Resident)	(Non- Resident)	On-Campus ²	Extension and Residence-Centers ³	Permanent Full-Time or Permanent Part-Time Employee ⁴
1	\$ 18.00	\$ 54.00	\$48.25	\$16.00	\$ 7.50

12+	214.00	642.00	75.00	42.75	15.00

¹ No waiver is authorized.

² A student will pay the full Student Medical Benefit Fee of \$17.25, which will entitle him to full medical benefits at the Health Service. An on-campus student may seek a refund of the Student Medical Benefit Fee within the first four weeks of each semester by contacting the administrative director of the Health Service. The Student Medical Benefit Fee is not charged for instruction offered off campus. Faculty, administrative staff, and civil service personnel are not permitted to pay the Student Medical Benefit Fee. The on-campus student fee includes allocations to the Student Medical Benefit Fee, Student Welfare and Recreation Fund, Athletic Fund Fee, Student Center Fee, and Student Activity Fee.

³ Includes allocations to the Student Welfare and Recreation Fund, Athletic Fund Fee, Student Center Fee, and Student Activity Fee.

⁴ Includes Student Center Fee only. A civil service employee claiming this tuition and fee remission must receive approval of his department head and director of the Personnel Office prior to enrolling for courses.

Students who register for a course for *audit* or for a non-credit course will be assessed fees according to the imputed hours of that course. *Imputed hours* is generally the number of hours the class meets per week.

Scholarships-Grants-Assistantships-Waivers

Students having special fee status, such as scholarships, grants, graduate appointments, faculty, and staff, will pay fees according to their particular fee status and must provide proof of their eligibility at the time fees are assessed.

Students holding valid state scholarships and other grants are exempt from some or all of the tuition and fees for a semester to the extent provided by the terms of the specific financial aid. Additional information concerning scholarships and grants may be obtained from the Office of Student Work and Financial Assistance.

Graduate Appointees

A graduate student who holds a graduate-student appointment of at least one-quarter of full time and who is appointed for the full length of an academic term (semester or full-length summer session) is eligible for a waiver of tuition each academic term the appointment is held. If a student is appointed for less than a full academic term on a fiscal pay basis, he is not eligible for a tuition waiver for that academic term.

A student who holds an appointment for the full academic term but resigns before the end of that term, and who continues to be registered for courses, shall be liable for the full tuition for the term.

A graduate student who has held such an appointment, requiring service to the University of at least 25 percent of full time, for each of two consecutive semesters will be eligible for a waiver of tuition for the summer session immediately following the two consecutive semesters of service. In no case shall the additional term of tuition waiver be granted before the two consecutive semesters of service have been completed.

This additional term of tuition waiver shall not apply to nonservice appointments or appointments normally awarded for 12 or more consecutive months (i.e., special doctoral assistantships, graduate or special fellowships). NDEA (Title IV) fellows, NSF trainees, and NSF fellows are not eligible.

NDEA (Title IV) fellows and NSF trainees do not pay fees, assessments, or tuition.

Faculty and Staff

Employees in faculty-administrative positions will receive a tuition waiver and a waiver of some fees whenever they are employed at any time during a semester for which they are registered. If the appointment is at least a nine-month appointment, students may receive the waiver for an additional semester which must follow immediately the last semester of appointment. Students may option summer or fall in this instance.

Civil Service

Employees in civil service positions will receive a tuition waiver and a waiver of some fees only when authorized by the Personnel Office after compliance with personnel regulations.

Auditing of Courses

Students may register for courses in an *audit* status. They receive no letter grade and no credit for such courses. An auditor's registration must be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to determine from the instructor the amount of work expected of them. If

auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Office of Admissions and Records. Students registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first five weeks of a semester. Such a change will require the student's academic dean's approval.

Pass/Fail Option

The pass/fail option applies only to undergraduate instruction. Pass/fail courses are not available for graduate credit.

Courses offered under the pass/fail option are denoted in the listing of course offerings by "Elective Pass/Fail" or "Mandatory Pass/Fail."

A student taking a course for pass/fail should have his registration marked accordingly.

A student may change to or from pass/fail grading through the fifth week of a semester with an adviser's approval. After that time until the last day to make a program change, he will be permitted to change *from* pass/fail to regular grading with an adviser's approval or *to* pass/fail from regular grading with his dean's approval.

Students are not permitted to elect pass/fail for a course that is a major or minor requirement for them unless the program specifically permits such to be done.

