

**Fall 1998**

**WELCOME** to the fourth issue of *Ethnobotanical Leaflets*. In this edition you'll find a number of new subject areas worth exploring, including recent contributions to our **Web Journal**. Under this heading will be found various short articles and research notes of general interest to our readers. New to this issue is the premier appearance of our **Ethnobotanical Leaflets Starch Research Page**. Also, a new page of color photos by Carlos Ochoa has been added to the Galleria Section. In addition, please note the new links in Online Economic Botany Resources. As always, contributions from our readers will be welcomed.
