

Ethnobotanical Leaflets

**European Society of Ethnopharmacology
International Congress
Metz, France**

May 11-13, 2000

This symposium will cover some new aspects of ethnopharmacology. It will try to establish the modes of transmission and the access to therapeutic knowledge in different cultures and civilizations. For brochure, e-mail the Secretary (sfe-see@wanadoo.fr), or write Societe Francaise d'Ethnopharmacologie, 1, rue des Recollets, F-57000, Metz, France.