Independent Study Courses

Courses such as special problems, independent research, thesis, etc., involving an individualized instructional format are in the class listing with a section number of "700." Prior to registering in a course of this type, the student must determine the "instructor number" for the faculty member responsible for the student's instruction. That three-digit instructor number, along with the class's printed call number and the instructor's last name, must be indicated on the Course Request Form or Program Change Form at the time of registration. All students should obtain the permission of the individual instructor before registering for such courses. The adviser for students in graduate degree programs will be responsible for determining that the student has the permission required. Unclassified graduate students must have the instructor sign the Course Request Form before bringing it to the Graduate School.

A listing of faculty within instructional programs along with each assigned instructor number may be found in the appendix of this book.

Program Changes

Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom must be made through an official program change, which includes the following steps:

1. Initiating the change.

Students report to their advisers for approval and Program Change form completion. Graduate students must also secure approval from the Graduate School. If the change involves only that of changing sections within the same course, this may be done at the Registration Center without the necessity of securing adviser approval.

2. Registration.

Students must take the program change form to the Registration Center after approval by the adviser.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done by the "last day to add a class" as indicated in the Registration Calendar.

Dropping a Course

A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course by an undergraduate student without receiving a letter grade is printed in the Registration Calendar. Graduate students may not necessarily receive a grade for dropping after this date. (Refer to Registration Calendar.)

Changing Fee Status

Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period at the start of a semester in which students withdrawing from the University are eligible for a refund. This is usually during the first three weeks. For dates refer to the Registration Calendar.

Withdrawing from School

A student who finds it necessary to withdraw from school while the semester is in progress must report to the Office of Admissions and Records to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a semester, except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed by the deadline stated in the Registration Calendar.

A student who advance registers, including paying of fees, and then finds that he cannot attend school must also officially withdraw from school. He may do this either by reporting to the Office of Admissions and Records in person or by writing to the Student Life Office. This must be done by the deadline date printed in the Registration Calendar, if he expects to get a refund.

Cancellation of Registration

An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Student Life Office.

Personal Data Changes

At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items which may require some type of verifying evidence, are changed by reporting to the offices listed below.

1. *Local Address Change*.—Office of Admissions and Records, Registration Center, Graduate School.
2. *Name Change, Marital Status Change, Date of Birth Change*.—Records Section of the Office of Admissions and Records. Verification may be required.
3. *Selective Service Data Change or Information*.—Registration Center.
4. *Legal Residence Change* (whether an Illinois or out-of-state resident).—Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Office of Admissions and Records. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

3 Schedule of Classes

THIS CHAPTER is arranged in two parts:

1. General Studies Courses.
2. Departmental Courses.

Within each part, the subject areas in which courses are being offered are listed in alphabetical order by name. (The table of contents on pages ii and iii exhibits the subject areas and their page numbers).

Within each subject area, the courses are listed in order by course number. For each course, the first line contains the course number, its short title, number of semester hours of credit, and pass/fail information if applicable.

Within each course, sections are listed in numerical order. The entry for a typical section includes a call number, section number, beginning time, meeting days and place, and the instructor's last name.

A brief discussion of each type of information listed in this schedule follows.

Title Line

First is the course number. It is a three-digit numeral plus, in some cases, a single letter. It identifies the course and indicates the academic classification of the course as follows:

- | | |
|---------|---|
| 000-099 | Course not properly in the following categories |
| 100-199 | For freshmen |
| 200-299 | For sophomores |
| 300-399 | For juniors and seniors |
| 400-499 | For seniors and graduate students |
| 500-600 | For graduate students only |

Next is the short title. For the full title and the course description, refer to the Undergraduate Catalog or the Graduate Catalog.

At the end of the title line is the number of hours of credit awarded for completion of the course. All references to hours of credit imply semester hours unless otherwise specified. One semester hour is equivalent to one and one-half quarter hours.

In a variable-hour course, the student decides the number of hours for which he is going to register in consultation with his adviser.

Courses offered under the pass/fail option are footnoted after the hours of credit. See chapter 1 for further comments on this option.

Prerequisite

The prerequisite entry lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same subject area, indicated by a course number. A prerequisite in another area is indicated by that area's code letters and the course number.

Call Number and Section Number

Each section number is preceded by a unique call number, which is a four-digit numeral. Both the call number and the section number must be entered after the appropriate subject-area abbreviation and the course number on the student's Course Request Form or Program Change Form at the time of registration.

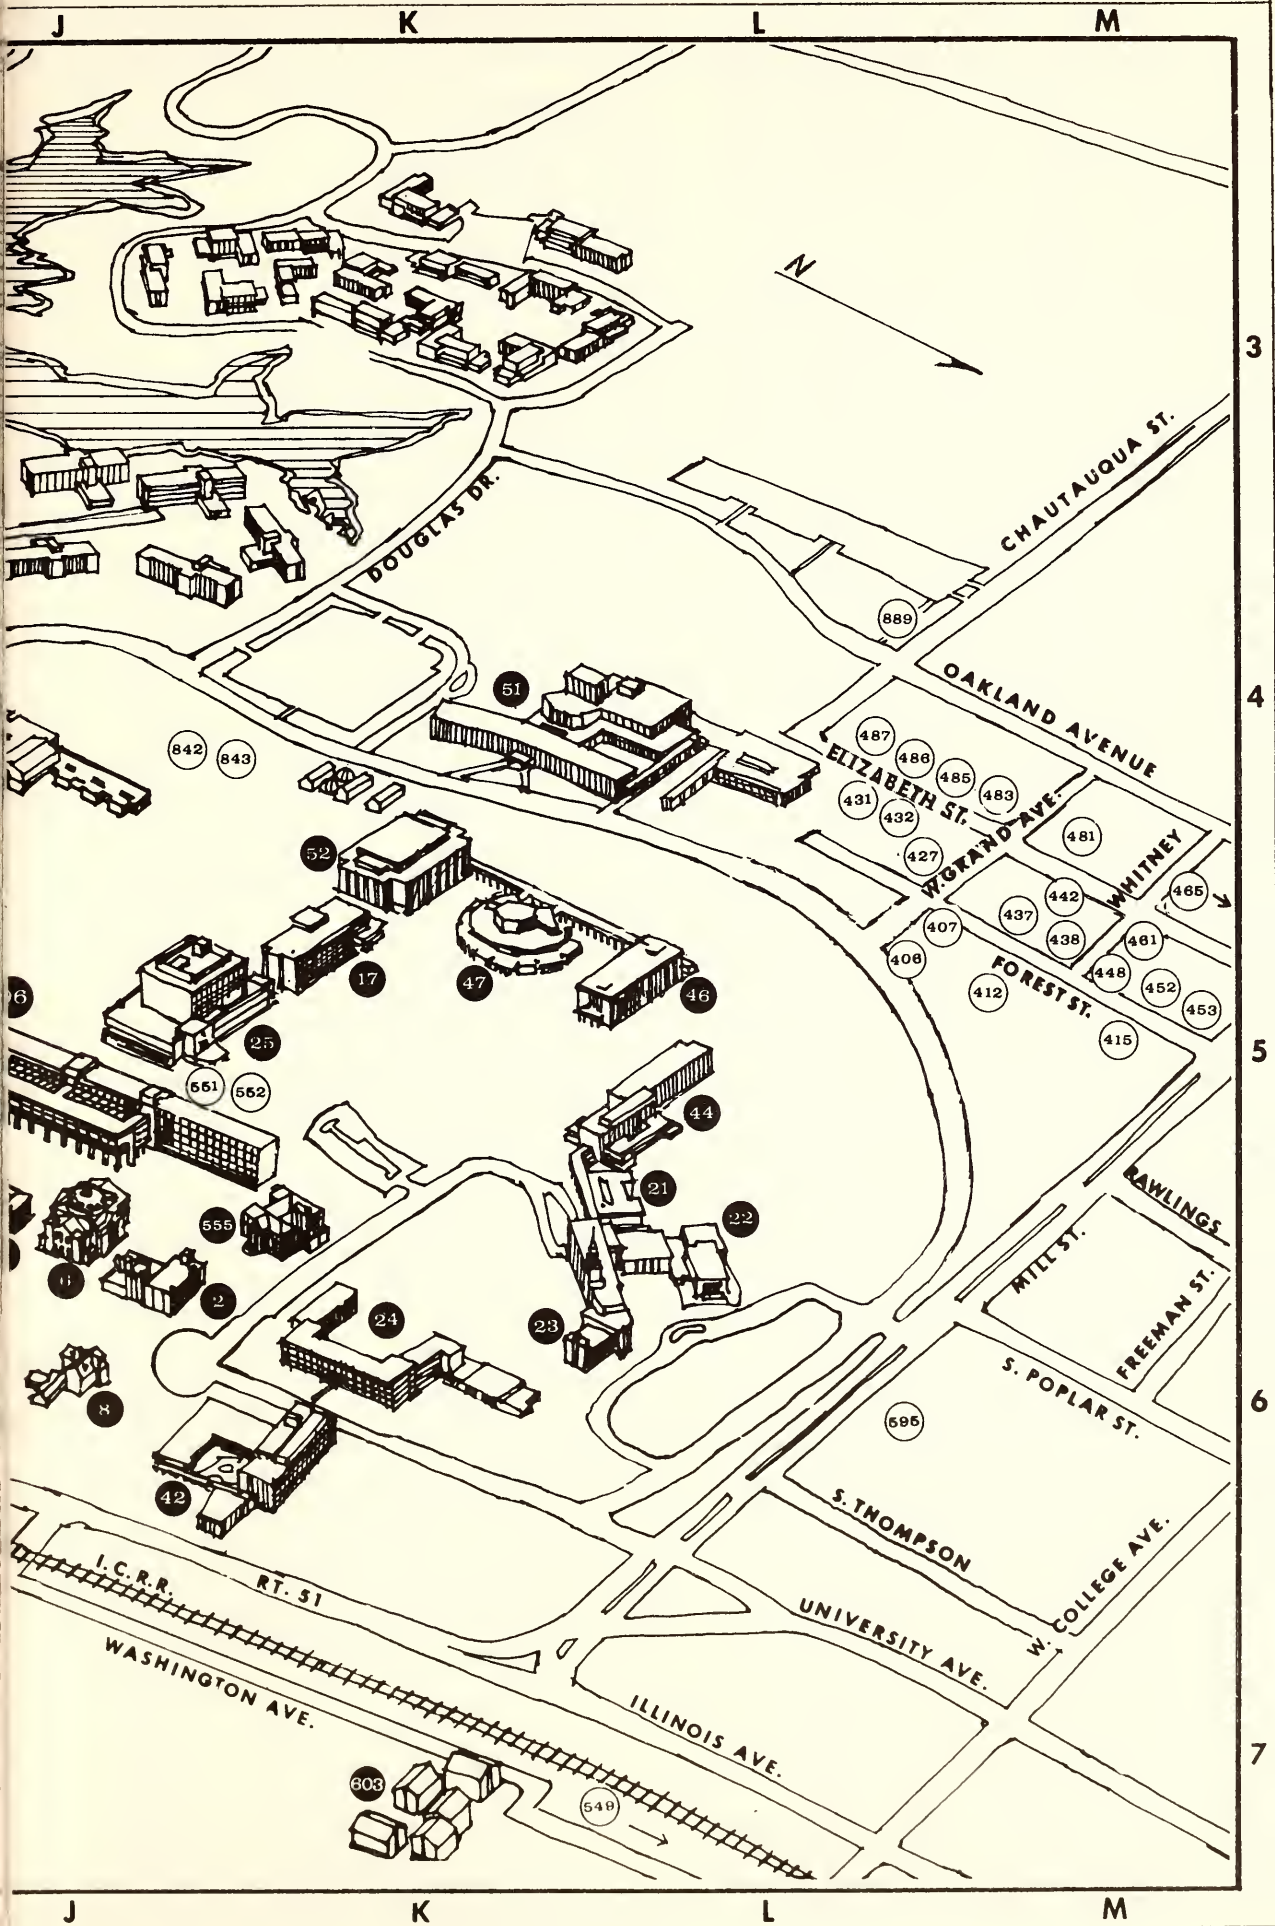

For section 700, refer to chapter 1, under "Independent Study Courses."

Time and Days

The times given indicate the beginning and ending of each class period. If no

EDUC 400 and 401—Student teachers are expected to be on duty in the public schools according to the calendar of the schools in which they are teaching. During the time in which University students are student teaching, it may therefore be necessary for them to follow a calendar different from the University semester calendar. When this is necessary, the chairman of Professional Education Experiences will inform the students far enough in advance that they may make necessary arrangements.

NOTE—Students enrolling in MUS 036A or 036B or in the MUS 040, 140, 240, 340, 440, or 540 series must present a restricted class permit slip from the music adviser when registering.

For the MUS 040, 140, 240, 340, 440 or 540 series, music majors and minors enroll for 2 semester hours on their principal instrument, taking one half-hour private lesson and studio class (Mondays at 10:00 A.M.). Those with prior approval by their applied jury for the specialization in Performance enroll for 4 semester hours, taking two half-hour private lessons and the studio class each week. Non-music majors or minors, and those music majors taking a second instrument, enroll for 1 semester hour, taking one private or class lesson per week. Six hours of individual practice per week required for each lesson.

This issue of the *Southern Illinois University Bulletin*, Schedule of Classes, Spring Semester 1975, was published for the Office of Admissions and Records by University Graphics.

The data base for the schedule proper is maintained on magnetic tape by Admissions and Records in cooperation with Information Processing, Southern Illinois University at Carbondale.

Typefaces are Century Schoolbook and Craw Clarendon Book. Hand composition and hot-metal composition were done by Printing Service, Southern Illinois University at Carbondale. Conversion of the magnetic tape, photo-composition of the schedule proper, printing, and binding were provided by Taylor Publishing Company.
